AIR CADETS ENTERTAIN FATHERS AT BANQUET

The second annual Air Cadet Father and Son banquet was held in the evening of March 12th at Knox United Church and was attended by almost 100 Air Cadets fathers, officers, sponsoring committee and guests.

The meeting was opened with the singing of 'O Canada' followed by the Invocation by Sgt. Tom Lough. The Chairman, P. Hughes proposed the toast to the Queen and toasts were proposed to the Squadron by WO Wallace Warner and to the fathers by WO2 Tom Brett. Graham Holland replied to the toast to the fathers.

The head table included Air Cadet Liason Officers F/L W. Gryba and F/L W. Bain, Manitoba Provincial Committee representing Brock Smith and John Roddy, and the Commanding Officer of the local squadron F/L F. Alcock, Kenora Lions Club representative Harry Lecain and the sponsoring committee Chairman P. Hughes. Brock Smith and John Roddy brought greetings from the Provincial Committee and congratulated the local squadron on the many hardships that have been overcome. He stated that these hardships have given this squadron a solid foundation and in the long run this would be a much better squadron than one that has had all facilities given to it.

Guest speaker for the occasion was F/L W. "Bill" Bain whose topic was "50 Years of Flying in Canada". Flying in Canada, he said, had gone through three stages and was now in its fourth. The first stage was Powered Flight, the second stage the Jet Age, the third stage the Atomic Age and presently Canada is in the Space Age. He said that the Air Force is slowly changing its training program by emphasizing the importance of highly trained technical personnel rather than flying personnel. F/L Bain was thanked for his address by Sgt. Laurie Bush.

The Ladies of the Donna Club were thanked for the delicious supper which was very efficiently served.

The gathering then watched two films, "Perspective - Fighter Wing" which showed the activities of a Canadian Fighter Wing Squadron in Germany, and "Bomarc" which showed the effectiveness of the Bomarc missile.

Portage Mayor In Kenora For Church Meeting

Mayor H. L. Henderson of Portage la Prairie, in his capacity as minister of the Presbyterian Church of that city and representing the synod of his church for Manitoba and Northwestern Ontario was a visitor in Kenora Wednesday.

Meetings were held here with Rev. Marnoch and members of the First Presbyterian Church of Kenora to formulate resolutions concerning this large territory, which will be presented at the meetings of the General Board of Missions of the Presbyterian Church to be held in Toronto next week.

Discussed were many problems dealing with this area which includes Marathon, Geraldton, Fort William, Fort Frances and Kenora or the area from the Manitoba border to the 90th meridian and from the American border to the far north.

Resolutions to be presented in Toronto by this Synod will include the extension of service in this area and the expanding of Indian Missions out of Kenora. At present there are eight preaching points surrounding Kenora, Rev. Henderson said. Also on the agenda is the proposed establishing of a Presbytery at Kenora.

In an interview with Mayor Henderson, he stated that he was very impressed with Kenora, after being taken on a tour of the town. He had high praise for Pinecrest, saying that it was one of the finest residences for senior citizens that he had seen. He also had high praise for the staff of Cecilia Jeffrey School, and the excellent work being done there. This school is part of the Presbyterian Mission in this area.

Rev. J. D. Marnoch, Minister of the Kenora church, and chairman of the Manitoba Northwestern Ontario Synod will also be in Toronto for the general meetings.

Registered Nurses Hear Talks On Varied Subjects

The Kenora Keewatin Graduate Nurses Association held their first meeting for 1959 in the Nurses Residence of the Kenora General Hospital on Tuesday, Feb. 17, 1959. A brief business session opened the meeting with Mrs. J. Fortier in the chair.

Mrs. E. K. Johanson was then called upon to introduce the guest speaker, Mr. W. J. P. Thompson, Director of the Children's Aid Society. A very fascinating film on the Unwanted Child was shown and an active discussion period followed. Mrs. J. A. Robertson very ably thanked the speaker and Mrs. C. Holm who so kindly operated the projector. There were approximately 25 nurses in attendance.

On Tuesday, March 10, 1959 the second meeting of the Association was held in the Kenora General Hospital Nurses Residence, Mrs. J. Fortier, President, brought the meeting to order for a brief business session.

Mrs. R. J. Reynard introduced the speaker Dr. Allan Torrie. A very enlightening talk on Infectious Hepatitis was given followed by an interesting question period. Mrs. H. Wolfe thanked the guest speaker for his most informative address, after which an enjoyable coffee hour was enjoyed by all.

It was announced that there will be other meetings of interest for all graduate nurses in April and May. The annual banquet was tentatively set for Thursday, June 4, 1959.

Kenora Student To Attend Int. Red Cross Study Centre

by Rick Hunt

A Kenora - Keewatin High School student, Marilyn Gunn, has been selected by the Canadian Junior Red Cross to attend the 1959 International Junior Red Cross Study Centre which will be held in Toronto during the summer month of August.

This is quite an honour for the local High School's busy Junior Red Cross, Society. Only fifteen students are selected from outside of Toronto in the province of Ontario to attend this study centre.

The Study Centre is being held to mark the 50th anniversary of the granting of a charter to the Canadian Red Cross Society and to commemorate the 100th anniversary of Henri Dunant's inspiration on the battlefield of Solferino, out of which the Red Cross was born. The Study Centre will take place at the University of Toronto and it has three main objectives:

1. To provide a broader knowledge of the aims and programs of the Red Cross and Junior Red Cross, nationally and internationally.

2. To promote mutual understanding and friendship among the young people of the world.

3. To give stimulation and inspiration to Junior Red Cross members through working, playing, thinking and living co-operatively with others.

Approximately 140 delegates from about 40 countries are expected to attend, as well as 65 Canadian delegates.

Marilyn Gunn is indeed very fortunate to be able to attend such a conference and the High School offers its congratulations.

POLIO DEATHS DECLINE IN '58

OTTAWA — Polio deaths, cut by half in 1957 after introduction of Salk vaccine, also declined last year but at a slower pace, the Commons was informed Monday.

Health Minister Monteith reported that deaths last year have been set provisionally at 19 compared with 26 in 1957 and 51 in 1956.

Although the deaths declined, the number of cases of paralytic polio rose last year to a provisional figure of 229 from 177 in 1957.

Mr. Monteith said in a written reply to questions from W. H. McMillan (L-Welland) that information relating cases, deaths and vaccinations still is being prepared for 1958.

Parts of the Saguenay River, one of the largest tributaries of the St. Lawrence, are more than 1,000 feet deep.

Oldest state document in New England, the English patent of Plymouth Colony, 1621, is preserved at Plymouth, Mass.

SUPREME COURT OPENS HERE TUESDAY MORNING

Magistrate's Court

Magistrate J. V. Fregeau this morning presided over a light docket in Magistrate's Court. Back from Red Lake, where yesterday he heard some 30 cases, he escaped injury in a collision in which his car was badly damaged when struck by a large truck, on the Red Lake road.

In today's court, a Kenora motorist paid $30.00 when convicted of speeding in Keewatin. A Keewatin motorist, convicted of speeding in Kenora, paid a $16.00 fine. There were different circumstances involved.

A 2nd offender of the LCA went to jail for 30 days, while a first offender received a 7 day sentence.

Two Injured In Car Collision

A head-on car collision Thursday night on Highway 17 resulted in two people being injured. Both cars were extensively damaged.

Police report that the accident occurred at 11.25 p.m. near the Tourist Bureau. Drivers of the cars involved, Mrs. Gladys Schroder and Mr. Ivan Robson were taken to hospital by Keewatin ambulance. They were treated for cuts and bruises and later released. An unidentified passenger escaped without injury.

Marilyn Gunn Appointed To Fashion Board

Marilyn V. Gunn, Kenora Keewatin High School, will soon be wearing a specially designed pin honoring her as a newly appointed representative to McCall's Patterns' Teen Fashion Board for the 1958-59 school year. This selection has been announced by McCall's Patterns' Educational Director, Kit Mason. Over 2,000 senior high school students who have demonstrated sewing skill, fashion knowledge and school leadership have qualified for this nomination to the Board by their Home Economics teachers. Eligibility to the nationwide board is limited to one outstanding student from each school.

In addition to her pin, each Teen Fashion Board member will receive a membership certificate, a card, a subscription to McCall's "Today's Teens" Catalog and her favorite McCall's pattern. Her responsibility as a Teen Fashion Board member will be to report on the latest fashion trends among her set, thus acting as an advisor to McCall's Patterns' Design Department. To help her in this capacity, McCall's will send her special advance fashion material from New York throughout the year.

The 1959 Sittings of the Ontario Supreme Court, which opens here on Tuesday, March 17th at 11.00 a.m. before Mr. Justice Thompson, will be marked by the hearing of two charges of murder and a charge of criminal negligence causing death. All will be jury actions.

In addition, non-jury actions include four civil actions and five divorce actions. The four civil actions concern damage claims arising out of a traffic death; claims for property damage resulting from a highway traffic accident; recovery of funds and a claim for fire loss. Unusual in the divorce actions are two appeals for annulement.

Sheriff Dave Bruce said that 113 residents of the district have been called for jury duty. In addition, a large number of witnesses have been summoned to appear.

JURY TRIALS

Thomas Young of Ear Falls has been charged with murder in connection with the death of Ontario Provincial Police Constable Calvin Russell Fulford. Constable Fulford died on Christmas morning in the village of Ear Falls, along with four other people.

Mrs. Laverna Boyd, 26, of Dryden, faces a charge of murder in connection with the death of her husband, Grant Boyd, 28, who died on Boxing Day in their Dryden home.

Leo John Leroux of Kenora will answer a charge of criminal negligence causing death in connection with the death of Joan Hatle of Longbow Lake who died following an automobile accident on the eastern outskirts of Kenora last January 24th.

This year the spring assizes opens almost 10 weeks earlier than usual this is being done in order to more evenly divide the periods of time between the Spring and Fall sittings.

Slippery Streets Cause 2 Accidents

Friday the 13th proved unlucky for some local motorists when they were involved in two separate accidents, both caused by slippery roads.

At 12.30 a.m. a car operated by Eugene Pasnak skidded around the corner at Third Street North and Rupert Road colliding with an Excel Taxi operated by Alex Turcotte. Minor damage resulted to both cars.

One hour later, George Morretin of Dryden was involved in a similar accident. He was unable to stop his vehicle at the corner of Second Street South and Eighth Avenue, causing it to be in collision with a car driven by Kasmir Janicki. Both cars were extensively damaged.

Redditt Assoc. Honors President

The regular monthly meeting of the Redditt Home and School Association was held Monday evening in the Redditt School, with a large crowd attending after business was attended to. The meeting then took the form of the Annual Birthday party in the Irish theme with suitable decoration. The Birthday Cake centred the table flanked by green candles nestled in Shamrocks, Irish games were played and were a source of much fun and laughter. Prizes were awarded to the lucky winners.

Mrs. W. P. Duggan had the honor of cutting the cake while Happy Birthday was sung and refreshments were then served.

During the business session Mrs. K. Joneson resigned as President and Mrs. T. Horne vice president took the chair.

On behalf of the members Mrs. N. Marten presented Mrs. Joneson with a gift of a Rose Bowl. Then Mrs. Horne expressed the regrets of all and extended good wishes to Mrs. Joneson who is leaving at a later date to make her home in Transcona. Mrs. Joneson thanked all her friends and wishing them all success in the future.

are going to enter the Canadian Amateur Hockey Association next year, more on this should be coming from league headquarters very shortly . . . A restaurant owner in Fort Frances asked me the other day where all the Kenora hockey fans are these days . . . It seems they wait all year until the playoffs so the Kenora people can help pay their bills . . . I don't think they can do it, but for effort alone I would like to see Terry Hinds Winnipeg Maroons beat out the Port Arthur Bearcats . . . The North Shore series looks like one of the best in years, Nipigon Flyers who ended up at the bottom of the league, are giving the powerful Marathon Mercuries a run for their money. After last night's five to one win for the Mercuries the series is now tied three all . . . . and thats 30 . . . . .

Overtime Win -- As I Saw It

by Rick Hunt

The Thistles' powerful little missile, Stubby Dubchuk, saved the fifth game of the Thunder Bay Intermediate Hockey playoffs for the Kenora Thistles with his brilliant skating and his three outstanding goals. The Kenora Thistles overcame their terrifying rivals, the Fort Frances Canadians, in the fastest game that was ever played at the Thistle Rink this hockey season.

The Thistles 5 - the Canadians 3.

Now it is over. Now it is done. The art of fiction could have had no better ending for this Cinderella game of games. Overtime victory against the border town bandits. The shades of yesterday for the dazzling and winning Kenora Thistles.

Now the game's report:

The Thistles charged at the opening sound of the whistle in the first period. They crowded around Harry Barefoot's cage and banged away at the puck, doing everything possible except scoring. Westlund shoots, hits the goal post, Morgan backhands, the puck, is turned aside by the sprawling Barefoot, and so on.

Then the Thistle tide is turned back by the versatile Fort Frances forwards. The Canadians press the Thistle net and Jim Johnston scores when he blasts the puck between Reynard's pads. Fort Frances take an impressive 1-0 lead and the 1,500 fans begin to shudder in the Thistle Rink.

Seven minutes later Ray Westlund drops a pass to Brian Leroux, who is standing unguarded just inside the Fort Frances blueline. Leroux slaps at the puck and sends it bouncing past Barefoot to tie the contest. A peculiar play after the Thistles had missed so many close goals on spectacular and well executed drives.

But the Fort Frances Canadians once again found their strength. George Melynchuk grabbed a loose puck from a scramble in front of the Kenora net and poked it by Alie Reynard. The

the Fort defenceman, scored from the blueline on a high, hard driven shot that fooled Reynard. The Thistles couldn't hold the lead long enough . . . or at least it seemed.

With two minutes remaining in the contest's overtime period, Lawrence Kachanoski found a wandering puck in the Fort Frances' corner and he sent it flying out front to a maze of players . . . Dubchuk spotted it first and swung at it like a baseball player and knocked the rubber into the Canadians' net.

The cheers smothered the rink announcer's voice when he announced the Dubchuk from Kachanoski goal. The winning goal.

Coach Joe Bolzan pulled Harry Barefoot for six attackers when the clock had less than a minute showing. The puck was held in the Kenora Domain and a face-off was called in Thistle territory.

The puck was dropped, somebody, flipped it ahead, Matthews raced back for it for Fort Frances, and then, out of nowwhere, Stubby Dubchuk swept by the stunned defenceman, and slapped the puck into the empty Fort net. The clincher was on the ice; therefore, the game was Kenora's.

Prepare for the invasion of Fort Frances Saturday night. The Thistles have opened a door into Fort Frances' tough Fort.

fans were silent again, and only two minutes after Leroux had scored the first Thistle counter.

2nd STANZA

The second period started off slow and then took form into a real duel of speed between the two rivals. They battled back and forth trying to outwit each other. The second stanza produced many thrills for the crowd and was extremely clean with both sides content on trying to score.

With five minutes to go in the "sandwich" period, wild Bill Pochalio flipped a pass to Stubby Dubchuk, who stood in front of the visitor's cage. Dubchuk made no mistake about his first goal of the evening and his shot easily beat Harry Barefoot to the corner of the net. The game was tied 2 - 2.

So it remained until the end of the game. Now the overtime:

Now came the judgement period for the Kenora Thistles. The deadly overtime session that would either add a new lease to the Kenora club's life or put moth balls in the equipment box.

Within the opening minute the Thistles sprung ahead. The lanky Viking, Ray Westlund, backhanded a loose puck past Harry Barefoot to give the Thistles their first lead in the contest.

Forty seconds later, Matthews,

WIN CROWD PLEASER 5-3, IN OVERTIME GAME

by Jack Thomson

Fighting back from near—elimination, the Kenora Thistles defeated the Fort Frances Canadians 5-3 after 10 minutes of overtime Merv Dubchuk was the hero for the red and white with three big goals. Fifteen hundred fans witnessed the 5th game of this best of seven Thunder Bay Semi-Finals series. The Fort Frances Canadians now lead 3 to 2 in games.

The sixth game is to be played in Fort Frances Saturday night at 8.30 p.m. The winner of this series meets the North Shore winner next weekend for the Boyle trophy and the right to advance in the Western Canadian finals.

The game ended with both clubs having two goals, Canadians scoring 2 in the first period. Kenora banged home one in the first and one in the second. The third period was scoreless. Dubchuk led the Thistle marksmen with 3 goals, two scored in the overtime session.

Stubby was again the big leader for the red and white, scoring the tying goal in the second, the winning goal in the overtime on a break away, cleanly beating Barefoot; and the clincher into an open net, Fort Frances having pulled their goaltender for the extra forward. The Fort Frances scoring was handled by Jim Johnston, George Melynchuk and Bill Mathews.

Referees Frank Richards of Kenora and Ted Earley of Dryden dished out twenty six minutes in penalties, twenty minutes going to the winning Thistles.

Harry Barefoot in goal for the Fort Frances Canadians stopped thirty-one shots while Kenora's netminder Allie Reynard blocked twenty-six.

Ken Kehl Heads Kenora Ski Club

The regular Annual meeting of the Kenora Ski Club was held March 12th at the New Club house.

The year's business was discussed and plans made for the coming year.

The following officers were elected:

President - Ken Kehl

Vice Pres. - Frank Symonds

Sec. Treas. - Mrs. Frank Symonds

Publicity - David Orosy

Chief Director of the club - Don Letain

A vote of thanks was extended to Florence Letain for recording the recent ski meet.

A social hour was enjoyed with the ladies of the club serving lunch.

AS I SEE IT

by Jack Thomson

by Jack Thomson

The Fort Frances Canadians certainly missed the services of Mike Pearson who has been their main cog in the play around . . . It's rumored that Pearson will accept the position of Recreation director in Fort Frances . . . . Have you ever thought of the Kenora team with a couple of more strong forwards? . . . Local sports fans should get a big pat on the back for the way they opened their hearts and pocket books to Ron and Ethel Morgan . . . It looks like the Dryden Rockets are in the market for a new coach, it seems that Bert Oig wants to play next year and leave the worrying to someone else . . . . Arnott Whitney, who captained the Port Arthur Bruin Juniors in their heyday, performed also with Hershey in the American League and now the mainstay of the Port Arthur Bearcat defence, will be transfered to Kenora immediately after he is finished the playoffs . . . . It looks like the Warroad Lakers,

LETS TALK CARS
HOW TO HAVE AN ACCIDENT

What's that you say? You tried all summer to smash up your car, but those other clowns on the road kept evading you?

Well, don't despair. You'll have plenty of chance in the months ahead, when everybody else is so busy trying to drive safely.

And why not increase your chances of an accident by following this list of Rules for Bad Driving:

Always make sure, before you start out, that your windshield wipers are either hopelessly worn out or else broken completely.

If the defrost keeps clearing your windshield, turn it off. (You may also find it helpful to cover the windshield with safety stickers.

On ice or snow, speed up at every opportunity and jam on the brakes. This will give you the thrill of a lifetime. In fact it may be the last thrill of your lifetime.

Always "tail-gate" the car ahead. If you leave a gap, you may be mistaken for one of those despicable safe drivers.

If you own a set of chains, hang them in the garage. They make attractive ornaments.

Never, under any circumstances, buy snow tires. The urge to put them on the car may be more than you can resist.

If you're still all in one piece after several weeks of this kind of driving, there's only one thing left to do. Find somebody whose car is stalled on the road. Pull up right behind him and lean on your horn. If that doesn't land you in the hospital, nothing will.

Happy accidents!

How would you like to own a real luxury car at only a fraction of what it costs new? Come around and see the 1957 METEOR STATION WAGON, which we're featuring on our lot this week for only $2,185.00.

Kitchen Classics

The gourmet touch in the following recipe from the Fisheries Council of Canada is the combination of tuna and walnuts in crisp croquettes, deftly seasoned . . . they've a subtle hint of lemon rind and thyme. The crowning glory for these unusually crunchy Tuna-Walnut Croquettes is Sherried Walnut Sauce, another inspired culinary twist.

TUNA-WALNUT CROQUETTES

2 7-oz. cans tuna
2 cups ground or finely chopped walnuts
½ teaspoon thyme
1 teaspoon grated onion
1 teaspoon grated lemon rind
⅛ teaspoon salt
2 tablespoons butter or margarine
¼ cup flour
1 cup light cream
2 eggs separated

Flake tuna very fine. Add 1 cup of the ground nuts, thyme, grated onion, lemon rind and salt. Blend well. In a small saucepan, heat butter. Blend in flour, then cream.

Cook, stirring, over low heat until mixture boils and is very thick. Remove from heat. Beat in egg yolks. Pour sauce into tuna mixture. Blend well. Chill for at least 2 hours or overnight. Heat enough fat to cover the bottom of a deep skillet to a depth of 2 inches. Shape tuna mixture into 8 cones or balls. Beat egg whites until frothy. Dip croquettes in remaining ground nuts When fat has reached 390 deg. F on deep-fat thermometer or is hot enough to brown a cube of bread in 20 seconds, fry croquettes to a golden brown. (Takes about 2 minutes). Makes 8 croquettes. Serve with Sherried Walnut Sauce.

SHERRIED WALNUT SAUCE

2 tablespoons flour
3 tablespoons flour
½ cup finely chopped walnuts
⅛ teaspoon salt
1-½ cups light cream
½ teaspoon grated lemon rind
¼ cup dry sherry *

Heat butter in a saucepan. Add flour, nuts and salt. Stir until well blended. Gradually stir in cream, cook stirring, until sauce is smooth and thickened. Add lemon rind and sherry. Makes about 2-¼ cups sauce.

* 2 tablespoons lemon juice and 2 tablespoons water may be substituted.

REVISION OF TELEGRAPH RATES IN CANADA

Canadian National Telegraphs and Canadian Pacific Communications have applied to the Board of Transport Commissioners for Canada for authority to increase telegraph rates within Canada by 10¢ per ten-word full-rate message, with increases of 1¢ per extra word and proportionate increases for day-letters and night-letters. These revised rates are made necessary by increased wages and other expenses.

The Board of Transport Commissioners has directed that a scale of the proposed rates be made available for public inspection at all Canadian National and Canadian Pacific Telegraph offices. These scales are now available for perusal. The Board has set Tuesday, April 21, 1959 as the date for the formal hearing of the application of the Telegraph Companies and has directed that the public be notified by means of this advertisement that representations in respect of the new rates shall be forwarded to the Secretary of the Board of Transport Commissioners for Canada, Ottawa, Ontario not later than Monday, April 13, 1959.

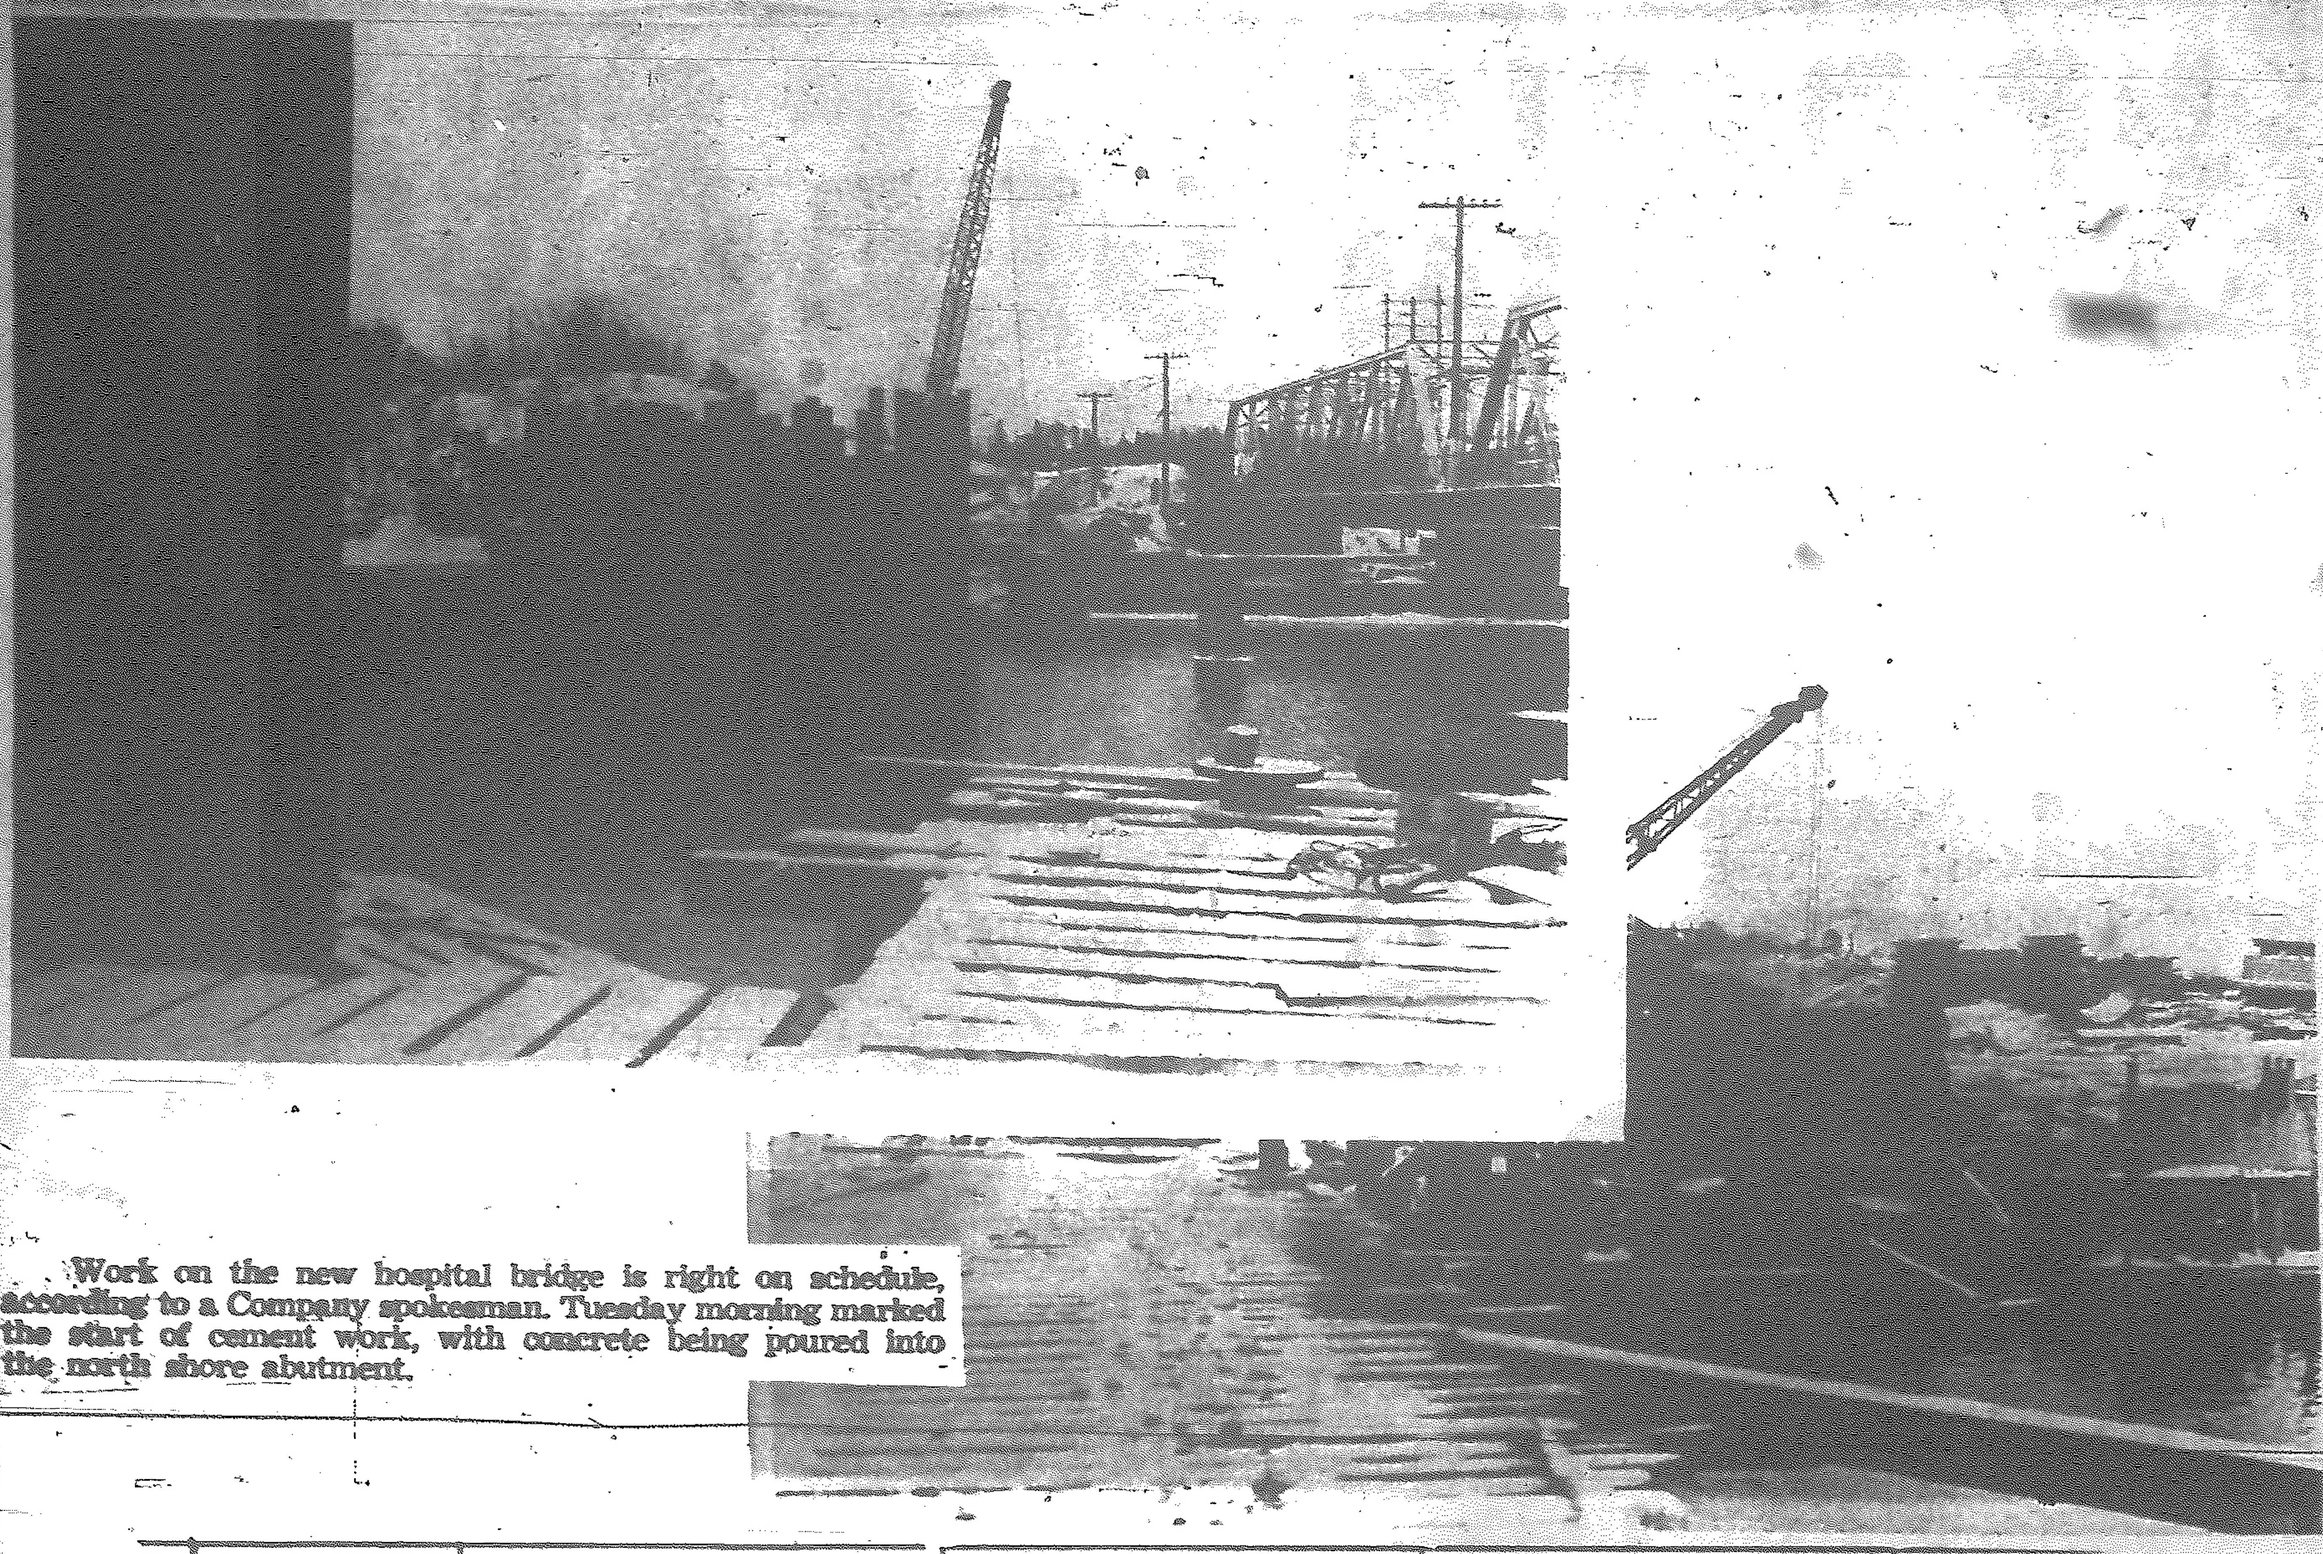
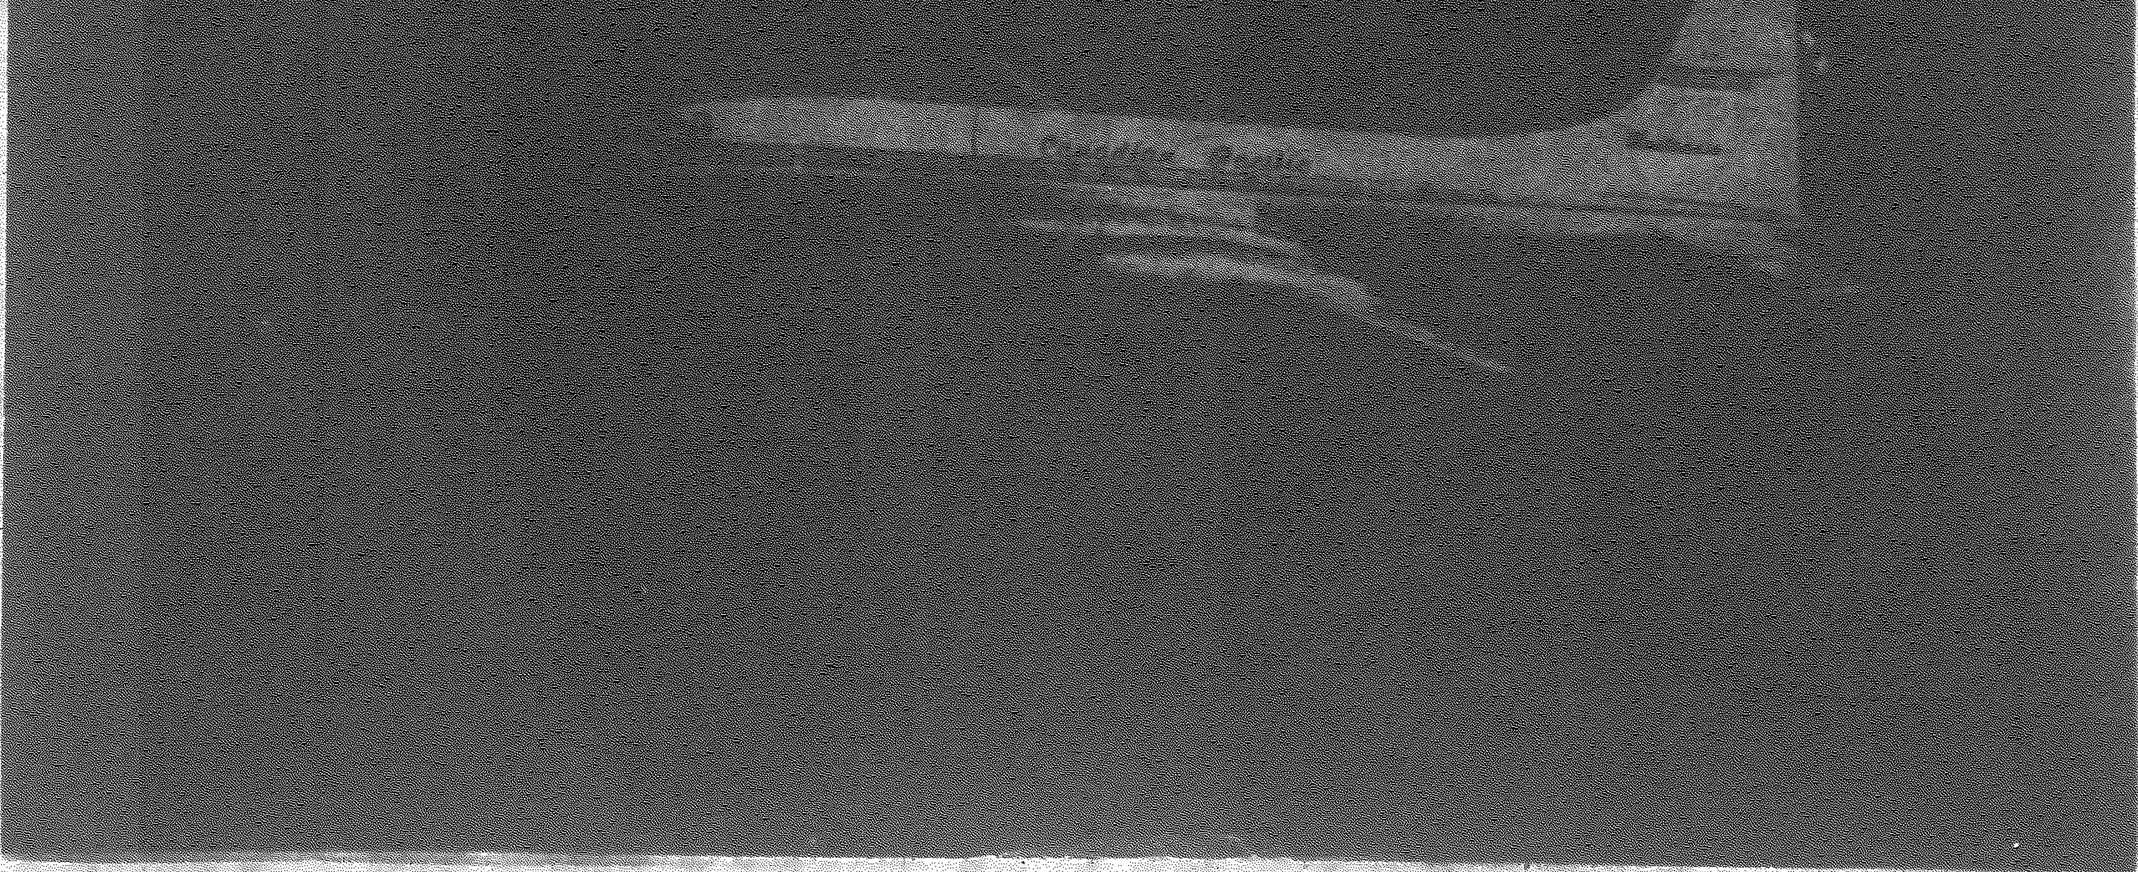
WHERE CARS ARE ALWAYS SOLD FOR LESS



Work on the new hospital bridge is right on schedule, according to a Company spokesman. Tuesday morning marked the start of cement work, with concrete being poured into the north shore abutment.



A holiday in Hawaii probably hasn t entered the heads of lucky people who will make the trip there this summer, free of cost. But it's definitely in the cards for some fortunate folk. Sponsored jointly by this paper, Station CJRL and a group of local merchants, the plan proposes to stress the "Buy at Home" theme.

Sponsoring merchants will give to customers, spending a dollar or more, an empty form, commencing Monday, next. In 25 words or less, entrants are being asked to complete a slogan which starts, "I Buy Locally Because . . . . ". A list of participating stores and business firms will appear in Saturday's issue.

Above is pictured the Canadian Pacific Airlines big new "Britannia" aircraft which will fly the winners from Winnipeg to Honolulu.

NUDE CHERUBS ARE DRAPED WITH PLASTER

VATICAN CITY — The plump naked cherubs of St. Peter's Basilica are being clothed with plaster.

The figurines twined naked on supports of the basilica until some visitors objected.

Workmen with the artistic touch today began covering the cherubs' loins with plaster swirled to look like drapery.

The order for the covering evidently came from Pope John, Vatican sources said.

New Police Chief Named at Virginia

Miss Carol Rotnem Honored At Shower

A miscellaneous shower was held on Wednesday evening at the home of Mrs. M. Hanstead in honour of Miss Carol Rotnem, a bride-elect of Saturday March 14th.

The bride, taken by surprise was escorted to a beautifully decorated chair by Heather Lind. Corsage's were pinned on the honored guest by Heather Lind, on the bride's mother, Mrs. R. Rotnem, by Madeline Hartley and the groom-elects' mother, Mrs. Forsythe, by Gail Wallin.

The numerous lovely gifts were presented to the bride by Linda Hemminger, who also was presented with a Corsage and by Phillip Hanstead who received a boutonneire.

The evening was spent in playing various games, after which a lovely lunch was served to the 36 guests.

Those assisting and serving were Roberta Edgley, Carol Carlson, Madeline Hartley, Heather Lind, Gail Wallin, Hazel Lind, Donna Lee Hanstead, Dianne Murphy, Kay Barnard, Dianne Walker and Pat Brooker.

SAYS RUSSIAN EDUCATION IS CHALLENGE

Toronto—An Ontario College of Education official said Monday night that an all-out effort for the next 20 years is needed in Ontario to meet the challenge of Russian education.

Dr. R. W. B. Jackson, director of educational research told the men's club of Timothy Eaton Memorial Church that during 1946 and 1958, elementary and secondary school enrolment had nearly doubled. School taxes during the 12-year period had increased to $190,000,000 from $37,000,000.

Russia had overtaken Canada in science and technology in one generation and may have just begun to reap the benefits of its long-range plans in education.

Dr. Jackson said:

—"Without the fullest use of all our best brains to unlock and use our storehouse of natural physical resources we will surely lose the race for scientific and technological supremacy."

He said a study of student resources now being made at the Ontario College of Education indicated that four out of five of the ablest students left school before completing an education commensurate with their abilities.
