

## Natural Gas Here Next Fall

### GAS MAY BE THE KEY

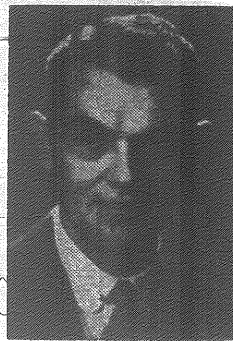

The vast reaches of Northern Ontario have long been described as a major economic barrier to the development of Canada, separating as it does, the industrial East and the productive West. Costly transportation through this 1000 mile wilderness, an area considered incapable of supporting population and industry, has long posed serious problems for the farmer, the manufacturer, the railways and, indeed, Governments. It has been a crutch upon which Canada's economy must hobble.

Last night, officials of Northern Ontario Natural Gas Company, who did not share this view, with justifiable pride, told skeptics, "I told you so". The slumbering giant of the north has stirred, and in its moving, has shaken the foundations upon which planners had based their predictions of Canada's future. For Northern Ontario, with its 40 communities, is not the impenetrable wilderness; not the burden, but the salvation of continued expansion in Canada, and has made economically feasible, the construction of a natural gas pipeline across Canada.

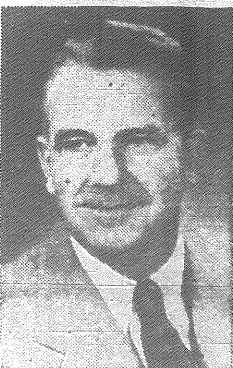

It is an interesting story. A pipeline across Canada, to cost an estimated \$300 million and requiring the largest financing in mankind's history of a single project, could not become a reality, without a high constant volume of sales — volume made possible by the export of gas to the U.S. The officials of the Company predicted three years ago that an expanding Northern Ontario would soon provide the necessary markets, a view which expert opinion did not share. Comparatively recent events have changed the thinking of financial experts, and the Northern Ontario Company has vaulted into first place among the customers of Trans Canada Pipelines Ltd. When it is considered that just short months ago officials wanted to bypass this market in preference to a route south of the Great Lakes, it indicates the speed of development in the north. The imagination is staggered.

It was easy for listeners of Mr. Ralph Farris, young, enthusiastic and energetic president of Northern, to catch the excitement of the drama which is about to be unfolded in this northern area. For have we not, these past two years, witnessed an industrial revolution? It is not difficult to share the confidence which he expressed, and to visualize the progress which cheap energy can make possible.

We are indeed a fortunate people, blessed not only by nature with bountiful natural resources, but also men with vision, confidence, determination and resourcefulness. Truly we are about to witness the advent of a new era in this undersold land of the north.

RALPH K. FARRIS

ALEX PHILLIPS

Natural gas, the key to the opening of vast new treasures of economic wealth in northwestern Ontario, will arrive in Kenora and district in the fall of 1957, Ralph K. Farris, president of Northern Ontario Natural Gas Company, told a distinguished gathering of 200 Kenora and district civic leaders last night, at a dinner held in the Kenricia Hotel. The speaker, painted in vivid terms, a vision of development in Northern Ontario unmatched in opportunity for growth since the coming of the first transcontinental railway. His listeners, including the mayors of Kenora, Keewatin, Dryden, Sioux Lookout, Jaffray, Melick, Chambers of Commerce presidents, representatives of Trades and Labour bodies, service clubs, industry and business, were impressed by progress made to date by Northern Ontario Natural Gas Company, the boundless enthusiasm of its president and the new industrial horizons which a cheaper fuel will reveal.

(Continued on Page 8)

### New Horizons Will Come With Gas, Predicts Speaker

"I shall never be able to oversell Northwestern Ontario," said Alexander Phillips, manager of the Northwestern Ontario Development Association in an enthusiastic address last night. His listeners were guests at a dinner meeting marking the advent of natural gas to the northwestern part of the Province. Describing the group which he heads as "a sturdy alliance of municipalities, pooling their money and efforts for the benefit of all", the speaker said the bulldozer and the airplane has transformed the north. Presently primary industries of mining, forestry and waterpower were enjoying an unprecedented development, backing his statement with figures. New wealth produced annually at Red Lake was \$15,000,000 in gold; soon the new wealth from Steep Rock iron mines would total \$100,000,000 each year. Hydro is presently spending \$90,000,000 in the area and paper and allied industries are spending another equal amount. The coming of natural gas will stimulate a new era of growth, the speaker predicted. "It has given us new horizons to us all."

### Price Of Gas Will Assist Industry Says R. K. Farris

Northwestern and Northern Ontario are about to secure the fourth ingredient necessary for industrial expansion, Ralph K. Farris, president of Northern Ontario Natural Gas Company said last night, in the keynote address delivered at a dinner marking the advent of gas to this area. Already we enjoy three he said — a progressive people, excellent transportation and a stable government. A cheap source of energy in the form of natural gas, will, in the fall of 1957, place us in a competitive position, reversing the present situation. Mr. Farris stated that, whereas today the cost of fuel is the highest on the continent, rates to be applied to natural gas will be cheaper than those in Montreal, southern Ontario, the United States, eastern seaboard and the Pacific Northwest, North of San Francisco.

Mr. Farris said that selling the idea of supplying gas to Northwestern Ontario had not been easy, and he paid tribute to those who "helped win this fight." The problem of bringing gas to Ontario was of tremendous magnitude. All efforts would be made to solve it.

(Continued on Page Ten)

### S. Sigurdson Keewatin Pioneer Called To Rest

Sigurdson Sigurdson, pioneer Keewatin resident was called to rest at the Kenora General Hospital, Monday evening, November 20 after a lengthy illness. He was in his 72nd year.

Born in Iceland on May 14, 1885, he came to this country in 1912 and settled in Keewatin. In 1915 he married Gudborg Paulsen. During his early life in Iceland he was a mate on a trawler and after coming to

Keewatin he was employed by the Lake of the Woods Milling Co. from 1912 till 1952. He was a member of the Lutheran Church, the I.O.O.F., Keewatin and the Lake of the Woods Millers Union.

He is survived by his widow and three sons, Sigurd Paul of Red Rock, Ont., Carl of Fort William and Harold of Malton, Ont., four daughters, Mrs. Margaret Young of Malton, Ont., Dorothy at home, Mrs. K. (Olive) Marchant, and Rosemary, both of New Rexdale, Ont. Eleven grandchildren also survive.

Funeral services will be held in the Chapel of the Brown Funeral Home on Thursday afternoon, November 29th at 1:30 p.

m. Rev. John Vedell will officiate and interment will be in the Lake of the Woods Cemetery.

### Magistrate's Court

At Magistrate's Court three men, two from Port Arthur and one from Winnipeg, were sentenced to six months definite and three months indefinite in the Ontario Reformatory when they were found guilty of breaking and entering and theft from Scott's Store, Keewatin. A local man charged with impaired driving was fined \$100 and costs, while a resident charged with illegal possession of wine was fined \$10 and costs.

### Keewatin United Church Hi-C Group Elects Officers

On October 21, 1956 we held our first meeting. At this meeting nominations for this year's coming officers took place. On November 9, 1956, the officers for year 1956-57 were elected. They are as follows:

- President - Marilyn Christianson.
- Vice-President - Betty Lou Contini.
- Secretary - Carolyn Kinch.
- Treasurer - Douglas Magnusson.
- Social Coponents - Betty Lou Contini, Bonnie Coulter.

Meetings are held every Tuesday night. On the last Sunday in every month we attend the evening service after which we hold our meeting. Next week's meeting should prove very interesting as a guest speaker has been obtained. We hope to see all the members out to this meet-

### Natural Gas Here

(Continued from Page Eight)

lar vice president of Mando, E. E. Crandall, resident manager of O & M in Kenora; Alf Coles and John Blakney of Ogilvies, Keewatin; Stan Cook, divisional engineer of the CPR; J. P. O'Brien, chief clerk at Kenora and George Parks, Industrial Agent for the Railway at Winnipeg.

Gordon K. McLean, assistant to Mr. Farris, introduced John Tomlinson, vice president and chief engineer of the Company and Mel Hunter, in charge of the commercial department of Northern Ontario Gas Company.

A. M. Delamere, chairman of the Industrial and Publicity Board of Kenora introduced Mr. Farris, saying that it was "a happy occasion to welcome a new industry to the district." He expressed the hope that Northern Ontario Gas Company would grow and prosper with this entire area.

The speaker was thanked by Ald. Dr. Peter Playfair, who said that he was not only impressed, but overwhelmed by the potential progress envisioned by Mr. Farris.

Guests had the opportunity, following the dinner, of discussing informally with Company officials, the coming of natural gas to Northern Ontario, and its related consequences.

### FEW BOY SCOUT GUESTS OF CANADA

at the 1955 Jamboree had a chance to see the great dams and smelters that make Canada a world supplier of aluminum.

But some did see a Canadian use of the light metal: outdoor cooking with aluminum foil. One Canadian troop showed how they used this handy material for doing potatoes, steaks and other foods over the campfire; how they kept food fresh in summer heat by protecting it with aluminum. If this missionary work carries the idea back to distant lands, Canada may have to turn out still more aluminum foil—even though last year her output, if laid in a 12-inch strip, would reach 382,000 miles.

ALUMINUM COMPANY OF CANADA, LTD. (ALCAN)

### Price Of Gas

(Continued from Page One)

defeated unless the end product could be sold at low cost. This, in turn, necessitated a constant, large volume market. To give his listeners a better understanding of the proportions of the project, Mr. Farris said that the cost of the Trans Canada pipeline would be \$300 millions, the largest financial undertaking of a single project in man's history. A 34 inch pipe thousands of miles long is being laid; prior to this time only 200 miles of such pipe had been produced in the world.

Northern Ontario Natural Gas Company, and its associate, Twin City Gas Company, are the distributing outlets, purchasing gas from the Trans Canada Pipeline Company. In recent months his company had been signed a contract for the purchase of gas—the largest contract yet held by the Trans Canada Company.

Said Mr. Farris, the contract "had been the complete solution of the all-Canadian gas pipeline," and this fact had been acknowledged in high circles. The contract calls for 250,000,000 cubic feet daily.

Kenora will be the first of the 40 communities in which gas will be distributed in the northwest, said Mr. Farris, and it will be a model effort. The all-Canadian Company will establish a sales office, showroom, become substantial taxpayers, employ a large staff here for a year and a half and make other worthwhile direct contributions to the Town, said the president. He listed 7 reasons why gas is the natural fuel, listing cost, convenience, safety among the top three.

The impact on the community was discussed under two headings: immediate and long range. Not less than \$150,000,000 will be spent in Northern Ontario by the two Companies, of which his Company will spend \$32,000,000. Mr. Farris broke this down as a half million dollars of capital outlay every day during the 1957-58 construction period. Appliance dealers, pipefitters, and numerous other businesses would benefit, as would commercial users by the lowering of costs. Long range benefits were listed as gains for primary industry by improving competitive costs; the development of new industries using gas as one of the ingredients of new products.

A cement plant was now a certainty in Northern Ontario, said Mr. Farris as gas will complete the necessary raw materials. Food processing, fibre board and veneer manufacturing were other industries which gas made possible.

Gas is complimentary to hydro power, said the speaker. Electrical energy should be utilized where it serves best, in the turning of wheels, said Mr. Farris, and gas will release much power for future expansion.

National advertising will be carried out by his Company, said Mr. Farris, and representatives soon will be calling on housewives, explaining the advantage of

### THE GRUELLING RACE

It looks like the local chess scene is rapidly developing into a smashing race as "upsets" and close finishes outlined Saturday's playing. The big upset came as Dave Johnson drew with the second best player in the league, Dave Brown. Mr. Johnson is currently riding on the bottom of the heap. Congratulations must go to Alan Houston who has managed to keep a clean slate thus far. Here are the standings:

	W	L	D	P
A. Houston	4	0	0	4
D. Brown	3	0	1	3½
V. Fortier	3	1	0	3
J. Robson	3	1	0	3
E. Sweet	3	1	0	3

T. Fawcett	0	3	1	3½
D. Johnson	0	3	1	3½

Any boy who would still like to play chess may get in touch with Al Houston and he may be able to fit you in the schedule for the next round.

### Well Done, In Two Ways

At the Sportsman Dinner the other night Lefty Gomez announced that he would send to Kenora three autographed balls.

They would have the signatures of Brooklyn, Yankee and Giant players and would be raffled off so funds could be raised for the Local Little League. We think that if it were possible, one

of these balls could be given to the Pony League so that they also could raise funds. It was a nice gesture by Mr. Gomez and I think that those balls will sell a lot of tickets in the aid of baseball.

We would also like to congratulate the **RENORA KINGS** for their fine theatre party over in the town of Keewatin. It was well received in this corner and others. We hope that the team will be able to carry on its fine calibre of hockey.

### BOWLING LATELY

Reports from all the loops show that this year is going to be one of the best in Bowling annals. The Commercial, Men's and the Teenagers are supplying thrills and more thrills. We will be venturing in the alleys quite soon to see how the averages and scores are coming and will report them later to you.

### OFF THE HACK

Curling is making sweeping gains in membership this year and all the Leagues are enjoying themselves to the utmost. Off the Cuff will be bringing all the local standings this Friday. Do not forget tomorrow's Off the Cuff hockey review.

## Little Thistles CORNER

Are we to have Pee Wee hockey? Only if coaches come forward. There is going to be 138 very disappointed boys unless at least eight capable fellows come forward to coach. We know we have several seventeen-year-olds quite capable of doing this duty. There is no practice hours, all we need is someone to guide them for games. It means two or three nights a month. We must know by Friday. Phone 7302, saying you will take a team, we must have Little Leagues now if we are to have big League material in the future. 7302 is the number. Do this now.

## HOME AND SCHOOL WEEK HIGHLIGHTS

We at Central Home and School are always doing our utmost to bring about better and closer understanding between pupils and teachers, and the parents.

With this aim in mind our programs include as a rule such highlights as films pertaining to childhood problems as well as excellent speakers on pertinent matters regarding our children's health and welfare, and activities of interest in and about our town of Kenora. Within the year we have benefited highly from such speakers as Mr. D. Shaw, Mr. Roy Brown, Mrs. Kirk, Mr. Walkey and Mr. Hansen, Dr. J. Litman and Mrs. Bradshaw.

These talks are inevitably followed by lively and valuable discussion periods as well.

Our meetings are always aimed at being of a relaxing nature

as well as educational, and often end with enthusiastic sing-songs followed by a cheerful coffee time.

At present, highlighting our interest is a class of square dancing and are in the hope of forming for the benefit of the grade six students. We are also looking forward to our annual Christmas meeting, December 17th, to which we hope our entire membership will turn out.

### VERMILION BAY

By Mrs. L. C. Emigh

I have a small notation on the calendar beside the date Nov. 15th copied from last year's calendar which reads "lake completely frozen over." From all appearances, the lake has just about reached

that stage now, which makes it a week later than last year. Course the mercury dropped to 22 deg. below on most of our thermometers on Thursday night, that's what really cinched it.

Mr. and Mrs. Robt. Gangloff and family motored to Winnipeg last Friday to attend the Santa Claus Parade on Saturday morning.

Quite a number of the local Masons and their wives attended the Masonic Banquet and Dance held in the Legion Hall in Dryden last Tuesday night.

Mr. and Mrs. D. Clark of Clark's Camp left on Friday to return home to Lincoln, Ill.

Mr. and Mrs. Walter Pierce of Eagle Lake South Shore Camp left last week. These two couples were the last of the American operators to close up and leave for home.

Miss Mary Bruetsch and Mr. Marvin Loewen whose marriage took place on Friday Nov. 23rd were feted at various occasions last weekend. Mary was guest of honor at a miscellaneous shower held in the Waldhof Hall last Saturday afternoon when approximately 30 of the Community ladies gathered. The Misses Marie Cook and Mildred Hansson were joint hostesses.

On Monday night, Mary was invited to the home of Mrs. V. Nelson, where about 20 of the Bay Ladies surprised her with a shower of miscellaneous gifts.

### PHOTO-GREETING CARDS

Just about everybody's switching over to PHOTO-Greeting Cards

Takes only your favorite snapshot negative and choice of our many message styles to give you greetings that are truly yours alone! Really moderate in cost. Order now for early delivery.

### COUNCIL MEETING POSTPONED

The Regular Meeting of the Council of the Town of Kenora Will be Held

Tomorrow, Tuesday, November 27 at 8 P.M.

In the Council Chambers

F. J. HOOPER,  
Town Clerk.

On Sunday night, Mr. and Mrs. Harold Barr of the Maple Leaf Cafe entertained at a staff dinner in honor of Mary and Marvin.

Last mentioned but not least was a big "Bachelor Party" for Marvin at Johnnie Bratland's on Saturday night, which went on and on into the wee small hours of Sunday morning. Mary and Marvin are honeymooning in the West.

way and on the main line of the CPR.

Vermilion Bay school has just been informed that it ranked second in the "Poppy Sale." The amount forwarded to the Dryden Legion was \$35.18.

Eagle River School came first and Camp Robinson third. This is of course, for the rural schools.

The Vermilion Bayites would very much like the Postal Department to know that all are deeply concerned, in an improved mail service whether it be by truck or train. By the time the daily newspapers arrive, the news is two and three days old and as for letters and parcels, its just a sixty-four dollar question, as to where they should possibly have been between posted and being delivered. Winnipeg letters have been known to have taken 3 and 4 days to get here. All this would be understandable, were we off in a rural area, miles from the railroad, but it seems as if it could be corrected to some extent, considering that were situated on the Trans Canada High-

### Hooded Robber Thanks Victims

Brighton. — A hooded man wearing rubber boots and striped pants and with a brown topcoat slung across his shoulders, heud up Steve Lukaskal's service station at the west end of Brighton.

The man, apparently on foot, entered the station and told three attendants, Jake deGroot, Louis Redam and a 12-year-old boy not to make a move. Then he asked them to give him the money from the station's till.

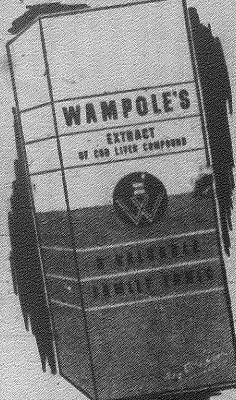

As he left with about \$100 cash, he turned and thanked them for the money.

### HUNGARIAN FLAG FLIES ON STATUE

A Hungarian flag flutters in the breeze after it was attached to the torch of the Statue of Liberty on Liberty Island, New York, by 12 Hungarian partisans. At the hem of the statue's robe a white banner proclaimed "Stop Genocide. Save Hungary." The group of Hungarians, early morning visitors to the statue, were believed to have placed the banners. The 40-foot-high ladder leading up Lady Liberty's upraised arm to her torch is barred for visitors by a gate, because the ladder is a thin, perilous climb, but a hinge on the gate had been sprung and the flags fastened to a railing which encloses the base of the torch. The flags were tak-

OF KENORA

**ROCKETS FLY INTO ARCTIC SKY**

A pillar of fire lights up the night sky at Fort Churchill, Man., in the wake of a just-launched aerobee rocket, left. The specially designed building for the tests, which are seeking information on magnetic fields and auroral particles for the international geophysical year preparations, is shown in the glow. At right, a caljun rocket is shown in flight one-tenth of a second after firing from the launcher. The rockets are being fired by U.S. army personnel.

**Liberace's Jewellery Found In Ashcan**

**HOLLYWOOD** — It didn't take detectives long to ascertain that jewellery found abandoned in a Highland Park ashcan was

taken in a burglary of pianist Liberace's home.

In a silk pillowcase embroidered in gold thread with the initial 'L' were cufflinks, tie pins, bracelets and compacts — all shaped like a piano.

What other items were taken

in the burglary hasn't been determined yet. Liberace is out of town.

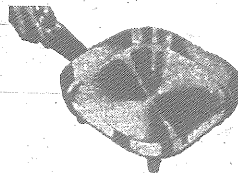

Canada's agricultural implements industry shipped \$119,006,000 worth of products in 1954 a drop of 30 per cent from 1953.

Congratulations are extended from family and friends to Mr. and Mrs. Fred Dubchak, who today are celebrating their 19th wedding anniversary.

**CARD OF THANKS**

We wish to extend our sincere thanks and appreciation for the many acts of kindness and help during Ernie's lengthy illness, and for the messages of sympathy and beautiful floral offerings received in our recent bereavement in the loss of our beloved husband and father. We especially wish to thank Dr. King and Baker, Pastor Olson, the Lakeside Baptist Church, the Shop - Easy - Jewel Stores, Pallbearers and Brown Funeral Home.

—MRS. E. Brown, Donald and Leslie.

The regular monthly meeting of Scenic Lodge, No. 433, L.A., to B. of B.P. will be held in the IOOF Hall Wednesday, November 29/56. Please Note: a good attendance is requested. Election of officers will take place at this meeting.

Further details may be had upon application to the undersigned.

The Corporation reserves the right to reject any or all applications.

E. L. HOLMES.

**Announcements**

Ladies Auxiliary, Canadian Legion, BESL, No. 12. Will all members with children up to 10 years please phone in the names for the Christmas party to Bea Herbert, 7068 or Marg Costello, 6358, before Saturday, December 1st. This is the deadline.

The West Ward Home and School Association will hold their regular monthly meeting on Wednesday, November 29th at 8 p.m. in the West Ward School, Norman. The guest speaker will be Mrs. V. Kirk. We hope to see all our regular members as well as new ones come out to hear Mrs. Kirk and a special invitation is extended to the parents of our kindergarten pupils whom she teaches.

**Mrs. M. Coonan Addresses North Ward Association**

The regular meeting of the North Ward Home and School Association was held on Wednesday, November 21st with Mrs. J. Roberts presiding.

A most interesting talk was given by Mrs. Coonan, Grade 7 teacher at North Ward. She held her listeners' interest with vivid descriptions of the places she visited while on a tour of Europe this past summer. Mrs. Coonan was on a tour sponsored by the Canadian Youth Hostels and had charge of the young people participating. Their journey took them to England, France, Austria, Germany, Italy and Switzerland. A most sincere vote of thanks was given to the speaker by Mrs. K. McGeachy.

The members of the Home and School were also entertained by several students from Tom Payne's Music Centre. Their lovely renditions were very well received and Mrs. Kortz extended thanks to the young artists. Mrs. G. Cox gave a brief resume on the assistance given by Home and School members at the Polio Immunization Clinic. The meeting closed with lunch served by

SOON TO BE SOLDIER POLICEMEN

"To Suez," says the sign on the duffel bag of Rfm. Jack Beattie of Ottawa, right, as he and Rfm. Paul Rhynold of Kentville, N.S., prepare to board an RCAF transport at Calgary for a trip to Halifax and there on to Egypt.

REDDITT NEWS

The St. Paul's Anglican W.A. ladies held their annual Fall Bazaar and Tea Friday afternoon, November 23rd in the Community Hall.

Mrs. P. Ferguson received at the door. Mrs. Geo. Mulholland and Mrs. E. B. Westcott were tea-pourers.

Mrs. C. Uffland was in charge of the tea tables, assisted by Mrs. Geo. Stephens, Mrs. B. Maki, Mrs. K. Joneson, Mrs. V. Fuller and Miss W. Mason.

Kitchen - Mrs. O. Race and Mrs. Wm. Mulholland. Bake Table - Mrs. E. Olson and Mrs. R. Anderson. Sewing Table - Mrs. O. Neuert and Miss B. King. Children's Table - Miss J. Montague, Miss Sinclair and Miss S. Neuert.

The ladies wish to take this opportunity to thank everyone who so kindly helped. A special thank you to our Kenora friends who helped a great deal to make this sale and tea the success it was.

Mrs. J. Roe was a Winnipeg visitor this week.

How to KEEP FIT after 50

In the old days fifty seemed the signal to slow down—take things easy—watch your diet—get more rest. It's still good advice. But these days you can face fifty with many interesting and active years ahead.

KEEWATIN NEWS

(By MRS. KEMBER)

There will be an "At Home" in St. James Rectory, Kewatin, on Thursday, November 29th at 8 p.m. in honor of Canon and Mrs. Wwait.

Natural Gas Here Next Fall

(Continued from Page One)

Mayor J. V. Fregeau, president of the Kenora District Municipal Association, joint sponsors together with the Kenora Chamber of Commerce and the Industrial and Publicity Board of Kenora, of the dinner meeting, acted as chairman for the history-making event, welcoming guests from all parts of the district.

In addition to Mayors Drew of Keewatin, Skillen of Dryden, Hainsworth of Sioux Lookout, Reeve Byers of Jaffray Melick and members of their Councils, Mayor Fregeau introduced former mayors of Kenora who had contributed in large measure to progress: Col. Fife, Earl Hutchinson, Tom McClellan, Arthur Pitt and Graham Holland.

Mrs. R. Cranen and children of Kenora are spending a week with her parents, Mr. and Mrs. Wm. Mulholland.

The St. Paul's W.A. monthly meeting will be held Tuesday evening, December 4th at the Mission House at 8 p.m.

The regular monthly meeting of the C.W.L. will be held in the Community Hall December 3rd. Don't forget it's "Christmas Party" after the meeting.

**WESTERNERS, RCAF CAPTURE ALL ROADBO PRIZES**

Truck drivers from across Canada showed their skill at the annual roadbo in Toronto and when the dust settled and the last gear had meshed, Western Canada's and RCAF drivers were holding all of the prizes. Roadbo Queen Mary Catterawo of Ottawa handed out trophies to: Gordon Smith, left, of Vancouver, winner of the tractor trailer competition; D. Kohn, Vancouver, second from right, tandem trailer winner, and E. Tkachyk, Calgary, right, straight driving. W. J. Russell, roadbo chairman, is congratulating Smith.
