KENORA GIRLS TAKE PART IN G. A. FESTIVAL AT SIOUX LOOKOUT

The Sioux Lookout Anglican Indian Residential School at Pelican Lake welcomed twenty-three G. A. girls and their leaders from Kenora, Keewatin and Sioux Lookout on Saturday, April 4th, to attend the third Diocesan G. A. Festival. The eleven G. A. members of the Residential School Branch and their leader ,Miss E. McGraw were hostesses to the visiting girls.

Entries in the Festival were representative of eight groups of Girls' Auxiliaries in the Diocese. These included entries from Split Lake, Norway House, Atikokan, and Lac Seul girls, whose attendance was prevented by reason of distance.

A high quality of workmanship was evident in many of the entries and the adjudicators gave high marks to the Split Lake G.A. for their beautiful embroidery and to Keewatin G. A. for their painted article. Mrs. D. Cooke expressed her delight in the foam-rubber dressed doll by St. Mary's G.A., Sioux Lookout, and in the beadwork done by the Residential School girls. The paper craft entry by the Residential School girls showing four avenues of social service work in the Church was most interestingly executed. Felt aprons made by the Atikokan G.A. received second highest points.

Mrs. F. J. Mitchell and Miss Mia Johnson gave first place among the five crib quilts to the Residential School G. A. and the second award to the Keewatin G. A. Bible and Prayer Book Markers beautifully made by the girls from the Residential School, Split Lake, Kenora, and Sioux Lookout, were designated to be given to mission churches.

In the competition on the reading of a portion of the fifteenth chapter of the Gospel of St. Luke, awards were received by Cheryl Hayes of St. Alban's G. A. (first); Anne McPherson of St. James G. A. (second); Rebecca Thunder of the Residential School (third); and Darlene Walsh of St. Mary's G. A. (fourth). Mrs. Wilcox in adjudicating the reading paid tribute to the winner of third place who had been reading in English for only two years. Also adjudicated by Mrs. Wilcox was Story Telling. Gloria Watts, representing St. Alban's G. A., won first place for her story of "Mr. McKie Wins". Catherine Ford of St. James G. A. told a story entitled "The Youth Worker".

Mrs. Gosbee adjudicated the plays, folk dancing and puppets. The short plays on Social work in the Church were presented by three G. A. groups - Keewatin, Kenora and the Residential School. A Swiss Folk Dance and "The Mexican Hat Dance" were enjoyed by both the girls and the adjudicators, the higher mark being received by St. Alban's G. A. The highlight of the evening session was the presentation of a Puppet Play "Joseph and the Conspiracy" by the Residential School group. The puppets were made by the girls under the direction of their leader, Miss Eunice McGraw.

An interesting display of handwork not received in time for adjudication were tiny cradles, felt mocassins, and painted vases made by the Lac Seul G. A., and aprons and foam corsages from St. Mark's G. A. at Norway House.

On arrival at Sioux Lookout on Saturday, lunch was served to the girls by St. Mary's W. A. in the new quarters of the new Church. The visiting girls were conducted throughout the new building of St. Mary's Church by the Rector, the Rev. R. S. Boyd.

During the afternoon the girls were conducted by the staff members on a tour of the Residential School. Miss Myrna Ames and Miss Mildred Thorpe (G. A. Ring of Honour girls) were in charge of the registration, and Miss Marolyn Burchall was pianist for the Keewatin group. The opening Worship Service of the Festival was led by the girls of the Residential School, and the address was given by Miss M. Etter, Diocesan G. A. Secretary.

At the close of Saturday evening the Rev. R. S. Boyd presented the Paterson Shield to the Residential School G. A. who won the highest number of points during the Festival. St. Alban's G. A. followed closely and were presented the Diocese of Saskatoon J. A. Banner by Mrs. J.

Happy Birthday, Bill Watkinson

Mr. Bill Watkinson, well known citizen is today receiving heartiest congratulations from young and old alike, on the occasion of his 70th birthday.

Bill will never really be old, one who is "young" in spirit as he is, proves the modern cliche "you are only as old as you feel." His untiring efforts on behalf of Kenora's youngsters in all manner of sports, baseball, rugby and hockey in particular, has resulted in hundreds of boys learning not only to play sports but to be good sports, lessons that will stand them in good stead all their lives. His active interest in other community affairs has contributed much to the success of many organizations.

Mr. Watkinson does none of these things for rewards or praise, but out of the goodness of his heart to help others along the road of life.

Young and old alike salute Mr. Watkinson on his 70th birthday and wish him many more years of health and happiness. Happy 70th Birthday, Bill Watkinson!

Liberals Will Name Candidate At Dryden Today

Many Kenora Liberals left this morning for Dryden to attend the nominating convention of the Party, which will name a candidate for the next Provincial election. The convention will open at 2.00 p.m. and will likely name the candidate by late afternoon.

Albert Wren, M.P.P. arrived in Dryden this morning and will report to delegates on the Party's recent provincial convention, at which Liberal policies were enunciated.

Speculation in Dryden yesterday indicated that Mr. Wren will receive the nomination today with little, or no opposition.

Radio Station CJRL will carry a report on the convention on the 6.45 p.m. news.

Lions Clubs To Collect Obsolete Eye Glasses

The Kenora Lions Club will join with Lions Clubs across the country in a plan involving the collection of used and obsolete eye glasses to be distributed through proper channels for subsequent classification and re-shipment to India.

Collection boxes will be placed in most down town stores where citizens may deposit eye glasses they no longer need. The local club is very confident that a great number of eye glasses will be donated by local citizens anxious to help others not so fortunate as they are.

The program involves the collection of used eyeglasses, which eventually will be worn by the people of India, in need of an aid to their sight, but unable to afford to purchase them. Used, but discarded, glasses can bring help where it is most needed and at the same time help to promote international goodwill. Lions Clubs throughout the world are dedicated to sight conservation.

The Lions Club of Bombay, to whom shipments of glasses will be consigned, have all the necessary equipment to classify the lenses and frames. They have been doing this for some time with the meagre supply of glasses which they have been able to collect. There are thousands of Indians afflicted with eye trouble, as the percentage of the population with this problem is much greater than in the Western World. Granted, glasses supplied may not be 100% correct, but it has been proven that a pair of used glasses "close" to the required correction, gives new hope to the recipient.

Knox Women's Federation Hold Successful Dinner

The Women's Federation of Knox United Church held a very successful dinner at the Church Thursday evening. Approximately 150 ladies enjoyed the buffet style meal served at 6.30 p.m.

Miss Betty Docker, a former Kenora resident, who has been a missionary in India for the past 5 years was introduced to the gathering by Mrs. Fred Greenslade, the president of the Women's Federation. Miss Docker made Kenora her home with her parents Mr. and Mrs. W. Docker some few years ago and was a former girl guide and member of the Young Peoples group. She showed a half hour of slides depiciting conditions in the area in India in which she carried on her work. The difficulties of her task in spreading Christian teaching was made evident by the slides and her interesting commentary. Miss Docker who has already spent one month of her three month furlough has been a guest this past week at the home of Mr. and Mrs. W. H. Essery. She left on the night train Thursday evening for Toronto where she will contact her Church, thence going to Paris Ontario to be

1st 'Magic Number' Bill Returned By Redditt Road Man

The first "Travelling Dollar", released by Radio Station CJRL on Wednesday, has been returned. Frank Kwaitkowski of Redditt Road recognized the lucky one dollar bill less than an hour before it would have been worth five dollars less than it was when he presented it to the Radio Station office at 4.13 p.m. yesterday.

Where had the one dollar been since it was released through Johnson's Pharmacy, Main St? Frank couldn't tell us. He did say that he thought the search for 'magic number' bills was interesting, and that he was enjoying the Buy Locally campaign. He is a real Kenora booster. As he hurried home, he explained that he had to be at work at 5.00 p.m. or would have been happy to tell more about his own lucky purchase.

Today the 4th Travelling Dollar is at work. Released this morning, it bears the number:

FL 5830666

It will be worth a $5.00 credit note to the holder if presented to the Radio Station before 5.00 p.m. Tuesday, April 14th.

Two other bills remain unclaimed. Released Thursday was a bill bearing the number,

LA 1058430,

good until 5.00 p.m. today and Friday's bill bearing the serial number,

HL 8641602,

good until 5.00 p.m. Monday.

Here's a quickie dessert for the cook who is short on time - long on ambition. Prepare 1 package date muffin mix as directed on package, adding ½ cup nuts. Spread in greased shallow pan about 7 by 11 inches. Peel and slice 3 tart apples, arrange in rows on batter. Cover with crumbs made of ½ cup brown sugar, ¼ cup flour, 2 teaspoons cinnamon and 3 tablespoons melted butter. Bake at 375 deg. F. for 25 to 30 minutes. Serve warm, with cream.

Apple snow cake is delicious, but that wonderfully good topping that makes such good eating should be served within an hour or two after making. Keep it in mind for next club meeting day at your home - the ladies won't leave you any worries about leftovers.

½ cup butter or shortening
1 cup granulated sugar
1 whole egg and 1 egg yolk

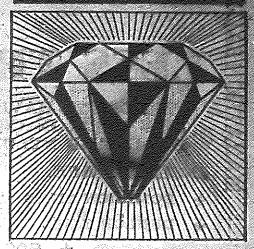
It's a FACT



The diamond, the most precious of all gems, is also the simplest, for it is composed of only one element—pure carbon. Diamonds are so valuable because of their hardness and their reflection of light, in addition to their beauty. Eighty per cent of all diamond production is used by industry.

Blessed rest that follows pain,
We who loved her, sadly miss her.
And trust in God to meet again.

Lovingly remembered and sadly missed by her husband Robert, daughters and son.

IN MEMORIAM

In loving memory of our dear daughter and sister, Deanna Marie Wickham, who passed away April 11, 1955.

Some day we hope to meet you
Some day, we know not when
We shall meet in a better land
And never part again.

Lovingly remembered by Mommy, Daddy, Bill, Scott, Donald, Gloria and Bernice.

Today, Mr. and Mrs. Bill Cameron, owners of the only tourist camp on Stork Lake, advised that they have not sold their camp. We are happy to publish this correction.

Lakeside Comm. Club Windup Successful Season

A most successful conclusion to the winter activities of the Lakeside Community Club took place last Friday evening as a large and enthusiastic crowd attended the Club's Annual Spring Dance in the Kenora Legion Auditorium and skipped the light fantastic to the music of Doug Reeve's Orchestra.

During the evening festivities, the draw for the Hudson Bay Blankets was made and the winning ticket was held by Mr. Jim Moreland, 621-1st Avenue South.

The ladies of the Social Committee in general and Mrs. Cathy Foster in particular, are to be congratulated for organizing such a successful evening. The men come in for their share because of the way they pitched in to help the "Gals". This includes the work over the past months as everyone worked to keep alive enthusiasm among Lakeside residents for such activities as Sunday evening Adult skating and the winter carnival. Others who, while not on any Committee, came forward to offer help and money to the Club. The fellows who kept the ice surface in such excellent condition worked a good many hours to give the Lakeside Community Club the best in town.

The children in general were well behaved and seemed to appreciate the efforts of their grown-up members in providing a place to skate and play hockey. Harry Foster, Rink Supervisor, rules with a firm but genial hand and enjoys his job of baby-sitting practically the whole of Lakeside during the winter. As always, the Press and Radio contributed greatly in donating time and space.

The feeling in Lakeside is that if all Community Clubs in Kenora enjoyed as successful a season as did the club South of the Creek then not too many people went short of the chance to enjoy themselves over the past winter months.

TOO CLOSE FOR COMFORT

Milford Haven, Wales—A ship started a mercy dash to an isolated lighthouse Thursday to take off one of the two keepers. They can't get along together. One of them sent a message Wednesday night asking that the other be taken ashore. Cause of the quarrel wasn't disclosed.

FAN, BOOK RE-UNITED

Miami, Fla.—An 11-year-old New York Yankee fan and his scrapbook filled with pictures of baseball heroes were reunited today.

The book was taken from a parked car by a boy who later returned it with a letter signed "a very sorry 10-year-old, James."

It was claimed at the Miami Herald sports department by Mel Szatmary, more or less adopted by the Yankees three years ago when he lost his right eye.

Mel grinned and said "thanks" when he regained the book, filled with pictures of Mickey Mantle, Gil MacDougald, Yogi Berra, Phil Rizzuto and Whitey Ford.

Mel said he was ready to forgive the boy who took it.

A playmate accidentally threw a dart that struck Mel in the eye several years ago. Doctors operated but they could not save it.

LET'S TALK CARS

HOW LONG WILL YOUR CAR LIVE?

Automotive engineers tell us that the motor in your car has a life expectancy of FIVE TIMES that of the engine of 30 years ago. Because modern engines don't have to work so hard, they last longer.

To get that extra life and extra mileage, your motor and for that matter your whole car has to be looked after . . . and to get the most satisfaction you should have your car serviced at regular intervals.

Take air filters for example. Engineers have developed the air cleaner to remove dirt and road grit from the air before it gets inside your engine. After 5000 miles or so, the average air filter is so full of dust and grit that it will no longer do its job properly . . . you should have it cleaned to prevent excessive cylinder wear.

Regular care of your car will pay off in two ways. First, you get top performance all the time you have the car . . . that means safer, trouble free driving. Secondly, when you decide to trade, you get a better deal with a car that shows signs of good care.

Best way of all to be sure of good care for your car is to bring it in regularly to DINGWALL MOTORS. Our factory trained mechanics and service men will keep your car purring like a contented kitten.

There are at least 250,000 species of beetles, ranging from one-quarter inch to more than 6 inches in length. Some use lights to attract their mates (fireflies); some feed on flesh or fish (water beetles, which attack tadpoles and minnows); some defend themselves by discharging poison gas (the bombardier), and one, the skipjack, amuses itself by leaping into the air and falling onto its back with an appropriate "snap"!

A Message For Our Day

THE KENORA MINISTERIAL ASSOC.

A THOUGHT FOR THE DAY

Paul speaks often of walking in the Spirit or of having the Spirit of Christ. But we may ask ourselves. "What is the Spirit of Christ?" By calling Him Lord, we desire to follow Him and belong to Him. Then this Spirit of Christ is most important. We face problems to-day, everyday. The thing to remember is that Jesus too. had to meet the same issues of life as we do. He was flesh and lived in the flesh, but His flesh was dominated by the Spirit.

The first big issue of life that we have to meet is our relationship with God. What did Jesus do in this regard? He made God His Father. That sounds easy, in fact we say that we have done that; we believe that God is our Father. But do we?

The Jews said that because this Jesus has made Himself the Son of God, He must die. This was the result of His decision - the Cross. He did it because He had a reason - He did it all for the cause of the Kingdom of God.

That is what we are called upon to do - to seek first His Kingdom. This Spirit of Christ in doing this eventually brought Him to a Cross. The Cross then remains for us not only a symbol of God's love for man but also a way of life.

In Palestine there stands a mosque which originally had been a Crusader church. The Moslems had it converted, but through the filtered light and dust, one can still see the cross which the Moslems had tried to remove from the wall. The Cross, the great symbol of Christianity was not gone. From earliest times until to-day we find the cross as a symbol in our churches and on their steeples. The world has tried to blot it out, but Christianity is still with us. The world has attempted to put this story of Jesus as naught, but men and women are still following Him. The world would lead in various ways but the symbol of the Cross remains, reminding us that those who would be sons of God, must tread the same path that He trod.

Rev. A. E Dunn,
Keewatin United Church.

At Pinecrest

Pinecrest Lodge had a Western picture last week, with all the attendant blood - curdling drama which is often the main feature of these pictures.

Last Thursday's film was substituted by the company and was not chosen by the Film Council. We wish to assure those residents who found it too exciting, that we do not intend to make this type of feature picture a regular occurrence. We have excellent Documentary, travel and wildlife films at our disposal and the majority of films are from these sources.

The Kenora Film Council sponsors films every Thursday evening for the residents. Projectionists are Mr. Elmer Stone, and in the absence of Mr. Stone, Mr. T. J. Thomas. Other projectionists who have helped are Mr. Bert Carson, Mr. Wm. Kidd and Mrs. C. Holm. We are also indebted to the Kenora Lions Club who have made it possible for us to send for films which otherwise would have been too expensive for our own limited finances.

Mercury films courtesy of Williams Hardware and wildlife films from Dept. of Lands and Forests also supplement a growing demand for this type of film.

To date, five features have been shown. These included, "The Maggie", "The Kidnappers", "Bear Country", "Doctor in the House", and "Drumbeat". The Local Drive-in-Theatre sponsored one of our feature films and a local citizen who wishes to remain annonymous has contributed the equivalent to two of these features.

There's a difference, though. You're wide-awake to the future — a future for your family as bright and sure as you can make it. That's why you should arrange now for a low-cost Mutual Life of Canada Family Income Policy. If anything takes you out of the picture, your family is guaranteed a substantial monthly income until the time you would have reached age 65. In addition at that time, your wife or heirs will receive the full face value of the policy. On the other hand, if you live to age 65, you may receive a monthly retirement income or a substantial cash sum. The Family Income Policy is a wide-awake investment you'll like — talk it over with a Mutual Life of Canada man soon.

DEVOTION MISPLACED

MEMPHIS, Tenn. — I love you, I love you, I love you. . .

That's what Harold L. Lemar was saying to pretty policewoman Rita Thompson when she interrupted with, "You're under arrest."

Their one-sided romance was aired in city court, where Lemar glumly argued against a charge of disorderly conduct.

Mrs. Thompson told the court that Lemar simply wouldn't take no for an answer.

"He persists in visiting my home, calling me on the phone and approaching me on the street while I'm on duty," she said. "I'm tired of it."

"I guess I will just have to stifle my emotions and forget her," sighed Lemar.

Judge Beverly Bousche dismissed the charge.

STUDENTS IN ALL-OUT SQUEEZE SPREE

SAN FRANCISCO — San Francisco State College students, hoping to put an end to such shenanigans, went on a 100-hour togetherness binge Tuesday. The results:

Eighteen students piled into a two - wheel motor scooter; 29 oozed into a bathtub; 68 girls drank from the same milkshake container at the same time—with straws.

Oh yes — the telephone booth. A bunch tangled themselves inside but nobody bothered to count them.

The vicar of a village church preached a sermon so moving that with the exception of one man, the whole congregation was moved to tears.

After the service the vicar approached the irresponsive one and, out of curiosity, asked him why he did not weep with the rest.

"Well," said the man, "you see I don't belong to this parish."

McLEOD—CLARK

St. James Anglican Church in Neepawa, Manitoba was the scene of a pretty wedding Saturday April 4th, at 5 p.m. Amid a setting of daffodils and fern, Ruby Ellena, elder daughter of Mr. and Mrs. C. Clark of Arden, Manitoba was united in marriage to Mr. Alan Alexander McLeod, younger son of Mrs. J. McLeod and the late Mr. J. McLeod of Keewatin, Ontario.

Rev. D. W. Roberts performed the double ring ceremony. The organist Miss Margorie Glanhalgh prefaced the ceremony with fitting music. Preceding the ceremony Mrs. Lawrence Williams sang "The Lord's Prayer' and "O Perfect Love" during the signing of the register.

The bride given in marriage by her father looked lovely in a white taffeta floor length gown. The moulded bodice featured a bateau neckline outlined in scallops of lace and the lily point sleeves extended over the wrists. The bouffant skirt with bustle back was enhanced with tiers of lace and net. Lace covered buttons extended down the back from the bodice to the skirt.

Her finger tip veil of silk illusion was held in place by a coronet of pearls and sequins. Her bridal bouquet was a dainty arrangement of red sweetheart roses.

Mrs. Irvin Brown sister of the bride was matron of honor, Miss Mary Mathews and Miss Donna Williams cousins of the bride were bridesmaids. They wore identical cocktail length gowns of yellow crystal charm. Their headdresses were tiarras of pleated crystal charm in matching tones of yellow.

They carried nosegays of yellow mums interspersed with tiny green velvet bows.

Mr. D. McLeod of Keewatin brother of the groom acted as best man and ushers were Mr. T. Sigurdson of Keewatin and Mr. C. Eames of Kenora.

The bride's mother wore an afternoon frock of grey printed silk. She wore pink accessories and a corsage of pink carnations.

The mother of the groom chose a blue printed silk afternoon frock with blue accessories and a corsage of pink carnations.

A reception followed at the I.O.O.F. Hall at Arden, Manitoba.

The toast to the bride was proposed by Mr. Stan Williams uncle of the bride.

For travelling the bride chose a blue linen dress with matching bolero, navy blue accessories, and a corsage of pink carnations.

The happy couple left on a honeymoon to Minneapolis, Minnesota and other points in the U.S.A. Upon their return they will reside in Keewatin.

Mr. and Mrs. F. L. Campbell announce the marriage of their daughter, Carol Dianne to Mr. Michael Leroux, son of Mr. and Mrs. Tennis Leroux. The ceremony took place Friday, April 10th, at the United Church with Rev. R. J. Leighton officiating.

Hyslop, Diocesan W. A. President. St. James G. A. of Keewatin received the third place Banner, made and donated by the Indian W. A. of St. Paul's Mission, Churchill. This was the first presentation of the Banner. The presentations were made in the Chapel of the School and the girls were privileged to join in the Family Prayer Service which is usually held each evening, a regular part of Residential School life.

The Service of Morning Prayer on Sunday was said by Mr. Ormond in the absence of the Principal, Mr. E. Barrington.

Leaders of the G. A. groups in attendance were Miss Eunice McGraw, Mrs. J. Radford, Mrs. L. M. Watts, Miss M. Etter and Mrs. G. C. Daley, who travelled by bombadier from Lac Seul for the occasion.

Members of the staff and the girls and boys of the School were present at the evening session and the presentations. Later all enjoyed the film "Ivanhoe" on Saturday evening.

with her parents. Before leaving for India she will take some time to show slides and talks on her work at home in Canada.

Dr. Howard King showed slides with commentary on the General Hospital which was of great interest to all present. "I'm not soliciting funds," he said, "but showing you what we have and what we think we should have at the hospital." Slides were shown of Pinecrest and the new Dryden General Hospital which brought the need more vividly to those present. The architects' plans for the new structure at a cost of $1,200,000, half of which will be in government grants were shown. Plans for a parking area, greatly needed were discussed by the speaker.

Mrs. Greenslade thanked the guest speakers and those who had helped in any way to make the evening a success. Special thanks was extended to Mrs. H. Bird and to Mrs. C. D. Robertson, second vice president of the Women's Federation. Nine ladies residents at Pinecrest attended the dinner which has been held for the second time with great success by the Women's Federation.

Ballet Principals In Radio Interview

Rave reviews were given "The Wizard of Oz," danced by the pupils of Nenad Lhotka as part of the Children's Festival of Arts in Winnipeg last weekend. This enthusiasm on the part of the critic's for Mr. Lhotka's work has heightened the anticipation felt here in Kenora for the ballet program which the famous instructor and choreographer will present here under the auspices of the Kenora Little Theatre. The production will be given on Tuesday and Wednesday evenings, April 21 and 22 at the High School auditorium.

Mr. Lhotka and his wife, herself a ballerina of note, will stage a half hour's performance with some of his top students. He plans to come to Kenora during the weekend and during his visit he will talk about his work and his plans for the program in a radio interview with CJRL announcer, Michael Williams.

Work is progressing on the two one-act plays scheduled for the same evening. The horror drenched thriller "The Monkey's Paw", will be counter-balanced by the droll doings in the comedy, "The Dear Departed."

Two new members have been added to the cast of "The Monkey's Paw." Charles Cowlard, the capable director, will take the part of Herbert, Mr. and Mrs. White's gay, fun loving son.

Bruce Stewart will take the solemn role of Mr. Sampson in the play, and his dignified, frock-coated top hat attire will match his solemn mein. Mr. Stewart was president of the Kenora Little Theatre during the year 1957-58, and before coming to Kenora worked with the Goderich, Ont. drama group. He has acted in two Festival winners here, "The Man in the Bowler Hat," a three act drama play, and also "The Flitch of Bacon." He took a part in "Life with Father" which was an entry in the Dominion Drama Festival at Winnipeg, and played in another three act presentation here, "Dear Ruth." Radio plays have been a keen interest to Mr. Stewart and he has appeared a number of times on the air.
