Manitoba Tourist Assoc. Urges Liquor Outlets At Resorts

The Manitoba Tourist Association went on record recently favoring establishment of legal liquor outlets in resort areas, particularly on government-leased land in the Whiteshell, at Clear Lake, and in Northern Manitoba.

A resolution, passed unanimously with almost no discussion, suggested that motels or fishing camps of suitable standards be considered as liquor outlets. It also asked that sale of package liquor goods, as well as glass sales, be considered.

The resolution said motel and camp operators were interested in the legal use of liquor and believed licensed outlets would solve present problems.

Another resolution called for more game guardians in the Whiteshell, or a relocation of game preserve headquarters. It suggested the Ontario government be asked to establish a small reserve opposite the Manitoba sanctuary to limit the number of Ontario hunters who shoot game on the Manitoba side of the border and then take it back to Ontario.

Peter Hughes of Kenora told

the convention there was little hope that Ontario would consider establishing such a reserve since the lands and forests department was considering closing several present reserves since it does not think sanctuaries serve the purpose for which they were designed.

"Why," Mr. Hughes said, "we would be ashamed to shoot deer the size of those in the Whiteshell. There is so much overpopulation there, that they are all migrants."

ORIGIN OF PLACE NAMES

Last week Mr. Frank E. Sider, District Forester, Department of Lands and Forests at Kenora reported about the unnamed lake. Several inquiries have since been received about the naming of geographic features, and how these names come to appear on maps.

It seems that place names usually become established by the usage of the people living and travelling in the vicinity. Later when maps are being prepared the map maker uses the local names. That is why we have so many Trout lakes and Island lakes and Pine lakes, and why it is sometimes necessary to change those names to prevent confusion.

Sometimes the purchaser of an island wishes to give it a name, or an organization wishes to honour one of its members by naming a geographic feature after him. In such cases if the feature does not have a name, the usual procedure is to contact the Department of Lands and Forests, Surveys Branch. If it is a small feature it is entered in the official records and used on the Department's maps, if the scale permits. Little more is necessary in establishing the name. If the feature is large or a change in

name is contemplated, the proposed name should be forwarded to the Geographic Board of Canada at Ottawa where it will be considered. If considered favourably it will then appear in the official Geographic Board Reports sometime in the near future.

Two rather popular lakes in the District are Trout Lake - Gidley Township and Trout Lake in Coyle Township on the East Highway. It would be interesting to learn the reaction of property owners on each of those lakes towards changing the name of one of them, and what the proposed new name should be.

Your Telephone System

Why The New "5 - Number" System

A question being asked by many telephone subscribers in Kenora is "Why is it necessary to change telephone numbers from straight figures to a combination of letters and figures?"

The answer, say Kenora Telephone system officials, is one that involves the future of telephone communication and concerns not only those people in Kenora whose numbers are to be changed in June, but millions of other subscribers throughout Canada and the United States.

Telephone systems all over the continent are co-operating in a vast plan having for its ultimate objective the possibility of permitting any subscriber, anywhere in North America, to dial directly any other subscriber without the present necessity of asking an operator to put the call through. A step in the direction of this objective is "operator distance dialing," already in use in Kenora and in many parts of Canada and the United States. In operator

Mrs. D. McLeod Called To Rest Wednesday Night

Dorothy Mabel McLeod, widow of the late John McLeod was called to rest at her late residence, 424 - Second Street South, late Wednesday evening, February 25, following a lengthy illness. Born in Elmwood, Indiana, U.S.A., January 4th 1892, she was in her 67th year.

She received her education in Elmwood and came to Canada and Stener, Sask., in 1910. In 1935 she came to Kenora. She was a member of the Presbyterian Church and the Women's Missionary Society and Ladies Aid of her church. She was also a member of the Orange Lodge and the Rideout Women's Institute.

Predeceased by her husband on November 23rd, 1953, she is survived by one son Donald C. Camp, Petawawa, Ontario; four daughters, Edna of Kenora, Mrs. Frank (Agnes) Conkey of Scarborough, Ont., Mrs. Ron (Ruth) Mablesen of Kenora and Mrs. Selby (Cathie) Martin of Toronto; three sisters Mrs. John Seegers of Stockton, Calif., Mrs. William Flowers of Elmwood Indiana, and Mrs. Ray Stunkard of Tipton, Indiana and one brother Mr. E. Davis of Elmwood Indiana.

Funeral services will be held in the Chapel of the Brown Funeral Home on Saturday afternoon, February 28th at two o'clock. Rev. J. D. Marnock will officiate and interment will be in the family plot, Lake of the Woods Cemetery.

NO INCREASE IN TAXES IN ONTARIO BUDGET

BUDGET STATEMENT OF THE HONOURABLE JAMES N. ALLAN TREASURER OF THE PROVINCE OF ONTARIO WEDNESDAY, FEBRUARY 25TH 1953

An interim surplus on ordinary account of \$590,000 is estimated for the fiscal year 1953-54 after providing \$87.3 million for sinking funds, highway construction accounts, and for financing, in part, capital disbursements on highways and public works. Net ordinary and capital expenditures in 1953-54 are estimated at \$25.0 million, including \$62.9 million for sinking funds and highway construction account.

We are budgeting in 1953-54 for our seventeenth consecutive surplus on ordinary account - estimated to total \$259,000 after providing \$18.1 million for sinking funds and \$15.0 million for highway construction account. Net ordinary and capital expenditures for 1953-54 are forecast at \$25.7 million - an increase of \$6.7 million over 1952-53.

Net ordinary revenue is estimated at \$24.8 million in 1953-54 and \$23.7 million in 1952-53, an increase of \$1.1 million.

There will be no new taxes and no increase in tax rates. On the contrary, The Succession Duty Act will be amended to provide higher exemptions for widows, infirm husbands, and dependent children. There will also be an improvement in the exemptions for collateralists.

Special grants and payments totalling \$12,442,000 are being provided this year. The major grants are: \$5 million for public hospitals; \$5 million for municipal winter works programs to stimulate employment; \$1 million each for the Teachers' Superannuation Fund and the Public Service Superannuation Fund; \$150,000 for the Ontario Heart Foundation; and \$147,000 for the Toronto Rehabilitation Institute.

Provincial assistance to municipalities, school boards and asso-

ciated local agencies is being raised by \$35 million from \$275 million in 1952-53 to \$310 million in 1953-54. The Provincial contribution now represents 44 per cent of our total revenue, as compared with 18 per cent in 1942-43.

The Ontario Government's expenditure on education totals \$176.9 million in 1952-53. In the coming year, it will rise to \$202.4 million, an increase of \$25.5 million. It has climbed in the last five years by no less than \$111

(Continued on page 8)

Kenneth Ames Has Leg Broken In Sliding Accident

Eleven year old Kenneth Ames of 311 Trojan Avenue, Kenora is in the General Hospital suffering from a broken left leg which, he received, when he was in collision with a three-ton truck operated by Peter Friesen.

Police report that the accident occurred on Tuesday evening shortly after eight o'clock when Mr. Friesen was driving his truck north on Mikado Avenue and turning into 13th Street North. Police state that children were playing on the road and as the truck went by, Young Kenneth slid by on a skieater, collided with the truck, the back wheel going over his leg. He was taken to hospital by ambulance where he was treated by Dr. H. F. King, where his leg was found to be broken between the knee and hip.

For readers' information, a "skieater" as a 16 to 18 inch long aluminum ski, approximately six inches wide, and equipped with straps for both feet. It may be used as a ski or a sleigh.

Earlier the same day two cars, owned by L. Bradley and W. Loudon were extensively damaged in a collision which occurred at the intersection of Ninth Street north and Mellick Avenue.

COLORING CONTEST WINNERS

The following are the winners of the first Easter Coloring Contest.

FIRST PRIZE - Sweater from Zeal and Gold, valued at \$5.00 won by 10 year old Carolyn Matyrew of 1124 Eighth Street North. Carolyn enclosed a sales slip from Acme Cleaners.

SECOND PRIZE - Two Books of Paramount Theatre Tickets won by 11 year old Judy Hager of 13 Pump Avenue. Judy's sales slip was from Zeal and Gold.

THIRD PRIZE - One Book of Paramount Theatre Tickets won by seven year old Wayne Prysnuik, R.R. 2, Kenora. Wayne enclosed a sales slip from Acme Cleaners.

The picture to be colored for the second week's contest will be published Saturday in the Kenora Miner and News. Boys and girls aged five to twelve are eligible to enter, but each entry must be accompanied by a sales slip from one of the participating merchants.

THISTLES WIN THIRD GAME OF FINALS, 6-5

The old saying, "If at first you don't succeed, keep trying," paid off for the Kenora Thistles last night as they squeaked by the Warroad Lakers six-five in the third game of the Morris Crawford Trophy series for the Ontario-Minnesota Hockey League championship. The Thistle win now sends the fourth and fifth games to Warroad, the fourth Sunday night and the fifth, if necessary, next Wednesday night.

The first period ended in a one all tie, Kenora moved ahead

five - two at the finish of the middle frame, Chuck Lumsden scored three for the Lakers in the third period to Kenora's one, but they couldn't score the equalizer and with a minute and fifteen seconds left in the game, they pulled goaltender Sugar Jim Henry, in favour of the extra man. They managed four faceoffs in the Kenora end, but the Thistle machine stood the brunt of the powerful Warroad attack, to block everything they could muster.

Hardworking defenceman Dennis Lambert headed the Thistle marksmen with two goals. Bill Pochailo, Sam Robertson, Frank Leroux and Merv Dubchuk rounded out the Red and White scoring. Lumsden, who keeps humming to himself "It's a lonesome old town" scored four of the Laker goals, their fifth garnered by Del Hedlund.

It's expected that Frankie Leroux whose knee gave out on him in the third period, may be lost to the Rayner men for over a week.

Trophies were presented to two Warroad Players at the end of the second period, Sammy Crawford received the C.F.R.L. Rookie of the Year Award and Sugar Jim Henry the Zeal and Gold Trophy as the outstanding goaltender in League play.

Last night's three chaps in the red caps as chosen by Bob Goddard and Emil Uhrnyuk of Kenora, Sam Robertson and Dennis Lambert, Kenora and Chuck Lumsden of the Lakers.

- Kenora 6 — Warroad 5
- 1st Period
 3:22 Warroad - Lumsden (Balagus, Guibault)
 12:42 - Kenora Pochailo (Kachanowski)

 12:50 Warroad Lumsden (Fedoruk)
- Penalties Kenora 7 Warroad 7
 Referees Frank Richards and Gord Peterson of Kenora.

McMillan was the coach for Norman. Following the last game all were treated to refreshments and pleasant entertainment held at the club house.

The executive of the Norman Community Club have announced that a carnival complete with prizes for best costumes will be held on Sunday, March 1st. In the afternoon, the carnival will be for children up to thirteen years, and in the evening for teenagers and adults.

DARTS

Last night at the Armouries, Keewatin Legion put on the pressure and took over first place in the league, handing over the cellar position to their hosts. High scorer for the night was Jack Verral with 140. Jack is also now tied with Norm White for high score of the season (20 for 1).

LEAGUE STANDINGS
 Keewatin Legion - 111 pts
 Kenora Legion - 109½ pts
 Sgts Mess - 103½ pts
 See you next week fellows - Kenora Legion 8:30 p.m.

Off the Cuff
 by Rick Hunt

"But what good came of it at last?"
 Quoth little Peterkin.
 "Why that I cannot tell," said he
 "But 't was a famous victory."
 —Southey

The Turning Point
 Of Warroad's Tide . . .
 Determination plus six goals paved the way for the Kenora Thistles' first Ontario-Minnesota Hockey League final series victory against the Warroad Lakers. This was the showdown game. It did not mean the championship for the Thistles, but it proved that the Warroad Lakers can be beaten. They are no colossal giants in the hearts of the Kenora Thistle players. They are humans . . . these Warroad Lakers . . . the Thistles were given the tools, which were simply spirit and fight, and they finished the job. Kenora Thistles 6 - Warroad 5. A victory that the Thistles were wanting all season against a pretty fair team from the south. The Thistles were ambitious in this game for victory. The first period started like all other Kenora Thistles-Warroad

Lakers first periods. Warroad's Chuck Lumsden scored, for the crowd's pleasure, and later on, Bill Pochailo, tied the game for the hometowners. But the second period was different. The Thistles racked up four goals in this rather Thistle period.

Charlie Rayner began to whistle the Thistle Grenadier song when Sam Robertson, Frankie Leroux and Dennis Lambert scored back-to-back goals at the Kenora high-point in the second period.

One fan even started singing the words, "Give a row, row, row, row, row, row, for the Thistle

When the locals jumped the 4-1 at this time the fans in the Thistle Rink were stirred to their highest emotions. They reason to be. The butcher cutting deep into visiting fans. When Del Hedlund scored the winning goal, his goal was unnoticed to the majority who were still enjoying mass hysteria. It wasn't much of a Warroad in the second period, cause seconds later, Stubby Dubchuk had the Thistles back in front with their three goal margin, 5-2.

Norman Stages Hockey On Parade

"Hockey on Parade," staged by the recreation committee of the Norman Community Club, Sunday proved to be an outstanding success. With so many youngsters of the Norman area actively engaged in hockey, this evening was planned especially for them.

Games commenced at seven o'clock and were of one hour duration. Two pee wee teams, both from Norman, battled it out with the Pitts team winning.

In the Bantam section, Pitts Norman team defeated the team from Keewatin. Coach for Norman was Ross Booth. The Norman midgets made it an all Norman night when they defeated the Keewatin midgets. Buddy

Off the Cuff

(Continued from Page 2)

Then the intermission. It was being discussed at this time in the game, by the gallery's critics, that the Thistles were in the habit of losing to the Warroad Lakers in the third period; especially in the final ten minutes. Jim Morgan, brother to Ron and part time Thistle himself, told the members of the gallery what Charlie Rayner had told the boys before the game... "Let's show them that they can't win every game."

Still the bets were made that the Lakers would rule supreme by the end of the game, and that was logic.

The third period began - without the usual Warroad bang... but some of the power was still there. Lumsden scored his second goal to make the score 5-3... worry, worry, worry...

The most penalized player in the League was C. Gallant of Red Rock with 114 minutes. Runner-up was H. Manilla of Nipigon with 87 minutes. The most penalized team was Nipigon with 351 minutes.

then Lumsden scored his third goal of the game to make the score 5-4... sorry worry, more worry, more worry... Relief when Dennis Lambert's second goal sailed past Sugar Jim Henry.

However, the victory wasn't too tightly sealed up in the bag. Chuck Lumsden, Kenora's friend, turned on the pressure to score another goal for the Lakers to have the score read 6-5.

Then Eddie Devins and Gord Pennell broke the action with their fight commercial... which resulted in nothing.

After they returned to the ice with a few minutes remaining in the contest the heat of the action was in Kenora's end. Alie Reynard kicked out plenty of rubber and was forcing continuous face-offs.

One minute pow remained. The Thistles received a minor penalty and the Lakers sprung Jim Henry from his cage. Six attackers in the Thistles' domain against four defenders. Whistle... the Lakers bottled themselves up and couldn't get a clear shot at Reynard... Dubchuk shoots the puck down the ice... Whistle and the last face-off. Lambert and Balagus face each other. Lambert clears the puck from the face-off to back of Kenora's net... someone shoots it down the boards... fan jumps on the ice... Bell sounds... Fans scream... Pandemonium.

One thing was sure, the Thistles finally turned Warroad's winning tide into a losing tide. MINORS: The Lake of the Woods Indians defeated the Jaycees 13-4 to take a one game lead in their best of three semi-final series in the Juvenile Hockey League... Vern Mainville, this year's Butch Courcheene, scored four goals for the winners... Lind & Nel defeated Wilf Moore's IOOF team 3-0 in their first semi-final Bantam 'A' game... Co-Op trounced the Norman team 11-1 in their first Bantam 'A' game also... Both are best of three semi-finals... Legion lead Keewatin one game to nothing in their Juvenile semi-final series... Watch for OFF THE CUFF'S Minor League All-Star teams:

SEEKING SCOTCH IN 59 VARIETIES
London - Wanted: A Scotsman with a good palate and a deep thirst.
Duties: To find 59 varieties of scotch whisky.
The stuff is wanted by a regiment called the London Scottish, a national guard unit.
They are throwing a party to mark the regiment's 100th anniversary and - because the unit was founded in 1859 - they want 59 kinds of everything at the shindig.
So far they've been able to find 59 kinds of cocktails and 400 kinds of appetizers. Still lacking are the requisite varieties of scotch.

Mount Carmel H-S Discuss Education With School Board

The regular monthly meeting of the Mount Carmel Home and School Association was held in the Notre Dame Parish Hall on Wednesday evening, February 25th. This was the Education Program, and was prepared by Mr. J. V. Cortens, Education Committee Chairman.

Following the business of the meeting, the Chairman introduced two former Mount Carmel School Pupils, Bill White and Gary Lemay. Gary Lemay graduated from Mount Carmel School in 1957, having been trained in public speaking by Rev. Sister Alphonse. Gary won the Junior Boys Oratorical Contest held recently at the Kenora High School and favoured the meeting with his prize winning speech entitled "Forestry". Bill White graduated from Mount Carmel School in 1956, and had also been trained in public speaking by Rev. Sister Alphonse. Bill won the Junior Boys Oratorical contest at the High School in 1958, and this year won the Senior Boys-Oratorical Contest. Bill gave his prize winning speech entitled "Labour Unions" - Good or Bad. These two boys received the congratulations of the Association for the fine work they are doing, and were thanked for coming out and letting us hear them, by Mrs. M. L.

Roy, on behalf of the Association. A Panel Discussion featuring members of the Mount Carmel School Board followed, with Mr. J. V. Cortens, Education Committee Chairman, being chairman of the panel and asking the questions. The following members of the School Board were present: Mr. Roger Prefontaine, Mr. Don Sweeney, Mr. L. Van Wallegghem, Mr. P. Plante, Mr. J. Zabloski, and the Secretary-Treasurer of the Board, Mr. E. Brin. Mr. M. L. Roy was out of town on business, and unable to attend the meeting.

Questions with regard to curriculum, taxes, school expansion, mill rates, and many others were asked the Panel who ably and clearly answered all questions put to them. Following the prepared questions, the Association members were invited to put their questions to the Board members, which they did, receiving very enlightening answers on many points.

The School Board Members were given a hearty vote of thanks on behalf of the Association Members by Mr. W. Shewchuk.

The Membership Committee Chairman Mr. W. Jones, announced that there were now 150 paid up members in the Association, and voiced a plea for more fathers to come out and take an interest in their children's education. The Attendance Prize, donated by Mr. L. Van Wallegghem, was won by Rev. Sister Alfred's room, Grade 1.

Your Telephone System

(Continued from Page 1)

distance dialing the operator takes the subscriber's request for a number in a distant community and dials that number for the calling party.

Essential to these and other new telephone developments, designed to provide faster and more efficient service is a continent-wide, standardized numbering system. It cannot be introduced in all places simultaneously, for the plans involve engineering considerations and the solution of problems often peculiar to the particular locality concerned. The undertaking must proceed step-

by-step and Kenora's initial move will be the inauguration of 2-5 numbering in Kenora in conjunction with Keewatin and Jaffray Melick offices, to be named respectively Homestead 8, Kingsdale 7, and Kingsdale 8, effective in June, the date to be announced later.

In "2-5" numbers, the first two letters and the first numeral designate the central office name and are called the "prefix". The other four numerals designate the subscriber's telephone in the central office.

Dial plates and number cards with the new numbers are presently being installed and customers are asked not to use these numbers until the conversion in June. Further releases will be published from time to time so that all telephone users will be well informed before the conversion date in June.

MEN'S CURLING Schedule

Thursday, February 26th
7 PM
W. Johnson - Dingwall
K. Johnson - Pike
D. Williams - E. Lindstrom
G. Styles - Scribilo
Fregeau - Wickstrom
9 PM
