Our EDITORIAL VIEWPOINT

JUDGE L. A. McLENNAN

The announcement from Ottawa this morning of the appointment of Lawrence A. McLennan, Q.C. as District Judge will be greeted with profound satisfaction. He has been named to fill the vacancy created by the untimely death of the late Judge E. C. Popham.

The office which Judge McLennan will fill makes demands far beyond the appreciation of the average citizen. Facing the new judge today is a heavy file of adoption cases, estate settlements and civil judgments, to name but a few of the many pressing problems which have piled up in less than two months.

Lawrence McLennan brings to the office with him, the universal respect and affection of the people of this district he has served, both in business and service life, for more than a quarter century. A native son who knows and loves this area, he has distinguished himself in his work, in his church and in community affairs. As dean of the District's law association he has, on many important occasions, spoken for Kenora in a manner which has been a source of pride for all who heard him. As a member of the Board of Knox United Church, he has given freely of himself and his time. The Kenora Kinsmen Club will always remember him as an extremely capable president, who later became district governor. Today he is a valued member of the Kenora Rotary Club. Curling, golf and outdoor life hold greatest appeal for him when time permits some leisure.

His interests have been wide, but possibly one of Judge McLennan's most valuable contributions to his community has been as chairman of the management committee of the Kenora-Keewatin District High School Board. In recent years the problem of securing suitable personnel for the teaching staff has been most difficult, and no small amount of credit for Kenora's continuing high standards go to the chairman of the committee.

Judge McLennan brings with him to the Bench all the exacting qualities which traditionally have been found in Her Majesty's judiciary. Together with his knowledge of law, his keen perception, firmness and patience, backed by 25 years of practical experience he is admirably qualified for the high office of district judge.

Congratulations and sincere good wishes are extended to Mr. McLennan on his merit appointment.

LAWRENCE A. McLENNAN NAMED DISTRICT JUDGE

Lawrence A. McLennan Q. C. has been named district judge for Kenora. The announcement was made in Ottawa this morning. He fills the vacancy left by the death last April 10th of Judge E. C. Popham. No date for the swearing-in ceremony has yet been set, but he will assume his new duties almost immediately, which involves sittings at Dryden and Sioux Lookout, as well as at Kenora.

Born in Kenora 51 years ago, Mr. McLennan moved to Fort Frances when his father was appointed Judge at the border town in 1916. After attending Fort Frances schools, he studied in Toronto, graduating in law at Osgoode Hall in 1933. He returned to his adopted home town where he practised law for two years, prior to returning to Kenora.

In 1936 he opened his own law office in the Rioch Block, occupying the premises of the late Col. H. P. Cooke. Two years later when the late Judge Popham received his appointment, he joined with Bill Benidickson M.P. in establishing a partnership with offices in the Imperial Bank Building. In the same year (1938) he was appointed Crown Attorney, holding that position until 1948. In 1946 Mr. Tom Brett joined the firm and two years ago Mr. Vern King became the fourth member of the company.

In 1935 he married Eileen Moore of Owen Sound and the McLennans have three daughters, Barbara, Beverley and Ruth. Judge McLennan is chairman of the Board of Stewards of Knox United Church; was president of the Kenora Kinsmen Club in 1938-39; was governor of this District for Kin in 1943-44 and today is a member of the Kenora Rotary Club. He is presently serving his 5th year as a member of the Kenora-Keewatin District High School Board of which he is chairman of the management committee and serving his first term as chairman of the Kenora election board.

Judge McLennan comes from a home steeped in legal tradition. His father, the late Allan McLennan practised law here; was for many years the Town's solicitor and part time magistrate. In 1916 he was appointed district judge at Fort Frances. His brother, Allan is presently practicing law at Fort Frances.

Jaffray-Melick Dial Exchange Equipment Ready

Work has been completed on the installation of the new dial equipment in the Jaffray-Melick exchange of Norwesto Communications Limited.

Meanwhile, crews are rushing completion of rewiring, equipping phones and testing.

All will be in readiness for cut-over to dial service on June 7, 1959, as scheduled.

This conversion job was started in December 1958 and employed up to thirty-five men on engineering, construction, cable splicing, phone installation and dial equipment installation.

Minnesota School Band To Play Here On Friday

Due to error in dates originally discussed, the visit of the fifty-five member High School Band of Floodwood, Minnesota will not take place until Friday, May 22nd. Announcement was made in Wednesday newspapers that the band would be here today, Thursday, but this is incorrect. In order that as little time as possible will be spent away from school, the band will arrive on Friday.

The original arrangements stand as to the concert planned for 1 o'clock [illegible], which will take place at 1 p.m. on the spacious lawns of the Home. Citizens who can attend are invited to join with the residents and staff at the home.

The downtown concert, will be held, weather permitting, at the south end of Main Street in order that the newly seeded Memorial Park will not be disturbed. If inclement weather is experienced other arrangements will be made and announced over the air.

This outstanding school band had an outstanding season last year, and was in demand throughout Minnesota.

LUCKY DOLLAR

Today's lucky dollar put in circulation this morning by a member of the staff of Radio Station CJRL bears the number, DL - 1995153 and is redeemable at the radio station for a $5.00 Credit Note, good at any store with Hawaii on the door, up until 5.00 p.m. Saturday, May 23.

Still in circulation and good till 5.00 p.m. Friday is lucky dollar, FL - 3916415.

Town Of Kenora Tax Notices In The Mail

Most mailboxes in Kenora will have a letter deposited in them on Friday since over five thousand Town of Kenora tax notices were put in the mail today. They will contain details of the 1959 tax levy for a total requirement of $1,042,990.42. The tax rate has been set at 75 mills for residential and 81 mills for commercial.

C. S. McGimsie, collector of taxes stated today, that collection of taxes for the past two years has been outstanding with tax arrears for the two years amounting to only $80,000. This figure is so low, he stated, that the town has not held any tax sales, nor has there been a Court of Revision.

Mr. McGimsie further stated that, there have been relatively few complaints from tax payers during the past few years. They are conscious of the fact, he said that their council is doing an excellent job in providing needed services such as paved streets and lanes, new sidewalks and better street lighting, and school facilities and community services.

The first installment of taxes is due June 10, 1959.

Minister Of Energy To Speak Here Friday Noon

The Honorable Robert McCaulay Q.C., newly appointed Minister of Energy for the Province of Ontario, will visit this area on Friday.

The Keewatin Progressive Conservative Association, will be hosts at a luncheon honoring Mr. McCaulay, to be held at 12.30 p.m. at the Five Spot.

Mr. James Drew, president of the Men's Association and Mrs. Clive Drew, president of the Ladies' Organization will welcome the Minister on behalf of citizens of the area.

Born in Toronto, thirty-eight years ago, the Honorable Robert McCaulay is the youngest minister in the Frost cabinet. Elected in 1951 in Toronto, Riverdale, he was re-elected in 1955. On April 24th, he was made Minister without Portfolio and on May 6th of this year, he was made head of the Energy Department. The setting up of this department by Premier Frost, in the first of its kind in Canada.

A graduate of the University of Toronto and Osgoode Hall, the Minister is also vice-chairman of the Ontario Hydro Electric Commission and has earned an enviable reputation as a most able speaker and debater.

Following the reception in Keewatin, he will leave for a speaking engagement at Vermilion Bay and an evening meeting in Dryden.

Nurses Honor Gay Houghton

Mrs. Gay Houghton, who has been night supervisor at the Kenora General Hospital for the past eight years was honored last evening by her associates at a social evening held in the Nurses' Residence.

Mrs. Houghton, who is leaving the hospital at the end of May, was presented with a lovely gift.

On behalf of the forty nurses present, Mrs. R. Westlund made a presentation of a lovely gift and corsage to the honored guest, and extended very best wishes to Mrs. Houghton.

The serving of a delicious lunch brought a pleasant evening to a close.

Municipalities To Spend $76 Million On Roads, Streets

More than 1,000 Ontario municipalities will spend $76,362,000 this year on normal construction and maintenance of urban streets and rural roads: Hon. Fred M. Cass, Q. C., Minister of Highways has announced that municipal by-laws to that amount have been approved to date by the Municipal Roads Branch of the Department. Provincial subsidies will total $37,646,000, or just half, of the total normal municipal expenditure.

Of the normal expenditure, $29,800,000 will be spent by the municipalities on new street and road construction and $46,500,000 will be used for maintenance. The expenditures will be made on some 72,400 miles of roads and streets under the jurisdiction of the municipalities and do not include expenditures made by the province on the King's Highways and Secondary Highways.

Romeo Porlier Former Resident Died In Toronto

Word was received in Kenora of the death this morning of Romeo Porlier of 30, Manitoba Street, Toronto former well known resident. Born and educated in Kenora, he was [illegible] time a member of the Kenora Police Department and worked at the mill prior to leaving for Toronto some ten years ago.

He is survived by his wife Georgina, one son Allan, two daughters, Patricia and Betty, his father Andrew Porlier of Kenora, two brothers, Napoleon (Pete) and Ernie both of Kenora and three sisters, Mrs. Alexendria Parisien and Mrs. Alf Rousseau both of Kenora and Gertrude Porlier of Fort William.

Funeral services will be held in Toronto on Saturday. Time and place was not known at press time.

THANK YOU

The Rag Drive committee of the Ladies Auxiliary of the Kenora General Hospital wish to extend their sincere appreciation for the wonderful response to their appeal.

A thank you to all citizens of Keewatin, Norman, Kenora, Rabbit Lake for your co-operation and a special one to all principals, teachers, girls and boys; CJRL, and the Canadian Legion for the use of a room as a depot.

ELECTED AT TORONTO MEET

T. A. SAUL HEADS PROV. TUBERCULOSIS ASSOC.

Mr. Thomas A. Saul, well known Kenora citizen, has been signally honored in the field of public service, by being named president of the Ontario Tuberculosis Association at the 14th annual meeting of the group held recently in Toronto. Dr. H. T. Ewart superintendent of Mountain Sanatorium, Hamilton, was elected Vice-President.

Long active in the endeavours of the Tuberculosis Association both locally and in the province, this new appointment for Mr. Saul is well warranted, in recognition of his many years of service in this field for our town, the district and the province. As the new president and automatically a director of the Canadian Association, Mr. Saul will go to Halifax, Nova Scotia at the end of May for the annual meeting of the National Tuberculosis Association and time permitting, he will represent Canada at the International meeting to be held at Instanbul, Turkey, in September.

The entire community joins in offering congratulations to Mr. Saul on his new appointment, which marks the first time that a provincial executive has been chosen from this area.

The Ontario convention which was held in the Royal York Hotel was attended by approximately one hundred delegates from all parts of the province. The Kenora-Patricia District was represented by the President, Mr. Joseph Keane of Sioux Lookout and Mrs. Keane.

Highlighting the convention was a panel discussion by distinguished medical men, with Dr. C. W. L. Jeanes formerly of Great Britain and now on the staff of the Canadian Tuberculosis Association at Ottawa as Moderator. They reviewed the entire tuberculosis program in Canada during the past ten years. It was shown that while there

BOOKMOBILE SERVES MORE

Angus Mowat, director of libraries for Ontario, was among those attending a meeting of Northwestern Ontario Regional Library Board at Rainy River Community Centre recently.

Dan Sudar, regional librarian, attended with two bookmobiles and demonstrated many of the features available including talking books.

All rural schools of Rainy River district are now being served by the bookmobile service. An additional 16 in Kenora district are also receiving attention.

It brings to a total of 129 schools and 39 public libraries and clubs throughout 212,000 square miles of Northwestern Ontario enjoying privileges of the travelling library.

$10 FINE FOR WEARING SHORT SHORTS

MAGOG, Que. — Wearers of short shorts will find themselves short $10 this summer, Police Chief Telesphore Lavoie warned.

The chief said a five-year-old bylaw against shorts which fail to reach the knees — men's or women's — will be enforced.

Chief Lavoie provided a small out for tourists and sidewalk oglers. "Pants-like" shorts that end above the knee will be permitted on the streets.

but the Exhibition does not assume liability for loss or damage.

"We believe this competition will encourage youngsters to use their cameras artistically", Mrs. Jenkins said. "We expect a large number of entries" she added, "and remind all students to get their photographs in soon, as June 5th is closing day and we don't want to disappoint anyone."

Teachers and students of all grades are reminded that June 5th is also closing day for all School Art Competitions.

The pulp and paper industry is continually making a better use of the forests it manages.

PLASTIC BAGS KILL CHILDREN

Chicago—One hundred children may die this year of suffocation in accidents involving that boon to housewives, the transparent plastic bag.

The National Safety Council, making this estimate said it was based upon reports in the council files of 20 such child deaths during the first three months of this year.

One of the most dangerous uses of plastic bags is the do-it-yourself cover for pillow or crib mattress, fashioned usually from large plastic envelopes such as cleaners use for protection of garments, the council says.

Several children wormed their way under such covers and died when the transparent material clung to their faces, sealing their mouths and nostrils.

DRASTIC STAFF REDUCTION

Paul, Idaho,—Officials of this southern Idaho village have solved a distressing problem.

They thought clerk Alvin Stimpson, deputy clerk Alma Stewart and water superintendent and general handyman Arnold Sampe were just too many employees for a village with a population of about 600.

So they fired the three and hired Martell Lindsay to do all three jobs. His salary: $335. The same as was Sampe's.

Manufacturing:

Manufacturers' shipments in March were at an estimated value of $1,820,418,000, 6% above the revised February value and 7% above the value for March last year. The month's rise brought shipments for the quarter to $5,234,646,000 this year compared to $5,039,155,000 in 1958. New orders in the month were 11% higher in value than in February and 5% higher than in March a year ago. . . Steel ingot output in the week ended May 9 eased down to 91.3% of capacity from 94% a week earlier . . . Factory shipments of washing machines were 22% larger in the first quarter this year than last automatic clothes dryers 41% larger.

Merchandising:

Department store sales were a sharp 17% higher in the week ended May 2 than in the corresponding 1958 week . . . Total sales of chain stores in 11 trades were 2% greater in dollar volume in March this year than last, nearly 7% greater in the first quarter. Grocery and combination store chains had an exceptional decline of 3.3% in the month but their sales for the quarter were 6.6% higher. All other trades had higher sales in the month.

Mining:

Iron ore shipments climbed again in March to more than double year-earlier quantity; for the quarter were also more than twice last year's. Increases extended to both export and domestic shipments in both periods.

Transportation:

Railway carloadings in April were more than 5% above a year earlier and the cumulative total for the first four months was 1.3% above. Biggest four-month gains were in loadings of iron ore, crude gypsum, motor vehicles and parts, lumber, timber and plywood, aluminum ore and concentrates, fuel oil, and miscellaneous carload commodities.

Furs:

Fewer pelts were taken from wildlife and ranch-raised fur-bearing animals in Canada during the last (1957-58) season than in the preceding season, but the value was substantially higher.

Food & Agriculture:

Domestic disappearance per capita was smaller in 1958 than 1957 for butter, fluid milk and cream, and concentrated whole milk products and slightly larger for cheese, ice cream and concentrated milk by-products.

MAY 21

Canadian National Exhibition School Art Competitions

"Camera addicts grow younger every year," Mrs. Elsa Jenkins, Manager of the Canadian National Exhibition Women's Division, said, "so this year for the first time our School Competitions include a photographic contest open to students in grades 9 to 13." The theme of the contest is "Teen Days". Entries must be black and white only, no smaller than 5" x 7" and no larger than 8" x 10", and must carry a teacher's certification of age and school grade, and the full name and address of the student.

Photographs will be judged by a panel of professional photographers on a basis of the best interpretation of the theme, with prizes of $50.00, $30.00 and $20.00 donated by Canadian Photographers magazine. Not more than four prints may be submitted by any one student and must be sent to the Women's Division not later than June 5th.

Entries should not include negatives, but they should be available to make prints for display at the CNE. Every effort will be made to return prints,

—backache?
—tired out!
—rest disturbed!

ARE ALL WIVES FED UP?

When they are troubled by backache, that tired out feeling or disturbed rest, many, many women turn to Dodd's Kidney Pills. These conditions can be caused by excess acids and wastes in the system and Dodd's Kidney Pills stimulate the kidneys and aid their normal action of removing these excess acids and wastes. Then life seems brighter, housework lighter! Why don't you, too, try Dodd's? 63

BIRTHS

Mr. and Mrs. W. E. Sinclair wish to announce the birth of their son, on May 20th at Kenora General Hospital. Weight 7 pounds, 13 ounces.

IN MEMORIAM

In loving memory of our dear son, Thomas Roy, who passed May 21, 1951.

To know we never said goodbye,
will always bring regrets.
But hearts that loved you dearly,
are the ones that won't forget,
God took your hand,
we had to part,
He eased your pain,
but broke our hearts.
Those hands that rest forever,
made the home that now is gone,
God forgive our silent tears
and wish that he were here.

Lovingly remembered by his Mother and Dad.

ANNOUNCEMENTS

The annual meeting of the Kenora District Music Festival Association will be held on Friday evening, May 22nd at 8.00 p.m. in the Council Chambers. A good attendance is required.

A Musical Tea will be held in the lower hall of the Presbyterian Church on Saturday, May 23rd from 2.30 to 5.00 p.m. Sponsored by the Ladies Aid. Home Baking will be sold.

Ontario Foremost In Canadian Agriculture

Cash income of Ontario farmers is revealed by the Dominion Bureau of Statistics as 31.1% of that of all farmers in Canada, and is almost as great as the combined cash income of farmers in Prince Edward Island, Nova Scotia, New Brunswick, Quebec, Manitoba and British Columbia.

Milk cows in Ontario comprise 32.4% of the total number in Canada, hogs 30.0%, sheep and lambs 22.6% and hens and chickens 41.2%.

Ontario produces all of the winter wheat grown in Canada and stands first in the acreage planted to mixed grains, grain corn, fodder corn, dry beans soybeans, rutabagas and tobacco second in acreage of fall rye, hay, sugar beets and potatoes. Practically all the production of dry beans and soybeans is in Ontario. In the case of dry beans, the acreage in 1958 was 65,500 and soybeans 256,000 acres. Acreage of sugar beets in Southwestern Ontario is being expanded greatly and will amount to 40,000 acres in 1959 as compared with 20,600 in 1957. In 1958, Ontario grew 125,775 acres of tobacco with a production of 188,400,000 pounds. This crop, the largest ever harvested for Ontario, has an estimated value of $90,000,000. Ontario potato acreage is second only to that of Quebec and should increase this year as a new potato flake plant, the first in Canada, will be built at Alliston this year.

Statistics such as those above are compiled from the basic information supplied from the Annual June 1st Survey schedules which will be distributed to every farmer across Canada at the end of May. Ontario farmers have always given an excellent response to this survey and their cooperation in filling out and mailing their schedules promptly is again requested by the Ontario Department of Agriculture which computes the figures for this province.

The survey has absolutely no connection with taxation. Individual returns are never divulged to anyone and are used only to prepare county and provincial totals.

T. A. Saul Heads Prov. . . .

(Continued from Page 1)

has been a decided decline in the death rate due to tuberculosis, chiefly through improved treatment techniques, there has been no decline in the incidence of occurrence of TB. There are just as many cases of active TB discovered now as there were ten years ago. Approximate figures showed 1,350 cases in 1949 and 1,315 in 1958. Figures also showed patients leaving sanatoria in a relatively short time compared to ten years ago.

Also addressing the meeting was G. J. Wherrett, executive secretary of the Canadian Tuberculosis Association at Ottawa, who told of the work in TB being done at the International level. He suggested that Canada should invite the International organization to meet in this country in 1961.

An interesting feature of the annual gathering was the testimonial dinner tendered to Dr. G. C. Brink, head of the Division of TB control for Ontario Department of Health, who will be retiring this year. He was presented with a beautiful oil portrait.

Full reports of the meeting will be given at the annual meeting of the Kenora Patricia District Association, to be held in Kenora in June.

Municipalities To Spend $76 Million . . .

(Continued from Page 1)

In addition to normal expenditures by the municipalities, the Department of Highways has made provision for special municipal capital projects estimated at $41,296,000, and extraordinary winter maintenance costs of $3,004,000. This would bring total municipal expenditures on roads and streets in 1959 to $120,700,000 of which $61,500,000 would be covered by provincial subsidies.

THOUGHT SIGNS HURT DISTRICT

REDONDO BEACH, Calif. — Signs have been bobbing up in the Pacific Ocean for months. More than 200 of them.

And, simultaneously, for rent and for sale signs have been vanishing as rapidly as put up by real estate firms in Redondo Beach.

The mystery's solved now. Real estate man Phil Mehan found a leading citizen trying to swipe a sign.

He considered the signs made the area look ugly, he explained. So he just jerked them out and dumped them into the ocean.

There won't be any prosecution.

Many Canadian farmers draw substantial revenues annually from their woodlots.

Albert Wren Says:

He is proud of the Presbyterian Church in Kenora for their forthrightness in advocating a hostel for our Indian people in Kenora. We need these services right across the North. Albert says that when people arrive from Europe, our people, quite properly, go out of their way to help the new arrivals to become accustomed to their new environment. That's the way it should be. But why, asks Albert Wren, should we not do the very same thing for our own Canadian Indian population, some arriving in our midst for the first time? Albert Wren has championed the cause of humane treatment of Indian and non-Indians ever since he has been a Member of the Legislature and long before. We should get behind Albert Wren and turn what is regarded as a "problem" into a happy solution to citizenship.

THE VOTERS' LISTS ACT, 1951

PART III

NOTICE OF REVISION OF VOTERS' LISTS

(IN URBAN POLLING SUBDIVISIONS)

NOTICE OF SITTINGS of the Revising Officers in the Electoral District of Kenora

Public Notice is hereby given, pursuant to Section 74 of The Voters' Lists Act, 1951, of the revision of the voters' list for all polling subdivisions comprising Registration and Revising District No. 1 and including all polling subdivisions for the Town of Kenora in the Electoral District of Kenora.

AND FURTHER TAKE NOTICE that sittings will be held by the revising officers at the times and places set forth in the schedule hereinafter set out. Any person qualified to vote at the pending election to the Legislative Assembly and whose name has been omitted from, or incorrectly entered in, the enumerator's list of voters is called upon to attend at the times and places hereunder mentioned for the purpose of having his name enrolled upon the voters' lists to be used at the said election. Complaints which have been properly filed with reference to names wrongfully entered upon the enumerator's lists will be heard at these sittings.

Voters' Lists for this Electoral District will be open for public inspection at the office of the Returning Officers located at 241 Second Street South, Kenora between the hours of 8.00 A.M. and 11 A.M. and 12 Noon and 4.00 P.M., on Friday, the 15th day of May 1959.

The lists may also be inspected at the office of the Clerk of the Municipality between the hours of 8.00 A.M. and 4.00 P.M., on and after Friday, the 15th day of May and at Party Committee Rooms between the hours of 9.00 A.M. and 8.00 P.M. on and after Friday, the 15th day of May, 1959.

All Times Mentioned Are Central Standard Time

Royal Tour Plans Set For Seaway Opening

Her Majesty The Queen and President Eisenhower will formally open the St. Lawrence Seaway at ceremonies beginning at 11 a.m., June 26, it was announced in Montreal today by J. C. Lessard, Vice-President of the St. Lawrence Seaway Authority, and co-ordinator of the opening programme.

The historic event will take place at the eastern approaches to St. Lambert Lock, across the St. Lawrence River from Montreal.

More than 50,000 people, including 5,000 official guests - many of them visitors from the United States - are expected to attend the ceremonies.

Hosts for the occasion will be the Seaway entities of Canada and the United States.

The Queen and Prince Philip and The President and Mrs. Eisenhower will leave St. Hubert at 10.30, travelling to the ceremony site, arriving at the entrance to the site at 10.50.

The official ceremonies will be centered at the western end of a 300-acre area bordering the approaches to St. Lambert Lock. The limousine carrying Her Majesty and The President will enter the area toward the eastern end and proceed along a raised roadway, or mall, to the official platform.

The scene at the site will be one of colour and pageantry. The mall will be flanked by the house flags of shipping companies whose vessels sail the Seaway; United States and Canadian bands will be present and arrangements are being made to provide a full programme of entertainment during the period prior to the arrival of Her Majesty and The President.

The Royal Yacht Britannia will be berthed in the Seaway channel about a half-mile east of the official platform. Three escorts, the U.S. destroyer Forrest Sherman, the Royal Navy frigate Ulster and the Canadian destroyer escort Gatineau, will berth near the Royal Yacht.

The formalities will last 30 minutes. B. J. Roberts, President of the St. Lawrence Seaway Authority (Canada), will speak briefly and present Her Majesty with a commemorative book containing the names or organizations and individuals who participated in the construction of the seaway project. Lewis G. Castle, Administrator of the Saint Lawrence Seaway Development Corporation (United States), will present a commemorative book to President Eisenhower and request that the Seaway be declared open, following which The Queen and The President will deliver brief addresses.

After the ceremonies The Queen and The President will embark in the Britannia for a five-hour cruise through the Seaway to Lower Beauharnois Lock. As The President boards the Britannia, the Canadian destroyer escort Gatineau will fire a 21-gun Presidential salute.

Minutes after leaving her berth at 11.50 a.m., the Britannia will pass through specially constructed ceremonial gates spanning the approaches to St. Lambert Lock. Britannia's passage through the gates will mark the symbolic opening of the waterway.

One eighth of all the wood cut in Canada is the fuelwood used for heating.

The woodlands of the pulp and paper companies are managed on a scientific basis.

A Sunday Night Snack To Serve With Coffee

IN every recipe file, there should be at least one card for an all-in-one meal that's quick, easy and delicious. And this one for Poppy Seed Cheese Loaf is just the recipe. It's perfect for the Sunday night supper, when you want something hot and filling to go with cups of steaming coffee.

All you need is a loaf of bread, some sliced cheese and a few savory trimmings. The loaf itself is sliced diagonally, then each cut is spread with a luscious mustard mixture and filled with the cheese. The next step is simple — just bake the loaf in a moderate oven and serve it with a tangy horseradish sauce. And don't forget the coffee. It should be your Sunday-best — strong, piping-hot and delicious.

Poppy Seed Cheese Loaf

1 small loaf unsliced white bread
½ cup butter or margarine
1 medium onion, minced
2 tablespoons poppy seed
¼ cup prepared mustard
Packaged sliced process Swiss cheese

Trim crusts from loaf, keeping the rounded shape of the top. Cream butter or margarine and add onion, poppy seed and mustard. Cut through bread diagonally at 1½-inch intervals, to within ¼ inch of bottom. Spread cut surface with mustard mixture, reserving enough for top and sides. Insert a slice of cheese in each cut. Spread top and sides with mustard mixture. Bake in moderate oven, 350°, 15 to 20 minutes. Serve with Horseradish Cream Sauce. Makes 6 servings.

Horseradish Cream Sauce

1 cup dairy sour cream
2 tablespoons prepared horseradish
2 tablespoons drained pickle relish
Dash Tabasco

Combine all ingredients and chill. Makes 6 to 8 servings.

it's a FACT

The word history comes from a Greek word meaning inquiry. It was first given its modern meaning by Herodotus, an Ionian Greek. In the middle of the fifth century B.C. he wrote his "History," an inquiry into the causes of the long wars between the Greeks and the Persians. Even though he was not an accurate historian, Herodotus reconstructed a past period and made it live again.

WHERE CARS ARE ALWAYS SOLD FOR LESS

Members of the Ladies Auxiliary of the Kenora General Hospital are pictured Wednesday afternoon at the Legion as they sorted and packed the bundles of rags donated by local householders. School children collected many of the bundles. Proceeds from the sale of the rags will be used to supply needed items for the hospital.

LITTLE GIRL NEARLY LOST HER BIG DOG

LONDON, Ont. — A 12-month old London girl, Karen Anne Berry, has her bosom pal Duke back today after a short stay in the guardhouse at Wolseley Barracks and near deportation to the U.S.

When the great dane turned up at the barracks Tuesday, officials thought he might have been a United States Air Force mascot picked up by the Royal Canadian Reiment on a visit to Pittsburgh last week.

He eluded impromptu dog catchers at the base but was nabbed by city police. Full of tranquilizer he was in the guardhouse set for shipment to Pittsburgh when a city policeman recognized him in a newspaper picture as a dog belonging to his neighbors, Mr. and Mrs. William Berry.

PARSIPPANY, N.J. — Stuart H. Loory stopped off to make a call from a service station telephone booth.

After the call, he found the door wedged. So he called the operator.

The operator decided to call the owner of the service station to see whether he could free Loory. The number she rang was — you guessed it — the one Loory was trying to get away from.

Loory used his last dime to call police, but by the time they arrived a passing motorist had freed him.

'LOVE APPLE' LEAGUERS ASSEMBLE

GUERNSEY, Channel Islands — Some 50 children of the Love Apple League, whose aim is to brighten the lives of kiddies everywhere, assembled here today from four continents for their annual convention.

The youngsters pursue their aim by sending flowers to children in hospitals and institutions. The young delegates came from Britain, the United States, India and Africa.

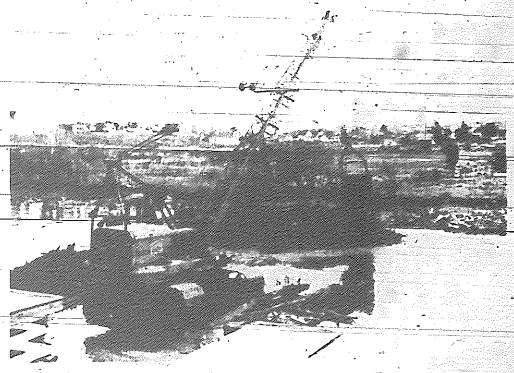
Two little Guernsey girls began the project five years ago. They took some of the island's wild primroses to Herbert W. H. , manager of the local airport restaurant, and asked him to send them to a British hospital.

The captain of an airliner volunteered to take the flowers. The small patients wrote their thanks and the idea spread. Now just before a pilot takes off for London, Aberdeen or Frankfurt, Hill tosses a bundle of flowers into the cockpit and says:

"Leave these at some hospital or orphanage at the end of your run and don't bother me with any bill for air freight."

An organization of flower gatherers was formed and named the Love Apple League. Guernsey is known for its fine tomato crops, and the old name for the tomato is love apple.

Children of many cities now are gathering flowers and sending them long distances.



Dredging of Laurensons' Creek commenced Tuesday morning. Machines of the Jack Edwards Co. of Kenora, are pictured working near the First Avenue bridge. When completed, the new depth of the creek channel will be a boon to all boat owners of the area.

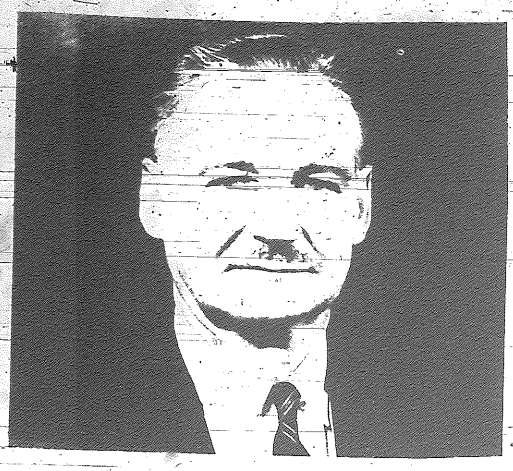
APPOINTMENT ANNOUNCED



JUDGE L. A. McLENNAN

The appointment of L. A. McLennan, Q.C. as District Judge for the District of Kenora was announced by Justice Minister Fulton at Ottawa this morning.

Blood Storage Limit Increased

Chelsea, Mass. — The Navy took the wraps off a development which is expected to revolutionize storage and use of blood.

Hitherto red cells have had a usable life of not more than a month, often not more than 20 days.

But Navy medical officers disclosed more than 500 entirely successful transfusions have been made at the U.S. Naval Hospital here with blood stored anywhere from a month to two years, and they think two years will not long remain a limit.

The technique will be unveiled formally at the American Medical Assn. Convention at Atlantic City, N.J., June 8.

The development has been a joint achievement of the Navy and the Protein Foundation.

Blood is transferred to a fractionator, which works on the same principle as a cream separator. The fractionator separates the red cells from other elements. The red cells then are mixed in glycerine and placed in a freezer. The gycerine prevents formation of ice crystals which would destroy the red cells.

Everything hinges on preserving the red cells. Storage of plasma poses no problem.

STOPPED THE WRONG AUTOMOBILE

INDIANAPOLIS — A man carrying a bulky trenchcoat hurried up to a light blue car stopped for a traffic light near downtown Indianapolis.

"Quick, give me a ride," he ordered.

"What's the hurry?" asked the driver.

"I just grabbed some whisky and I want to get away from here," answered the stranger, opening his trenchcoat to disclose a case of liquor he said he had taken from a truck.

"Okay," said the driver. "Let's go."

And go they did—straight to police headquarters where Patrolman Alfred Finnell, driver of the unmarked police car, arrested Willis Overton, 34, on a charge of larceny.

BOY GODIVA SUSPENDED FROM SCHOOL

POOLE, England — Christopher Babbetts, 16, was suspended from high school today after admitting he rode naked on a motorcycle through a park.

"I did it because other boys bet I wouldn't," he said.

Riding motorcycles in the park is contrary to bylaws.

IPSWICH, England — A man who stole a £300 car complained to police when it was stolen from him. Investigations ended with a 15-month jail sentence for the complainant.
