KEEWATIN LABOR DAY PARADE HIGHLIGHTS WEEKEND ACTIVITIES

Labour Day celebrations in Keewatin went off on schedule in spite of the heavy rain Saturday night and again on Sunday, which left the grounds more like a lake than a ball field.

Members of the Keewatin Kinsmen Club and a number of Keewatin citizens got off to an early start Sunday morning trying to get the field in shape.

With the aid of pumps, wheel barrows, shovels, sand and sawdust they had made such an improvement the ball game was called on time.

The Monster Parade proved to be bigger and better than ever. Crowds gathered long before time along the parade route which started at Horwood's corner and proceeded around the centre of town to the grounds.

The Kinsmen Majorettes lead the parade followed by the Canadian Legion Bugle Band, Keewatin Town Band, Kenora Majorettes, comic costumes, fancy, some depicting many phases of life. The long line of floats and vehicles of various kinds took one's memory from modern days back to the covered wagon days.

The Majorettes gave a drill display while the Canadian Legion Bugle Band supplied the music.

Entertainment for the young and older citizens was well patronized as was the concession booth during the day. It was a day of days for those who attended, and for the Kinsmen a real success.

To climax the days activities a Bingo was held at the Memorial Arena, at which time the draws were made for the two T.V.'s and the Clock Radio.

Mr. G. A. Reid of Dryden, Ontario won the 21" T.V. and the 17" T.V. went to Mary Jane Cooke, Kenora, and Miss Dorothy Bird of Kenora, the Clock Radio.

Parade prize-winners are as follows:

Best Group on Vehicle:

Mr. John Kinger, Mrs. A. Kinger and son Billy, Mrs. A. St. Germain, Mr. George Caron (covered wagon).

2nd: Keewatin United Church Young People.

Honorable Mention: Billie Mafleson (small car).

Best Decorated Truck:

(1) Orange Crush.

(2) Keewatin Canadian Legion

Best Decorated Car:

(1) Mr. Dave Barnard.

(2) Marsha and Palmelia Dangerfield, Georgina and Penny Sweet.

Best Adult Group on Foot:

(Continued on Page 14)

Panel To Discuss C.A.S. Problems On Radio CJRL

"Why is there so much red tape to be cut through in adopting a child?" is a question that will be asked on a program which will be given on station CJRL tomorrow Friday night at 10:15 p.m. A panel composed of persons interested in Children's Aid Society work will endeavour to answer this and other questions concerning the nature and scope of the society's work which have been sent in by interested observers.

On hand to tackle these queries will be Mr. W. B. Powell, chairman of the board of the C.A.S., Mr. Fred Collins, a past president chairman, Miss Florence Humble a former local director, Col. Max Lachapelle, member of the board; and Mr. W. J. P. Thompson, local director.

Thomas Elliott Keewatin Resident Died In Winnipeg

Thomas Elliot, well known and highly respected resident of Keewatin, died at the Winnipeg General Hospital, Wednesday, September 9th, following a lengthy illness. Born in Leicestershire, England, in 1878, he was 81 years old.

He was employed as a foreman with the Lake of the Woods Milling Company, retiring on September 1st, 1949. He was a member of the Keewatin Masonic Lodge, the Keewatin Branch of the Canadian Legion and was a veteran of the First World War.

Predeceased by his wife, Lillian Mae, in 1948, he is survived by one son Thomas of Red Lake, and two grandchildren.

The remains will arrive in Kenora this evening and funeral services will be held in the Chapel of the Brown Funeral Home on Saturday afternoon, September 12th at two o'clock. Rev. A. E. Dunn of Keewatin United Church will officiate and interment will be in the Lake of the Woods Cemetery.

Pallbearers will be messrs: Gerald Smith, Bill Forbes, Sigurd Magnusson, Les Farthing, Fred Guerrette and Hugh Gamble.

Kenora C.W.L. Hears Committee Reports, Noted Speaker

The regular meeting of the Catholic Women's League was held in the Parish Hall Monday, September 7th with Mrs. T. Brett presiding and Fr. Therrien, O.M.I. leading in the prayer.

Mrs. Brett in her opening remarks welcomed Father Therrien, the new assistant priest of the parish, Father Lavoilette, the guest speaker, and the new members.

It was announced that commencing October 5th, the hour

(Continued on Centre Spread)

Kenora Lionelles Name Committees For Coming Term

Kenora Lionelles held the opening meeting of the season on Wednesday evening, Sept. 9th, in the Kenwood Hotel Dining Room. The 19 members and 2 visitors were welcomed by Lionelle President Ann Ihnasz.

The duties of the various committees were outlined by the President, and personnel of committees is as follows:—

Finance—Marie Allanson, Dorothy Stratton, Beryl Cunningham.

Welfare—Nell McLeod, Sally Nagengast, Betty Townsend.

Social—Marg Brennan, Jean Smith, Kay Mazeppa, Jay Budworth.

Publicity—Mae Olfman, Edna Hughes.

Sick & Visiting—Hester Linkletter, Lucy Webb.

Phoning—Clare Hurtig, Helen Gemzik

Constitution—5 Past Presidents

Fourteen members signified their intention of attending the 4th Annual Lionelle Get-Together to be held Monday, September 28th at the Albany Room of the Assiniboine Hotel, St. James. Host Club is the St. James Lionelles. (Lionelles not present at the meeting will please notify the President if planning to attend this Get-Together).

Lionelle executive meeting was set for Wednesday, Sept. 23rd, at the home of the President. The date of the next regular Lionelle meeting will be Wednesday, October 7th, at 8.30 p.m. in the Kenwood Dining Room.

Mr. Elmer Stone, district inspector of the Dept. of Travel and Publicity showed two films, "North-Western Ontario" and "Lake of the Woods". These were very interesting films, in beautiful color, of excellent photography, and left one with a great sense of pride in the accomplishments and attractions of our Kenora and district. Lionelle Marg Townsend thanked Mr. Stone for his courtesy in presenting this programme of fine films.

KEEWATIN INDIANS SURRENDER CHAMPIONSHIP IN SIX GAMES

Combining a "big inning" with airtight pitching, the Dryden Red Sox handed the Keewatin Indians a 5-3 defeat in the sixth game of their best of seven final series for the Kenora District Baseball League championship, and in so doing won the title, four games to two.

The Sox, who captured the Shragge Trophy for the third time in the last four years, did it the hard way dropping the first pair of games to the Indians, but then coming back to win four in a row. Of course, the absence of two of Keewatin's aces helped, but then too, the Sox were playing ball at its best and coming up with the big play when needed.

Last night, they scored five runs in a big third inning and saw those runs stand up to a late innings rally by the Indians who were handcuffed rather effectively by Bob Crawford. Crawford allowed four hits over the seven inning route, but narry a safety was registered off his slants until Jim Whyte spanked a pitch into the trees in right centerfield with two out in the sixth. Manager Jim Ortlieb was on base at the time. Back to back singles in the seventh coupled with a throwing error allowed the final Keewatin tally.

At that, Cec Robertson who came on in the fourth frame in relief, pitched almost as effectively, allowing but one hit, a single to Sam Doherty in the fourth as he shut out the Sox over the last four frames.

Keewatin started the game as if they meant to wrap things up in a hurry as first Johnson then Smith walked. Ortlieb fanned as Smith and Johnson worked a double steal. Whyte flied to Peterka in left field and the rangy gardener uncorked a perfect strike to the plate, forcing Johnson to hurry back into third. Jorgenson grounded out to end things.

Johnny Harpell walked to open the Sox third and when starter, Rudy Leonard tried to pick him off first he threw the ball into the dirt allowing the Sox second-sacker to reach second. Crawford fanned but Doherty singled cleanly to center for the ice-breaking run. Brown doubled to right-center and the speedy Doherty came all the way home, Brown continuing to third on the throw to the plate. Darcis hit the first pitch for a home run, the ball just reaching the right field home run line as he hit it very high. Peterka and McDonald walked with Whyte coming over from third to replace Leonard. Cliff Robertson topped a ball that Whyte picked up on the mound, but Leonard, now playing first base dropped the throw, leaving the sacks fully loaded. Dyck sent a high fly to right field which Jack Salmon made a nice catch on but couldn't catch Peterka as he scored the fifth run of the inning. Harpell up for the second time fou'ed out to Leonard behind first base.

Only a throwing error by Bob Darcis allowed a Keewatin runner on base over the second through sixth innings for the in-

(Continued on Page 14)

Port Arthur Voters Give Approval For Cocktail Lounges

Voters in the city of Port Arthur Wednesday gave overwhelming approval to the licencing of cocktail bars and dining lounges. Of those voting, seventy-seven percent cast their ballots for the innovations. Only half of the 21,316 voters went to the polls after a concentrated campaign by those for and those against the issue.

Actual figures were: 7,944 for and 2,417 against dining rooms, 7,871 for and 2,512 against cocktail lounges.

At present, Port Arthur and Fort William have mixed beer parlours and Port Arthur has a licenced dining room to serve wine and beer with meals.

Six Escape Injury When Pole Snaps

Six teenagers from Fort Frances escaped unhurt last night about 6:30 p.m. when the car in which they were driving east on Highway 11 snapped off a power pole on the north side of the highway about 150 feet west of the east entrance to City Beach.

WAYNE STRACHAN, 18, driver, told the state highway patrolman who investigated at the scene, that he fell asleep as he had been two days without sleep.

The car did not upset. The left front side of the car was quite severly damaged.

Rainy River Improvement company made temporary repairs last night and today are replacing the pole. The pole was snapped off at the ground and also 12 feet up. The power line did not break.

A Manitou resident, west of Fort Frances, was injured, but not seriously, when the car in which he was a passenger failed to make a curve on the southwest edge of the Border City and ran into the ditch early Sunday.

BILL WESTOVER was treated at Falls Memorial hospital and released. Two other passengers, John Vedaa, Indus, and Wayne Wirkkula, Loman, and the driver, Gerald Vedaa, Indus, were unhurt.

Falls police said the vehicle apparently missed the curve at the old highway 11 intersections. Fifpoint old highway 11 intersects fif-a power line guide pole.

About 3:10 a.m. Monday city police were advised by Fort officers a man was shouting on a pulpwood boom anchored in Rainy river opposite the burner. Officers investigated and discovered the boom was on the Canadian side. Police there were notified and they put out in a boat and took him to shore. Apparently he had attempted to "cross" over on the boom and discovered it extended only part way into the stream.

Metal-lined Glad Rags Due in Future

York, England — Metal-lined clothes for men and women were forecast here as future fashion by textile expert Howard Rees who unrolled a shimmering length of newly developed aluminini foil cloth before the British Assn. for the Advancement of Science.

The foil one-quarter of one-thou-andth of an inch thick, is coated on one side of the cloth. "With the metal side inward you should keep warm," Rees said. "Reversed you would keep cool."

Dryden Red Sox Pin Down . . .

(Continued from Page 1)

dians as Crawford had them hitting the pitches he wanted, and they popped them up or sent grounders to the Dryden infield which gobbled them up.

In the sixth, Johnson and Smith both flied out before Ortlieb walked. Whyte took a pair of strikes, then fouled one off, then took a couple of balls, then sent a long drive into right center for the first hit and a pair of Keewatin runs. Cliff Robertson dropped Jorgenson's fly, and then Morgan singled over second. Salmon walked to load the bases but Benoit bounced into a force at third base.

In the seventh, Robertson fanned on three pitches, but Johnson and Smith both singled. Ortlieb walked to load the bases, but Whyte grounded to Crawford who threw to the plate for the force on Johnson. Doherty wheeled and fired the ball to first, but into the dirt allowing Smith to score. Jorgenson flied to Robertson to end the game and the season.

Actually, the glory must go to Crawford who twirled a masterpiece, fanning four and walking five, but spreading these out so that he walked a pair in the first and then no more until the next pair in the sixth.

Rudy Leonard, who started for the Indians, just didn't have it, as he was hit fairly hard even when put-outs resulted. In his short stay, he issued four walks and allowed three of the four Sox hits. His throwing error probably had as much to do with his downfall as anything else.

Robertson pitched very well in his four inning stint, allowing one single, fanning four although walking eight.

In the hitting department, Doherty was the only player to pick up more than one hit. He counted a brace of singles and two walks in four times at the platter.

Special mention must be made of the faithful Keewatin fans who suffered tremendous cold and often a drizzly rain to watch what was surprisingly enough a very-well played ball game.

And so the curtain rings down on another baseball season . . . Oh well, April isn't that far away . . .

PURPLE TRAFFIC LIGHT LIKELY

Toronto—A fourth color—purple—may be added to Toronto's traffic lights.

A proposal for purple lights to signify no - turn intersections was presented to the municipal committee on public works. The committee decided to ask the Ontario transport department to study the idea.

The purple lights would be placed on either side of the usual red-yellow-green light standard. Turns would be prohibited on one side or both if the lights were on. Timing devices would turn them on at rush hour periods.

The lights would replace signs now in use.

Children's toy dolls centuries ago were made of ivory, terra cotta, cloth, baked clay, leather and even bone.

Britain's Civil Service has had women telephone operators since 1870, and women typists since 1888.

LITTLE CANADIAN BASEBALL LEAGUE HIGHLIGHTS FOR 1959

Perhaps people are wondering, "How did Little Canadian Baseball make out in 1959?" To draw a comparison we must go back over the past years, and 1957 seems about the average for the years prior to that. As far as attendance went, each year improved slightly until 1959. But as for the weather, 1957 was the year it rained on Little Canadian Baseball nights. The finals were played on dark, damp, and chilly September evenings. Things changed in 1958. The interest and attendance at games jumped by more than one-third, and the weatherman gave us a break. Last year's finals were played in perfect baseball weather. The games were close and exciting. It seemed to be the top. Then 1959, seemingly not wanting to be outdone by 1958, comes along to be slightly better again.

League President, Jack Salmon, was largely responsible for improvements to the park. The dug-outs were completed, the back-stop screen extended higher, the third base bleachers built, and the outfield fence repaired. Equipment Manager Alex Surkan has marked the diamond and picked up bats and gloves for some time now.

Two teams, Coca-Cola and Lumber Kings travelled to a tournament in Dryden on July 1st. Coca-Cola won the tournament. On August 3rd an All-Star tournament here proved a huge success. It was every bit as good as going to Winnipeg, allowed more boys to play in a tournament, and more parents were able to watch the fine calibre of ball played by the boys.

Three coaches still active in 1959 have service extending back to the time when Little League stood on its own feet. They were Eddie Cardinal of Lakeland, Wilf Leydier of Coca-Cola, and Bus Barber of Lumber Kings. Added to this is Darcy Spencer who dates back to the beginning but gave up coaching and is now a faithful hard-working umpire.

Another interesting fact is the former Little Leaguers who are active in the league today. Gary Beyko, present manager of the Lions, was a former Lion under his father's coaching. Jack Salmon Jr. played under Dennis Lambert for Acme and now helps coach the Lions. Three others perform the tasks of umpires. Ernie Surkan played for Acme under Herble Hicks, Don Milliard for Coca-Cola under Wilf Leydier, and Larry Salmon for the Lumber Kings under Bus Barber.

During the summer some fine plays were turned in and a record number of home runs sailed over the little green fence. Considering their ages, no other infield from any league played around here could come close to Coca-Cola's Allan Minor, Jerry Townsend, Dennis Portman, and Les Brown. Gordon Karaim speared Dennis Misurka's line drive and turned it into a triple play; the only one for some years. How about three pitchers on your team like Dingwall's Dennis Misurka, Stu Barber of Lumber Kings, or Billy Coak of Acme-Kenora Cleaners. Dennis Misurka and Les Brown were undoubtedly the most feared power hitters in the league.

Twenty-seven boys are due to be pensioned from Little Canadian Baseball and advance into Pony Baseball. Dingwall's lose six, Dennis Barber, Dennis Misurka, Don Brown, Larry Hardy, Russel Percy, and Trevor Williams, Coca-Cola graduates five: Les Brown, Dennis Portman, Jerry Townsend, Allan Minor and Gary Hanstead. Acme - Kenora Cleaners will be looking for at least five replacements next Spring when Billy Cook, Dennis Lindsay, Bobby Freeman, Jerry Miclash and Jack Spryszak leave. Lakeland drops four in Gordon Karaim, Richard Marcine, John Roy, and Claude Turcotte. Lions lose four also in Ron Cymbaluti, Bobby Johnson, Gary Whitta and Larry Powers. The Lumber Kings graduate three in Ralph Jacobson, Stu Barber and Louie Houghton.

All in all, the local 1959 season for Little Canadian Baseball was tops from every point of view. The future is bright for Pony League ball, who will have this year's graduates. For the Little League it is an unknown quantity, but there is no reason why it couldn't match 1959. Come next September, we'll see.

Scotland's oldest university, St. Andrews, was founded in the 15th century.

Sportsmen To Hold Annual Convention At Fort Frances

Fort Frances—Sportsmen will congregate in Fort Frances Sept. 26-27 from across a 400-mile area for the annual convention of the Canadian Federation of Anglers and Hunters zone one. About 50 outside delegates are expected.

The weekend meetings will be highlighted by a banquet on Saturday evening, Sept. 26, at which the guest speaker will be Paul Murphy of Winnipeg. Murphy is secretary-manager of the Manitoba. Federation of Game and Fish associations as well as managing editor of the Sportmen's own magazine, the "Wild Life Crusader."

President Vern McKenzie, Secretary Nick Kotyk and Treasurer Lewis Barker will look after convention arrangements for the Fort Frances Sportsmen's club. The host club is looking forward to showing the visitors around its Frog Creek headquarters which features rifle and skeet-shooting ranges, boat docking facilities, a tree farm and Boy Scout camp.

The zone president of the C.F.-A.H. is T.S. (Stan) Hodgkiss of Terrace Bay and R. T. Greer of Port Arthur is secretary. Lewis Barker of Fort Frances is a vice-president. The zone stretches from the Manitoba border eastward far up the north shore of Lake Superior.

Princeton's fencing team includes two Brooklynites — Phil Rogal and Steve Friedman.

Kenora C.W.L. Hears Committee

(Continued from Page 1)

of the meetings will be changed to 8.15 p.m. promptly; on that date a "Halloween party" will be held at the meeting.

The fall [illegible] will be held October 26th in the Parish Hall at 2 p.m.

Notice of the "Days of Recollection" was placed on the agenda and members were advised to prepare themselves for future discussions on this matter.

The first Sunday of the month was chosen as "Communion Sunday" for the league.

Reports of the Conveners were given as follows: Spiritual: Miss L. Leroux outlined the spiritual programme of the year.

Educational: Mrs. J. N. Davidson spoke on the "Submission to God's Holy Will".

Citizen and Immigration: Mrs. L. Fortier reported through on an invitation of the Ladies Auxiliary eight members of the League visited the General Hospital in June; and members assisted in the tag day of the St. Joseph Hospital.

Press and Publicity: Mrs. J. Metail reported on the news items in the press and meeting announcements.

Two committee members have been named: Miss C. Gardner was placed in charge of the sales and records of the "League pins", and Mrs. Ed O'Flaherty for the "scrapbook" of press articles.

National Magazine: Mrs. U. Pedneault reported 9 new and 23 renewal subscriptions which are still being accepted at the reduced rates.

Membership: Miss F. Dougherty reported 153 members.

Girl Guides: Mrs. L. Van Walleghem held a "B" pack revel", a "picnic of the A and B pack" and a camping trip in July where Mrs. Van Walleghem was camp commandant assisted by Miss [illegible] Jeanne Davidson.

Ticket Convener: Mrs. J. C. Davidson said 309 books were new out.

Sewing groups are now getting organized and memebrs were requested to accept when asked to form groups.

Mrs. F. Leroux and Mrs. L. W. Goss accepted the sick committee all were urged to report sick members to these ladies.

Miss Loudon introduced the guest speaker Father Laviolette O.M.I. as editor of the Western Sunday Visitor and Indian Missionary Record, receiving his education in the east being transferred west in the Missionary field.

Father Laviolette spoke on education, a subject based on an Ecclesiastical letter of Pope Pius XII.

He said he felt qualified to speak on this subject after having twenty years experience as assistant Principal in Indian schools.

In outlining a definition of the role of Church and state in education, the speaker stated that the church is primarily responsible for the religious education of all her children and that the first natural and necessary element in education is the family, so ordained by the Creator Himself.

The very interesting talk went on to explain that education was the drawing out of all the potentialities that are hidden in a human being, he explained that the examples given in education must be truthful, clear and consise. Children must be taught to cooperate with the Divine Will and trained to act on their own personal convictions.

At the conclusion of his talk, Father Laviolette answered questions from the audience.

A vote of thanks was extended on behalf of the League by Mrs. Minshall who said "We have been left with a lot to think about" and expressed the wish that he would return to speak to the group again.

A social gathering then followed at which lunch was served by the social convener Mrs. J. McInnis and co-workers Mrs. F. Dufrense, Mrs. Fred Poirier, Mrs. Maurice Perron, Mrs. T Brett, Mrs. E. LeBleu, Mrs. J. Fregeau and Mrs. Harold Johnson.

Grouse Hunters To Cooperate In Dept. Survey

On September 15 the ruffed and spruce grouse season will open and hunters will be able to take these birds until November 25. The bag limit is five per day with a possession limit of 20.

Brood surveys conducted this past summer indicated that the grouse passed the critical spring period well with slightly larger broods in evidence than last year. On this account a good season is expected.

Last year grouse hunters were requested to remove a wing and the tail from each bird shot. These were to be forwarded to the Department of Lands and Forests office or given to a Conservation Officer. By analyzing these parts, the sex and age of each bird shot last year were determined.

Results were somewhat disappointing in that only 80 sets of wing and tail feathers were provided by hunters. The small sample indicated, however, that a large proportion of the birds shot were juveniles. This indicated that 1958 was a good breeding season and that the grouse population was in a healthy condition. This useful information can only be acquired through the co-operation of you, the hunters, and this year your co-operation is again solicited in accumulating wings and tails and in providing information concerning your success in the field.

This year the program is being expanded in order to gain more reliable information. Grouse survey kits have been given to many licence issuers who will hand them out to prospective grouse hunters. Each kit contains an explanatory letter, several hunter success forms and three envelopes to contain sets of feathers. The completed forms and envelopes may be turned in to any office of the Department or may be given to a Conservation Officer at any time.

Conservation - minded hunters who have already obtained their licences without a survey kit, or who purchase their licences where the kits are not available, may obtain them at the Department Office in downtown Kenora. Your co-operation in this project will be fully appreciated and you will be making a necessary contribution to the wise management of future grouse populations.

Oceanagraphy as a science—the charting of ocean depths—is less than a century old.

There are 15,000 veterinarians in the United States, including a considerable number of women.

Women with jobs in Japan numbered about 6,10,000 in June 1958, about one-third of the total workers.

Most school children in Swedens elementary and secondary schools receive one free meal daily.

REDDITT

By Mrs. P. Ferguson

The sympathy of the Redditt People go out to the Scott family and relatives of Transcona on the sudden death of Mr. J. A. Scott at the Kenora General Hospital. Mr. Scott who was visiting friends in Redditt and was taken suddenly ill and passed away a few hours later in the Hospital.

Mr. and Mrs. F. McKay and son of Dryden were weekend visitors at the home of Mrs. McKay's parents Mr. and Mrs. W. Mulholland.

Quite a number of campers from Winnipeg and district motored to Redditt to spend the long weekend at their camps and as usual it had to be rainy. As one Tourist said the fish bite better when its raining so its an ill wind that blows no good.

The Redditt Home and School Association will be holding their first fall meeting, Monday evening, Sept. 14th at 8 p.m., in the Redditt school.

Mr. and Mrs. Ackster of Winnipeg spent the long week end at their cabin. Mr. Ackster is very busy improving his place as other here in Redditt are doing. Mr. Norsdrum's place is very nice and he and his brother-in-laws are busy erecting a nice bungalow for Mrs. Banard, Mrs. Ackster's mother.

The Ladies Auxiliary B.E.S.L. will be holding their regular monthly meeting on Wednesday evening in the Legion Hall Sept. 17th at 8 p.m.

Congratulations to Mr. and Mrs. Garnet Mulholland on the birth of a son Aug. 29th in St. Jos. Hospital, Kenora, a little brother for Elizabeth and Bruce.

The men on the curling rink committee and others have been busy at Caribou Falls dismantling a building purchased from the hydro. This large building will be re-assembled on the lots in town and used for a curling rink and a skating rink will also be available.

Robert McNally is going to Montreal to attend school.

Mr. and Mrs. Dick Geroux had a short visit from their daughter and her husband from Grand Prairie, Alberta. Mr. Geroux has not been very well this summer.

Miss Doris Densley is attending Normal School in Winnipeg.

We note in a Winnipeg paper that equipment is being installed for Kenora's satellite television station. That is a day we are eagerly awaiting. There are several TV sets in town, but reception is never dependable and we hope to have an improvement on completion of Kenora's station.

We have seen no definite announcement re work on the Minaki road. Of course we hear rumours that the contract was awarded to a Winnipeg firm and work was to commence Sept. 1st or 15th.

MINAKI NEWS

By Mrs. Henry Stone

SEPT 8 SURE

Gay Kowbel has gone to Winnipeg to attend Business College.

Carol Kastner, Silvia Hayward and Edward Buckler will be going to High School in Kenora.

Mr. and Mrs. Wm. Neculeac and Billy have left Minaki to reside in Kenora.

Mrs. D. E. Savage of the local Norwesto telephone exchange almost since its inception has left us. Numerous gifts were presented to her, including a set of luggage from subscribers and residents.

Mrs. Schumann has returned to Toronto after visiting with her daughter Mrs Ed Buckler and family.

Mr. and Mrs. Hugh Iverach and girls, of Winnipeg, spent their holidays with Mr. and Mrs. Roy Suttron and at Sioux Narrows.

Cost Of Television Staggers Anglicans

Ste. Anne de Bellevue, Que. — The high cost of telecasting gave members of the Anglican Church of Canada's 20th General Synod the shudders here when they learned the price of 13 half-hour programs was about $250,000.

Estimate came from W. St. Clair Low, Toronto, after presentation of a report from the department of stewardship and information.

Rt. Rev. E. S. Reed, bishop of Ottawa, said the use of radio and TV by the church was vital. He said Lutherans spent $1,000,000 a year on a religious TV program.

Mrs. G. K. Montizambert, Toronto, supervisor of broadcasting, suggested the church should produce over the next two years a weekly half-hour radio show, 13 half-hour documentaries, three half-hour radio plays on festival days and spot announcements. She estimated the cost at $230,000.

The synod said it should be considered over the next three years "as and when funds become available."

There are 17 recognized penguin species, of which only eight actually breed in the Antarctic.

Chemical pulp is made by cooking wood chips in huge kettles.

RAT HUNTER LOOKED LIKE BIG RABBIT

DALLAS, Tex. — The implication bothered him more than the pain, Marvin Pannell said, when he was shot Tuesday while hunting near a suburban lake.

Pannell, 47, said two men fired at him as he crawled through underbrush hunting rats.

As they rushed him to a clinic, Pannell said, they told him "they thought I was a rabbit."

Pannell was released after treatment for slight wounds in the right hand and left leg. Names of the two men were not learned.

BETTER DAYS DAWN FOR BUTT-SNIPERS

NEW YORK — The city's new public ashtrays are a boon to the professional butt hunters.

The new aluminum ashtrays stand about three or four feet off the ground, are funnel shaped and about as big as a basketball at the wide end.

To scroungers of free cigarets, this means smokes will be cooler, longer - lasting and cleaner than those picked up off the sidewalk.

It also means less work.

As one butt hunter put it, "Best thing about these trays is you no longer have to scoop down to get a butt."

'I hardly ever have to buy a pack of cigarets any more," he added.

BLUE DAY FOR DONALD

SPRINGFIELD, Ohio —Donald W. Vannoy, 38, a house painter, had the blues Tuesday.

Traffic officers reported a car driven by Vannoy had a splattering collision with another vehicle.

Vannoy was hauling 20 gallons of blue paint in his car and it poured over the street in a bright blue pool. The paint also splashed Vannoy from head to foot.

To top it all, officers said, when Vannoy pulled out his billfold to show his licence, all his papers fell into the blue mess.

The final blue note came when the officers charged Vannoy with reckless operation.

MUFFLER DANGER

(Calgary Albertan)

—The muffler is one of the more important parts of an automobile and it deserves more attention than it usually gets. Two items in Wednesday's Albertan illustrate what we mean.

A central Alberta woman was driving with her four children to visit her husband some 300 miles away. On the way her 17-month-old son died and on the return journey the other children got sick. A battered muffler had let fumes into the trunk of the car, and from there they seeped into the back seat.

In Calgary police court this week a man was fined $25 for driving without a muffler. It's not only rude but illegal to inflict unmuffled exhaust noise on the public.
