KEEWATIN COUNCIL SETS TAX RATE AT 56 MILLS

Prior to the opening of the Keewatin Town Council Meeting, held Monday July 13, Mayor Hodkinson asked Council to observe a moment of silence in memory of the late James Forbes, former Mayor of the Town of Keewatin, who passed away in Winnipeg Saturday, July 11th. Mr. Forbes was a member of Council during the years 1936, 1937 and 1938 and Mayor during the years 1939, 1940, 1948, 1949 and 1950.

Following the reading of the minutes of the last meeting and the special meetings held June 17th and July 6th, Mayor Hodkinson brought to the attention of Council the lack of proper drainage which presently exists due to the collapse of portions of the drain which carries the run-off water from Superior Street in the neighbourhood of the Athletic Grounds through to Bay Street, then from Bay Street to Ottawa Street. The matter was referred to the Board of Works with the suggestion that an eighteen inch drain be laid in an effort to effectively control the excessive accumulation of water in this area.

A communication from the Department of Municipal Affairs containing a cheque in the amount of $1,858.07 covering an interim payment of the Unconditional Grant was moved filed. The application of Mr. F. Mislawchuk for the purchase of Lot 5, Block 7, Plan 18 was received and the sale of same was authorized for the sum of $200.00. The communication from the Secretary of the Keewatin Public School Board advised of the requirements from the debenture issue for the new school.

Mr. L. A. Reid, in a communication directed to Council concerning the opening of a portion of 13th Street, requested written encroachment on Lot 14, Plan 59 [illegible] which [illegible] Mr. [illegible] year was [illegible] [illegible] ject. In a communication dated June 22nd, Mrs. Gladys L. Schroder enclosed a cheque in the amount of $15.00 to cover the Licence which Council had approved for a Restaurant Mobile Unit. Mr. W. K. Warrender, Minister of the Department of Municipal Affairs enclosed a cheque for $18.00 being payment under the Fire Departments Act.

A communication from Mr. R. D. P. Eaton, Medical Health Officer, District of Kenora Health Unit drew the attention of Council the unsanitary condition which presently exists at the Keewatin Bathing Beach due to the manner in which drinking water is dispensed. The Parks and Recreation Committee of Council advised that the matter will be corrected immediately and that the Caretaker will be instructed as to the steps necessary to eliminate this complaint.

Mr. E. F. Norton, Secretary, Kenora District Council Boy Scouts Association advised Council of the intention of the Association to hold the annual "Apple Day" on September 11th and 12th, 1959. Council approved of the request.

The Canadian Surety Company Fire Policy covering equipment in the telephone office was received from Mr. G. G. Landry. The application from Mr. W. B. Bailey for the purchase of the west one-half of lots 9 and 10, Block 43, Plan 18 for the sum of $100.00 was referred to the Finance Committee of Council for consideration and recommendation.

A letter of appreciation from the Secretary of the Keewatin Minor Baseball Association, one from the Office of the Fire Marshall and another from the Office of the Minister of the Department of Municipal Affairs containing a cheque in the amount of $1,949.00 covering the first installment of the Unconditional Per Captia Grant were all moved filed.

Keewatin Branch No. 13 of the Canadian Legion requested permission for the use of Beatty Park for the annual Decoration Day Services August 2nd, also permission to use the Athletic Grounds Monday August 3rd, and the Keewatin Memorial Rink for the evening of August 3rd. The request contained an invitation to Mayor Walter Hodkinson to attend the Decoration Day services at 2.30 p.m. August 2nd and a luncheon which follows the services. An invitation was also extended to the members of Council to attend the above services. Permission as requested was granted.

Mr. P. L. Ashdown requested that Lake Street be blacktopped in the vicinity of his summer cottage. The Clerk was directed to advise Mr. Ashdown that although it is not possible to comply with his request every effort will be made to maintain this road. A statement of fines and a cheque enclosed in the amount of $16.76 from the Magistrate's Office covering this municipality's portion of fines for the month of June, also confirmation of approval of By-Law No. 679 in the amount of $4,300.00 by the Minister of Highways for subsidy purposes was received on advice from the Municipal Engineer of the Department of Highways.

Mr. T. A. O'Flaherty, Barrister and Solicitor, Kenora, Ontario, advised Council of the decision of the Lake of the Woods Milling Company to appeal to the Ontario Municipal Board from the decision of His Honour Judge P. J. McAndrew concerning the [illegible] made in 1958, also an application by the appellant for a remission of taxes on a portion of its property in the Town of Keewatin under Section 124 of The Assessment Act R.S.O. 1950 Chapter 24.

Numerous accounts totalling $35,244.98 were received and authorized paid.

Council was advised of the burning out of the hot water heater in the Municipal Memorial Building as a result of lightning also that the Electrical Inspector had made an inspection and it is felt there should not be a recurrence of this type.

Considerable gravel will be used shortly for the reconstruction of several gravel roads washed out as a result of the exceptionally heavy rains which have been experienced. Some hauling and filling has been completed to date. It is expected that additional gravel will be used in the new development to maintain the existing roads in that area as well as on other gravel roads throughout the municipality.

The Clerk was directed to arrange for the installation of street lighting on both Ontario and Fifth Streets, also the purchase of one Globe M/M Resuscitator for use in case of accidents at the Keewatin Bathing Beach during the summer months and with the Fire Department during the balance of the year.

Mayor Hodkinson gave a detailed and most interesting report to Council of the invitation which he and Mrs. Hodkinson had received and accepted to attend a luncheon July 9th at the Royal Edward Hotel, Fort William in honour of Her Majesty Queen Elizabeth and Prince Phillip Duke of Edinburgh.

The Clerk advised Council of the inspection of the Keewatin Memorial Rink by Mr. S. J. Bjorgford and following a cursory inspection of the rink, returned to the Clerk's office and advised that the cost of a satisfactory examination would be approximately $200.00 Mr. Bjorgford also advised he would arrange to return in the very near future to make a full inspection of the rink.

As a result of a communication from the Assistant Speed Zoning Analyst, Department of Highways, Toronto, in which a graph was submitted showing average speed limits at given points on Highway No. 17 within the boundaries of the Town of Keewatin, considerable discussion developed. Council was still of the opinion that their decision made April 13th was best suited. The Speed limits as suggested by Council were 40 miles per hour on Highway No. 17 from the western boundary of the Town of Keewatin to the west entrance to the Town and a speed limit of 30 miles per hour on Highway No. 17 from the west entrance to the east boundary of the Town of Keewatin.

By-laws to provide for the establishment or maintenance of a Reserve Fund; to authorize a Grant-in-Aid to the Kenora General Hospital; and to provide for an increase in both day and night scavenging charges by $1.00 per annum, and provision to Assess and Levy Rates for the year 1959 at the rate of 56.0 mills for residential and 58.5 mills for commercial and industrial properties were all passed.

Mayor Hodkinson was authorized to proclaim Monday, August 3rd, 1959 a Public Holiday.

Keewatin Legion Makes Plans For Civic Holiday

At the regular general meeting of the Keewatin Branch of the Canadian Legion, Monday, June 20 President Ben Brodie gave a complete report on the convention held recently in Winnipeg. During the convention he said an eye bank was discussed and forms are now available to members who wish to donate their eyes, after death.

Secretary Carl Christianson gave a report on the last general and executive meeting and the financial statement was read.

Committee reports showed the July 1st holiday bingo in support of the Boy Scouts was not a fin[illegible] and it was decided to have another bingo for the Civic Holiday.

Decoration Day and Civic Holiday committees were formed and all members are asked to do there share in making the days successful.

Mayor Hodkinson expressed regret that the color party did not take part during the Queen's visit to the Lakehead.

It was announced that Dart club members are now waiting for a challenge from Dryden for the Command Dart Shield, hoping this game can be played in the near future.

An invitation was received from the Red Lake Branch to attend their Decoration Day, August 16, it is hoped members will attend.

The Hundred Club was won by Mr. Reishel with ticket no. 13.

Being no further business the meeting adjourned.

Magistrate's Court

Tuesday afternoon at court a man from the Rat Portage Band was sentenced to six months definite and three months indefinite in an Ontario Reformatory for assault, occasioning bodily harm.

Evidence showed that the man had entered another man's house through the attic and then proceeded to beat up the owner causing severe injuries.

Four drunks made up the docket this morning. Three were first offenders and were each fined $10 and costs and the fourth man, a second offender paid $50 and costs.

PUBLIC SCHOOL BOARD CARRYING OUT RENOVATING PROGRAMS AT SCHOOLS

The main item of business dealt with at the Regular Meeting of the Kenora Public School Board on Monday night was a progress report of the various jobs being performed at the schools. Most repairs, renovations and landscaping can only be done during the two months when school is out. Tenders were called during the month of June and the early part of July for a number of projects to be completed before the opening of school in September. Favourable progress is being made on these.

At West Ward, the contractors have begun painting the inside of the school. The Town Engineering Department is also in the process of relocating the road across this school ground and as soon as a survey is made, this work will be completed.

At South Ward, the basement auditorium renovation is proceeding nicely with the new concrete floor now in place. Further work here includes the placing of asphalt tile on the floor, the construction of a new stage and the installation of a folding partition so that one end can be used for the new kindergarten class. The Fire Escapes will be installed as soon as the steel is received.

At North Ward School, some decorating has been done in the Principal's office. It was also noted that the contractor, has commenced work on the roof renovation. The present roof will be replaced by a lower flat roof, giving the school a better silhouette.

At King George VI School, a start has been made on the landscaping programme and it is hoped to get one or two of the play areas ready by September. The painting contractor has also completed painting the outside of the school. This school suffers considerably from vandalism. Not only do we have frequent breakage of windows, but one of the new bicycle racks was forcibly removed from its concrete base.

Central School will also receive extensive repairs, including the new Canopies over the entrances, and plastering of the walls in the basement rooms. A landscaping programme has been started on the area to the west of the school.

Except for some planting of trees and shrubs, the planned development programme will be completed at Evergreen School this year. The Contractor is presently working on a contract calling for the laying of nearly 7,000 sq. yds. of sod. A second basketball court has been paved and a softball diamond, complete with blacktop, has been installed behind the school. Two areas, a senior and a junior, have been laid out with swings, slides, seesaws, and tetherball equipment. The Board invites all parents and citizens to inspect this school playground. Similar development programmes are planned for the other schools.

Mr. S. Karlsson, Supervisor of Maintenance, who supervises these jobs, also reported on the school for Custodians that he attended in London, Ont., the latter part of June. Some of the very important topics that had been discussed were "The Advantages of an Organized Maintenance in the Schools"; and the "Position Duties and Responsibilities of Caretakers in the Schools".

In other business, the Board approved for payment, accounts totalling $49,545.81, confirmed the appointment of Mrs. Doris Percy and Miss Joanne Holbrook to the teaching staff, and extended to October 31st, the term of employment of Manuel Carvahlo of the maintenance staff. It also confirmed the acceptance of the lowest tenders on three jobs now in progress: $6,015.00 for the renovation of the roof at North Ward; $4,441.20 for the renovation of the basement at South Ward; and $1,486.00 for the installation of the Canopies at Central School. All three were submitted by P. A. Chop. Also accepted was the quotation of $226.00 by Central Electronics for the installation of loudspeakers in the top floor classrooms at Central School.

All Stars Play Warroad Play Here Saturday, Sunday

Kenora District Baseball League president, Ted Harley, has announced that the Warroad Warriors from Warroad Minnesota will be the opposition for the Kenora District Baseball League Allstars in the two allstar games scheduled for Saturday July 25 in Kenora and Sunday, July 26 in Keewatin.

All profits from the two games will go to the Kenora District Baseball League players fund. The umpires in the league have donated their services for the all star encounters.

Well managed, the Canadian forests can be harvested forever.

AT WINNIPEG

MIKE ALLEN CONTINUES BRILLIANT GOLF PLAY

Highlighting the second round of play of the 36 hole qualifying test in the Manitoba Junior Golf championship Tuesday, at Niakawa Country Club was Kenora's Mike Allen who scored a sparkling three under par 69.

Mike's brilliant sub-par score added to his opening 75 from Monday, gave the smooth swinging son of the Kenora Golf Club Pro a 36 hole total of 144, which is par for the route.

Mike, who paced the qualifiers, had a tight battle for 14 holes before pulling away for a 3-and-2 win over 18-year-old Terry Clark of Elmhurst. They were square after nine holes, but Allen won the 10th and 12th, then lost the 13th to hold a one-up lead. After halving the 14th, Allen won the 15th and 16th holes for his 3-and-2 marign.

Mike Allen, unfortunately cannot qualify for a berth on the four man team to represent Manitoba in the Canadian junior golf finals at Montreal. Mike cannot qualify for the Manitoba team because he is a resident of Florida, moving to Kenora only for the summer months while his father, Ralph Allen, serves as professional at the Kenora Golf Club.

Larry Johnson Earning Plaudits In Man. Golf Tourney

Larry Johnson, seventeen year old son of Mr. and Mrs. L. P. Johnson, Kenora, who qualified for the Manitoba Junior golf finals in Tuesday's play at the Niakawa Club, is playing brilliant golf in the tournament.

After placing in the 17 to 18 year old group on Monday, Larry lost a close one in an extra hole game to Emil Homeniuk of Elmhurst.

Homeniuk had to go to the 21st hole before sidelining Larry and he needed three pars on the extra holes to win. Johnson had been ahead most of the match, but Homeniuk drew even on the 18th hole to force the overtime.

Larry's 83 score of Monday and his 78 of Tuesday, still keeps him in the finals.

Martha Francis' Rink Makes Lawn Bowling History

While Kenora's young lads are making golfing history in Winnipeg, here in Kenora, lawn bowling history was made last evening at the lawn bowling greens.

Breaking a country wide record, Mrs. Martha Francis skipped her rink to a nine ender game. This is believed to be a new Canadian record, since the record books do not record any "nine enders" at all.

To make the score more outstanding is that this feat was accomplished against a rink skipped by veteran bowler, Ike Edmondson.

Martha Francis and her team mates, Mrs. J. Howe and Mrs. Alex Barclay are today receiving merited congratulations from all followers of the game.

NEWS FROM HFC:

Bigger loans for today's greater needs

Borrow up to $2500 and take up to 36 months to repay

Compare HFC's service with that of other lending institutions

SURPRISINGLY LOW INTEREST RATES. HFC's charges on loans over $1500 are equivalent to less than 8% per year discount on 30 and 36 month repayment plans.

LOWER MONTHLY PAYMENTS. HFC's new long-term loans mean smaller payments that fit your budget better.

BANKABLE SECURITY not required.

INCOME INTERRUPTED? If you can't make a payment promptly when due, you get helpfulness and understanding in rearranging your payment schedule.

BACKED BY 81 YEARS' EXPERIENCE. Unlike most lending institutions, HFC's only business is making instalment cash loans. That's why HFC is best equipped to serve your immediate wants and needs.

How much do you need? Phone or drop in at any HFC office today.

LAKELAND OUTSCORES DINGWALL'S

Lakeland scored in every inning last night to down Dingwall's 12-9 before a good crowd of fans. Gordon Kariam handcuffed Dingwall's, except for one big inning, aided by some fine fielding by his mates. Karaim started a triple play in the first inning, which is the first of the year and perhaps the first in the league's history, when he speared a line drive by Dennis Misurka with the bases loaded, threw to first, and the tag at second completed the play. The play probably cost Dingwall's the game. Lakeland bats were hot as four players had two hits each. Rich Marcine had a home run and single, Karaim two doubles, Lajeunesse and Lunny two singles. With Lakeland leading 9-0 in the fourth, Dingwall's drew close by plating eight runs on just one hit. The last run by Dingwall's came from a home run by Dennis Misurka that bounced off the top of the fence and went the right way for him. It was his fourth homer over the fence in the last four games. Tommy Francis started for Dingwall's and was charged with the loss; Trevor Williams took over in the third. Russell Percy had Dingwall's other two hits.

		R	H
Lakeland	2 2 3 2 2 1	12	10
Dingwall	0 0 0 8 0 1	9	3

Lakeland's win marks the second time they have beaten Dingwall's in recent days and it preserves their chances of gaining the playoffs. They have three games left and by winning could catch fourth spot. Thursday Acme Cleaners tangle with Lumber Kings and if they start winning could easily snare fourth place, but if they lose it means quite a scramble for that play-off spot. After surging to third place Lions have lost a couple of tough ones and find themselves facing Coca Cola in another must game on diamond "B". Here are the standings in one of the tightest pennant races ever, with the number of games behind Cokes and Lumber Kings who are virtually tied for first.

Team	W	L	GB
Coca Cola	6	2	-
Lumber Kings	7	3	-
Dingwall's	6	6	2
Lions	5	7	3
Acme Cleaners	3	5	3
Lakeland	4	8	4

QUICK CANADIAN QUIZ

1. How many rooms are there in the main Parliament Building in Ottawa?
2. What does the name of Portage la Prairie, Manitoba, mean?
3. What is the main cause of fires in Canada?
4. Over the past five years which has risen the most, the average hourly wage in Canadian factories or the cost of living?
5. Which contributes the most to the personal incomes of Canadians: labour income, investment income, or government transfer payments?

ANSWERS — 5. In 1958 labour income of Canadians was $16.1 billion, government transfer payments to persons were $2.6 billion, investment income was $2.5 billion. 3. Smokers' carelessness caused 9,973 of 25,606 fires in Ontario in 1958; fires caused by electricity led in dollar loss, $3.2 million of a total $35.6 million loss.

1. There are a total of 490 rooms in the Centre Block. 4. Since 1954 average factory wage has risen from $1.40 to $1.70 an hour, or 21.7 per cent; cost of living index rose from 115.7 to 126.1, or nine per cent. 2. It means "portage across the prairie," at the city's site French fur traders started a 20-mile carry of canoes from the Assiniboine River to Lake Manitoba.

Being alone without feeling alone is one of the great experiences of life; and he who practices it has acquired an infinitely valuable possession.

JUVENILE BASEBALL

Pirates 17, on 10 hits, Keewatin Braves 12 on 8 hits. There loyal fans, these boys will show you much better ball as they proceed, the boys of Eric Morgan and Paddy Comber are going to be a definite threat for league honours that is if they stay as lively as they were last evening. The work of Bobby Ames as pitcher and 3rd base was commendable, he kept the infield alive. We looked around the bleachers to see if Merlin the Hypnotist was there, we know there was somthing injected into the Pirates that was not there the previous games and all in all the Pirates did show us they can play Baseball.

This corner can see a battle right down to the wire, the game was featured by the first home run of the season a well hit ball by Wayne Fisher. It would be unfair to pick stars, as both teams played heads up ball, not was one error charged to Frank Townsend who did not report for plate Umpire duties. The rejuvinated Pirates got themselves a win last night. Just as I told you a fan left the park until the last inning was played. Personally on last night's game, it would be hard to choose between the two teams. We can look forward to some high class baseball in this class. Keewatin have a real classy aggregation in these braves, and this corner visulizes playoffs that will please the fans. We do hope more games can be played between the two towns, before we settle down to District playoffs.

We wish to say thank you to Darcy Spencer for his excellent work umpiring behind the plate, and the base umpires and scorekeeper. Fans, keep coming you are going to see some real good baseball. To the players, thank you for being the little gentlemen you have been, you are keeping your promise, so until Friday when the Cubs meet the Pirates. Bye for now and Good luck.

THE GREAT MERLIN TO APPEAR HERE THURSDAY - FRIDAY NIGHTS

Once again it's Merlin Time in Kenora. On Thursday and Friday nights of this week the Master of Mystery and Suspense, the Great Merlin presents at the Thistle Rink at 8.15 both nights, a complete two hour show of top notch family entertainment.

He demonstrates mass hypnosis using volunteers from the audience. He makes a person eat an onion believing it is a peach. Merlin stands on the stomach of a volunteer suspended between two chairs by only his head and heels. He can make a hypnotized person feel the weather change from 40 degrees below zero to 100 degrees above zro.

The Great Merlin's magic asts which features his escape from a straight jacket and a Hudini Box keeps the crowd in hilarious laughter.

A special feature of the Great Merlin's visit will be a free public demonstration of hypnosis on Thursday afternoon at 3.30 p.m. at the Westario Motors used car lot next to the firehall. The public is cordially invited to see the Great Merlin at work.

There are shows both Thursday and Friday at the Thistle Rink - starting time is at 8.15. There are special children's prices and as always it is expected that capacity audiences will take in this fine family entertainment.
