40 Med. Regiment Holds Study Group

The 40 Med. Regt. held a Study Group in Civil Defence in the Armoury on Sunday 18 Jan. 59 with twenty-one officers and senior NCO's taking part. Major E. Durham Civil Defence Co-ordinator attended. Numerous problems were discussed with particular relationship to Kenora and vicinity. It was felt by the group that a great deal of knowledge had been gained and that another such group would be held in the near future.

CAR EXTENSIVELY DAMAGED TODAY

Town police report one traffic accident in the past twenty-four hours. At 8.35 this morning, a car driven by Norman Artiss was in collision with a truck owned by the Town of Kenora. The accident occurred when the truck being towed by another truck stopped on Chipman Street as Mr. Artiss was entering First Street from Chipman Street. The Artiss car was extensively damaged.

Early Morning Fire Destroys Keewatin Building

Fire of undetermined origin completely destroyed a building owned by Paul Wallin at Keewatin early this morning. No estimate of damage is yet available.

The Keewatin Fire Department was called at 4.25 a.m. to the building situated between the Keewatin Separate School and the new addition presently being constructed by Mr. Wallin. The building was used to heat sand and water. Fighting the fire in 21 below zero temperature, prompt action by the firemen saved the fire from spreading to the school and addition.

A SKIP'S RESOLUTIONS

In this New Year, I do resolve
To throw away my whip;
And be a leapin' sweepin' boss
Not just a howlin' Skip.

I vow to be less headstrong
When we are on the ice;
I'll give my rink their due respect,
And heed their sage advice.

And when my stalwarts do come up
With their usual rotten game
(Since canny soleman can't
This year, I'll take the blame.

And if John Lead can't get his weight,
I won't berate the louse;
(Someone may love that forlorn soul
If only his poor spouse.)

And should Sam Second miss the broom,
I will not raise a fuss;
And if the dope should raise THEIR rock,
I'll hardly even cuss.

And should my Third Joe muff a shot
That surely spells our doom;
I'll take it cool and count to ten
Before I heave my broom.

If on my strategy, I should goof
Or muff an easy shot;
This year I vow, I will admit
My way was not so hot.

This year I vow, should we get beat
Their Skipper's hand to shake;
[illegible] to speak
And not to bellyache.

And when we lose a game or two
I won't complain or grouse;
Or kick the dog halfway downstairs,
And beat up on my spouse.

Right after games, I'll go straight home
I do resolve this year;
In fifty-nine, I'll draw the line
And stop at 'Just one beer.'

If wifey asks how we made out
And if our game we'd won;
I'll sweetly smile at her and say
"Gosh no we didn't, hon!"

And if a 'spiel we should take in
I'll keep the boys in line;
There'll be one girly show a week
And into bed at nine.

There'll be no gay carousin'
I promise you, this year;
We're out to bring the jewellery home
So I'll cut off their beer.

This date, I vow, as a curling skip
Of sound and sober mind;
To keep those resolutions,
(Unless we get behind).

BIRDS IN THE NEWS

We mean the feathered variety of course! Had a report from John Norman at Longbow Lake that he had a Magpie as a visitor at his bird feeding station. According to J. N. this is a rarity, since magpies are not usually seen in this part of the country, but are common in southern Ontario. He described the bird as "halfway" between a Canada Jay and a crow, smaller than the crow with a long tail and white patches on the wings. Mr. Norman also reports that his feeding station is doing big business, with rolled oats, suet and crumbs disappearing in short order. Anyone else seen a Magpie?

SPROUTS DEPT.

An arithmetic lesson was under way in a school.

"What do we do to find the difference?" the teacher asked.

"Subtract," answered one pupil quickly.

"That's right. What sign do we use?"

Another little boy said confidently, "A straight line lying down."

OVERHEARD VIA RADIO

It seems a sports announcer was giving the names of the Russian hockey team over the air. He spoke carefully and with some success until he came to one name and paused - - - sorry ladies and gentlemen, I'm afraid I can't pronounce that name - - - but if I had a glass of water, I think I could gargle it - - - - Thank Mr. [illegible] for this contribution.

TIME

Take time to work, it is the price of success. Take time to think, it is the source of power. Take time to play, it is the secret of youth. Take time to read, it is the foundation of knowledge. Take time to worship it is the highway of reverence. Take time for friendship it is the source of happiness. Take time to love, it is the one sacrament of life.

AT THE RINK LAST NIGHT

During the Thistle - Dryden hockey game last night fans were overheard saying . . . The first period was so slow, the players had time to fall gracefully . . . Two lady fans were overheard discussing the "weaker sex" only it was the men they were talking about! . . . Have you noticed, said one, that its all men who fill the space behind the glass. Its too cold for them outside . . . There are so many men out there that if one of we females wants to get warm, its nigh impossible . . . Agreed, said the other lady, if you could manage to squeeze in, you'd be so far back there wouldn't be a chance of seeing the game - - - A spectator coach trying to advise the Dryden team . . . look boys, this isn't a curling game, the idea is not to put the little black puck on the red dot but to put it beween the posts . . .

JUST A THOUGHT.

Hair today and gone tomorrow . . .

STOP AND THINK

People wouldn't be running around in circles if they took time to study all the angles.

ON THE HORIZON

Of interest to all hockey fans, young and old alike will be a local radio broadcast to be heard Sunday night at 6 p.m. on radio station CJRL. Jack Thomson will have as his guest on "Have Mike will Travel," Mr. Chris McKinnon, who will tell of the prowess of the Thistles of 1907. It was in January 1907, that the Thistles won the Stanley Cup. In tribute to this team of 52 years ago, Jack Thomson along with Mr. McKinnon will give the story of the Kenora Thistles and a play by [illegible] making game. Be sure to tune your dial to 1220 Sunday night at 6 o'clock.

Music Teachers Hear Talk On Piano Study Methods

The Kenora Branch of the Ontario Registered Music Teachers' Association held its regular meeting at the home of Mr. and Mrs. P. Chop on January 14. Mrs. D. Bruce presided. During the business meeting, the teachers discussed and made final plans for the 'Pupils' Recital' to be held at the Masonic Hall on Friday, January 23, at 8 p.m. Students of piano, violin and voice to the Grade 6 level will take part and the Junior Choir from St. Alban's Pro-Cathedral will be guests.

Mr. George Ingham, a new member to the Kenora Branch gave a scholarly talk on "The Relation of Theoretical Study to Practical Pianistic and Musical Problems." Mr. Ingham stated that systematic teaching and practice enables many of our modern Conservatory graduates to amass a greater technical equipment through 4½ hours of daily practice and analysis, than did some of the 'greats' of the past practicing up to 18 hours a day. Because of commercial conditions as they exist today, and the danger of a lessening of drive or interest, it is advisable that technical equipment and musical understanding be developed as quickly as possible.

The pupil must be led to discover early, the interrelation between the technical drills, structural patterns in their pieces, and the theory that they study at their writing desks. To Mr. Ingham the ideal piano course from the earliest beginnings to the artist stage would be one in which theoretical pattern and technical pattern are merged. The teachers enjoyed a discussion on this topic after Mr. Ingham's informative talk.

In Canada's early days the official census-taker was required to list the number of swords and firearms in each home.

WHO'S FOR FORMING LOCAL BOATING CLUB?

The Miner and News has heard rumors of an Outboard Boating Club being formed in Kenora. Certainly here on the Lake of the Woods is the ideal place for such a club.

The forming of a boat club could mean a lot more than just local fellowship. Nothing could be nicer than to see a number of boats small and or large heading out from any point, possibly on an overnight trip or just to an island for a big family picnic.

With over 14,000 islands in the [illegible] of the Lake of the Woods, countless beauty spots to visit, if a boating club was formed, leaders could be chosen to guide the novice through waters unknown to him thus affording many the opportunity to become familiar with the lake.

Many Canadian and American boat clubs have water skiing sections, complete with ski jumps and with all the skill needed for this art, practiced and learned. Others have outboard racing with conventional craft. Many simply get together for the fun of exploring, picnicking or fishing. Many ideas may be added but it will need guidance and enthusiasm.

If you, "Mr. Boater" are interested in the forming of a local boating club, drop a line to this paper. If enough interest is shown a meeting will be called early in March to form committees and get Kenora's First Outboard Boat Club underway. Your ideas for such a club and how you would like to see it operated will be welcomed. Address all mail to Outboard Boat Club, c/o Miner and News, P.O. Box 620, Kenora.

Presentation of trophies and prizes will be made following the completion of the finals.

This evening at the Kenricia Hotel, Kenora Curling Club president, L. G. Macdonald, W. Powell president of the Keewatin Club and Wes Moore, chairman of the bonspiel will welcome all curlers to a curler's party.

JOINT BIRTHDAY PARTY FOR ELEVEN HELD TUESDAY AT PINECREST

A large white candle burned brightly yesterday afternoon on the cake at the birthday party for the month of January held at Pinecrest Lodge. The cake which was donated by the Canada Bread Company, was beautifully decorated, a work of art sculptured in icing. The entire cake was edged in gold and white frosting, one half being ringed with red roses and the other half a spray of roses.

The names of the following residents who celebrated their birthdays in January were inscribed in mauve icing:

Mrs. I. Sinclair, Mr. E. Maline, Mr. J. Nelson, Mr. J. Essex, Mr. W. Ilinski, Mr. E. Niemi, Mr. J. Boscol, Mr. H. Portman, Mrs. M. Coghill, Mrs. E. Harper and Mr. J. Cameron.

Everyone sang "Happy Birthday" around the lighted cake. Mr. Essex, who is 82 years old this month, had the honour of cutting the cake.

Mrs. K. V. McCulloch, hostess for the day, announced the program. The Spencer sisters accompanied by Mrs. Frank Fowles, favoured the guests with three selections, opening with "Apple Blossom Time", and "Around the World in Eighty Days." The quartet consists of Mrs. Wyder, Mrs. [illegible] Thomas, Mrs. Zeng and Mrs. [illegible]. Mrs. Zeng gave a number of solos including "Ave Maria" and other favourites.

Mrs. Lodge, Mrs. Sinclair, Mrs. J. Wyder, Mrs. Tecky, and Mrs. Long presented two comedy numbers in costume: a Russian Ballet, a singing quintet in the famous sack dresses. One of three selections eulogizing the sack dress, brought smiles and laughter from all. A very enjoyable afternoon came to a close with two selections by the Spencer sisters, "Some One Like You" and "The West a Nest and You Dear". These old favourites were thoroughly enjoyed by all. Mrs. McCulloch thanked the enter-

DUBCHUK, LEROUX LEAD THISTLES TO 4-3 WIN

The fantabulous two, Mervin Dubchuk and Frank Leroux with their unending drive and spirit continued to lead the Kenora Thistles as they downed their arch rivals, the Dryden Rockets four-three before a large turnout of Tuesday night hockey fans at the Thistle rink. The win gives the Thistles a six point lead over the Dryden Club who are in fourth spot. The two southern clubs meet in Warroad tonight, leaving after tonight's contest four games left for each. The playoff picture will become much clearer next week. It is expected to begin the week of February the ninth, with number one meeting number three and two and four going in the other semi-final round.

Leroux gave the Thistles the lead in the first period unassisted blasting the puck past Lawrence in the Dryden cage. Lawrence as always in Kenora played an outstanding game. Bouchard, the leading Dryden point getter, potted one for the missle men at three thirty-five of the second period to tie the game until seven minutes later when Dubchuk banged a Robertson rebound on a pass with Lambert. The teams left the ice after two periods with Kenora holding a two-one lead. The Thistles Ed Devins working from the defence point at the Dryden blue line lobbed one past Lawrence from about thirty feet out. Dubchuk scored his second goal of the night at the six minute mark, after Frank Leroux had deeked the Dryden cage policeman to one side, Dubchuk raced in front of him to flip it in. Then the Dryden club started to press, Gaudreau scoring at ten fifty-nine, cut the lead in half. Darcis brought them one closer with five minutes to go. The Rockets came to life at this point and pressed hard, but the Thistles steady checking kept them at bay. Dryden coach Bert Oig took a beautiful pass, at the Red and White blueline with less than a minute to go, and his close in drive on Allie Reynard missed by inches. At the time they were short handed with Harpell sitting out a tripping and misconduct penalty. These two clubs meet again on Thursday night in Dryden. Last night's three chaps in the Red Caps as chosen by Gord Beaver of Winnipeg, Harry Lawrence of Dryden, Frank Leroux and Merv Dubchuk of Kenora.

½ AWAKE NIGHTS ½ ASLEEP DAYS

Many people never seem to get a good night's rest. They toss and turn in bed—and then are dull and listless throughout the day. All of which may be due to a temporary basic condition which calls for the use of Dodd's Kidney Pills.

Healthy kidneys filter poisons and excess acids from the blood. If they slow down and impurities stay in the system, disturbed rest, tired feeling and backache often follow. If you don't rest well at night—if you haven't that sparkling step of health in the daytime—use Dodd's Kidney Pills. You can depend on Dodd's!

Attorney General Visits Red Lake

The Honourable Kelso Roberts, Attorney General of Ontario, together with Commissioner Clarke, W. G. Noden, M.P.P. for Fort Frances, Inspector Tom Corsie, Peter Robertson, Howard Keffer, Murdock Mosher and George B. Darling toured the Red Lake District on Wednesday, January 14th. x

The Honourable Kelso Roberts and party attended a dinner held in their honour at the Cochenour Recreation Hall with 114 guests in attendance.

Howard Keffer introduced Bill (Causeway) Noden to the guests and during the course of the introduction remarked that it was gratifying to see a member for the southern part of this great area of Northwestern Ontario taking an interest in this Northern part of the area and their related problems.

Bill Noden in introducing The Honourable Kelso Roberts spoke of his interest in the mining industry and of his friends made over the many years of association with the industry. It was this interest, together with the friends in these areas that made visits to Districts such as ours of such importance. His knowledge gained from these visits kept the interests of the citizens to the fore and made him well qualified to speake on their problems and industry.

Speaking informally at the dinner, The Honourable Kelso Roberts remarked on the vigorous and healthy appearance that was apparent throughout the whole camp. Madsen Mines with their imposing concrete headframe, New Dickenson Mines with their most modern and attractive office building, the many new homes, stores and recreation opportunities were all evident of the prosperous condition that prevailed throughout the whole District. With the increased interest in gold prospecting and preliminary development that was going on in the immediate area it was further evident that this prosperous condition would continue to grow and further add to the importance of the Red Lake Camp.

Speaking briefly on the new demerit system, The Honourable Kelso Roberts stressed that it was being introduced as a necessary means to lower the dreadful toll taking place on our highways, although it had shown improvement lately much remained to be done and he asked all drivers to co-operate in their own interests in reducing still further this toll and to also assist the police department wherever possible. In this way the toll on the highways of Ontario could be greatly reduced.

The Honourable Kelso Roberts and party continued their tour, leaving the next morning for the Lakehead.

Four Split Bingo Prize

The Norman Community Club announce four winners in their current Bingo. The four, Mrs. Manfield - 234 - Fourth St. N., Mrs. Garrood, 203½-Second St. N., Mrs. Franklin - 73 Drewry Drive and Mr. Vernon Green 833-Sixth Ave. S. all completed the horizontal line and split the $50 prize.

Trillium TM Club Elects Officers

At the regular meeting of the Trillium Toastmistress Club held January 8th at the Kenricia Hotel, the following officers were elected for the next term:

Pres. - Miss Helen Sawchuk
Vice Pres. - Mrs. Pauline Wagar
Secty. - Mrs. Jerry Mychalyshyn
Treas. - Mrs. Ellen Pasmasson

Welcomed as guests were Miss Marlene Wooley, Mrs. C. Devlin and Mrs. J. W. Saunders from the Lake of the Woods Toastmistress Club.

Jerry Mychaiyshyn was Table Topics Mistress and her theme was 'My Pet Peeve about the Holiday Season.' Some of the peeves given were amusing but the serious ones concerned the blatant commercialism that unfortunately has grown around this season.

Mrs. Saunders proposed that Trillium and Lake of the Woods Clubs hold a model meeting on January 29th at 6 p.m. at the Kenricia Hotel. She said a model was "a pattern or example to be followed" and this presented a challenge. Members of Trillium agreed to take part in the model meeting with Lake of the Woods Club.

The next meeting will be an installation meeting when the new officers will take over. This will be held at the Kenricia Hotel on Thursday, January 22nd at 6 p.m. and anyone interested in attending is asked to phone Mrs Bernice Holmstrom at 8122.

HOSPITAL CARE FOR CANADA'S ORIGINALS

At the Charles Camsell hospital in Edmonton, Alta., little Peter Tingmaniak, an Eskimo boy, top, is having the time of his young life under the watchful eye of a nurse. The hospital has an exclusive clientele—only Indians and Eskimos are admitted. It was established in 1946 and caters to young and old among Canada's native population. The Eskimo woman, above, is from one of the few Eskimo tribes that still indulge in tattooing. She is being treated in the hospital, too.

Lions' Back Blocks for God As Pastor Wins Teenagers

Time has proved worth while the sacrifices Rev. Harry E. Parker and his family made so he might minister to war veterans and their families in the new Fraserview District.

His decision to quit the highly paid post at Kitsilano United meant that his wife had to go out to work and their daughter had to abandon her university career and the two scholarships she had won for it.

"ONE OF THE BOYS"

They're still working, but not necessarily because they need the income. Fraserview United congregation has grown by 10 per cent each month, and devoted members have continued to press additional money on their friend and minister, "Harry."

They nearly all call him "Harry"—he's one of the boys. He's been that type since he was in the trenches as a youth in the First World War.

IT'S BEEN A STEP UP

Two years ago, his salary reduction meant personal sacrifice. But now Pastor Parker regards the move as a 'step-up"—although he didn't know it at the time.

The $1,000-a-year benefits lost are now made up and the church hires three part-time workers: a director of music, organist and director of religious education.

Church membership increases have been phenomenal. There were 350 in Sunday School two years ago, now there are 1,000. Congregation has risen from 93 to more than 400. Choir membership is up from 17 to 152. They now form four choirs.

LIONS' STAR AIDS YOUTH

In six weeks, Hi-C — the United church's youth group — has risen from 12 to 45.

Credit for most of this goes to Vancouver Lions' halfback Primo Villaneuva.

Says the 27-year-old football star: "Playing football has helped in my church work. Anyone can have the desire to help kids but football helps me gain their attention.

"Yet the majority of those kids have never seen a football game. I guess they just hear about this football guy down at the church and come for a look—and stay."

SLOWDOWN ORDERED

So many have "come for a look and stayed" that church elders had to call a stop to more members — they were coming in too fast. Flexing its collective muscles, the Hi-C have already held a Christmas tree sale and bottle drive; have helped needy families.

Most Hi-C members themselves come from broken homes, "adopted" by the church.

NOT ON PEDESTAL

In the thick of all the church's 32 organizations and other activities stands Rev. Harry E. Parker and he prefers it that way.

"There's a tendency to put ministers on pedestals," he says. "Congregations, I suppose, feel he is closer to God this way, but he is more separated from the people.

"There is a strong sense of brotherhood between minister and congregation at Fraserview. We're buddies working together for the same cause.

"It's nice to hear people say: Harry, will you help us?"

He gives most credit to the fast growth of his church to increased housing in the area.

Others give credit to Harry Parker. "He's a real man," says halfback Villaneuva. "Not high and mighty; more of a friend than a minister."

Sentiment of Curling

While the main object of matches between clubs is to determine their relative skill in the game it should ever be borne in mind that the ultimate object of curling is to develop a manly recreation and to promote goodwill, kindly feeling and honorable conduct among those who take part in it, and this sentiment should influence both the interpretation and the application of all rules.

Defaced Bill, Faces Charge

CALGARY — Police Saturday charged a Calgary businessman under the Bank Act in connection with the defacing of currency after his firm's business name was found stamped on a $1 bill.

Constable John Kuryk found the bill among cash he received in exchange for a cheque Friday. It bore the stamped impression: "Half Chicken, Travel,"
