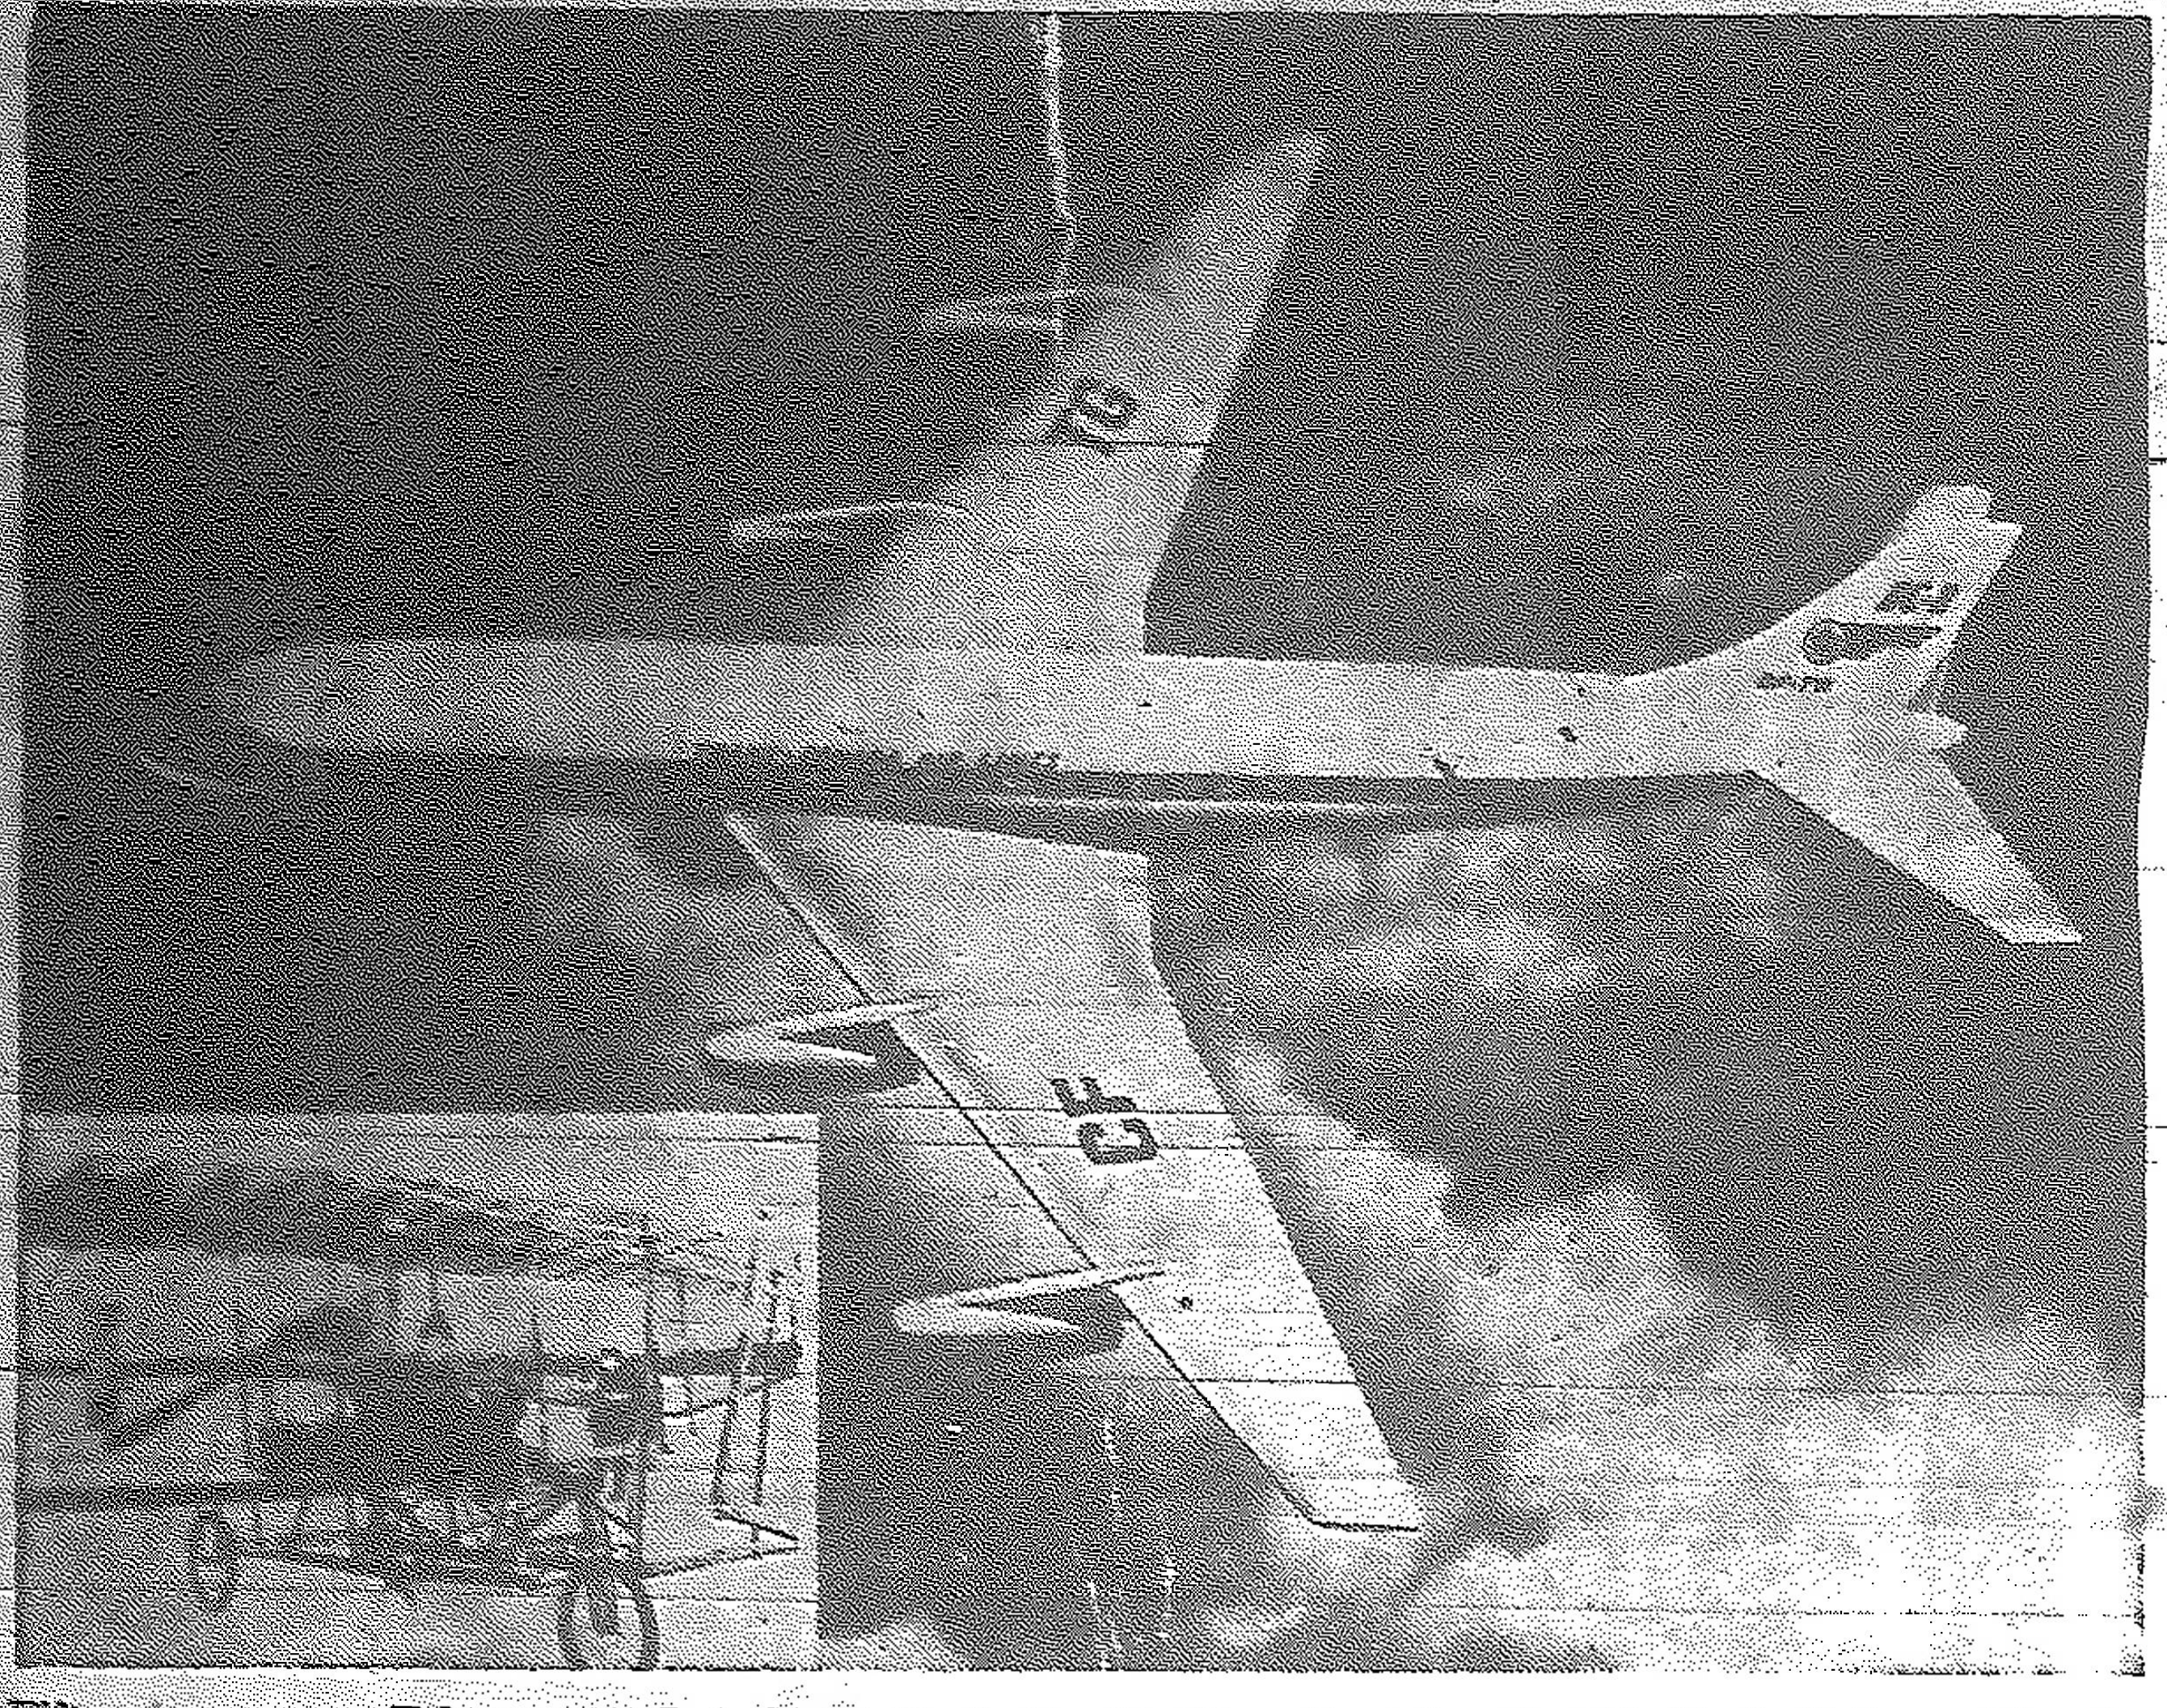
### Golden Anniversary of Powered Flight in Canada



Fifty years ago, on February 23, J. A. D. McCurdy flew his Silver Dart (inset) at Baddeck, N.S., marking the first powered flight in Canada. Since that historic event, development in aviation has taken tremendous strides. Another milestone will be reached later this year when Trans-Canada Air Lines takes delivery of the first of its six huge DC-8 Jetliners which will fly at 550 miles an hour and carry 127 passengers. Mr. McCurdy will be taking part in many of the Golden Anniversary celebrations throughout Canada this year.

# CAPACITY CROWD ATTENDS SCOUT BANQUET - WICKSTROMS HONORED

Last evening a capacity crowd filled the auditorium of the Legion in Kenora to observe the 102nd anniversary of the birth of their Founder Lord Baden-Powell.

Following supper Rolly and Terry Wickstrom were presented with their Queen Scout badges by [illegible] D. C. Wingfield. To receive the Queen Scout is an honour and the boy must be over 14 years of age, hold his Tenderfoot, Second Class and First Class tests and hold several other badges besides.

Ray Brown chairman, enlightened the parents and friends on the movement and the life of Lord Baden-Powell. He said "when I look down and I see so many parents and children, I cannot help but think that Scouting is a family thing. It is very fitting that throughout the world the week of Baden-Powell is also Brotherhood Week.

You may ask the question - what does the Boy Scout Movement do for my boy? - A boy who becomes a Cub or Scout still has his growing up to do but our movement can provide him with much help. Scouting is a code of conduct which is so valuable. It provides the boy with something to hang on to and some standards to live by. The boy with the Scout promise in his heart is seldom in unfavorable circumstances in today's court rooms. It requires a lot of time and patience on the part of the leaders and this is done without any monetary reward to the leaders, said Mr. Brown.

At this time Lord Baden-Pow- [illegible] hall and the curtains on the stage opened to show Scouts dressed in various uniforms representing Scouting throughout the world. At this time a message from Lord Baden-Powell was heard telling the boys to live up to their Scout Promise and Laws "Remember there are lots of people wanting help. However poor or small you may be you can always find someone worse off than yourself. If you can help them you find by making others happy you are making yourself happy too. I have always tried to carry out the Scout Promise and Law in all that I do, so now I ask you to repeat to yourself with me the Scout Promise thinking of the meaning of every word as you say it:— I promise on my honour to do my best to do my duty to God and the Queen, to help other people at all times and to obey the Scout laws.

Reeve Byers of Jaffray-Mellick addressed the boys saying "To the Boy Scouts I feel that we have an organization to which if they live up to the laws of Scouting they will make good citizens of the future."

Mayor Ratuski of Kenora spoke briefly wishing the Boy Scouts every success and the very best for the future.

Acting Mayor Luke Francis of Keewatin representing that town said, "It is quite an honour for me tonight to attend this gathering.

Magistrate J. V. Fregeau, the next speaker, said, "A great many thoughts w[illegible] through my mind since I entered this hall tonight. The work that is being done by the Scout Leaders and those who are guiding the destiny of our local Scouts. I doubt if they appreciate the great work that they are doing for our community. A person in my position very often sees the bad side of life and when one sees the waste of young manhood that takes place in our community it is sincerely a great consolation to think that there are [illegible] ing to save that young man power. I have been reliably informed that during the two years that I have sat on the bench here that only ONE boy has ever appeared in Juvenile Court that ever belonged to the Scouts and when you stop to consider that some hundreds of boys have been through Juvenile Court in the last two years I think that is a remarkable record.

The guest speaker Mr. Norman Stewart, Detective Inspector of the Winnipeg City Police was introduced by Inspector Corsie of the OPP. Mr. Stewart spoke to the Boys about police work, telling them how many policemen the City of Winnipeg has, how many mobile units and briefly outlined their work.

Scouts and Cubs I know are taught to be trustworthy, loyal, helpful, friendly, obedient, courteous, clean and reverant. They learn these habits and pass them on to their chums and neighbours. Some of these habits are bound to rub off. A Scout will never ask - what can I get out of it - but what can I do to help. With this type of training and similar youth work in any community it makes the work of the policemen that much easier.

A film of the 1957 World Scout Jamboree held in England was shown and the evening was closed with the singing of Scout Vespers.

## Provincial Police Officers To Receive Pay Increase April 1

**Members of the Ontario Provincial Police Force have been told for several days at least, that an increase in pay would be announced in the budget address which was scheduled for this afternoon.**

Increases effective April 1st, range from $300 to $500 annually and will be given to all ranks up to staff-sergeant. It was announced at the same time that an increase in the force of 50 men would be made, bringing total strength to 1,874 men.

The new rates are as follows:

Constables - first year $3,750, second year $3,900, third year $4,050, fourth year $4,200, fifth year $4,400.

Corporals - first year $4,600, second year $4,800, third year $5,000.

Sergeants - first year $5,000, second year $5,250, third year $5,500.

Staff Sergeants - first year $5,500, second year $5,750, third year $6,000.

## Budget Boost Aid To Municipalities And School Boards

**The Ontario Government will increase its assistance to municipalities, its school boards and other agencies by $35,000,000 to more than $310,000,000, Provincial Treasurer Allan stated this afternoon in his budget address. The speaker said that this represents 44 cents on every dollar of its revenue.**

**Unconditional grants this year will be $25,300,000 to municipalities, while road subsidies would add another $63,400,000. The Minister stated that municipalities have been freed of most of their hospital costs (about $12,000,000) by the new hospital insurance plan.**

**Grants to school boards will be increased by $18,500,000 this year to almost $150,000,000. University grants will be up $2,000,000, including a budget allotment of $230,000 for the Lakehead College.**

## Norwesto Reports Progress In Phone Program In District

Work on the extensive program of Norwesto Communications Limited to convert from manual telephone service to dial in Jaffray-Melick, is well under way according to information received today from Mr. Howard Webb, General Manager of Norwesto Communications Limited.

With the coming of milder weather, crews, hampered since Xmas by extreme cold are now pushing forward at top speed.

A completely new cable plant is being erected using the newest in aerial cables, the plastic covered and insulated "Alpeth" cable.

Skilled technicians are busy installing the dial equipment in a new dial office at the east end of Rabbit Lake.

Manufactured in England, this dial equipment is very modern in design and its performance has been proven in world wide installations of the same type.

Telephones are being equipped with dials, having both letters and numerals to comply with the two letter-five number scheme, which will be put in use at the June cut-over.

After that time, Jaffray-Melick subscribers can dial any number in Jaffray-Melick, Kenora or Keewatin.

The Jaffray-Melick exchange will be KIngsdale 8.

Office personnel are engaged in allocating dial numbers and setting up a new system of records for use with dial telephones.

## Pinecrest A Busy Place During The Past Month

The residents of Pinecrest have enjoyed a month of very great activity as far as entertainment is concerned.

Mrs. Paul Dubenski the Social Convenor of the Pinecrest Auxiliary, has been very busy during these cold February days. The highlight of the month was the birthday party on February 17th when eleven residents were honoured with a large birthday cake donated by the Kenora Bread and by a musical program.

Mrs. P. Plante accompanied by Mrs. G. Low on the piano, sang four selections. Mrs. Brownlee sang a solo and Mrs. McCullough and Mr. Marr sang a duet.

The following people celebrated their birthday in February: Mr. Job Squire, Mr. Ernest Porteous, Mrs. Clara Kay, Mr. Enoch Fuller, Mr. W. Wicks, Mrs. Clara Portman, Mrs. Lilian Pentney, Mr. Adane Wallman, Mr. Joseph Reynard, Mr. Tom Marks and Mr. Noah Burnett.

February 3rd Mr. Art Bourgoine and his brother entertained with old time music on the violin.

February 4th, Little Theatre came out with their play "Bell, Book and Candle."

Every Thursday evening Mr. Elmer Stone comes out to Pinecrest with films.

February 13th, Members of Moose Lodge brought out a film.

February 14th, Father Ferron showed a film on the Eskimos with commentary, as he had worked among the Eskimos for years. This was found to be most interesting.

February 16th, Mr. Delamere continued with the showing of films on his trip to Kentucky.

February 21st Mrs. I. Cowey brought out the play, "The Maker of Dreams". The cast being Lynne Dunford, Willard Allan and R. Bourgeault.

February 23rd, Mrs. Blake showed a very interesting film on one of her travels.

February 25th, The Salvation Army came out. They always come out on the 4th Wednesday.

## Chain Of Public Parks Across The Province, Planned

**Ontario will continue its development of public parks, to create a chain of grounds with camping and picnic facilities, Provincial Treasurer Allan said in his budget address this afternoon. Commencing this year it will pay municipalities half the cost of acquiring and establishing approved parks in rural areas. The plan calls for parks every 150 or 200 miles. Last year 55 parks were operated by the Lands and Forests Dept. and another 24, scheduled to be opened this year, were used by the public.**

## Magistrate's Court

Two men paid $100 and costs and a third went to jail for 15 days when convicted before Magistrate J. V. Fregeau yesterday of selling moose meat. A district firm paid $31.00 upon conviction of failure to file an income tax return. Failure to pay a parking ticket cost a local motorist $5.00.

Liquor cases occupied the balance of the Court agenda. Illegal possession brought a $10 fine to a Shoal Lake man. Consuming liquor in a place other than his residence brought a 30 day term to a 2nd offender and 10 days to a first offender. A second offence drunk also took a 30 day jail term.

## Interesting Topics Highlight Trillium Toastmistress Meet

The regular meeting of the Trillium Toastmistress Club was held at the Kenricia Hotel on Thursday, February 12th, at 6 p.m.

The meeting opened with the blessing by Mrs. Lilian Woolley. Guests were Misses Proven and A. Bain.

Mrs. Gladys Schroder was Table Topic Mistress and Mrs. Ellen Rasmussen spoke on gardens and what she would do with a limited space and what she would grow to have flowers blooming as long as possible. Her talk was very interesting and she made all determined to grow some of the less common but nevertheless beautiful flowers she mentioned.

Jerry Mychalyshyn spoke on "What business, new or repeated, would improve Kenora". She spoke of window dressing, modern styles in clothing, lower prices but particularly she seemed to think that a restaurant more in keeping with the Lake of the Woods theme would be appreciated here.

All members joined in the topic "Do you think children should be forced to stay at school until 16 even if they are wasting their own time and that of the teachers and other children." This was a very spirited discussion and the majority seemed to think that Kenora needed a vocational or technical school for children who were so inclined and perhaps that would keep them at school longer.

Miss Betty Ings then gave a most interesting talk on the "Art of thinking".

It was announced that the next meeting would be held on Thursday, February 26th at 6 p.m. at the Kenricia Hotel and all interested friends were asked to attend. Reservations may be made by phoning Mrs. Bernice Holmstrom at 8122.

PUBLIC SCHOOL BOARD

# FAVORS ACCELERATION OF QUALIFIED PUPILS

At its Regular Meeting, held Monday night, the Kenora Public School Board dealt with a varied agenda.

The minutes of the Inaugural Meeting of January 19th were approved and accounts totalling to $31,980.83 were authorized for payment.

With regard to the further subdivision planned in the vicinity of Pinecrest, the Board decided that an eight classroom Public School would eventually be required to accomodate the expected school population.

The Board further went on record as favouring as a matter of policy the acceleration of qualified pupils at least one year in the lower grades and set out a procedure for accomplishing this. This means that gifted children who are not sufficiently challenged by regular grade work, and who are able to adjust socially, could take the first four grades in three years.

The Board further adopted a code of ethics for teacher procurement as outlined by the Ontario School Trustees Council. Among other things this regulates the time for advertising, interviewing, and consideration of applications of teachers.

To help publicize Education Week and to aid the Committee in its work the Board approved the use of King George VI School auditorium for the general meeting next Sunday afternoon, and also donated $50.00 towards this cause.

In other business the Board approved the request of the Ontario Registered Music Association, Kenora Branch, for the use of the King George School auditorium for a pupils' Recital; agreed to purchase new belts for the patrol boys; delegated Miss Kron, Principal of King George School, to interview prospective teachers at the North Bay and Ottawa Teachers' Colleges; subscribed to two units of travelling library service from the Northwestern Ontario Library Co-operative of Fort William; and accepted with thanks the offer of the Town Council to sell to the Board the property known as the "Triangle" to the north of the present North Ward School and agreed to the conditions made by the Council.

### CARVE YOURSELF A HOME IN HALF HOUR

An easy and inexpensive do-it-yourself house is available to anyone who heads north to where the snow is 10 feet thick. In a demonstration put on by Eskimo Jasper Piktauer and Lowatuk, the home—or igloo—was assembled in 35 minutes. Group Captain C. R. Lloyd of Brampton, Eng., and Air Commodore J. B. Millward, Kingston, Ont., can vouch that the house, not exactly spacious, is warm. They are two of 30 members of the National Defence college who made a three-day tour of the joint U.S.-Canadian test base near Fort Churchill, Man.

AT HIGH SCHOOL TUESDAY

# 500 STUDENTS HEAR CAREER DAY SPEAKERS

Kenora Keewatin District High School students had a change of teachers Tues[illegible]ternoon. Instead of Mr. W. Gibben expounding on the reactions of gases or Mr. J. Davidson explaining the mysteries of bookkeeping, Mr. E. McCammon described a day in the life of a chemist, and Miss S. Boquist commented on the duties of a stenographer. Thirty-three other guests spoke on their occupations.

The Kenora-Keewatin District High School sponsored its second Career Day, on February 24th, 1959. For weeks, the Guidance Department with the assistance of the Guidance Committee had been organizing the school for the long-awaited event.

Classroom doors lost their official appearance. Room 222 had the intriguing sign, ARCHITECT; 334 gained in interest as the sign, PILOT was placed on the door. Room 225 changed character as sign, MECHANIC, appeared.

At 2.30 p.m. Mr. Alex Brown of the Shop Department introduced the speakers to the assembled students, and thanked the former for their courtesy in coming to the high school. Mr. A. G. Richmond, Principal, introduced the guest speaker for the assembly, Mr. L. A. McLennan, who spoke briefly on the topic, "Deciding on a Career".

After the Assembly, students gathered in various classrooms to hear speakers describe their occupations. Student chairmen introduced the guest speakers to their groups. A fifteen minute talk included information, such as training required, desirable aptitudes and opportunities in the field.

A question period followed. Interested students asked questions such as: "Can a stenographer find a place in church work? Can a missionary get married?" [illegible] of Mrs. B. Hunter, Missionary.

Mrs. Edith Brown of the Home Economics Department served tea in the Home Economics room to guest speakers and staff members from 4.30 to 5.30 p.m.

Some students might have expected the speakers to describe the easy aspects of the job and to emphasize large salaries received. Instead students heard that proper attitude towards work, and towards fellow workers is very important.

Here are some comments made by Career Day speakers:

Mr. W. T. Thompson (Social Worker) - "Help the clients to help themselves."

Mrs. G. Cudmore (Telephone Operator) - "Telephone operator's work is interesting because it plays such a large part in the business world."

Mr. E. McCammon (Chemist) - "The Second World War stirred tremendous advances in chemistry."

Miss L. Kron (Public School Teacher - "You will have no time to be bored or to have private worries."

Mrs. R. Lundin (Homemaker) - "Home will be only as happy as the two who build up the home make it happy."

Mr. B. A. Martz (Draftsman) - "A draftsman must have the ability to create."

Corporal R. S. Brown (R. C. M. P.) - "We are not interested in men who are looking for a soft touch; i.e., we will not work you more than 24 hours per day."

Mr. W. Bastedo (Forestry) - "The Cedars of Lebanon were part of a huge forest. This forest, lost to man through mismanagement, is now a part of a huge desert."

Mr. J. Sniezek (Surveyor) - "Surveying is to be undertaken only by those who enjoy the outdoors and life outside the big city."

Here are some questions to be considered. Is a doctor interested mainly in making money? Dr. E. Bryngelson states: "There are wide opportunities to those who sacrifice their will, health and time to the profession."

Did you think a Chartered Accountant needs to know only figures? Listen to Mr. Van Der Walt: "Accountancy is a control of figures AND OPERATIONS to gain one final result, not just adding and dividing."

Perhaps you thought joining

## Keewatin Youth Honor Baden-Powell

A large attendance of Cubs, Scouts, Girl Guides, Brownies and their leaders of the Keewatin branch commemorated the birthday anniversary of their founder Lord Baden-Powell by attending the morning church service at St. James Anglican Church, February 22nd.

Rev. J. W. Whitford's theme for his address was "Be Prepared," which was expressed in simple words and by the use of appropriate stories. He stated that during the war years Boy Scouts had rendered outstanding service to their country both in foreign lands and Great Britain.

He stressed their conduct should at all times be above reproach and a good example for all to follow.

## Minaki Road In The 1959 Program

**The Ontario Budget mentioned today that 6 access roads were completed in Northern Ontario in 1958 totalling 135 miles. Agreement has been reached with the Federal Government for the construction of another six with a total mileage of 154 miles. The program will be stepped up. Included in the present program are two in this district; the Minaki to Pellatt road and the H.G.**

## Lakers Play Thistles Tonight

When Kenora Thistles and Warroad Lakers meet tonight in the third game of their best of five series for the Morris Crawford Trophy it will mark the final appearance of the classy Warroad club in Kenora this season. Lakers are presently two games up on the Thistles by virtue of their close wins here last Thursday and again in Warroad on Sunday and a win tonight would give them the Trophy. If Thistles win tonight they return to Warroad Sunday, March 1st for a 7.30 p.m. game and if a fifth and deciding game is necessary it will be played in Warroad on Wednesday, March 4th. Warroad receive the odd game because of their winning of the League during the regular season.

Some fans have expressed the opinion that the Warroad series doesn't mean very much and the Thistles should concentrate on their Thunder Bay playoff. From this corner this statement just doesn't add up. Kenora, as a member of the Ontario-Minnesota Hockey League since October 1957, is bound by the rules of the League and one of these is that a playoff be staged upon the completion of league play. This is the main reason for the League schedule being so short. It is only fair that Kenora should put its best foot forward in the playoff and this is what the Thistles are doing even though they are now down two games to nothing competing agains a strong club like Warroad has the advantage of maintaining a high standard of play for the Thistles and this will certainly help them in their quest for the Thunder Bay championship. What a boost the Thistles would receive if they did manage to defeat Warroad!

THISTLE JOTTINGS — When Frank Leroux, who is playing the best hockey of his career, scored a picture goal against Sugar Jim Henry in Warroad last Sunday, the former NHL goalie congratulated him on his fine effort. This speaks highly of the character of Jim Henry, one of the nicest fellows one can meet. Dennis Lambert played a standout game in Warroad and scored a goal. Brian Leroux has fully recovered from his head injury of a month ago as shown by his two goal effort last Sunday. Ronnie Morgan and Sam Robertson are two veterans who appear to improve each time out. Ron doesn't know what it means to give less than his best and absorbes more than his share of cuts and bruises, this year being no exception. Sam's ability was recognized in his winning of the Carling Trophy. Thistles should win tonight and it will likely be the best game of the year - see you there at 8.30.

## Local Lady Curlers Inter-Club Play Thursday At 1.30

The ladies of the Kenora Curling Club will be entertaining the ladies of the Keewatin Curling Club at the annual inter-club play for the Heenan Cup. This year's event will be held at the Kenora Curling Club, Thursday afternoon, February 26th.

Play will commence with a double draw commencing at 1.30 At the conclusion of the games, refreshments will be served, followed by the presentation of the trophy.

The Kenora ladies will be at their "curling best" in an attempt to win the trophy currently held by the Keewatin club.

Following are the two draws:

**1.30 DRAW**

MacNab vs. Holmgren
Clifton vs. McKellar
McCunn vs. Bragg
Clemmens vs. Marchant
George vs. Green

**2.30 DRAW**

Styles vs. Burton
Fleming vs. Drew
Moore vs. Favreau
Setterland vs. Dean
Cox vs. Pearson

## Trophy Order Raised To 1,000 For Hockey

As playoff time in minor hockey across Canada draws near it becomes apparent that the first year of the Robin Hood Trophy for the "Most Valuable Player" is an outstanding success. It was originally estimated that 500 trophies, crests and parchment scrolls would be sufficient for the first year. So enthusiastic has been the response from leagues from coast to coast that the trophy order has been raised to 1,000.

The big reason for this enthusiastic acceptance of the Robin Hood Trophy is because of the stress on good behaviour in school, the home and the community at large, in addition to hockey ability. Those community leaders who look after boys' hockey have been fulsome in their praise for the good conduct aspect of the trophy program.

The boys vieing for the recently-announced trophy are aged 9 to 13 years approximately and it is felt that it is during these impressionable years that training in clean but competitive sport and good social habits is at its most effective.

Individual copies of the "Player's Creed" have been made available to approximately 70,000 boys from Bay Roberts, Newfoundland to Nanaimo, British Columbia.

## *Off the Cuff*

*by Rick Hunt*

"I always wanted to be a wrestler . . . like on tely-vision . . So I talked to one of those mat men . . . He told me I would have to take an actor's course . . . "

— -Moonshine Magoo-
(Wrestling Memoirs)

IS IT TRUE WHAT THEY SAY ABOUT MODERN WRESTLING ? ? ?

An article in the current edition of the Reader's Digest bears reading even if you are not a Digest fan. It is entitled "The Wonderful World of Wrestling" by James Stewart Gordon.

It's reported by many critics of the sport that the only hazard to the professional wrestler in the ring is the common head cold, or a well thrown pop bottle from the hand of a wild woman fan. James Stewart Gordon says, "The standard script calls for the villian to seize the hero in a series of torture-producing holds while the hero exhibits agony. Since the action takes place in a four-sided ring, all blows, kicks, stomps and butts have to be done in quadruplicate so that every patron has a chance to see what's going on."

Stewart - Gordon continues, "The hero, who has been left for dead, begins to quiver, finally staggers to his feet. He lunges for the villian, who, terrified by the vengeance-bound hero, begs for mercy. The hero, however, hoists the villian to his shoulders, bangs him to the canvas and pins him - - - with one eye on the clock to see that they are ending on time for the next TV commercial break."

Mr. Stewart-Gordon tells of many wrestling sidelights . . . which prove to be very interesting. He states tha some 4,000 untamed tigers of the mat drew 24 million cash customers into 534 arenas last year, and entertained uncounted millions more via TV. Stars like Antonio Roccaor Buddy Rogers make anywhere from $150,000 to $250,000 a year! All the wrestlers have agents for their respective billings etc. Injuries in the ring are very rare . . . . the author says, "Far fewer than, say hula-hooping . . ."

If you see "blood" in the ring when wrestling matches are on this so called human life line is nothing more than red dye which the wrestlers get from a capsule. The wrestlers, when they are thrown or jump out of the wrestling ring, have the management make sure that there are four "sturdy rogues" who form themselves into a human-type of fishing net. There are many gimmicks in wrestling . . . Stewart Gordon writes about Karl Van Hess . . . "Hess sometimes plays an unreconstructed Nazi, making his appearance in a monocle and a cloak covered with swastikas . . he yells Heils while biting . . ."

What do you think?

DATELINE TUESDAY . . .

Thistles play Wednesday against the Warroad Lakers in the third game of their final Ont.-Minn. Hockey League Series . . . With the Americans leading the series by two games, they possibly could capture the Morriss Crawford Trophy on Wednesday . . . The Kenora High School Girls will be holding their annual Basketball Tournament this Saturday at the High School Gym . . . Teams from St. Mary's (Winnipeg), Dryden, Red Lake, Fort Frances and Atikokan will participate . . . Games will be played all Saturday afternoon . . . The Kenora-Keewatin High School Mustangs and Colts will be visiting Sioux Lookout for their next scheduled games in the Northwestern Ontario High School Basketball League on Saturday . . . The Kenora basketball teams have little chance to gain on the other teams in the successful league . . . Dryden leads the senior league division with four straight victories and Red Lake leads the junior division with five straight wins . . . . Kenora is third in both the junior and senior divisions . . High School Curling play-offs continue this Saturday morning at the Kenora Curling Rink . . . High School inter-form sport and inter-school hockey will soon be wrapping up their current schedules . . . Plugs . . . Kenora Ski Club have membership openings, if you care to learn the proper way to ski. . . .

In the opening Juvenile semifinals Monday evening at the Thistle Rink, the Legionnaires defeated the Keewatin Kanucks 9-4 in their first semi-final series game . . . Gary Beyko, Larry "spider" Johnson and Ray Sinclair paced the winners with two goals each . . .

the navy was mostly wearing uniforms and looking smart. Lt. R. Whyte s[illegible] you[illegible] is a period [illegible] hard [illegible]king with the finest instruments, and learning skills that have a life-time value."

May one with a police record apply for a police job? Inspector T. G. Corsie of the Provincial Police Force answers emphatically: "Absolutely no chance, and that goes for most jobs, so young people, keep your records clean."

Do you see yourself as a romantic figure in a starched white uniform? Mrs. A. Griffith remarks: 'At the heart of nursing is a genuine interest in people, both patients and co-workers. Good health is important as well as a good pair of feet."

Has pharmacy a future? Mr. R. Einarson answers: "Modern pharmacy is a dynamic and expanding field in which new drugs are paving the way for an entirely new era in medicine."

Other speakers were Flight Lieutenant Oates (Air Force), Miss Norma Elinor (Practical Nurse), Mrs. J. Holland, Mrs. D. Kennedy and Mrs. Gauld (Hairdressers), Mrs. Joan Belanger (Occupational Therapist), Mr. Carter (Architect), Miss Shirley Boquist (Stenographer) Miss L. Pruess (High School Teacher), Mr. W. Hogg (Banking), Mr. Bert Gaston (Lab. and X-Ray Technician), and Mr. L. A. McLennan (Lawyer).

The following also spoke: Mr. R. G. Queen (Radio and T.B. Technician), Mr. G. Eamer (Pilot), Mr. J. Oddson (Mechanic), Mr. H. Greenly (Engineer), Mr. G. Harpell (Electrician), Dr. J. Litman (Dentist), and Dr. Major (Veterinarian).

The High School staff and students are grateful to the speakers for their courtesy and generosity in coming to the school and presenting their occupations to the student body.

## Around Town

The Miner and News has learned of a Kenora picnic held recently at Laguna Beach, California. The picnic attended by Kenora residents on vacation in California and former residents now living in other parts of Canada was held in the lovely park overlooking the Pacific Ocean.

Mr. F. J. Lawson reports that it was grand meeting old friends and talking of beautiful Kenora which says Mr. Lawson, "we will always have a very warm spot in our hearts."

Those present were: Mrs. R. Newcombe and daughters, Audrey and Tiny, Miss Sybil Orstad, Mr. and Mrs. Ivan Wilson, Mr. and Mrs. Fred Lawson, Mr. and Mrs. Don Jordan, Mr. and Mrs. E. Sutton, Mr. and Mrs. Harry Lacey, Mr. and Mrs. Clarence Tilley.

### CARD OF THANKS

We would like to express our heartfelt thanks and appreciation to all our friends and neighbours for the many acts of kindness, messages of sympathy and beautiful floral offerings tendered to us during our recent bereavement in the loss of our beloved wife and mother, Mrs. C. Zulesky.

Special thanks to Drs. Paton and Baker, the staff of St. Joseph's Hospital, Father Mateuszuk, the Brown Funeral Home, those who loaned cars and the pallbearers, D. Pinski, A. Hoculak, M. Marshalok, S. Kotyk, J. Panek and A. Ostrowski.

Mr. C. Zulesky and family.

### IN MEMORIAM

**KOTYK** — In loving memory of our dear son and brother F/O Alex Kotyk, who was killed overseas on February 25, 1945.

Always a thought and many a tear
For one we miss and loved so dear.
The sudden way you had to die
We shall always remember and wonder why.
To know we never said good-bye,
Will always bring regret;
But the hearts that loved you dearly
Are the ones that will never forget.

Ever remembered and sadly missed by Mother, Dad, Sister Marie and family and brother Ladyk and family.

### IN MEMORIAM

**SHERMAN** — In fond and loving memory of Flying Officer Harold Maxwell Sherman who was killed in Active Service, overseas, February 25th, 1944.

"Our Son"
Love's greatest gift -
remembrance.

Ever remembered by Dad, Mother (Fort William), and brother Mervin (Vancouver, B.C.) aunties and uncles (Toronto and Fort William.)

### IN MEMORIAM

**DERRY** — In loving memory of our dear Father and Grandfather J. Derry who passed away February 25, 1950.

Time may pass and bring its changes,
Fresh with every coming year,
But his memory will be cherished,
In the hearts that hold him dear.

Sadly missed and ever remembered by The Family.

## Couple Honored On 25th Anniversary

On Tuesday, February 16, Mr. and Mrs. T. A. Bull celebrated their 25th Wedding Anniversary. A pleasant surprise party was given in their honor by their daughter Beverly Beckett and sons Darrel and Ronald. The party was held at the home of Mr. and Mrs. Harold Johnson.

The happy pair were presented with a silver ash tray stand, a gift from the family and a little tree gaily decorated with silver dollars. Beverley Beckett pinned a lovely corsage of a yellow rose and white mums, on her mother and a boutonneire on her father, she then proposed a toast to which Mr. Bull ably responded.

After the presentations the happy couple cut the beautifully decorated cake. Dancing commenced and later in the evening a delicious lunch was served to some thirty guests. A good time was had by all.

She waited at the corner, joyously — then pensively — then expectantly — then casually — then anxiously — an hour passed. "Man," she said, "is a brute, faithless and untrue, incapable of keeping a promise."

Two hundred yards down the street he said the same thing about women. She was at the wrong corner.

In a crowded cinema a young woman brushed past a man about to take a seat. Before he recovered his balance the young woman and her husband had taken the only two seats available in that part of the cinema.

"Sorry," said the husband; "we just beat you."

"That's O.K.' said the man who had been pushed out. "I hope you and your mother enjoy the show."

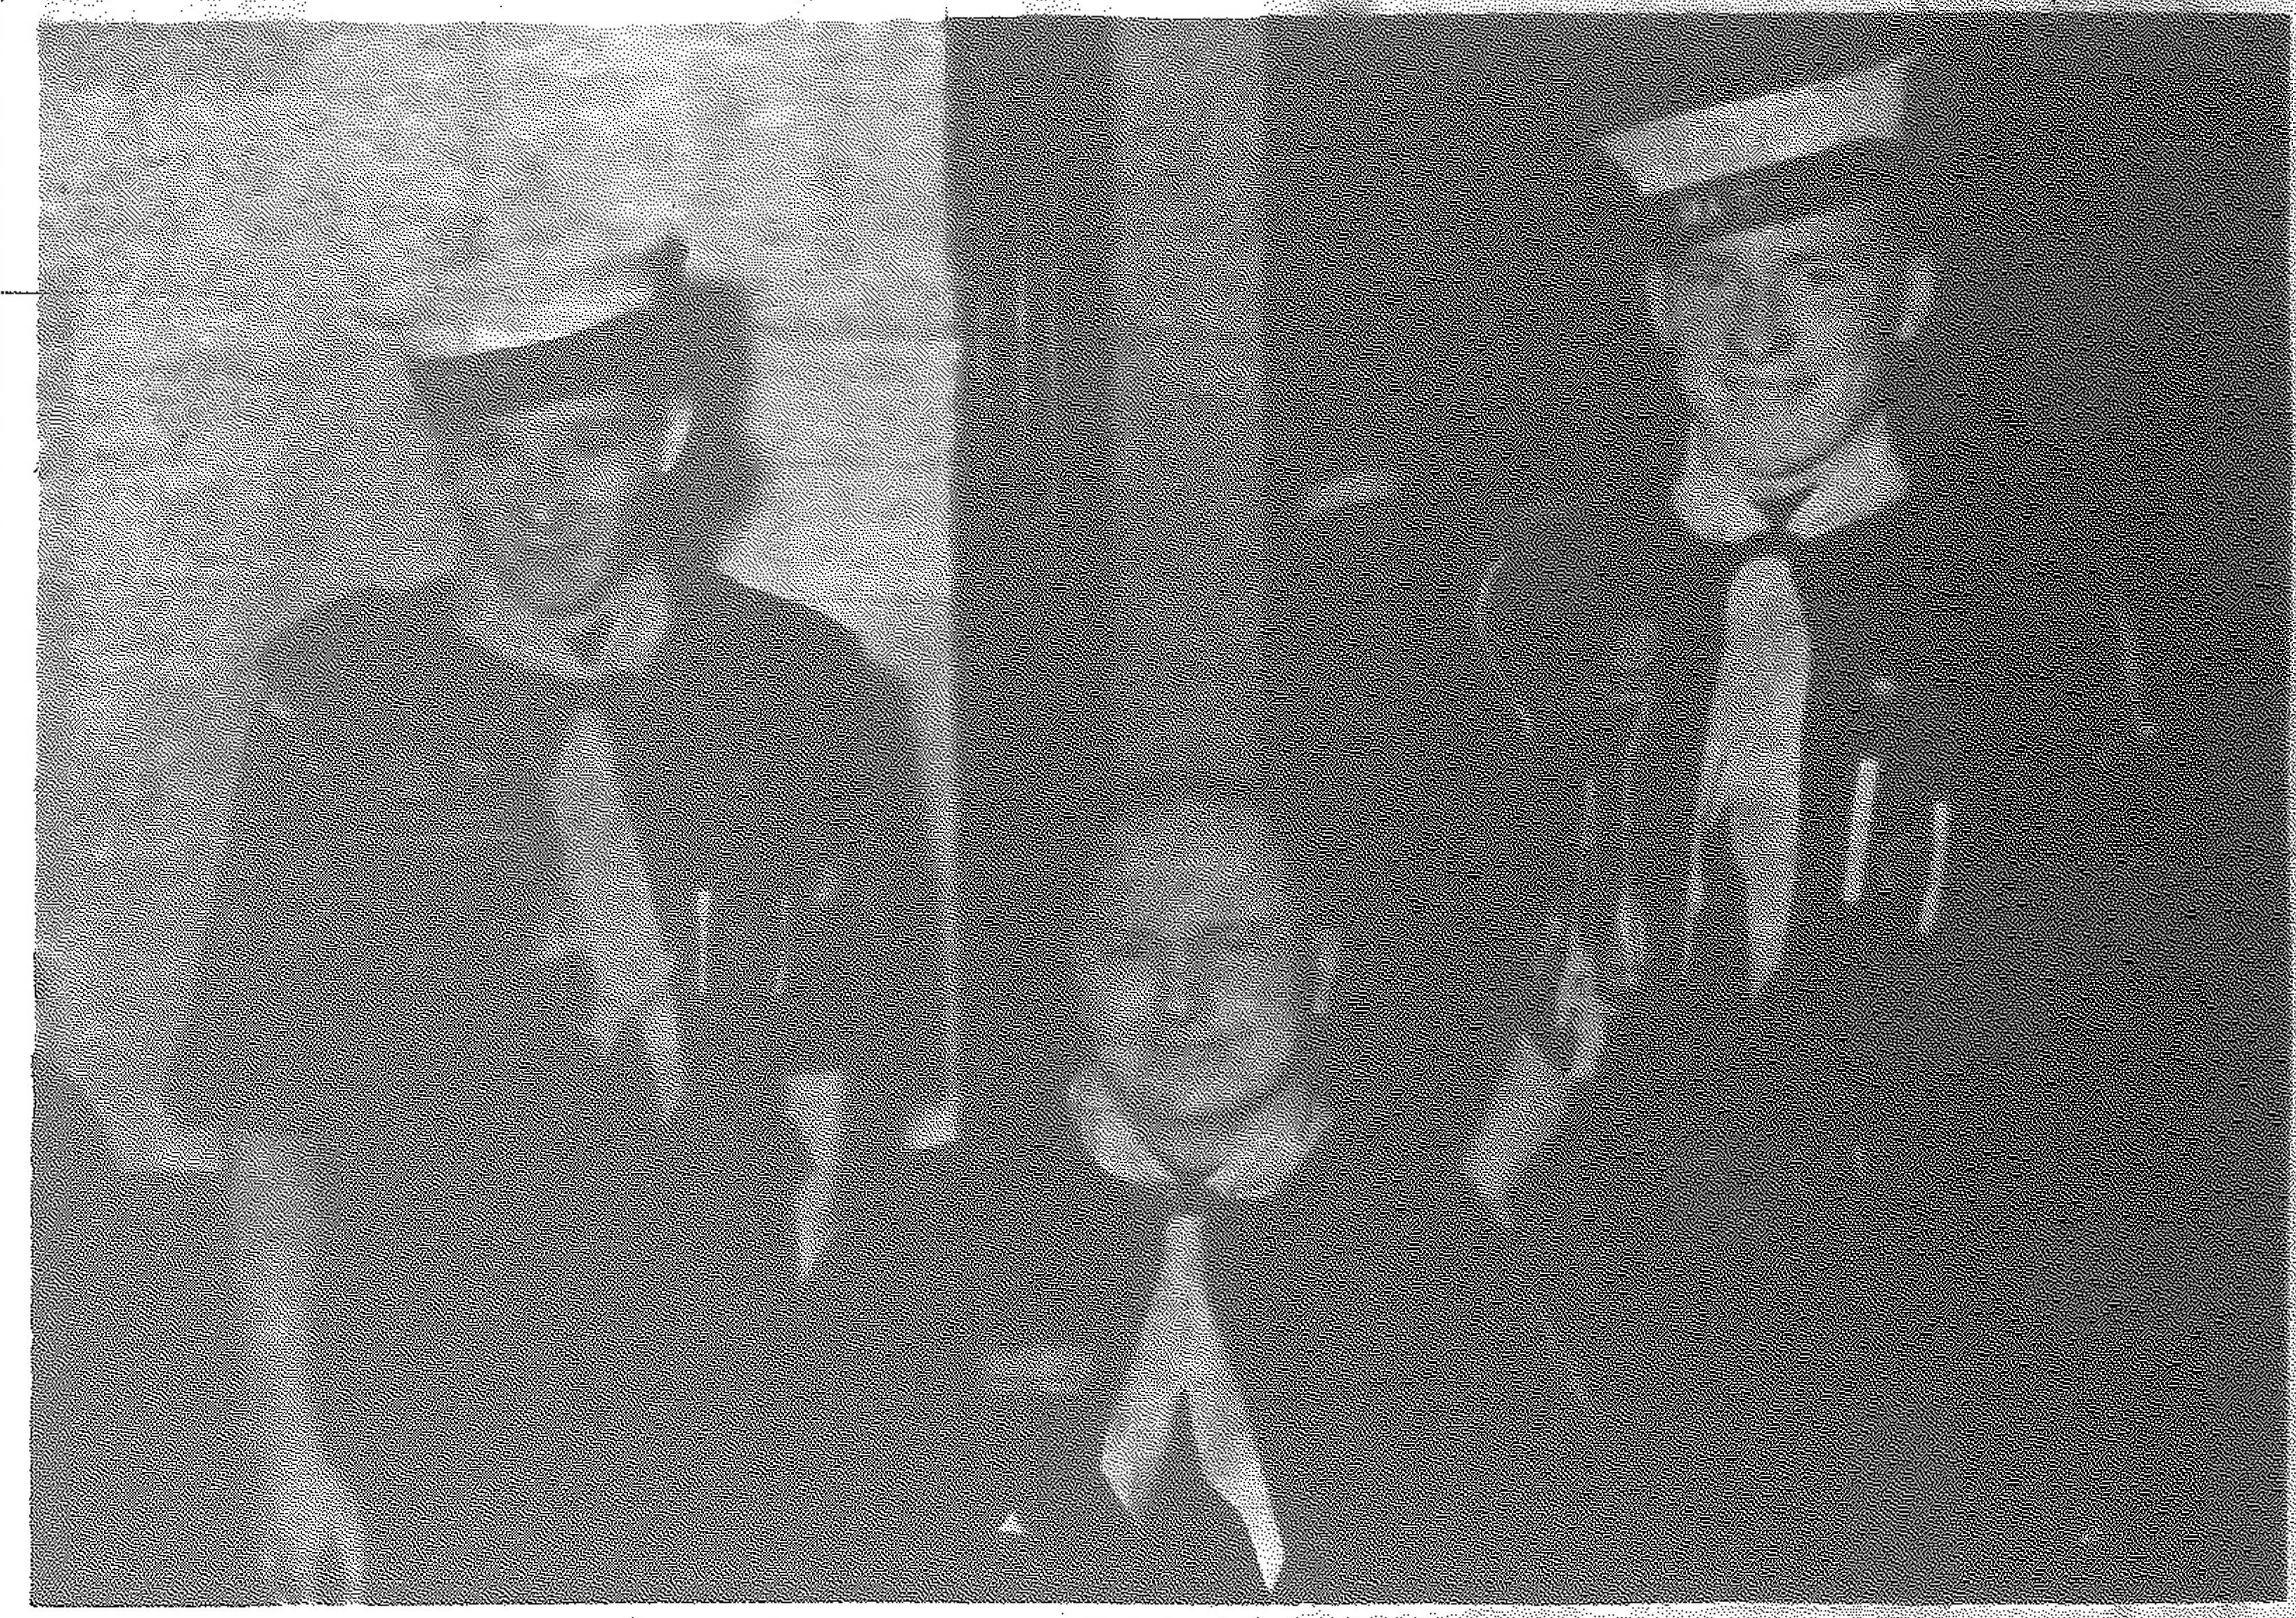
A woman reported the disappearance of her husband to the police. "Is there any message you wish us to give him in case we find him?" she was asked.

"Yes", she said. "Tell him Mother didn't come after all."



Rolly and Terry Wickstrom were honored last evening at the Boy Scout banquet when they were presented with their Queen Scout badges by Scouter Harold Whiteman (centre) assisted by A. D. C. Wingfield. Scouter Whiteman is to receive the Badge of Merit, sometime in March. The award was announced by the Governor-General of Canada Rt. Hon. Vincent Massey on the occasion of the anniversary of the birthday of Lord Baden-Powell.

Corporal Theodore G. Onarheim, 27, of Kenora, Ont., who was recently commended by Her Majesty the Queen for his action in helping rescue the pilot of a burning Sabre jet at RCAF Station Chatham, N.B., in August, 1957. The commendation reads, in part: "the courage and unselfishness displayed . . . and the complete disregard for . . . personal safety in this hazardous operation are worthy of recognition." Cpl. Onarheim has been a member of the RCAF since 1951, and has served at Chatham since 1955 as an aero-engine technician.
