FOR BEST HOME GROUNDS

MRS. P. MOMOTIUK WINS GEO. DREWERY TROPHY

In spite of the rain which lasted until noon the judging of the Home Grounds, Lawns and Vegetable Gardens was completed just before dark on Thursday. The number of entries was not as high as in some years past, but the competition was keener than usual.

The George Drewery Trophy, emblematic of horticultural supremacy in the Kenora District was won for the second year in a row by Mrs. Peter Momotiuk of 115 Regina Avenue with high points in her amateur home grounds entry. Runner up was Mrs. Herman Johnson of the Anderson Branch for an outstanding exhibit in the Open-Vegetable Garden Class.

For the past few years the judging of these garden competitions has been done by Profes-

sors from the Horticultural Branch of the University of Manitoba, but as these gentlemen were not available this year, the Directors of the Kenora Agricultural Society were reminded of the very high reputation earned by Kenora judges in other parts of the country, even as far afield as the Royal Winter Fair at Toronto. Such names as the late Mr. Duffus and the late Mr. Ascoug were mentioned as well as Mr. Jack George, Mr. John Macdonald, Mr. William Kelso and Mr. Frank Tanner whose services as Garden and Fair judges are still in very high demand by the Department of Agriculture and other communities throughout the District. The happy choice this year fell on Mr. Frank Tanner who did an outstanding job as all competitors will testify.

When interviewed Mr. Tanner stated that he was most agreeably surprised at the very high standard of excellence shown by all the gardens in spite of the adverse weather conditions. He added that his task was a difficult one as only a point or two separated most contestants. He also felt that the quality and variety of the flowers gave every hope for a wonderful display at the Fair this year, and urged all contestants as well as those not entered in the competitions to support the Agricultural Society by entering a many exhibits as possible at the annual fair.

Once again the judge commented on the large number of beautiful gardens not entered in the competitions and felt certain that many of them would have placed very highly on the score card had they allowed their gardens to be included. He had high praise for the efforts made by the various business firms, such as the C.P.R., Mando, Lake of the Wood Milling Company and the Kenora and Keewatin Parks

Boards in having such fine displays.

Mr. Tanner stated that these displays together with the efforts of private citizens, have resulted in the present attractive appearance of the town.

Keewatin Boy Wins Car

Congratulations are extended to Master Bob Allan of Keewatin, Ontario, upon winning a 1958 American Rambler car at the Lakehead Exhibition on Thursday, August 7th, 1959.

Bob is 8 years of age and is the son of Mr. and Mrs. Bob Allan.

KEEWATIN CITIZENS JOIN LEGION IN INSPIRING DECORATION DAY SERVICE

Members of the Keewatin Branch of the Canadian Legion, Branch 13 B.E.S.L. held their Annual Decoration Day Services on Sunday August 2nd.

In the morning they visited the Soldiers Plot in the cemetery where the graves of the departed were decorated, following which the Last Post and the Reveille sounded.

In the afternoon at 2:30 p.m. the parade moved off from the Athletic grounds to the Cenotaph at Beatty Park escorted by Legion Bugle Band and assisted by the Keewatin Town Band. Past President of the Local Legion W. L. Frances was chairman of the programme and after the singing of "O-Canada" he welcomed and thanked the large gathering of citizens and visit-

ors who had gathered to assist in the observance of the Decoration Day Service held for those who had paid the supreme sacrifice in World War Conflict.

The hymn "O Valiant Hearts" was sung accompanied by the Keewatin Town Band, followed by prayers offered by Rev. J. W. Whitford who remembered those who served through the years in defence of our country and in distant lands on the high seas and in the air. Those who had laid down their lives for their country and those who died in two World Wars.

Let us be grateful too, for all the blessings which we enjoy in this land, and thankful for citizenship which is our privilege, remembering that citizenship means equality for every race, colour and creed of all those who are proud to call themselves Canadians.

Mayor Hodgkinson in his brief remarks said: "We have gathered today to honour our dead but let us endeavour to remember those who paid the supreme sacrifice they gave their lives in freedom we may live in freedom."

The Scripture Lesson was read by Rev. A. Dunn, followed by the hymn, "Fight the Good Fight."

Guest speaker for the day was (Continued on Page 6)

Annual Decoration Day Service to be Held Sunday

Tomorrow, Sunday, August 9th, the annual Decoration Day Service of the Kenora Branch, Canadian Legion B.E.S.L. will be held at Memorial Park, Main Street at 2:30 p.m. All citizens and visitors to this area are invited to attend.

The programme will commence after the parade of ex-servicemen and visiting Legion members arrive at the Cenotaph after marching through town.

Following the singing of "O-Canada," candidate Robert Townsend of the Salvation Army will lead in prayer. President of the Kenora Legion, John McLaughlin will give the address of welcome. The hymn, "Onward Christian Soldiers," will be sung and the scripture read by Rev. R. J. Leighton.

The address will be given by Comrade James Milne of Crestwood-River Heights Legion No. 163.

Following the presentation of floral tributes, Comrade J. H. Olson will sound the Last Post and after the two minutes silence, the Reveille.

Prior to the afternoon service, the soldiers graves will be decorated in a special service at 9:30 a.m.

Tribute will be paid tomorrow to the following:

Watches Pay Rate
Though the RNAO is not a certified bargaining agent, it advises about pay, and suggests \$3,000 a year as the minimum for a general staff nurse.

"Unfortunately, many hospitals still do not meet the minimum," said Miss Walker.

The RNAO has mushroomed from a two-room, four employee organization in 1945 when Miss Walker joined it, to a group with 40 full-time employees working in a \$500,000 building.

Diabetes is a condition that results from lack of insulin to use up the sugar supplied by the diet. To allow the diabetic person to live normally, insulin and food must be balanced. The doctor is able to prescribe diet, insulin and exercise which will accomplish this.

Canada still has outbreaks of rabies in various parts of the country and for safety's sake, all dogs should be kept under control. Wild animals, dead or alive, should not be touched. If one appears to be sick or behaves in an unusual manner, the local game warden should be notified.

Vegetables, whether cooked simply or served with glamour of sauces or glaze, require only a limited time of cleansing and cooking. The minimum of water should be used in boiling them.

May Take Year Off Nurse's Training

Toronto — A year may be lopped off the training period for nurses as a result of studies now being made by the Registered Nurses' Association of Ontario.

Now nurses attend a school of nursing for three years before writing examinations and during the training period work in hospitals under supervision.

Miss F. H. Walker, executive secretary of the RNAO, says a student's work in a hospital often is geared to the hospital's re-

quirements, and not to the needs of the student.

Bed-Making Job
"A student need not make a bed 1,000 times to know how to make a bed," said Miss Walker "and yet this is the calibre of work she is often required to do during training."

"The RNAO thinks the training period could be cut if the educational program was devoted entirely to teaching the student, and not to providing additional labor for the hospital."

"We are now making studies to see if the course could be shortened by abolishing unnecessary repetitive work, but without lowering the standard of nursing care."

Planning the education of nurses is just one of the jobs done by the RNAO. From a four-storey building in Toronto, the organization maintains contact with 20,000 members, plus another 19,000 on the official register of nurses.

Keep High Standard
"Our job is to help keep Ontario healthy — and we do it by ensuring that nurses maintain a high professional standard," said Miss Walker.

Under provincial statutes, the RNAO keeps a register of graduate nurses, sets standards for schools of nursing and conducts nursing examinations.

It can cancel or suspend a nurse's registration if she is guilty of unprofessional conduct.

It also checks the qualifica-

Jim Ausley, manager of the Winnipeg Blue Bombers, sent word yesterday that Keith Pearce, who early this year quit football, signed a contract to play his 10th season with Bombers. Pearce, 39, a stalwart on pass defence, was to start practising with the club last night. No reason was given for his change in plans.

Ausley also announced that quarterback Jim Van Pelt suffered a dislocated bone in his left hand during the second quarter of Bombers exhibition contest here against Hamilton Tiger Cats.

It appeared at the time that Van Pelt had broken his wrist, but Ausley said there was only the one dislocated bone which has since been reduced and the X-rays now look good.

Warren Spahn of the Milwaukee Braves, tells this story on himself. Earlier this season Warren was being hit hard in a game and Milwaukee manager Fred Haney walked to the mound. Spahn quickly said to him, "I'm not tired, Fred". Haney replied: "No, but the outfielders are".

"Can't figure the Toronto Argos on this deal announced by B.C. Lions yesterday that they have signed guard Vic Kristopaitis. The 24 year old expert at kicking field goals is a three year veteran of the Toronto

Argonauts of the Eastern big four football circuit.

Lions General Manager Herb Capozzi said the deal was for cash. No sum was mentioned, although it is rumoured players will be involved later.

Meanwhile, the Lions have lost the services of second year guard Marty Martinello. The 23 year old Canadian will miss the first four to six weeks of the WIFU season because of a dislocated elbow suffered in the last exhibition game against the Ottawa Rough Riders.

When the Chicago White Sox and Baltimore Orioles get together for a game, they really stay together. Five of their games this season have been extra inning affairs. Thursday night's 18 inning deadlock was the latest. They have also played two 17 inning games and a pair of ten inning contests.

Towland Awarded Rainy River Bridge Approach Contract

Towland Construction Company has been awarded the contract for grading, granular base and hot mix paving on the Canadian approach to the international bridge at Rainy River.

Announcement was made Friday by W. G. Noden, M.P.P., on advice from the Hon. F. M. Cass, Q.C., minister of highways.

In his announcement, Mr. Noden said, "The awarding of contract 59-144 for grading, granular base and hot mix paving on the Canadian approach to the Rainy River-Baudette international bridge, including the reserved portion of Highway 71, has been awarded to Towland Construction Ltd., London, Ontario. Upon the completion of this contract the Ontario government will have finalized their agreement in connection with the bridge construction."

Work on the international traffic bridge between Rainy River and Baudette is still on schedule.

Ralph Knutson, construction supervisor for Barnett-McQueen, reported Wednesday, July 29, that three sets of caissons have been poured, another will be poured over the weekend, leaving only one set to be completed. The huge metal caissons are placed upright in the River, pilings are driven into these, and concrete is poured around and over the pilings. On these bases the concrete superstructures for the bridge are placed. Two superstructures are completed and the half-way mark has been reached on the third.

Mr. Knutson anticipates that all superstructure work for the bridge will be completed by mid-September, at which time a forced halt will be called on work because of the present steel strike in the United States.

The strike is holding up the rolling of some of the steel sections required on the deck of the bridge. Mr. Knutson said the strike probably will not interfere with the anticipated completion date of June, 1960.

Steel work should get underway sometime this coming winter when Barnett-McQueen will send in an erection crew.

Some 1200 cubic yards of concrete has already been used in making the bridge base, and before the job is completed this figure will reach 2000 yards.

At the same time as work progresses on the bridge, Towland Construction Co. of London, Ont., has already put a crew to work brushing in the approach area.

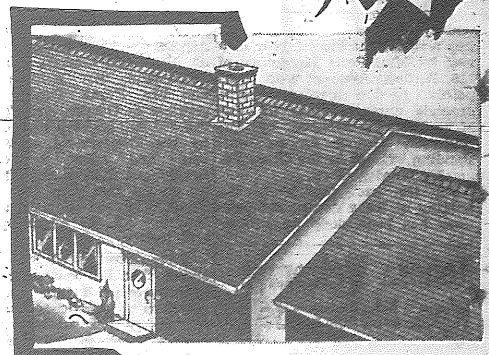

When moving to a new area, it is a good idea to ascertain what health services are available in case of need. Most communities

have a local health department where clinical service is available for children and adults. Public health nurses will call at homes if required.

Net deliveries of oil from Canadian pipe lines in April rose 16 per cent to 23,264,066 barrels from 20,074,964 in April last year.

Keewatin Citizens Join Legion

(Continued from Page 1)

Comrade R. M. Wynn, General Representative for the Veterans' Lands Act, Winnipeg, Manitoba, who was introduced by Comrade R. W. Blackwell, Winnipeg, Manitoba Secretary for the North Western Ontario and Manitoba Command. He said, although we pay tribute today to our Comrades who died on the fields of battle or who in later years passed away, honour should also be paid to three groups. Comrades paying the supreme sacrifice in order that we in Canada may live a peaceful life. Comrades who died between the wars. And the living dead, Comrades who through injury have to spend the rest of their lives living in a Military hospital and Veterans aged through years of service and War injury.

It was most gratifying Her Majesty Queen Elizabeth and His Royal Highness The Duke of Edinburgh visited with the many Comrades some in wheel chairs bed patients and other disabled Veterans at Deer Lodge.

This was a visit which meant so much to them and who were deserving of it.

We forget too soon he continued, those who didn't return and those who did but are disabled.

The Canadian Legion stands for three things - Service, Sacrifice and Companionship.

In closing, Comrade Wynn pointed out how the Maple Leaf adorning their Insignia could stand for five acts of service, in the Canadian Legion. The leaf has five points, he said, each point standing for one of the following - Faith, Generosity, Royalty, Sacrifice and the stem

service. In World War Conflict 104,000 Canadians died. We must carry on what they fought for; what you fought for, now we need more facilities to learn more about the country we live in. We must look after our youth, the citizens of tomorrow and whose parents died that we may live in peace.

Mr. Wynn concluded by asking the following question: For your tomorrow, we gave today.

Are you keeping faith? Am I keeping faith?

Floral tributes were then presented at the cenotaph by members of the Legion and the Auxiliary. Two minutes silence was observed, the Last Post and the Reveille sounded.

Benediction was given by Monsignor Hobert, followed by God Save the Queen.

Centres represented with colours were from Winnipeg, Dryden, Red Lake, Fort Frances, Kenora, Redditt, St. Vital.

Former Resident's Wife Died In City

Word has been received in Kenora of the death of Mrs. Marion Vine Hudson, of Winnipeg, wife of Clifford Hudson, formerly of Kenora and a sister-in-law of the late Gordon Hudson. The death occurred Sunday in Misericordia Hospital. She was 68 years old. Funeral services were held Wednesday in Clark Leathbridge Funeral Home with Dr. F. J. Douglas officiating.

Interment was in Garry Memorial Park.

She is survived by her husband Clifford; one daughter, Mrs. Marion E. Hess; two brothers, A. A. and C.C. Samson and one sister, Mrs. E. C. Brown.
