THURSDAY AFTERNOON SESSION

CHRISTMAS EVE EVENTS RELATED TO COURT

The jury hearing a charge of murder against Thomas Young of Ear Falls was not requested to return to the Court room until 4 o'clock Thursday afternoon. Until that time the Crown and defence waged a trial within a trial as to the admission of certain evidence.

Crown Attorney T. A. O'Flaherty told the Court shortly before noon adjournment, that he was now ready to examine witnesses who were at the scene of the alleged shooting. The Crown Attorney said that these witnesses, in discussing the Fulford case would undoubtedly mention other shootings, and it was this that the Crown would like to have admitted as evidence.

The Honourable Mr. Justice Thompson told the Crown, it would have to prove the accused intended to do what he did, and that the other shootings were one transaction, leading to the slaying of Constable Fulford. The Honourable Mr. Justice Thompson made his ruling allowing the evidence shortly before 4 o'clock.

The first witness called during the afternoon was Gerald Bannatyne. He stated the accused came to his home around 5 o'clock on the afternoon of the 24th of December. He stated the accused was at his home for 20 or 25 minutes, had two drinks of

wine and he did not see him again after he left.

Defence counsel asked Mr. Bannatyne if he had had a lot to drink on the day in question, to which Bannatyne replied: "May be not too sober."

"What did you do after the accused left your house?"

"Went to bed," said witness.

"Where was your wife?"

"Under the bed," he replied.

Mr. Brett asked the witness if he was short 4 bottles the next day to which he received a negative answer. The witness said he could not remember his son David coming in, because he was in bed.

SECOND WITNESS

Christine Bannatyne wife of the first witness told the court through an Indian interpreter, that before the accused left, he "dried up the bottle". Questioned further she said it was about a tumbler full.

She said she had a few drinks throughout the day, was not drunk, but went to bed shortly after the accused left.

THIRD WITNESS

Rose Bannatyne, of Goldpines, told the court the accused arrived at her house about 8 p.m. on the 24th of December. She said she was alone at the time, and that Thomas Young stayed for about 1 hour.

She said no liquor was con-

sumed as there was none in the house. She said her husband came home "a long time" after the accused left, and also added that he was not drunk.

YOUNG'S SISTER TESTIFIES

Kathy Rutherford of Ear Falls, sister of the accused, said her brother arrived at her home between 10.30 and 11 o'clock on Christmas Eve. She said her brother was "feeling good - talking loud and laughing". She told the court the accused produced a bot-

Board Considering TV Application For Kenora Area

Ottawa—The Board of Broadcast Governors has re-opened consideration of CBC low-power television stations after receiving letters from the public urging higher power in the stations to serve more people.

The applications for English-language stations at Kenora and Trail, B.C., and French-language stations at Moncton, N.B., and St. Boniface, Man., were considered at a board meeting.

Dr. Andrew Stewart, board chairman, said the board received a large number of letters especially from the Kenora area, asking that the proposed CBC station there be located at a different spot and be required to operate at higher power to serve a number of other area communities as well.

E. L. Bushnell, acting CBC president, said it would be "a costly business" to build a stronger station with a higher antenna. Its application for the Kenora station proposed a power of 493 watts video and 247 watts audio. The station, a relay one connected to the CBC network, would serve about 20,000 persons.

To serve an additional 20,000 in the Kenora area would cost about \$160 for each potential listening family.

The CBC had a limited amount of funds for this type of relay station to serve small areas. Pressure from other areas for similar stations was high.

"If we're going to put all our eggs in one basket, there is going to be great dissatisfaction from the small baskets with no eggs" Mr. Bushnell said.

The proposed French-language CBC station at St. Boniface, with power of 2,870 watts video and 1,720 watts audio, on channel 6, would serve about 45,000 French-speaking residents of the Winnipeg-St. Boniface area.

Dryden Pupil Wins District Public Speaking Contest

District semi-finals of the Secondary schools Public Speaking Contest were held on Saturday, March 14th, in the auditorium of the King George school. Speakers were, Frederick Kelly of the St. Mary's Indian School, Kenora, who had placed first in the Public Speaking Grade 11 in the recent Music Festival and Joe Moffat of the Dryden High School.

The Dryden representative placed first and will now travel to Toronto where he will compete in the Ontario finals.

Judges for the finals were, Sister Alphonse, principal of Mount Carmel School, Kenora, Miss L. Pruess, teacher of English at the high school and Rev. R. Leighton, Minister of Knox United Church.

RELATIVES OF ACCUSED TESTIFY THIS MORNING

At the opening session of the Supreme Court at which Thomas Young is on trial for the Christmas Day slaying of Constable, C. R. Fulford, a total of six witnesses gave evidence for the Crown. The Honourable Mr. Justice Thompson is presiding. During the course of evidence given, Court heard Robert Young, grandfather of the accused tell the court his grandson Thomas Young came to his home at 11 a.m. on December 23rd, stayed all day and slept overnight.

The witness said that on the 24th he was cutting wood, and that when he returned home, he found the accused had left at 4 p.m.

Mr. Young stated that he and his wife went to bed at 9 p.m. and that at 10 p.m. the accused returned stating his intention of going to Ear Falls.

The grandfather said that he could tell his relation had been drinking. The witness returned to bed, and was awakened again later by his grandson's return.

We offered him some tea, but he went straight to bed."

"I asked him why he didn't take his boots off and he said "I won't be here long, I have done something in Ear Falls. Someone will be coming for me very soon." Later Thomas Bannatyne came to the house and asked if I knew what had happened at Ear Falls.

Bannatyne told me, "He has killed 4 people at Ear Falls may be more than 4 - your son too."

I asked Tom where he got the revolver he brought home, witness stated. He said he took it off a policeman that was shot.

The next thing I know, they are throwing tear gas, and I had to move. That is everything I know, witness concluded.

BROTHER TESTIFIES

Jimmy Young, brother of the accused was the first witness. He stated that he was at home with his father Albert on December 24th.

He testified that about 7 p.m. he, Tommy and another brother went out leaving the father alone. Dave went to Little Canada Lodge and Tommy was going to Gold-Pines. Witness went to the home of Ken Rutherford he said, staying only a few minutes and then going on to the home of

BULLETIN

At 3.15 this afternoon, the Crown rested its case against Thomas Young of Ear Falls charged with the Christmas Day shooting of OPP Constable Calvin Russell Fulford. The charge to the jury had not been given at press time but it is expected the jury will start deliberations late this afternoon.

Mando Reports Decrease In Sales For 1958

Minneapolis, Minn.—The Minnesota and Ontario Paper Company today reported consolidated net income of \$5,012,574 on net sales of \$79,868,202 for the 1958 calendar year. Company earnings were equivalent to \$1.95 per share compared to \$2.37 in 1957, when the firm's net income was \$6,094,301, including a non-recurring tax refund of \$513,926, on total net sales of \$82,019,389.

The Annual Report to shareholders by J. B. Faegre, Chairman of the Board, and Robert Faegre, President, attributed the less favourable results to generally prevailing industrial and economic conditions in the United States and Canada. The reduced volume, they noted, also reflected a work stoppage which halted production at the International Falls plant for six weeks during the summer.

"The average level of business activity was relatively good," Robert Faegre said, "but only because recovery in the latter half of the year was equally as dramatic as the decline in the first and second quarters."

"Mando's experience last year would have been better had it not been for the rising trend in manufacturing costs and static market demand. It is hoped that improved economic conditions will bring renewed progress for

PINECREST RESIDENTS TREATED TO LAUGH PROVOKING CONCERT

The residents of Pinecrest and their friends, celebrated St. Patrick's Day Wednesday night by enjoying a variety concert sponsored by the Ladies' Auxiliary to Pinecrest. Mrs. Paul Dubenski, the social convener, who planned the program, was chairman for the evening. Mr. W. Cunningham, superintendent of Pinecrest welcomed the capacity audience of residents and friends. Mr. Weg Rowson was Master of Ceremonies.

The concert was variety in every sense of the word. It was played to an audience who enjoyed every minute of it, an audience who laughed until the tears came, as they enjoyed the humour of the old English ballads. The sentimental songs sung by one of their favourite entertainers Mrs. Vi Wyder were popular too, among them was the well known "Mother McCrae" and also "Give Me The Pillow that you Dreamed on."

Mrs. J. D. McDonald opened the program dressed in a tall silk hat, black suit and white gloves, complete with cane, singing, "Give Me the Moonlight, Give Me the Girl," accompanied by Mrs. J. Shoell at the piano. This was followed by Mrs. McDonald "tap-dancing" to "Put Yours Arms Around me Honey"

and the concert was off to a fine start.

Mr. F. Bourgouin played the violin accompanied by his brother Mr. M. Bourgouin at the piano. The Bourgouin brothers were also heard in a violin duet accompanied by Mrs. J. Shoell. They were enjoyed in several selections during costume changes through the evening.

Mrs. Shiplov dressed in a Mexican hat and slacks played a violin selection. Mrs. Lodge and Mrs. McDonald were enjoyed in several comedy numbers. "In the Shade of the Old Apple Tree," "School Days," "Flanagan," "While Dancing the Irish Jig," Mrs. McDonald, Mrs. Lodge and Mrs. Shiplov appeared also in costume in "All the Nice Girls Love a Sailor." Mrs. Shiplov was costumed as the captain complete with medals and Mrs. McDonald, the gob in sailor blouse and pants while Mrs. Lodge was the girl. The steps of "The Sailor's Hornpipe" were incorporated into this number.

The three talented entertainers also appeared in a comedy skit with blackened faces, and grass skirts and carrying spears, shield and drums in a skit entitled "On A Cannibal Island"

le of wine and she and her husband had a drink with Tommy. He stayed 20 minutes, then left, leaving the wine behind. She further stated that she and her husband at 11:30 p.m. left to visit friends at Chukuni 1/2 mile away. She stated she heard 3 shots coming from the direction of the dam while they were on the trail.

During cross examination by defence counsel, she said, after Tommy left she and her husband finished the bottle of wine.

BROTHER-IN-LAW

Ken Rutherford substantiated his wife's statements and said as the accused left he wished us a "Merry Christmas" and said he was "going to look for a party".

Witness stated he also heard 3 shots as he and his wife proceeded to Chukuni.

Mr. Rutherford said that several days later he went to the home of Robert Young, to clean the house, and air out the blankets from the effects of tear gas.

It was at this time, he said, they found a full magazine for a .303 under the bed blankets. They turned it over to the Provincial Police he stated.

Defence Counsel Brett asked the witness if he had ever walked to Ear Falls from Goldpines. Rutherford said he had, the trip taking about 1 hour.

CLARA GORDON'S MOTHER

Harriett Williams of Little Canada Lodge near Ear Falls, told the court that on the evening in question they were at home. Clara and Jim Gordon, her daughter and son-in-law were also at their house.

She stated "the kids were all with us," and "we were playing the gramophone."

Shortly before ten o'clock the accused arrived she told the court. He brought a bottle of wine, but didn't drink any.

She said he stayed about 1 hour and he "might have been feeling good."

Defence counsel asked the witness what she considered drunk. Witness replied, "He would fall over."

She said she did not see the accused leave her home.

7TH WITNESS

Chris Williams substantiated his wife's evidence saying the accused drank nothing at his house, but that he himself accepted a drink from him.

He said the accused was sober. The witness, in reply to a question from the Crown, said there was a little argument, but that it didn't amount to anything.

"The lads were talking hunting." Asked if he knew what happened to the bottle of wine the witness stated that he didn't know.

In reply to a question from the defence attorney, the witness said Albert Williams was there, but left when the accused arrived.

Court adjourned at 5.15 p.m. to resume this morning at 10 a.m.

ROBBERS WERE CADS

London — John Mills, owner of a plush club in London's exclusive Mayfair area, has only one clue to the identity of thieves who raided his office—they were not gentlemen. Said Mills:

"They left the bands on when they smoked my cigars—everyone knows that a gentleman takes the band off."

The cads got away with liquor, cigarettes and cash worth several hundred dollars.

Relatives Of Accused

Testify

(Continued from Page 1)

Chris Williams, arriving about 7 p.m. He testified that from there, Jim and Clara Gordon and himself went to Ken Rutherford's and then to a restaurant. They went back to Chris Williams at 8 o'clock.

Witness said the accused arrived at 11 o'clock and stayed about half an hour and that he had a bottle of wine, and wasn't very sober.

The witness said he left the Chris Williams at 11.30 p.m. while Jim and Clara Gordon, Percy Williams and brother Dave went on to Albert Young's.

PERCY WILLIAMS EVIDENCE

Percy Williams of Little Canada Lodge near Ear Falls told the court the accused came to his house at 11.15 p.m. on December 24th. "He had a bottle of wine, 1/2 full, and I think he drank some of it there. Witness stated the accused was "a little bit drunk."

The witness stated there was an argument, when he heard the accused ask David Young, "Who's calling me a liar", Tommy slapped David, then went through

the living room, and out the front door, he said.

Percy stated that he and his father went to the door to see if they could see what direction Tom took. When they came back, David was holding his face, and Jim Gordon had his arm around him.

The witness continued that at 11.30 p.m. he along with the two Gordons, David and Jimmy Young went to Albert Young's, passing George Williams house, on the way.

David Young went in the porch, opened the door and heard him say, "I heard a gun click."

The witness stated he ran around the house, and looked in the North window.

"I saw Tommy standing in the middle of the room with a rifle in his hand."

Percy Williams stated he then ran to the bush. He saw the accused on the porch, then he heard a shot, and heard Clara scream.

He said he heard another shot, and then saw the accused coming after him. "I ran to the River, fell down, got up and ran down the shore to George Williams home, and talked to George."

18 YEAR OLD BROTHER

David Young, 18 another brother of the accused, was on the stand for nearly two hours this morning. He stated that on December 24th he left his father's house at Ear Falls and went to visit Ken and Kathy Rutherford. He went to Chris Williams' about 10 staying until 11.30.

He told the court he saw Thomas Young at this house about 11 p.m. The accused had brought a bottle about three quarters full.

The accused along with Chris and Harriett Williams had a drink he said. In replying to a question from the crown, the witness said the accused was "feeling good," and was "happy."

He told of an argument in the kitchen between Chris Williams, and the accused and that after telling his brother not to argue he went back to play the phonograph. The witness stated that Tom then came into the kitchen again and said he was going home.

David then stated he told Chris what had happened, and the group including, the two Gordons, Percy Williams, Jimmy Young and himself left the house.

He said that from there they went to the Albert Young residence arriving at 11.45.

The witness said he went onto the porch and saw Tom standing there with the rifle in his hands. At this point the witness identified the rifle in court as belonging to the accused.

"I saw him putting a magazine into it, and he put a shot in the chamber". Then I slammed the door shut, and shouted run he's got a gun.

Jim and Clara followed me, then I heard a door open. As I jumped over a bank I heard a shot, and a scream, then two more shots, some shouting, then another shot, I ran to George Williams' house, along the English River. I told him what happened. Then we headed for the police station. First we went to the office, but no one was there. We tried the hydro service station, then headed to town to find the cruiser."

The witness continued that they went to Fulford's residence, where the constable got dressed, and accompanied them to the Albert Young residence.

The witness told the court, they found the body of Jimmy Gordon by the porch.

George Williams offered to go in and he was followed by Constable Fulford. The witness said that as the door was opened Williams said "Just a minute," then a shot was fired. "I saw the flash of it coming from Tom's bed said the witness. I ran with Fulford but did not see the constable again, the witness told the court.

The witness said he then went to Frank Williams'. They went in his truck to the police station, talked with Mrs. Fulford, who called the Red Lake OPP.

The witness concluded by saying they then went back to the Hydro station to see if Constable Fulford's car was still there, and

found that it was.

Similar evidence was also given by Mrs. Mary Young, grandmother of the accused and Tom Bannatyne. The trial continues this afternoon.

PREMIER FROST "OLD SNOW"

Durham, Ont. - Politicians get blamed for a lot of things, but a six-year-old Glenelg Township school boy, who has trudged through deep snowdrifts all winter, has a new twist.

During a recent current events class one pupil showed the picture of Ontario's Premier to the class.

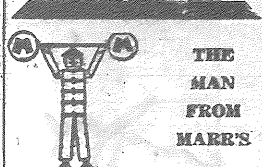

The teacher asked: "And who is Mr. Frost?"

"Oh," said the little boy in a disgusted tone, "He's our Old Snow Man."

Your Town and Mando

...Working Together with Hopes for a Solid Future

The Mando family accomplished a great deal in 1958, although the final results were not what they might have been.

As in other years, however, our operations continued to benefit the mill communities. Nearly 4,500 of us were gainfully employed in converting abundant natural resources into necessary commodities for man's use. The jobs and goods thus created benefited us individually and helped our communities grow.

Mando paid or made provisions for paying taxes amounting to \$6,907,176. In this way an important share (8.6%) of Mando's income dollar went for schools, highways and public services of all kinds.

Mando continued to provide a substantial market for the products of our forests. Our need for 600,000 cords of pulpwood helped to furnish employment for some 4,000 woods workers. The large sums paid for forest products were highly important to the economies of many neighboring communities. We continued an energetic program of forest management to develop and perpetuate our woodlands.

Thousands of others also shared our effort—our loyal customers, suppliers and some 9,900 shareowners. Our responsibilities to these partners continue too.

We have a firm foundation and ample resources on which to build a solid future. We have the intelligence, the ability and the energies to succeed. With a consistent effort to maintain the proper attitudes, and with a determination to work together in harmony, there is a good chance that future annual reports will reflect renewed progress.

—Payments to beneficiaries	\$ 184,800
Mill Visitors	6,000

SKILLED WORKMEN with plenty of experience in operating and maintaining precision machines are among Mando's greatest assets. One of every six employees has been with the Company 25 years or more.

EFFICIENT FACILITIES are essential to the success of Mando's operations under the pressure of rising costs and increasingly competitive market conditions. Capital expenditures for plant modernization and expansion at all locations totaled \$4,808,621 in 1958.

UNDERSTANDING and good will are basic to the achievement of goals which all members of the Mando family hold in common. Mill tours and other activities to keep employees and community groups fully informed on Company affairs received special attention last year.

WOODLANDS in the operating areas are managed to produce a continuing supply of timber. Mando's three mills last year used 600,000 cords of pulpwood (six million trees), the harvesting of which gave employment to 4,000 woods workers.

DAILY BEER HELPED HIM REACH 100

OTTAWA (CP) — Jim Hogan tossed back his two daily draughts, then pronounced his own how-to-be-100 recipe: "You gotta eat when you're hungry and drink when you're dry." Mr. Hogan, former Ottawa teamster who became a centenarian Sunday, does both with vigor. He makes a daily trip to the neighborhood tavern for his two daily beers, weather permitting.

Wren Praises Frost Govt.

TORONTO (CP) — An opposition member had high praise for the government Monday as the legislature gave second reading to a bill extending general welfare assistance to reserve Indians.

"I want to commend the minister for the forward-looking legislation and assure him the Indians in the north will be very grateful," said Albert Wren (L.—Kenora).

At the same time Mr. Wren asked Welfare Minister Cecile for flexible relief schedules for northern Indians. In some areas, he said, a bag of flour costs \$35 and a can of evaporated milk \$1.

Nearly 4,000,000,000 gallons of water are used in England Wales each day.

The paper mills have developed fast-growing hybrid trees.

TESTED RECIPES AND HOUSEHOLD HINTS

Here is a delicious way to cook ham slices.

- Baked Sliced Ham**
- 1 slice ham (cut 1 inch thick)
 - 2 tbsps. flour
 - 1 tsp. mustard
 - 2 tbsps. brown sugar
 - 3 tbsps. finely dashed ham fat
 - 1 cup evaporated milk

Trim most of fat from ham. Blend flour and mustard, rub into ham until all is absorbed. Place in a baking dish and add milk; mix ham fat and sugar, spread over top of slice. Bake 1 hour at 325 degrees F. Cover during latter part of baking period. Serve ham with gravy formed by milk.

Hint for Today

Whenever you are painting walls or doing other odd paint jobs, fill an empty nail-polish bottle with some of the leftover paint. When a scratch does appear, the right color paint is on hand and the small brush is just the right size for touch up.

Asked To Approve Passenger Plane Service Via Kenora

The Air-Transport board of Canada has been asked to approve passenger plane service linking Winnipeg, Kenora, International Falls and Fort William, it was announced at Ottawa.

The board already has approved a non-stop flight between Minneapolis and Winnipeg where improved airline service is being planned. Henceforth, Winnipeg will be a stopping point for U.S. carriers operating between Minneapolis-St. Paul and Edmonton, Alta. The route is presently being flown by Northwest Airlines. The agreement also discussed introduction of a local "milk run"

service between Winnipeg and Canadian Lakehead, with stops at Kenora and International Falls.

This route will be open to competitive applications, it was learned. These will be heard by the Air-Transport board at a date not yet scheduled.

Mando Reports Decrease In

(Continued from Page 1)

the Company this year."

Employment at the Company's plants and other locations in the U.S. and Canada averaged 4,463 during the year, a five per cent reduction from 1957. The employees received wages, salaries and benefits totalling \$26,670,055.

Production of newsprint at the Fort Frances and Kenora, Ontario mills totalled 250,841 tons and shipments came within one per cent of equalling 1957 volume. The output of specialty papers totalled 98,996 tons and shipments were 5.6 per cent short of the 1957 total.

The Canadian newsprint mills operated five days per week throughout the year while the International Falls specialty Paper Mill worked on an average of six days per week.

Despite sluggish conditions in the building industry at the beginning of 1958 and the loss of six weeks of production during the summer, shipments of the Company's Insulite Structural, Decorative and Acoustical Insulation Board products plus the Insulite Primed, Siding line came within 5.5 per cent of matching the 1957 level. Output of all insulite products amounted to 169,226 tons. The Insulite Plant operated seven days a week during the latter months of the year.

Mando's National Pole and Treating Division reported sales totalling \$1,744,715 for poles, ties and wood-preserving services.

During the year the Company provided \$4,953,000 for taxes on income, such income taxes amounting to \$1.93 per share.

Net working capital at the end of the year totalled \$23,318,856, compared to \$23,537,473 at the close of 1957. The Company's long-term debt at year end was recorded at \$17,600,000 down \$1,800,000 from the 1957 level.

The number of shareholders rose to 9,976, a gain of more than 800 during the year. Unchanged at 2,573,448 was the number of shares outstanding. Dividends were paid at an annual rate of \$1.60 per share in 1958, the same as in 1957.

Total shareholder equity rose to \$74,909,593 and the net worth per share at the close of the year was \$29.11, compared to \$23.74 in 1957.

and singing "I Wouldn't Leave My Little Grass Hut for You."

Mrs. Lodge in costume sang "Dilly Dally on the Way," Mrs. Shiplow and Mrs. McDona'd in Mexican costumes danced "A Mexican Dance." Mrs. Lodge and Mrs. McDonald then rendered "School Days."

Mr. Fred Horwood from Keewatin accompanied by his daughter, Mrs. P. Kinch, and dressed in costume rendered as his first number "The Coster's Wedding," to the delight of all. One number Mr. Horwood put over with great success was a song in which he laughed heartily and in no time the whole audience was laughing along with him. Mr. Horwood delighted his audience with such favorites as, "Constantinople," "Put Your Hand Out You Naughty Boy," "Little Albert," "I Am Henry VIII," among others.

The two hour concert gave great enjoyment up to the last curtain call. Accompanist for the evening were Mrs. Aileen Wallace, Mrs. J. Shoelie and Mrs. P. Kinch and Mr. M. Bourgoiun. Mrs. Dubenski thanked the artists for a memorable evening. Mrs. McDonald expressed appreciation to Mrs. Dubenski for her efforts also to the management for their cooperation. Thank-yous were also expres-

sed to Bergman and Nelson for making the spears, to Mr. Hendy for making the drums and shield and to Robinson Store, for donating the Mexican hats, also to Mrs. Bud Hatchman for typing out the song sheets, and Mrs. Newman from Wendy Tailor Shop for making some of the costumes. The evening came to a close with the serving of coffee.

The origin of the Red Cross may be traced directly to Henri Dunant, a Swiss banker. He conceived the idea of a vast international humanitarian organization in 1859.
