TWO NEBRASKA MEN KILLED IN PLANE CRASH AT VERMILION BAY

A plane crash early today in the Vermilion Bay area has claimed the lives of two Americans from Omaha, Nebraska. Ontario Provincial Police at Kenora report that the Beachcraft owned by Lang's Flying Service of Omaha, Nebraska, had taken off at nine o'clock from the airfield at Vermilion Bay on its way home and in a farewell flip to Andy Myer's Camp near Waldoff, the plane flew too low, hit the water and smashed up against the dock, instantly killing the pilot and passenger. Police are not releasing the names of the victims pending notification of kin.

Dr. D. R. Robinson, coroner from Dryden attended. Officials from the Air Transport Board at Winnipeg are expected to arrive this afternoon to investigate the crash.

This plane crash is the second one for the area in the past six weeks. A plane carrying two men from Minnesota is believed down in Teggau Lake in the Vermilion Bay area. Concentrated searching over the past weeks has failed to trace the plane although a known object at the bottom of the lake is believed to be the trace. The 450 deep water is hampering the search. Sounding and various other pieces of equipment have been flown from both the east and west coasts of the United States and from Minneapolis. Latest equipment arrived on Thursday but to date no new developments have been reported.

Kenora Girls Pass Ballet Examinations

On Monday, June 22nd, the Auditorium of the River Heights High School in Winnipeg was the scene of the graduation exercises of 180 pupils attending classes in the Nenad Lhotka Academy of Dance. Included in the graduates were four pupils of Gerda's School of Ballet which is affiliated with Mr. Lhotka's Academy and conducted by Mrs. Gerda Vidovic, 115 7th Street South. The Kenora children who successfully passed their grade two exams in classical ballet were: Mari-Jane Cooke, Marijs Wilson, Susan Colley, and Cheryl Lamm. One young Kenora lady, Christine Alcock was forced to forego the examinations and graduation because of a stretched muscle and this was regrettable as Christine would have been able to pass the Grade two examination.

The River Heights High School Auditorium was filled to capacity with parents and friends and each pupil received a diploma signifying the grade they had attained. Mr. Nenad Lhotka will be remembered by residents of Kenora as the Adjudicator of Folk Dancing in the Kenora-Keewatin District Music Festival of 1958. He was formerly Ballet master and Choreographer of the Zagreb Ballet and Opera Company and came to Canada as Ballet Master for the Royal Wpg. Ballet in 1956. Gerda Vidovic now conducting the Ballet School in Kenora studied under famous European ballerinas and danced with the Berlin Ballet Company before joining her husband here. During the past winter Mrs. Vidovic de-

other purpose than carrion, yet there are hunters who cannot hold their fire when such a striking target comes within range. The fact that they eat a few fish is the lame excuse.

Let us hope that if the pelicans succeed in establishing itself once again in this area they will be left to survive indefinitely.

Central School Names Winning Play Day Teams

Central School held their second Annual Play Day on Monday afternoon June 2nd. The weatherman was most co-operative which helped to make it a most successful afternoon. The Play Day was held in 2 sections. The Junior Section consisting of Grades 1 to 3 held their Play Day on the school grounds and the Senior Section of Grades 4 to 6 held theirs at Central Park.

The ladies of Central Home and School ably assisted to conduct the games, for which the Principal and Staff of Central are most grateful. The Home and School treated the pupils to a treat of ice cream at the conclusion of the games.

In the Senior Section - Team No. 10 consisting of George Duquay (Captain), Brenda King, Dennis Barchuk, Eileen Smilsky, Gary Scott, Gloria Anderson, Glenn Sharpe, Lorna Mableson, Gordon Mitchell, Nancy Markham and Leonard Olfman were the winners.

In the Junior Section, Team No. 5 consisting of Louise Lough (Captain), Billy Grynl, Randy Percy, Pam Hanratty, Linda Robertson, Gary Nelson, Earl Bain, Terry Hulagrocki, Jim Shapland, Tim Treadway, Ronnie Hanson and Randy Jackson came out on top.

Both teams will have their names engraved on the shields donated in 1958 by Central Home and School.

Miss J. Francis Honored By Pupils At Birthday Party

Banks of mixed flowers and rows of smiling eager faces was the setting at King George School Wednesday afternoon where South Ward and King George School children paid tribute in words, music and actions to a beloved teacher, Miss Jessie Francis.

The "Golden Goose" was brought to life by keen actors and actresses from South Ward's grade 4, while twinkling rhythmic feet from South Ward's grade 3 danced their way to every one's heart. King George Grade 5 class, in a variety group, opened the programme sweetly but timidly to a most sympathetic and receptive capacity audience. A "grown up" touch was given to the programme by King George Sr. Choir in two well turned recital numbers, and then in a very personal mood, as they sang Happy Birthday to their most honoured guest. Amidst this happiness, Miss Francis accepted with a few gracious words, a gift from the children. Miss Francis saw two former pupils, William Dunford, and Ed-

ythe Carlson, receive their awards as Top Girl and Top Boy in the Jessie Francis Award, in South Ward's grade 4, given by the Home and School Association and presented by the president of Home and School Association, and Miss Etta Stephenson of the Public Library.

Following class dismissal, tea was served to guests and teachers. A beautifully decorated birthday cake lent a true party spirit to the occasion.

Magistrate's Court

An East Hawk Lake man charged with careless driving was fined \$100 and costs or three months and had his licence suspended for three months.

Speeding cost a local motorist \$10 and costs while a Jaffray-Melick man paid \$20 and costs or five days on a careless driving charge. Failure to have both headlights in operation on his car cost a Kenora man \$5.

A local man charged with causing a disturbance by swearing, paid \$10 and costs or 15 days. Causing a disturbance by fighting cost another man \$25 or seven days.

Two second offence drunks each were fined \$50 and costs or 30 days, while two first offenders each paid \$10 and costs or 7 days.

Use Of Forest Products Increase In Kenora Dist.

The Department of Lands and Forests reports a considerable increase in production of pulpwood and other forest products compared with the 1958-59 season is now in progress. Approximately 600 men are presently employed on various woods operations throughout the District and with the use of power saws, upwards of 20,000 cords is being cut monthly.

Three timber areas have been sold by public tender during the current season, & a cruise party is now examining several other timber stands with a view to holding of further sales. Returns of the past season's production have been checked at the District Office and the net revenue in Crown charges to be paid by the District timber operators will be approximately one million dollars.

Muskox, now confined to the Arctic, in early centuries had a wide range including ancient Britain.

BUSINESS, PROFESSIONAL WOMEN HOLD INSTALLATION MEETING

Mrs. Helene Gibson, of Sault Ste. Marie, Vice-President of Northern Ontario Business and Professional Women's Clubs, was guest of honour at the first dinner meeting of the newly organized Kenora-Keewatin Club, held in the Kenricia Hotel, June 24th, with the local president, Mrs. Dolores Gray presiding.

On behalf of the thirty-five members present, Mrs. Veronica Kirk, welcomed and introduced Mrs. Gibson, a charming and capable executive. Mrs. Gibson expressed her pleasure saying that it was a happy privilege to be present, and to preside at the ceremony of installation of officers, for the 1959-1960 term.

In an inspiring candle light ceremony the following were installed, President, Mrs. Dolores Gray; Vice-President, Mrs. Bunny Holland; Sec. Vice President, Miss Joyce Demchuk, Corresponding Secretary, Helen Sawchuk, Recording Secretary, Mrs. Pat Bourgeault, Treasurer, Mrs. Georgina Calder.

Mrs. Gibson in her remarks stated that, Business and Professional Women's Clubs are not classed as service clubs such as we know them. She outlined the objectives as First: To improve the status of women in the Business and Professional world, locally, nationally, and internationally. Second: To discover and develop those qualities in our members which enable them to take their full share in public life. Third: to provide a non-partisan, non-sectarian basis for co-operation. All working together for the good of all, steady, upward, each for all and all for each, in unified effort. The whole idea is to improve working conditions and help others to hold to their standard.

Members are encouraged to take an interest in the welfare of the community, to promote friendship and the spirit of co-operation among members with

FLY IN SONAR DEVICE TO SPOT PLANE SUBMERGED IN TEGGAU LAKE

A sonar device, used for locating objects under water, was flown from Seattle to Fort Frances, Ont. Wednesday for the so far futile search for the plane of two missing Minnesota men.

The plane is believed submerged in Teggau Lake, about 40 miles northeast of Kenora, Ont. Missing are Maurice J. Merickel, 36, of Wadena, Minn., well known real estate man, and sportsman, and his brother-in-law, Sylvester Nieses of Walker, Minn.

MISSING SINCE MAY 26

The pair have been missing since May 26 when they took off from Sioux Narrows, Ont. to fly to Vermilion Bay, some 50 miles north of Kenora.

A canoe they had strapped to pontoons on their plane and pieces of plane wreckage, were found at Teggau Lake.

The sonar device, known as a sea scanner, was being flown by Minneapolis Honeywell Regulator Company from its Seattle laboratory to Fort Frances in response to request from the Merickel family. The device "sees" under water by means of high frequency sound waves. Echoes which return are read on a scope.

CHANCES "SLIM"

Terry Devitte of Minneapolis, Honeywell staff engineer who will operate the scanner, said chances were slim that the plane could be located because of great depth of the lake and presence of huge sunken rock formations which would interfere in detecting the plane.

Devitte said there would be a 30-per-cent chance of locating it under favorable conditions.

The scanner will be flown from Fort Frances to roadless Teggau Lake by a Royal Canadian Air Force helicopter. It will be mounted on a barge built of logs and steel drums.

Bigstone Bay Lots Ready For Sale

Under recent changes in the Regulations governing sale of Crown Lands for recreational purposes, such land may only be disposed of through sale of lots on a plan of subdivision, except under very special circumstances. The new directive also states that no applications may be accepted or any commitments made for subdivision lots until the plan has been completed and registered at the Lands Titles Office.

The Department of Lands and Forests at Kenora is pleased to announce that the Bigstone Bay Subdivision, containing 32 lots, has been registered, and applications to purchase these lots may now be entertained.

Several other subdivisions are currently being surveyed and it is hoped that they will also soon be available.

KEEWATIN NEWS

Mrs. Kember

Mr. and Mrs. J. R. Metcalfe of Saskatoon are spending their holidays with Mr. Metcalfe's parents, Mr. and Mrs. C. Wadman, Keewatin.

REDDITT

By Mrs. P. Ferguson

Mrs. P. Ferguson entertained Sunday June 14 at a birthday party in honor of her daughter Linda who was 11 years old. The little guests had a lovely time playing games and running races on the large lawn. Then they sat down to a nicely decorated table centred with a big birthday cake. Just before Linda blew out the candles, her

7 little guests sang "Happy Birthday".

Linda thanked all for her nice gifts. The guests were Sharon Tintinalla, Lorraine Moran, Heather Race, Judy Ufland, Isabel Latimer and Kathleen Sinclair of Kenora.

Miss Sebec of the Anglican Mission holds Sunday School at 2 p.m. and evening service at 7 p.m. in the Anglican Church.

Mr. and Mrs. J. Hunchback and daughter of Winnipeg spent the weekend at their summer cabin.

Mr. and Mrs. R. Eady of Transcona were down for a couple of days fixing up around their home here.

Mr. and Mrs. J. Akister of Winnipeg have purchased the property known as the Smiths place from Mr. P. Ferguson and will be spending the week ends and their holidays here.

Mr. and Mrs. S. Harper were guests of Mr. Harper's sister, Mrs. Robt. Craig.

MODERN ETIQUETTE

Q How do we invite two adult single sons, who are living at home, and their parents to our wedding?

A These sons receive a separate invitation from that sent to their parents. You address the outer envelope of the invitation as: "The Messrs. John and William Palmer." The inner envelope is addressed simply as: "The Messrs. Palmer."

Q Should I offer to share the expense when given a ride to another city by a friend who would be making the trip anyway?

A It is perfectly proper to make the offer.— but if your first offer is refused, don't keep insisting.

Q When introducing a young woman to a middle-aged man, whose name is spoken first?
A The young women's

NEW RULES FOR CASTING

CHAPLEAU—An angler flipped his plug out toward Lipsett Lake and the treble hook promptly was fast to a 200-pounder.

—Sturgeon? Nope. The scalp of Matti Lehtinen, communications technician at the Chapleau division of the Ontario Department of Lands and Forests.

After the hook was extracted with the aid of a jack-knife — painfully because the knife was dull — Matti came up with three off-the-cuff rules for casters:

1. Wear a safety helmet
2. Carry a sharp jack-knife.
3. Exercise caution when casting.

Observance of rule No. 3, Matti noted, may eliminate the need for the other two.

ELEPHANTS KEEP COOL

RENSELAER, N.Y. — Fréda, Liz and Terry know what to do in an emergency: Keep cool and follow instructions.

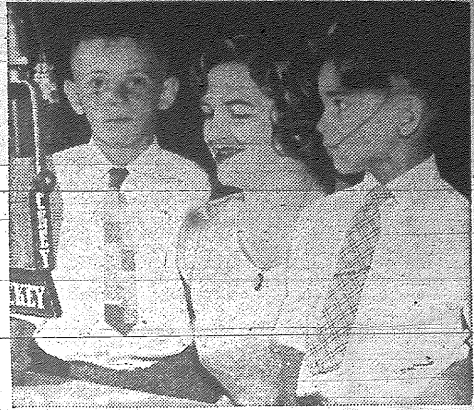

The elephants, aged 50, 18 and 10, were aboard a truck on their way from Hudson to Latham, north of here, Tuesday as part of the Hogan Bros. circus. The truck capsized as it rounded a corner.

The elephants, unconcerned, went on munching their hay, though they were lying on their sides and chained to the truck.

Their trainer, John Trower, 19, of Sheboygan, Wis., calmly guided them out and announced to onlookers:

“And that, folks is it for today.”

Accuracy of modern crystal clocks has revealed seasonal variations in the earth's speed of rotation.

Miles mean nothing to the Dupuis family of Oakville as they send a recorded message to Sergeant Donald J. Dupuis who is serving with the Canadian Army Pay Corps in Egypt. Several Canadian radio stations in co-operation with John Labatt Limited, recorded the voices of scores of servicemen's families and shipped the recordings overseas where they will be heard during celebrations marking Dominion Day, July 1. Mrs. Dupuis brings her husband up to date on local happenings along with sons Douglas, left and Timmy.

Business, Professional Women Hold . . .

(Continued from Page 1)

in the local club, and develop leadership.

A lively discussion arose as to future projects which the club might undertake, with several ideas expressed, such as Education Bursaries, Social Welfare assistance, Hospital gifts. Ways and means of raising

money to carry out proposed objectives was also discussed.

Mrs. Gray in closing, expressed the extreme pleasure and thanks of all present to Mrs. Gibson, for her good wishes to the club, her interest in being present, her helpful advice, and her part in conducting the impressive and unique candle-lighting ceremony of installation.

LAKELAND AND LUMBER KINGS POST WINS
Lakeland entered the win column for the first time this year when they made use of two big innings to defeat Acme-Kenora Cleaners 11-4. Five runs off

starter and loser Les Coughlin came in the first inning before Dennis Lindsay retired the side. Lindsay fared better in the third when Lakeland scored six more for an 11-0 lead. Claude Turcotte and Gordon Karaim led Lakeland with a pair of hits, and Richard Marcine pitched 3-hit ball for the win. Acme threatened in the sixth as they scored all their runs on hits by Lindsay and Jerry Michals. John Sprysak's triple was the only other Acme hit.

	R	H
Lakeland	5 0 6 0 0 0	11 6
Acme	0 0 0 0 0 4	4 3

Lions came close to dumping the Lumber Kings last night as they were leading 4-0 after four innings, but they stopped scoring and the Lumber Kings began. Lions built their lead on a two run first-inning double by George Millard, and single runs in the second and third. Meanwhile, Ron Cymbalist was giving the Kings just two hits. The roof caved in during the fifth when Wayne Spencer, Eddie Scribilo, and Tommy Bynski banged singles that were good for three runs. The Lumber Kings won the game for Stu Barber when he and Ralph Jacobson scored the winning runs on a hit by Lorne Rimstead. In posting his third win, Barber fanned eleven and gave up one hit.

	R	H
Lions	2 1 1 0 0 0	4 7
Lum. Kings	0 0 0 0 3 2	5 6

On Saturday night the first place Dingwall's and Coca Cola tangle in a game that will break their first place deadlock. Both teams are the class of the league and both have their best pitcher ready. Southpaws Dennis Musirka and Les Brown have yet to lose this year. Last time out Cokes came from behind to nip Dingwall's 5-4.

SAN FRANCISCO — The Giants are last in club fielding in the National League and sixth in batting. However, with Mays and Cepeda delivering timely blows behind the good pitching of Antonelli, Jones and Sanford they have been a strong second place team. Spencer is having a good year at short with a batting average of .302. Excellent pinch hitters, but a very unpredictable ball team.

LOS ANGELES — Three games off the pace this season as compared to the cellar last year at this time. Young pitchers are beginning to perform. Tremendous defensive team and their club batting is fifth at .267. Have at present five hitters batting over .400. Duke Snider is having a great season after his '58 flop. Will prove to be a strong threat to the Braves. A first division team.

PITTSBURGH — The Pirates are having it tougher this year than expected, although they have a tremendous team on paper. Have been between third and fifth so far in the standing. Are third in club batting but seventh in fielding. Staut, Burgess and Hoak are batting over .300 for the Pirates and Smokey is tops with .339. Face, Law, Haden and Kline are pitching well, but Friend got off to a very bad start. Have the team to win pennant.

CHICAGO — Playing 500 ball at the mid-point. Their team batting is the lowest in the league and this hinders the Cubs because they rely on their bats. Hobbie, Henry, Elston lead pitching staff with Drott, Hillman and Anderson coming on. Banks and Taylor are only men hitting over .300. Will be strong if hitting improves.

CINCINNATI — Are doing well in hitting and defensive play, but as usual are extremely weak on the mound. Purkey is having a bad year for pitching and only the amazing comeback of Don Newcombe has saved face for the sixth place Redlegs. Likely to end in the second division.

ST. LOUIS — Top team in batting in the National League and are defensively good. Cards had a poor start and are only now starting to show their strength. They cannot beat the Braves or the Giants, the top two teams this year. Have lost 14 games to those two clubs while only winning four. Musial is having a bad year and is batting .253. Good starting pitchers—only fair relief. May crash first division.

PHILADELPHIA — Doomed for last place. The Phillies have been a great disappointment this season and last. Lowest in home run production with only 44. Milwaukee leads here with 74, the Giants with 73. Ed Bouchee is the only Phil hitting over .300 and Ashburn their big gun in other years is hitting .267, but is starting to climb. Pitching can be strong, but isn't thus far.

SUMMARY — The Milwaukee team will have tough competition from the Giants, Dodgers, Pirates, and Cubs. Those five teams have good chances of winning the N.L. pennant. The Cardinals, Red Legs and Phillies are out of it. We think it a toss-up between the Giants - Braves - Pirates.

AMERICAN LEAGUE
CLEVELAND — Started off at

a fast clip, but have failed to keep up drive. Team batting is sixth and team fielding is third in league. Pitching has been more effective this year. Nobody is batting over .300. Will find it tough to win pennant at present clip.

BALTIMORE — Have four of the top five pitchers in the American League's best earned - run averages so far. Club batting is last. Have a good defensive team. Pitching is their greatest mark of success. Gene Woodling and Gus Triandos effective at the plate. Could win pennant, if batting improves.

CHICAGO — Top team in fielding and third in club batting with .257. Have lowest home run production with 35. Have great pitchers in Wynn, Pierce and Dono. van. Lack depth at plate and on bench. Aparicio and Fox having splendid years. Unlikely winner.

NEW YORK — Starting to move after miserable start. Find them-

selves fourth in club batting and club fielding. Pitching under Ford, Larsen and Turley starting to pick up. Mantle is starting to move and is batting .312. They are once again the favorites because of depth. They will have trouble.

DETROIT — Poor start but now enjoying surge. Pitching has picked up. Lead the League in club batting with .266 and lead in fielding with .981. Second in home run production. Kuenn, Kalline and Bridges are Detroit's reason for success. May stagger into first place.

BOSTON — Unpredictable, but now starting to show strength. Ted Williams is still batting under .200. Runnels, Wertz and Malchione having good year at plate. Brewer and Delock can be effective on the mound than in splendid years. If pitching picks up, Williams should start, there could be a change.

"Personally, I'm a Washington fan. Washington is noted for being first in war, first in peace and last in the American League, but this year it's going to be different."

—Moonshine Magee—
AT THE HALS... A REVIEW OF THE MAJOR BASEBALL LEAGUES

Baseball, the game of colour and so many words, is presently soaring to its peak in the American and National Baseball Leagues. It only seems like yesterday that the season opened, but in reality strangles this invention. We find the majors at the middle of their schedule. Here is our impressions of each club thus far and our future predictions for them.

NATIONAL LEAGUE
MILWAUKEE — With a two game lead over the Giants the Braves are having a good year. Their pitching must rate, the tops so far. Their team batting is third with .269 and their team fielding is tied for first with .981. Matthews and Aaron are having a tremendous year at the plate. Ability to defeat Giants in clutch may give the Milwaukee team their third straight pennant.

TO ALL BOAT OWNERS AND OPERATORS ON LAKE OF THE WOODS

At this time of the summer season when numerous gas boats and pleasure craft are operating and company tug boats are towing pulpwood and logs, we respectfully solicit your co-operation in our endeavour to keep the lake clear of floating pulpwood, logs and dead heads. When gas boats run too close to a tow of pulp or logs, the swell has a tendency to wash out some of the pulp and logs, and it is for this reason that we ask you to:

- (1) When passing a tow, either being towed by tugs or in storage, keep at least 100 feet from boom. When it is not possible to do this, if in narrows, slow down till past the tow or boom.
- (2) When following a tow of pulp or logs, watch for any stray logs or pulpwood sticks which may have worked out from rear of tow.

If these precautions are observed by all boat owners, it will keep the lake free from floaters and will help eliminate damage to small craft.

KITCHEN CLASSICS

IT'S THE BERRIES

For many Canadians, berry picking is as much a part of the summer scene as tennis, golf and gardening. A number of people plant their own berry bushes in the garden, while others head for the country looking for wild berries on their Sunday outings.

Whether the fruit for Raspberry-Gooseberry Crumble is picked by hand or bought at the market, the result will be equally delicious. This dessert is quite similar to some of those sweet puddings for which the English are so renowned.

Juicy fresh berries form the base of the crumble, while the rich and delicately spiced topping is based on fine dry bread crumbs. The making and baking of this pudding requires little time, or effort. And it can be served in a variety of ways... as it is, with pouring cream, or with vanilla ice cream.

RASPBERRY - GOOSEBERRY CRUMBLE

Yield — 8 Servings

- 1 pint raspberries
- 1 pint gooseberries
- 3/4 cup granulated sugar
- 1/2 cup once-sifted flour
- 1 teaspoon baking powder
- 1/4 teaspoon salt
- 1 teaspoon ground cinnamon
- 1/2 cup fine dry bread crumbs
- 3/4 cup lightly-packed brown sugar
- 3/4 cup butter or margarine

Grease a shallow casserole or baking dish of about 6-cup size. Preheat oven to 375 deg. F. (moderately hot).

Pick over, wash and thoroughly drain raspberries. Stem, cut off blossoms, wash and halve gooseberries. Combine fruits in prepared casserole and sprinkle with the granulated sugar; mix lightly. Sift together into a bowl the flour, baking powder, salt and cinnamon. Mix in bread crumbs and brown sugar; rub in butter or margarine with the finger tips. Sprinkle the crumb mixture over prepared fruits. Bake in preheated oven 30 to 35 minutes. Serve warm with pouring cream or a little vanilla ice cream.

Save Your Lawn From White Grubs

Now is the best time to treat lawns against the white grub menace. When you can roll back your brown grass just like a carpet, you'll wish you had treated it.

This year, the white grubs, the larvae of the June Beetle, are very small and can damage grass roots, but not considerably. The real damage will come next year. Horticultural specialists of the Ontario Department of Agriculture recommend a control program this year. "When the larvae hatch, they are very small and most easily killed at this time," advises J. C. Taylor of the Horticulture Department, Ontario Agricultural College.

Chemicals lead the parade in the white grub campaign. Chlorodane, Aldrin, Dieldrin and Heptachlor are all effective in the control of these pests. They are available in wettable powder, dust and granular forms. Wettable powders are mixed with water and sprayed into the lawn. Dusts and granulars can be applied by hand or by means of a small fertilizer spreader. A lawn should be hoed down after the application of dusts and granulars.

If carried out now, chemical warfare will kill the beetles still in the soil, as well as the newly hatched larvae.

Even though the bulk of destruction is done by the grubs themselves, the June Beetles do cause some damage to broad-leaved plants. Any such shrubbery should be protected, especially if it is within the rays of any source of light. Cheese cloth can offer this protection quite satisfactorily.

To deny the beetles suitable egg-laying sites, simply hoe under any weedy, bushy areas. It is in such a location that they spend the day and lay their eggs.

Complete details on white grub control are available from the information branch, Ontario Department of Agriculture, Parliament Buildings, Toronto. Ask for circular 283. "White Grubs."

Movie theatre attendances in Britain totalled 752,000,000 in 1958 compared with 915,000,000 in 1957.

Emperor penguins — largest of penguin species — may live for 35 years in the germ-free air of the Antarctic.

HOW CAN I?

Q. How can I preserve the wooden parts of a couple of old buggy wheels I use for a yard decoration?

A. To preserve the wood from decaying, you can make a solution of four parts sodium fluoride and 25 parts water, and saturate the wood in this solution. Or, you can mix oxide with enough water to make a thin paste, and apply this to the wood. After three hours, apply a solution made by dissolving four parts zinc chloride in 25 parts water.

Q. How can I keep metalwork, such as brass and copper light fixtures, shining and lustrous?

A. Simply by coating them, after they have been well polished, with some colorless lacquer.

Q. How can I clean calcimined walls?

A. Try using some baking soda and a damp cloth.

LESSONS IN ENGLISH

WORDS OFTEN MISUSED: Distinguish between the phrases, "Differs FROM" (to be different) and "Differs WITH" (to disagree with). "One house differs FROM another." "He differs WITH his employer."

OFTEN MISPRONOUNCED: Jeune (lacking nourishing quality). Pronounce jee-john, accent on second syllable.

OFTEN MISPELLED: Sardonix (bitterly scornful). Sardoniz (stone used in jewelry).

SYNONYMS: Banter (noun), badinage, sarcasm, satire, railery, ridicule, irony, mockery, derision.

WORD STUDY: "Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Today's word: **SANGUINE**, disposed to be hopeful; anticipating the best; as, "sanguine of prosperity."

ROBBED TO GET PUBLICITY

SAN FRANCISCO

John Clytus told Judge Gerald Levin he robbed the state unemployment office of \$1,500 not for the money, but to get publicity for his literary efforts.

The judge let him off with a six-month jail term and five years probation, but warned: "This is not the best way to get publicity for your magazine opus."

Clytus, 29, was arrested several days after the holdup in April when he complained to police that "some dirty crook" broke into the Greyhound locker and stole the \$1,500 he had hidden there.

He told Judge Levin he had intended to hold onto the money until he had sent a manuscript, "The Man Who Came Running," to a publisher.

Chicken Crosses Busy Fifth Avenue

New York—Why did the chicken cross the road?

To get to the other side of busy Fifth Ave. in the heart of Manhattan.

The fowl slipped out of a crate on a truck Tuesday. Squawking and screaming, it dodged honking autos and fluttered to a sidewalk.

A cab driver picked it up and tried to hand it to a patrolman. He declined custody because he was too busy unsnarling the traffic jam.

So the cabbie drove off with the bird.

THIEF IS IN FOR SURPRISE

CHICAGO The thief who stole a typewriter from a gift shop Wednesday probably is in for a surprise. The machine is equipped with the 35-letter Ukrainian alphabet.

Modern Etiquette

Q. What are the rules about tipping rules on ocean voyages?

A. Ship travel involves more and higher tips than anywhere else. Generally, about 10 per cent of the cost of your trip should be allotted for tipping — that is, about \$30 if your trip is costing \$300. You should tip your room steward, dining-room steward, the bath steward (unless you have a private bath), the deck steward, and any cabin boys, bar stewards, or pool attendants who have served you.

Q. A new neighbor has begun calling me by my first name, although I am quite a bit older than she. I use her last name. Shouldn't she use mine, too?

A. Yes, she should. You should be the first to begin a first-name basis of friendship.

Q. Is it all right to eat bananas with the fingers when at the table?

A. No; they should be skinned on the dessert plate, then cut and eaten with the fork.

LUCKY DRAW

SPOT PRIZES

Contestants Information . . .

RULES

1. AREA in which fish may be caught are as defined on map as shown.
2. Entrants must comply with Provincial angling regulations.
3. All fish entered must be caught and entered between Sunrise June 27th and 10.30 p.m. Daylight Saving Time June 28th, 1959. Weigh station will be located on Main Street Kenora.
4. All fish entered become the property of the Kinsmen Club of Kenora unless otherwise arranged with weighmasters.
5. In case of two or more fish of the same weight being entered, the earliest entry will have priority.
6. Anglers entering fish may be required to make sworn statements as to legality of catch.
7. All participants must agree to abide by the decision of the weighmasters, which shall be final, but all contestants shall be allowed to see their fish weighed.
8. All participants must have purchased entry form before fishing in derby and will be required to present same when entering fish.
9. All disputes arising in the Derby and final examinations will be dealt with by the head weighmaster, and Fish Derby Committee, and their decision shall be final.
10. Weigh stations will be open from 12.00 noon to 10.00 p.m. Saturday and 12.00 noon to 10.30 p.m. Sunday, C.D.T.
11. Each contestant is eligible for only one prize.
12. The weight of each fish entered will be expressed as a fraction or percentage of the records established in the previous Lake of the Woods Fish Derbies as listed below. The fish having the highest percentage will be awarded the prizes in order of standing.
13. The attendance prize will be announced July 11, 1959. All ticket holders are eligible for this prize.

RETAIN FOR REFERENCE

- FISH MUST BE CAUGHT IN AREA ENCLOSED BY MAP.
- WEIGH STATION ON MAIN ST., KENORA
- ALL FISH TO BE ENTERED MUST BE WEIGHED IN BY 10.30 P.M., D.S.T., SUNDAY JUNE 28TH

SET A NEW RECORD!

KINSMEN LAKE OF THE WOODS FISH DERBY RECORDS

Small Mouth Bass	4 lb. 11 oz.
Maskinonge	26 lb. 6 oz.
Great Northern Pike	25 lb.
Yellow Pickerel (Walleye)	11 lb. 6 oz.
Lake Trout	20 lb. 12 oz.

EXAMPLES:
 A 5 lb. 11 oz. Pickerel is 50% of the Kinsmen Derby Record
 A 15 lb. 9 oz. Lake Trout is 75% of the Kinsmen Derby Record
 A 27 lb. 3 oz. Maskinonge is 103% of the Kinsmen Derby Record.
 Thus the Maskinonge would be declared the Derby winner and would also establish a new record for that species.

Prizes will be awarded for the largest fish BY WEIGHT for each species but excluding those species winning the first and second prizes.

(e.g.) If the first prize is won by a walleye and second prize by a northern these two species are automatically excluded from the Classification Prizes.

TICKETS ARE AVAILABLE FROM ANY KINSMAN AND DOWNTOWN STORES — KENORA AND KEEWATIN

Around Town

Mr. and Mrs. F. B. Whitely of Kenora are among the guests this week at the Park Plaza while visiting Toronto.

Mrs. H. M. Bradley of Los Angeles, California is in town for her annual visit with her father, Mr. John Zrobach, and while in town is the guest of Mrs. William Stepanik.

KENNEDY — Linda, Brenda and Dani Kennedy are happy to announce the arrival of a little playmate, Debra Lee, on Thursday, June 25th at the St. Joseph's Hospital. The proud parents are Mr. and Mrs. Vin Kennedy.

WAGAR — Mr. and Mrs. P. Wagar (nee Daphne Paul) are happy to announce the birth of their daughter on June 25 in the Kenora General Hospital. Weight 7 pounds, 6 ounces.

Delegates Attend First Baptist Church Conference

As delegates the Rev. and Mrs. A. McCrae are attending the annual Assembly of the Baptist Convention of Ontario and Quebec, June 22nd to 25th. Immediately following they will attend the Triennial Assembly of the Baptist Federation of Canada, June 25th to 28th. Both of these gatherings are being held at Queen's University, Kingston.

While down east they will also attend a two day Workshop on Christian Education at Albert College, Belleville. This is linked with the second year emphasis of the Baptist Jubilee Advance and its theme is: Baptist Advance through Teaching and Training.

Letter To The Editor

Kenora, Ontario,
June 25, 1959

Editor,
Miner and News.
Dear Sir:

I am a Kenora citizen, employed in a business establishment on our main street. Today, shortly before noon, a gentleman strode in and asked me where he could find the Police station. In his hand was clutched a pink card - a parking ticket.

I directed him to the police station, but before he left, I advised him that I doubted very much that he would have to pay the customary fine of one dollar providing he was a vacationing tourist. He assured me that he was - "All the way from California." I felt sure that our good meter man had simply made a mistake in putting a ticket on this car and I told him so. Perhaps it was none of my business, but isn't Canadian "Good Will" everyone's business? Let's face it - Kenora has done very well by herself and I am sure that the dollars spent in various ways by a happy tourist would far exceed the one lousy dollar paid out for over-parking.

A short time later that same gentleman walked by our open door. He was shaking his head and in answer to my query, said "Yes, it cost me a dollar." He further went on to explain that he did not mind paying the dollar, but it just so happened that the particular meter he had parked in front of had been broken. He had taken the trouble to write a small note explaining this and had left it for the meter man to see. On going to the police station, he had explained this but was told in plain language that it made no difference, "One dollar please!"

Would you say that this is the way to promote good will? Is

that the kind of advertising that will bring the tourist to our beautiful country year after year? I don't think so and I doubt that I am alone in my opinion. From what this gentleman said, I don't think he will be back. Yes, he is only one man (he had a family with him by the way) but we all know that word-of-mouth is the greatest way to advertise in the world and one irate tourist can say a lot of words in a very short time.

Now that I have got this matter off my chest I feel better, but I wonder how our tourist and his family from California feel about Kenora?

A Believer in Good Will.

CABBIE GOT FLUSTERED FOWL

New York — Why did the chicken cross the road? To get to the other side of busy Fifth Avenue in the heart of Manhattan.

The flustered fowl had slipped out of a crate on a truck passing through. Squawking and screeching, she dodged honking autos and fluttered to a sidewalk.

A cab driver picked her up and tried to hand her to a patrolman. But he declined custody because he was too busy unsnarling the traffic jam the hen helped cause.

The cabbie drove off with the bird.
