KENORA, ONTARIO, SATURDAY, FEBRUARY 26, 1939

By Carrier — 15c per week

On February 26th, thousands of Rotarians, Lions, Kiwanians, Kinsmen and other service club members opened their annual Easter Seal campaign in their community to raise funds for crippled children of Ontario. Not only do these clubs gather the money that is needed to treat the children, but they maintain an all year interest in the children and their welfare. Here are two service club men visiting a handicapped boy who has been undergoing treatment in his community hospital. He is grateful for Easter Seal services and hopes that everyone will contribute this year. The annual campaign runs until March 29th and the provincial objective is \$800,000.

## Keewatin Home - School Assoc. Hear Festival Hi-Lites

A well attended meeting of the Keewatin Home and School Association took place on Wednesday evening, February 25th, in the Public School.

For this meeting proceedings were reversed and the programme was presented first. This consisted of Music Festival "Hi-Lites" with Mr. N. Kohuch acting as Master of Ceremonies. Three choral speaking groups and eleven soloists took part. Many had been prize winners and all displayed a high standard of talent and training. In thanking the participants, Mr. Kohuch said that every child from the school who had entered the festival was deserving of praise and thanks.

The president, Mrs. F. McLaughlin, then opened the business meeting. The minutes were adopted as read and the treasurer's report received. The President read an interesting article in relation to Founder's Day and in this connection it was again voted to send a contribution to the Curis Memorial Fund.

Education Week will take place March 1st - 7th and March 5th.

will be parents' night at the school. It is hoped that all parents will make an effort to be there in order to meet the teachers and review their children's work and to enjoy a social cup of tea afterwards.

Miss Loudon's Room IV won the attendance prize. There being no further business the meeting adjourned and a social half hour was then enjoyed.

## Memo For Education Week

1. Attend the official opening at King George VI School.
2. Hear Dr. Saunderson speak.
3. Visit the schools.
4. Hear the panel discussion on reading to be broadcasted over C.J.R.L.
5. See the art displays
6. Read the articles in the local newspapers.
7. Resolve to maintain interest in education.

Education - Everybody's Business.

The worst epidemic of an infectious disease in history was the Black Death, which took the lives of 75 million persons in Asia and Europe between 1333 and 1382.

## Pilot Cheesman Critically Injured

Ken Cheesman, veteran bush flyer and pilot and well known locally, who was injured in a plane crash Friday near Port Arthur is reported to be in critical condition in McKellar Hospital, Port William. He is reported suffering from leg and chest injuries and multiple cuts. Still in a state of shock, he is said to be resting comfortably.

The accident which occurred at approximately nine o'clock Friday morning three miles from Port Arthur, killed the three passengers, Nicholas Dyok, Fred Small and Hilding Jensen all of Port William.

Ontario Provincial Police report that the pilot, who was taking the 3 men on a fishing trip was endeavouring to get his plane back to the lake after engine trouble developed. They found the red and yellow plane on its back completely demolished. Cheesman was still in the cockpit hanging upside down with his head through the fuselage.

## Wren Seeks Loans For Tourist Improvements

Friday in Toronto, Albert Wren M.P.P. for Kenora asked the government to make loans available for improvements to tourist facilities, stating that even small loans would help the tourist industry.

He said there is no reason why loans can't be advanced to tourist resort operators in the same manner as they are advanced to farmers.

Mr. Wren made the suggest-

## OPP STATISTICS FOR JANUARY

The Ontario Provincial Police statistics for the month of January show that members of the local detachment, District 17, have had an unusually busy month. Patrolling this large district which extends from Atikokan to Rainy River and from the International Boundary to Pickle Crow requires officers to not only investigate accidents, but check vehicles, issue warnings, check defective equipment and overloading etc.

While the month of January was a dark one indeed with two highway fatalities, out of 41 reported for the province, services rendered by officers are away up for this district. For example, 1,657 vehicles were checked during January compared to 913 for the Port Arthur district and 36,343 for the whole province. 645 warnings were issued out of a total of 17,387 for the province and 913 for the Port Arthur district.

Comparative figures for the month of January are as follows:

	Province	Kenora Dist.	Port Arthur
Fatal Accidents	41	2	0
Number Killed	55	2	0
Persons Injured	598	3	19
Vehicles Checked	36,343	1,657	913
Warnings Issued	17,387	645	210
Charges Laid	5,195	134	98
Defective Equipment	643	45	6
Overweight	267	25	0
Failure to Report Accident	43	1	4
Ability Impaired	116	9	8

ions as the travel and publicity department presented its estimates for the coming fiscal year.

Travel Minister Cathcart asked one million, 770 thousand dollars for Ontario's Tourist Industry.

Mr. Wren's request for aid to tourist resort operators was supported by Liberal Leader Wintermeyer who charged that "The people who have been building up the industry have been neglected by this Government."

## Legion Auxiliary Enjoys Banquet At Keewatin

The Assembly Room at the Legion Hall was a bee hive of sounds full mirth and contentment as 80 ladies sat down to a dinner fit for the Queen. It was a delightful meal in every sense of the word even to the after dinner cigarette.

The hosts for the dinner were Comrades Ed Barnard, Ben Brodie, Dave McKie, Art Hacher, George Cameron, John Clark, Bill Forbes, Art Duke, and Carl Christianson. They were resplendent in their white shirts and served their guests gallantly. After dinner the ladies retired to watch TV, and enjoyed a "buzz session" while the Hall was being cleared for the regular meeting. Mrs. Amy Walsh was the honored guest. A vote of thanks was extended to Mrs. Jackie Clarke who was the convener of the dinner.

The regular meeting was opened with President Mary Forbes presiding. Many cards and letters of thanks were read thanking the ladies for the flowers, fruit, donations and a gift of appreciation. Reports were read concerning the trip to Dryden, where many of the ladies went by bus to attend the opening of the new Legion Hall. There was nothing but praise for the new building and the wonderful reception the group received. President Ben Brodie presented one of the four standing Smoking Stands. The remaining three will be sent as soon as they are received from the factory. A report was read from the Scholarship Committee.

## Rideout Institute Marks Anniversary

The Rideout Women's Institute celebrated their 31st anniversary by attending a banquet held at the Kenwood Hotel on Tuesday February 23rd. After the banquet the members adjourned to the home of Mrs. Green where the regular meeting was held.

Mrs. Symonds, the president, presided and opened the meeting with the Institute Ode following which all repeated the Lord's Prayer. The members received a great deal of information from the roll call which was answered with a household hint.

After a short business session, Mrs. W. Allan gave an interesting account of the highlights of the music festival. Mrs. C. Jardine was appointed to attend the Officers College to be held at Guelph, May 7th and 8th. Mrs.

## Fish Processing Plant For Lake Of Woods Area

TORONTO — The Ontario government plans to permit controlled commercial development in half of the Great Patricia Bay district, closed to travel for the last decade.

Lands and Forests Minister Spooner Monday told the legislature's lands and forests committee the plan will assure that vast sections of the northland won't be closed off by proposed wilderness areas.

Mr. Spooner said reopening of half of the Patricia district, stretching from the provinces western boundary to Hudson and James Bay above the CNR railway line, will be for the benefit of Indian bands and white settlers.

## LAWN BOWLING

"Hi" members, friends, and neighbors. Thank you God for spring again. Green grass coming up. Daffodils that guard their gold, sunlight in a cup. What color is grass under snow? Invisible green did you say, well it will soon be visible green. Have you planned for your 1959 vacation. I hope not as we have a wonderful trip all planned for you. First a funny story. The fat man and his wife were returning to their seats in the theatre after intermission. "Did I step on your toes as I went out?" he asked a man at the end of the row. "You did," replied the other grimly, expecting an apology. The fat man turned to his wife, "all right Mary," he said, "this is our row." Well no one is go-

**Dr. Irvin Baker  
Former Keewatin  
Resident, Passes**

A former well known Keewatin resident Dr. Irvin Baker, M.D. of Springfield, Ontario passed away at the Memorial Hospital, St. Thomas on Friday evening, February 20th after a long illness in his eighty-ninth year. He had been in hospital since last summer.

Dr. Baker was born in South Dorchester Township, a son of the late Isaac and Nancy (Hall) Baker, and attended the Springfield Public and Aylmer High Schools going on to teach County schools in Elgin County for a number of years.

He then attended Trinity College Medical School in Toronto graduating in 1899. After serving a year's internship at the old Toronto General Hospital.

He then was in partnership with Dr. W. J. Beatty and practised for 17 years in Keewatin, Ontario.

Returning to Springfield in 1921 Dr. Baker relinquished active practise and made his home with his sister the late Mrs. George Stewart.  
He was a member of St. John's

United Church and of Malahide Lodge No. 140 AF and AM, Aylmer Chapter No. 81 R.A.M. King Edward Preceptory No. 24, Lodges of Perfection 14th Degree, Rose Croix, 18th Degree, A and ASR, Moore Consistory, 32nd Degree, S.P.R.S. Mocha Temple, London, A. A.O.N.M.S. and Minnetonka Lodge No. 292, Keewatin.

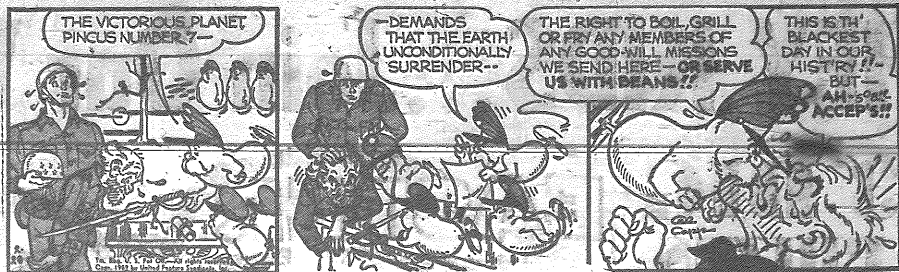

Dr. Baker was the last of the Baker family pioneers in South Dorchester and only brother of the late Dr. Milton Baker who died in 1906. His only sister Mrs. Marion (Baker) Stewart died here in 1937. Her husband George Stewart died here in 1941. He is survived by his nephew Dr. John Hall Stewart of Cleveland, Ohio, professor of history at Cleveland University.

The funeral service was held on Monday, February 22nd at 2:30 p.m. and was conducted by Rev. George A. Shields of St. John's United Church. Interment was made in Aylmer Cemetery.

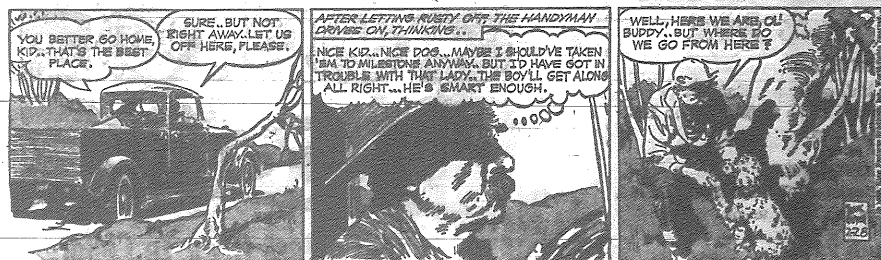

Employment in Canada's manufacturing industry averaged about 1,300,000 during 1958; peak employment for the industry, achieved during 1957, has been about 1,390,000.

Over 80% of all food firms doing business in Canada will have made new high sales figures for 1958.

### EDUCATION EVERYBODY'S BUSINESS

Ian F. McRae, President of the Canadian Manufacturers' Association has released the following statement for the opening of National Education Week, March 1 to 7.

Intelligent Canadians even though their thinking on the subject at most times may be less than acute, know that the countries progressing fastest in this competitive, mechanistic age are those placing a higher and higher value on the education of their youth.

They realize, too, that their vaunted living levels are inextricably bound up with their educational standards and that, if they are to continue to compete in a world where once-backward races are putting the highest of premiums on education, they will have to invest far more heavily than ever before in their educational resources.

Unfortunately, their knowledge of these facts has been depressed by lengthy spells of complacency.

Occasionally, they awaken - as, for instance, they did a couple of years ago when it was brought home with frightening force that Russia had not only passed this continent in the graduation of scientists and technicians, but

was using this mass output of brainpower not only to challenge the industrial power of the west, but to distinct advantage in the battle for the minds of uncommitted nations.

Generally speaking, however, they have not consciously and continuously cared enough about either the pressing educational needs of the moment or the undoubtedly larger needs of tomorrow.

Education Week, which has been observed in Canada now for 23 years, does a splendid job each March in stimulating public interest in the primary and secondary schools. I suggest, however, that the spotlight which is turned on education and its contribution to Canadian life for this annual period of seven days should not be allowed to flicker out when the allotted week is ended.

Canadians are faced with a crisis in education, a crisis that is being compounded by the swiftness with which the population is growing. There simply are not enough schools, colleges and universities and even if the money were forthcoming for their immediate construction, there are not enough qualified teachers to handle the hordes of children which must be educated.

What's more, the problem is not one that can be solved by money alone. The finest of schools and the best of teachers are only one part of the answer. The adults of Canada and the parents of young Canadians must reassess their social priorities and bestow on education the ranking to which it is entitled.

Education Week, which is being marked this year in all ten provinces during the period of March 1 - 7, is a good time to take stock not only of Canada's educational needs, but the individual and national attitude towards them.

### Fort Frances Defers Action On Sewer Project

Fort Frances—The Fort Frances town council approved over \$25,000 in expenses on a \$230,000 sewage project, then considered shelving the whole affair.

Mayor J. T. Livingstone warned the council the construction of a sewage disposal plant and associated plans would hike the municipal tax rate by 25 per cent. He anticipated a 10 to 20-mill increase in local taxes, and asked that the project be deferred.

Earlier, however, purchase of a river bank site for \$20,435 was approved, along with a \$5,000 advance to Wardrop and Associates, lakehead engineers who submitted plans for the improvement. The 1958 council had taken a \$2,000 option on the property owned by Ed Flinders, so the present council picked up the op-

tion for an additional \$18,425.

One councillor, Otto Dalman, said the project would probably cost no less to build if put off for five years. Councillor Ted Gladu suggested the ratepayers be given opportunity to express their preference for the plans.

Mayor Livingstone said the provincial government should be asked to bear the "tremendous" expense until municipalities are ready to assume their share. He referred to a letter from a provincial commission on water pollution. The town of Fort Frances presently empties its sewers into Rainy River.

will have more to say on this at our spring meeting, just thought I would let you know I have outwitted the winter, and stand ready to spot anyone ten points and take 'em. Do you know what an insomniac is? Well he is a guy or she is a guesser who keeps sheep jumping over a fence all night just because he or she can't sleep. "OH" yes we will not serve doughnuts and coffee this coming summer, we are going to serve "HALO DIPS."

So long for now, be seeing you all soon.

**PERMANENT POSITION FOR KENORA MAN**

Here's one of the finest opportunities offered to a man over 45 who wishes to make a permanent connection with a major company whose solid and steady growth now demands the services of an additional man for the Kenora area.

This is not a "here today, gone tomorrow" proposition. There's no doubt about our future. Our business will probably double and redouble in the next decade. The man we want is 45 to 55, neat, conscientious, owns a car and can take short trips to the surrounding area.

Earnings are open, depending on ability, but we consider this opening to be worth

**UP TO \$14,500.00 IN A YEAR**

This is a full-time job . . . it pays mighty well. It is stimulating and filled with big rewards for honest effort, including a profit sharing retirement plan, generous bonus incentives, free life insurance, hospitalization insurance and, above all, liberal earning checks mailed weekly in advance.

If you think you are our man, please contact R. R. Swallow, President, P.O. Box 789, Fort Worth 1, Texas.

### FALCON BEACH TO GET MODERN MOTEL

The Whiteshell Forest Reserve this summer will boast a \$100,000 motel now being constructed in the Falcon Beach, Ontario, and scheduled for a May opening.

The 20-unit motel will have a large lounge and adjoining dining room. It is centrally located in the townsite overlooking the public beach and adjacent to the town shopping centre.

Individual units are equipped with private bathrooms, contemporary interior furnishings, individual gas heating, cross-ventilation and large windows facing the lake.

A front asphalt-topped parking lot will handle 35 cars with electric plugs for 20 units.

Motel owner is M. Manchulenko of Falcon Beach. Roy M. Lev of Winnipeg is the architect. Contractor is John Benstead of Winnipeg.

Mexico first university exclusively for women students was opened in 1943.

### Fish Processing Plant For Lake

(Continued from Page 1)

can be established in the north-western section around Lake of the Woods, and Lac Seul, where commercial fishing was under way for whitefish, sturgeon, lake trout and pickerel.

Albert Wren (L-Kenora) asked for air strips in the region and access roads connecting them to waterways. He also called for a marketing plan for fur trappers similar to agricultural schemes in Southern Ontario.

### APPROVE CHANGES

The committee approved an amendment to the Forestry Act

for government interest - free loans to conservation authorities for acquisition of land for reforestation.

Approval was also given to an amendment to the Provincial Parks Act permitting municipalities to turn over unopened road allowances for provincial parks, plus an amendment to the Public Lands Act to prohibit sale of Crown lands so that a program of land use planning can be developed under a system of leases.

### Rideout Institute Marks

(Continued from Page 1)

Newman then read an article on the "World of Bells", taken from the Institute, "Home and Country."

Mrs. Jardine reported on the recent course, "The Third Meal" which all the members who had attended found very interesting and helpful. Members were informed that a blanket had been given to the Queen family who had lost all their belongings in a fire. Members were also asked to save all their woolsens so that more blankets could be ordered. It was announced that the next meeting would be held at the home of Mrs. Seizbel.

The meeting closed with the Queen after which the hostess served a delicious lunch.

### Legion Auxiliary Enjoys Banquet

(Continued from Page 1)

After much discussion it was voted to continue investigation into the matter. Reports were also given from the Sick Committee Chairman, and the Pinecrest Chairman. Whist Drives are expected to be resumed in March, and a favorable report was given by the Bingo Chairman. Keeping in mind the Legion's big project - a "New Legion Hall for Keewatin."

The ladies voted to present them with a cheque to be applied to the building fund.

Plans were drafted for the big Spring Party to be held on St. Patrick's Day, March 17th at the Legion Hall. All members and friends are asked to attend and enjoy an evening of fun.

Six new members, Mesdames Barbara Sobiski, Marg Ellard, Eleanor Ralph, Thelma Trist, Muriel Joseph and Ellie McLean were initiated and were heartily welcomed.

Mrs. Nonie Brooker who is leaving Keewatin to make her home in Florida was presented with a "Going Away Gift."

The meeting then adjourned. The next regular meeting will be on March 30th. All members are asked to attend the meeting. 100% attendance is the goal.
