52 RINKS ENTERED IN MILITARY BONSPIEL

The 11th Annual Military Bonspiel, the first as well as the oldest Military bonspiel held in Canada and sponsored by the 40th Medium Regiment, Kenora, gets underway this evening, when fifty-two rinks, begin the battle for the three trophies. Forty-six of the 52 rinks are from out of town, coming from Winnipeg, Dryden, MacDonald, Shilo, Virden, Brandon, and Rivers.

The bonspiel is open to members of the three services, Army, Air Force and Navy.

The first bonspiel was organized by the 40th Med. Regiment, R.C.A.F. in 1949 under the direction of Lt. Col. William A. McLeod. The bonspiel has grown from year to year and the number of out of town rinks entered in the spiel this year exceeds any previous number.

The three trophies up for competition are: The W. A. McLeod Grand Challenge, won in 1953 by Joint Air Training Command rink from Rivers Manitoba; the 116th Battery Trophy won in 1953 by a rink from RCAF station in Claresholm Alberta and the 8th Battery Trophy won by a rink from HMCS Chippawa of Winnipeg.

The spiel will be officially opened this evening at eight o'clock by Maj. Gen. Megill, Officer Commanding the Prairie Command assisted by Mayor P. Ratuski of Kenora and Mayor W. Hodgkinson of Keewatin and Lt. Col. R. Campbell, Officer Commanding, Local Unit. Capt. J. Litman is bonspiel chairman, Captain P. Playfair, vice chairman and Captain Dennis Nairn is in charge of registrations.

The finals will be played Sunday morning at ten o'clock at the Kenora Curling Rink, and the presentation of trophies will take place at the Armouries at one o'clock.

Following are the rinks and skips.

Beverly Saranchuk Awarded Highest Marks Of Festival

Friday morning saw the finish of the spoken poetry classes of the first section of the 16th annual Kenora District Music Festival and also the awarding of the highest mark of the festival. In a class, termed by the adjudicator, Mrs. Jean MacDonald as the most marvelous of the festival, Beverly Saranchuk of Kenora was given 89 marks for her rendition of "Wanderlied" in the class for grade 8 girls. All girls gave an excellent interpretation. Mrs. MacDonald said after six were asked to repeat the poem. Vera Van Patter and Sandra Barber of Dryden, Gay Robinson, Cheryl Petrick and Carol Martin all of Kenora, tied for second with 88 marks.

In grade 1 Choral Speaking with choirs from eight schools competing, Central School choir conducted by Miss Kerbrat came first with 89 marks. Four schools, Rabbit Lake, Evergreen, West Ward and another Central School choir all tied for second with 87 marks.

Mrs. MacDonald commended the winning group for their wonderful introduction. They colored their words well with the story attitude well done and good variety of tone.

Charles Gram Died Wednesday

Charles Gram, a resident of the district since 1939, was called to rest at the St. Joseph Hospital, Wednesday morning, February 18th following a lengthy illness. Born in Poland, October 27th, 1883, he was in his 76th year.

He received his education in the Old Country and resided in the United States prior to coming to Kenora in 1938. He was a farmer in the Jaffray-Melick Township, and at the time of his death he was a resident at Pincerest.

He is survived by his wife, three sons, Clarence of Hibbing, Minn., Ervin and Lloyd both of Brainerd, Minn., and one daughter in Duluth, Minn.

Funeral services will be held in the Chapel of the Brown Funeral Home on Saturday, February 21st at two o'clock. Rev. Floyd Johnson will officiate and interment will be in the Lake of the Woods cemetery. Pallbearers will be Len Thompson, Bert Alcock, James Alcock, Eddie Alcock, Alfred and Kip Alcock.

78 Boys And Girls 'They Were Terrific' Says Adjudicator

The largest class ever adjudicated at a Kenora District Music Festival was the highlight of the Thursday afternoon session when seventy-eight grade 4 boys and girls recited "Windy Nights" by Robert Louis Stevenson.

Mrs. Jean MacDonald, adjudicator had high praise for the boys and girls who represented Kenora, Keewatin, Norman, Sioux Lookout, Dryden and Vermilion Bay. "This was a terrific class, she said, all were so very good and it was most difficult to select a winner."

Four children tied for first place with 84 marks. They were: Graham Murdock, Jimmy Ames, Bennie Harper and Lawrence Pelletier all of Kenora.

Tied for second with 83 marks were: Dianne Kidd, Rubina Kakegamic, and Leanne Hayes of Kenora and Leslie Gangleff of Vermilion Bay.

ORIGIN OF PLACE NAMES

THE UNNAMED LAKE

The perennial question crops up again - how many islands are there in Lake of the Woods, how many miles of shoreline? This is a difficult question to answer with accuracy because of the changes which take place with fluctuating water levels and the effects of erosion states Frank E. Sider, District Forester, Department of Lands and Forests at Kenora.

Quite often low water exposes a softer layer of rock or sandy lake bottom which can then be worked upon by the action of the waves. This deepens the channels and when the water level returns to normal there remain two islands where previously there was only one. How many islands in Lake of the Woods? What does it matter when most of them have their own special beauty. How many miles of shoreline? What matter, when the moon lights a pathway across the bay, or the ducks come down across the marsh on a blustery Fall day.

However, the writer has often wondered how many lakes there are in Ontario. No one seems to know. With the entire Province now covered by aerial photography and the Forest Resources

Inventory maps available, it should be fairly easy, possibly at retirement when time hangs heavy, to count the lakes in the Kenora District. This might spark other districts to do the same and in fullness of time there would be an accurate count as to the number of lakes in Ontario.

There again, what matter? There will be thousands without a name. "Small unnamed lake" 100 acre lake (no name). Beaver Pond Lake; Small lake west of Eagle Lake, etc. An aeroplane flight over the Kenora District gives some idea of the vastness of the area and the little lakes like stars in the sky, each with some special charm of its own. Possibly like the poet Frederick Scott we should forget all about name and numbers.

It sleeps among the thousand hills,
Where no man ever trod,
And only Nature's music fills,
The Silences of God.

Dark clouds that intercept the Sun,
Go there in spring to weep,
And there, when autumn days are done,
White mists lie down to sleep.

'Twas in the grey of early dawn,
When first the lake we spied,
And fragments of a cloud were drawn,
Half down the mountain side.

Through tangled brush and dewy brake,
Returning whence we came,
We passed in silence, and the lake,
We left without a name.

Lake Of The Woods T.M. Club Plans Speech Contest

On Wednesday February 11, The Lake of the Woods Toastmistress club held a very well attended meeting at the home of Mrs. H. King.

The theme for the day was Hearts and Flowers, and some interesting variations were aired during the impromptu and prepared speeches. Letters were from Canadian Council No. 1, giving details of the proposed Speech Clinic to be held in Winnipeg. Several members expressed the intention of attending.

Plans are also being made to hold a meeting in Kenora, on Saturday February 23, where members from both local clubs will have the opportunity to discuss details of the forthcoming Council and Regional speech Contests. Program Chairman Mrs. R. Einarson gave as the topic for the February 25 meeting, "All in a Day's Work", and reminded members that the meeting will again be held in the Kenricia Hotel at 1.15 p.m.

The Chairman, Mrs. W. Whitehead expressed the thanks of the club to the hostess Mrs. King, for the kind invitation to her home while the regular meeting place was not available due to the N.O.T.O.A. Convention.

Festival Hi-Lites And Presentation Of Trophies Tonite

When the curtain rises on the stage at the Legion Auditorium at 8.00 p.m. tonight it will mark the climax of Section 1 of the 16th annual Festival.

For the audience and participants alike it will be a big moment.

The selection of award winners who will appear on the program has been the task of the Festival Adjudicators Mrs. Jean MacDonald, Mrs. Arva Shewchuk and Mr. Frank Morris, and this year it has been a particularly difficult task.

Four trophies will be awarded tonight, the Honourable Thomas N. Rivers Trophy for Public Speaking grades 6, 7 and 8, The Beta Sigma Phi (Exemplar Chapter) for grades 1-5, Verse Speaking, the Salisbury House Trophy for Drama and the Kenora Miner and News Trophy for Folk Dancing and Square Dancing.

The chairman of tonight's function will be Mrs. A. Kidd, president of the Music Festival Association.

Local Members To Attend Winnipeg Speech Clinic

Canadian Council Number One, of International Toastmistress Clubs, has a truly outstanding meeting planned for Saturday, February 21st. This will take the form of a luncheon meeting at the University Women's Club, at 12.45.

The Program will be conducted by Mrs. Ann Dyer, who currently teaches speech and drama at St. Mary's Academy.

Mrs. Dyer is president of the Poetry Society, member of the Manitoba Drama League, and an adjudicator of note.

Member participation will be a feature of the program, and the theme is "Improve Your Speech". Several members of the two local Toastmistress groups will travel to Winnipeg on Saturday to attend the meeting.

Alfred Day Died In Port Arthur

Word has been received in Kenora of the passing of Mr. Alfred Day, former well known resident. The death occurred at the Port Arthur Hospital on February 10th. Born in Exeter, Devonshire, England, he was in his 89th year.

Funeral services were held in Port Arthur, February 12th with the Rev. Ron Morgan of First Baptist Church officiating. Interment was in Riverside Cemetery. Only survivors are the family of his late brother, Fred Day, who predeceased him in 1951.

Chief Scout Issues Message For All Scouters

CHIEF SCOUT

Canada's quarter of a million Scouts and Leaders are observing Boy Scout Week from February 16 to 22 with a series of special events. Groups will be "at-home" to relatives and friends, demonstrating Scouting activities. Parades, displays, hobby shows and

other events will be featured in Scouting centres across the country. The week will conclude with "E-F Sunday" on February 22 when special-church services will be held to honour the memory of the Founder of the Boy Scout Movement, Lord Baden-Powell of Gilwell, whose birth date is February 22. Lord Rowellan, Chief Scout of the British Commonwealth has issued the following statement:

"Boy Scout Week in Canada is the great opportunity in the year for showing the public what Scouts are and what they are doing. The people who came be-

fore you through the Movement have done a wonderful job, as I found on my trip to Canada. I don't think there is any place in the world where the public have a higher opinion of Scouting than in your great country. But you have got to keep that opinion not only just as high as it is now, but make it even higher by your conduct, and by the way you have learned to be Leaders, and by the way you keep the Scout Laws and the Scout Promise, not only just during Scout Week, but at all times of the year.

Every time you go out in the street in your uniform, somebody is going to look at you. Are you as smart as you could be, or are you one of those fellows who thinks because it isn't Scout Week it doesn't really matter very much? I hope that you do realize the tremendous responsibility you have. Your country is growing and growing and there will be other increasing numbers of boys passing through the Scouts. It is for you to help them to be not only as smart as you are, but in every way to be true Scouts, Good luck to you. Good Scouting and good camping."

Preliminary estimate of labour income in Canada for 1958 is \$16,120 million, an increase of \$300 million from the previous year and of \$1 billion from five years earlier.

The city of Edmonton, Alberta, is named for the English town of Edmonton, birthplace of John Pruden, a clerk at the Hudson's Bay post built on the city's site before 1800.

LAKERS DUMP THISTLES 5-3 IN OVERTIME

The Warroad Lakers jumped into a one game lead in the Morris Crawford Trophy series, the Ontario-Minnesota Hockey League's top prize as they defeated the Kenora Thistles five to three in overtime. One thousand local fans screamed themselves hoarse last night as the Thistles who had been trailing the Lakers one nothing going into the third period, scored three goals to take the lead.

Then it happened, the one player who seems to get more boos and jeers than any other player who ever performed in the Thistles palace, took it upon himself to destroy the Red and White machine, terrible Chuck Lumsden, scored the Warroad second and tying goals within two minutes of each other at the fourteen minute mark of the third period to send the play into overtime.

The one man who broke the Rayner men's backs was all-star goaltender Sugar Jim Henry, he kicked, blocked and stopped more ticketed rubber than another net custodian has done this year. In the overtime period Balagus scored the winner at the three minute mark. Pennell capped the game two minutes later.

Chuck Lumsden lead the Lakers with two goals, Ed Kryzanowski, Gord Pennell and Murray Balagus scored singletons. Frank Leroux, Merv Dubchuk and Ray Westlund garnered the Thistles' markers.

Harry Barefoot Wins Simmoneau Memorial Trophy

The Ontario Minnesota Hockey League announced today the winner of the Ray Simmoneau Memorial Award, presented annually to the player adjudged to be most valuable on his team. The trophy donated by the Kenora Thistles, President Hito Oshiro, is in honor of one of Kenora's greatest hockey players, Ray Simmoneau, who met with an untimely death last summer. The trophy this year will go to Harry Barefoot, goaltender with the Fort Frances Canadians. Frank Leroux of Kenora placed second and Sam Robertson also of Kenora Thistles, third. The balloting was done by the sportswriters, broadcasters, coaches and referees.

and they who lose today may win tomorrow

WARROAD 5 - KENORA 3
 An Important Victory

The Thistle dressing room was silent. The Warroad dressing room was just the opposite. Victory in the latter . . . defeat in the former; so close to each other, but yet so far apart. The play-offs in the Ontario-Minnesota Hockey League will soon be over . . . and the Warroad Lakers have predicted that it will be over as fast as three games can be played. They have intentions of defeating the Kenora Thistles three straight to gain the Morris Crawford Trophy for the second straight year. It isn't impossible; therefore, the Thistles will have to defeat this Warroad jinx and come back with a victory in the Lakers' home town on Sunday.

The Thistles really are not thinking of losing any series in three straight games . . . in fact, Charlie Rayner's boys played excellent hockey for fifty minutes last evening, but failed to win. Costly errors in the final few minutes of the game allowed Chuck Lumsden to score two goals and then in the overtime session, when the Lakers appeared to have little trouble scoring.

The Thistles were soundly defeated in the final stages of the game but "they outplayed" the Warroad team if you take everything into consideration.

Sugar Jim Henry's outstanding, and perhaps brilliant goal tending, certainly saved the day for the Warroad Lakers. Without Henry between the pipes the Thistles would now be passing out their first victory cigars. Henry was at his best.

The Lakers have some outstanding hockey players on their club. Gordie Pennell, Chuck Lumsden and Murray Balagus are three of the top forwards in the league today. These boys have had vast hockey experience and we must realize that they know how to play hockey. Many fans pay to see the big three in action.

The Thistles have some good players . . . and the Lakers will be the first to admit it. The series has just begun.

It was one of the fastest games played this season on local ice. There was hard checking and hard skating done by both clubs. When one team would let up for a minute . . . their opponent would be launching an attack on his opponent's net. It was like this throughout the contest. It was rugged, but the fans enjoyed every minute of it.

For the type of action last evening, the officials handled the game in great style. Frank Richards and Gordie Peterson have certainly proved that they are one of the best pair of refs in this district.

The hard charging Thistles came out of a two period goal famine in the early seconds of the third period, Frankie Leroux, who is perhaps the most valuable Thistle player, Merv Dubchuk and Ray Westlund scored back to back counters that should have finished the game for the visiting Americans. However, the Lakers seem to come to life in the last moment of every contest here and battle back, for not only a tie, but a victory.

When the overtime period started the fans were waiting for a Thistle comeback. Lumsden's two sharp goals that tied the contest had shocked the local gathering and they wanted sweet revenge. For some reason or another, Lumsden is no friend of the

It Could Be You . . . And Not Your Car That's The Gas Burner

I meet a lot of interesting people in this business . . . people from all walks of life. And I enjoy shooting the breeze with them. Naturally, the conversation is about cars. In fact, I consider it a bad week when I don't learn something myself from these discussions.

A few days ago, for instance, I was talking to a salesman friend of mine and the conversation got around to why some cars seemed to be so hard on gas. "Not always the fault of the car," said my friend who is on the road five days a week. Then he went into a long discourse on the gas-consuming driving habits he's observed during years of highway travelling.

It all boils down to a few "DOS" and "DONT'S." For example, always get under way moderately and smoothly by depressing the accelerator gradually until your car attains the desirable speed.

Keep a steady foot on the accelerator, instead of pumping it up or down to maintain the speed of traffic.

When approaching a red light that is about to turn green adjust your speed to avoid stopping. Or, if a light is changing to red coast up to it with your foot off the gas.

If there is a "slow-down" area ahead decrease your speed gradually rather than slamming on your brakes.

Yes, good driving habits all add up to good gas mileage. But to begin with you need a good car. We have some real choice models on our lot right now. Cars that had one-owner care and that we have tuned up to mechanical perfection. We'll be happy to show them to you anytime. Or, just drop by for a chat. As I said in the beginning, it's sure a bad week when I don't learn something new about cars from somebody.

KITCHEN CLASSICS

Don't limit the serving of fresh apples to pies and applesauce. Use them often in baked desserts—the kind that the family enjoys so much during the winter months.

APPLE-COLE SLAW

- 3 to 4 lb. head firm cabbage
- 3 red apples, peeled and cubed
- 1/2 cup chopped celery
- About 1 cup cooked salad dressing

Hollow out centre of cabbage, leaving a 1/4 inch wall. Shred the cabbage that has been removed and combine it with the apples and celery. Toss with enough salad dressing to moisten. Put apple core slaw back into cavity of cabbage. Decorate top with thin slices of unpeeled red apples. Makes 8 servings.

Plenty of fresh fruit and whole grain cereals—that is the key to good nutrition, not only in the winter months, but the year round. You find both these good foods in this delicious apple bran loaf. Serve it when friends drop in for tea, for school lunch box or as a snack for the youngsters when they come home ravenous from outdoor play.

This loaf has a lively fresh apple flavour, stays moist for days.

APPLE-BRAN LOAF

- 2 eggs, beaten
- 1/2 cup cooking oil or melted shortening
- 2 tablespoons milk
- 1-1/4 cups grated unpeeled raw apple
- 1 teaspoon vanilla
- 1 cup bran
- 1-1/2 cups sifted all-purpose flour
- 1/4 cup granulated sugar
- 3 teaspoons baking powder
- 1/2 teaspoon baking soda
- 1 teaspoon salt
- 1/2 teaspoon mace

Beat eggs in large bowl, beat in: oil or melted fat, milk, grated apple, vanilla and bran. Let stand 5 minutes.

Sift together flour, sugar, baking powder, soda, salt and mace. Add to first mixture, stirring just until dry ingredients are moistened. Spread evenly in greased

9 by 5-inch loaf pan. Bake in moderate oven 350 deg. F. about 1 hour. Cool in pan 5 minutes, turn out on wire rack to finish cooling.

However you use apples in dessert, it is always a wholesome and refreshing finish for any meal. In this nutritious pudding, a rolled oat batter bakes atop the sugared apple slices.

APPLE-OAT PUDDING

- 4 medium apples
- 2 tablespoons sugar
- 1/4 cup brown sugar

- 1 egg
- 1/2 teaspoon vanilla
- 1/2 cup rolled oats
- 1/2 cup sifted all-purpose flour
- 1/4 teaspoon salt
- 2 teaspoons baking powder
- 1/4 teaspoon cinnamon
- 1/2 cup milk

Peel, core and slice apples, place in greased baking dish, sprinkle with sugar.

Cream butter, add sugar and cream together well. Add beaten egg and vanilla, beat well. Sift dry ingredients, add rolled oats. Add to first mixture alternately with milk. Spread over apples and bake in moderate oven 350 deg. F. about 40 minutes. Serve warm with plain or whipped cream.

INTERNATIONAL TRADE

Canada's commodity imports last year were 8% lower in value than in 1957, while the value of commodity exports was only slightly smaller. The result was balance, on commodity account—surplus of imports over exports—to \$276,600,000 from \$689,000,000 in 1957. Most of this overall de-

cline was due to a drop of about 11% in imports from the United States as against a decrease of only 1% in exports to that country and a consequent reduction in the import balance with the United Kingdom, an export instead of import balance with other Commonwealth countries, and a smaller export balance with all the remaining countries taken together.

HOUSING

Dwelling units completed in Canada last year reached the record figure of 146,688, an increase of 25% over 1957 and 8% above the previous peak in 1956. The number started rose even more sharply to a new peak of 164,632, up 35% over the 1957 total and 19% above the former peak in 1955. The year ended with 88,162 units under construction, more than a fifth greater than a year earlier. The number started last year was larger than in 1957 in all provinces, and the number completed larger in all except Prince Edward Island and Nova Scotia.

MANUFACTURING

Steel ingot production showed a further increase in the week ending February 7 to 107,433 tons. During January last year, nearly 6% more motor vehicles were made in Canadian plants in January this year than last. Crude oil

consumption by Canadian refineries in 1958 rose 1.3% over 1957, the quantity of domestic crude consumed increasing over 6% and imported crude declining some 4%.

TRANSPORTATION

Railway carloadings fell off about 8% in the last ten days of January after a small gain in the first three weeks to make the month's total 2.6% smaller than last year.

TRAFFIC FATALITIES

Deaths from motor vehicle

traffic accidents in the first nine months last year totalled 2,777 against 2,460 the previous year & the number injured 23,622 against 23,564.

About one Canadian in five in the 65-69 year age group now receives the old age pension paid on proof of need.

KITCHEN CLASSICS

Chocolate Cream Dessert
 1 cup finely crushed graham cracker crumbs
 4 tablespoons melted butter
 2 tablespoons sugar
 1 package chocolate pudding and pie filling mix
 2 cups milk
 1 tablespoon butter
 ½ cup chopped nut meats
 ½ cup cream, whipped
 ½ cup tender, thin flaked coconut

Mix graham cracker crumbs

with 4 tablespoons melted butter and the sugar. Pack firmly on bottom and sides of shallow baking dish. Bake in moderate oven (375 deg. F.) 10 minutes, or until slightly browned.

Combine pudding mix and milk in saucepan. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat. Add butter and nuts. Turn into baking dish over graham cracker crust. Chill. Just before serving, top with whipped cream and sprinkle with coconut. Makes 6 servings.

glish sparrows, and starlings, woodpeckers - including the odd piled variety - owls, hawks, pheasants and just about every other native wild bird in Canada, along with a lot of strays from other parts.

Recipe for bird attraction, according to Pickering folk, includes suet, millet, raw peanuts, wheat, cracked corn, bread crumbs and crusts, and old soup bones which still have some fat attached.

There's hardly a house in the village or in the neighbouring township which hasn't its feeding station. Some of the stations are boxes from which the top and bottom have been knocked out and which are nailed to window sills, permitting the owner to simply open the window, place food in the box and then sit back and watch the birds. In many cases, the birds become so tame that they actually knock on the window if the food supply is low.

Other most popular feeding contraptions: A bag-shaped piece of chicken wire in which large chunks of suet are placed and which are suspended from the branches of a tree. Almost all birds like suet.

Many district farmers use spilled and mixed grain to feed the waterfowl which fly inland from Frenchman's Bay or Lake Ontario seeking easy pickings; some average as high as a bag a day to keep the birds alive through the winter.

The song of the cricket is made by rubbing one wing against another.

Bird Feeding Stations Attract Many Visitors

PICKERING — This village of 1,000 people, 25 miles east of Toronto, claims it has more bird-feeding stations each winter than any other settlement of its size in Ontario. As a result, to be found almost any day are cardinals, juncos, chickadees, nuthatches, blue jays, the occasional morning dove, thousands of En-

NOTICE

TO ALL COTTAGE, CAMP, RESORT OWNERS AND OTHERS HAVING OR DESIROUS OF HAVING A FINGERBOARD, ROAD NAME OR RESORT AREA SIGN AT THE ENTRANCE TO THEIR ESTABLISHMENT FROM A PROVINCIAL HIGHWAY.

The Department of Highways has adopted a policy regarding signs of the above nature in order to provide for improved signing at these locations as a service to the motorist and owner alike. This policy outlines the types of signs available, the locations at which they may be erected and the fees which will be charged for this service.

In order to assist the Department in completing this new signing as soon as possible, those wishing signs are urged to contact the District Engineer at the address below before July 1st, 1959, if possible for particulars and application forms.

The Department will soon commence removing existing old signs which do not conform to the policy so that the new signs may be erected.

How to cut a FANCY figure ...without spending one!

The way to cut a fancy figure without spending one is to drop into your neighbourhood Ford Dealer and ask him to show you his Custom 300 Tudor Sedan with a Six engine. It's the lowest-priced of all Fords—in fact the lowest-priced car in its class.*

Ford also gives you a whole series of standard features that would cost you \$37.25 extra in a directly competitive model (which costs more to begin with). Examples? Foam cushioning in the front seat, extra body insulation, 66-plate battery, aluminum muffler that lasts up to twice as long . . . just to mention a few.

Sounds good? It is good. Drop into your nearest Ford Dealer's and see for yourself.

*According to recent comparisons of manufacturers' suggested retail prices.

The Custom 300 Tudor is as economical to run as it is to buy. For example, with a Mileage Maker Six engine you get up to 24 miles per gallon of regular gas.

Ford gives you a choice of 16 models in 5 series, that start with the low-priced Custom 300 and include the Fairlane, Fairlane 500, Galaxie and Station Wagons. Six or V-8 available in all models.

(Certain features illustrated or mentioned are "standard" on some models, optional at extra cost on others.)

Announcements

The Lady of the Lake Lodge will hold their annual dinner at 6.00 p.m. on Friday, February 20 at the I.O.O.F. Hall. Meeting will follow.

There will be an Adult Skating Party, Broomball Game and Box Social at the Rideout Community Rink on Sunday, February 22nd. Skating 7.30 to 9.00 o'clock. Broomball 9.30 to 10.00. Ladies bring enough lunch for two — the lunches will be raffled and proceeds will be used for Children's Carnival. All parents invited to come out, support your rink, and have yourselves some fun.

PROTEST IS LODGED

Durban, South Africa—Three girls who hula-hooped in the nude caused a Durban apartment dweller to lodge a protest with the renting agents of the building in which the girls live.

He complained that he couldn't take his children on to the balcony of his own apartment because of what they might see through the window of the girls' apartment directly opposite.

CARD OF THANKS

We wish to extend sincere thanks and appreciation for many kindnesses, messages of sympathy and beautiful floral offerings from our relatives and friends during the illness and death of our dearly beloved Mother.

We especially wish to thank Reverend A. E. Dunne, the pallbearers and the Brown Funeral

Around Town

Mr. Bill Franchuk of Sioux Narrows, who has been a patient at the Compensation Hospital at Toronto arrived home Thursday night. He was met at the station in Kenora by his wife and son Stephen.

Congratulations and best wishes are extended to Mr. and Mrs. M. Sirtóski who are today celebrating their fortieth wedding anniversary.

IN MEMORIAM

PETERS — In loving memory of our dear father, David Peters, who passed away February 20th, 1926.

The sorrow we feel, we cannot explain,
The ache in our hearts
Will always remain,
Although we smile and seem carefree;
Nobody misses you more than we.

Lovingly remembered by the Family.

IN MEMORIAM

SINCLAIR — In loving memory of our husband and father George Sinclair, who passed away February 20, 1957.

He is gone but not forgotten,
And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Days of sadness will come o'er us,
Friends may think the wound is healed,
But they little know the sorrow
That lies within the heart concealed.

Ever remembered by his loving wife Laura and family.

WELNCHENKO — Peter Welchenko Jr. is happy to announce the arrival of his new baby brother Chris Michael, February 16, 1959. Weight 5 pounds, 8 ounces. Proud parents are Susie and Peter Welchenko.

Heartiest thanks to Dr. E. S. Bryngelson, Sisters and staff of the St. Joseph's Hospital.

fashionable men and women dressed in yellow-gray, dubbed "Isabella color."

During the Middle Ages, long-toed shoes denoted wealth and dignity. The style has been blamed by some on a Frenchman who reportedly invented it to hide the huge bunions on his feet.

About the year 1800, Lord Spencer set out to expose the capricious fashion world. He is said to have made a bet that he could launch a meaningless fashion that would become popular in six months. Whereupon he cut off his coat tails with a pair of shears and went out for a walk.

In two weeks, all London had adopted the style, and the Spencer jacket was born.

"I agree, sir, winter is the best time for inferior renovations but we usually think of our home improvement loans as designed for structures of a more permanent nature."

"FASHION" A FICKLE GODDESS

Fashion is a fickle goddess whose head has been turned by everything from bunions and bets to politics and even the winds of chance.

A London dress designer, for example, recently attributed the popularity of the sack dress to a reaction against the curves of Jayne Mansfield and Marilyn Monroe.

Queen Victoria reacted differently, however, when Albert cast admiring eyes on a Scottish peasant girl dressed in a red flannel petticoat.

According to the research department of The World Book Encyclopedia, the queen ordered a red flannel petticoat for herself, and began the fashion typical of her reign.

The French Revolution took the frills out of Parisian dress for a while, and submitted its own somber tone. The guillotine left its mark in the Titus coiffure, cut very close at the back with the front arranged in loose ringlets. A red necktie was worn, and sometimes a red shawl, to complete the effect.

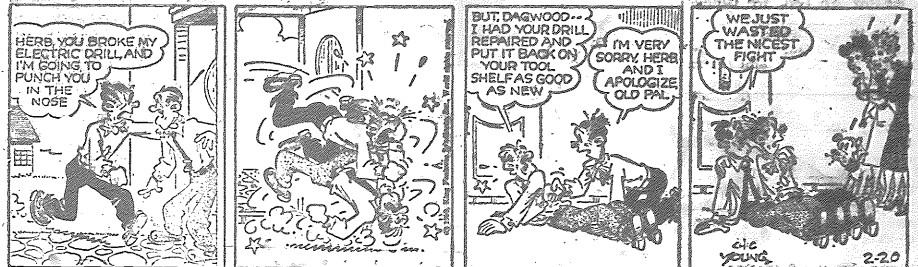

Another hair-style was initiated by accident, when the wind blew off the hat of the Duchess of Fontanges at a royal hunting party. The resourceful duchess tied up her hair with her ribbon garter. The next day, all the court ladies appeared with a headdress "a la Fontanges."

The wife of an Austrian archduke introduced a new color by airing her dirty linen. Isabella had vowed not to change her linen until her armies had taken the town of Ostend. The seige lasted more than three years. And for more than a century after.

Off the Cuff

(Continued from Page 2)

crowd. His goals were an insult, even though they were well executed.

The Lakers moved quickly from the opening overtime whistle. In fact they scored so quickly that the first goal wasn't counted. Gordie Pennell blasted one that swept pass Reynard and bounced right out again. The action was so fast that the goal judge and the refs were caught off guard. The people in the gallery saw it go in from their very

good vantage point above the net. We even think Allie admitted it to Pennell after a whistle was blown.

However, the Lakers scored two more times to make sure that they had finally grasped victory. Pennell scored again, and then Murray Balagus did the trick.

In all, it was what one could expect in a play-off hockey game. The next one, on Sunday in Warroad, should be an encounter well made to order for the southern press boys.
