Two pools are included in plans for the proposed Ontario Crippled Children's Centre, for which gifts are now being sought throughout the province. The "Rainbow Pool" is specially designed for therapeutic treatment of children, to help them strengthen their muscles as they learn to walk. The larger swimming pool, for exercise and recreation, also will be used by blind persons from the nearby headquarters of the Canadian National Institute for the Blind. The $4,088,490 public appeal for funds opens January 12th throughout Ontario.

PINECREST AUXILIARY RECEIVES $250 DONATION FROM DRYDEN ASSOC.

The comforts of the residents of Pinecrest were very much in the minds of the Ladies Auxiliary to the Lodge at their regular meeting held in the library of Pinecrest on Tuesday afternoon.

The donation of $250.00 from the Dryden Paper Company Limited Employees Charity Fund was gratefully acknowledged. The purchase of an additional wheel chair with brakes will be made possible with some of these funds. To augment the ones already in use another wheel chair has just been purchased by the auxiliary and is now in operation at the residence. Numerous cards and letters of appreciation were read at the meeting by the corresponding secretary Mrs. Gordon Percy, among them being a letter of appreciation from Mr. W. Cunningham the superintendent of Pinecrest for the Christmas card and enclosed gift of money for each resident at Christmas from the auxiliary.

Mrs. Avis Saunders the president welcomed all to the meeting. She thanked the members of the Handicraft committee convened by Mrs. T. J. Thomas and congratulated them for an excellent years work. The president expressed thanks to Mrs. P. Dubenski convenor of the social committee for her wrok and reminded the members to keep in mind entertainment for Pinecrest for birthday parties and the long winter evenings.

The recording secretary, Mrs. W. Laurence read the minutes of the previous meeting. Mrs. T. Thorpe treasurer gave her report of the finances.

Reports were heard from the purchasing convenor Mrs. G. Carney. Mrs. T. Thomas gave a report on the years work of the Handicraft committee. Mrs. H. Bird asked for Christmas cards from the members for a project of a basket type sewing box to be made with X-ray film, wool and cards, also for chenille from used bedspreads or house coats for slippers. Mrs. A. Sorenson reported that membership cards were again available for 1959. Mrs. A. Pitt and Mrs. T. Thorpe again consented to be on the Ways and Means Committee. Mrs. E. Fortier convenor of the Tuck Shop requested help for the Saturday shift. Mrs. S. King is on the Publicity. February the 3rd is the date of the next meeting and the first birthday party of 1959 to be on the 3rd Tuesday of January. Mrs. A. West read the Inspirational. The meeting adjourned.

KENORA'S REMARKABLE FIRE LOSS RECORD IS PRAISED BY SPEAKERS

For 345 days last year, Kenora enjoyed a record low fire loss, Fire Chief Reg Davie last night told members of the Kenora Council and other guests, attending the 40th Annual Banquet and Dance of the Kenora Fire Department. Until the serious fire on December 12th to the Dalmore Hotel, which caused a loss of possibly $30,000 or more, the Kenora fire damage was kept below the $4,000.00 mark, the Chief told his guests. Credit for this remarkable record, which was termed the best since the Town was incorporated, must go to the individual householders, said Chief Davie, and to the Department's preventative, year-round campaign.

Kenora has traditionally held a high place in Dominion-wide fire prevention campaigns, said Chief Davie, but last year, for the first time, the conditions for judging were different. The Town is now grouped in Class "C", the category for towns and cities with populations between 10,000 and 25,000. Obviously, said the Chief, competition will be much keener, and the results of the judging are being eagerly awaited.

The Chief had words of praise for the co-operation his department received in 1958 from the various civic departments, the Police and the radio and press, "in assisting us in giving the citizens the protection they deserve."

The chairman for the enjoyable function was the retiring chairman of the Fire and Police committee, Alderman Roy Stratton. He told his listeners that 'teamwork' had been the keynote for the members of the twin departments of Fire and Police, and results left little to be desired. Ald. Stratton introduced two new members to Council, Aldermen-elect Johnson and Armstrong, and called for recognition from the gathering for the splendid work of retiring Alderman Newman and Minor.

TOWN'S GREETINGS

Greetings from the Town of Kenora were voiced by Acting-Mayor Bruce Paterson, who proposed a toast to "Our Town". Mayor Ratuski extended his best wishes, said the speaker, and regretted his inability to attend. The twin assets of abundant natural resources plus the proximity to a natural playground made Kenora the envy of many, said Ald. Paterson in proposing the toast.

REAL SAVINGS

"This occassion is not only a social affair, but a gathering which is symbolic of a big investment we as citizens have," said Chief of Police Jack Pike. "The success of the Fire Department saves us many, many dollars", Chief Pike continued, and wished still further success to Chief Davie and members of his staff.

J. K. Doner Heads J. M. School Board For 3rd Term

The inauguarl meeting of the Township School Area Board of Jaffray-Melick was held at Public School No. 1 on Tuesday, January 6th at 8 p.m. Trustees Jack Doner, Nick Zroback, Sydney Hoare and Alexander McIntosh were present.

The secretary-treasurer, G. L. Thomas, presided and called the meeting to order. Trustee Nick Zroback signed the declaration of office and was welcomed as a newly elected trustee of the Board for 1959 and 1960.

Jack Doner was re - elected chairman of the Board for the third consecutive year and Sidney Hoare was re-elected as vice-chairman for 1959.

The following committees were set up for 1959:

Transportation:
Chairman - Nick Zroback.
1st vice-chairman - Mrs. Astrid Hoare
2nd vice-chairman - Alexander McIntosh

Building and Property:
Chairman - Alexander McIntosh
1st vice - chairman - Sidney Hoare
2nd vice - chairman - Mrs. Astrid Hoare

Management:
Chairman - Sidney Hoare
Vice-Chairman - Nick Zroback

Finance:
Chairman - Mrs. Astrid Hoare
Vice-Chairman - Sidney Hoare

It was decided that the regular monthly meetings would be held on the third Thursday of each month at 8 p.m. The meetings are to be held alternately at Schools No. 1, 3 and 4, with the January meeting to be held at the Rabbit Lake School No. 3.

Little Theatre To Present 3 Act Comedy Jan. 27-28

Theatre lovers locally are in for a real treat January 27 and 28 when the Kenora Little Theatre presents the three act comedy "Bell Book and Candle". This light amusing comedy which deals with the subject of witchcraft has found favour with theatre audiences where ever it has been produced.

Mrs. Jean McIntee a talented actress and writer in her own right is directing the play. The cast is composed of comparative newcomers to Kenora audiences but are not new to acting, all having directed considerable time to the art.

The lead role of Gillian Holroyd is played by Connie Eaton who has appeared in Little Theatre productions during the past two years. Last year she won the best actress award of the Drama Festival for her interpretation of "Hesten in the Red Key".

Charles Cowlard, a teacher at Rabbit Lake School and who came to Kenora only last fall plays the male lead of Shepard Henderson.

Mrs. Muriel Smith, who also came to Kenora last fall and who is a teacher at Evergreen School is cast as the aunt - Miss Holroyd. Douglas Smith, husband of Muriel will play the part of Nicky.

John Karwacki, a member of Kenora Little Theatre for the past two years is cast in the role of Sidney Redlitch.

This charming comedy written by John Van Druten, enjoyed immediate success and a long run on Broadway at the Ethel Barrymore Theatre. Produced by Irene Selznick in 1950 the cast was made up of famous names in the theatre world, Lilli Palmer, Rex Harrison, Jean Adair, Scott McKay, and Larry Gates.

Bell Book and Candle will be staged at the Legion Auditorium and tickets may be purchased from Little Theatre members.

CAT-ASTROPHE

ERINDALE, Ont — Prowling a roof in pursuit of a bird, a cat fell down the chimney of Heinz Nebelung who called firemen. Ninety minutes later, after a basement fireplace had been taken apart, the cat dropped to the floor, gave one loud cry and ran off.

Aid and the Little Thistle Hockey League during 1958.

Mrs. Art Jorgenson, assisted by Mrs. Wallace at the piano, conducted an enjoyabel singsong.

The chairman thanked members of the Ladies Auxiliary to the Legion for a most delicious dinner. A dance concluded the program.

HORSE IS SUNDAY TRAVEL HAZARD

MALIBU, Calif — Sheriff's officers here logged something new in the way of Sunday travel hazards: A collision involving a horse and an airplane.

Robert Goodyear, 49, glided in for a landing in an open field after his light plane ran out of gas Sunday. A horse galloped into the craft's path and they collided.

The horse was killed, Goodyear's plane was wrecked, and the pilot and his wife, Mary, 46, suffered cuts and bruises.

1959 DRIVING RESOLUTIONS

● Set an example as a courteous driver, by giving pedestrians and other motorists the right of way.

● Drive in a relaxed frame of mind, free from worries and, if possible, when you are well rested.

● Observe local speed limits, slow down after dusk, on wet or icy roads and when approaching built-up areas, intersections and school crossings.

● Drink no alcoholic beverages when you are about to drive as even one drink will impair your driving.

● Avoid fatigue during long trips by making regular stops. Let another driver take the wheel at two-hour intervals.

● Avoid night driving on the highway and driving too far in one day.

An adherence to these rules will bring about a drop in the number of accidents, fatalities and injuries, as well as in sentences and licence suspensions.

Inaugural Meeting Held At F. Frances

FORT FRANCES — The Fort Frances town council for 1959 was pledged to "fair, thorough and economical" government by Mayor J. T. Livingstone at the inaugural meeting Monday night.

Addressing full council chambers, Livingstone told his new council that the ratepayers are showing a new awareness of the importance of town government. He stated it was the council's duty to be familiar with all facts of "daily, operational routine" in conducting municipal business.

Also calling for fair treatment and consideration for town employees, the mayor spoke following the swearing in of municipal and school board members by Clerk-treasurer Earl Calder. Rev. F. C. Graham delivered a dedicatory prayer to open the inaugural meeting.

Mayor Livingstone assigned the councillors to committees for the year in a brief business meeting. Committee chairmen are: Cecil Gregory, public utilities; Len Connor, public works; J. H. Parker, finance; Ted Gladu, health and welfare; Dan Foran, fire and building; Otto Dallman, recreation, town improvements and industrial affairs. The latter committee was consolidated at the suggestion of the mayor.

Councillor Connor immediately afterwards called a meeting of his works committee to get town business under way for the year.

Board of education members sworn into office were John Renberg, Mrs. Alice Solomon and Elmer Gerig. Oaths also were administered new members of the separate school board, Dr. S. F. Morrill, Elmer Stokes and Ernest Brunetta.

Kenora's Remarkable Fire Loss . . . .

(Continued from Page 1)

MODERNIZATION PRAISED

Kenora's fire protection, which depends upon the availability of water to a great degree, has been strengthened and enlarged by the addition of water mains to new areas, and by installation of new, modern equipment, Town Engineer Jack McCoombs declared. This greater safety factor now enjoyed by citizens was the result of progressive planning by past Councils, and by an equally efficient staff of firemen who have kept abreast of new techniques, continued Mr. McCoombs. Illustrating his statement, the speakers told of checking with the pumphouse during the height of the Dalmore Hotel fire, when eight lines were connected to four downtown hydrants. To his amazement, diesel pumps required for peak load periods were not in use, and the advice given from the pumphouse indicated that firemen were using less water than is pumped during any noon hour period.

Mr. McCoombs said that the new booster station to serve northeastern Kenora would go into operation almost immediately, relieving the presently unsatisfactory pressure situation.

From members of the Department and the Volunteer Firemen came words of welcome to guests, expressed by Harold Skead. The toast to the Queen was given by Ralph Smith; the toast to the ladies by Dick Dixon, which was responded to by Mrs. Beryl McMurphy. Greetings to the gathering were voiced by Chief Wally Powell of Keewatin and Town Clerk Jim Hooper.

INVALUABLE WORK

The work of the Empty Stocking Fund was summarized by Jim Ortlieb, who said that 397 children were visited by Santa Christmas Eve; another 2400 received Hallowe'en favors; 5 community clubs had been assisted by cheques for $100; similar amounts had been given to the Salvation Army, the Children's

Mr. and Mrs. Garnet Wright left Monday by car on a holiday trip to Florida.

Mr. Dennis Caron has returned to Gravelbourg College, Gravelbourg, Saskatchewan after spending the holiday with his parents, Mr. and Mrs. Rudy Caron of Norman.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the many acts of kindness, messages of sympathy, beautiful floral tributes, received from our many kind friends and neighbours during our recent sad bereavement in the loss of our husband and father.

Special thanks to Dr. Bryngelson, staff of St. Joseph's Hospital, Brown Funeral Home, Rev. Johnson and the pallbearers.

Mrs. Gus Olson and Family.

KITCHEN CLASSICS

The big apples to bake and stuff are the Rome Beauties now coming to market. There is nothing better than a sugar-glazed apple, baked to perfection and served warm or chilled just with its own baking syrup or heavy cream.

When you are baking these Rome Beauties, double or triple your dinner dessert needs and serve the rest as a breakfast fruit. A wonderful idea that is really catching on in the better restaurants. And speaking of restaurants, take a little extra time and give your baked apples a shiny glaze as professional chefs do.

BAKED APPLES

6 large baking apples
¾ cup granulated sugar
1 cup water
2 tablespoons sugar

Wash and core apples. Starting at stem end, pare apples one third of way down. (This keeps skins from bursting.) Arrange in shallow baking pan with pared sides up. Boil sugar with water 10 minutes, pour over apples. Bake in 350F oven until easily pierced with fork, spooning syrup over apples occassionally. When done, remove from oven, sprinkle each with 1 teaspoon sugar, place pan low under broiler and leave until glazed and lightly tinged with brown. For a heavier glaze, baste once during broiling. Watch carefully - this takes but a few minutes.

Every family has its own traditional apple recipe - now in apple time is the time to enjoy it, and all through the winter. Here's an old-fashioned one that will fit right in with your mood for simple desserts.

STEAMED APPLE DUMPLINGS

6 apples, pared cored and sliced
1½ cups water
1 cup sugar
½ teaspoon nutmeg
1 cup sifted flour
1½ teaspoons baking powder
½ teaspoon salt
1 tablespoon sugar
2 tablespoons shortening
1 egg, lightly beaten
1/3 to ½ cup milk

Cook apples, water, sugar and nutmeg in kettle until apples are tender. Sift dry ingredients, cut in shortening fine. Add egg and milk, combine to make a soft dough. Drop by spoonfuls on hot applesauce. Cover kettle tightly and steam over low heat 15 minutes. Serve warm with plain or whipped cream.

If desired, 1 cup biscuit mix may be used in place of flour, baking powder, salt and shortening.

Announcements

The regular meeting in conjunction with the annual meeting of the Ladies Auxiliary to the General Hospital will be held in the assembly room of the Public Library at 2.30 on Friday afternoon, January 16th.

A good attendance is requested with a suggestion that everyone bring a prospective member.

MORTIFYING WHALE POSES BIG PROBLEM

BRANT BEACH, N.J. — What do you do when a 20-ton whale quite dead, washes up on the beach? Cut it up, of course.

But how do you cut it up? There's the rub.

When the 59-foot seagoing monster came ashore, residents first tried shotguns to deflate the bloated hulk. The skin was too thick.

Then they tried axes. Like chopping trees with a butter knife. So police called in demolition experts, who stuck half-pound dynamite charges in the carcass and set them off.

That was a little better. Then they tried bigger sticks. Blubber splattered 30 feet into the air. Some 2,000 onlookers retreated from the flying gristle and the odor.

Then workers tried to tow off a 10-foot piece of the tail. The chains broke. So then they brought up chain saws to dissect the rest of the hulk and cart it away.

Residents are hoping for an offshore breeze in the meantime.

The number of amateur photographers has doubled since the end of World War II.

Doors Open at 9 a.m. and show starts this week only at 9.45.

Off the Cuff
by Rick Hunt

Thistles Looking Their Best

The Dryden Rockets failed to get into their second place orbit in the Ontario-Minnesota Hockey League last night. The saboteurs of the scheduled plan were the Kenora Thistles who racked up a rather convincing 3-1 victory over their presumptous rivals. The Thistles have put in their best performance of the regular season. Let it be said. Let it be written as it was done. The Kenora team had all their regulars out and they worked for this victory. They were singing in the dressing room when it was all over.

A return of the past haunted the Dryden Rockets. The once flashing goal producing line of the Leroux brothers and Ron Morgan once again were together and they forced the near easterners to play a defensive game all evening. The opening goal by Brian Leroux, after many close misses by all three line mates, broke the scoreless tie in the opening first period and brought back to the Thistles some tradition of old.

Billy Wickiow, a forward of good potential, tied the game later with his breakaway shot on Allie Reynard. It was the only close moment the Rockets had on the Kenora net as their forwards were continually back-checking after losing the puck countless times to the Thistles, who had a field day in recovering loose pucks.

Kachanoski and young Jim Cox scored the other Thistle markers in pro style. It was very entertaining hockey for the thousand or so fans who cared to brave winter's wicked weather. The victory lifted the Thistle cause into second place and it will take some doing to shake them from their newly attained position.

The play of Stubby Dubchuk, Jim Cox, Alex Slobodian and the Morgan - Leroux line was short of sensational for the Thistles. The team has certainly come a long way since their Boxing Day tragedy against the border town Fort Frances Canadians. The Dryden Rockets could not start a lengthy drive and they lost the game because of that. Their lines were bottled up, even though they put on a nice pass pattern at times. Even when the Thistles were short handed, the Rockets failed to get a good shot at red headed Allie in the Kenora cage. The whole Thistle club seemed to be up for this one and each player deserves full credit for the victory . . . it was fine team effort. Allie Reynard made his opening debut for the local red and whites and had an easy evening. It was probably the easiest game Reynard has had in many a month.

The pride of the team was rookie Jimmy Cox, who notched his first league goal on a good raised shot. The former K.U.A.C. player scored with only five minutes remaining in the contest and was at first startled by his own goal, but after the initial thrill he was smiling like a student who had just pulled off a 100% in Chemistry.

(Continued on Page 11)

USA Airforce Team To Play Mustangs

The United States Air Force Basketball team from the Radar station between Hudson and Sioux Lookout will be in Kenora on Friday evening to play against the 1959 Kenora - Keewatin High School Mustangs. The spirited horse boys from the local High will likely have little chance against this American team, but if you want to see a good basketball team, we invite you all to come to the High School Gym to watch the Yanks. Emil Uhrynuk says that the Mustangs will learn a number of important pointers from this radar team; especially from the college players on the visiting squad. Game ume is set for 8.00 p.m. at the High School Gym.

The Mustangs will have most of their last year's squad back and they will be trying their hardest to put on [illegible] performance.

Much of the canned chicken in Canada is produced in canneries on Prince Edward Island.

Thirty-Four-Year-Old Firm Discontinues Sale of Beer

The Fort Frances Brewing Company Ltd. has discontinued the sale of beer although it will remain in the soft drink business, President R. V. Green announced Monday.

Production of beer at the 33-year-old brewery ended in November although sales were maintained until year's end. The firm was one of the last independent breweries remaining in Canada.

Green said carbonated beverages will continue to be made and sold by his company at both Fort Frances and Atikokan.

He also announced the resignation of the plant manager and brewmaster, K. G. Fritz, who has accepted a similar position with the Dorans Co. Fritz left Monday for the Dorans branch at Port Arthur, although he will be stationed eventually at Timmins, Ont.

Ray Cameron, office manager for the Fort Frances plant, has been appointed manager of the pop business. The small factory will retain five employees permanently. The local operation formerly employed a staff of 12.

Green said the brewery closing followed a decision by the five-man board of directors. They decided the volume of beer sales did not warrant continued operations. Sales of the brewery's three brands of bottle beer, as well as its draft and keg beer, were entirely in the Rainy River and Kenora districts.

Some of the 24 stock holders, who have 1197 shares in the company, are held by families that took part in the founding of the brewery in 1925, Green said. All of the stockholders reside in Fort Frances, International Falls Virginia, Minn., and Duluth.

Household Scrapbook

Shiny Clothing

Remove the shine from dark suits by rubbing lightly with very fine sandpaper. Dampen a shiny navy skirt or pair of trousers with bluing water and press while still damp. Shiny suits may also be sponged with vinegar before pressing.

Silver

Eggs have a way of darkening silver, and these stains may be removed by rubbing with moist salt. Finish by washing in soapy

Ink on Wood

Black ink may be removed from wood by washing with soap and water, using salt, vinegar, or lemon, and rinsing thoroughly.

RATTLESNAKE WON'T STING, WON'T RATTLE

HOUSTON, Tex. — Mrs. P. S. Stone hates to part with her diamond-back rattlesnake. "It matches my rugs and drapes," she said.

But Mrs. Stone is a woman of her word.

She offered the five-foot rattler as thick as a man's leg to the RAF's 66-F jet squadron at Morpeth, England, and the fliers happily accepted.

Their letter arrived Monday. They were seeking a mascot to match the squadron's insignia.

"I'm going to miss it so much," Mrs. Stone said. "It's so beautiful." She patted the evil-looking reptile which didn't blink an eye.

It can't. It's stuffed—has been for 15 years, ever since Mrs. Stone ran over it in her car.

WHISTLING DUCKS

The golden - eye duck found throughout Canada produces a whistling sound with its wing feathers in flight.

GREEN SEDANS LOOKED ALIKE

WESTFIELD, N.J. — Stamp the case of the shifting gears and the stripped cars "closed."

Jack Barr is going to get a new transmission, and Miss Elizabeth Gardner is going to drive along just as though nothing had ever happened. But it did.

Barr, a school-teacher, went to Florida recently. He asked his brother-in-law, Samuel Ruzansky, to put a new transmission in his car, a green 1955 sedan.

Barr told Ruzansky he would leave the car near the railway station in Newark before catching a train for the south. The attendant would have the key.

He did, and Ruzansky picked the car up and changed the transmission. Meanwhile, Miss Gardner reported her car stolen.

It was a green 1955 sedan and disappeared from a Newark parking lot, she told police. Back to Barr.

He returned from Florida Sunday and picked up his car at Ruzansky's. It wasn't his. It was Miss Gardner's.

Police straightened them out and Barr recovered his car at the lot. "The transmission's worse than ever," he said.

Never mind. I'll fix it, said Ruzansky.

Errol Flynn With Castro Is Wounded

HAVANA — Actor Errol Flynn, nursing a wound he called a scratch, said Monday night he campaigned with Cuban rebel leader Fidel Castro in a real-life episode of his swashbuckling film career.

Flynn told reporters he shared the field hardships and dangers with Castro's forces since Christmas Day because "all my life I've wanted to see what makes an idealist tick."

Flynn, 50, said he hopes to publish a story he has written and photographs he has taken of his Cuban activities.

The actor said he found Castro "one of those men who come along occasionally in human history and fight for ideals."

"And I think he also has Board blood," Flynn said. "I never saw a man jump around with such energy."

Flynn said he got his wound eight days ago at Central Palma sugar mill in Oriente province.

BEHIND POST WHEN HIT

"I was hiding behind a post—as usual—when a bullet hit the post and then my leg," Flynn explained.

He pointed to his right leg and added:

"I lost a little skin and a little blood. Now I am getting queries on whether I lost a leg.

"The only thing that really wounded me was not being able to get anything to eat except tangerines."

Sidelights

A famous admiral always encouraged his officers to act on their own initiative.

One day he received a message from one of the captains in his fleet: "Am lost in fog. Shall I proceed to destination or return to base?"

The admiral replied: "Yes."

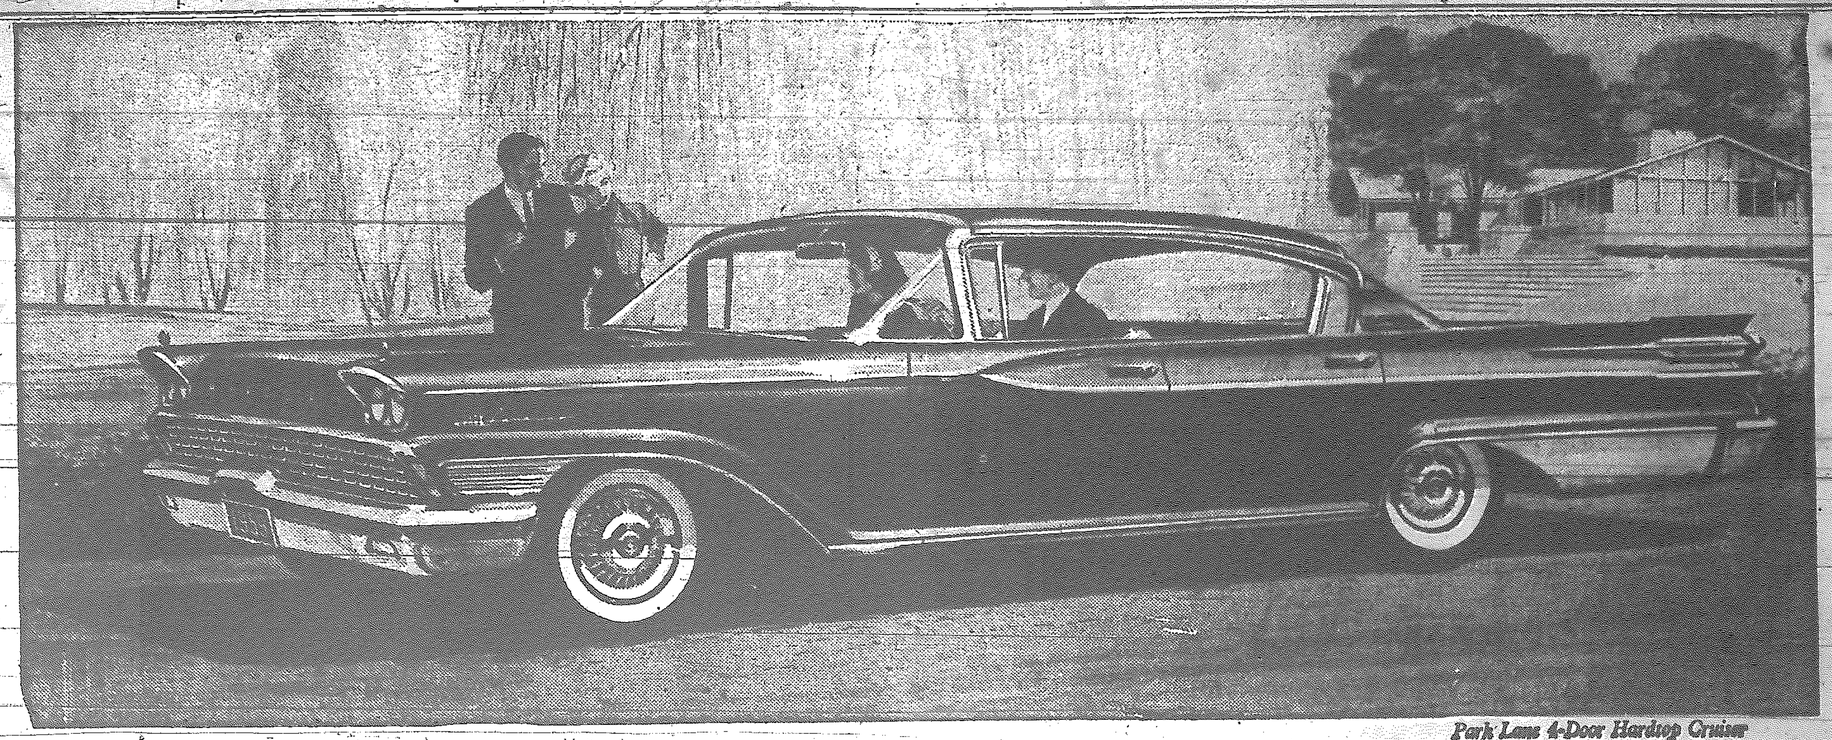
Soon after, another message arrived: "Do you mean yes, I should proceed to destination or yes, I should return to base.

This time the reply was: "No."

Blood Transfusion Bill Is Defeated

NIAGARA FALLS — City council Monday refused to support a resolution sponsored by St. Thomas which asks the provincial government for blood transfusion legislation.

The resolution, defeated 4-3, asked the government to enact legislation empowering doctors to give blood transfusions or other treatment without consent of parents.



Park Lane 4-Door Hardtop Cruiser

see the all new 20TH anniversary

MERCURY

Beneath its true *big car* classic styling are so many new advances in Mercury design and engineering that you have to see and try the '59 Mercury to know how much better it really is.

Here, in one fine car, is real six-passenger comfort and convenience—with spirited new performance to match.

The '59 Mercury is designed for easier access. Doors are bigger and open wider. Ideal for everyone, but especially for ladies wearing the new tailored fashions of today.

And when you settle into a Mercury, you notice a new elegance in interior styling and a new comfort from deep foam rubber seating, front and back.

The 20th anniversary Mercury brings you a decisive step up in quality. And *size*. The '59 Mercury is so generously proportioned inside that it opens up a whole new world of motoring enjoyment. You can have five join you for a drive—and know *all six of you* will ride in uncrowded comfort. The new Mercury instrument panel is nine inches further forward for extra roominess. The new Mercury centre tunnel is so low—and seats such a comfortable height—that, like everybody else, middle passengers can now enjoy *real* stretch-out room.

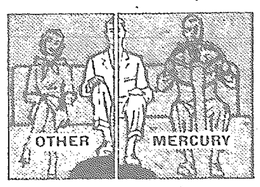
You'll notice Mercury's greater all around visibility, too. Sixty percent more windshield area adds safety to your viewing. Thanks to new *overlapping* windshield-wiper action, all-weather visibility is greatly increased.

On a longer, 126-inch wheelbase*, Mercury brings you all the better, *big car* features. It's heavier, for a firmer stance and a smoother, road-sure ride. And the '59 Mercury's spirited performance brings to life all you've ever longed for—in a true, six-passenger design.

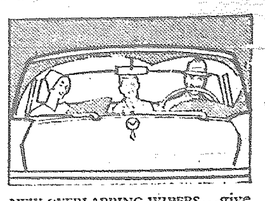
Compare the 20th anniversary Mercury and you'll know you've moved up. Everyone else will, too!

Certain features illustrated or mentioned are standard on some models, optional at extra cost on others.

NEW EASE OF ENTRY . . . because the '59 Mercury has a new *out-of-the-way* windshield pillar design that offers you more entry room than ever before.

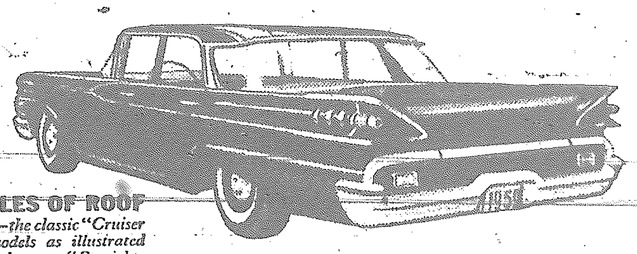


NEW COMFORT INSIDE . . . *especially* for the "middle" man! Mercury's 50% lower centre tunnel provides more legroom. *Extra* foam rubber, too!



NEW OVERLAPPING WIPERS . . . give you *five feet* of viewing on bad weather days. Mercury offers 60% more windshield area for better seeing in any weather.

**128 inches on Park Lane Models.*



TWO NEW STYLES OF ROOF *in the 1959 Mercury—the classic "Cruiser Roof" in hardtop models as illustrated above, and at right, the new "Straightaway Roof" on all sedans.*

SEOUL, —A government spokesman said today that President Syngman Rhee will run for a fourth term next year. Rhee will be 84 next March and has been South Korea's only president since the republic was founded in 1948. The presidential election is expected about May 1960 when Rhee will be 85.

Eight year old Phyllis Cottam of Nestor Falls smiles happily as George Kehler of Penner Motors presents her with a bicycle, when her name was drawn for the monthly prize. The winning of the bicycle climaxed a happy day for Phyliss' mother, father and brother shown at the right. January 3rd the day the draw was made was Mrs. N. D. Cottam's birthday. Brother Brian also celebrates his 6th birthday on the 13th of January. Phyliss will be 9 on January 31st and her dad's birthday is February 1st.

Warroad Star Sets Scoring Pace In Ont.-Minn. League

As the Ontario Minnesota Hockey League moved into the 1959 half of it's league schedule, Rodger Christian of the Warroad Lakers continued to set the scoring pace in the league after three weeks of play. The former United States National Player has scored four goals and three assists to lead the league with seven points. Christian and George Melynchuk of the Fort Frances Canadians lead the goal scoring department with four.

Two Laker players Murray Balagus and Sammy Grafstrom have the assists lead with four. Balagus, Grafstrom, Melynchuk and Chuck Lumsden of Warroad are in second place in the standings with six points each. Gord Pennell, last years scoring champion has three goals and two assists for five points and third place. Luke Bouchard, of the Dryden Rockets and Tollie Kawulia of the Canadians each have four to round out the top scorers.

Bill Allison of Fort Frances was the penalty minute leader with a total of twenty minutes. The league leading goalfender after three weeks of play is Sugar Jim Henry of the Warroad Lakers. The Ex National Hockey League star has compiled an average of 1.5 goals per game.

Study Change In Setting Of Hunting Seasons

Under consideration by Ontario's Minister of Lands and Forests, the Hon. J. W. Spooner, is a plan to better serve the almost half a million residents and non-residents who annually enjoy this Province's superb facilities for hunting deer, moose and small game.

Study is being given to a forward policy of setting deer, moose and small upland game hunting seasons for a three-year period instead of the present practice of setting hunting seasons for only one year at a time.

The Minister pointed out that it was his belief that such a move presumably on an experimental basis, would be of great assistance and convenience to the hunting public. Knowing definitely dates for open seasons well in advance, he felt, would react beneficially in many ways.

It would, for example, permit prospective hunters to plan their vacations well ahead. It would also enable hunters and tourist camp operators to achieve more effective satisfactory mutual relations.

In addition, many in industry and public services who must choose vacation dates early in the summer would be able to select fall hunting holiday dates with certainty. Perhaps thousands more could thus avail themselves of Ontario's hunting potential.

As an indication of the numbers who would benefit from the change, the Minister noted that 450,352 hunters bought licences in Ontario last year, 14,725 of them coming from the U.S. and other provinces. Deer hunting licences were issued to 106,620 residents and 6,743 non-residents.

Moose licences were taken out by 17,367 residents and 1,200 non-residents and small game licences by 311,640 residents and 6,092 non-residents.

"Hunting is big business as well as providing pleasure for thousands now. We are anxious to make it possible for many thousands more to enjoy this outdoor sport," Mr. Spooner said.

Off the Cuff . . .

(Continued from Page 6)

Post-game found most of the Kenora fans on the radiant side and in the official's dressing room the talk was centered around the smiling Cox lad. It was stated that Jim will probably have a very good future in the game if he keeps up his good play. One critic noted that Jim was going to have to go on a moose diet.

Hunter Frank Richards retorted, "If that's the case . . . Cox had better not follow me around in the fall."

Small men go places Jim.
