### Ice Allocation Responsibility

The City of Kenora's Recreation and Culture Services Department has the responsibility to manage the allocation and distribution of ice on an annual basis to reflect population, registration, utilization, and participation patterns, in addition to applying municipal, provincial, and federal directives where required. The Recreation & Culture Services Department is responsible for implementation of the policy as outlined.

### Ice Facility Operations

The City of Kenora will responsibly manage ice resources to ensure optimal usage and programming, to reflect Council directives, to minimize risk and operational issues as well as strive for fiscal sustainability through timely and effective infrastructure updates.

On an annual basis, departmental staff will organize a meeting and invite all regular ice user facility stakeholders to review the City's ice practices, hours of operation, ice pad uses and restrictions, facility closures, holiday operating hours, prime and non-prime time hour definitions, and any other issues raised by stakeholders. The results of this meeting will support staff with updating the annual arena operations calendars, ice management schedules, critical dates, tournament/special event, and regular ice allocation schedules.

The policies identified in this document establish and clarify the City's responsibility for ice allocation and administration. The City is committed to the following:

1. Managing fiscally responsible ice facility operations;
2. Ensuring fair and equitable ice allocation;
3. Facilitating new revenue generating opportunities;
4. Processing tournament, special event, and seasonal ice permits;

### **1.0 Purpose**

The purpose of the Ice Allocation Policy is to ensure the service is delivered equitably and in collaboration with the community, and to promote and encourage participation in ice sports and activities to the overall benefit of the community.

To optimize the usage of the City's two arenas through the equitable allocation of ice time to organizations by integrating the principles of Canada's Long-Term Development in Sport and Physical Activity 3.0 model (LTDSPA) into the allocation policy.

With increasing demand on the City's existing facilities, Council and staff are committed to the effective management, allocation, and distribution of ice time within our municipally owned facilities.

The 2022 Parks and Recreation Master Plan identified several recommendations pertaining to ice allocation:

1. Review ice allocation and user fee policies for indoor ice arenas in the City to ensure equitable access, and balance affordability with cost recover considerations. Consideration should be given to the potential of having resident versus non-resident rates.
2. Consider differential fees for peak-time use to better align with other municipalities.
3. Involve ice user groups in the renewal of the City's ice allocation policy and to identify sustainable fees and charges, service level expectations, and how fee adjustments can be tied to service level improvements.
4. Continue to evaluate participation data for all ice user groups to monitor changes in participation by season.

This policy will serve as a framework for the City's ice allocation process. The goal of this policy is to promote and encourage participation in recreational activities to the overall benefit of the community.

### 4.0 Ice Allocations and Distribution Philosophy

Each April, the Recreation & Culture Department will circulate to user groups, a timetable schedule outlining key milestone dates for submission of requests and confirmation dates.

Through this process, the Recreation and Culture Department will develop an ice allocation schedule that best reflects the expressed needs of the users and application of this policy's principles, directives, definitions, and guidelines.

The City of Kenora reserves the right, at its discretion, to reassign ice annually as required and redistribute unassigned ice.

### 6.0 Residency Requirements

The City of Kenora recognizes the contributions provided by taxpayers toward the development and operation of recreational ice facilities and has established that residents of the City of Kenora and residents of the surrounding Treaty 3 community will always receive priority over non-residents in the allocation of ice time.

On an annual basis, registration data from the prior season of play shall accompany all ice allocation requests. Registration information must be supplied, in an approved format, by all Youth Partner Groups and Adult Seasonal Clients to the Recreation & Culture Department on/or before April 1 of each year. Registration data must include registrants' full name, and first three postal code characters.

The City shall accommodate the use of ice by non-residents after resident demand is satisfied. Non-residents will not achieve historical status regarding permit allocation on a year-to-year basis, resulting in following the "New Organization Requesting Regular Ice" process. Non-resident use shall be reviewed on a case-by-case basis.

### 7.0 Season of Play

The City of Kenora Recreation and Culture Department has adopted the following Seasons of Play:

- 1) Summer Ice Season will be defined as May 1 through to August 31 inclusive; and
- 2) Regular Ice Season will be defined as September 1 through to April 30 inclusive.

The opening of arena facilities when they are normally closed, or beyond established operating hours (as defined by the Ice Allocation Policy), will be considered only if the applicant agrees to pay for the full operational costs for such an opening and pending the availability of staff.

The City will offer annual ice opportunities from August 1st until the end of the Easter weekend in March or April. Requests for earlier or later ice must be made two (2) months in advance of the closure date to extend the ice season. Staff will assess the operating usage for the extended period for installing early, or leaving ice in later than the designated date, and will either approve or decline the request based on if the City can confirm a 50% occupancy rate during the additional time period, and that it does not impede on agreed upon dry-pad usage.

**Commented [KA1]:** Is this common? I certainly understand the inclusive sentiment, but I wonder how we exclude someone just across the border but lump these communities in. Not an easy one, just flagging this to discuss

**Commented [AS2R1]:** We currently do this already, and it was an issue when we tried to get them to pay the non-resident rate

**Commented [KA3]:** Not sure I understand what you mean here. Is there some sort of grandfathering that occurs?

**Commented [AS4R3]:** They would have to follow the "New user process"

Occupancy will be defined as the hours from 8:00 a.m. to 10:00 p.m. for this purpose. All reasonable requests will be reviewed and responded to. Application does not guarantee approval.

### **8.0 Designation of Ice Time Categories**

Ice allocation hours shall be designated and categorized as prime-time and non-prime time by the Recreation & Culture Department based on user demand and ice time availability.

Winter Prime Time Ice shall be defined as:

- 1) 4:00 p.m. to 10:00 p.m. (Monday through Friday)
- 2) 8:00 a.m. to 10:00 p.m. (Saturday and Sunday)

Winter Non-Prime Time Ice shall be defined as:

- 2) After 10:00 p.m. (Monday through Friday)
- 3) 6:00 a.m. to 8:00 a.m. and 10:00 p.m. to 12:00 midnight (Saturday and Sunday)

Summer Prime Time Ice shall be defined as:

- 1) Monday to Sunday, 6:00 a.m. to 12:00 midnight

Summer ice will be made available by the Recreation and Culture Department based on an expressed need by user groups, balanced with the department's annual business plan.

### **9.0 Definition of Ice Time Hour**

The City of Kenora Recreation and Culture Department has adopted the following one-hour block of ice time definition:

- A one (1) hour block of ice time shall be defined as fifty (50) minutes of ice time play. The remaining ten (10) minutes of time shall be utilized by facility operations staff for ice maintenance purposes.

To maintain the efficient scheduling of maintenance staff, ice resurfacing, and to ensure the accurate communication of ice surface and room assignments to participants, the City requires that all groups supply ice use schedules and ice resurfacing requirements to the City one (1) month prior to the commencement of the season.

Failure to comply could result in the cancellation of all or some of the permit contract for the remainder of the ice season.

The City reserves the right to accept or modify ice resurfacing requests to ensure the achievement of operational efficiencies and ice surface coordination.

### **10.0 Classifications of Ice Time Allocation Requests**

For ice allocation, requests for ice time from organizations and groups will be classified as "existing," "existing program expansion" or "new."

### **11.0 Ice Time Allocation Process**

On an annual basis, the City will develop weekly allotment guidelines that best reflects the expressed needs of the users, in relation to the LTDSPA 3.0 and application of this Policy's directives and guides.

Ice will be evenly allocated in accordance with the following priority groups:

1. Long-Term Development in Sport and Physical Activity Stages Principles
2. Recommended Guidelines from individual sport governing bodies.

Weekly allotment guidelines are used by municipalities to allocate the ice time required to meet the basic requirements for a sport and are expressed through a ratio of ice time per team or number of skaters and differ based on a sport's activity requirement and calibre/level of play. Ice time formulae apply only as a guideline to youth partner organizations and should not be considered a guarantee. (Please refer to appendix A)

- a) Organizations/groups to which the ice allocation guidelines do not apply will be allocated ice time based on the Ice Time Allocation Schedule, availability of ice and user group registrations.
- b) Casual ice time will be made available to organizations/groups based on the availability of ice time.
- c) Prime time requests will follow priority ranking and satisfaction of weekly allotment guideline.
- d) Organizations are responsible for the distribution of ice time to their teams or members.
- e) Allocated hours must be used by the organization/group to which they are assigned, unless otherwise approved by the Department.

- f) No tournaments, special events or expansions to existing programs may be implemented without the prior written approval of the Department.
- g) No youth group shall be assigned ice after 10:00 p.m.
- h) It is at the discretion of each organization to deem the minimum and maximum participants on the ice surface at once. Shared ice options are encouraged to assist with cost of rentals; however, the City will not dictate minimum and maximum requirements for individuals.

## **12.0 Conflict Resolution**

The preliminary ice allocation schedule will highlight ice time request conflicts (if any). Affected groups will be contacted by the Recreation and Culture Department regarding specific conflicts related to their requests. Each group(s) contacted will be asked to discuss and resolve their conflict. Should no resolution be reached with mediation, the General Manager of Recreation and Culture will function as arbitrator. Each group involved in the ice time request conflict will submit, in writing, rationale for their requirement of the ice time in conflict. Along with this information, if required, consideration will be given to the following factors to guide a final allocation decision in a priority order:

- (i) Degree to which user groups ice time requests have been met, apart from the ice time request conflict.
- (ii) Degree of which appendix A is met for each individual participant.
- (iii) Age range of the user group's participants related to the period of the ice time in conflict, where the younger of the two groups will be awarded the earlier time slot.

If the conflict cannot be resolved in the manner above, the final decision will fall on the General Manager of Recreation and Culture based on equitability level of both groups and their offerings.

## **13.0 New Organizations Requesting Regular Ice Time**

- 13.1. If a new organization requests regular ice time and an existing organization is meeting similar needs in the community, the Department will direct the new group to the existing organization.
- 13.2. A new organization requesting regular ice time must be providing a "New Program."
- 13.3. Organizations, groups, or individuals requesting regular ice for the first time must submit a request in writing to the General Manager of Recreation and Culture no later than January 1<sup>st</sup> for the following winter season, and by August 1<sup>st</sup> for the following summer season.
- 13.4. Recognition and ice allocation will occur once the conditions and criteria outlined in the Ice Allocation Policy are met and if existing users will not be adversely affected by the loss of hours. Displaced to another date or time do not classify as adversely affected. No minor users will be displaced past 10:00PM and will not be required to practice two times in a day to make up for a new user.
- 13.5. To aim for equitable use for both municipal arenas, the Community Program Supervisor will equally distribute ice between the Bowman Electric Keewatin Memorial Arena and the Thistle Arena. All groups can be given regular ice in both arenas, with the exception to the Kenora Thistle U18 AAA due to their recognized dressing room in the Thistle Arena.

The City will use unallocated ice first to meet the needs of a new applicant but reserves the right to reallocate hours from existing users, if warranted as per the priority ranking and Appendix A.

#### **14.0 Management of Tournaments, External Games and Special Event Requests**

The City Recreation & Culture Services Department recognizes the positive effects that tournaments, special events and championships can provide to the community.

To accommodate these events and minimize disruptions to regular programs and league play, the City of Kenora Recreation & Culture Services Department will allocate seasonal ice addressing Tournament and Special Event Requests first.

Existing and new organizations (sports, recreation, non-sports, or other) requesting Tournament and/or Special Event ice time must submit a request in writing to the Recreation & Culture Services Department with dates in accordance with the ice request timelines (Appendix A)

The Recreation & Culture Services Department will be responsible for effectively managing client requests for tournaments and special events. Based on the previous year's allocation, the Recreation & Culture Services Department, objectively, evaluate tournament and special event ice time requests, based on their past success, impact on the community, impact on departmental operations and existing schedules and resources, and availability of ice.

Individual teams hosting a tournament must return their seasonal ice allocated to them at all arenas for the week prior to the tournament. The turned back ice will be used and offered to groups who are displaced by the tournament, following priority rankings and appendix A guidelines. The City recognizes that some clients may still require hours at arenas during their tournament week to facilitate their seasonal games. The City requires these clients to request, in writing, by the tournament application deadline to keep those regular season hours, with appropriate justification. The City will grant this request, if the justification is warranted, as determined by the Community Programs Supervisor.

External Games rely on league schedules, the City of Kenora will provide allocated blocks to organizations who take part in regional and provincial leagues. Groups are expected to send these time blocks in and stay within the time frames. Any league game time not used will follow the open ice time process. For any games that are out of the allotted time block, and displace another user group, the team will return practice time during the week if it exceeds it recommended weekly ice usage as per appendix A

To equally utilizing both municipal arenas, the Community Program Supervisor will equally distribute ice between the Bowman Electric Keewatin Memorial Arena and the Thistle Arena. Game requests will be accepted at the arena of choice if pre-allocated ice does not support. All Podium Pathway games will be played on regulation-sized ice at the Thistle Arena.

#### **15.0 Ice Time Amendments and Cancellation**

All cancellations and amendments will follow policy #CS-1-5, Recreation Cancellation and Refund Policy.

In the event of a cancelled external game or tournament, where a team has taken the weekly allocated ice time of other group(s) due to the priority ranking, the group(s) who had ice taken will have the ability to reschedule normal ice times during these hours. If groups decline, ice will be offered as per the open ice time process.

## Appendix A

### Weekly Allotment Guidelines Based on the Stages of Long-Term Athlete Development

Taking into consideration the difference between individual sport models, the City will attempt to evenly distribute ice time in relation to stage in sport and number of athletes in each sport organization versus individual sport.

All recommendations are based on ice usage per sport/per user. For example, for those who figure skate and play hockey, the total of each sport will be assessed and not the total number between the two.

To ensure efficient opportunity, splitting of ice as per the recommendation of sport governing bodies are suggested to user groups, to allow for efficient allocation.

#### **Example:**

- *Team/Group A, with a level 10 priority requests ice from 9:00 p.m. to 10:00 p.m. on Wednesday nights. The submitted roster demonstrates that 20 of the 24 members participate at another time throughout the week with level 9 priority teams. Team/Group B, with a level 10 priority requests 9:00 p.m. to 10:00 p.m. on Wednesday nights, and has 15 members, but all 15 only participate with this group.*

*Allocated Ice: Group A receives ice in other arenas if available or would have to accept ice on another night or later hour.*

*Group B receives requested ice due to members only participating on this one day.*

For this m, the average age of the group or team as of December 31<sup>st</sup> will be the determining factor of which classification of the LTDSPA3.0 it falls within.

#### **Active Start:** Ages 0 – 5.

- Recommend 1 hour per week

**Example:** The skating club has 24 learn to skate participants from ages 3 to 5. This group will be allotted one hour per group.

#### **Fundamentals:** Ages 6 to 8 years of age for boys, and 6 to 8 for girls.

- Recommend 2 hours per week.

#### **Learn to Train:** Ages 9 to 11.
