Purpose

The purpose of this policy is to ensure that all flags at City Hall and other City operated municipal facilities are flown and displayed in a consistent manner and to provide direction to Administration on displaying flags on flag poles on City property.

This policy will further establish a framework to govern requests for flag raisings received from the community.

Policy

The City of Kenora recognizes the symbolic importance of flags to groups of people, communities and nations, in bestowing honour and respect, or expressing a collective sense of grief and respect through lowering flags to half-mast. While the Council reserves the right to determine which flags will be displayed on City property, Council will strive to accommodate and provide opportunities for community groups to display their flags.

As a matter of practice, the City of Kenora has used special flag raisings to enhance public awareness of activities such as national/independence days, multicultural events, fundraising drives, and historical commemorations important to residents. The City of Kenora has also flown flags at half-mast to mark periods of official mourning or commemorate solemn occasions important to the residents.

Definitions
