## Progress Noted On Three Major Construction Jobs

Work on three major projects in the Kenora area are progressing favorably and in one case work is well ahead of schedule. It is expected that the new Parson Street bridge in Norman will be ready for traffic by the end of this month or early February at the latest. This new bridge is an overpass over the CPR and is being constructed at a cost of approximately \$60,000.

Construction is well underway for the new small boat wharf at the foot of Water Street. Piling operations commenced on Saturday by the contractors Bergman and Nelson. Two inspectors from the Department of Public Works are also in attendance and have decided to drop the height of the dock 6 inches below specifications which will make it 1 1/2 feet lower than the Main Street dock. Activity can also be noted at the scene of the proposed new hospital bridge. Drilling for the cement abutments has been started.

## Boy Accidentally Killed In District

Ontario Provincial Police at Kenora report that a shooting accident Sunday in the Central Patricia District claimed the life of 13 year old Ronnie Atlookan of the Port Hope Indian Reserve. It is reported that the young lad left his home in the morning with a 22 rifle to do some hunting and check his trap lines. When he failed to return his aunt, Sarah Boyd, went out to look for him. She found the lad dead. Dr. E. S. Connor, coroner at Central Patricia ruled the death as accidental and no inquest will be held.

## Local Hotel Owners To Attend 3 Day Toronto Convention

Leading hotel and tourist resort owners and operators from many parts of Ontario including H. Cornelle and Bert Gray of Kenora will discuss a variety of problems pertaining to the hotel industry at the 34th annual convention of the Ontario Hotel Association in the Royal York Hotel Toronto on January 19, 20 and 21.

Keen interest is being shown in this three-day conference and a record registration of delegates is expected from all sections of Ontario and from bordering points in the United States. The program will include addresses, panel discussions, forums, displays and commercial exhibits covering all hotel and tourist resort requirements.

Formed in 1925, the Ontario

Hotel Association is an organization of representatives of most of the better hotels of this province. It is dedicated to promote the public welfare through the development and improvement of hospitality, efficient and courteous service and the preparation of good, wholesome food.

Officials of the Association stress the importance of the 1959 convention since members are now facing a very critical period. This has been occasioned by increasing costs over the past ten years, while in the same period income has remained static and, in some cases, has even declined.

## 3 Car Accidents During Weekend

Three traffic accidents occurred locally during the weekend. At 4:50 Saturday afternoon a car driven by Victor Chevrefils and one operated by R. Hendrickson of Norman met in collision at the intersection of North Government Road and the Old Colonization Road. Chevrefils was turning into Colonization Road as Hendrickson was coming out. Chevrefils' car was extensively damaged.

Two cars were extensively damaged in an accident which occurred at one o'clock Sunday afternoon. W. E. Allan proceeding north on Main Street was in collision with a car which had stopped on First Street South and was owned by Swift Canadian Co. and operated by W. Shewchuk.

Paul Hoffer operating a Chevrie Electric Truck was involved in an accident with a car owned by S. Kernahan of Winnipeg as he was backing his vehicle out from a parking meter on Second Street South. Minor damage resulted.

## Two Go To Jail For Assault And Theft

At Magistrate's Court this morning, a local man found guilty of assaulting his wife was sent to jail for 18 months definite and 6 months indefinite.

Also given a jail sentence was a Keewatin youth who was sentenced to 6 months definite and 3 months indefinite on a charge of theft.

Other cases dealt with included: a local man appearing for a second time charged with contravening a liquor control Board order. He was fined \$50 and costs or thirty days. Two men appearing on drunk charges received the usual fine or option.

Charged with speeding resulted in a local motorist paying a fine of \$25 and costs.

Making rain is a difficult problem in drought stricken regions. Norway has the opposite problem. Norwegians, whose farmlands are frequently damaged by tremendous rains, sometimes have to spray the clouds with silver iodine so the clouds are blown away without turning into rain.

## Kinettes Hear Talk On Children's Aid

A regular dinner meeting of the Kenora Kinettes Club was held January 6 at the Kenwood Hotel.

President Arlene Clark presided, and six new members were initiated, and received their pins. Following the usual business meeting, the Kinettes were fortunate in having Mr. J. Thompson of the Children's Aid Society as their guest speaker.

Ken Bruce Stewart showed a film in connection with Children's Aid work and Mr. Thompson answered questions and gave a short talk on the film.

## Jaffray Melick Inaugural Held This Morning

At the inaugural meeting of the municipality of Jaffray Melick, Reeve E. W. Byers and the two new councillors Roy Hoare and Joe Garrow took the oath of office. Mr. Garrow was appointed acting Mayor. Standing Committees were set up as follows:

**BOARD OF WORKS**  
J. Garrow and George Gaud

**FINANCE**  
Roy Hoare and Ed Alcock

**RELIEF ADMINISTRATION**  
Reeve E. W. Byers

**COURT OF REVISION**  
G. L. Thomas, A. Samson, G. Parmeter, R. Yates and W. E. Galloway.

**WEED INSPECTOR**  
Harry Smith

**POUND KEEPER**  
Gus Johnson, George Koval, Robt. Duncan

**LIVESTOCK EVALUATOR**  
John Gourd, Wm. Kelso

**PARKS BOARD**  
Edward Alcock, George Gaud

**FENCE VIEWER**  
A. Samson

**HON. FIRE WARDENS**  
J. Villeneuve, L. Villeneuve, C. Day, J. Bogden, P. St. Germain, M. O. Bays, G. Koval, D. Brown, Sid King, J. Strecker, C. Tew, R. C. Sellar

Reeve Byers was appointed the township representative on the District Board of Health and the Children's Aid Society.

## Attorney General To Visit Kenora

The Honourable A. Kelso Roberts, Attorney General for the Province of Ontario will pay an official visit to Kenora, on Tuesday, January 13th.

The Progressive Conservative Association executive will sponsor a dinner in his honour in the evening at the Hotel Kenricia.

The following day the Minister will leave by car for Red Lake, on another official call.

## Film Showing At Library Tonight

There will be a showing of films tonight in the basement of the Public Library at 7:30 p.m. Come and bring the family. These films are suitable for both adults and children and are both entertaining and educational.

We had a good turnout in November when over sixty people attended and hope this will be a regular occurrence from now on.

More people commit suicide with love than with knife.

## NEW MEMBERS JOIN 1959 TOWN COUNCIL

It is still too early to state definitely that the present tax rate will be maintained in 1959, but the chairman of finance doesn't anticipate too great a rise, Mayor Peter Ratuski told interested spectators at the inaugural meeting of the new Council, held this morning at 11:00 a.m. Reviewing accomplishments of the past year, His Worship said that much had been done and that completion of the Norman bridge, the telephone building and the new Town warehouse property will be pushed. Looking ahead, he noted the lack of communication with the growing area in the northeast section of Town, and said that steps are presently being taken to determine the facts of opening 9th Avenue S. by crossing either above or below the CPR tracks. Not forgotten, too, was the Norman water and sewer project. "You people voted for it 2 years ago, and although we have been turned down by the Municipal Board, the door is not shut. Either by correspondence or by delegation, we shall pursue the matter". His Worship stated. Paving was done last year from current revenue, and if finances permitted, more would be undertaken in 1959.

Mayor Ratuski, after greeting members of the clergy, heads of civic departments and others to the meeting, said that concern was felt by Council for the growing problems of welfare. He said that the costs of assistance was 'much heavier' than in the past few years.

### WINTER WORK

The Town had submitted a list of proposed public works which might qualify under the winter work program, but had not yet received approval from the senior governments.

One of the highlights of the 45 minute inaugural, was the taking of the oath of office by Alderman Minor, Armstrong and Johnson. Another was the presentation of rings, bearing the Town crest, to retiring alderman Playfair and Newman. Honors were done by Aldermen Sewell and Stratton.

Silent tribute was paid to the memory of five citizens, prominent in civic life in former years, who passed away in 1958. Remembered were Mr. Jack Lunney, Mr. H. Sherran Murphy, Mr. Joseph Derry, Mr. Walter Francis and Mr. Edmond F. Page.

Rev. Father Savoie invoked the blessing of God on the work of the new Council, and asked for guidance in the work, efforts and health of the members.

Among those in attendance were Rev. R. J. Leighton, Rev. McCrae, Alex. Brown, former mayor Tom McLellan, Mr. E. E. Crandall, Mr. E. L. Carter, Bill Mari, Tom Saul, Mr. B. Heppelle, Charlie McGimsie, Bert Peterson, W. B. Powell, Jack Robinson.

The following is a list of committee appointments and Town appointments to the various Boards:

**ACTING MAYOR:**  
Bruce Paterson.

**PUBLIC WORKS:**  
Ald. Stratton and Minor.

**FIRE AND POLICE:**  
Ald. Minor and Johnson.

**WELFARE:**  
Ald. Johnson and Sewell.

**FINANCE:**  
Ald. Sewell and Stratton.

**PUBLIC UTILITIES:**  
Ald. Paterson and Armstrong.

**PARKS - CEMETERY:**  
Ald. Armstrong and Paterson.

**LIBRARY BOARD:**  
(3 years) Florence Humble; re-appointment.

**INDUSTRIAL BOARD:**  
(1 year) Ald. Minor and Paterson.

**BOARD OF HEALTH:**  
(1 year) Dr. R. J. Whitaker and Stan Houghton.

**HIGH SCHOOL BOARD:**  
(3 years) E. L. Carter (re-appointment).

**GENERAL HOSPITAL BOARD:**  
Ald. R. Stratton.

**RECREATION COMMITTEE:**  
Ald. Armstrong, Ald. Sewell, C. R. Scott, J. McLaughlin, Mrs. Wm. Kidd, D. Rowan and Mr. J. Watterson.

**PLANNING BOARD:**  
Ald. Sewell, Armstrong and Johnson.

**COURT OF REVISION:**  
Mayor Ratuski, Aldermen Sewell and Stratton, Dr. P. Playfair, L. A. Toole and Mr. C. A. Bergman.

**Gives Birth To 12-Ounce Baby**

Mrs. Mabel Hanses, 23, lies in hospital bed in Chicago happy that her new born daughter, Gloria Diane, is still alive even though doctors find it almost impossible to feed her. Gloria, only 10 1/4 inches long, came in to world Dec. 28, at weight of only 12 ounces, and if she lives she will tie the record as the smallest baby to survive. The Hanses have two other children, a boy, four, and a girl, three.

ondary school principals, the department says prospective teachers will need an average of four options rather than three in each of the four years of secondary school.

Options, taken by students in addition to compulsory subjects such as English and history, include mathematics, sciences and languages.

The four-option requirement goes into effect this year for the pre-teachers' college summer courses scheduled at Toronto and Port Arthur from July 6 to Aug. 14, but not until September,

1960, for admittance to the two-year course in teachers' colleges. "Increased enrolment in the teachers' colleges with consequent improvement in the supply of teachers for elementary schools makes possible this raising of the standard," the announcement said.

In the case of the pre-teachers' college summer course, the higher standard was designed to permit a reduction in enrolment.

Bermuda consists of 360 islands, 20 of which are inhabited.

tions to 25%. The latter were close to the twelve-month record of 1956, while starts were 12% above the record year total of 1955.

**Manufacturing:**

Steel ingot output moved up in the week ended January 3 to 87.9% of rated capacity after dropping to 68.1% in the previous holiday week. . . . output of refined sugar rose substantially in November, contributing to an eleven-month gain of nearly 7% over 1957.

**Transportation:**

Freight cleared through Canadian canals during November was 14% greater in tonnage than a year earlier, the number of vessels cleared rising sharply to 3,373 from 2,602. Tonnage volume through the Welland Ship Canal was up just over 14% and through the St. Lawrence canals nearly 21%.

**Higher Entrance Standards For Training Teachers**

Toronto — The Ontario education department has announced higher entrance standards for training elementary school teachers.

In a memorandum to all sec-

**D. B. S.**  
Dominion Bureau of Statistics  
**Weekly Highlights**

**Prices:**

Canada's consumer price index moved slightly downward during November after increases in each of the preceding five months. The decline was due to a drop in the food index, all of the other four group indexes showing increases. . . . Wholesale price index of 30 basic industrial raw materials also moved downward in the three weeks ending December 19. In the same period the index of Canadian farm products at terminal markets rose 1.7% with animal products up 2.2% and field products 0.7%. Both eastern and western indexes advanced.

**Labour:**

Average weekly wages in manufacturing stood at \$67.48 at November 1 compared to \$65.65 a year earlier and average hourly wages at 165.4c against 162.9c, while the average work week

was 40.8 compared to 40.3 hours.

**Mining:**

Canada's mineral production in 1958 was 3% lower in value than in 1957 at an estimated \$2,122,153,000, marking the first decline in 15 years. Uranium moved up sharply to become the leading metal for the year, and gold, silver, natural gas, clay products and cement were higher. Copper, nickel, lead, zinc and iron ore, as well as crude petroleum and coal declined in output value. Among the groups, structural materials alone was higher, rising substantially to a new peak. Ontario maintained its large margin as the leading province in value of production. With the drop in petroleum, Alberta slipped back into third place behind Quebec, while Saskatchewan moved ahead of British Columbia into fourth place.

**Construction:**

Starts as well as completions of new dwelling units showed further substantial increases in November over a year earlier to bring the increase in starts for the eleven months of 1958 to nearly 36% over 1957 and the gain in comple-

## THISTLES CLINCH SECOND PLACE; WIN ONE, LOSE ONE DURING WEEKEND

Second place in the Ontario-Minnesota league was decided in Fort Frances Saturday night as the Kenora Thistles scored a four-three victory over the Fort Frances Canadians, to give them eight points and a two point buldge over the Canadians in third place. Dryden Rockets remain in the cellar with four.

The first game of the weekend action saw the Canadians blast the Rockets seven-one Friday night, and Warroad take their

measure eleven-six Saturday. On Sunday in Warroad the Lakers led by Rodger Christian and Gord Pennell, ploughed the Thistles under ten-two.

On Saturday in the Fort, both clubs played heads up hockey all the way, with the Thistles outshining the Canadians. In the defence dept. Canadians took a two to one lead in the first, held on three to two in the second. Ron Morgan scored a quickie from Frank Leroux at 1:13 of the third to tie the score and Merv Dubchuk scored what proved to be the winner at 8:27, his second goal of the night. Fights between Allie Reynard, Jim Johnson and Bill Devins and Ike Eisenoph broke out at the thirteen minute mark and from there on the penalty box continued to draw customers. The Thistles next game is on the road playing in Dryden Wednesday, on the weekend Warroad visits Friday night and Fort Frances Saturday.

8:27 Kenora, Dubchuk (Robertson).  
Penalties Kenora 6 - Fort Frances 4.

## Commercial Mixed Bowling News

The bowling season reached the half way mark last week and saw five more teams qualifying for play-off spots. Lakeland Dairies, MacLeods Shoes, Strikeouts, Excel Coach Lines and Off Centres were the lucky teams.

Lakeland Dairy started the last night with a nine point lead over their nearest competitor and promptly increased it to 14 to finish out in good style. McLeod Shoes didn't finish quite so strong in Section two but ended up with a nice comfortable lead. Strikeouts in Section three didn't have much trouble winning their place as they had an eleven point lead to start with and increased it to seventeen. Excel Coach had a poor night in Section four but could afford to relax as they started the evening with an 18 point lead. Section five saw only four teams at the start of the night but Kron's Transportation were in high gear and collected 24 points for a perfect night. However as Kron's already have a Play-off berth the second place Off Centres get the position.

Here and there, John Zilinski ends the first half with a 243 average the highest this league

has ever had, keep it up in the last half John, Ab Michaluk was high man last week with a neat 778 triple and a 298 single. Marg February rolled a 300 game just before Xmas the first time Marg ever made 300. Hope she does it again this year, Prouty's need the points. We sent two teams up to Winnipeg the 10th of January to compete for the Ruth Bannon Trophy. The Ladies didn't win but made a very good showing. The following ladies made the trip, Gerry Crandall, Rita Hendrickson, Laurel Groulx, Wanda Gallingier and Vicky Czmuch on the first team and

Millie McCombs, Helen Davidson, Pearl Johnson, Gert Wilson and "Babe" Clifton on the other team. Nick Ladies. There will be a Mixed team going up this week to compete for the Sam Wasson Trophy. Hope they do as well as Ladies. Hidden score winners were Shirley Murdick for the Ladies with 117 and Rolfe Nelson for the men with 128.

Tom: "Has your gardening taught you anything?"  
Dick: "Yes, I'll never again believe that we reap what we sow."

## AMERICANS PREPARE FOR SERVICE TOURNAMENT

Young Hector peered out of his first floor locker at the High School and said, "The Yanks have come... conquered... and have left"... So tells the story of the one-sided, exciting humorous basketball game held at the High School Gym last night between the Mustangs and their U.S. Air Force visitors from the Sioux Lookout area... The official score book registers the 80-44 score in gleaming block letters, and the wonderful performance of Detroit's George Williams... Bob Goddard and Emil Urynyuk will now be working on the Colts and Mustangs for future High School games, and the Mustangs just may be playing this Air Force team again... The Americans are preparing for an American Air Force Basketball Tournament which will be held in Duluth later on this month... In the locker room of the radar boys we discussed their past... Only one player, John Corby, has played at College basketball and the rest of the team picked up their stuff in High School... The boys told the cuffer that they were used to playing on the Sioux Lookout Gym, which is considerably smaller than Kenora High... They said that they thought Kenora was really a very "pretty" town and George Williams said that he would like to visit here during the summer... The Air Force team have played Sioux Lookout's High team and Dryden's... Coach and player, Edward Dringhawk, hopes that three draws being played before his team will be in good shape for their Duluth Service Tourna-

ment... He wants to play in Kenora before they go south... Williams wants to play here once again because he is receiving his release from the Air Force at the end of the month and he likely won't be around in February... The Mustangs have the same team as last year and we thought that they were doing quite well in their first performance... Bob Apps and Harold Symonds were the two Mustang stars... The Mustangs may be entered in a High School League this season which will be composed of teams from around the district... More on that a bit later... Frank Townsend says that he thinks that Kenora's old grads would give the Air Force team a very good battle... We think that the likes of Bob Cameron, Noel Dunford, Tom Cook etc. would certainly be no easy chore for the radar boys... There may be a game in the future between the Gards and the States team... Thistles in Fort Frances tonight for a Big one... After the Canadians 7-1 trouncing over Dryden yesterday the border town boys found themselves in a second place tie with our Thistles... Certainly hope the Thistles break that tie ce soir... that cuffs it; play it safe, on and off the field of sport.

## Large Following Witnesses Brier Curling Play-Offs

The trail which might lead to a berth in the Canadian Curling finals commenced for Kenora curlers over the weekend, with Edward Dringhawk, hopes that three draws being played before his team will be in good shape for their Duluth Service Tourna-

- W. Johnson - Sutcliffe
- Clifton - L. Johnson

Earth flew in all directions as the crimson-faced would-be golfer attempted to strike the ball. "My word," he blurted out to his caddie, "the worms will think there's an earthquake." "I don't know," replied the caddie, "the worms 'round here are crafty. I'll bet most of them are hiding underneath the ball for safety."

IF YOURS IS IN THE MAIL ALREADY WE THANK YOU VERY MUCH ... IF NOT

DO IT NOW

FIGHT TUBERCULOSIS

### For their sure support hold on to your life insurance!

Your life insurance policy is extremely valuable property because of its guaranteed benefits to you as well as your dependents.

In all policies having guaranteed cash values, you are assured cash savings which increase steadily through the years. These are protected against casual spending yet are immediately available to you in a financial emergency.

The payment of every dollar promised you at retirement is absolutely assured ... either in cash or as a guaranteed income. This is very important because people in Canada today can reasonably expect to live longer.

If anything should happen to you, your dependents are guaranteed all the money you provided for them through your life insurance.

Guaranteed family security and guaranteed savings make life insurance the number one gilt-edged investment for over 7 1/2 million Canadians.

**Sidelights**

The officer in charge of a party of Royal Engineers constructing a road through a swamp section ordered a second lieutenant to take fifteen men and get on with the job.

Presently the subaltern came to see the colonel. "Sir," he reported, "the mud is over the men's heads. We just can't get through."

"Nonsense!" roared the C.O. "Make out a list for anything you need and I'll see that you get it."

A few minutes later the second lieutenant laid the memorandum on the C.O.'s desk: "Need fifteen men 15 feet tall to cross swamp 15 feet deep."

"That is the garage," said an excited voice over the telephone. "Your wife just drove in here . . ."

"Okay, okay," interrupted the weary husband. "Just go ahead and fix the car. I'll pay for it."

"That isn't what I'm calling about," said the voice. "Whose going to pay for the repairs to my garage?"

**"CIRCUSING"  
THE R.C.M.P.**

(Toronto Globe and Mail)

It appears that the famous Musical Ride of the Royal Canadian Mounted Police is in for another eclipse. If its new suspension, announced from Ottawa, were a judicious finding of RCMP authorities in the interests of police work, we would still have regret, but scarcely an argument. But it is giving way to stunt riding — "thrilling tests of horsemanship, Roman and tandem riding and pattern team jumping . . . and, in larger arenas, test-pegging". All these, says an Ottawa dispatch, "contain an element of danger not present in the Musical Ride." Is there virtue in that? We are not sure we see why men and horses of a law-enforcement agency should be assigned to risk injury or worse for the amusement of a jaded public. True, the RCMP is historically Western — but does that mean it must go Western in the Hollywood, TV and radio manner?

The Musical Ride was educational and inspiring. It taught rhythm, precision, restraint; it was poetic and fascinating; most of all, perhaps, it demonstrated perfect understanding between man and horse. The new program goes the other way. Instead of setting a high standard of entertainment, instead of cultivating good taste in its audiences, it looks evermuch like pandering to the lower tastes of a Roman circus. We trust the RCMP command will have second, and better, thoughts on this business.

**VICTIM TRAPS  
BOY BURGLARS**

NORWALK, Calif. Mrs. Maria Villegas, victimized by burglars three times in a month, decided to trap the thieves in her own way. She armed herself with an unloaded rifle, an inexpensive camera with flash attachment, and waited in her bedroom.

Eventually, two neighborhood boys, each 12, entered her home.

"When they started to force the lock of a hankie box where I keep the money," she told sheriff's officers, "I stepped from behind a door and snapped their picture. I covered them with the gun and yelled for help."

Her screams brought help. Sheriff's Capt. Herman Garbe said the boys admitted stealing \$250 from Mrs. Villegas.

The picture turned out fine, too, and in color.

**WINE EXPORTS**

West Germany will increase its imports of wines from South Africa to 400,000 gallons for 1959, double the 1957 figure.

French Smokers Stock Up At Old Prices

French tobacconists are doing a landslide business as citizens rush to stock up on cigarettes and tobacco before the higher price becomes effective. This Parisian smoker is getting a big supply at the old price. De Gaulle's austerity taxation program has every Frenchman in the pocketbook with taxes on many consumer goods and service.

Announcements

The Regular monthly meeting of the Ladies Auxiliary to the Canadian Legion Branch 12, will be held Tuesday, January 13th at 8.00 p.m. in the east room of the Legion building. Convenors of committees please bring in your yearly reports. Pot luck lunch will be served.

butter  
3 tablespoons butter  
Combine pudding mix and milk in saucepan. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat. Let cool to room temperature.  
Meanwhile combine graham cracker crumbs, sugar, peanut butter, and butter. Mix thoroughly. Spread 3/4 cup crumb mixture in an 8x8 inch cake pan. Cover with 1 cup of the pudding. Then add alternative layers of 3/4 cup crumb mixture and remaining pudding. Sprinkle with remaining crumb mixture. Chill. Makes 9 servings.

Butterscotch Pot de Creme  
1 package butterscotch pudding and pie filling  
1/4 cup sugar  
1-1/2 cups milk  
2 egg yolks, slightly beaten  
1/2 cup whipping cream

Combine pudding mix, sugar and milk in saucepan. Cook and stir over medium heat until mixture begins to thicken. Pour a little of hot mixture into egg yolks and stir quickly to blend. Add to mixture in saucepan and continue cooking until mixture comes to a full boil. Chill. Then whip cream and fold into chilled pudding. Spoon into souffle cups or a serving dish. Chill until set, about 2 hours. Garnish with additional whipped cream and shaved chocolate, if desired. Makes 8 or 10 servings.

The Idaho Education Assn. estimates the cost of operating its school system is 75 million dollars annually.

For the first time in this century, the United States is growing wood faster than it is being removed from the forests.

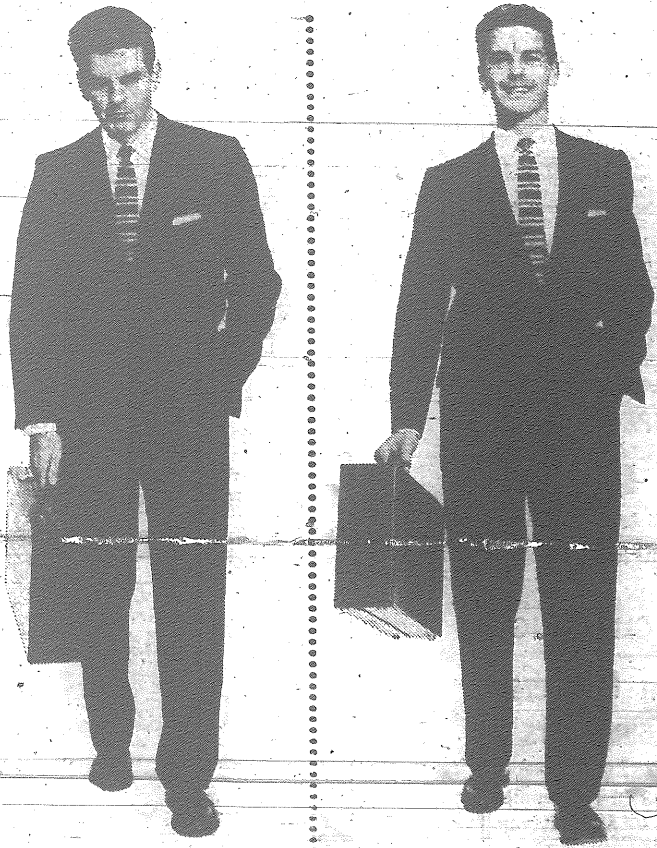

KITCHEN CLASSICS

**Peanut Butter Crunch Pudding**  
1 package vanilla pudding and pie-filling mix  
2 cups milk  
1-1/4 cups graham cracker crumbs (about 20 crackers)  
1/2 cup sugar

CANADIANS IN CUBA WELL TREATED

Sam Plesser of Albany, N.Y., is searched by an armed rebel guard at the entrance of the Sevilla-Biltmore hotel in Havana. Only authorized persons were admitted into the hotel to prevent any further looting. Canadian and U.S. tourists and students have been well treated by Castro's troops. A rescue ship carrying 500 U.S. tourists left Havana with the consent and cooperation of the rebels.

ANOTHER "FIRST" FOR RUSSIA

Looking like some strange new weapons, these Russian squeeze-handle devices are actually sewing machines for use on the human body. Displayed in Moscow they are used for putting in stitches quickly and safely during operations on the heart, lungs, and chest. Russia claims they are the first such devices ever made.

Gay Colours Dominate Styles

April showers will bring forth flowers with a swish this year, say fashion experts. Floral-patterned silk raincoat are among the styles on show at the garment salesmen's Ontario market at Toronto.

The market is held twice a year for manufacturers to show the latest styles in women's wear to retailers. The spring and summer clothes on display will be for sale to the public starting next month.

Judging by the samples on view, rainwear this spring will be more colorful than ever in silks, velveteen and jersey. The style is a modified empire (high-waisted) line.

Fashions generally are conservative after the wild swings of trapeze and chemise lines. The empire has been modified to resume almost a normal waistline.

Collars are wide, sleeves reach the mid-forearm and suits have jaunty short jackets.

In dresses, waistlines are in prints to lacey tweeds.

Spring colors are beige, yellow, intense pink, moody and acid greens and mauve.

Mohair coats and suits will still be fashionable this spring, with checks ranging from petit-

Two-piece swimsuits will be fashionable.

Small children taken for boat rides should each be equipped with a life preserver.

San Francisco Xavier University at Sucre in Bolivia was established in 1825.

 EVERYONE WELCOME - HELP US TO HELP OTHERS

**Traffic Death Toll Lower in 1958**

More Ontario residents drove last year but fewer were killed on the highways. The department of transport says 1958 figures will show that while motor vehicle registrations and gasoline consumption increased sharply, fatalities were about 150 less than the 1,279 in 1957. The ratio between deaths and distance travelled is an all-time low. Arthur Rowan, chief statistician for the department, says there were 7.7 deaths per 100,000,000 miles travelled in 1957 and 7.8 deaths for the same mileage in 1958. The deaths had increased yearly over 10 years. The 1958 figures had not yet been computed but are expected to be sharply lower. Traffic fatalities on roads patrolled specifically by provincial police in 1958, dropped 13 per cent to 739 from 850 in 1957, it was also announced. The totals do not include fatalities in towns, cities and other municipalities not patrolled by the OPP.

The attorney-general's office, which instituted a crackdown on poor driving a year ago, said the provincial police can be justly proud of the accomplishment.

Only citizens who can read and write may vote for congress in the republic of Ecuador.
