HOME AND SCHOOL ASSOCIATION HEARS TALK ON KINDERGARTEN WORK

King George VI and South Ward Home and School Associations held their regular meeting on Monday, April 20th in the King George Auditorium. Mrs. Burris, the president, dealt first with regular business. It was decided that an Athletic Shield be donated by the association to King George VI School, and a award for proficiency will be given to the two highest grade four pupils from South Ward Schools.

A Leadership Training School for prospective Home and School officers will be held in early May at Eva Lake at Fort William. It is hoped that some will avail themselves of the opportunity to attend.

Mrs. Burris also reported on the questionnaires, re Home and School programs, school activities etc. presented to parents, and was pleased at the fine response she had received.

Mrs. Mary Cook, Kindergarten teacher, then led a discussion on the work of her grade. Parents asked questions concerning the child's adjustment to school life, differences in abilities according to age, and gains to be made from attending kindergarten. Mrs. Cook had much helpful advice to offer to her very interested audience, and everyone thoroughly enjoyed her informative talk.

Mrs. Burris then introduced Mrs. Jim Davidson who had been the local representative at the 40th annual Ontario Federation of Home and Schools Convention recently held in Toronto. The theme of the convention was Home and School action. "The purpose of Home and School is to concern ourselves with the education of children so that every child can make life count" - thus spoke Mrs. T. M. Weatherhead who opened the convention.

Leslie H. Alcock Lifetime Resident Died This Morning

Leslie Hiram Alcock, beloved husband of Dorothy Edith Alcock, 21-Scramble Avenue, died at the Kenora General Hospital early this morning, Thursday, April 23rd. Born at Kenora, October 19, 1909, he was in his 50th year.

Educated in Kenora schools, he was employed for 32 years with the Ontario Minnesota Pulp and Paper Company as a Papermaker, and latterly with the engineering department. He was an ardent fisherman and hunter and enjoyed all sports.

In addition to his widow, he is survived by three daughters, Mrs. D. A. (Peggy) Sanborn of Kenora, Mrs. Fred (June) Betton of Winnipeg and Lynn at home; two sons, Terrence Leslie of Sault Ste. Marie and Gregory at home; four brothers, Earl of Kenora, George of Atikokan, Clayton of Vancouver and Donald of Winnipeg; Six sisters, Mrs. Ernie Garney of Winnipeg, Mrs. W. C. Rogers and Mrs. Agnes Sharple both of Kenora, Mrs. A. Pugle of Chilliwack B.C., Mrs. Ray Hamilton of Kenora and Mrs. Alex Johnson of Keewatin.

Funeral services will be held in the Chapel of the Brown Funeral Home, Monday afternoon, April 27th at two o'clock. Rev. R. J. Leighton will officiate and interment will be the Lake of the Woods Cemetery.

Festival Trophies Now On Display

The Trophies for competition in the 16th annual Kenora District Music Festival will be on display in the lower right window of Newman's Jewellery once again this year. Mr. E. M. Newman, donated the original Rose Bowl which is inscribed each year with the winners names and remains on display in the Kenora Keewatin District High School.

Trophies for competition are: The Rose Bowl awarded for senior vocal by the association and carrying with it a one hundred dollar scholarship award presented by the Kenora Rotary Club to be used in furthering the winners' musical education. The Rose Bowl awarded for Senior Instrumental given by the Association and a one hundred dollar scholarship presented by the Kenora Lions Club to be used in furthering the winner's musical education.

The Registered Music Teachers' Trophy for Junior Instrumental; the Tudor Trophy for Junior vocal, the Alexandrina McLeod Shield for church choirs; the Kenora Board of Trade Shield for Junior or Secondary Church choirs; the Kenora Rotary Club Shield for Senior Graded School Choirs; the Bishop Dewdney Cup for Intermediate School Choirs and the Dr. W. J. Gunne Cup for Junior Graded School Choirs.

The G. A. Toole Cup for Junior Orchestra, the Kenora Women's Institute cup for Senior Orchestra and the J.J.H. MacLean Trophy for Grade 9 Instrumental.

Mrs. D. Tansley has been busy calling in these trophies so they will be on hand to be presented at the forthcoming sessions.

Overture Members To Bring Guests To Tonight's Concert

Highlight of the last concert in the current Overture Concerts which is being presented at the High School auditorium tonight at 8.30 is that all season ticket holders may bring one guest per ticket to the concert. There has been a little doubt concerning this announcement by the executive and they wish to point out that there is no admission charge for the guests.

The gesture of inviting guests is in appreciation of the curent members support in bringing celebrity artists to this area and also with the desire to arouse more interest among the people of this area with the ultimate hope of increasing the membership for next season's concerts.

A concentrated membership campaign is to start locally next week, following the annual meeting of the association which is slated for Friday, April 24th at 8 p.m. in the Kenricia Hotel. All interested citizens are invited to attend this meeting.

Tonights' artists are the renowned pianist and violinist, the Spivakovsky Duo.

Joint Birthday Party Held For 11 At Pinecrest

April proved to be "birthday month" at Pinecrest when eleven residents celebrated birthdays at a monster birthday party on Tuesday afternoon. The celebration was sponsored by the Ladies' Auxiliary to Pinecrest and convened by Mrs. Paul Dubenski, assisted by the president of the organization, Mrs. W. G. Saunders. Mrs. K. V. McCulloch, Mrs. D. Lambert, Mrs. W. P. Lenton, Mrs. W. Watkinson, Mrs. J. Stasiuk, Mrs. J. McLeod, Mrs. R. Sinclair, Mrs. B. Oakley, Mrs. Fred Swanson and Mrs. Gauld were party hostesses.

The honored guests were seated around a table centred with a huge birthday cake, lit by a single candle. The cake, donated by Sunrise Bakery, was iced in white with the following inscribed in pink and blue.

Mrs. Carruthers, Mrs. Rydell, Mrs. Noreus, Mrs. Taylor, Canon Sanderson, Mr. Fitzpatrick, Mrs. Benedikti, Mr. St. Germaine, Mr. Dalen, Mr. R. Smith and Mr. Marr.

Mrs. Frank Fowles was the accompanist for a most enjoyable singsong, complete with song sheets. Mrs. Brownlee sang favorite selections, including "Red Sails in the Sunset." Birthday cake and tea were served to 21 residents who are receiving special care. A good time was had by all.

CONTRIBUTIONS TO RE-ESTABLISH VICTIMS OF A FIRE ARE INVITED

The Miner and News has learned of an opportunity of offering assistance to a family which has lost everything in a fire. Gone are the house and everything, including furniture, clothing and personal belongings. Two weeks ago yesterday, fire levelled the home of Mrs. Joan Lindsay and her two children, which was located on the Anderson Branch Road north of Town.

Friends and neighbors rallied to meet the immediate crisis. But, as mentioned above, there is still opportunity to assist in putting these folks back in a home of their own. A small house has been found, but needed are items of furniture for every room.

Money, too, would be most acceptable, to replace personal belongings. The Miner and News, and its associated company, Radio Station CJRL invite readers and listeners to join in the efforts to re-establish this young family.

Cash donations will be accepted at either office. If you have furniture, dishes, etc. please phone CJRL at 7850, giving your name, address and the items you have to offer. A committee will then go to work, pick up the articles and see that they are put to good use.

Will you please help?

NO AGREEMENT BETWEEN MANDO AND UNIONS

The Miner and News learned today that a Conciliation Board hearing that was held on April 20th and 21st at Kenora between the Ontario-Minnesota Pulp and Paper Company Limited and the Lumber and Sawmill Workers' Union Local 2693 has been adjourned without agreement having been reached. The two parties will await word from the Board.

Harry Cederwall Called To Rest Early Today

Harry Theodore Cederwall, beloved husband of Anne Martin Cederwall of 8 Mikado Avenue, was called to rest at the Kenora General Hospital early this morning, Thursday, April 23rd, following a lengthy illness. Born in Norman, Ontario, December 16th, 1903, he was in his fifty-third year.

A resident of Pellatt Township until 1931, he was employed on construction on the Trans Canada Highway for a number of years. He joined the services of the Ontario Minnesota Pulp and Paper Co. in 1935 and was a Millwright foreman up until the time of his illness. He was a member of St.

Union Wives Learn About Trade Union Education

As part of the three day educational institute arranged by the Kenora-Keewatin Labour Council wives of union members met yesterday afternoon in the Kenora Legion Hall to take part in the educational work of the Council and the Canadian Labour Congress by discussing many trade union problems and how these problems can affect the wives of union members.

Henry Weisbach, Ontario Education Director of the Canadian Labour Congress in opening the session outlined the functions of the trade union movement on the local, provincial and federal level. He stated that unions are an important part of every community. Without the efforts of unions for improved working conditions and wages the community would not prosper. He said wives can play an important part in making the public aware of the affect of the union movement on the community. The more interested the wives are in the trade union movement the

Memorial Gifts Dedicated At First Presbyterian

An impressive service was held at First Presbyterian Church last Sunday morning when several gifts were dedicated in memory of Robert Thomas Johnston, an elder of the congregation for twenty-eight years, who passed away in January. Mr. Johnston gave himself actively to the work of building the congregation and the new church edifice. The gifts of Church furnishings were very appropriate to his memory.

A very fine cupboard with desk-top to serve in the front vestibule was made by Mr. Harry Rolston, Clerk of Session, and presented by the Johnston family.

A beautiful stand for the silver baptismal bowl was made by Mr. Ralph Palmer one of the eld-

KENORA DISTRICT BASEBALL LEAGUE ORGANIZE AND ELECT OFFICERS

The annual meeting of the Kenora District Baseball League was held last night in the Kenricia Hotel with close to thirty delegates attending.

Last year's president Ted Earley of Dryden gave his year end report on a very successful season, noting that the quality of baseball as played in the Kenora district playoffs last year should improve the crowds for the coming season. He recommended that there be a Northwestern Ontario playoff this year between the Lakehead league and the Kenora district league. The News Chronicle Trophy has been presented for this competition. He thanked everyone for the co-operation given him in his year as President.

The Treasurer's Report from Marg Barber, showed that the injured players' fund has now over $500.00 in the bank.

Past President, Paul Bouchard took the chair for the election of new officers. Immediately Ted Earley was nominated to return as President and his nomination was unanimous. First Vice President - Hilda Salmon; Second Vice President - Jack Thomson; Secretary - Ed Wolanin; Treasurer - Marg Barber; Public Relations - Jack Thomson; Statistics - Duke Beyko; Chairman of Umpires - George Harkins.

The league voted to again affiliate with the National Baseball Congress, this being their fourth year of affiliation. League play is expected to start on May 17th.

The Keewatin Indians, Kenora Legion and Dryden Red Sox signified their intention of playing this year. The Norman Cubs, fourth team in the circuit have been given until May 1st to state whether they will field a team this season.

Minor Hockey NOTES

With the annual wind up which was held Wed. April 8th in the Legion Auditorium another season of organized minor hockey was drawn to a close.

Found elsewhere in this paper is our years financial statement. During the season 23 clubs in four divisions were kept going and this encompassed approximately 280 boys.

As usual we are indebted to a great many different individuals who aid our organization and it would be some chore to list all. Therefore anyone who donated money, time, advice, advertising or facilities our deepest thanks.

More Than 400 Canadians Die In Residential Fires

More than 400 Canadians die in residential fires each year - more than half of them are children, warns the All Canada Insurance Federation.

Officials of the Federation, which represents more than 250 casualty, automobile and fire insurance companies said that faulty use of electricity and inflammable liquids accounted for many residential fires occurring in the spring and summer months.

Pointing out that property loss from fires exceeds $20,000,000 annually, safety experts offer the following precautions which are especially applicable at this time of year.

1) Remove all accumulated leaves and windblown rubbish from eaves and around the house.

2) Clean out attics, sheds, basements, garages or other areas where rubbish may have accumulated.

3) Make sure that all paints, varnishes, paint removers and other inflammable liquids are kept in well-marked safety cans.

4) Oily rags, or rags soaked in turpentine or other inflammable fluids, should be burned or kept in well-sealed containers.

5) Never burn aerosol tins.

6) Remove matches from pockets of all winter clothing before storing away.

7) Winter heating materials - oil, Kerosene, etc., should be kept at minimum level during the warmer months.

8) Have all chimneys and furnaces thoroughly cleaned and checked.

9) Use non-inflammable liquids for cleaning floors and clothing.

10) Check fans, air conditioners and similar summer appliances for frayed cords and loose connections.

Gas War Spreading In Eastern Ontario

Toronto—The gas war in Winnipeg, which opened anew yesterday with price slashes of as much as five cents per gallon, is now entering its fourth day in Toronto, Ottawa and Woodstock.

Some Ottawa dealers have slashed four cents from the basic price of about 43 cents a gallon for gasoline.

In Woodstock, prices are being slashed as much as 12 cents a gallon, and some dealers have predicted an even lower drop in prices. Hamilton dealers have brought down prices about six cents.

Service stations in London say the price war has not spread to their area and is not likely to do so.

In Toronto, prices have dropped in some locations to 30 cents as dealers give price cuts ranging from four to more than ten cents a gallon.

The price cutting apparently started among independent dealers. One Ottawa dealer said the price cuts are to meet competition from what he termed "unbranded gasoline."

Rainy River Now Free Of Ice

Baudette — The Rainy River was officially free of ice at the international bridge at Baudette late Sunday afternoon. The electric clock in the Canadian custom office was stopped at 4.35 p.m. Sunday, April 12, by the sinking of a barrel to which the clock was connected.

The open water was a mighty pleasing sight to eyes which had seen little but snow for many months, and the sound of the Rainy on its journey to Lake of the Woods just as pleasing to ears which had been nipped all winter in temperatures down to 43 below zero!

Many fishermen got boats into the water to take advantage of the open water situation prior to the closing of the border walleye season today. With masses of ice still locked to shores, and some floating on the current, fishermen still toughed it out. A lot of them had quite decent fishing, it's being said around town.

Baudette bay still had ice in it this morning. Very rotten ice, it is true, but still ice. It is melting fast, and should be gone today or tomorrow.

The low water stage is emphasized with a glance down the bay toward the river. It will reveal that water is pretty much confined to the channel, and that elsewhere there is either dry ground or water of but a few inches depth.

DARTS

Playing at Keewatin Legion on Wednesday evening the Kenora Branch scored 22½ points against Keewatin's 16½ and the Sergeant's 15, however Keewatin's position at the top of the league is still unchallenged and it appears that it will remain that way until the next half of the season, next week's games being the last until the competition begins again in September. Top scorer for the evening was George Vorrall with 129, whilst Lloyd Fraser of the Armouries again distinguished himself with a lonely ONE.

IN MEMORIAM

BIHUN — In loving memory of our dear husband and father, Peter Bihun, who passed away April 23, 1958.

God called him home, it was his will,
But in our hearts we love him still,
His memory is as dear today,
As in the hour he passed away,
We often sit and think of him
When we are all alone,
For memory is the only thing
That grief can call its own.

Ever remembered by his loving wife, Mrs. Peter Bihun and sons Gordon and Sidney.

ANNOUNCEMENTS

The Carpenters L.A. will hold a Social and Dance at the Ukrainian Hall, 4th Street North, Saturday April 25th at 8.30 p.m. Tickets from members or at the door. Door prize, refreshments, lunch. Bob Cardinal's Music. Everyone WELCOME!

A general meeting of the Kenora-Keewatin Overture Concert Association will be held Friday evening, April 24th, in the Kenricia Hotel at 8 p.m.. Election of officers will take place and plans discussed for the forthcoming membership campaign.

A good attendance is necessary at this meeting to ensure a concert series for this coming season.

Local Square Dancers To Attend Spring Festivals

It begins to look as if another successful season of square dancing is coming to an end. With all the club windups and spring festivals it appears as if the local square dancers are in for a busy time for the next week or two.

Recently many of the local dancers went into Winnipeg to attend the wind-up dance of the Manitoba Folk Dance Federation, they were all most enthusiastic in their appreciation of the calling of Bob Ruff. He is an excellent caller and his records are enjoyed by many. It is interesting to note that Bob Ruff is a school teacher in Whittier California and flew into Winnipeg to call for this affair. He brought with him greetings from his home club in the form of a sheet of paper about thirty feet long, inscribed with messages of goodwill. This was promptly turned over and suitably inscribed by those present and sent back to Whittier. A great deal of interest was aroused by the fact that there were names of three former Winnipeg couples on the list from California. On April 21 the local Merry Mixers Square Dance Club held their wind-up and a good time was reported by all those who attended. Prizes for various events were won by Judy Ross, Olga Gibson and Leo Sokolik. While everyone had a wonderful time they hated to think it was the last get together till next fall.

All local dancers are invited to attend the annual Spring festival to be held in the Elks Hall in International Falls on April 25 and 26. The festival dance will be held at 2 p.m. on the 26th and the pre-festival dance will be the night before on the 25th, at 8.30. State callers also local callers will be present. A great big welcome awaits those who can attend, so if you can make it just walk right in and make yourself at home.

The Half-way Jamboree, where our Kenora square dancers meet with the folks from International Falls and Fort Frances for a fun filled afternoon, is scheduled for May 10 at Hansons Camp at Crow Lake. Dancing starts at 2 p.m. Bring a picnic supper. Your children are welcome, though you have to be your own baby sitter. This is the sixth annual jamboree, so try to attend. The sixth annual Beach Hoedown will be held at Winnipeg Beach sometime around the middle of June. The exact date and caller will be announced soon.

That is about all the square dance news to the present time. SEE YOU NEXT FALL.

The ladies wish to take this opportunity to thank everyone who contributed in any way whatsoever to make this bazaar an outstanding success.

Graduate Nurses Hear Talk On Dentistry

The Kenora Keewatin Graduate Nurses Association held their semi-annual meeting April 7 at the Nurses Residence of the General Hospital. A short business session was chaired by the President Mrs. J. Fortier.

Mrs. I. Johanson was then called upon to introduce the guest speaker Dr. Grant Macdonald, who gave a most enlightening lecture on Dentistry followed by a lively question period.

Mrs. J. N. McDougall ably thanked the guest speaker and an enjoyable coffee hour followed.

Between 1956 and 1958, on a per capita basis, the physical volume of gross national production in Canada declined in value from $1,602 to $1,520.

Union Wives Learn About . . .

(Continued from Page 1)

more interest will be shown by the members of the unions themselves.

Max Dodds, Welfare Director of the Ontario Federation of Labour discussed the many achievements of the union movement in the field of public welfare. He stated that without the constant fight of unions for improved public welfare many benefits now on the statute books of this province could not have been gained. He explained the advances made in Workmen's compensation, in widows and mothers allowances and many other sections of public welfare which are a result of labour's fight for social justice for all.

Bill Godfrey, CLC Representative for Northwestern Ontario explained the important job unions have done in organizing workers and in gaining advances through collective bargaining.

Tonight will be the final session of the Education Institute arranged by the Kenora-Keewatin Labour Council. Under the chairmanship of Mr. M. N. Bachynski, President of the Council a panel consisting of Messrs. Weisbach, Dodds, Ames and Godfrey will discuss many other features of the trade union movement. A special discussion will be devoted to the recent report of the Ontario Select Committee on Labour Legislation.

ers, and presented by the session.

A pulpit Hymn-book with music was presented by Mr. and Mrs. W. Marchant, and artistically inscribed by Mr. Ivan Robson one of the elders.

Following the service of Dedications, four infants were baptized at the new font: These were:

Barbara Anne, daughter of Mr. and Mrs. George Kovall.

Thomas Patrick, son of Mr. and Mrs. Cliff Coulis.

Mark Ronald, son of Mr. and Mrs. R. A. Leiterman.

Robert Maxwell, son of Mr. and Mrs. John Miller.

Mr. Larry Alexander relieved Mrs. Coulis at the organ. The service was conducted by the minister, Rev. J. D. Marnoch.

Jewish Passover Began Wednesday

Over 3,000 years ago the ancient Hebrews were liberated from Egyptian bondage. At sundown Wednesday the Kenora Jewish community began the Passover, commemorating the freedom from 210 years of slavery.

Special services for the eight-day Passover celebrations will also be held Thursday morning and evening, Friday and next Tuesday and Thursday, ending the commemorative period with a special memorial service for departed ones.

In Jewish homes everywhere, families will share the traditional passover meal, the Seder, with its foods and prayers recalling the age-old march to freedom. The meals were held Wednesday and again Thursday. The Jewish people will abstain from all leaven foods during the eight days.

According to tradition, the first Passover, called the Passover of Eygpt, was preordained by Moses at the command of God. The Israelites were commanded to sprinkle the blood of a male lamb on the lintel and side post of the doors of their dwellings so that the Lord should "pass-over" them when He went forth to slay the first-born of the Egyptians, the last of 10 plagues forced upon them. The lamb thus drained of blood was to be roasted and consumed by the Israelites, who should be ready with lions girded, shoes on feet and staff in hand for the Exodus, 40 years of wandering in the desert before reaching Israel.

The Jewish calendar names 1959 as the year 5,719. The Passover, according to their calendar, happened in 2,448.

Let us hope that the wise and eternal injunction of the great Rabbi Hillel will be followed by everyone, that which says: "Love thy neighbor as thyself," and that the brotherhood of man become the ideal, sought and finally attained, of all the friendly citizens of Canada.

The Working Men's Club in Mildura, Australia, has the longest bar in the world, measuring 285 feet.

Magistrate's Court

At Magistrate's Court this morning, a Kenora man was sent to reformatory for two years less one day when found guilty of failing to support his wife and children. He received a one year sentence to run concurrently for fraudently omitting to account for monies entrusted to him as treasurer of an organization and a further concurrent term of thirty days for causing a disturbance by fighting.

Charged with committing an indecent act saw a Winnipeg man committed to jail for three months. A local resident went to jail for 30 days on a similar charge.

A Kenora motorist charged by Keewatin police with speeding was fined $10 and costs.

Found guilty of impaired driving saw a Jaffray Melick man lose his licence and pay a fine of $100 and costs.

A second offence drunk paid $100 and costs.

Hopeful Harry: (telephoning): "Say Mabel, may I come over tonight?"

Female Voice: "Sure, Bill, come on over."

Harry: "Why, this isn't Bill."

Female Voice: "This isn't Mabel either. But what the heck, come on over."

it's a FACT

Our Colonial ancestors frequently raised large families and lived long lives in spite of, not because of, their ideas on medicine. These included powdered frogs as a tonic; vinegar and crabs' eyes for ulcers, and bleeding for almost anything. For the fever, one put his fingernail parings in a linen bag and tied it to an eel. The theory was that the eel, not the patient, would die.

KITCHEN CLASSICS

Maple Walnut Cookies are as rich and delicious in the actual eating as they are in memory. They're a happy combination of butterscotch and maple flavoring with overtones of walnut. Serve them freshly baked while they're still crisp, or store them in the cookie jar if you prefer them a little softer. Either way they make scrumptious treat for the lunch box, coffee break or snacking.

MAPLE WALNUT COOKIES
Yield - about 3 dozen cookies
1½ cups once-sifted all-purpose flour
or 1¾ cups once-sifted pastry flour
1 teaspoon baking powder
½ teaspoon salt
½ cup butter or margarine
1⅓ cups lightly-packed brown sugar
1 egg
½ teaspoon vanilla
½ teaspoon maple flavoring
Shelled walnuts

Grease cookie sheets. Preheat oven to 375 deg. F. (moderately hot). Sift together the all-purpose or pastry flour, baking powder and salt. Cream butter or margarine until soft. Gradually blend in brown sugar. Add egg and beat until light; stir in vanilla and maple flavoring. Mix in dry ingredients, a little at a time, adding a little milk, if necessary to make a soft dough. Drop dough by rounded teaspoonfuls, well apart, on prepared cookie sheets. Top each little mound of dough with a piece of walnut. Bake in preheated oven 8 to 10 minutes. Cool on cake racks.

SMOKER HAS LAST LAUGH

Cooksville—Toronto Township Councillor Robert Speck was a smoker. Councillor Victor Vignale wasn't.

But for two years Mr. Vignale sat beside Mr. Speck at council meetings, and invariably chamber drafts clouded him in the smoke of Mr. Speck's cigar.

Last week Mr. Speck swore off smoking. Vengefully, non-smoker Vignale borrowed a cigar Monday, lit up, and blew the smoke at his tormentor of two years' standing.

But the cigar was too much for Mr. Vignale. He had to go outside for a breath of fresh air. It was too much for Mr. Speck too. He picked up the unfinished cigar.

Home and School Association Hears . . .

(Continued from Page 1)

"The Home and School objects set forth a challenge to all. We must emphasize the fact that we are an organization not a club, and we must take advantage of the leadership training offered," the speaker said.

In an open session on School Education it was brought to the attention of all that School Education embraces the whole life of the child in school. It includes curriculum, sports, health, special education finance. (a) The school must be responsible for the development of the intellectual, (b) The school is involved in the expansion of knowledge. (c) It should teach the child how to earn a living.

(d) It should teach the child how to enjoy life. The "'whole child" comes to school. It is our school's duty to develop the limit of his potentialities such as they be. Slow learners must not be pushed aside, or given less attention. In closing Mrs. Davidson urged all to put Home and School in its rightful place in the community.

Mrs. R. Onarheim thanked Mrs. Cook and Mrs. Davidson for giving of their time to speak to the association.

Members then enjoyed the refreshments which the kindergarten parents had prepared.

Harry Cederwall Called To Rest . . .

Alban's Pro-Cathedral, the Native Sons of Canada and the Brotherhood of Machinists Union No. 409.

In addition to his widow, he is survived by one son Glen at home and one daughter, Mrs. E. (Joyce) McCurdy of Kenora; six sisters, Mrs. E. Martinson, Mrs. R. Bergman, Mrs. E. Wallin all of Kenora, Mrs. C. Sharples of Pellatt, Mrs. George Bird of Calgary Alta. and Mrs. E. Lundquist of Winnipeg; nine brothers, Everett, Edwin, Edmond, Rudolph, Elmer, Edward, Richard and Gordon all of Kenora and Eric of the Pas, Manitoba. Four grandchildren also survive.

Funeral services will be held in St. Alban's Pro-Cathedral, on Saturday afternoon, April 25 at two o'clock. Canon L. M. Watts will officiate and interment will be in the Lake of the Woods Cemetery.

Please omit flowers. The family request that instead, donations be made to the Canadian Cancer Society.

My little grandson wanted to cut up paper with his new blunt, point scissors. Having just cleaned the room, I told him I would not mind him cutting if he let the scraps fall in the wastebasket, so he said.

Illustrations on the reverse of Canadian currency look like photographs of actual places, but really are artist's conceptions of typical Canadian scenes.
