Mrs. A. Christianson Died Suddenly

Elin Sofia Christianson, beloved wife of Alfred Christianson, North Government Road, Keewatin, died suddenly Thursday evening, April 16th at St. Joseph's Hospital. Born in Pitea Land, Sweden, January 2, 1906, she was in her 54th year.

She came to this district as an infant in 1906 and resided in Pellatt Township. She was married to Alfred Christianson at Dagero, Manitoba in 1923.

In addition to her husband, she is survived by three sons, Arthur of Keewatin, Harold of Calgary and Kenneth with the American Air Force in Hawaii; four daughters, Mrs. Anna Olfert, San Mateo, Calif., Mrs. Eleanor Engwall of Lake Spadina, Alaska, Mrs. Alice Harder of Kenora, Jean at home; one brother, John Lundstrom of Elgin, Ill.; three sisters, Mrs. Ida Erickson of Chicago, Mrs. Anna Linderholm of Winnipeg, Mrs. Julia Anderson, Lemon Grove, Calif. Seven grandchildren also survive.

Funeral services will be held in the Chapel of the Brown Funeral Home on Monday afternoon, April 20th at 3.15 o'clock. Rev. Vernon Olson will officiate and interment will be in the Lake of the Woods Cemetery.

Canadian Daughters Install Officers

The Canadian Daughters League held their regular monthly meeting on April 8th in the I.O.O.F. hall. Preceeding the meeting a supper was held in the Kenwood Hotel with four visitors. Mrs. Rutherford, Provincial President Smith, Mrs. Mills and Mrs. Curtis, all from Winnipeg, present. The meeting opened with the saluting of the flag, O Canada and the Creed.

The installation ceremony was held with Prov. Pres. Smith acting as Installing Officer, Mrs. Rutherford as Installing Marshall and Mrs. Curtis as Inside Guard. Mrs. Mills was pianist.

Officers installed were:
President: Helen Krisko.
1st Vice-Pres.: Laura Manson.
2nd Vice-Pres.: Viola Jackson.
Chaplain: Virginia Widen.
Financial Sec.: Betty Comber.
Recording Sec.: Lillian Patterson.
Corresponding Sec.: Mary Campbell.
Inside Guard: Marie Garrow.
Outside Guard: E. Ortlieb.
Sergeant at Arms: Vivian Kurtz.
Assistant Sergeant at Arms: Joyce Kosloski.
Historian: Florence Carlson.
Press Correspondent: Florence Tew.

The business was conducted in the usual way, donations of ($5) five dollars being made to the Red Cross and Pinecrest Home. The delegate to the Provincial convention in Winnipeg April 14th and 15th, Mary Campbell was given her expenses. The meeting closed with the Mispah Benediction, followed by the Queen. A lovely lunch was then enjoyed by all.

M & N Adds New Plastic Binding Machine To Plant

The busy commercial printing department of the Miner and News promises to be even busier in future, with the recent addition of a new piece of machinery in the bindery section of the plant. This handy little addition makes it possible for the Miner and News to use plastic binding on books, folders, promotion pieces, etc. The first job to go through the shop, complete with the new, colorful green plastic binding was shipped to central Manitoba this week. The order came from sugar beet growers who require a proper accounting book, which opens flat, with ease. The gay green binding held 100 pages neatly together, and incorporated the added feature of flexibility of page numbers at a later date.

One of the biggest advantages to M & N customers will be the savings of time in completeing a job. At the present time, the 1959 High School Year Book is being set up, and like last year, will have a plastic binding. It was necessary to ship the printed pages to Winnipeg for binding in previous years, but not any more. This will mean a savings of time of about a week in delivery schedule.

The Miner and News invites inspection of this latest addition to the plant. Businessmen, who may have papers, booklets or other printed material which could, with advantage, be bound together, may find this simple, inexpensive service of real value to them. Inquiries are invited.

Milk and milk products such as cheese are good sources of calcium, needed to keep bones and teeth healthy.

Wilfred Fawcett Called To Rest Thursday Night

Wilfred Otto Fawcett, beloved husband of Elva Hill Fawcett, 510 Fifth Avenue South, Kenora, was called to rest at the General Hospital, Thursday evening, April 16th, following a lengthy illness. Born at Woodstock, Ontario, March 30, 1891, he was in his 69th year.

Employed in the drygoods business he was department head of Smith and Chapple at Chapleau, Ontario. Later he was employed by J. H. Ross Company at Fort Frances and Geo. T. Beatty and Son, Kenora, later operating his own shoe business here. He was Past Noble Grand of the Missanabie Lodge No. 266, IOOF at Chapleau, and a member and elder of Knox United Church.

In addition to his widow he is survived by two sons, Hilliard of Kenora and Gerald of Surrey, B.C., three brothers, Harold of Kimberley, Ont., Leslie of Meaford, Ont., and Edgar of Toronto; three sisters, Mrs. George Cornfield and Mrs. Wes Cornfield both of Flesherton, Ontario and Mrs. Thomas Fawcett of Kimberley, Ont.

Funeral services will be held in the Chapel of the Brown Funeral Home on Monday afternoon, April 20th at two o'clock. Rev. R. J. Leighton will officiate and interment will be in the Lake of the Woods Cemetery.

Kenora Dist. Deer In Good Condition After Long Winter

A recent article published in a number of daily and weekly Ontario newspapers regarding the suspected die off of deer due to adverse winter conditions caused great concern among many hunters who take part in and enjoy the annual deer hunt.

Heavy accumulations of snow in the eastern part of Ontario will quite probably affect the deer population. Hunters in that area will no doubt find it more difficult to fill their bag limits this coming season.

In North Western Ontario conditions appear more favourable. During the past winter the known winter deer range luckily escaped many of the heavy snow falls that passed over Eastern Ontario.

It is generally felt deer can withstand snow depths of up to 24 inches for a period of 5 to 6 weeks. The greatest snow depths recorded at the District snow stations during the past winter were 25.9 inches. This recording occured at Ignace and is considered to be outside the Districts deer area. Greatest snow depths recorded at other stations as follows: Dryden 24.2 inches, Minaki 22.6 inches, and Sioux Narrows 21.3 inches. As can be seen the accumulated snow depth should not seriously affect the local deer population.

For the past six weeks various deer wintering areas have been inspected periodically by District Conservation Officers. These inspections have revealed that the District deer herd in general have come through the winter in good shape. Inspection of brouse indicates plenty of available food to adequately support the deer wintering within the area. All deer seen appeared to be in a healthy condition.

Observations made during the past winter indicate that hunters should enjoy a successful deer hunt again this coming season.

WAI — LAI

A wedding ceremony, culminating a family friendship and association which has existed for four generations, united in marriage, Jennifer, daughter of Mr. and Mrs. D. K. Lai of Hong Kong and New York and Kenneth Wai, son of Mr. Gin Wai of Kenora.

The wedding took place at First Baptist Church, Kenora on Wednesday, April 15th with the Reverend A. McCrae officiating at the double ring ceremony. Miss Y. Oshiro played appropriate music prior to and during the service.

The petite bride, given in marriage by her father, who came from New York for the occasion was lovely in her white wedding gown fashioned with sculptured bodice and bouffant skirt. Her finger tip veil was of silk illusion and she carried a cascade bouquet of red roses.

Attending the bride, was Miss Patricia Campbell of Winnipeg as bridesmaid and Miss Marlene Wong as flower girl. They were charmingly attired in gowns of periwinkle blue and carried bouquets of pink roses.

Mr. Larry Barr of Winnipeg acted as best man for the groom.

After the marriage, the bride and groom were greeted and honoured at a wedding reception at the Kenricia Hotel, when some 175 friends gathered to do honour to the occasion.

Residents of Kenora and district together with a large number of out-of-town guests were present to welcome the young bride, who only recently came to Canada from Hong Kong and the popular young groom.

Under the capable direction of Mr. Ham Wong, the guests were entertained at dinner as part of the reception.

Rev. McCrae, the officiating clergyman asked the blessing, and Mr. Larry Barr the groomsman called on Mr. Charles Foo of Winnipeg, to propose the toast to the bride. Mr. Foo expressed his pleasure and that of many other, Canadian-Chinese here and in various parts of Canada in bringing good wishes to the bride and the son of his long-time friend and associate, the groom's father Mr. Gin Wai.

On behalf of his bride, the groom, in a short but very eloquent and modest speech, thanked the guests for the warm and generous welcome which they had given to his bride, and paid a gracious and heart warming tribute to his father and the father of the bride for making it possible for me to marry Jennifer.

He referred with affection to the groomsman, Mr. Barr, who had in fact been his friend since his arrival in Canada several years ago.

The bridegroom also spoke with evident feeling of affection and gratitude, of Mrs. Barr of Winnipeg, mother of the groomsman, who had been "as good and kind to me as my own mother could have been".

Mrs. Elva D. Barr with her daughter, Mrs. Philip Nicholson and Mr. Nicholson and their daughter Cheryl were honored guests at the wedding and reception.

Mr. and Mrs. Wai left by train for Toronto and the east on a honeymoon and will reside in Kenora.

During the dinner a number of telegrams of greetings and good wishes were received and read from friends and associates in Ottawa, Calgary, Winnipeg, Vancouver and California.

Out of town guests included: Mrs. Anna Long, sister of the bride, Newark, N.J., U.S.A.

Mrs. Elva D. Barr, Mr. Larry Barr, Miss Pat Campbell, Mr. and Mrs. Phil Nicholson and daughter Cheryl, Mr. Charlie Foo, Mr. Louis Paktong, Mr. Toy Wong, all of Winnipeg.

Mr. and Mrs. Frank Lee, Neepawa, Man.

A miscellaneous shower was held Wednesday evening in honor of Mrs. M. Leroux, the former Carol Campbell, at 304 Matheson St. South. Co-hostesses were Mrs. M. Rivers, and Mrs. W. Budworth. After the gifts were opened, games were enjoyed, then lunch was served. Guests numbered twenty-four.

Fans Await Ballet Program

Ballet buffs and many others who would like to know more about the art of ballet are looking forward to the Kenora Little Theatre presentation on Tuesday and Wednesday evenings, April 21 and 22. At this time there will be a potpourri of ballet dances and a demonstration arranged by Nenad Lhotka of Winnipeg. Mr. Lhotka will be assisted by his wife, whose artistic name is Jill Alis, a former dancer with the Royal Winnipeg Ballet, and by Cheryl Hurley, a talented student. The Lhotka Academy of Dance now numbers some 200 students.

Two short plays, "The Monkey's Paw" and "The Dear Departed" are in the final polishing stages for presentation on the same evenings. The program will be held in the High School auditorium with the curtain going up at eight.

CHERWAK—BARRETT

Amid a profusion of white Easter Lilies, a very quiet but lovely wedding was solemnized on Saturday the 11th of April at 11.00 a.m. in the Saint Nicholas Ukrainian Catholic Church, Caledonia Street, Victoria, B.C., where Rev. Father Chehowsky united in bonds of Holy Matrimony Gwendolyne Rosalie Barrett, youngest daughter of Mr. and Mrs. J. A. Berry of Halifax, N.S. with LSEM2 William Thomas, only son of Mr. and Mrs. Michael Cherwak of Kenora, Ontario.

For her wedding, the bride chose a two piece imported wool suit in Persian Blue with powder blue accessories and a picture hat accentuated on the brim with tulle covered faille roses. Her corsage was of red Enchantment roses with stephanotis.

The bride's only attendant, Mrs. Anne O'Gorman, chose for the occasion a pink and black two piece afternoon dress of printed silk topped with a three-quarter length Waffle Wool coat. Her accessories were in white and she wore a corsage of red sweetheart roses.

Attending the groom as best man was L.S. John O'Gorman. P.O. George Kazmiruk ushered the guests.

The groom's mother chose for her son's wedding a dove grey suit of soft wool on tailored lines with white accessories and wore a corsage of Lady Anne baby yellow Carnations.

Following the ceremony, a dinner was held for immediate friends and relatives in the Mahogany Room of the Hotel Strathcona. The table was pleasingly decorated with pink and white streamers, wedding bells, silver vases of pink and white tulips and centered with a two tiered wedding cake flanked by silver candlabra and white tapers.

P.O. George Kazmiruk proposed the toast to the bride, to which the groom very pleasingly responded.

L.S. and Mrs. Cherwak motored up Island for a short wedding trip and upon their return will reside at 1301 Fort Street, Suite 1, Victoria, B.C.

Out of town guests attending the wedding were the groom's parents, Mr. and Mrs. Michael Cherwak and the groom's uncle, Mr. B. Garner of Nanaimo, B.C.

it's a FACT

The game of chess is the oldest of all games of pure mental skill—a game in which chance cannot enter. One of the first books, if not the first, published in England was a book on chess printed in 1474 by William Caxton. The game was first brought into prominence in the United States by Benjamin Franklin.

CPA's West Bound Press Flight Leaves Friday

VANCOUVER, B.C. — N. R. Crump, President, Canadian Pacific Railway, will accompany a group of 55 Journalists from Eastern Canada and the U.S. on a Canadian Pacific Airlines pre-inaugural Press flight from Montreal to Vancouver, via Toronto and Winnipeg, Friday.

The flight, captained by William S. Roxborough, CPA's Chief Pilot, Britannia development, is a preview of the Airlines new cross-Canada service, commencing May 4, when the Company's Britannia jet-prop airliners will inaugurate the fastest air service in Canada between Montreal, Toronto, Winnipeg, and Vancouver.

Friday's Press flight will depart Montreal at 2.30 p.m. (E.S.T.) to arrive in Vancouver at 9.00 p.m. (P.D.T.).

Saturday morning at 9.30 a.m., the Newsmen, Radio and Television Broadcasters will tour CPA's Headquarters at Vancouver International Airport. The tour will include an inspection of the Airlines one-million, 400-Dollar Britannia Hangar, home of the 100-passenger, 400-mile-an-hour jet-props. Following the tour, N. R. Crump and CPA President G. W. G. McConachie will hold a press conference.

After luncheon at the Hotel Vancouver, the Journalists will take a bus tour of the city area. In the evening, they will attend the Newsmans Club of B.C.'s annual "Suds n Skits" programme. The group will depart for Toronto and Montreal via the Britannia at 10.00 a.m. Sunday morning.

How Much Does A Block Of Wood Shrink In Drying?

It is common knowledge that a piece of green wood will shrink as it dries. In fact, many people have had the phenomenon dramatically pointed out to them when they have used green lumber in building, only to have it shrink and warp out of shape in the course of a year.

The north window of the Department of Lands and Forests District office on Main Street, Kenora, contains several discs cut from various trees growing throughout the Kenora District. These discs are part of a Timber Management display and each disc bears a tag identifying it. When this display was put in last fall the identification tags were secured at each end with small pins and each tag was perfectly flat on the disc.

Throughout the winter these discs have been subject to the warm dry air of a modern office and therefore show quite clearly just how much a piece of wood can shrink as it gives off moisture to the drier air around it. As each disc dried the ends of tag came closer together causing the tag to hum up in the middle. Some tags have humped up as much as an inch or more for a 5 inch tag.

When the relative amounts of shrinkage are compared it seems that White Elm shows the greatest amount of shrinkage followed by White Birch, Black Ash, Red Maple, Poplar, Black Spruce, Tamarack, Red Pine, White Pine, Balsam and Cedar, in that order. This order compares almost identically with the findings of the Forest Products Laboratory in Ottawa who have carried out detailed studies on the physical properties of different species of lumber including degree of shrinkage tests.

The variety in snow crystals, some of which are six-sided like fine lace, are often copied by style designers for new dresses.

Canada - United States To Issue Seaway Stamp

The designs for the St. Lawrence Seaway commemorative postage stamps to be issued jointly by Canada and the United States were released simultaneously today in Ottawa and Washington by Postmaster General William Hamilton of Canada and Postmaster General Arthur E. Summerfield of the United States.

Except for the necessary differences in captions and denominations, the stamps are identical in design, the result of the cooperative efforts of Canadian artists A. L. Pollock and Gerald Trottier, and American artists William H. Buckley, Arnold J. Copeland and Ervine Metzl.

The stamps are in the 5-cent denomination for Canada and the 4-cent denomination for the United States, these being the respective rates for first class letter mail in each country. Forty million of the Canadian stamps and 120 million of the American stamps will be issued.

The stamps for both nations will be printed in red and blue on white paper thereby utilizing the national colors of red, white and blue for both countries. Both stamps will have the Great Lakes and connecting links of the design on a blue background with captions in red.

Reproduced in white on both stamps are the emblems of both nations, the Maple Leaf for Canada, and the Eagle for the United States, enclosed in interlocking links superimposed over a background of the Great Lakes.

The first-day sale of the American stamp will be at Massena, N.Y. the site of the Saint Lawrence Seaway Development Corporation in the United States. The two stamps will be placed on sale on June 26, 1959, the date on which the opening ceremony will be held by both countries.

This is the first occasion that Canada and the United States have issued a stamp jointly.

ALLERGIC TO PAPER

VANCOUVER — A witness in a North Vancouver police court trial held the Bible in her hand to take the oath. But she refused to kiss it.

"I'm allergic to paper," Mrs. Evelyn Anderson explained to Magistrate A. D. Pool.

"That's fine, just as long as you're not allergic to the truth," said the magistrate.

Mrs. Anderson gave evidence in the trial of minor offence.

LET'S TALK CARS

CAR CLOCKS DO VARY . . . HEATERS STOP HEATING

Don't blame it on the clock if your car clock gains or loses. Nor is any such inaccuracy grounds for believing it is going haywire.

Car clocks, you see, operate on direct current, while home electric clocks operate on alternating current . . . which is corrected daily at the electric company's power station.

So your car clock may gain or lose as much as seven minutes a week . . . a gain or loss of half an hour in a month's time. Some clocks can be adjusted for less inaccuracy but the regulating screw must be handled with care.

Something else often misunderstood are car heaters. If yours isn't throwing enough heat, check it for circulation of water. First, feel heater fittings where they connect to hoses. If both fittings aren't about the same heat as the upper engine fitting there may be an obstruction . . . such as, an overlooked shut-off faulty control valve; clogged hose or heater core; or air trapped in too-high curve of heater hose.

Also be sure to check for circulation of air. Make sure heater fan runs . . . listen for it. Then determine if air ducts and dampers are working right. A simple test here is to hold a cigarette in front of the air intake. This will give you an accurate smoke-check on the operation of these valves.

Understanding your car better and attending to minor maintenance details yourself will mean more enjoyable driving for you. Of course, major repairs call for an expert's attention . . . so when something serious goes wrong with your car drive in and let our factory-trained mechanics go to work on it. Not only does a well cared for car mean more economical driving - but when you're ready to trade you'll get a better deal for it.

Lionelles Hear Talk On Jamacia

Prior to the regular meeting of the Kenora Lionelles Club held April 8th, members were taken on a tour of the new Silverlake Beverage Company plant. Following the tour, the twenty-three members sat down to dinner at the Kenwood Hotel.

In the absence of the president, Mrs. Ann Ihnasz presided during the business session. The club set May 9th as the date for their forthcoming rummage sale.

Guest speaker of the evening, Miss Shirley Boquist, took her audience on a vacation to Jamaica by means of colored slides and a most interesting commentary.

The next meeting was announced for May 6th.

Between 1948 and 1957 the annual payrolls of all governments in Canada increased from $769 million to $2,037 million.

The Canadian Pacific Railway now has the second largest fleet of rail diesel cars on the North American continent.

WOODPECKER SEEKS MATE, PECKS AERIAL

RYE, N.Y. —Ten days ago a knocking and banging awakened the Richard Spath household at 5 a.m.

"Must be the plumbing," said Spath.

No, it wasn't the plumbing, said the plumber.

Second day: Same time, same noise. Not the heating, said a heating engineer.

Third day: Ditto time and racket, as man called in. No defect, the man said.

Fourth day: Same old time and tribulation. Spath donned a robe and hurried outside. There, in the dawning, he saw the culprit: A downy woodpecker hammering like mad on the television aerial.

Wednesday Spath consulted the Audubon Society. Advised the society: Turn the garden hose on him; or get a toy pop gun and frighten it; or get a fireworks permit and shoot some roman candles at it.

Spath has decided to use the hose treatment first.

That downy woodpecker isn't just a mean old cuss, said the Audubon Society, he's merely using the TV antenna as a sort of sounding board to issue a spring love call. In a few weeks the bird either will have found a mate or will give up.

Development Aid Sought

OTTAWA — The Ontario government will be asked to help finance construction of plant facilities to attract industries.

Mayor Robert Simpson of Arnprior, newly-elected president of the Eastern Ontario Development Association, told the association's annual meeting he will ask his executive to put the idea to Premier Frost.

He said the idea of a municipality building factories to attract industry has been tried successfully in Gananoque. A canvass of resients raised $42,000 in 48 hours. The money was being used to build quarters for an unnamed United States firm which had expressed interest in moving to the town. The business was to be in operation by fall, employing 35 persons.

Harry Callan, general manager of the association, said the Brockville and Cornwall zones have agreed to meet to discuss a federal proposal to establish a St. Lawrence Seaway port between the Quebec border and Kingston.

Tourist Centres Get Red Ensign

TORONTO —The Ontario government is replacing the Union Jack with the Red Ensign on the flagpoles of its 14 tourist reception centres throughout the province.

Travel and Publicity Minister Cathcart said the reason for the decision is that the ensign is "a truly distinctive Canadian flag."

The centres are located at Sarnia, Prescott, Fort Frances, Kenora-Keewatin, Pigeon River, Niagara Falls, St. Catharines, Fort Erie, Sault Ste. Marie, Hawkesbury, Cornwall, the Thousand Islands Bridge, and Windsor which has two.

May Name Fleming To External Affairs

OTTAWA —A wave of recent press speculation has named Finance Minister Fleming as the man most likely to be Canada's next external affairs minister.

Prime Minister Diefenbaker, who will pick the successor to the late Sidney Smith, is making no public statements. In the Commons Wednesday he parried a question.

However, there are increasing reports that any move to fill the gap left by Mr. Smith's death March 17 will involve a cabinet shuffle.

Besides Mr. Fleming, 53, now involved in debate on his new budget, various speculative reports on a cabinet shuffle have named Justice Minister Fulton, Revenue Minister Nowlan, Transport Minister Hees and Works Minister Green.

Several Progressive Conservative MPs have been suggested as likely cabinet material.

Shortly after Mr. Smith's death the 43-year-old Mr. Fulton was most prominently mentioned as a likely successor.

Mr. Diefenbaker has been acting external affairs minister in the last month and there is no urgent situation requiring immediate appointment of a full-time minister. Thus it is possible the decision may not come for some weeks.

He could hold off cabinet changes until he is in a position to appoint parliamentary secretaries as well. Legislation providing for 16 of these posts—described by Mr. Diefenbaker as cabinet apprenticeships — still is before the Commons.

Many complicating factors are involved in cabinet changes, for instance the giving of representation to areas and religions.

TOLEDO, Ohio — Seven policemen were searching Devilbiss High School after someone phoned that a bomb would go off there Wednesday.

Suddenly, they got the scare of their lives.

A terrific "boom!" rattled doors and windows.

The officers learned the noise had been a sonic boom created by two jet planes passing over the city.

Modern Etiquette

Q. Are correspondence cards considered in good taste?

A. Yes; they are very popular and in good taste for the short, informal kind of note. It is becoming more and more customary for men and women to use these cards. They should not, however, be used for any strictly formal correspondence.

Q. Is it proper to serve all the women first at the dining table, where there are men and women seated alternately?

A. This is neither proper nor practical. The guests should be served in regular sequence, whether man or woman.

OLDER CITIZENS SLOWLY STARVING

TORONTO — Between 180,000 and 273,000 of Ontario residents over 60 are living below a subsistence level, it was estimated today.

Welfare Minister Cecile was given a 40-page report by a committee of the Ontario Welfare Council which outlined a two-year study of the economic needs and resources of the province's older citizens.

The report included 17 recommendations including legislation to prevent employers discriminating against older workers and a federal program of compulsory contributory pensions.

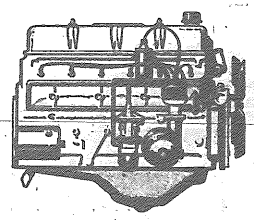
Here's the smoothest, savingest, most modern Six on the road — the Ford Mileage Maker Six. And what a pleasure it is to drive. On hills or on the straightaway, winter or summer, this economy-minded Six delivers the utmost in performance at an amazingly low cost. You get up to 24 carefree miles to the gallon on regular gasoline . . . and up to 4000 miles between oil changes with a standard oil filter that cleans all the oil all of the time.

You get famous Ford power as well. Cruising on the highway or in tedious city traffic, there's get up and go to suit the most demanding of drivers.

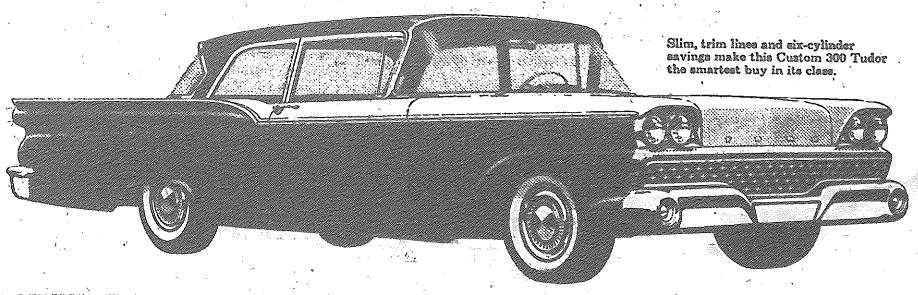
The Mileage Maker Six is only one of many money-saving features that you'll find in Ford's beautiful Custom 300 sedan.

FORD SIX



You save even more with such standard Ford features as: a 66-plate heavy-duty battery for easier starting; extra body insulation to protect you from heat, cold and bothersome road noises; and an aluminized muffler that lasts up to twice as long as ordinary mufflers. Inside and out, Ford's superior quality and workmanship will stand up to the closest inspection.

Make it a point to drop in at your nearest Ford Dealer's and test drive the Mileage Maker Six—it's available in every Ford model except the retractable-roof Skyliner.



Slim, trim lines and six-cylinder savings make this Custom 300 Tudor the smartest buy in its class.
