## Bill Watkinson Honored By Amateur Hockey

In recognition of his services to Minor Hockey in Kenora and the district, Bill Watkinson, well known and highly respected Kenora citizen was signally honored last night at the Thistle Rink when hundreds of citizens, boys and girls gathered to pay tribute to him.

Following the reading of the Proclamation for Minor Hockey Week and the reading of a letter by Neil Strain from the Thunder Bay Amateur Hockey Association recognizing Mr. Watkinson, Mayor Peter Ratuski, on behalf of the Canadian Amateur Hockey Association presented Mr. Watkinson with a suitably inscribed plaque.

In accepting the presentation, Mr. Watkinson said, "the honour if deserved should be shared by everyone. Many people made this work possible and I was and am

only too happy to do anything for the "kids". It is with genuine pleasure that I accept this plaque". Continuing, Mr. Watkinson said that he regretted only one thing — "My wife's name should also be on this plaque. Many are the hours she has spent wishing and mending uniforms and at one time she even went into the box to coach a team."

Congratulations were extended to Mr. Watkinson by Hiro Oshiro, Kenora Thistles, E. Fortier, Kenora Rink Co. and Ches Scott, Kenora Recreation Committee. Jack Waterson then presented Mrs. Watkinson with a beautiful bouquet of flowers.

## 3 BINGO WINNERS

The Norman Community Club has announced 3 more lucky bingo winners.

Completing the diagonal line from the top of the B to the bottom of the O were; Mr. Cliff Howard, East Highway, Mrs. J. Novak, 12-8th Street North and Mrs. John Andrychuk, 1518-Railway Street. They split the \$50.00 prize.

## TOWN FATHERS DEAL WITH VARIED AGENDA

Work on the CBC television site is expected to get underway in March it was announced last night at council. In a communication from T. A. O'Flaherty the council was informed of a request from the Canadian Broadcasting Corporation that the Town of Kenora extend the option given the Corporation of a part of Parcel 9019 (Quarry Site - Tunney Island) for a further period of six months from January 31st, 1959.

Council granted the extension. In the matter of ownership of the triangle of property adjacent to North Ward school, presently owned by the town and on which the Rideout Athletic Association have their community rink, council agreed to sell the property to the Public School Board subject to the following conditions:

(a) Price \$1,000.00 per acre.  
(b) The Rideout Community Association be permitted the use of the property as an outdoor rink for the winter seasons 1959-1960, 1960-1961.

Children's Aid Home  
Fire Chief R. Davie informed

tion of the property which the Children's Aid Society wishes to use for a receiving home, the

following recommendations are necessary to ensure fire safety:

1. All electrical equipment to be inspected by a qualified inspector.
2. A secondary exit or fire escape from the second floor to the ground is necessary.
3. Exit signs & lights to be installed on a separate circuit and left on at all times.
4. Lights to be left on at all times on second floor.
5. Doors on stairwells to swing both ways and to remain closed.
6. Walls and ceiling of furnace room to be fire proofed.
7. Door leading from furnace room to kitchen to be iron clad.
8. Stairway to kitchen to meet safety standards.
9. Two fire alarm bells to be installed on first and second floors.
10. First Aid equipment to be installed.

Mr. W. B. Powell, chairman of the board, explained some misconceptions as to the use of the home by the society, stating that the home would not be a boarding home. Children would be

few days to not more than three

## PRELIMINARY HEARING

# MURDER CHARGE EVIDENCE INCLUDES NUMEROUS EXHIBITS

## Fire Department Wins Award

It was announced today from the Fire-Marshal's Office, Toronto, that the Kenora Fire Department had won Honorable Mention in the 1958 Fire Prevention contest. Kenora was second in the Honorable Mention class, with Galt, Ontario, population 24,850 and 25 firemen in first place. Kenora is registered with 10,533 population and a fire department of 14 members. Third place in this class was Brockville with 15,456 population and 22 firemen.

Heading this section of cities and towns with populations from 10,000 to 25,000 was St. Thomas, Ontario with a fire department of 34 for their population of 19,202. Second was Leaside, 16,483 and 31 full time firemen and third was Welland, 17,433 population, 24 firemen.

Congratulations are extended to Fire Chief Reg Davie and his staff of 14 conscientious firemen for the fine record established by them in 1958.

## A. Worona Called To Rest Monday

Anthony Worona well known resident of Mellick Township was called to rest at St. Joseph Hospital, Monday, January 26th, following a short illness. Born in Austria, February 15, 1889 he was in his 70th year.

He received his education in the Old Country. A resident of this district for the past 45 years, he came here in 1914 and farmed in Mellick Township.

He is survived by his widow the former Annie Delanowski, sons, Michael and William of Kenora and Joseph of Vancouver, B.C., one daughter Mrs. J. (Francis) Symanyk of Kenora.

Funeral services will be held at St. Nicholas Greek Catholic Church, Thursday, January 29th at 10 a.m. Father A. Simbalist will officiate and interment will be in the Roman Catholic Cemetery. Burial will be in the Chapel of the Crown Funeral Home Wednesday evening at 8 p.m.

## Music Teachers Present Pupils In Recital

An enjoyable recital was heard on Friday evening, January 23, presented by the Kenora Branch of the Ontario Registered Music Teachers' Association. Students of piano, violin and voice performed before a capacity audience in the Masonic Hall, and are to be congratulated for their fine work and the pleasure they gave to their listeners.

The following program was presented:  
The Circus — Jan Bryngelson;  
Hot Dog Stand — Peggie MacDonell;  
Monkey Business — Larry White;  
Sarapande — Couperin — Mary Jane Hogg;  
Bells Are Ringing — Susan Essery;  
Marching Trumpets — Boris Berlin — Jerry Gilbart;  
Riding on a Mule — Diane Powell;  
Captain Silver — Allyson Bynski;  
Snake Dance —

(Continued on Page 10)

The Crown's case in the charge of murder of Ontario Provincial Police Constable Calvin Russell Fulford, one of five people to die violently on Christmas morning at Ear Falls, began to unfold this morning, at the opening session of the preliminary trial of 27 year old Thomas Young, Magistrate J. V. Fregeau presided at the session which was held in the large courtroom, necessitated by the large number of spectators, witnesses and Police officers present.

Two witnesses were heard at the two hour session, Corp. Bender, officer in charge of the Red Lake detachment and Corp. Bob MacGarva, of Kenora. A total of 17 exhibits, photos and sketches, were entered. The Crown's case is being presented by T. A. O'Flaherty while Mr. T. H. Brett is acting for the defence.

At least two new pieces of information, not known before this morning's trial opened, became known. Testimony indicated that Constable Fulford was shot in the head, as well as in the body. Secondly, a note was found on a table in the house where the accused lived; the text of which was read to the Court.

## CORP. BENDER'S STATEMENT

Corp. Bender told of his part in the events which took place in the early hours of December 25th last. In response to telephone calls from Ear Falls, he proceeded 47 miles south to that Hydro centre, in company with Con. Firth, arriving about 3.50 a.m. Proceeding down a path, which leads directly behind Hydro's sub-station towards the Albert Young residence, he passed Con. Fulford's patrol car, and found his body some 60 feet beyond. It was lying face up; there was blood around the face and mouth. A flashlight was just beyond his outstretched right hand; his holster was open and the revolver missing. Con. Firth remained on guard while Corp. Bender made phone calls.

## OTHER ARRIVALS

Corporals MacGarva and Roller arrived from Kenora about 8.00 a.m. said Corp. Bender. The former accompanied by MacGarva, circled the Young residence to the north and west.

While discussing tactics, Thomas Bannatyne arrived and stated that Thomas Young was not in his father's house, as believed, but was with his grandparents.

## Little Theatre Play Curtain Time 8 p.m. Tonight Wednesday

Last night's dress rehearsal saw the final details worked out for the Kenora Little Theatre play Bell, Book and Candle which will be given at the Legion Auditorium starting at 8 o'clock tonight and at the same time Wednesday night.

All arrangements have been completed even to a stand-in cast being chosen in case any mishap should befall the gifted but temperamental Siamese who is slated to take the part of Pyewacket. A good section of seats has been reserved from those who have bought tickets in advance.

Mr. and Mrs. Robert Young, 5 miles distant at Gold Pines, arriving at this point at 9:30 a.m., the Corporal said that while Corp. Herb Roller, Constables Firth and Thacker guarded the front entrance from covered positions. Con. L. R. Moore and Corp. MacGarva approached from the rear; with the former smashing a window and the latter throwing in 2 tear gas grenades. Corp. Bender provided as cover. Corp. MacGarva removed a revolver from the right-rear pocket of the accused, who was taken to Red Lake.

**RETURN TO SCENE**  
Corp. Roller said that Corporals MacGarva and Roller returned to the scene.

(Continued on Page 8)

## Plans Finalized For First Section Music Festival

The Kenora District Music Festival Association held a directors meeting on Friday evening at 8 p.m. in the Council Chambers for the purpose of making final arrangements for the first section of the Music Festival which takes place on February 16, 17, 18, 19 and 20th.

Mrs. Kidd the president governed the meeting. Mrs. M. Hurling the corresponding secretary read the minutes of the last general meeting and reported that the programmes for the first section of the Festival which include Drama, Speech arts and Folk Dancing have been distributed to the following firms: Tilley's Drug Store, Pats Stationery and Novelty Shop, Henry's Book Store and Johnsons Pharmacy on Second St. and Johnsons Pharmacy and the Memorial Building in Keewatin. Mrs. R. A. Emerson accepted the co-convenership of Programs and admission for the festival. The resignation of Mrs. J. Roy the convener of

**Broken Bones? - St. John Ambulance Offers Advice**

Midwinter weather in Canada brings many more slips and falls. Result - broken bones.

St. John Ambulance offers advice on what to do when this happens. Broken bones may be suspected if there is pain, and especially if the limb cannot be moved and there is unnatural position or deformity. If in doubt whether there is a break, it is always wise to treat the injury as a fracture.

Unless it is absolutely necessary, do not move the patient until the suspected fracture can be splinted or secured in such a way that the broken bones will not be moved or jolted.

Shock is increased by pain and any movement of broken bones will increase pain therefore handle as little as possible and as gently as possible.

Broken bones can be secured against movement by improvising splints. For instance, a rolled magazine can be tied to the forearm, and a bit of snow fencing or a broom stick will make a satisfactory splint for a broken leg. A comparatively easy and effective method of splinting is to secure the arm to the body and a broken leg to the other leg. For a suspected fracture of the

ankle, a pillow or folded rug wrapped firmly around the injured limb will prevent jarring while the patient is being transported to medical care.

The doctor is the only person who can decide finally if the limb is broken but first aid measures of this kind will prevent possible further injury and make the doctor's job easier, says St. John.

### THREE CHEERS FOR THE REFS

It seems unbelievable, but referee Eddie Powers is acknowledging cheers instead of jeers as he poses with Murray Hall, left, and George O'ah, two stars of the Toronto Metro Junior "B" all-star game. Players and fans applauded Powers and his colleagues, Dalton McArthur and Lou Farelli, who handled the game free of charge. Proceeds of the contest went to the Ontario crippled children's fund.

evening of Sat. Jan. 31st between

7.00 p.m. and 10.00 p.m. We have eleven teams in this league consisting of 173 players, ages 8 to 11 years. All eleven teams will participate on Sat. with the schedule shown below. All parents are asked to accompany their children to the rink. Remember the family that plays together stays together.

7 - 7.30 p.m., Rangers - Canadiens.

7.30 - 8 p.m., Chiefs - Rockets.

8 - 8.30 p.m., Beavers - Canadiens.

8.30 - 9 p.m., Thistles - Maple Leafs.

9 - 9.30 p.m. Kings - Red Wings

9.30 - 10.00 p.m. Cubs - Braves.

See you all at the Thistle Rink. Stan Cox.

## Pike Beats Guy - 7-6

In a sudden death game in the playdowns to pick a representative for the 'Brier' Classic, Jack Pike's rink won out over Jim Guy last night by a score of 7-6.

The game was a close one with four ends registering no count at all.

Pike now meets Redding in a sudden death game to be played Thursday night.

Previously, Guy, Pike and Redding ended the round robin all tied up, thus necessitating these sudden death games.

## Mid Season Rating Ont.-Minn. Hockey All Star Players

Mid-season voting results for the Ontario Minnesota Hockey League Allstars was released from Kenora today. Voting is done by the sports writers and broadcasters, coaches and referees in the league cities. Points are awarded on the basis of three for first and two for second one for third. A Unanimous selection for the first half poll would receive thirty-six points. Sugar Jim Henry of the Warroad Lakers polled thirty-three points to lead the goalies. Ed Kryzanowski, Warroad and Sam Robertson

Kenora on defence, having thirty-five and twenty-nine votes respectively. Up front Gord Pennell takes the centre-ice position with thirty-three votes. Roger Christ (Continued on Page 9)

## LET'S TALK CARS

### How To Win A Practical Bet

Some years ago a truck broke down apparently in the middle of the Place de l'Opera in Paris and the driver, as the old song goes, had to get out and get under.

For half an hour his toes protruded from under the old hack as he wretched away at the failure. Several policemen were called and feverishly directed traffic around the stalled truck.

Finally the driver emerged, thanked the policemen, and drove off, with a quiet smile on his face.

That same day he collected several thousand dollars from his friends. They had bet him that he couldn't go to the busiest intersection in Paris in the middle of the rush hour and lie on his back for 90 minutes.

His name was Horace DeVere Cole, now dead, who was one of Eng'and's most famous practical jokers.

The story reminded me that it wasn't so long ago that constant necessity "to get out and get under" was an accepted part of owning a car. These days cars are built sturdily and tightly and they don't suffer as often from major mechanical breakdowns.

It still pays to hire an experienced serviceman though, like the factory-trained experts at our place, to get under once in a while for a thorough inspection.

Maintenance on a car isn't a major expense, but it can save real money on the major-costs of a car, fuel and depreciation. The failure to get a simple tube job makes the engine work harder, using more fuel and increasing engine wear. And the shape your car is in can affect its resale price by as much as 20 percent.

ONE IN NINE WORKERS OUT OF JOB

Canada is prosperous but the queues at relief organizations are longer than they have been since the 1930's. This one is at the Scott Mission in Toronto, where an expensive Cadillac emphasizes the disparity in wealth. One in nine Canadian workers is seeking a job.

Commercial Mixed Bowling News

Last week the teams were trying for a place in the W. H. Marr Trophy Competition and to improve their League Standings. Supermarket, Kenwood Hotel, Ticker Dots and Lakeland Dairies did just this as they along with two picked teams will represent the League on Saturday night. Three of the teams will bowl at 7:00 p.m. and three at 9:00 p.m., Saturday, January 31st. The high average team will be assembled this week as soon as we find out who is bowling for the Ladies and Mens league.

Section five found Minnows moving ahead of Acme Cleaners while Corner Pins grabbed of third spot. Minnows amassed 19 points, Corner Pins 17 and Off Centres 16 1/2. Section four results left all the teams closely bunched with Lands and Forests leading with 31 points. Profs next with 30, Pathfinders 29, and Dalmore Hotel 28. Profs made the biggest gain with 19 points for the evening and Dalmore had 18.

In Section three Supermarket who were the best team of the week moved 8 points ahead of Central Electronics, Supermarket

had 20 points for the evening with the Electronic gang getting 17. Claydons, last weeks second placers had a bad night and dropped to fourth spot. Leftovers held their three point edge over McLeods Shoes with a 19 point effort to go into third spot. New-

man's in Section one have a 1/2 point edge over Lakeland with Kenwood Hotel in third spot. Ticker Dots vacated the basement in favour of Lake of the Woods Motors who had a rough night.

HERE AND THERE

M. Hall had a very good effort with games of 187, 228 and 244 for a 659 triple. Marie has a 140 average at present. Stella Krolyk finally broke 200 with a 205 effort. Cy Garrison has his team back in shape and they will be tough to beat from now on. Cece Spalton almost broke 600 with 586 triple. She should make it next week. Mickey Linklatter sure had trouble in his second game. His first was 200, his third 241 and he had a 539 triple; incidentally his wife bowled the same score in her third game as Mick did in the second effort. Pete Plante is not bowling so well this quarter. He musn't have anyone to bowl for quarters with. R. Clifton had a 264 single and her usual 600 triple. "Babs" has the Ladies high Average at present with a nifty 203, keep it up. Frank Blake had a dandy 300 game along with a 679 triple, while sister Irene rolled a 616 triple. Bill and Ron of Central Electronics had a pretty good night except for Bill's second game; he didn't quite make 100 in it. Gary Beyko had a nice 266 second game. Helen Iwasuk of Supermarket was really on the beam with a 256 single and 647 triple. Thelma Butowski had the ladies high triple for the week with a neat 683 effort.

Gunnar Green was out with us again after a long layoff, nice to see you around again Gunnar. Gloria Kilm of Westario. Motors team had two good games of 205 and 200. They were really in a bowl a little better. Frank Kowpak had the mens high three for the week with a 735 effort. See you all this week.

Elizabeth Arden's new BLEMISHED SKIN KIT

improves the skin miraculously and at once

The preparations in this kit go far deeper than mere washing away of blackheads. Used in the famous Elizabeth Arden Salons all over the world, they are based on the most advanced discoveries in the treatment of the disturbed adolescent skin—whether girl's or boy's. On your first treatment you will see an immediate and startling improvement. On continual use the skin becomes clearer, brighter, day after delightful day. Each kit contains 8 scientifically assembled preparations in generous quantities, and complete directions.

Johnson's PHARMACY

PROUD TO BE CANADIAN CITIZEN

Too many people, says Mrs. Laura Schippers, take the benefits of Canadian citizenship for granted, but she is not one of them. She came to Canada in 1952 from Holland, worked as a stenographer and saleswoman and now is editor of a Dutch-language newspaper in Toronto. Becoming a Canadian citizen this week, she spent \$15 to have cards printed announcing her pleasure at the event to her friends and neighbors.

AFFAIRS OF PUBLIC SCHOOL BOARD OUTLINED TO ROTARIANS MONDAY

The needs and problems and progress of the Kenora Public Schools were ably outlined to members of the Rotary Club at

their weekly luncheon meeting Monday, when members of the Public School Board spoke briefly on school affairs.

WATER WHIZ

Shielded from the stinging spray by a "space traveller" mask and suit, Freddie Turk zips over the waves at 83 miles an hour during a try for a water ski speed record at Miami Beach. Failure of official timepieces thwarted the attempt for a new record. Turk used a short, three-foot racing ski.

ed to playgrounds, he stated. Special attention is being given to the grounds at Evergreen and King George Schools, Mr. Gauld said.

Earl Nelson, chairman of property and maintenance stated that with the ever increasing birth rate, two new rooms were needed each year. At present there are 7 schools with fifty classrooms, with an average of thirty pupils per room at Evergreen and thirty-six at King George. Continuing, the speaker stated that two new rooms were to be added to the Norman school and should be ready for September opening to handle the 49 children presently going to Kenora schools. The near future will see the building of a senior public school for grades 7 and 8, he said.

Chairman of Finance, Mr. V. King said the 1958 budget amounted to \$420,769. Teacher's salaries accounted for \$237,590 of this amount. Government grants were \$113,000 with the town making up the balance. 1959 problems will include, he said, a proposed raise in teacher salaries. The proposed schedule calls for 2,700 to 7,900 yearly salary compared to \$2,600 to \$5,700 at present. If instituted, he said the yearly increase would be \$50,000 to \$60,000. The mill rate has only risen 3.12 mills in four years, he said.

Gordon Essery, the new member of the Board and in charge of publicity, told of the many activities in the schools. Contrary to what most people believe, he said, the liberal policy of the board allows the use of schools if in the interest of the general public.

A. Friesen, new secretary-treasurer of the board was introduced. A University of Manitoba graduate, he has had experience in accounting, he was making a valuable contribution to

the board. Vice president O'Flaherty voiced the thanks of the club to the speakers for their interesting reports.

Over the past 12 months Canada's money supply has been increased by \$1,600,000,000 to more than \$18,000,000,000

The Canadian labour force was estimated at 6,177,000 in October, 1953, an increase of 186,000 from one year earlier.

Lady Florence Dixie, English author who died in 1905, explored Patagonia in South America in 1878-79.

AT KENRICA HOTEL

An Open Letter To The Citizens Of Kenora and District

For the past four years I have been actively associated with Mr. Charlie Zeal and Mr. Sam Gold in the well known firm of Zeal and Gold Ltd.

As many of you are aware, on January 9th of this year I purchased their interests and became sole owner of the firm.

My wife and myself would like to take this opportunity to thank everyone who so kindly conveyed the sincere good wishes received from the staff, customers and the general public. I am grateful thanks to our entire staff, without whose tremendous cooperation we could not have offered you our biggest and best January Sale.

The firm will continue to operate under the trade name "Zeal and Gold" with the same high traditions of quality merchandise and friendly service.

Our Slogan "The Finest Merchandise Obtainable" will continue to mean just that and of course - "Complete Satisfaction - Or Money Cheerfully Refunded."

My wife, Edna, joins me in once again saying "Thank You" and hoping we will have your added and continued support in the future."

Sincerely,

JACK STEARNS.

Vice President T. A. O'Flaherty was in the chair and one visitor was welcomed and one guest Mr. Mike Bowles, the new manager of the Brewers' Retail Store who is succeeding Mr. Gus Anderson who is retiring on pension. Attendance was reported as 88.89 per cent for this week and 94.34 per cent last week. It was announced that the Kenora Club is now in second place for the district with 94.81 per cent.

Larry Johnson reported that the campaign to raise funds for the Crippled Children's Centre to be built at Toronto was meeting with good response. Rotarian Albert Olson reported that plans were being finalized for the Good Will meeting to be held in Winnipeg, February 2nd.

Dr. S. M. Burris, chairman of the Public School Board was first speaker. He stated that he would allow the board members to elaborate on the workings of the schools. In commenting on the printing of a recent article

written by a local school teacher, Dr. Burris said that he was disappointed in the sharp comments made by Mr. Thomas. He felt that Kenora had been slighted by a local background and it was not in good taste. On reading the article, he said, he wondered if the technique used was to shock the reader, jar his fellow teachers or some political motive? "I finally concluded," he said, "that the purpose of the article was to provoke us into thinking more about education."

Confining with educational matters, Dr. Burris stated that one of the greatest needs is for more and better teachers, and we must offer greater inducements to prospective teachers. In conclusion, he voiced the board's appreciation of the local staff and asked for public support for the board's work.

Vice Chairman, Bert Gauld gave the report of caretakers and grounds. He paid tribute to Sexton Carlson, for the fine condition of the local schools. Commenting on playgrounds he stated that most were too small, particularly North Ward and West Ward. One per cent of costs of new school should be devoted

KEN CHEESMAN AND VICTIM

## Near-Record Wolf Shot

One of the largest timber wolves recorded in the province was brought down in the Lake Nipigon area Wednesday.

The huge beast, taken to the Ontario Department of Lands and Forests Office Thursday for bounty fee, tipped the scales at 110 pounds, only 10 pounds short of the Ontario record kill.

Seven shotgun blasts, directed at it from a Cheesman Air Services plane operated by Ken

Cheesman, of Fort William, were required to bring the animal to bay. A similar fate was handed the wolf's mate.

Tom Chevier of Hurkett, who made the kills and Mr. Cheesman were engaged in commer-

cial fishing when the animals were spotted in the southwest corner of the lake. Firing two blasts at the male, the men continued down the lake to knock off the female. Returning

to the larger beast, they were forced to use five more shots to finish the kill. Bounty fees will total \$50.

It is believed the wolves were following caribou spotted recently in the area.

The carcass of the near-record animal will be sent to the department office in Toronto where its stomach contents will be analysed for food type records.

375 F. oven about 40 minutes. Serve warm with cream. Makes about 8 servings.

Served warm with a pitcher of rich cream, Dutch apple cake makes a wintertime dessert that everyone enjoys. Rich-hued Staymans, the all-purpose apple, are fine for this old-fashioned dessert cake.

### DUTCH APPLE CAKE

1 cup sifted all-purpose flour.  
1½ teaspoons baking powder.  
¼ teaspoon salt.  
3 tablespoons sugar.  
¼ cup shortening.

1 egg.  
¼ cup milk.  
3 cups sliced pared apples.  
1 teaspoon cinnamon.  
¼ teaspoon nutmeg.  
½ cup light brown sugar.  
3 tablespoons melted butter.  
Sift flour, baking powder, salt and sugar. Cut in shortening. Stir in combined egg and milk. Spread dough in greased 8 by 12-inch pan. On top arrange overlapping rows of apple slices, pointed edges down. Sprinkle with mixture of spices, brown sugar and but-

ter.

Bake in hot oven 400 F. for 35 to 40 minutes. Cut in squares and serve warm with cream, lemon or vanilla sauce. Makes 9 servings.

### LEXINGTON, N.Y.

A man who asked for quick service on repair of his radio and television sets explained why the special speed was needed: "With both sets broken last night, I had to sit and talk with my

# WHY VITAMINS?

DO WE FULLY APPRECIATE THE INFORMATION SCIENCE HAS PLACED AT OUR DISPOSAL WITH REGARD TO VITAMINS?

Lack of Vitamin "C" struck down a quarter of Cartier's men wintering in Canada in 1535 by a disease known as scurvy. Scurvy was a disease of the crusades. It travelled with Vasco de Gama around the Cape of Good Hope, killing two-thirds of his crew. It occurred in famines and pestilences.

Scurvy to us to-day is a remote disease, but Years ago it attacked sailors and explorers living on monotonous diets of salt meat and hardtack.

Vitamin "C" is very prominent in certain fruits and vegetables.

## TO FEEL REALLY ALIVE YOUR BODY NEEDS VITAMIN "B2" OR RIBOFLAVIN

Riboflavin is a vital part of nature's chain of reactions for utilization of Carbohydrate energy, it has been found to be a constituent of many enzyme systems and is thus intimately connected with life processes.

We have no special storage organs in our body for this Vitamin so a regular intake in the diet is important (in recent years many foods such as bread and cereals have been enriched with Riboflavin and other Vitamins and Minerals).

Vitamin "B2" is very prominent in eggs, meats, legumes, green leaves and buds.

Deficiencies of Vitamin B2 appear in several ways in human beings. The eyes, the skin, the nerves, and the blood show the effects of too little riboflavin. Laboratory animals have demonstrated that a riboflavin-deficient diet can cause death of adults and can slow or stop growth in the young. Female animals, deprived of riboflavin in the diet, may produce offspring with congenital malformation

MILK is a most perfect source for MANY MINERALS and VITALITY VITAMINS in BODY BALANCE and our rigid standard of cleanliness assures you of the utmost in sanitation safety.

## Apple Desserts Good Eating

Those who love hot apple desserts — and that includes pretty well everybody — are in for a windfall of good eating. This is the time of year the best cooking apples are on the fruit stalls — such as the Staymans and Rome Beauties. All are rosy-red in color and have that tart-sweetness that makes them the cook's choice for baked desserts.

Also in abundance is the big red Delicious which has gained fame as a sweet winter eating apple, so be generous with them when preparing the children's lunch. A crisp raw apple is the best of all desserts for the packed lunch — nutritious, filling and a cleanser for the teeth.

For variety, send along a baked apple now and then. The youngsters will really be intrigued by the new idea in baked apples "B.C. Honey Apples in Silver Skirts". When having these baked apples for dessert, bake some extra and pack in their foil wrappers.

Rome Beauties, the choicest of all baking apples are perfect for this little package deal. Core and peel Rome Beauty apples half way down, fill core holes with a mixture of honey, cinnamon, nutmeg, and butter. Place on a square of foil, close by twisting the ends at the top. Bake in 400 F. oven about 1 hour. Turn back the

foil, top with whipped cream.

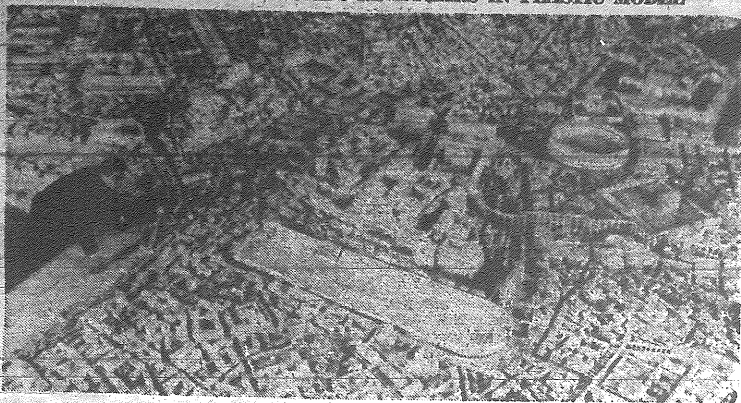

Homemakers in the apple-growing areas of British Columbia, where they know just about everything there is to know about this luscious fruit, readily proclaim the Stayman as their favorite wintertime all-purpose apple. For eating, it's crisp and tartly sweet. For baked desserts, cooks' firm but tender.

The Stayman is an excellent keeper, so don't hesitate to buy them by the box and have them at the ready for good old-fashioned pandowdy such as this.

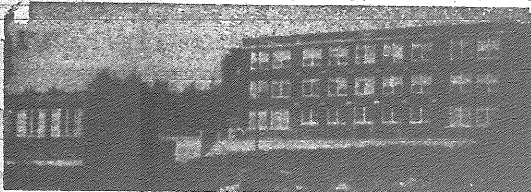

### APPLE PANDOWDY

¾ to 1 cup brown sugar.  
¼ cup flour.  
¼ teaspoon salt.  
1 teaspoon vinegar.  
1 cup water.  
¼ teaspoon cinnamon.  
¼ teaspoon nutmeg.  
1 teaspoon vanilla.  
2 tablespoons butter.  
1 cup sifted all purpose flour.  
2 teaspoons baking powder.  
¾ teaspoon salt.  
3 tablespoons shortening.  
¾ cup milk.  
5 cups sliced apples.  
Combine brown sugar, flour and salt in saucepan, add vinegar and water, cook over low heat until smooth and thickened. Remove from heat, add spices, vanilla and butter, set aside.  
Sift flour, baking powder and salt. Cut in shortening. Stir in milk to moisten dry ingredients. Place apples in bottom of greased 8 by 12 inch oblong pan. Pour sauce over apples. Bake in

**GLORY THAT WAS ROME'S REAPPEARS IN PLASTIC MODEL**

This is a plastic scale reconstruction of ancient imperial Rome as it appeared before time, invasions, wars and barbarian conquests changed it to what it is today. The beauty and the magnificence of its imposing buildings and theatres is evident even in this small scale. In the foreground is the famous "Circus Maximus" arena, on the right the Colosseum, which still stands though badly damaged. Beyond the Colosseum is Nero's famous Domus Aurea (the gold house), while in centre can be recognized the Imperial and Roman Fora.

**REPORT FROM THE STUDENTS' COUNCIL**

by Carole Cameron

On Tuesday, January 20, 1959 at 4:05 p.m. the meeting was called to order by Ray Wylie. After the reading of the minutes the Treasurer reported that to date the Students' Council has a total balance of \$636.23 in the bank.

**RECREATION COMMITTEE**

It was reported that there was approximately 30 to 40 couples at the Christmas Dance this year. More teachers participated in this annual event and seemed to enjoy themselves as well as liven up the students.

This committee also stated that there would be a dance held sometime during March, sponsored by the Students' Council as well as the Boys' and Girls' Athletic Association. With the combined efforts of the three groups this should prove to be an exciting affair.

**ASSEMBLY COMMITTEE**

The annual Oratorical contest is to be held during February. Be sure to enter this event as it will certainly aid you in the future.

**PUBLIC RELATIONS COMMITTEE**

The selling of the Christmas cards were a tremendous success having only a few cards left. This committee will soon be taking orders for the Students' Council sweaters which will be available shortly.

So be sure to get your order in Doug Cameron, Kenora; Bob

as soon as possible.

**NEW BUSINESS**

Some members of the Students' Council complained as to the type of music played at the High School dances. The Recreation Committee will look into the matter and arrange for a better selection in the coming dances.

That sums it up for this week from the Students' Council. See you again next week.

**Emo Man Elected Prospectors Head**

Elmer Corrigan, of Emo, was elected president of Northwestern Ontario Prospectors' Association at the annual meeting. He succeeds W. A. (Scotty) Gray, of Fort Arthur.

Also elected were Trevor Page, first vice-president; Gordon Hogan, second vice-president and Joe Minciotti, third vice president. F. C. Doman was re-elected secretary-treasurer. Honorary president is Julian Cross.

A discussion period between members indicated a brighter outlook in the 1959 prospecting season due to the increased price of copper, lead and zinc.

Results are expected this year regarding a brief directed to the department of mines on increased credits to prospectors for assessment work.

McCombe, Sioux Lookout; Horace Hooker, Pickle Crow; Roy Martin, North Bay; John Holonen, Schreiber; Alex Bethune, Red Lake; Mrs. Hilda Holm, Geraldton; L. Morrison, Jellicoe; James Ring, Nipigon; Ben Eytton, Atikokan and Zeb Renshaw, Cloud Bay.

Born to Mr. and Mrs. Frank Hanton, Jr. of Lac du Bonnet, a daughter, on January 26th at the Maternity Pavilion, Winnipeg General Hospital. A sister for Lloyd and Craig.

**Announcements**

There will be a Social evening for the Graduate Nurses Association at the home of Mrs. Gordon Peterson, 617 Park Street on

Thursday, January 29 at 8:00 p.m. All Graduate nurses welcome.

**COW MOOSE FEELS SHE'S JUST A KID**

Timiskaming, Que.—A half-ton of moose on the hoof is making "sheep's eyes" at the school kids here—and parents are becoming a trifle alarmed. They're afraid the animal may

injure the children if the youngsters annoy it.

The moose, a fat, obviously good-natured cow, has made itself at home at the playground at St. Theresa's separate school. Parents have called game warden Roger Labrosse several mornings to shoo away the ever-loving beast.

At last report, Mama Moose was still making her daily visit to the school yard.

urned with him to the Albert Young property, which was guarded meanwhile by other officers. From the spot where Con. Fulford's body had been found for a distance of 214 ft., drops of blood were clearly visible in the snow. At this point, Con. Fulford's hat was found, while on the side of the path there was a deep indentation, in the snow.

**SECOND BODY FOUND**

Near the N.E. corner of the porch, the body of James Gordon was spotted. He was known to the witness; Near the N.E. corner of the porch there was a deep indentation in the snow, near the top of which was a large spot of blood. Two brown buttons and a spent cartridge shell were also found outside.

**INSIDE**

Entering the kitchen through the porch, witness said he saw the body of Clara Gordon partially lying on a cot in the room. Her clothing was pulled high and the torso exposed. Lying in the centre of the kitchen floor was the body of George Williams: A total of five empty cartridge shells were found in the room, as was a 2nd plastic brown button. A note, together with a ball point pen were found on a table, and retained by Corp. MacGarva.

**5th BODY FOUND**

Lying on the bottom bunk in the rear bedroom was the body of Albert Young, father of the accused.

Corp. Bender told of identifying the five bodies for Dr. McLean, pathologist, at the Brown Funeral Home December 26th.

The following day he returned to the Albert Young property with Inspector Needham, C.I.B. branch of the OPP and Corp. MacGarva. He saw the Corporal retrieve a spent bullet from a cardboard box in the porch, and identified a hole in the box which he said, appeared to have been made by a slug. Two other slugs were found; one in the mattress of the bed on which the father lay and the other from the baseboard beneath the bed.

At this point Mr. Brett questioned the witness concerning the exhibits and details of measurement and identification.

**SECOND WITNESS**

Corp. MacGarva detailed his actions from the time he arrived at Ear Falls, 8:00 a.m. December 25th until the investigation was completed. He recounted steps taken to apprehend the accused at the home of his father, of the new information relayed by Bannatyne, and of flushing out and arresting the accused. Witness stated that he took from the pocket of the accused, Con. Fulford's revolver, identified by number. In it he found 5 live cartridges and one spent cartridge. The accused was asked his name, given the usual police

charged with the murder of Con. Fulford, handcuffed and taken to Red Lake by Constables Pirth, Moore and Peterson.

Returning to the scene, Corp. MacGarva told of examining the path to the Young residence, and photographing evidence. He enlarged on information given earlier by Corp. Bender, by added measurements and descriptions. The weather was about zero with a cold wind, and a near full moon made visibility excellent.

A bullet hole through a board in the north porch wall was found. The porch measurements were given as 9 feet by 10 feet while the house as 16 by 20 feet. Lighting fixtures were outlined, with 12 bulbs included on a small tree in the corner.

Corp. MacGarva told of finding three bodies inside and of finding and taking possession of numerous exhibits, which included empty cartridge shells, a partially filled wine bottle, and a note.

At this point he read a copy of the note. The text is as follows:

DAVID YOU ARE LUCKY TO BE ALIVE YOU ARE THE TROUBLEMAKER

**HOPE YOU WILL BE HAPPY NOW, CHARGE ALICE WAGAMESE, MY BILLS - NOT ME.**

Corp. MacGarva told of a window on the north side, which had what appeared to be a bullet hole in the centre. Particles of glass were mainly on the outside, next to the screen. A matching hole in the screen indicated that an object (bullet) had gone through from the inside as the broken wires were pointed outwards.

Corp. MacGarva said he interviewed the accused at Red Lake at 9:20 p.m. December 25th to take a statement. The accused was then told he would be charged with the murder of Jim Gordon. Articles of clothing were taken from the accused.

Dec. 26th a .303 rifle was taken by him himself from the home of Robert Young, the grandfather. On December 29th, Dr. S. M. Burris took a blood sample from the accused at the Kenora jail. Corp. MacGarva told of taking an exhibit of fingernail scrapings from Clara Gordon to Toronto, and of going to Ottawa with guns and bullets for RCMP examination.

Mr. Brett cross-examined the witness at some length concerning the manner in which the accused was arrested; of the finding of a note and the sample of handwriting of the accused, and finally of the capabilities of both the revolver and the rifle in question.

The hearings adjourned at 12.05 to resume this afternoon at 2.00 p.m.

Matilda township in Dundas county, Ontario, is named after Charlotte Augusta Matilda, first daughter of King George III.

**Town Fathers Deal With**

(Continued from page 1)

While the home could handle 15 children it is not expected to have any more than 6 at one time. The property was to be completely fenced so that children would not have access to the roads, lake or other people's property. Mr. Powell felt that the whole question should be reviewed by council and the planning board since the society was in dire need of a receiving home and that the Kinsmen Club had made a substantial payment on the property. This matter was referred to council as a whole. Referred to the Welfare committee was a further request from the society for the implementing of a Homemaking and Nursing Service for the town.

**Boundary Survey**

Culminating six years of work, council was informed by the surveyor-General of Ontario that if boundaries as now surveyed meet with the approval of Kenora and adjoining municipalities that the application for Quietning Order be proceeded with following the granting of which the department proposes to have the survey confirmed under the provisions of the Surveys Act and to file in the Lands Titles Office in Kenora a copy of Prystanski's plan and field notes.

The new survey defines accurately boundaries between Kenora, Keewatin and Jaffray-Melick. When finalized many town lots can be sold, since the boundaries will be known. This applies particularly to the south east part of town.

**Finance:**

Authorized paid were 1935 municipal accounts of \$2,790 and Utility Accounts amounting to \$11,378.89 and 1936 municipal accounts \$16,382.47 and Utility ac-

counts, \$56,725.81. Received from Magistrate's Court for fines and fees month of December \$327.52 and \$43.15, levied under the Indian Act, and from the Police office a cheque for \$593 covering parking fines etc. Council will include in 1936 budget, \$10,873.99 required by the Health Unit for 1936 operations. Will grant the Public School Board \$30,000 and the High School Board \$20,000 monthly, till grants are received.

Referred to the Public Works Committee was the offer of property (20 acres) to the town owned by Fred Weber of Jaffray Melick at a cost of \$13,000.

Concerning a communication from Mr. and Mrs. Frank Newstead concerning an offer made by another citizen for property in Lakeside (Lot 7, Plan 04111) and this property having been previously reserved by the Town for park purposes and suggesting, among other things, that the Council consider the fact that the sale of the property would mean the loss of a beautiful site for a lakefront park overlooking the main boat channel. This was referred to the Council for consideration.

Also referred for study was an offer from D. Sweeney to purchase the above property if it was for sale.

**Other Business:**

Referred to Public Works and Park committees, the town engineers request to rent a pile driver for re-building docks at Coney Island. Approved Traffic Agreement with Bell Telephone Company. Public School Board agreed to a re-routing of a lane on West Ward School property. Council was advised that a representative of the Department of Planning and Central Mortgage and Housing Corporation plan to be present in

Kenora on Wednesday February 24th 1936 for presentation of a sketch plan of Section 3 of the Land Assembly Project in the Town of Kenora.

Alderman J. B. Paterson and F. Greenslade were delegated to attend the 30th annual meeting of the Ontario Electrical Assoc. The Fire Chief wrote advising that the opening of a lane connecting Water Street & Main St. would facilitate the moving of fire equipment if necessary. A report will be sent the Kenora Rotary Club regarding the securing of a head stand at Coney Island. Tenders will be called for the purchase of snow loading equipment. Council will sponsor a banquet for the Northern Ontario Outfitters Assoc., who will meet in Kenora, February 9-11. W. M. Benadickson wrote advising that the Royal Party would be unable to include Kenora in its itinerary. Granted the Ladies Aid to St. Joseph Hospital permission to hold a tag day, August 1st.

**Plans Finalized**

For First

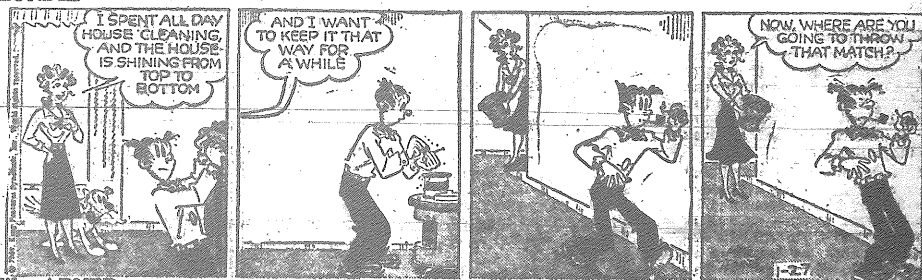

(Continued from Page 1)

Platform marshalls were received with regret as Mrs. Roy had been a very dependable and continuous worker for the festival.

Mr. C. V. Lee the treasurer reported that letters will be going out to the business firms once again asking for their very much appreciated financial support.

The Hotel arrangements for the adjudicators have been completed it was reported to the meeting. The Hospitality committee to meet the adjudicator, Mrs. Arva Shewchuk, Mrs. Jean MacDonald and Mr. Frank Morris has also been arranged. The meeting adjourned.

**Marathon Corp. To Sponsor Safety Meeting**

On February 3rd and 4th, Marathon Corporation of Canada Limited will be host company for a two day Safety Meet for delegates from all Paper Mills in the Northwestern Ontario Section.

The delegates will tour the Plant at Marathon on February 3rd and later in the day the Section's Executive will have their regular meeting.

A Dinner will be sponsored the same evening by the host company at 7:00 p.m. at the Everest Hotel. Guest speaker for the occasion will be Mr. Fred O. Soughton, Training Co-ordinator, Kimberley-Clark Pulp and Paper Company Limited, Terrace Bay, Ontario. Mr. Soughton will give an illustrated talk on "The Brussels World Fair - 1958". He represented the Pulp and Paper Section of the National Safety Council at this fair last summer and this will be the Sections first opportunity to hear Mr. Soughton report on his trip.

Wednesday, February 4th, will be devoted to a series of meetings, commencing at 9:00 a.m. in the Recreation Hall.

Mr. Fred T. Morrish, Safety Supervisor, The Ontario-Minnesota Pulp and Paper Company Limited, Fort Frances, Ontario and General Chairman for the group will Chair all meetings. Reports will be presented on the Branch Contest - A summarization of injuries for the last quarter in 1958 and a paper will be given on "The Hazards of Chlorine Dioxide Bleaching."

For the afternoon session a film "One is too Many" will be shown. Mr. D. B. Chant, Secretary-Engineer, The Ontario Pulp and Paper Makers' Safety Association will lead a panel in a discussion on "48th National Safety Congress."

To round off the meeting, Mr. Soughton will again address the group and his topic will be "What makes a good Safety Programme?"

This will be the first meeting of the Northwestern Section in 1959 and a large attendance is anticipated.

**CP Airlines Look Forward To Serving Country, Pres. States**

Montreal, N. H. Crump, President, Canadian Pacific, made the following statement Thursday.

Canadian Pacific looks forward to providing the people of Canada with Transcontinental air service. Unfortunately, the service which Canadian Pacific can offer at this time has been most severely restricted. One flight each way daily will not meet the needs of the Canadian public for competitive Transcontinental air service.

It is a matter of particular disappointment that Canadian Pacific is not to be allowed to give service to Alberta on its Transcontinental route at this time. As soon as government policy permits, Canadian Pacific will endeavour to correct this situation.

The severe restriction placed on Canadian Pacific Transcontinental air service will also seriously limit the integration of passenger transportation services in which field Canadian Pacific has for so long been in the forefront.

Canadians will soon have available to them in Transcontinental air travel the same high standards of service which Canadian Pacific has established on its international operations although, regrettably, this will only be on an international operation basis on a restricted basis for the present. As soon as the air transport board issues the necessary license, Mr. Grant McConachie, president, Canadian Pacific Airlines, will announce the inauguration of the new Transcontinental air service by C.P.A.

Dolls as child's toys were common in ancient times in Greece, Rome and Egypt.
