

The Corporation of the City of Kenora

By-law Number 70 - 2010

A By-law to Set Tax Ratios and to Set Tax Rate Reductions for Prescribed Property Classes and Subclasses for Municipal Purposes for the Year 2010

Whereas it is necessary for the Council of the Corporation of the City of Kenora, pursuant to Section 308(2) of the Municipal Act, 2001, S.O. 2001, c. 25, as amended (hereinafter referred to as the "Municipal Act"), to establish the tax ratios for 2010; and

Whereas the tax ratios determine the relative amount of taxation to be borne by each property class; and

Whereas the property classes have been prescribed by the Minister of Finance pursuant to Section 7 of the Assessment Act, R.S.O. 1990, c. A.31, as amended (hereinafter referred to as the "Assessment Act"); and

Whereas it is necessary for the Council of the Corporation of the City of Kenora, pursuant to Section 313(1) of the Municipal Act, to establish tax reductions for prescribed property classes and subclasses for 2009; and

Whereas the property subclasses for which tax rate reductions are to be established are in accordance with Section 8 of the Assessment Act; and

Whereas the tax rate reductions reduce the tax rates that would otherwise be levied for municipal purposes; and

Whereas the Corporation shall pass a by-law each year to establish the tax ratios for that year for the municipality pursuant to Section 308(4) of the Municipal Act; and

Whereas it is the intent of the Corporation to set the ratios to maximize the corresponding general purpose levy within the existing legislation and regulations for the existing property tax system in Ontario, with the exception of not passing on any levy increases to the hard-capped industrial property classes in 2010;
