KEEWATIN HOME AND SCHOOL ASSOC. DISCUSS UTILITY OF PLAYGROUNDS

The regular meeting of the Keewatin Home and School Association took place on Wednesday evening, January 28th. Unfortunately only a small group of parents was present. In the absence of the President, the Vice-President, Mrs. S. Morden took the chair.

After the opening preliminaries, the minutes of the previous meeting were adopted as read and the Treasurer gave her report.

The President reminded those present of the joint meeting to take place in the King George School on February 10th, at 8.15 p.m. at which Dr. Kettner will be the interesting guest speaker. The next meeting of the Keewatin Home and School Association will be on February 25th.

The attendance prize was won by Mrs. McRitchie's class.

Mr. Forbes, the school principal, then gave his usual report. The kindergarten classes will make their mid-year changeover on February 2nd., that is those pupils now attending morning classes will attend the afternoon ones and vice versa. Classes commence at 9 a.m. and 1:30 p.m. He reminded his audience that the Music Festival will take place in the middle of February and that parents may be called upon to assist as they have done in previous years. Throughout the month of February various projects were being organized in aid of the Junior Red Cross. It was a matter for pride that all rooms were enrolled - one of the few schools with 100% enrollment. He stressed that all contributions were on a voluntary basis and amounts optional.

Education week will be from March 1st - March 7th and it was again decided to serve tea on parents' night, March 5th.

Miss Fitzmaurice gave a vote of thanks for the Kleenex supply donated by the Home and School Association - it had proved most useful in these days of colds and sniffles.

This concluded the business part of the meeting.

The first part of the programme was a radio play entitled "The Newest School in Town" - very appropriate with Keewatin's own new construction. Those taking part were - Muriel Scott, Marion Morden, Phyllis Karlsson, Dorothy Jones, Rick Kohuch and Don Little - assisted by an amplifier and microphone.

For the second part Mr. Forbes led a discussion on the School Playground - describing the present one as too small, uneven, dangerous and ugly. He offered various suggestions for improvement such as the hard-surfacing of some areas, separate areas assigned to the different age groups and the ultimate prohibition of delivery trucks and the provision of parking space for cars.

The audience was then divided into four groups - each group being handed questions for discussion.

Little Theatre Players On Stage At Lakehead Tonite

The talented cast of the Kenora Little Theatre's "Bell, Book and Candle" left Friday night for Fort William where they will take part in the Regional Drama Festival Finals. They will present the play at the Selkirk High School this evening. Jean McIntee is the director of the play and the cast is composed of Constance Eaton, Charles Cowlard, Muriel Smith, Douglas Smith, John Karwacki and of course Pyewacket the cat.

The Kenora Little Theatre is competing with the Port Arthur Mummers, the Fort William Little Theatre and Winnipeg Little Theatre. Winnipeg will be adjudicated in their own city while the other three plays will be presented in Port Arthur. All are competing for a $100 cash award and the calvert Trophy.

The winner will enter the Dom- the main Calvert Trophy and a $1,000 cash prize. Finals will be held at Toronto, May 18 - 23.

Adjudicator for the festival is Richard Ainley of England who is travelling right across the country adjudicating all the regional festivals.

The whole community joins in best wishes to the Kenora Little Theatre as they go on stage in Fort William tonight. Coupled with the best wishes is the admiration of little theatre followers that this local group has the initiative to enter the drama festival finals where competition is keen.

Witness Convention Concludes Tonight

The weekend assembly of Jehovah's Witnesses started with a happy note. Mr. B. Siddall conducted songs and experiences. Mr. B. Siddall, his brother L. Siddall and their families have just recently moved to Dryden from Moose Jaw, Saskatchewan.

Mr. V. White, district minister sembly theme in his opening address "Be a Teacher of the Good News." The whole program has been designed to emphasize this theme, and he encouraged all to attend every session.

During the public speaking ministry school, Mr. S. Kerr of Rainy River gave an instruction talk on the books of Obadiah and Jonah. His brother E. Kerr from Dryden then spoke on the subject Confucianism. Mr. W. Klepsh, of Dryden followed with a bible reading from the book of Ezra. Mrs. G. Malenfant of Dryden, and Mrs. R. Kennett of Dance next demonstrated how a Bible sermon could be given at the homes of the people. This proved to be a highlight of the evening. Mr. White counselled speakers on how they might improve.

Mr. K. Little, circuit minister from Toronto, concluded the evenings program by conducting a ministry development class. Presiding ministers, E. Nesbitt of Dance, and M. Stasiuk of Fort Frances took part.

"Have Mike - Will Travel," To Feature Thistles Of 1907

Jack Thomson's travelling Mike will relive memories of fifty-two years ago when his feature program "Have Mike, Will Travel" will highlight exciting moments of the year 1907, when the Kenora Thistles won the Stanley Cup. The program will be heard on radio station CJRL at 6 p.m. Sunday February 1.

Mr. Chris McKinnon will be Jack's guest and he will give first hand information of that famous team. Exciting moments of that game between the Thistles and the Montreal team will also be re-played.

This is a program you won't want to miss, the time—Sunday night, at six o'clock—set your dial at 1220, station CJRL.

St. Alban's W. A. Elects Officers

Mrs. H. E. Hives, Bishopstowe, was re-elected president of the afternoon W.A. of St. Alban's Anglican Church at their annual meeting.

Mrs. M. Anderson.
Delegate to Diocesan Board -
Mrs. W. Marchant.
Social Lunch Conveners -
Mrs. H. Simpson.
Mrs. L. Hensel.
Pianist -
Mrs. F. Walton.

James Doherty Died This Morning

Word was received in Kenora this morning of the passing of James Doherty, former well known and highly respected citizen. Mr. Doherty passed away in Port Arthur, this morning. Complete obituary will appear in Monday's edition of the Miner and News.

The heat of the wire inside an incandescent light bulb sometimes reaches 5,000 degrees Fahrenheit.

CONSERVATIVE ORGANIZER PAINTS BRIGHT PICTURE FOR DIST. ACTIVITIES

Approximately three hundred attended the Progressive Conservative District Rally held Friday in the Legion Auditorium. Included were some eighty delegates from Red Lake, Cochenour-Willan, Dryden, Ignace, Minaki, Sioux Lookout and Fort Frances. The occasion was the visit of Alistar Grosart, national organizer for the Progressive Conservative Party.

In the afternoon, delegates met in committee. Discussion groups were formed and the following subjects discussed, organization, financing, publicity and health.

Mr. Grosart was guest speaker at the well attended banquet. Introduced by Pete Robertson, Mr. Grosart first stated that it should be understood that he was not speaking for the government but strictly as an organizer, and what he had to say were his own personal thoughts.

Commenting on the work presently being done throughout the district by the various Conservative organizations, Mr. Grosart paid tribute to all the workers, with the following statement. "The Kenora-Rainy River constituency has about the most active group of Conservatives in the whole of Canada. You are right on the job, considering that you didn't elect your man, your efforts have never stopped, if you keep up your work, I can see no reason why you shouldn't elect your provincial candidate."

Mr. Grosart also praised the work of the women's orgnizations and likened them to marriage - "You take the step, he said, then the women take over, from then on your life is miserable, they won't let you alone till things are going."

In speaking of the unemployment picture across the country, Mr. Grosart said that according to facts and figures, which anyone is free to look up, the picture is not as bad as it looks. 1958 was the most outstanding year for Canada both from the economic standpoint as well as industrially. Unemployment was up but so was actual employment. More people were employed than ever before. More women are also being employed than ever before, the figure has increased 300 percent since the first war, he said. Since we have unemployment insurance, he continued, people must register and figures are more complete. Some people too, have a pattern to their employment, he continued, they work for nine or ten months and draw insurance for the remainder.

Mr. Grosart, painted a bright future for Canada. In his remarks concerning the prime minister, John Diefienbaker, he said, "his integrity and honesty are of the highest calibre and I know he will carry through his plans."

The speaker was thanked by Mr. Ed Fahlgren, District President. Also introduced was Mr. Howard Keffer, provincial candidate for the party and his wife.

Following the adjournment of the banquet, members and their guests enjoyed a most delightful dance.

Driver Demerit System Delayed Till March 31

Toronto—Ontario's driver demerit system is to go into operation March 31 instead of this Sunday.

The last-minute switch was announced by Transport Minister Yaremko in the Ontario Legislature Thursday. He said the two-month delay results from plans to increase speed limits in Ontario and the court dispute over the province's careless driving charge.

The demerit system, providing three-month licence suspensions for motorists collecting 12 demerits in any two-year period, assesses five demerits for careless driving, three for exceeding the speed limit by more than 10 miles an hour and two for exceeding it by less than 10.

Mr. Yaremko said the plan will start Sunday on a trial basis, giving his department more time to educate the public and take out "wrinkles."

Premier Frost said he views the trial run with "considerable enthusiasm" because "it gives us the opportunity of educating the people without penalizing them."

The new speed limits are to be

Pike Rink Wins Again Friday Night

Last night at Keewatin, the Jack Pike rink won their first game of the round robin series between the Kenora and Keewatin clubs to declare a winner to represent this area in the Northwestern finals. Curling against the Alec Brown rink of Keewatin, the final score at the conclusion of the twelve ends was 14-7. The second game in the best of three will be played tonight at 8 o'clock. A win for Pike will finish the series.

Dryden High School Dump Mustangs To Lead League

Dryden's High School basketball teams took over first place in both the senior and junior divisions of the Northwestern Ontario High School Basketball League. Albert Eger paced the senior Eagles to a convincing 69-43 victory over the Mustangs with a rather brilliant solo performance of 28 points. Meanwhile a young Canadian-Dane named Preben Schmidt, notched 15 points in leading the junior bird men to a 34-31 shadow victory over the Colts. Both games were played before a packed High School Gymnasium.

The senior Eagles, who recently dumped Red Lake 48-44, led the purple and white team 36-23 at the half. The junior Eagles led the Colts 14-13 in the first thirty minutes of play.

The Mustangs could not move the ball against their taller and better shooting Dryden basketballers. The Eagles were moving the ball and their shooting was very accurate. The Colts almost came from behind to defeat the Dryden junior team, but the near easterners held their lead with some fine last minute defensive work.

Pete Wynd and Harold Symonds led the Mustang attack by netting 12 points each. Lorne Crawford swished the Kenora basket for 18 points.

The Colts were paced by the 9 point performance of Alex Brown and John Young's 7 points. Ron Eger came next to Preben Schmidt for the junior Eagles as he notched 8 points. The officials for the game were Bob Cameron and Brad Holmes . . .

LINE-UPS

Dryden Seniors — B. Robinson (5), Bill Higgins (5), Merv King (6), Ted Cole (1), Roy Vivian, J. Crashuk, Albert Eger (28), Berry Samson (7), Lorne Crawford (18) Don Wagar . . . coach, Ray Desjardins.

PUBLIC NOTICE

National Health Week

FEBRUARY 1st - 7th, 1959

WHEREAS the health of our citizens is of utmost concern to the Corporation of the City of Kenora, and we should all practice healthy habits;

AND WHEREAS National Health Week, sponsored by the Health League of Canada in cooperation with Departments of Health and Education, is dedicated to making Canadians even more aware of the value of good health to themselves, to their families, and to their communities, and is an annual observance that depends for its success upon the voluntary support of every responsible citizen:

NOW THEREFORE I DO DECLARE the week of February 1st to 7th as Health Week in Kenora, and urge all citizens to fully cooperate in this cause.

GOD SAVE THE QUEEN

Peter Ratuski,
Mayor of Kenora.

Dated at Kenora, this 31st day of January, 1959.

SUN LIFE OF CANADA

Driver Demerit System Delayed . . .

(Continued from Page 1)

introduced in stages, Mr. Yaremko said, and hence the two-demerit speeding offence will not be counted against motorists until August, four months after the point system begins operation.

Speed limits on some sections of divided highways would be increased to 60 miles an hour from 55 before April 1, and the limit on certain two-lane highways increased to 55 from 50 before Aug. 1.

The limit for trucks would stay at 55 on divided highways but be increased to 55 on two-lane highways, so there wouldn't be too much passing by cars.

Mr. Yaremko said eventually some two - lane highways will have limits of 55 or 60 wherever warranted.

Liberal Leader John Wintermeyer argued the March 31 date is unrealistic because the careless driving issue might go to the Supreme Court of Canada and take six or eight months to settle.

Attorney-General Roberts replied he expects a settlement before then. He indicated he expects a favorable decision — and no further appeals — from the Ontario Appeal Court on Chief Justice J. C. McRuer's ruling which invalidated the careless driving law last November.

Keewatin Home and School Assoc. . . .

(Continued from Page 1)

The chairman of each group off areas for each age group would be a good idea with suitable equipment provided in each area. Beautification, where possible, of the grounds would certainly increase pride in them and the formation of voluntary gardening groups of interested pupils was suggested. It was agreed that blacktop would answer many problems - its only disadvantage being its high cost. It was generally felt that the space available was unsuited to baseball and football, but that basketball and volley ball would be alright. Nothing much can be done at the present time but it is good to ponder these problems and seek solutions for the future.

The meeting was adjourned at 9.45 p.m. after which coffee was served and a social half-hour enjoyed.

Associated Chambers To Meet With Cabinet Feb 5

One of the largest and most representative delegations ever to come out of Northwestern Ontario will leave the Lakehead for Toronto by T.C.A. Viscount on the night of Wednesday, February 4.

This delegation will meet with Premier Leslie M. Frost and the cabinet on Thursday morning, February 5, for the annual presentation of resolutions passed at its convention last September. There are 42 of these unanimous resolutions — 20 of them on highways.

Each section of this area has vital matters that it would like to have presented by representative business people who live on the spot, and who can give actual information as to actual conditions existing in their communities.

In former years the delegation has had breakfast, courtesy of the four district members, and last year they were guests at a luncheon in the Speaker's chambers after the meeting. Delegates are expected from all 18 Chambers that are members of the Association.

Besides doing their jobs of presenting Northwestern Ontario's problems, this trip provides for each member an insight into the workings of government on the executive level that is hardly possible to acquire in any other way. The detailed knowledge displayed by the premier and his ministers is always impressive. The speed and intensity with which the cabinet members work is evident and is a revelation to most visitors.

The visit to Toronto is further an opportunity for business contacts and meetings with friends and this in part accounts for popularity of this delegation among Northwestern Chamber members. More than 35 are expected to attend.

The song "Dixie" was composed by Dan Emmett, a Yankee from Ohio.

The first submarine that actually sank another vessel was the Confederate Hunley, built during the Civil war. It sank the Union frigate Housatonic in Charleston harbor.

"NOTHING IS IMPOSSIBLE"

*(Author's Name Below)

During recent years many new medical treatments have been perfected. Some of the diseases that have plagued mankind for ages have been conquered.

There are still more to be overcome, but in due time they, too, will be mastered. So many research physicians, scientists and chemists are devoting their lives to this work that truly no disease will eventually be impossible to cure.

We are glad that it is our privilege to share in this important work by supplying the medicines that fight disease.

A Message For Our Day

THE KENORA MINISTERIAL ASSOC.

This winter has already been marked as an exceptionally cold one. In December the morning temperature was below zero for nineteen out of the thirty-one days; and seventeen of them were consecutive. January has a similar record. On at least twenty-one of the first twenty-nine days the morning temperature was below zero. And while it may not be the most pleasant of subjects, it does make us think about the things we do to overcome the cold, and to value those things. The furnace in the basement becomes a very important item of the household furniture and good winter clothing comes to be regarded as a part of our treasured possessions. So do we arm ourselves to combat the cold air front. The only way to offset cold is with warmth.

What about the cold war in the international relationships of the world today? We hear a good deal about that cold war and we are all aware of the precariousness of the situation. It is extremely dangerous to say the least of it. The important question is, What is being done about it? As far as we can gather from all we read and hear, the war is being waged chiefly in the diplomatic and economic fields.

Does not the Christian Church suggest a much more effective solution? Why not combat the cold with some real warmth? The Gospel of Jesus Christ and its meaning is not by any means remote from the cold war. When Jesus spoke of the Kingdom of God he was speaking of the relationships between men and nations. Surely at the heart of the Gospel is the thought of the Fatherhood of God and the brotherhood of man. Is this not the Gospel that would solve the problems represented by the cold war? The writer is well aware of the militant atheism that characterizes one side of the conflict; but surely the only way to combat such a foe is by a crusade of faith in God. If we peoples of the so called Christian countries were as keen about propagating our faith as those who are apparently opposed to us, the story might be a very different one.

A survey of Sunday Church attendance would reveal a sad story of apathy and indifference on our part. Church attendance may not be an infallible yardstick in the measuring of Christian warfare, but it is a very fair indication of Christian enthusiasm

The Churches of Kenora invite all the people of Kenora to join in the crusade of faith. SO - tuck a scarf around your neck. Put on your overcoat, overshoes and gloves, and GO TO CHURCH ON SUNDAY.

Canon L. M. Watts,
St. Alban's Pro Cathedral.

SALESMEN WANTED

MAN OVER 55 3 DAYS A WEEK

Here's an excellent opportunity for a mature man to make enough money in only 3 days a week . . . to spend the other 4 days enjoying life.

Because we pay our top men in other cities up to $5,000.00 to $12,000.00 in a year, this opening we have in the Kenora area should be worth

$4,000.00 TO $9,000.00

You have freedom in running your own work schedule and receive friendly personal help from our home office people who appreciate your effort. What's more, you can get more pay and still have a happier life.

We are a multi-million dollar concern with a national sales force of middle-aged men who are finding our work the most fascinating and best paying they have ever experienced.

If you want to spend 3 days a week - taking short auto trips in surrounding area to handle contacts with our customers, then we can make it worth your while. For complete information write O. C. Swallow, President, Box 789, Fort Worth 1, Texas.

Around Town

Mrs. R. J. Wyse left on Tuesday for Port Arthur where she entered the Port Arthur General Hospital for surgery.

The World Day of Prayer service is to be held in Kenora, Friday February 13th not the 18th as was reported Friday in a news item.

BIRTHS

Mr. and Mrs. R. A. Leiterman announce the arrival on January 20 of a son, Mark Ronald, a brother for Karen and Janis.

CARD OF THANKS

We would like to thank each one who gave assistance in our recent loss when the church and living quarters and all our belongings were destroyed by fire. Words cannot express our deep appreciation to all you, who so willingly helped us. Our wish and our prayer is that God will bless you all.

Rev. and Mrs. E. L. Armbruster
and family.

Announcements

NOTICE

There is a charge for all notices appearing in the announcement column. Announcements for teas or any money making events are charged for by the line. There is also a charge for Thank You Cards & In Memoriams. Births and Engagement Notices are free.

The regular meeting of the Ladies Auxiliary to Pinecrest will be held in the Library of the Lodge at 2.30 p.m. Tuesday, February 3rd.

LADIES OF MOOSE PLAN CLUB EVENTS

The Women of the Moose held their regular chapter night January 23rd in the I.O.O.F. Hall. Sr. Regent Mary Saunders presided and appointed as protem, Jean Fontain as Jr. Grad. Regent in place of Helen Olson. Escort Cora Dowswell acted for Jr. Regent Velda Carlson.

During the transaction of regular business it was decided to hold a Valentine Bake sale at one of the local stores on February 13 from 4 to 8.30 p.m. It was also moved to purchase a Jr. Grad. Regent's pin for Mrs. Olson and send it to her at Fort William. A Donation of $500 will be sent to Mooseheart for the College of Regents Administration fund. A discussion also took place regarding the proposed visit to International Falls and how many were to go.

Chaplain Noreen Davis was appointed to look into plans for a fashion show. It was announced that the next meeting would be held February 8th. Following the adjournment—a social hour followed.

IRON ORE TO MOVE TO WORLD MARKETS

DULUTH,—MINN. — Minnesota iron ore may move onto world markets when the St. Lawrence Seaway is opened.

This was the prediction of Colin Christopher Paget Tennant, a director of C. Tennant & Sons Ltd., London. He explained his firm buys and sells ore all over the world but currently has no supply source in this country.

Tennant said he would confer with a number of mining officials here before returning home. He came to Duluth for the initial meeting of directors of the International Seaport Corp. which is planning a 100 million dollar waterfront development in the Duluth-Superior area.
