Bonspiel Nearing Jewellery Stage

Visiting curlers from the Manitoba capital have shown that they thrive in the frigid temperatures which have been a feature of the 14th annual Lake of the Woods Bonspiel. While a year ago, temperatures had reached the thaw stage for the finals, no such fate awaits the broom wielders today. The major change, apart from the weather, is the absence from the picture of many of the 'name' rinks as play enters the jewellery stage.

Les Munroe and Henry Clifton battled for the grand aggregate last year, but Clifton is already out. Munroe can reach the select circle with a win on the 11.30 draw. Bruce Hudson, one of two visiting skips to reach the jewellery last year, is also in the running for the Aggregate. Bob Reinsch, who won the Citizens event last year, is still in the running at this stage, too.

Herb Bergman and Reg Forsythe who battled for the O&M in 1958 and Bill Brown, loser to Hudson in the 2nd event, have also found the going too tough.

THIS MORNING

Cyril Beaton in his game with E. J. Schindler of Falcon Lake, scored a 7-ender and came within an inch of scoring a perfect 8-Ender.

The finals tonight will be played in the Kenora Curling Rink. Here are the results to 11.30 a.m.

CAR - TRUCK COLLISION CLAIMS SECOND LIFE IN PAST TWO DAYS

For the second time in as many days, a highway traffic accident has claimed the life of a Kenora resident. Killed instantly, in a collision involving three vehicles was Mrs. Joan Hatle, 27, of Longbow Lake. In St. Joseph's Hospital seriously injured is Evelyn Shouldice of River Street and Leo Leroux of Rabbit Lake. The two women were passengers in a car driven by Mr. Leroux. Involved in the accident was a loaded pulp wood truck operated by Ed Cederwall of Kenora, a half ton truck driven by his brother Eric and the Leroux vehicle.

Provincial Police were called to the scene of the accident which occurred on Highway 17 east, approximately half a mile from town limits at 12.35 a.m. today.

It is reported that Mr. Leroux was proceeding east and after passing a car was in collision with the pulp wood truck which was stopped on the highway facing west, the car then bounced off the big truck into the half ton truck parked behind.

Police state that the driver of the pulp wood truck had trouble with the radiator of his vehicle His brother Eric following behind came to his aid and after the radiator was fixed both drivers climbed into the half ton truck for a cigarette, when the accident happened. The car was almost totally destroyed and both trucks badly damaged.

The Kenora ambulance was called to take the injured to hospital. Mrs. Hatle was pronounced dead on arrival.

An inquest will be held.

Funeral services for the late Mrs. Hatle will be held in the Chapel of the Brown Funeral Home on Tuesday afternoon, January 27 at 2 o'clock. Rev. R. J. Leighton of Knox United Church will officiate and interment will be in the Lake of the Woods Cemetery.

Fine Bill Of Fare For Dominion Drama

Kenora Little Theatre's "Bell, Book and Candle" will be up against stiff competition when it goes to Fort William for the Dominion Drama Festival on January 31. Entering the competition, but being adjudicated in Winnipeg, will be "The Glass Menagerie" presented by Playhouse 77, a Winnipeg group. The Fort William Little Theater has chosen "Les Sept [illegible]" [illegible] will be played on January 30 at their home city. The Port Arthur Mummers will offer "Miss Julie" on Saturday afternoon, January 31, and the Kenora production will be seen on Saturday evening.

The group who will go from Kenora to the head of the lakes in connection with the Festival will have the opportunity to see the last two presentations. Win, lose or draw, the players feel that an adjudication by an experienced critic is always of value to the players and to the group. "Bell, Book and Candle" will be first given at the Legion Auditorium on the evenings of January 27 and 28. Curtain time both nights is at eight o'clock.

Down The Ice With Minor Hockey

I had intended to start this write-up with a blast at team managers and coaches for being delinquent with returns of players certificates, but changed my mind to write a short message to Mom and Dad. First I wish to thank Mr. Jack Thomson sports director of CJRL and Mr. Arthur Pitt the general proprietor of Pitt's clothing store for the use of the salutation Mom and Dad. Yes Mom and Dad commencing January 24th through January 31st except January 25th, is Minor Hockey week throughout Canada. We appeal to you—Don't Send—Take Your Boy To The Rink, you along with hockey groups, Sponsors, Managers, Coaches, Referees, Officials of your local Minor Hockey Associations, want to see young Canadians playing Canada's National Sport, the great Canadian game of Hockey. "Of Course You Do . . . encourage your boy to play hockey and attend games yourself. The Family That Plays Together—Stays Together. "Yes" hockey is a part of our way of life. We are primarily interested in minor hockey, the game has body-building advantages, not only because of the fact that through it we have lads taking part in active exercise, but because the boys are taught that if they wish to become good hockey players they must keep in shape, train, eat properly and keep proper hours. All of these things are the little things that add up to the important total of better boys, and eventually better citizens. And we feel, like the members of any service club, that to keep one lad out of trouble is worth all the effort of all managers of all the teams of all the leagues in Canada. Did you have a boy come home from a game and feeling like a million relate how his team had won, and how he had helped? Did you think he was bragging? Well Mom and Dad maybe he was not bragging, go with him and see for yourself and meet other parents of boys on the same team or opposing teams. Tell you what, he possibly cannot bribe you to attend his game, but, I'll bet he will wash the dishes and clean up his room if he thought it would give you the time to go with him. I will baby sit, I charge according to sex and age, one month to 12 months nominal charge, one year to eighteen years going pay, all over that age No Charge. Let us all be enthusiastic about Minor Hockey in our district and let our enthusiasm show—its contagious. That is why we say Don't Send—Take Your Boy To The Rink.

I Thank You,
Bill Watkinson.

A-Ps and S—I have a birth certificate issued to the parents of Donald Magnus Charles Johnson. Also a Immunization record for Duguay George. Please pick up.

A Message For Our Day

THE KENORA MINISTERIAL ASSOC.

"Do not labour for the food which perishes, but for the food which endures to eternal life, which the Son of man will give you; for on Him has God the Father set His seal. "Then they said to Him, "What must we do, to be doing the work of God?" Jesus answered them, This is the work of God, that you believe in Him whom He has sent." St. John 6:27-29.

This exchange took place between Jesus and the many who followed Him because He had fed 5,000 with five barley loaves and two fish. After He had taught them saying, "I am the bread of life; he who comes to me shall not hunger, and he who believes in me shall never thirst," many drew back and walked no longer with Him. Like so many today, and in all generations, their faith was "prevented" by a strong "If". I use that word "prevented" both in its old meaning and in its derived one. "Things" which perish must "come before" any commitment to a person. With the same "put up or shut up" that we demand of our political leaders, we keep telling Christ that we'll reward Him our vote providing He first supplies us abundantly with the "things" we really deem important, and we always reserve the right to withdraw our support if His magic doesn't produce. But this is not "faith"; it is the daily rejection of Christ of which we are all guilty. It prevents faith in the very sense we now commonly use the word "prevent". Jesus said, "If any would come after me, let him deny himself, take up his cross and follow me."

In my ministry I have encountered fair-weather Christians and foul-weather Christians and all-weather Christians, and I confess that I, too am all three of these - letting the quality of my faith be determined by outward circumstances - trying to find in the fact of my being a reason for faith. Christ calls me and He calls you to faith in Him - a faith which determines circumstances and gives reason for being.

Rev. Floyd E. Johnson,
Bethesda Lutheran Church.

PLAN SURVEY PATRICIA DISTRICT

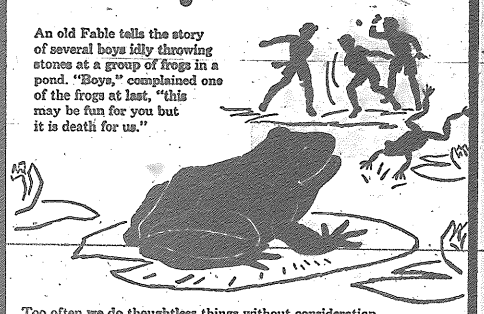
Toronto—A $750,000 geological survey of northwestern Ontario's Patricia district is planned by the federal and provincial government, it was announced.

The survey is preliminary to a five-year $15,000,000 program of building access roads in the area.

Cost of the survey, partly by airborne magnetometer, will be shared by the two governments. The Patricia district is east of the Kenora district.

A joint statement is expected soon as to what roads will be started this year. Most important is extension of the Timmins Foleyet road to Chapleau.

The Boys and the Frogs



An old Fable tells the story of several boys idly throwing stones at a group of frogs in a pond. "Boys," complained one of the frogs at last, "this may be fun for you but it is death for us."

Too often we do thoughtless things without consideration for others—for example, spending our money solely for pleasure without regard for our family's future. How much better it would be to provide for that future through the medium of Sun Life of Canada's modern life insurance policies.

Life insurance is my profession and I am at your service. Why not call me today? You will be under no obligation.

Local Man To Attend Ontario Boat Show

A well known representative of the boating industry in Kenora, Bill Marr of Marr's Marine, will be taking an active part in the first annual presentation of the Canadian Boat Show, to be held in the Queen Elizabeth Building at Exhibition Park, Toronto, from February 6 to 14.

Planned as the "show window of the boating industry" and designed to keep abreast of its growth and development, this exhibition is being jointly sponsored by the Canadian Boating Federation and the Canadian National Sportsmen's Show.

A total of 60 exhibitors from the Maritimes, Quebec, Ontario, British Columbia and the United States, will show their wares and as many as 175 boats will be on display at the exciting big "boatarama".

These will include all the newest and latest boats being built on the continent as well as marine engines, hardware, accessories and all other products made for boating pleasure.

The boats to be displayed will include the most ultra-modern, stream-lined swept-wing and multi-coloured luxury cruisers, sleek runabouts, out-boards and other types of watercraft.

At regular intervals throughout the eight days of the Boat Show, entertainment will be presented by well known stars of stage, screen, radio and television, including Juliette and Lorraine Foreman.

*(Author's Name Below)

When a physician treats a sick person, he may first relieve pain or other discomforts, but he always concentrates on curing the cause of the trouble. When people try to treat themselves, they seldom can cure the cause because of lack of knowledge of how to properly diagnose.

Home remedies that temporarily relieve pain can sometimes create severe danger, because they enable the disease to take a firmer hold and eventually to become more difficult or impossible to cure. Always let your physician determine the cause of your sickness and prescribe the proper treatment and you will prevent serious trouble.

KEEWATIN RETIRED MEN'S ASSOC. CELEBRATE BURN'S DAY JANUARY 21

Approximately 100 people attended the open meeting of the Keewatin Retired Men's Association held at the Memorial Building on Wednesday afternoon, January 21st and enjoy a varied program presented by members and friends of the Association.

Robert Burns' picture was displayed on the stage giving a Scottish setting for the program in honour of Burn's Day, this being the 200th Anniversary. He was born January 25th 1759 and died July 21st 1796 at the age of 37 years. He wrote over 560 poems, everyone being a masterpiece.

It was his love of humanity, his genuine philosophy of life, honesty and simplicity that makes him akin to all mankind everywhere as he was long ago.

The program with Mrs. C. V. Lee as accompanist opened with the choir singing three songs. "Over the Mountain", "The Star of Robbie Burns" and "Lock Lomond.

President Mr. E. Barnard in his address of welcome, stated it was most gratifying to see so many out on this, the first open meeting of the New Year. He also extended Seasons Greeting and Best Wishes to all for 1959.

Mr. Barnard entertained with two solos. "Bonnie Doon" and "Comin' Thru the Rye".

Mrs. W. Powell rendered two vocal number. "O Mary at thy Window be" and "My Love is like a Red Red Rose".

A recitation - Tam O'Shanter was rendered by Mr. Jack Donald and Mr. Bob MacDonald sang two solos, "The Lea Rig" and "March of the Cameron Men". Mr. Wm. Blackwell entertained with two solos, "My Bonnie" and "The End of the Road". Two solos by Mr. Charlie Fisher, "Scotland the Brave" and "Phil the Fluter."

The Men's Choir concluded with two selections.

Community singing was enjoyed followed by the serving of refreshments by the Social Committee of the Men's Association. The singing of "Auld Lang Syne" and the "Queen" brought another pleasant afternoon to a close.
