Our EDITORIAL VIEWPOINT

SAFETY AT THE BEACH

One of the district's beauty spots - one which affords no end of pleasure to residents of Kenora, Jaffray Melick is in real danger of becoming ruined. We are referring to the beach area at Rabbit Lake.

When a road was built to circle the Lake in the mid-thirties, few dreamed that within a short space of time, hundreds of cars would crowd the area,posing a very real danger to life and limb. In recent years, efforts of the Jaffray-Melick Council to correct the potentially dangerous condition, where vehicles are allowed within a few feet of the water's edge, proved unsuccessful. The plan was to move the road back from the lakeshore.

Continuing this chronicle of history, the Kenora Lions Club stepped in to assist by providing dock facilities, and more recently, beach supervisors. The Dept. of Highways. shown the mounting danger which has arisen, posted "No Parking" signs along the beach area, and Ontario Provincial Police have been instructed to enforce the order. This latest effort, instigated by the Lions, may well save the limbs - and lives of carefree youngsters who have been living within the shadow of such an eventuality for some time.

To be deplored, too, in the strongest possible language, is the practice still being followed by some people, of throwing bottles on the beach. In the words of one member of the Lions Club, "these are not pop bottles. Apparently cars park by the water, beer is drank and the bottles thrown onto the beach. Sooner or later the bottles collide, and broken glass is concealled, ready for the feet of the young and old."

The beach is combed carefully each day; yet recently a boy required 14 stitches to close a gash on his foot. This criminal act should command no mercy when the responsible party is brought before the Court.

MAJOR LEAGUE BASEBALL SLATED FOR TORONTO IN SPRING OF 1961

An unexpected announcement from New York this afternoon reports that major league baseball is slated to come to Canada in 1961. The formation of a third major league, in addition to the present National and American Leagues will bring top-flight baseball to Toronto, Minneapolis-St. Paul, New York, Houston and Denver, the other cities which have joined the loop which will be known as the Continental league. Other cities which may join include Fort Worth, Dallas, San Diego and Seattle. A Montreal entry is also possible.

Body of Man Drowned Dec. 1 Recovered Today

The body of William Holodnuk 51, of Kenora, who was drowned in Little Gordon Lake, 45 miles east of Kenora was recovered this afternoon by Ontario Provincial Police. The accident occurred December 1st.

Holodnuk lost his life when he fell through the ice on the lake when out on a hunting trip with five other Kenora men. Holodnuk in company with Frank Garrow, Adam Kinger, C. J. Lowes, Ross Wright and Adolph Bain were testing the thickness of the ice in order to bring in a moose that had been shot the day previous. Bain remained on shore while the others set off across the ice. The ice gave way throwing all five men into the water. Four managed to make it to shore after being in the water for twenty minutes.

The late William Holodnuk is survived by his parents in Middlechurch, Manitoba, two brothers and two sisters in Winnipeg.

IT'S REALLY HOT

It's really hot not only in Kenora but all over Western Canada. The weathermen predicts a record 90 for Kenora and with the reading at 85 at one o'cook, it will surely read that by late afternoon.

Sunday was a scorcher too but farther west it was hotter. Regina had a temperature of 100 degrees Sunday equalling the record high for the day, set July 26, 1929.

The all-time high for Regina is 104.

Moose Jaw, 40 miles west of Regina, had a temperature of 102 Sunday. Officials here did not know how this compared with previous records for that city.

Winnipeg high Sunday was 87, with a high of 90 forecast for today.

A. E. Stewart Dies Sunday

Provincial Police report today that A. E. Stewart, assistant caretaker at the court house was found dead, in the bush near the Airport, Sunday. Death was believed due to a heart attack. Obituary will appear in Tuesdays edition of the Miner and News.

Court Cases Deal With Liquor Infractions

The docket at court Saturday and today consisted of cases all dealing with infractions of the Liquor Control Act. Included were several from Red Lake.

A local man, charged with impaired driving, paid $100 and costs or three months and had his licence suspended for three months.

Getting intoxicated and falling through a window proved to be an expensive misdemeanor for a Kenora man. He was fined $10 and costs and ordered to pay for a new window at a cost of $200.

A Jaffray-Melick man paid $25 and costs or 10 days for causing a disturbance by swearing. Two first offence drunks paid $10 each and costs.

Failing to stop at an intersection resulted in a Wisconsin motorist paying $5 and costs.

Charges laid by the Keewatin police included: a fine of $50 and costs or 30 days for supplying liquor to a Treaty Indian and a fine of $10 or seven days consecutively on drunk charges, meted out to a Keewatin man. A minor charged with consuming liquor paid $10 and costs. Two first offence drunks were each given the usual option, while another was given a suspended sentence.

Biggest fine of the day was given a Red Lake man. He was fined $300 and costs or three months for supplying a minor with liquor.

Other charges against Red Lake residents included: two first offence drunks paying $10 and costs; a minor for consuming liquor $25 and costs, a second offence drunk - $100 or 60 days, a third offence drunk - $200 or three months.

An Ear Falls man paid $25 and costs for causing a disturbance by fighting while another paid a similar fine for consuming liquor while prohibited.

Noden Urges Highway No. 11 Be Major Link

Fort Frances: W. G. Noden, MPP, spoke on behalf of promoting No. 11 highway as a new trans-Canada route across Ontario when he addressed the Fort Frances Rotary club.

Noden said he drove on No. 11 north to Nipigon, Ont., which is east of Fort William, and reported it in good condition as far as it is built. He said missing links are being provided to take the

BIGGEST PICNIC EVER SET FOR MONDAY, AUG. 3

The big event of the summer in Kenora is the annual Rotary Picnic, held each year on Coney Island. With the experience of three picnics to guide them, Rotarians have prepared an even more interesting day for young and old. For example, there are prizes for the oldest man and the oldest lady in attendance; the youngest baby. For the youngsters, the haystack is a favorite, as well as pony rides which are free. There will be baseball pitches for those who like to throw things (and win prizes), bingo and pie eating contests. Of course a major highlight of the day will be the marathon swim, which promises to be an exciting event with many out of town entries.

Here's how Rotarians are organized, under chairman Jim Sutcliffe. vice chairmen E. L. Carter, T. A. O'Flaherty, Art Pitt and Jim Johnson, to handle the various events:

AGAINST WARROAD

ALL STARS TAKE BOTH WEEKEND BALL GAMES

The fifth annual All Star games in the Kenora District Baseball League were played in Kenora and Keewatin on the weekend, with the All Stars winning both games over the Warroad Warriors. Winning the first game in Kenora Saturday night nine to eight, and the second game Sunday fourteen to eight. This is the first time the All Stars have won both games. In the ten All Star games that have been played the opposition have won six of the games.

Luke Bouchard, Dryden Red Sox All Star pitcher came to the relief of Keewatin's Cec Robertson in the first inning to go on to win nine to eight. The All Stars scored nine runs on twelve hits and committed four errors. Bob Everson took the loss for Warroad. Warroad's eight runs, came off eleven hits and they had six errors.

Keewatin's Jimmy Whyte, All Star third baseman, paced the attack in the second game, as he pounded five for six, two doubles and three singles. The teams were tied going into the sixth inning eight all, when the All Stars scored one. The seventh sewed it up for win number two as the All Stars pushed across five runs. Kenora Legion's Gary Beyko, who relieved Dryden's Bob McLelland in the fourth, was the winner. Warroad used three pitchers, Erling Olimb, till the third, Rodger Hagstrom for four more and Lorne Lien pitched the last two. Hagstrom suffered the loss. The All Stars scored fourteen runs on twenty hits and three errors. Fourteen All Stars were left on base. Warroad scored eight runs on thirteen hits and four errors, leaving six stranded.

Previous to Sunday's game, Jimmy Whyte was presented the league's most gentlemanly player award, Legion's Frank Leroux received the most valuable player award and Len Dyck of Dryden the batting championship. Dyck and Lorne McDonald of Dryden won the home run award, each having five. All presentations were for the 1958 season.

COCA COLA KEEPS FIRST PLACE

Coca Cola caged the Lions 5-3 and the Lumber Kings felled Acme Cleaners 13-5 before a good crowd of Saturday afternoon ball fans. As a result, Cokes maintained their half game margin over the Lumber Kings in their fued for first place honours.

Gary Hanstead pitched a nifty four hitter and fanned eight in gaining the win. A Lion's error gave Cokes two runs in the third without Coca Cola registering a hit. Lions came right back with one better as they counted three times on a two run double by Larry Powers, the only hit by Lions. Going into the last of the fifth Lions led 3-2, but the heavy hitting Cokes rang up three runs on four hits to win the game. Greg Duggan had two of the Lions four hits while no Coke player had more than one hit.

		R	H
Lions	0 0 0 3 0 0	3	4
Coca Cola	0 0 2 0 3 0	5	6

The Lumber Kings kept pace with Cokes with a onesided win over Acme Cleaners. Lorne Houghton coasted to victory as his mates found the range on Dennis Lindsay early. It was 6-1 for Lumber Kings after two innings, then a long two run homer by Lindsay in the third brought Acme close. Lumber Kings outscored Acme 3-2 in the fourth, and put the game away with a four run sixth. Jimmy Hodges, Dennis Lindsay, and Billy Cook hit the ball hard and each had a pair of hits. Houghton walked only two men as his control was near perfect and his mates backed him with some fine fielding. Second sacker Ricky Anderson led the Lumber Kings with a pair of singles.

Junior Golfers Tee Off Tuesday For Championships

Montreal — When the Ontario junior golf team comes here next week to compete for the Pepsi-Cola trophies, it will mark the first time that a team of teenage golfers from this province has been able to take part in a coast to coast tournament.

Some 90 junior golfers from every part of the country will tee off in the Canadian Junior Golf Championships here next week.

The championships, jointly sponsored by the Royal Canadian Golf Association and the Pepsi-Cola Company of Canada Limited, will be held at Kanawaki Golf Club July 28-31.

The Canadian Junior Team Championship will be competed for Tuesday, July 28, and the Canadian Junior Match Play Championship, July 29-31.

Eight four-member teams, a total of 32 contestants from British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, Nova Scotia and New Brunswick-Prince Edward Island, will participate in the 36-hole interprovincial team competition next Tuesday. Each player's scores in this team competition also serve to qualify him for the Match Play Championship.

The same day, some 50 individual contestants, male golfers under 19 with a handicap of 12 and under, play a 36-hole qualifying round for the Match Play Championship.

The 32 lowest scores of these two events will qualify for the Match Play competition which is crowned by a 36-hole final on the last day, July 31.

The average person consumes about 12 pounds of salt a year.

Weatherstripping Adds Comfort Saves Heating Costs

While insulation of the walls and roof is usually carried out during the construction of a house, the application of weatherstripping around the windows is often left to the home owner himself. The installation of weatherstripping, however, should be considered as an essential part of construction for exterior doors and ordinary sash windows as it eliminates annoying drafts and can also mean substantial savings in fuel bills.

Various kinds of weatherstripping including metal, felt, rubber and adhesive types, are available. Your hardware dealer can advise you which kind will best suit your requirements.

Care should be taken when applying flexible weather stripping to tack the material along an even line, avoiding bulges that might press too tightly against the door or leave part of the opening uncovered. If you intend to use metal stripping of the interlocking type where one section is attached to the door and the other to the frame, be sure to follow the manufacturer's directions to ensure a good fit. Measurements should be carefully checked before the stripping is cut.

For double hung windows, weatherstripping of the lower sash is applied on the inside. One strip is tacked to the top rail with an overlap that draws tightly over the opening between the bottom and top sashes. Two other strips are attached to the stops, on either side of the window, with the protecting edge pressed firmly against the sash. A fourth strip may be applied to the bottom rail, where it will fit snugly against the sill.

Skilled help may be required for the installation of permanent metal weatherstripping, especially if the sash is to be rabbetted or grooved for this purpose.

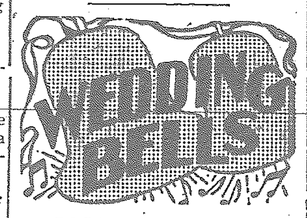
Shower Honors Recent Bride

Mrs. M. Cherwak entertained at a post nuptial shower at her home on Tuesday evening, July 21, in honour of her daughter-in-law, the former Gwendolyn Rosalie Barrett of Halifax. Her marriage to William Cherwak was an event of April 11, at Victoria B.C. in the St. Nicholas Catholic Church.

The room was beautifully decorated for the occasion with pink and white streamers. Miss Christine Hancharyk pinned a corsage on the honoured guest. The many lovely gifts were presented by little Miss Joyce Bobiwski of Winnipeg. She was assisted by Miss Irene Kondrat and Miss Christine Hancharyk. After the gifts were viewed the honoured guest thanked everyone graciously. Mrs. Bobiwski of Winnipeg, sister of the guest of honour and Mrs. Cherwak also expressed their appreciation.

A delightful lunch was served to the 55 guests present.



PASWISTY—JACKSON

A double ring ceremony was solemnized on the 18th of July at 4 p.m. in Calvary Church, Kenora, when Constance Jackson only daughter of Mr. and Mrs. M. Jackson, Kenora was given in marriage by her father to Mark Paswisty, youngest son of Mr. and Mrs. M. Paswisty of Minnedosa, Manitoba. Reverend Vance officiated. The Wedding Music was played by Miss L. Rogers.

The bride carrying a bouquet of red sweetheart roses, chose a gown of white nylon net, with a lace bodice and lily point sleeves. Her finger tip veil was held in place by a seed pearl tiara.

Miss Carolyn Hager, who was bridesmaid, chose a deep blue organza nylon dress in cocktail length and wore a tiara of white to match the brides. She carried a bouquet of white mums.

The groom was attended by Richard Jackson. Ushers were Earl Jackson and William Paswisty.

A reception was held in the Vasa Hall and the lovely toast to the bride was proposed by Mr. H. Murphy. The groom responded.

The couple left for Minnedosa, where they will reside.

The bride had previously been entertained at two showers, one at the Lajuenesse home, co-hostesses Mrs. Sanna and Mrs. Lajueness. The other was held at the home of Mrs. L. Mounk, Keewatin, by Mrs. L. Mounk, Mrs. C. Hager, and Miss Carolyn Hager.

KEEWATIN NEWS

Mrs. Kember

Congratulations are extended to Mr. and Mrs. Norman Campbell who are celebrating their 55th Wedding Anniversary today, July 27th 1959.

Mr. and Mrs. G. Evenden and children, Sandra, Judy and Billy are holidaying at the home of her parents Mr. and Mrs. D. Godfrey.

Airline Testing Flourescent Paint For Visibility

Montreal — A Trans-Canada Air Lines Viscount has taken to the air in brilliant orange-red fluorescent markings, type testing a new high-visibility paint.

It marks the first time a major commercial carrier has carried out significant experiments with the product.

Designed to render aircraft more easily visible in the air, it has been used extensively for a number of years on military and some private and commercial craft.

The single TCA aircraft has had the luminescent compound applied to all existing markings, plus the undersides of the wing tips and elevators.

The type trials will evaluate the effectiveness, durability and maintenance requirements of the material.

The paint is a little more difficult to apply, weighs 13 pounds more and costs about $750 per Viscount as compared to $400 present required for a new paint job. It is expected to last about two years before repainting, about the same as the present product.

Manufacturer of the luminescent paint is Switzer Bros., of Cleveland, Ohio.

The single Viscount will be operated on most routes across Canada and into the United States during evaluation.

"Pee Wee" Takes The Long Way Home

International Falls — This tale is pinned on a dog.

"Pee Wee" is his name. Toy bull is his breed. Black is his color.

Tourists picked up Pee Wee on a Falls street Saturday. They were headed for three weeks in Canada. At the Canadian customs they learned they could not bring the dog through without its papers, which of course they didn't have.

C. N. "Kife" Thompson took the dog from them for safe keeping. Then Kife got to thinking it over and decided he didn't want the dog around for three weeks and maybe the tourists wouldn't show up for it, so he decided to unload it.

Next stop for the dog was with Joe Jones, Jr., and his wife, Gert, at 407 Eighth street. Kife had laid the groundwork early in the evening and late Saturday brought the dog to Joneses. The children loved it, but on thinking it over Joe and Gert decided having a dog wasn't for them.

So Sunday morning when "Bucko" Williams stopped by the Joneses and saw Pee Wee and expressed the long desire for just such a dog, Joe gave it to Bucko.

Bucko took the dog up to Kettle Falls hotel with him that day. He gave it to his grandmother, Mrs. Lil Williams, proprietor of the famous Rainy lake hostelry.

Coming back down Rainy lake Sunday Bucko stopped at Sand Point island where the Joneses were picnicking. Bucko told them where Pee Wee was.

The scene changed to The Journal office Monday morning. Warren Shuff, circulation manager, answered the phone to take a classified ad. Mrs. Betty Prozinski, South International Falls, wanted to advertise for her lost dog.

You guessed it. It was Pee Wee.

Shuff had heard the dog story from Mrs. Thompson so he told Mrs. Prozinski to phone her, which she did. Mrs. Thompson referred her to Mrs. Jones.

Knowing the dog was 35 miles away by water and hoping to stall the worried dog owner. Mrs. Jones told her she'd taken Pee Wee to Fort Frances for a stay with her mother. She assured Mrs. Prozinski she'd get the dog Monday night and have it in her hands by Tuesday.

Monday afternoon about 4 o'clock the Joneses and the Shuffs took off on Rainy lake in the Joneses' 18-foot outboard Larson. They retrieved Pee Wee at Kettle Falls.

(What a different tale would be told if Pee Wee could only talk. Think how confused he must have been by this time with all his new masters!)

A storm broke, so they waited that out before starting back to Cline's Island Clew resort. Once the storm ended they were underway. But the storm came back. Four and a half hours later a weary, drenched, glad-to-see-lights foursome and Pee Wee landed at Cline's. Hearing the boat in the water out in the storm, Cline had turned on the outside light.

"We've never been so glad to see anything in our lives as that light," Mrs. Jones said.

Pee Wee was safely back with his real owner Tuesday. He had jumped out of the family car Saturday and got lost that day.

One could hardly call those three complicated days in a dogs life, leading a dog's life. You might be more to the point if you said Pee Wee is a canine voyageur.

'PIPE DOWN' GOOD HUMOUR MEN ORDERED

LONDON (Reuters) — Britain's "good humor" men will have to tone down the sound of their chimes, the ice cream magnates have ruled.

The Ice Cream Federation Friday drew up a code designed to meet objections from many people who can't stand the sound of the chimes—produced by an amplified music box.

Out goes the old practice of playing chimes continually until customers gave in and buy ice cream cones.

The new code provides that:

1. Chimes should only last five seconds.
2. They should be strictly pianissimo and only be played at five-minute intervals.
3. Chimes must not start on an odd note.
4. They must not be heard beyond the next stopping point.

The chimes include both popular and classical selections. One London manufacturer offers ice cream men a choice of 600 tunes.

WON'T QUIT JAYWALKING

DETROIT —"I'm old enough to watch where I walk. The police don't need to be spending all their time watching me," 79 - year - old Kolman Shkolnik complained Thursday as he paid the 27th jaywalking ticket he has received in four years.

Shkolnik's latest violation cost him $5.

Shkolnik blamed police for his troubles as he stood before traffic court referee John D. Carney.

"One thing I don't want to do is get killed in traffic," Shkolnik said. "I take care of myself in the streets better than those policemen who give me tickets. They give me a ticket just for walking."

Safe Driving Lowers Motorists Insurance Rates

A new automobile insurance classification providing lower rates for motorists who have demonstrated their ability to drive safely has brought praise from the Canadian Highway Safety Conference.

The Conference's national office in Ottawa, commenting on the announcement Thursday (July 23) by the Canadian Underwriters Association of the new rating that calls for a 20 per cent discount off normal rates, expressed gratification at this way of rewarding motorists for helping to maintain safety on Canada's streets and roads. "Motorists seldom realize that they actually set their own insurance rates," commented W. Arch. Bryce, CHSC's executive director. "This additional discount for drivers who have shown they are least likely to be involved in accidents will draw attention to the fact that driving safely will not only result in a reduction in accidents, injuries and deaths on the highways but will also bring substantial financial savings to the careful driver."

Little Rock Integration Test Begins

Little Rock, Ark.—Five Negroes — one a girl on crutches — were registered Tuesday in the first test at student level to reopen Little Rock public schools to limited integration.

Four of them were among the nine Negro pupils whose integration into Central High School in the fall of 1957 brought mob violence and finally federal troops to restore order.

None of the four came themselves. They were represented by their parents.

DAY QUIET

The first day of registration—it runs all week—moved along slowly and quietly. Students came and went under the stern eye of police.

The four of the original nine whose parents registered them are Elizabeth Eckford 16, Thelma Mothershed, 17; Melba Pattillo, 17, and Jefferson Thomas, 17.

The first 20 white students to register at Central High School were greeted by principal Jess Matthews who told them:

"I'm glad to see you. It's good to have some customers again."

The four public high schools were closed throughout the last school year by Governor Orval E. Faubus in his fight against integration. The law he used to close them only recently was declared unconstitutional by a federal court and a new school board moved to reopen the schools this coming fall.

MUST SURFACE

Seals and whales, true mammals adapted to the sea, must come to the surface for air.

Norway's consumption of oil products rose 15 per cent in 1958 to a total of 3,200,000 tons.

COLOR TV

The United States in 1958 had about 325 stations equipped to broadcast television in color.

QUEEN OF THE OVEN REIGNS SEPT. 9 AT EXHIBITION

The uncrowned queen of the oven comes into her own at the CNE on Wednesday, September 9 - Home Baking and Canning Day. If you have a magical touch with pastry or are a whizz with preserves you can win a prize with your specialty. Should your piece de resistance be sponge cake or cherry jam you might win first prize of $50.00 in these special competitions, and, of course, cash prizes are awarded for all the other baking and canning categories as well.

Junior chefs share in Home Baking and Canning Day too. Boys and girls under sixteen can enter the special junior contests with cakes, cookies and muffins. Entry forms must be received at the Canadian National Exhibition by August 3rd. So write immediately to Mrs. Elsa Jenkins, Manager of Women's Activities, Canadian National Exhibition, Toronto for rules and entry forms.

Noden Urges Highway No. 11

(Continued from Page 1)

highway west to Rainy River where it will join Minnesota Highway 11.

Travelers like to get on one highway and stay there to their destination because it eliminates confusion in choice of routes, the provincial legislator pointed out. Uniform numbering of the highway that will link up Rainy River, Fort Frances, Atikokan, Fort William and the eastern cities will make it more popular with all motorists, he said.

Noden reported that municipal councils throughout Rainy River districts, as well as the Fort Chamber of Commerce, have already sanctioned No. 11 as the name of the new road between Fort Frances and Rainy River and No. 11 as the name of the new road between Fort Frances and Atikokan. This will mean that both No. 71 between Fort Frances and Rainy River and No. 120 between Atikokan and Fort William will have to become No. 11 also to make the numbering uniform. Besides the Atikokan - Fort Frances project, another link is under construction between Fort William and Nipigon.

Rotary President Earl Fawcett agreed with the speaker on the importance of the new numbering idea.

Winnipeg is Canada's fourth largest city and has a population exceeding 350,000.

Belgium and the kingdom of Netherlands separated in 1839.
