MARY ELLEN DOYLE STATES

## Crafts Answer To Indians' Problem

### PROVINCIAL GENERAL ELECTION JUNE 11TH

The Ontario election has been called for Thursday, June 11th, with nomination day set for Thursday, May 28th. The announcement was made this morning by Premier Leslie Frost at a special meeting with the press.

Mr. Frost's announcement was handed to newsmen outside the office of Lieutenant-Governor J. Keiller MacKay where the premier had gone to ask for dissolution of the legislature.

The statement said this year's nomination and election days are the same days of the month as the last election in 1955. He said "The first consideration historically, June has been the most favored month. Ten of the last 25 elections have been held in that month, the balance being spread throughout the year excepting the months of April and July.

### \$20 BILL IS GIFT IN UNSIGNED LETTER

When the Miner and News mail was picked up from Box 620 at the Post Office Saturday, a note indicated that an insufficiently prepaid letter was being held at the counter. This is a daily experience for the M & N, but this letter was different.

The letter carried no stamp, but the 8 cent cost to look inside the envelope was well spent. A single yellow sheet of paper, when unfolded, revealed a \$20 bill. Typed on the sheet was the following: "Enclosed re Lindsay Family fund. Sorry it has been neglected. Don't like published names."

We are grateful for the contribution, but would caution readers to use a different method of delivering funds. Sending money through the mails is most dangerous.

A letter dropped through the

letter opening in the front door of the paper office was found Sunday. It contained a \$15.00 cheque from the Rideout Branch of the Women's Institute. Again our thanks to Mrs. Newman, secretary and all members of the W.I.

Other donations received to date are:

Prev. Acknowledged	\$75.00
A Friend	\$20.00
Rideout Institute	\$15.00
A Friend	\$ 1.00
Alex Johnson	\$ 2.00
A Friend	\$ 1.00
Ken Lawlis	\$ 4.00
Mrs. L. V. Widen	\$ 2.00
Total to date	\$120.00

### TWO DROWNED IN RAINY LAKE

Ontario Provincial Police at Kenora report a double drowning which occurred on Saturday morning. The body of 21 year old Anna Kise of International Falls has been recovered. Still missing is thirty-five year old Walter Fog, night also of the Falls. No further details concerning the accident are available.

### TODAY'S LUCKY DOLLAR

Today's Lucky Dollar released this morning at one of the stores with Hawaii on the door, bears the number DL - 0497274 and is redeemable at Radio Station CJRL up until 5.00 p.m. Wednesday, May 6. Holder of this lucky dollar will receive a \$5.00 Credit Note good at any store with Hawaii on the door.

Still in circulation and good till 5.00 p.m. Tuesday is travelling dollar number FL - 9091439.

### Kenora Salutes Gary Bergman, First Cup Rep

A quiet, modest young man stopped briefly in his own hometown for a few hours today before returning to Winnipeg and his fellow Winnipeg Braves. Gary Bergman, an outstanding member of Canada's Memorial Cup champions, is receiving the congratulations of many hundreds of fans and friends. He holds the distinction of being Kenora's first member of a junior championship hockey club.

"Congrats," we offered Gary. "Are you down to earth yet?" "Not quite," was the reply. "I saw you Tuesday night, when your team won 5-2. Were all the games that easy?" "Yes," he continued. "I don't think we were ever worried. Flim-Flon was a

(Continued on Page 4)

### Red Cross Mobile Clinic Arrives Tuesday In Kenora

The Red Cross Mobile Blood Clinic will arrive in Kenora shortly before noon tomorrow, and their equipment will be set-up in the Legion Building ready for the opening of the clinic at 1.00 p.m.

The clinic will operate from 1.00 to 4.45 p.m. in the afternoon and from 6.30 to 9.15 p.m. in the evening. It is hoped that there will be a good turn-out of donors to help reach the quota of approximately 500 bottles of blood.

Anyone, between the ages of 18 and 65 years and in good health can donate blood. Be at the Legion hall tomorrow.

### Kins-A-Poppin' Music Revue Again Delights Audience

By special request, the second staging of the annual "Kins-A-Poppin'", Musical revue held at the Paramount Theatre last evening was again an outstanding success. A capacity audience thoroughly enjoyed the two-hour fun packed show so ably M.C.'d by genial Lloyd Gilbert.

Proceeds from the show will be used by the local Kinsmen Club for the Children's Aid Receiving Home.

### NATURAL APTITUDE AND INTEREST SUGGESTS THE ECONOMIC SOLUTION

Latent talent has been found, which, if given the opportunity to develop, might prove to be the answer to the major problem of the district's Indian population, Miss Mary Ellen Doyle, principal of the Whitefish Indian School told delegates attending the 4th annual meeting of the North-western Ontario Film Federation on Saturday night. The guest speaker, addressing the annual dinner, told her listeners of the discovery of what may well prove to be the "secret weapon" against the Indian's twin problems of idle time and the economic isolation - the introduction of weaving.

"The white man has always taken from the Indian, exploiting him from the earliest days. With his lands taken from him and his means of making a livelihood, the Indian became emotionally upset. Is it any wonder therefore that the Indian becomes suspicious and resentful; a sad spectacle of man's inhumanity to man?" asked the speaker.

As a teacher, Miss Doyle said that her duty was to make the Indian proud to be an Indian; to show him the way to a better life. A few months ago the answer came, in part at least, with the visit of Bud Thomas, Fort William and Miss Muff of Toronto, from the Dept. of Education's extension division, and Mr. Dougall, Director of the National Film Board at the Lakehead.

By personal instruction and by the use of films from the Film Council, the Indians were given instruction in the art of weaving. "Crafts looked impossible to me," said the speaker, "but Miss Muff and Mr. Thomas and their wonderful work soon changed the picture. The top brass seemed to consider crafts as a sort of frill. But after a while all the many aspects of the practical sort of tied in. These people are gifted . . . very, very gifted, both the boys and the girls. They took to weaving and it is just outstanding the type of work they are doing, even to the most complicated of patterns. There is a great field here," continued the teacher.

"My problem now is to convince my superiors that here, at long last, we have part of the answer to the Indian's problem. We cannot have looms in the classroom, and we cannot take the children from the classrooms to the loom. We must get these people back from the east, and at the same time have our officials see for themselves . . . that is much more convincing than letters or even conversations."

"At first it was hard to convince the Indians that they have

### J. N. Davidson To Attend Credit Union Conference

James N. Davidson, 350 7th Ave. S., will represent 523,673 Ontario credit union members at international meetings of the credit union movement in Boston Mass. May 4-10.

Davidson is a director of the Credit Union National Association (CUNA), a nonprofit association of more than 25,000 credit unions with 13,000,000 members throughout the world. There are 4,340 credit unions in Canada.

This year marks the 50th anniversary of the founding of the first credit union in the United States by Alphonse Desjardins, Canadian legislative reporter.

Davidson is treasurer of the Notre Dame Parish (Kenora) Credit Union, one of the 1,548 credit unions in the province. Credit unions are financial self-help groups whose members save their money together and make loans to each other at low cost.

Active in credit union work since 1943, Davidson is a director of the Kenora District Credit Union Chapter, and vice-president of the Ontario Credit Union League. He has been a director of the international group for the past six years.

### Lighting Knocks Radio Station Off The Air

Warm weather plus one fifth of an inch of rain quickened the arrival of spring, over the weekend. Saturday's rainfall was registered at .01 of an inch and yesterday the fall was measured at .16 of an inch. The total would be equivalent to about a 2 inch snowfall.

The Lake level at Keewatin today is 1037.83 feet, or up about 4 inches from the winter's low point.

The electrical storm Saturday night and Sunday morning, caused damage to district power and phone lines. Radio Station CJRL was off the air for several hours while repairs were being completed.

Ice on the Lake of the Woods is still blocking navigation. It is possible that first boats may arrive in town by the weekend.

### Mrs. Kathleen Reid Died This Morning

Mrs. Kathleen Reid of 649-Fifth Avenue South, Kenora, died at St. Joseph's Hospital, early this morning, Monday, May 4th, following a lengthy illness.

The late Mrs. Reid was born in Scotland, came to Canada in 1918 and resided in High Bluff, Manitoba. Later she resided in Windsor, Ontario, Portage la Prairie, and Hudson and came to reside in Kenora in 1955. She was a member of Knox United Church.

Predeceased by her husband Matthew R. Reid in 1951, she is survived by one son William J. of Kenora, two daughters, Mrs. Margaret MacLean of Kingston Ontario and Mrs. L. (June) Perkins of Lavenham, Manitoba; one brother, David Simpson of Edinburgh and three sisters, Misses Edith and Jeannie Simpson of Edinburgh and Mrs. Herbert (Phemie) Clarke of Camrose Alta.

Funeral services will be held in the Chapel of the Brown Funeral Home on Wednesday afternoon, May 6, at two o'clock. Rev. R. J. Leighton will officiate and interment will be in the Lake of the Woods Cemetery.

### Magistrate's Court

A youth from Saskatchewan found guilty of consuming liquor while under the age of twenty, one was fined \$10 and costs or seven days. Having liquor at a place other than a residence resulted in another man also from Saskatchewan paying a fine of \$25 and costs.

Two first offence drunks each paid \$10 and costs or seven days while a woman appearing for a second time, paid \$50 and costs or thirty days.

A man of no fixed abode went to jail for thirty days in connection with a car theft.

In its early stages, penicillin was rare and precious. The Book of Knowledge says that it first became known in 1929, but by 1942 only enough had been collected to treat 150 patients, and its price was fabulous.

Some people wish they had it others make sure by saving regularly at **IMPERIAL** the BANK that service built.

## Family Fun Begins with A ZENITH Transistor Radio

ZENITH TRANS-OCEANIC STANDARD AND SHORT WAVE PORTABLE RADIO

POWERIZED TO TUNE IN THE WORLD

It's the transistorized version of the world famous Zenith Trans-Oceanic Portable Radio whose ownership reads like an International "Who's Who." It receives Standard Broadcasts, International Short Wave, Marine Weather, Amateur Short Wave Coverage Bands plus Ship-to-Ship, and Ship-to-Shore reception. Students can tune in foreign lands and learn languages as they are actually spoken. It uses no AC/DC power supply; no tubes or large "B" batteries—operates on low cost flashlight batteries, available anywhere in the world.

Band Spread Tuning—electrically separates each short wave band to allow up to 1400% more room on the dial for every station. Tuning is easier, faster, much more accurate.

Detachable Wavemagnet Antenna—In addition to standard antenna mounted at top of cabinet, radio has a detachable antenna for attaching to windows of autos, trains, steel buildings.

Telescopic Short Wave Antenna—handle conceals waverod antenna. Extends to several feet—has greater sensitivity to short wave stations.

Rotary Band Selector—8 bands are located on rotary cylinder. Turn of control selects desired band quicker, easier. Large station numerals make tuning simple.

Calibrated Logging Scale—above tuning scale for ease in logging and relocating stations.

Operates on Low Cost Flashlight Batteries—available everywhere in the world where flashlights are sold. Up to 300 hours of listening at fraction of cent per hour.

DIAL-O-MAP Time Chart—tells time of any place in the world. Dial your zone time, get station broadcast time.

Log Chart Compartment—lists all major short wave stations with their radio frequencies and hours of best reception. Contains space for your personal log.

Newmans Jewellers finished second with Ron Poirier, Angie Brown, Joan Harkins, Georgie Calder, Grace Munroe, and Les Munroe bowling for them.

Supermarket won the Kenora Jewellery Trophy in the secondary play-off with the following personnel: Larry Kariam, Valerie Kariam, June Wetendorf, Anne Zabloski, Helen Iwasiuk and Gary Savage. Our congratulations to them too on a nice effort.

Gail McInnis was the main reason the Ticker Dots won as she came through with four lovely games. Gail who has a 129 average rolled 209, 169, 223 and finished off with a tremendous 296 for an 897 total. Al Warner and Josie Kolar gave Gail lots of help while Josephine and Frank each came through with a 200 game. Newmans had a good last game to edge out Krona for second spot. Krona had a fifty pin lead when the last game started but couldn't quite hold it and lost by 31 pins. Joan Harkins and Angie Brown were the best for Newmans but all the team bowled well.

Anne Zabloski with a big assist from June Wetendorf and Gary Savage led the Supermarket team to their win of the Kenora Jewellery Trophy. Anne with a 134 average bowled 147, 255, and 234 for a 636 triple. June had 192 and 215 with 532 for three while Gary had a 275 single and 592 for three. Helen and Larry just held their averages.

Here and There:  
Gladys Rakko of Krona had a 302 in her second game. Don Green of Excel also broke 300 with a 303 effort. Cy Garrison of Headpins broke 300 with 323 also a 723 triple. Pete Elk had 305 with Lake of the Woods Motors. Dawn Lemay of Tilley's Drug had 243 and 221. Lois Strain was the only

one to give Dawn any help with a 205 effort. Sharon Johnson and Larry Fedus tried hard for Mon-

archs with Larry having 241, 257 and 657 for three while Sharon had 261 with 531 for three. Ab Michaluk was high man the last week with 657 for four Ab. (Continued on Page 9)

# THE BANK and PERSONAL LOANS

Here's some plain talk about the inexpensive, sensible way to get the things you want

*What does a personal bank loan mean to you?*  
You can borrow direct from The Bank, at a reasonable cost, money for any worthwhile purpose such as that new car... for your vacation and for household furnishings and appliances.

*Up to 30 months to pay.* The Toronto-Dominion Bank can arrange easy monthly payments spread over as long as 30 months, depending on the amount of the loan.

*All loans insured.* Life insurance coverage for the unpaid balance of the loan is automatically provided.

*Who can borrow this money?* If you are steadily employed and have a satisfactory credit rating, then you can apply for a low-cost personal loan from The Toronto-Dominion Bank.

*See your T-D Bank Manager.* Our managers want to make Personal Loans. We invite you to see the manager at any branch of "The Bank." He will be pleased to discuss your borrowing requirements with you.

**PROSPECTS BRIGHTER FOR TOURIST SEASON SHERRETT SAYS ON RETURN**

With recession in the United States almost forgotten as business has swung back to the 1957 level of sales and production, and a warm summer forecast for 1959, Kenora representatives returned from their three months promotional trip in the United States on Saturday night, convinced that with good weather conditions the Lake of the Woods area will enjoy one of its best tourist years.

This is borne out by the number of resorts reporting some excellent bookings for the first half of the season, and the inquiries at the tourist bureau have been of an exceptionally high standard, indicating a definite interest to come to Kenora this holiday season.

All of the sport shows attended were up in attendance percentages, except Milwaukee, where two devastating snowstorms cut down attendance, but despite this the interest was far in excess of previous years, and the demand for folders at all shows, especially those of resort exhibitors, exceeded that of any previous year.

Kansas City shows had a total attendance of 104,155; Chicago broke all records with 368,824, the first Sunday drawing a record attendance of 75,823; Milwaukee was 138,966, down some 8,000; Minneapolis 160,606 and Dallas show went of \$2,000, an increase of some 30%. Mr. C. Stevens of Barney's Ball Lake Lodge attended the growing Wichita show which set a new high of over 48,000.

All exhibitors reported keen interest and advance bookings, and this even applied to a Northern Saskatchewan resort away north of Lac la Ronge which gets \$45.00 a day, and a new exhibit from the Canadian Arctic 1,400 miles north of Montreal at Frobisher Bay which was getting bookings at \$1,500 a week.

A number of calls were made on prospective industries and several firms will visit the Kenora district this summer to view industrial possibilities and locations.

If the weather man will only co-operate this year a good season is confidently predicted.

**MANDO EARNINGS DOWN SLIGHTLY**

Minneapolis, Minn.—Minnesota and Ontario Paper Company today reported first quarter net income of \$1,187,473 on net sales of \$20,369,089. Earnings dipped slightly from \$1,283,206 in the corresponding quarter of 1958 while net sales showed a mod-

est increase from \$20,083,923 a year ago.

The first quarter net was equivalent to 46c per share, compared to 50c a share in the beginning quarter of 1958.

### Causeway Making Steady Headway

W. G. Noden, M.P.P. was advised by the minister of highways, Honourable F. M. Cass, Q. C. that Contract 59-40 covering precast prestressed concrete girders and caps for the Rainy Lake Causeway bridge structure, on Highway 120 five miles east of Fort Frances, has been awarded to C. A. Pitts General Contractors Limited, Toronto.

The contractors are proposing to build all of the above at Fort Frances. The place of operation will be in the vicinity of Fort Frances. Arrangements are being proposed for storage facilities on the Couchiching reserve. Operations are to begin immediately so that girders and caps will be ready to be placed on the pilings, and there will be no delay in the construction of the bridge being part of the causeway across Rainy Lake.

Tenders for construction of the ten miles of highway that was cleared at the Atikokan end this winter are to be called as soon as the engineering has been completed. This means that a program of building will be underway at both ends of the Atikokan-Fort Frances Highway 120.

### Scots Remembered As 16 Lakes Are Named By L & F

Several weeks ago John Anderson the Chief Forest Ranger in Dryden, noted that there were lakes in this part of the province named after several great authors and their works but nowhere was there any tribute paid to the "Immortal Robbie Burns." Since the time this statement was made the Timber Division has been busy and now 16 of the heretofore unnamed lakes in the area made accessible by the Gordon Lake Forest Access Road bear names relating to Scotland and particularly to Robert Burns.

Maps showing these newly named lakes are being sent to the Surveyor-General in Toronto and unless some unforeseen difficulty is encountered it is expected that these lakes with their new names will be shown in future maps.

The names of the 16 lakes are Robbie Burns Lake, Tam-O-Shanter Lake, Cuttysark Lake, Aftonwater Lake, Bonnie Doon Lake, Klyde Lake, Loch Tay, Bonnie Jean Lake, Highland Mary Lake, Kirk-Alloway Lake, Ayre Lake, Haggis Lake, Souter Johnnie Lake, Nith Lake, Agnes Lake and William Lake.

To learn the time significance of these various names an enquirer is best advised to consult John Anderson in Dryden or some other true blooded Scot as the author of this article is only a mere Canadian.

### Kenora Salutes Gary Bergman

(Continued from Page 1)

lot tougher than Peterborough." "Was Finn Fion the toughest club you played all year?"

"No," said Gary, reflecting for a moment, "I would say that St. Boniface Canadians were the best club we met. We felt that if we got by them, we might go all the way. And say, I want to tell you something about those Braves. I have never played with a Club with so much spirit - so much will to win. We might lose a game, but it made no difference. We knew that we could go out the next game and win. I just never saw so much spirit on any club as we had with the Braves."

For the records, Gary Bergman proved to be one of the keenest competitors and most highly regarded of the Braves, and played no small part in the 4 games to one Memorial Cup victory last week. Many hundreds of Kenora fans sat in the stands in the Winnipeg Arena, and that support was appreciated, said the blonde defenceman.

Gary returned to the city this afternoon, where he re-joins the teammates for several big functions being staged this week in their honor. Jackets, rings, banquets, team photos, and all the treatment reserved for champions will be the diet of the juniors hockey kings of Canada.

Next year? Well Gary feels that the Winnipeg Warriors will want him. "They have first call on my services. If I don't play for the Warriors, they may want to send me to the American or International league, but I won't go."

Kenora fans are certain that the Warriors will be very happy to have the services of our Mem-

orial Cup representative. Good Luck - Gary Bergman.

Premature loss of baby teeth can affect the shape of jaws and second teeth, unless proper dental

care is given. From the age of three, every child should visit the dentist regularly, so that necessary repairs may be made.

The burning rash of poison ivy

could spoil the vacation. Everyone should learn to recognize the plant and then avoid it. In the event of contact with the plant, the skin should be washed with suds of strong household soap.

## Kenora Community Centre Building Committee

KENORA - ONTARIO

April 30, 1959.

### To Friends and Supporters Of Kenora Community Centre Building Fund:

As previously reported through the radio and press, the Kenora Community Centre Building Fund has reached the "point of no return," and the committee feel that they cannot give up now.

Following a revision of our proposed objective, the fund has now reached 45% of its objective in pledges and cash. Within the past few weeks, members of the committee have gone out to seek new pledges and have met with wonderful success. The reception has changed considerably since the original canvass. People are now more convinced that this project will be carried through to a successful conclusion.

However, in order to successfully complete Stage I of our project, we require an additional 50% more pledges. In order to do this, we require the help of at least 200 volunteers to wind this campaign up in two weeks. The General Hospital Extension campaign will be starting very shortly, and we do not want to interfere with their campaign.

On Tuesday evening, May 5th, we are calling a Public Meeting at the Legion auditorium at 8:00 p.m. The purpose of this meeting will be to seek the necessary volunteer help in putting our campaign over the top. We expect to see each of you out to this meeting ready to assist in whatever way you can.

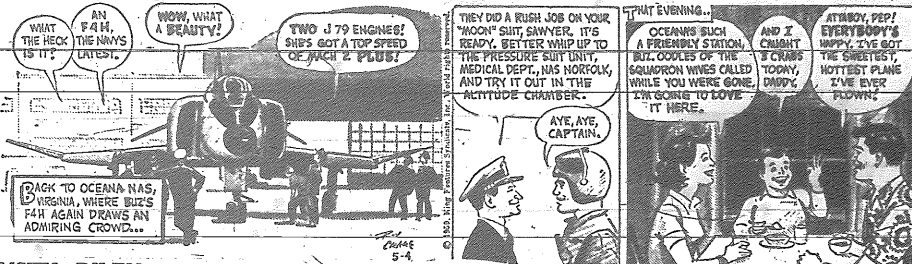

At the present time, we have organized group captains who will be picking members for their teams from the people attending this meeting. Each group will be given a list of names of those who have not signed a pledge; people whom we feel were not contacted during our original campaign. It will be the job of each group to contact these potential pledgers within the two weeks allotted.

We hope to see at least 400 people at this Public Meeting. Let us see just how many of the citizens of Kenora are actually behind this project.

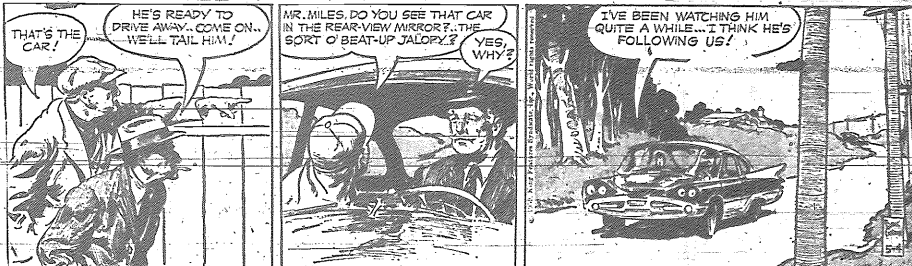

HIRO OSHIRO, General Chairman.

## Housing In Kenora Terrible' W. H. Marr Tells Convention

FORT WILLIAM — Lower cost housing with low down payments and greater government assistance this morning were seen as the only solution to a growing problem faced by most Northwestern Ontario communities.

In addition, members of the Northern Ontario Economic Development Committee, holding sessions at Fort Arthur were told, a serious social problem might well crop up in the future because of shack developments growing up around the fringes of industrial towns.

The policy of Central Mortgage and Housing Corporation needed serious changing to permit low cost housing, John Reid of the Atikokan Chamber of Commerce, pointed out.

One of the primary ways through which lower cost houses be made available, it was stated, was to lower the standards set by the national building code prepared by the National Research Council.

"They certainly put on their rose-coloured glasses when that code was made up", commented Neil Edmonstone, vice-president of Steep Rock Iron Mines Ltd.

### Greatest Drawback

Informed by a member of the committee that the code was one of the finest in the world, Mr. Edmonstone retorted: "It's also one of the greatest drawbacks to providing people with houses that

you could devise. "Standards have gone up too fast and too high", he added, "and the restrictions cause the very slums which the National Housing Act is trying to prevent."

The only means of obtaining low-cost housing needed particularly in the fast growing industrial towns of Northwestern Ontario, said Mr. Reid, is by having the government instruct CMHC to set more realistic housing standards.

Under present regulations, a CMHC approved home costs about \$12,000 requiring a down payment of \$2,600.

What is needed, the committee was told, is an \$8,000 home with a 10 per cent down payment and monthly payment terms to 15 years.

"The only alternative" to low cost housing is shacks".

Dealing with the low down payment question, the Atikokan representatives stated people moving into a small industrial town could not raise a high down payment, although they could easily keep up monthly terms.

At present Steep Rock Iron Mines provides new employees with trailers for a time to enable them to build up an equity, Mr. Edmonstone informed the group. "But they can't find \$2,800 in six months."

According to W. H. Marr of Kenora, the housing situation there is "terrible" and the town is having a hard time finding accommodation for new teachers being hired.

### \$2,000,000 Invested

"When an eastern firm expands it is not asked to provide houses for extra workers," said Mr. Edmonstone. "Neither should industry here."

"Housing is actually a community responsibility."

A proposal by Albert Wren, Kenora Liberal MPP that a \$500 down payment with government insured first mortgage be instituted was unanimously supported by those present.

Mr. Wren further stated second and third mortgages should be prohibited.

Concluding the discussion, Mr. Marr introduced what was termed as a "new thought" — that government agencies extend housing financing to include mobile homes.

In a second morning session of the committee, Mr. Edmonstone, dealing with mining problems and iron ore horizons, stated the iron ore industry was providing a "tremendous stimulus" to the economic development of Northwestern Ontario.

Informing the committee the full development of the Steep Rock Iron range would require a capital investment of over \$260,000,000, he added: "This is the kind of development they want to choke off in Ottawa."

## Births

AFFLECK — Murray Affleck wishes to announce the arrival of his baby brother, Curtis Keith on May 2nd, 1959 at the Kenora General Hospital. Weight, 7 pounds, 10 ounces. Proud parents are Keith and Margaret.

### CARD OF THANKS

We would like to thank everyone who helped to make our 25th wedding anniversary into such a happy occasion, for the lovely gifts, flowers and cards. Many sincere thanks,

Charles and Margaret Stewart, Keewatin.

**MINAKI NEWS**

By Mrs. Henry Stone

Mr. Billings is back in town after spending the winter in B.C.

Mr. and Mrs. Dick Geroux returned to Minaki recently. They spent the winter in Winnipeg.

Mrs. Hugh Weir arrived this week from White Rock, B.C.

Several of the summer camp operators have come to prepare their places for the season. Most of the Transcona camps are down this week-end.

A daughter was born last Sunday at Whitemouth, Man., to Mr. and Mrs. John Bencharski of Minaki.

On Monday evening a Statute of Labour meeting was held in the hall with a large attendance. Mr. John Rheault presided and Mrs. Wm. Wright was secretary for the meeting, which had been called to appoint road commissioners for local roads. The following were sworn in on Tuesday evening by Mr. Elmer Reid: Messrs. John Rheault, Henry Stone, K. Petersen, Wm. Sigur-geirson and John Burns. Mr. Roy McNally was appointed secretary, treasurer of the organization.

**Crafts Answer To Indians**

(Continued from Page 1)

talent. But once they started, crafts became an obsession with them. We must have crafts, crafts and more crafts. What the students learn in the classroom is probably necessary, but theory is not the answer to their problems. It just breaks my heart that we have to go back to academic work when they love the crafts so much. It is my theory that crafts will actually help their academic work.

Miss Dyle spoke in glowing terms of the help received from the Kenora Fire Department. Thanks to the firemen, 10 looms were constructed. "We fell heir to a small house, and here the Indians of all ages gather to work on their looms. This is a standing invitation to anyone who knows loom work and willing to instruct, to come to visit us at Whitefish," Miss Doyle continued.

"The gift is there - but time to help these people is short. We must convince my superiors; we must have financial help; and we must realize that time is short. We are looking forward to the summer holidays when we will have more time for the crafts," she concluded.

The speaker was thanked by Mr. Will Dougall for "the earnestness and enthusiasm of her address."

Greetings from the Provincial Film Council were conveyed by Mrs. Eunice Wishart of Port Arthur, president of the Thunder Bay Film Council. Mrs. Wishart said that the Provincial Council was interested in the most westerly of the Province's 9 Federations and spoke in glowing terms of the fine reports which reached the Toronto office from the local Federation. The Ontario Film Council Incorporated would be happy to render some financial assistance, and it was a real pleasure to convey the message to the group, said the former Port Arthur Mayor.

Presiding at the dinner meeting, as well as the business sessions was Mrs. Olga Hair of Fort Frances, president. Welcoming visitors was Mrs. Carl Holm, president of the host Council.

The showing of two excellent films, "Quetico" and "Craftsmen of Canada" concluded the dinner meeting.

Vitamin A, which protects the eyes from night blindness of dietary origin, keeps mucous membrane healthy and helps to keep skin soft and smooth, is supplied by liver, green and yellow vegetables and yellow fruits, tomatoes, butter, eggs and

NEW ISSUE

**\$150,000,000**

**Canadian National Railway  
Company 5% Bonds**

Guaranteed unconditionally by the Government of Canada as to both principal and interest

The Bank of Canada is authorized by the Minister of Finance to receive on behalf of the Canadian National Railway Company subscriptions for a loan to be issued for cash and offered in two maturities as follows:

9 Year	18 1/2 Year
<b>5% BONDS</b>	<b>5% BONDS</b>
<b>DUE MAY 15, 1968</b>	<b>DUE MAY 15, 1977</b>
Non callable to maturity Interest payable November 15 and May 15	Non callable to maturity Interest payable November 15 and May 15
<b>ISSUE PRICE: 98.75</b>	<b>ISSUE PRICE: 98 1/2</b>
Yielding about 5.18% to maturity	Yielding about 5.17% to maturity
Denominations: \$500, \$1,000, \$5,000, \$25,000 and \$100,000	

**It is a condition of this issue that the Canadian National Railway Company will operate a purchase fund.** The Canadian National Railway Company undertakes to use its best efforts to purchase during each quarter of each calendar year to maturity, when available in the open market at prices not greater than the original issue price, plus accrued interest, at least 1% principal amount of the issue maturing May 15, 1968 and 1% principal amount of the issue maturing May 15, 1977 except that the Canadian National Railway Company may in any quarter of any year apply to this undertaking the purchase of those bonds made during the immediately preceding twelve months and not previously credited. At maturity the maximum amount of each issue which would be required to be purchased by the company under these provisions would be thirty six percent of the original issue.

Principal and interest payable in lawful money of Canada. Principal payable at any Agency of Bank of Canada. Interest payable, without charge, at any branch in Canada of any chartered bank. The bonds will be dated May 15, 1959 and will bear interest from that date.

Delivery of definitive bonds will be made on or about May 19, 1959, without payment of accrued interest. Bonds may be registered as to principal or as to principal and interest. Definitive bonds will be available in two forms: bearer form with coupons attached (this form may be registered as to principal) and fully registered form with interest payable by cheque. Bonds of both forms will be in the above denominations and will be fully interchangeable as to denomination and or form (without charge and subject to the Company's transfer requirements where applicable). The Bank of Canada will act as registrar of this issue and transfers and exchanges may be effected through any of the Agencies of Bank of Canada.

Subscriptions may be made to Bank of Canada, Ottawa, through any investment dealer eligible to act as a primary distributor or through any bank in Canada. An official prospectus may be obtained from any Agency of Bank of Canada.

These Bonds will be a direct obligation of the Canadian National Railway Company, the Capital Stock of which is owned by Canada, and under authority of the Parliament of Canada payment of the principal of these Bonds and of the interest thereon will be guaranteed unconditionally by the Government of Canada.

The cash proceeds will be applied by the Canadian National Railway Company to the repayment of interest-bearing capital advances from the Government of Canada.

Subscriptions will be received subject to allotment or rejection in whole or in part. The books of the Loan will open at 5 p.m. E.D.T. on May 6, 1959, at Bank of Canada, Ottawa, and may be closed in either maturity or both with or without notice.

OTTAWA, MAY 4, 1959.

during the year, that will earn them a substantial cash award in a "big fish" contest being conducted in Ontario under the auspices of the Ontario Federation of Anglers and Hunters.

Molson's Brewery (Ontario) Ltd. is cooperating with the Federation in the promotion of the tournament by contributing cash awards of more than \$3,000.

A sum of \$100.00 will be awarded for biggest fish in each of the following categories, large mouth black bass, small mouth black bass, yellow pickerel, great northern pike, maskinonge, lake trout, speckled trout and rainbow trout. They must be caught in Ontario waters during the regular open season, on rod, reel and line and must be played by only one person.

In addition, a Molson badge of honour will be presented each fishing enthusiast submitting an entry which complies with the minimum weight requirements.

The tournament runs from May 1st through until October 31st and all entries must be submitted and received by November 8th. Entry forms and other details may be obtained from any member, or the Secretary-Manager, of the Ontario Federation of Anglers and Hunters, Ridgeway Ontario.

**KEEP LATIN ALIVE YOUNG STUDENT TOLD**

Maplewood, N.J. — When Lois Kapelsohn has questions about her homework, she goes right to the summit.

"Lois, 14, Grade 9 honor student at South Orange Junior High School, wondered whether Caesar and Cicero were worth all the bother. So, as a term project, she sent out 120 letters to prominent Americans asking them if that so-called dead language should drop dead."

Ninety-nine per cent of her correspondents replied — in English — that Latin was very valuable indeed. Included among those in favor were Chief Justice Earl Warren, Vice-President Richard Nixon, cabinet members and others.

Said the vice-president: "I studied Latin for four years and it was my favorite subject. It was most valuable in teaching me how to think."

Warren and Interior Secretary Fred A. Seaton urged Lois to keep plugging with her Latin.

To no one's great surprise, college presidents and professors replied in one voice: Keep Latin alive.

Lois is keeping on with her Latin.
