MAN INSTANTLY KILLED IN HIGHWAY ACCIDENT

A highway traffic accident early this morning claimed the life of a Kenora man, one of three passengers in a car travelling to Kenora. Dead is Hugh Gordon (Bud) Willis 26, son of J. D. Willis, 710 First Avenue South. Driver and owner of the car, Anthony Sykora, of River Street, Kenora, and the other two passengers, Ray Erickson, 810 River Street and James Ronald Bissett, Rabbit Lake, escaped uninjured.

The non-collision accident occurred at at 1.55 this morning on Highway 17, twenty-six miles west of Kenora near West Hawk Lake. It is reported that the car went out of control skidding across the highway, rolled over and landed in a ditch, killing Willis instantly. The three other occupants of the car were taken to West Hawk Lake for examination and later released when found to be uninjured.

The Ontario Provincial Police who are investigating the accident were called to the scene by a driver of a Motorways West Transport.

Funeral services for the late Bud Willis will be held Saturday afternoon, January 24th at two o'clock in the Chapel of the Brown Funeral Home. Rev. R. J. Leighton will officiate and interment will be in the family plot, Lake of the Woods Cemetery.

The late Mr. Willis was born in Kenora, attended public and high schools here and was employed as a surveyor for the Department of Highways and Ontario Hydro. He was a veteran of the Korean War, serving with the PPCLI. He is survived by his father, J. D. Willis, two brothers, Douglas Earl and William John both of Kenora and one sister, Mrs. Walter (Marjorie) Borowski of Fort William.

King George, South Ward H & S Hear Talks On Health

King George VI and South Ward Home and School Association held the first meeting of the new year on Monday, January 19th at King George School. Mrs. C. Pochailo presided for the opening session, during which routine matters were discussed.

Program chairman, Mrs. J. T. MacDonnel then introduced members of Miss Strembiski's Grade 6 class who performed a Mexi- peared in gay costumes, and everyone thoroughly enjoyed their fine performance.

The next number on the program was a film entitled "Ten to Twelve" which was dealt with youngsters of this age group. These youth go through great mental and physical changes in these years. Miss Mary Austin showed the film and then Mrs. Mowe R.N. discussed it with the parents. Questions were put to Mrs. Mowe who very capably answered them. Mrs. Mowe has had experience in the Children's Hospital in Winnipeg. Mrs. H. Nagengast thanked both ladies for their contribution to the program.

Lastly members heard a splendid talk on "Our Children's Nutrition" by Miss Sargent of the District Health Unit. She brought to everyone's attention the great importance of a proper diet, emphasizing that following Canada's Food Rules will help to provide happier, healthier, and more efficient individuals. The speaker was thanked by Mrs. C. Anderson.

Following the meeting, a social hour was enjoyed by all present, with grade 5 and 6 mothers acting as hostesses.

2 Cars Accidents This Morning

Town police report two traffic accidents both occurring this morning, within fifty-five minutes of each other.

At 8.15, Henry Sedesky, proceeding east on Ninth Street N. and turning into 14th Avenue north skidded on the icy pavement and slid across the street colliding with a car driven by Wally Morton. Extensive damage resulted to Sedesky's vehicle.

At 9.10 a.m. two cars were in collision at the corner of the Armouries Hill and Matheson Street. The vehicles driven by William Baker and Edward Witzke were extensively damaged.

Camp Owners Assoc Ask Continued Support For Funds

The Camp Owners Association Executive are appealing to the merchants of Kenora and district to continue their support towards Tourism with their advertising in the Association Bulletin.

The advertising support in the past has been greatly appreciated for it has made this bulletin possible, and through the medium of the bulletin they have built up a strong organization devoted to the medium of Tourist Industry in the Kenora district, which in the final analysis benefits all merchants and citizens as well as the resort operators.

In like manner they need your financial support, for the advertising carries the bulletin and the payment of bills will enable them to meet their obligations in this regard, and also help them to contribute in larger measure to the promotion of the industry. In years past they have contributed in good measure to the promotional work of the Industrial and Publicity Board, which devotes it's major efforts to promoting the industry through, advertising, sport shows, showing of films and talks to organizations, additional folders, bulletins and other promotional work.

Industrial promotion efforts of the board are only made possible when the Manager Secretary goes on the Tourist Promotional Trips, for he calls on prospective industries between shows. But the major part of the Board's Work to date has been in Tourist Promotion and the results generally have been outstanding, when compared to the efforts of other communities of a comparable size.

"Catty" Remarks About Bell, Book And Candle

Hello there! I'm Pyewacket, the cat with the important role in the play. In real life they call me Tai-lu, and I am an uncommonly handsome Siamese, if I do say it myself. The Smith family, Douglas and Muriel belong to me. They are both in the play too, along with Connie Eaton, Charles Cowlard and John Karwacki. And what a hard working, painstaking lot they are! Myself, I'm a natural, as they say in theatre parlance, and I wouldn't need to come to practice at all except to give the other members of the cast their cues. But they are mere humans, and they will do a scene over and over until it is letter perfect. Their director, Jean McIntee, is very meticulous about details, and she isn't satisfied with anything short of perfection.

Now that I am here, I might as well give a hand or more accurately, a paw with this direction business. There is Connie onstage now, the script calls for a small, alert, very attractive girl for the part of Gillian the leading lady. A very good piece of casting I would say. She says she wants to try that bit again where she [illegible] with her naughty aunt. Muriel Smith plays the aunt, Queenie Holroyd. She is characterized as "vague, fluttery and eccentric." She pulls it off pretty well, too, though being a member of the family I may be a little partial.

Now Connie and the chap playing opposite her, Charles Cowlard, as "Shep", the handsome publisher, are smiling as they exchange quips about the Kinsey report. Shep gets his lines off smoothly. There are some very clever passages in the play and the whole thing has quite a sparkle.

Douglas Smith takes the part of Gill's engaging, slightly impish brother. A large order that, Douglas old boy, but that entrance you just made was quite dashing. You are polishing up the part quite nicely.

Of course your director is quite right. There is still some hard work to be done by all of you. And now let's have a look at John Karwacki in the role of Sidney Redlich, a writer. Poor chap, that four o'clock shadow and his shambling gait, proclaim him as slightly drunk. It isn't an easy part to play, but I belive he has got "into" it, as we say. John

FEW UPSETS IN EARLY DRAWS OF 14TH 'SPIEL

Play in the 14th annual Lake of the Woods Bonspiel is moving merrily along this afternoon, in typical 20 below weather, and with some extremely fine curling being displayed. Promptly at 8.30 a.m. today Mayor Peter Ratuski opened the 88 rink 'Spiel by throwing a perfect draw shot at the Kenora Curling Rink, while in Keewatin, Mayor Walter Hodkinson performed a similar feat.

Twenty-six teams on 13 sheets of ice immediately went into play, with competition this morning being limited to the Grand Challenge event. Feature of the first draw was two extra end competitions. In Kenora Harry Monk of Deer Lodge won out over Bill French of Kenora, 11-10. The youthful skip is one of four from the West End Winnipeg club. In the Keewatin Skating Rink, Cowey Engstrom won out from Jim Sutcliffe in another thriller, by a score of 8 to 7.

In most cases, favorites came through in the opening games. Amongst the winners were Archie Davidson of Kenora, Coop Williams of Granite, Bruce Hudson, Strathcona, Posner of Maple Leaf, Rip Macdonald, president of the Kenora Club, George Jackson and Jim Guy both of Kenora and last year's Grand Challenge winner, Henry Clifton.

Last night over 300 curlers enjoyed a fine Curler's Party in the Main Dining room of the Kenricia Hotel. The gathering, held on bonspiel eve for the second time, proved an outstanding success. Last year the Bonspiel Committee decided to increase the entry by eight rinks, from 80 to 88, by moving forward the social from Friday night to Wednesday, permitting another draw. Four extra local and four more visiting quartets have thus been able to join in the popular event.

Wes Moore, Bonspiel Chairman expressed himself as pleased with the way curlers have again taken the Lake of the Woods event to their hearts. Wally Powell and L. G. Macdonald, Keewatin and Kenora presidents res-

(Continued on page 8)

LADIES AUXILIARY TO GENERAL HOSPITAL NOTE YEAR OF PROGRESS

At the annual meeting of the Ladies Auxiliary to the General Hospital held January 17th a year of considerable activity was reported by the officers and conveners of the various committees. The various projects that were undertaken throughout the year were reported successful financially.

It was pointed out that the success of these ventures were made possible by the co-operation between officers, conveners, members and the generosity of the general public. A vote of thanks was moved by the Auxiliary to the public for their generous support and to radio station CJRL, and the two local newspapers for their assistance during the past year in publishing announcements for the various activities. A special thank Leod who so kindly audited the books this year.

The 1958 executive elected for a two year term will continue for the year 1959. The slate of officers is as follows:

Pres. - Mrs. F. H. Peterson.
Vice Pres. - Mrs. J. Paton
Secty - Mrs. R. J. Bailey.
Assistant Secty. - Mrs. A. W. Reeves.
Treas. - Mrs. L. G. Macdonald
Assistant Treas. - Mrs. W. A. McLeod.
Buying Convener - Miss M. Schnarr.
Committee - Mrs. C. V. Lee, Mrs. L. Johnson, Mrs. H. Lord.
Hospital Cart Convener - Mrs. W. Brown.
Committee - Mrs H. Langille, Mrs. E. Apps, Mrs. G. Maluish, Mrs. A. S. Olson, Mrs C. McGinnie, Mrs V. Kember.
Publicity Convener - Mrs. R. Kron.

E. M. Newman, Mrs. E. Jackson,

Kenora Ski Club Plans Annual Races For Jan. 25

The Kenora Ski Club will be holding their annual club races at the skyline hill this Sunday January 25th.

Schedule of Events are as follows:

12.30 p.m. - Juvenile Slalom
1.00 p.m. - Juvenile Downhill
1.30 p.m. - Junior Slalom
2.00 p.m. - Junior Downhill
2.30 p.m. - Senior Slalom
3.00 p.m. - Senior Downhill

The road down to the hill is in good condition and the club executive would like to see all skiers out this weekend. A new and much larger ski club house is being erected and it is expected that if all members get out this Saturday that the building can be finished and a stove installed.

One of the club members left his work tools in the smaller club house and had them stolen last week. It is a shame that a man who has given his days off to assist the club has to have his tools stolen and can only be hoped that the person or persons involved will be decent enough to return them.

The annual invitation Ski Meet is planned for March 7th and 8th of this year. It is expected that the District Meet will be held in Dryden this year and a number of local skiers will be attending the meet the first week in February.

The club will be giving free ski instructions every Sunday and any interested person should [illegible] Mr. Ken Kehl or Mr. W. Symonds.

F. Davis, B. French Win Keewatin Division Bonspiel

Fred Davis and Bill French slid their separate ways to victory in the Double-Division 'Spiel held at the Keewatin Curling Club on Sunday.

Both of these men and their ice quartettes, part of a group of 64 Keewatin and Kenora Curlers, led the way over the sometimes tricky ice to the Prizes shortly after 11.00 Sunday night.

With quite a few games almost always in doubt until the last rock, and with scores as low as 5-4 in eight ends, the fans who packed the Club were treated to some very fine curling.

This 'Spiel has proven to be a very popular event and the Keewatin Curling Club who stage it extend to each and everyone who helped to ensure it's success a very sincere "Thank You."

Keewatin Curling Club Enjoys Annual Social

A capacity crowd ate, drank, danced, sang, and curled their way midst joy and laughter to make their Annual Saturday-Nite Social another "Hospitality Plus" at the Keewatin Curling Club, Saturday, January 19.

A huge audience of members and their guests watched on while the Ladies' Club again showed considerable support to the Club by placing in the Club Rooms two beautiful Rustic furniture tables. The tables are a very welcome addition to the nicest Club Rooms in many a mile.

The night was capped by a sumptious lunch served by the distaff side of the Club and was followed by a sing-song led by members of the Old Opry who entertained during the evening.

There are indications that this Saturday Nite Social will become a Semi-Annual event and it is our hope that each and every one will enjoy the same success as last Saturday's.

DARTS

The darts competition for the Joe Bynski trophy got off to a flying start Wednesday evening at the Kenora Legion. The highest scores registered were by L. Fraser and Bill Brown each getting 120. The new scoring system of six points for a win, three for second and one-and-a-half for a draw, were in effect with the result that Kenora Legion lead with 25½ points, Armouries second with 15 points, and Keewatin Legion a close third with 13½ points.

Next week's game will be at Keewatin Legion, see you there chaps.

Canada's exclusive fine car in the low-price field

All-new Meteor is your kind of car. Fresh, trim of line, exclusively Canadian. Completely redesigned and distinctively restyled Meteor is a step *up*—a car ahead in its field in everything but price.

It runs on regular gas best. Six or V-8, you'll gain on mileage, too. Meteor's new Econ-O-Fuel engine design not only saves you money by the mile, but it also means better performance where you need it most. And with Meteor's full-flow oil filter, you'll only need to change oil every 4,000 miles. Another saving is a new aluminized muffler that lasts twice as long. And Meteor for 59 adds pleasure to savings.

There's almost six inches more legroom . . . 450 inches more viewing area . . . a heater that can't overheat . . . new Econ-O-Matic, the simplest, most economical automatic. Interiors have extra luxuries like individually night-lit controls and a more convenient foot-operated parking brake.

A 59 Meteor is an upward step in every way but price.

It brings you new assurance in safety features that include a deep-dish steering wheel, safety door locks and a wide-contour frame for all-around passenger protection.

There's more that's new, more that's desirable in Canada's exclusive fine car in the low-price field.

See 59's newest, the 59 Meteor. Only then will you know how fine a low-price car can be. Make distinctive Meteor *your* upward step for 1959!

Certain features illustrated or mentioned are standard on some models, optional at extra cost on others.

PUBLIC NOTICE
RE:
TOWN OF KENORA
MINOR HOCKEY WEEK IN CANADA

WHEREAS, the week commencing January 24th is being observed throughout Canada as a period to focus public attention on the physical, character-building and other benefits of hockey for our youth, and

WHEREAS the game of hockey is recognized as our truly Canadian sport which teaches our youth to develop a competitive spirit, co-operation with others, body-building, and respect for authority, and

WHEREAS Minor Hockey is the foundation from which accomplished hockey players develop,

NOW THEREFORE, I, as Mayor of the Town of Kenora, do hereby declare the week commencing January 24th be observed as

"MINOR HOCKEY WEEK IN CANADA"

and request that all parents and others encourage children to participate in this great Canadian game.

GOD SAVE THE QUEEN

Peter Ratuski,
MAYOR OF KENORA.

Dated at Kenora, Ontario, this 22nd day of January, 1959.

Camp Owners Association

(Continued from Page 1)

The Association asks to please help them, help you, by continuing this work and enlarging it whenever possible, for everyone benefits from the Tourist Industry Promotion, and will in future benefit from the advent of new industries, through the Boards Efforts.

At a meeting of the Kenora District Camp Owners Association held Tuesday, January 13th. the executive voted the sum of $800.00 to be given to the Industrial and Publicity Board as a donation from the Bulletin fund with a further donation later if at all possible.

Starting Saturday, February 7th, delegates will be arriving in Kenora to take part in the Northern Ontario Outfitters Association, (N.O.T.O.) which will be held in the Kenricia Hotel February 9th, 10th and 11th. These delegates will come from as far east as Toronto. Ontario Government Cabinet members and heads of departments as well as other officials will be in attendance. The well known Alan Field, Director of the Canadian Government Travel Bureau will be the guest speaker at the banquet. This convention should be a great help to the merchants in this community.

No More Trouble With Water Level At Ash Rapids

With reference to recent discussion in the Chamber of Commerce, which resulted in exchange of communications between the Chamber and the Member of Parliament, W. M. "Bill" Benidickson and the Federal departments concerned, regarding the height of the new wharf under construction at Water Street and the matter of navigation at Ash Rapids, the secretary of the Chamber and the then chairman of the committee dealing with these subjects have been informed that reduction of the height has been authorized and work is proceeding in accordance with the corrected level. As a result of these exchanges some further information of very general importance has now been received from the Member after discussion with both the department of Public Works and the Lake of the Woods control Board at Ottawa. It will be remembered from previous occasions, notably in the high water of 1950, it is known that control of the waterlevels in the Lake comes under the jurisdiction of the Canadian Board, up to such time as the level, due to run-off, higher tributory waters, or excessive moisture conditions, reaches 1061 feet above sea level at which time by International Treaty, control passes into the authority of the International Water Control Board. This is due to the effect of unduly high water on lake and river shore conditions in the United States.

However, on the Canadian side there has always been the need of maintaining, sufficient flow, even in drier seasons, to permit the generation of sufficient power along the Winnipeg River electrical power plants, some of which generate energy which is used in Manitoba.

Last season's excessively low water levels caused difficulties both regarding navigation on the lake itself and the outflow necessary for power purposes.

Mr. Benidickson now has informed the representatives of the Chamber and for the information of the general public that it is probable recent developments will relieve either of the two extreme conditions caused by too high or too low water.

After several discussions with the Lake of the Woods Control Board, he reports that it is expected that the new diversion of waters from the Lac Seul area through the English river into the Winnipeg River, which becomes effective this year, will permit the holding back of waters in the Lake of the Woods thus giving better levels. The hydraulic engineers are of the opinion that in future years, notwithstanding certain conditions of abnormal under water supply it would be possible to maintain more reserves of water in the Lake of the Woods itself than hitherto.

Public Works engineers after inspecting Ash Rapids report that not loose boulders but solid bedrock bottom with abnormally low water levels have been the trouble but with a normal spring run-off in the watershed, and the expected increased storage of waters in the lake, made possible by the substitution in the power stream along the Winnipeg River of waters from the Lac Seul diversion, it is unlikely that navigational difficulty will occur in future.

Mr. Benidickson further states that, "No one in matters of this kind wants to assume the role of prophet" but these are the facts before the engineers, which suggest that the problems of water levels in the Lake of the Woods affecting structures and also navigation will be ameliorated in the future.

Letter to the Editor

Box 55,
Grassy Lake, Alberta,
January 19, 1959.

The Editor,
Miner and News
Kenora Ont.

Dear Sir:

We are studying about the Kenora District in our school, Grade V & VI and we would appreciate it very much if you would forward us a copy of your paper.

Very truly yours,
Mrs. Mary F. Moreash,
Teacher V & VI,
Chamberlain School.

Ed. Note—Kenora Citizens may wish to further help this school by sending pertinent information to the school.

3 Year Driver Licences To Be Issued in 1960

A new System of licensing Ontario motorists for three-year periods will be introduced in 1960. Transport Minister John Yaremko announces.

Mr. Yaremko said that the new system will tie in with the point demerit system which is becoming effective on February 1 next.

The new three-year licences will bear the date of the motorist's birthday, and this date will always be the date of renewal. This will eliminate the rush caused by all motorists applying for licence renewal at the same time of the year.

The licence number issued to one driver will be his for life, or as long as he holds an Ontario licence. These numbers will be recorded on a master code, which will greatly simplify the Transport Department's record keeping.

Mr. Yaremko also announced that Ontario car owners will have until March 12 to buy 1959 plates which are now on sale, and that there will be no extension beyond this deadline. Motorists must again present liability insurance certificates with their application, otherwise they will have to pay an additional $5 which will go into the Province's Unsatisfied Judgement Fund.

Miss $2,000 - Gunmen Take Custard Pie

New York,—Two bandits got their just dessert Thursday.

They grabbed a cardboard box thinking it was a $3,000 payroll. It contained only a custard pie.

Mechanics Gaston Martens and James Rayster of Manhattan were driving up to the Fifth Avenue Coach Company garage with a $2,000 payroll. En route from the bank they picked up the pie, intending to have it for lunch.

They were accosted by two armed men who grabbed a box and sped away in a car.

Police later spotted a car sideswiping several cars. They gave chase and captured Francis Romano, 26, and his brother, John, 23.

In the car were a revolver, a pistol and the pie.

The "hurst" at the end of a name of a village or town means that plenty of trees are in the vicinity.

Commercial Mixed Bowling News

Last week saw the start of the Third Quarter, and teams without a play-off spot better get going. Lakeland Dairies in Section One started with a rush (must intend to win Two Quarters) they picked up twenty-two points to lead Newman's Jewellery and Royalites by four points.

Section Two found Leftovers taking the lead with 21 points while McLeod's Shoes were next in line with 18 points. Supermarket in Section Three were in fine form to post the highest three game total of the week and take a four point lead over Claydons. Central Electronics were in third spot with 17 points.

In Section Four it was Blackhawks who were in fine form amassing 22 points to lead Pathfinders by three points. Blackhawks and Supermarket both finished last in the first & second Quarters but say things will be really changed from now on.

Section Five finds Acme Cleaners and Minnows battling for the lead with both teams having 18 points for the first week. Shop-Easy were next in line with 15 points.

This week teams will be chosen to bowl for the W. H. Marr Trophy, so lets see some real good scores. The top teams with handicap will represent the League as well as two Scratch (so called) teams, and will probably bowl on January 31st and February 7th. Last year the Ladies' League won this event and they say they are going to do their best to keep it. Mando, and the Mens' League representatives hope to make things a little different.

The word Ottawa was the name of an Indian tribe. In the Indian language it meant "traders."

"Catty" Remarks About . . .

(Continued from Page 1)

can be pretty convincing when he works at a part. He really looks thirsty as he reaches for that glass.

I'm frightfully glad the set directions call for an interesting, comfortable room. I don't believe I would have accepted a part if it had been a cold, stagey atmosphere. We cats like our comfort above all things. You will be seeing the play at the Legion auditorium on the evening of January 27 or 28. But I will just give you a run down on the story. It is a girl and a man who — but, sorry, there's my cue. I have to go on now. Just watch me wow the audience!

Few Upsets In Early Draws . . .

(Continued from Page 1)

pectively, share his sentiments. All committees are working smoothly keeping play right on schedule.

By late Friday, many of today's hopefuls will join the spectator section. Finals will be in the Kenora Curling Rink Saturday night.

Here are the results of the opening draws:
