TELEPHONE PROGRESS

ROTARIANS ARE GIVEN PEEK INTO THE FUTURE

The scientific progress of the telephone industry with a peek into the future of the many wonderful inventions yet to come, was ably presented to members of the Kenora Rotary Club on Monday by E. C. Forrester of the Bell Telephone Public Relations Group, who presented his talk in a humorous and informative way in the language of the layman.

President J. H. Penner presided. Birthday congratulations were extended to J. O'Flaherty, two visitors, were welcomed, and attendance was 93.77% and last week 93.39%. It was announced that the District Governor would be here on December 4th, and that the Little League footballers would be guests of the club at a dinner

(Continued on Page Ten)

Keewatin Scout Group Committee Elects Officers

The Scout Group Committee of Keewatin held their annual meeting on Tuesday evening, November 14th at 8 p.m.

The election of officers took place with the following being named:

President - Mr. Wm. Wilson
Vice President - Mrs. S. Karlsson

Secretary - Mrs. B. Hanstead
Treasurer - Mr. Norman White
Ways & Means - Mrs. Shirley Foster

Trustees - S. Magnusson, W. Smith, D. Balchin and J. MacGarva

Committee Members - J. Faulconer, E. Walsh, J. Walsh, T. Orr and D. Myron

Scout Leader - R. Everard
Assistant Scout Leader - S. Earnard

Cub Leader - J. Luckasavitch
Guide Commissioner - Mrs. D. Schwartz

The Scout Committee take pleasure in welcoming Mr. Everard who has accepted such an important office as Scout Leader and feel he will endeavour to see that the morals of good Scouting will be upheld by all Scouts.

Brenda Siska Wins Second Coloring Contest

Brenda Doreen Siska, aged six, of the Transmitter Road, Kenora, was the unanimous choice of the judges for first prize in the second Miner and News Christmas Coloring Contest, sponsored by local merchants. Brenda enclosed a sales slip from Robinson's Store, and she receives as her prize, a gift certificate valued at \$5 which she may use to purchase a gift of her own choosing at any one of the participating merchants.

Second prize and a gift certificate of \$2.00 is awarded to eight-year old Kari Seppanen of 923 Eleventh Avenue North. Her sales slip was also from Robinson's Store.

Honourable mention and two tickets to the Paramount Theatre go to six-year old Marilyn Tansley of 130 Third Street North. Marilyn enclosed a sales slip from Johnson's Pharmacy. Entries are already coming

into this office for the third coloring contest. There will be a contest every Friday from now until Christmas. To date in the two contests, the venture is proving to be very popular with area children, with many entries coming in. Participating merchants are: Zeal and Goll, Lakewood Studio, Robinson's, Johnsons Pharmacy, Sherwin-Williams, King Koin Launderette.

Jim Hogg Elected President, Kenora Legion Branch

James W. Hogg was last night elected the new president of the Kenora Branch of the Royal Canadian Legion. Other officers elected to serve for the 1961-62 terms are as follows:

1st Vice - Harry Michaluk
2nd Vice - Merv Spendlow
Sgt. at Arms - Lloyd Fraser

Executive:
Executive - 2 Year Term:
John Anderson, Ralph Dowd, Don Ivey, Gerald Leaming, John McLaughlin, Bernie Sirtonski.

1 Year Term:
Orville Sellar, Bert Stevens, Axel Green, Sam Lambert, Sonny Ouellette, Lloyd Warner.

Past President - Gord White-

man
District Commander - John McLaughlin

Zone Commander - Bob Burch-

all
Deputy District Commander - Ted Dunford

Prior to the meeting 45 Legionnaires sat down to a delicious supper served in the east room by the Ladies' Auxiliary. At the regular meeting which followed some 39 members attended.

Magistrate's Court

A Nova Scotia man was given 24 hours to leave Kenora this morning in Magistrate's Court.

The man was arrested by Keewatin Police after he spent "hours" in a Keewatin restaurant. He refused to leave on the owner's request after the owner had given the accused free coffee because the Nova Scotian had no money.

The man was charged with vagrancy and sentenced to three months in jail, but considering the accused had a wife and five children in his home province and that he was apparently going to Saskatchewan to find work, Magistrate Fregeau withheld sentence for 24 hours.

Another man who was last seen in Magistrate's Court on September 25th on a charge of being intoxicated in a public place, appeared this morning as a second offender on an identical charge. He was sentenced to 50 dollars and costs or 30 days.

After three appearances in court thus far, a careless driving charge, involving a 1951 Plymouth 2-door sedan and a 1961 station wagon owned by the Town and Country Home Furnishing Company, was brought before Magistrate Fregeau Monday morning in Magistrate's Court.

No verdict, however, was given and the case was remanded until Nov. 27th.

Evidence given showed that the 1951 Plymouth station wagon owned by the T & C Home Furnishing Company received damage to the left front and right fenders, hood, left front

wheel and the steering wheel when it was struck by the 1951-2-door Plymouth sedan owned by the accused. The accused's vehicle received damage to the left door and side. The estimated damage was over 100 dollars to each car.

The accident occurred when the accused negotiated a curve on Main Street North and his car went out of control skidding into the station wagon. Magistrate Fregeau is withholding verdict until November 27th.

Another man lost 9 points from driving record and was fined 100 dollars and costs or 15 days imprisonment on a driving offense.

The man was charged with failing to remain at the scene of an accident when his car, a 1957 yellow Pontiac, struck a parked 1953 Monarch. Damage to the parked vehicle - including left end, grill, radiator and bumper - was estimated at over 75 dollars.

The usual weekend round-up of people found intoxicated in public places brought many familiar faces to Magistrate's Court Monday morning. Three of the persons accused including one woman were second offenders and were sentenced to 50 dollars and costs or 30 days. The fourth person on this charge was fined 25 dollars and costs or 10 days.

And, finally in Magistrate's Court, a Sault Ste. Marie man was fined 15 dollars and costs or 7 days when he failed to pay a restaurant bill of 75c. He was charged with attempt to defraud.

Local TV Viewers To See Winnipeg Calgary Game Wed.

In an interview with a C.B.C. Television official this morning the Miner and News was informed that Kenora will definitely receive the play-by-play of the Western Conference Playoff game tomorrow night between the Winnipeg Blue Bombers and Calgary Stampeders direct from the Winnipeg Stadium. The Blue Bombers lead the best of three final series 1-0 and could wrap it up tomorrow night.

The game will get underway in Kenora at 9:00 p.m. with the local station receiving the entire game.

The C.B.C. as yet can give us no definite answer on whether Kenora will receive the play-by-play of Eastern Conference Football game between the Toronto Argonauts and the Hamilton Tiger cats Saturday. This is the second game of a two-game total point final series which the Argos lead by 18 points and it will be played in Hamilton. We should receive more definite word on this game Thursday following the completion of the Winnipeg-Calgary game. Should Calgary win Wednesday it would force a third and deciding game in Winnipeg Saturday which would then conflict with the Eastern Playoff contest.

BULLETIN

NO ELECTION?

At press time today, it seems evident that there will be no election for the Kenora riding. Today is the deadline for the announcing by Premier Robarts of by-elections for five vacant ridings in the province. No announcement as yet has been issued from the Parliament Buildings. The Kenora riding is without a member following the death of Albert Wren, November 1st. It would appear that if no elections are announced today, a provincial election will be called in the very near future.

Editorial

NEW HORIZONS

Two significant developments presently taking place in this district, have been reported in print these past few days. Time alone will recognize their respective merits in further rolling back the frontiers to progress and record their contributions to the welfare of the area. The first report appeared in this paper Saturday and told of the purchase of C.N.R. property at Redditt by Ontario Central Airlines for the development of an aircraft overhaul and conversion plant, utilizing the abandoned roundhouse and associated facilities. The second is the report of the continuing progress at the Gordon Lake property of Nickel Mining and Smelting Company where a \$3,500,000 program is committed to bringing into production the mining of nickel ore.

Both ventures represent the breaking of new ground for this district. The vision, enterprise and resourcefulness of O.C.A. commands a deeper appreciation for the youthful owners who have already contributed in large measure to the growth and prosperity of the Kenora district in the post-war years. The advent of a producing mine is not entirely new for Kenora, but marks the first time nickel has been mined in the area and the closest producing mine to the town since the days of the old Wendigo Mine, back in the 1930's.

The good people of Redditt are naturally jubilant. The loss of their major industry with the abandonment of the divisional point by the C.N.R., threatened the immediate prospects of a "ghost town". Hopelessly isolated with no apparent resources, the village was "written off" in the minds of many; a casualty to dieselization and to progress.

But Redditt took a different view; adversity was a challenge to be utilized as a stepping stone to greater things. The pioneer Duggan family played its part when Homer Duggan proposed to Mr. Barney Lamm the idea of OCA converting the CNR roundhouse for aircraft storage. Mr. Lamm was interested and when C.N.R. people proved dubious, Mr. Bill-Benidickson offered his good offices and personal prestige to speed negotiations. Redditt now has an industry abuilding; faith and fight have been rewarded. Who cares to predict the future of the village when "never say die" people, an enterprising young company backed by solid public opinion marches forward?

To what degree the new nickel mine will contribute to this district's welfare is not as clear. Communications is the key and at the moment the only ground access to the property is a road via Manitoba. Ontario Hydro is presently going quickly ahead with the building of a half-million dollar transmission line north from Caribou Falls to be completed next April. There has been energetic and concentrated efforts made by civic leaders in Kenora to expedite the completion of the existing Hydro road north to the property. Despite this, however, and repeated statements by Provincial Government spokesmen of an awareness of the situation, the fact remains that the vehicles presently at the new nickel mine travelled over the only existing road, via Manitoba.

This situation must be quickly resolved.

Rotarians Are Given Peek

(Continued from Page One)

meeting on December 11th at 6:15 p.m.

Introduced by Rotarian C. Hayes, Mr. Forrester said that the industry today was going through a stage of miniaturization which was bringing about definite savings in size, (space) materials and power. Tiny transistors were replacing the larger tubes, and Germanium was replacing vacuum tubes. This was especially true of transistor radios.

In the transmission and reproduction of sound solar batteries

were taking energy from the sun. Today there were transistor for hearing aids, space exploration, transistor solar batteries still up in the stratosphere, telephone speaker phones, with volume control for those hard of hearing, and transistors may invade the field of medicine.

The old fashioned telephone bells since 1878 may disappear and put on a transistorized tone system. Transistors were now installed every twenty miles on the Newfoundland to Scotland cable route some three and a half miles deep in the ocean. The future may well demand a small mobile telephone to carry around in pocket and purses. There may well be a new high frequency wave to transmit telephone pictures so you can see the person you are talking to. The cost is prohibitive now, but may well be an invention of the future.

Some marvellous advances can well be anticipated, said the speaker, after demonstrating possible new inventions that may be common place in the years to come.

Rotarian E. Newman thanked the speaker and President J. Penner made the presentation of

wish to announce to the public that

New Long Distance Rates Are Now Effective

FEATURING SIZEABLE REDUCTIONS OVER LONGER MILEAGES BETWEEN POINTS IN ONTARIO AND QUEBEC.

NEW NIGHT ECONOMY PLAN

In effect from 9.00 p.m. to 4.30 a.m. daily this plan will offer callers double value on station-to-station calls of 10 minutes or more. New low night rates apply for the first five minutes and callers who wish to talk longer get each succeeding two minutes for the price of one. A 10-minute station-to-station call from Kirkland Lake to Toronto will cost \$1.55 under the economy plan. At present regular night rates the same 10-minute call costs \$3.60.

STATION-TO-STATION CALLS

Rates are generally reduced by from 5 to 75 cents for the first three minutes on calls between points more than 48 miles apart. Overtime rates are reduced correspondingly.

PERSON-TO-PERSON CALLS

Night and Sunday discount rates will be discontinued. Person-to-person rates will increase on calls between 11 and 276 miles by from 5 to 40 cents and beyond 276 miles will decrease by from 5 to 40 cents.

The new long distance rates were designed to encourage greater use of the service. They also reflect a passing on to users of the lower costs which result from growing mechanization.

LET'S TALK SPORTS

— with Larry Johnstone —

Both the Kenora Ladies and Men's Northwestern Curling Playdowns and getting into high gear with the Ladies playing the first round of their playdowns at the Kenora Curling rink this morning at 9:15 p.m.

In the opening round Styles downed Langstaff, McCunn took McKeachnie and Conlon won over Devins with Cadieux receiving the bye. The second round of the Ladies playdown is slated for November 28, the

third round December 1, the fourth round December 5, the fifth round December 12, the sixth round January 5 and the seventh round January 9.

Although there are not too many rinks entered yet in the Kenora Men's Bier Playdowns, the event is shaping up as one of the toughest playdowns in quite a few years at the Kenora Curling rink. Last year's defending District Champion Doc Redding, heads the list with his foursome. This year Redding will have Gordie Peterson on his rink in place of Bill Sawkins who is building a house and still has a lot to complete. Peterson will take over as lead and Punch Hansen will move up to second in place of Sawkins. The Redding rink put up a very good fight in the Northwestern Playdowns in Port Arthur last year and they have now set their sights on the playdowns this season that will be played in Fort Frances. But is possible won't be that easy for the Redding quartet since former District Champions, Ken Johnson and Jimmy Guy have entered rinks along with a couple of other tough foursome skipped by Bill Lavergne and Don Dingwal. A reminder to curlers also that the deadline for entries in the Brier Playdowns here in Kenora is November 29.

Junior Royals Lineup Exhibitions

The Fort Frances Royals of the Northwestern Ontario Junior Hockey League have arranged a number of exhibition games already to keep the team in good shape in their search for the

Memorial Cup, signifying Junior Hockey Supremacy in Canada.

The Royals under coach Willie Toninato will take on the Brandon Wheat Kings of the Manitoba Junior Hockey League and have a real strong contender made up of talent from all across Canada and the United States. Toninato has gone on record as saying if his club keeps up the hustle they have displayed in practice so far he wouldn't doubt that his charges could hand the Brandon club a surprise in the two exhibition tilts.

Before meeting the Brandon club the Royals have arranged an exhibition game with the Eveleth Rangers in Eveleth for November 27 and they may also meet other teams from the Iron Range area in the States at the same time. The University of Minnesota club in Duluth may also make a trip to Fort Frances for a pair of games in January.

The Royals also have their ten scheduled league games to play with the Kenora Junior Thistles the only other team in the Northwestern League and the opening game of the 1961-62 schedule is slated for December 10 in Fort Frances. The winner of the Northwestern League then goes on to meet the Lakehead Champion in a playoff for the Thunder Bay District Junior Championship.

berg took his second win over Markham and Ian Cameron won over Punch Hansen in an extra short game. Hamilton edged Bill White and Jack MacFarlane handed Norm Fields his first loss.

Standings are as follows:

NUTRITION & HEALTH IN AN ATOMIC AGE

What means can be adopted to minimize nutritional hazards to health, should the level of radioactive iodine or Strontium 90 reach a point, where the elements of nutrition would be adversely affected.

As growing children would be the most susceptible, due to their constitution not being fully developed, much emphasis has been placed on milk in the diet, although many other foods would be equally affected.

With reference to this matter, officials of the department of Agriculture and National Health and Welfare, admit, that it is possible the metabolism of the cow would tend to remove significant amounts of radioactive iodine from the feed as is the case with Strontium 90. Hence foods used in a more direct way would be the more dangerous.

U.S. authorities have stated that only 5% of the debris from the current tests, will be deposited this year. Fortunately by then the danger of radioactive iodine will have passed, as it has only a half life of eight days. Every eight days its strength is reduced by 50%. In about four weeks it has almost disappeared.

However the longer lived Strontium 90, which looks and acts like calcium, and may be mistaken for calcium by body metabolism, would constitute the main threat to children especially if their diet should be deficient in calcium.

Calcium is a very essential food element for bone building including bone marrow, which controls hemoglobin in the blood.

Vitamin D is not a food but is essential for body metabolism to assimilate and utilize calcium.

Health Department officials are keeping a close check on radioactive fall-out and should levels reach close to the danger mark, they plan to institute such safeguards as stockpiling dried milk, produced prior to this danger point being reached, and having fresh milk converted to powder form which in a short time, would lose much of its radioactive elements.

Two American scientists have also developed equipment which they claim will remove Strontium 90 from milk, but further tests are still required to determine its full effectiveness.

In view of the above it would appear that in the event of fall-out reaching a dangerous level the best safeguard would be to keep the body well supplied with calcium and vitamin D, especially in growing children.

In milk, calcium is found only in the "milk solids not fat" whereas Vitamin D is found only in the milk butterfat.

Since the danger has become even remotely possible, LAKELAND DAIRIES have currently increased the "milk solids not fat" in homogenized milk from the normal 8.6% to approximately 9.5%. In low-fat milk it would approximate 10%. Also with H.T.S.T. pasteurizing and vacuumizing all the calcium in the milk is conserved and does not precipitate or adhere to the equipment, which in other types of pasteurizers is lost through cleaning of the vats.

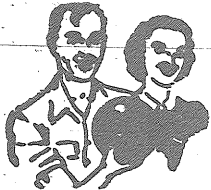

These measures of adding and conserving the calcium in milk tends to reduce the possibility of body metabolism, seeking substitutes for the very necessary calcium growing children require.

LAKELAND DAIRIES LIMITED

Sports MENU

There is action this evening in the Kenora Men's Bowling League with games scheduled for 7:15 p.m. and 9:00 p.m. at the Kenora Bowling Alleys.

The Ladies Physical Fitness Classes are slated for tonight at two locations. One class will take place at the Keewatin Memorial Building and another at the King George Public School Auditorium. Both classes get underway at 8:00 p.m. and all ladies interested, are welcome to attend.

COMMERCIAL MIXED BOWLING NEWS

Last week Terry McDonald led the way for men and women in scoring when he bowled 348 and 299 for 829. His 348 is now high single to date for the men. Good going Terry. 12,079 Teachers Take New Courses

Ontario teachers are working harder than ever before to improve their qualifications.

This summer, the number of teachers taking summer courses from the provincial department of education jumped by 21 per cent to 7,079 — a record. Another 5,000 were summer students at universities.

An end to the teacher shortage

and higher pay are credited with the improvement. Teacher's college graduates now number about 5,000 a year, or enough to meet the demand. In cities, where more want to work, there's actually a surplus.

As a result, there's more competition for promotions, which go to the best qualified. Those with low inspectors' ratings now have to consider a replacement for them may be waiting in the wings if they fail to deliver the goods.

Teachers can earn increases as they improve their qualifications. In Toronto, a typical area, a teacher with only teachers' college training can earn up to \$6,000. But every university training in summer school courses adds \$500 to \$800 annually. Only 12 per cent of Ontario's elementary teachers have complete university degrees, al-

though all secondary teachers have either degrees or technical or commercial training equivalent in time to degrees.

The Furneaux Islands between Tasmania and the Australian mainland were discovered by the British navigator Tobias Fur-

neaux in 1773.

Regret is to humans what mud is to hogs — it's good only for wallowing in.

About 10 per cent of Canada's electrical energy is produced by thermal plants.

THE MINER AND NEWS CIRCULATION IS

NOW - OVER 4,000

November 20th, 1961

Dear Subscriber:

Some ten months ago we launched the Red Lake - Kenora District Miner, a weekly newspaper to fill the vacuum created when we suspended publishing the Kenora Daily Reminder. You were kind enough to support us with your subscription.

Quite frankly, we have found that our time is fully consumed with the production of a daily newspaper, and the weekly has suffered somewhat as a result.

We have decided, therefore, to suspend the Red Lake - Kenora Weekly Miner immediately. We are taking the liberty of mailing to you the Daily Miner and News for the same subscription period. It is our way of saying "thank you" for your interest.

I know you will appreciate the fuller news coverage and pictures in the Daily. Never before have so many Kenora, Keewatin and district citizens subscribed to any single newspaper and never before has it been possible for the Miner to carry the news-gathering staff it enjoys today.

I hope you like your daily paper, and that you will continue your subscription next year when renewal time rolls around.

Sincerely yours,

Stuart King,
Publisher

AND

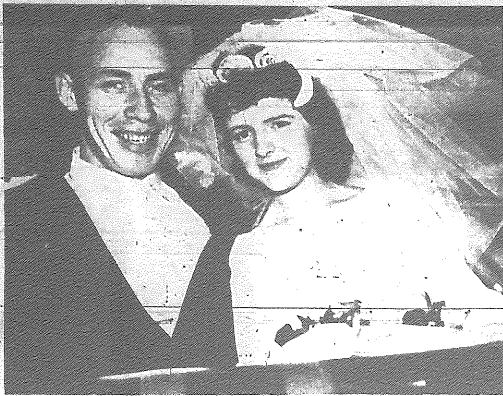

STILL GROWING STEADILY

The letter at the left was sent out to each subscriber of the Red Lake-Kenora District Miner this week. The text is self-explanatory.

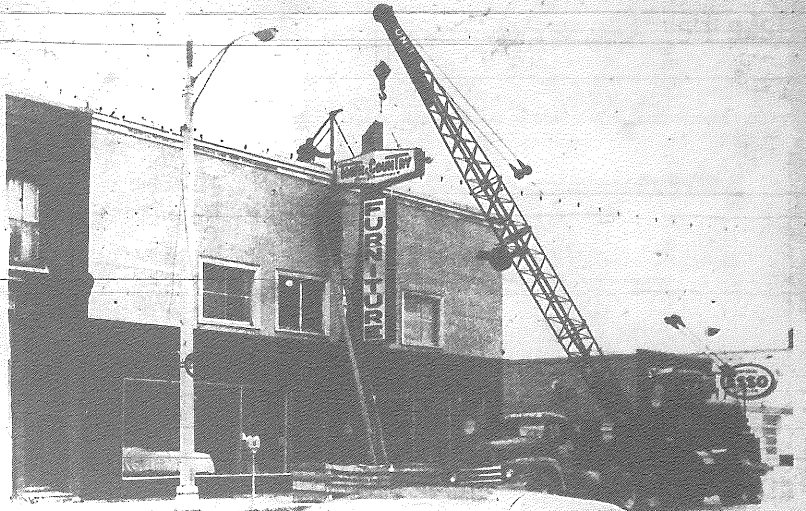

What isn't apparent is the fact that starting this week, the circulation of the Miner and News will reach the magic 4,000 figure.

Each day 4,000 families pay for and read the Miner and News.

BE ASSURED THAT WHEN YOUR ADVERTISEMENT APPEARS IN THE MINER AND NEWS MOST EVERY FAMILY IN THIS RETAIL SHOPPING AREA READS IT

Mr. and Mrs. Wilfred Haney smile happily after their wedding in Notre Dame Church, Kenora, October 28th. The bride was the former Janette Alvina Dufresne, daughter of Mr. and Mrs. F. O. Dufresne.

DOWNTOWN KENORA IS BRIGHTER AND SECOND STREET A LITTLE GAYER, THANKS TO THE ADDITION OF A NEW SIGN. THESE M & N PHOTOS SHOW THE BEFORE AND AFTER VIEWS.

Bracelets Ideal Gift This Year

It's not always easy to come up with an exciting idea for a personalized Christmas gift but the new shorter-sleeved suits and dresses give an excellent clue for lists this year.

The high rate of wrist exposure and forearm showing beneath the sleeves of new ready-to-wear points up the need for a jeweled cover-up and paired bracelets are the answer.

There's an exciting new look to the latest bracelets to give color and eye appeal to new costumes. New bracelets include colorful dome-shaped beauties, encrusted with bright stones, and others that give a dimensional look through textured metal surfacing. There are twisted effects, octagonal shapes and even metallic fringe accents in new bracelets as well as the classic narrow bangles that remain popular.

Boy Almost Too Modest

LOUISVILLE, Ky. — Ricky Ragazine, 4, learned his lessons in modesty almost too well.

His mother, Mrs. Jennie Ragazine, fell into a furnace pipe Thursday while trying to retrieve a broom that had fallen into it.

She couldn't get out and her screams awakened Ricky. "Run to the neighbors and get somebody to help me," she said she told Ricky.

His reply: "Mommie I just have my underpants on. I'm ashamed to go outside."

Mrs. Ragazine begged and pleaded. Finally, after about half an hour, Ricky ventured next door, clad in his underpants, to get help.

The neighbor called police and by the time they arrived had Mrs. Ragazine out of the pipe.

First American racehorse to win \$100,000 was Miss Woodford, which in the 1880s won 37 of 48 starts for a total of \$118,270.

SOD TURNING CEREMONY

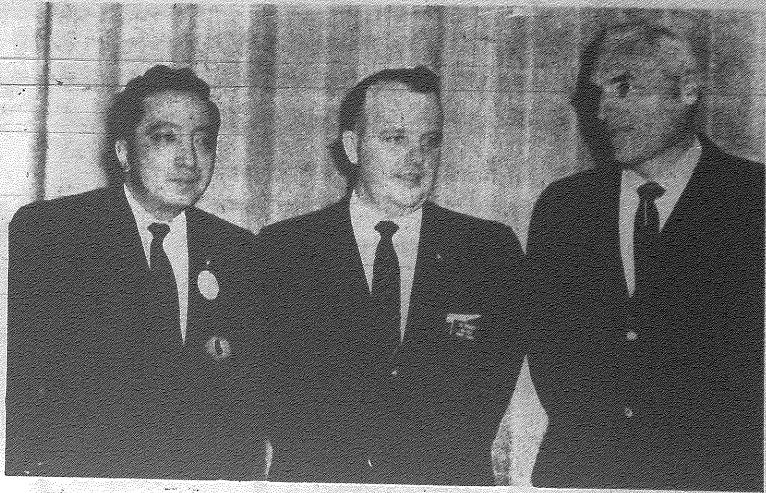

Left to right, G. M. Mayne, Norman R. Wilson, and Arthur Beverage Company's general expansion program taking part in the ceremony.

W. J. Doran, president of Doran's Northern Ontario Breweries Ltd., Macor Wilson, J. M. Coulter, Sault Ste. Marie, executive vice-president, and Gravelle, local manager.

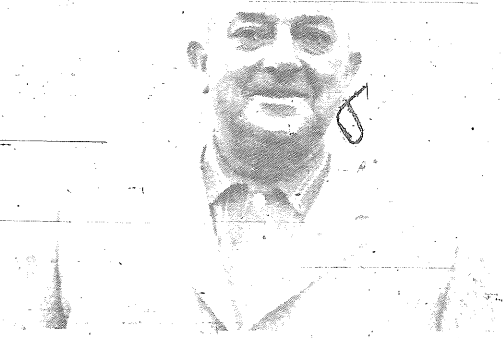

The building will house a brewers retail store at 172 north Algoma St., and should be completed early in December with parking facilities featured.

President of the Kenora Chamber of Commerce, Mr. Al Klassen is seen above left with Mr. Al Baily, National Vice President of the Jaycees. Mr. Baily was guest speaker at the annual bosses night held Friday in the Kenricia Hotel.

National Vice President of the Junior Chamber of Commerce, Mr. Al Baily, of Toronto is seen above at the annual bosses' night held in the Kenricia Hotel on Friday evening. At left of photo with Mr. Baily is Hiro Oshiro of Kenora Past National Vice President of the Jaycees and at the right is Alderman (Acting Mayor) Larry Johnson who represented the town of Kenora at the gathering.

IN MEMORIAM
RUMPEL—In loving memory of our dear husband and father Henry Rumpel, who passed away November 21st, 1960. If all the world were ours to give, We'd give it yes and more, To see your loving smile again, And greet you at the door. How oft there comes before us, Your dear face, kind and true, For death can never take away Our memories of you. — Lovingly remembered by his wife Yvonne and children.

ANNOUNCEMENTS

The Ladies' Aid of the Presbyterian Church will hold their Annual Tea and Sale at the Kenricia Hotel on Saturday, December 2nd from 3 to 4.30 p.m. Home Baking and Christmas Novelties, Christmas cakes and puddings and Indian Bead Work will be on sale.

Members of Lodge 305, B. of L.F. and E. and members of Lady of the Lake Lodge 420 are advised to phone the name and ages of all children 10 years of age and under to the following numbers. This is for the annual Xmas Party to be held in the I.O.O.F. Hall on December 17th at 2 p.m. The phone numbers to call are HO 8-7947 or HO 8-9606 or HO 8-8778. Closing date for receiving names is December 2nd.

Mount Carmel Home and School Association will hold a meeting Wednesday, November 22 at 8.15 p.m. in Notre Dame Parish Hall. This is our Citizenship Meeting and we will have Rev. Father A. Simbalist outline a film strip "Communism On The Map".

Attention duplicate bridge players. The Duplicate Bridge Club will meet in the Canadian Legion Hall Wednesday evening, 8 p.m.

St. Alban's Evening Branch of the W.A. are having their Christmas Tea, Bake Sale and Sewing Table, in the Parish Hall on November 25, from 2.30 p.m. until 5 p.m.

ATTENTION ALL BRIDGE PLAYERS

The Kenora Keewatin Business and Professional Womens Club are holding their annual bridge party in the Kenricia Hotel, Thursday evening at 8.30. All men and women bridge players are invited to attend. There is a variety of prizes to be won and you needn't be a top notch player to win one of the prizes. Following play, lunch will be served. Proceeds are for the Club's Student Loan Fund. Anyone wishing to attend, may reserve a table by phoning, HO 8 9739, or KI 8-4028. It is preferable that a table (four players) be reserved. Tickets are priced at \$1.25 each.

In shorter time than you think you will be mailing your 1961 Christmas greeting cards. The Miner and News, with an outstanding selection this year, invites you to call HO 8-8936 and have a representative leave a sample book with you. The beautiful cards from four manufacturing companies, are distinctly different, and priced quite mod-

erately. Call today or drop into the Miner and News office.

The regular monthly meeting of the Lake Woodena Rebekah Lodge No. 183, will be held in the I.O.O.F. Hall, Tuesday, November 21 at 8 p.m. Our new officers will be in the chairs.

The regular monthly meeting of Scenic Lodge No. 833, Ladies' Auxiliary to B. of R.T. will be held in the I.O.O.F. Hall on Wednesday, 22nd Nov. at 8 p.m. Election of officers will take place and a good attendance of members is requested. Pot Luck lunch will be served.

GENERAL HOSPITAL EXPANSION CAMPAIGN NOTES

The General Canvass went exceptionally well last week, with strong support from O & M and C.P.R. employees. The increase was approximately \$2,400.00 which brings our grand total up to more than \$626,000.00.

Our special thanks to three more citizens who called at our office to make contributions rather than wait for the canvassers. The total amount contributed to this campaign by the General Canvass thus far is approximately \$165,000.00. Our original objective in this category was \$200,000.00.

We should be able to reach that objective and perhaps exceed it. It is difficult to be accurate without making a very careful check, but it would appear that approximately two-thirds of our citizens are now financially supporting the hospital campaign and about one-third have not yet done so.

At our present rate of progress the majority of this one-third will support our project, in due course, but it takes time to contact each one. In the meantime, work is proceeding and during the next 12 months, we are going to need the money.

All this adds up to one thing - we need your support now - Why not drop into our office and fix up your card.

Signs of construction progress at the hospital are much more evident. Blasting is practically completed. Footings have been poured on the basement section of the South Wing. Forming of walls has been started and forming of the second floor of the North Wing is nearing completion.

As of November 10th, 26 local men were employed and 9 non-local. An increase in local labour is expected as forming progresses on the South Wing.

Can. Legion L.A. Plan Christmas Party Dec. 16

The regular monthly meeting of the Ladies Auxiliary to the Royal Canadian Legion Branch No. 12 Kenora was held in the East Room of the Legion Building on Tuesday November 14 with 59 members present. The President Mrs. E. McCulloch presided. The meeting opened with the presentation of colours and the singing of "C'Canada". Flag bearers were Mrs. Ricky Cox and Mrs. Marylou Kelly with Mrs. Anne Cairns and Mrs. Cora Dowsell as guards. Mrs. Bell was at the piano. Minutes of the last general and executive meetings were read by the secretary Mrs. Edna Sellers as well as many thank you cards and letters of appreciation from members and veterans in hospital and those confined by illness to their homes. Mrs. Pauline Hill gave the treasure's report. We were pleased to welcome Mrs. Mary Forbes and Mrs. Jackie Clarke of the Keewatin Auxiliary to our meeting. There was one application for membership. Reports of the various committees were given and showed that all had been busy the past month. Mrs. Lil Alcock - Ways and Means Convener reported on the Annual Remembrance Day Tea, held in the Kenora Hotel, Saturday, November 4 and thanked all members for their donations and work which made the tea such a success. The prize winners for the draw were Mrs. Veronica Holmes, Mrs. C. Farmer and Miss Mary-Anne Mundy respectively. The annual Childrens Xmas Tree Party will be held in the Legion Auditorium on Saturday Dec. 16 for members who had their names of children opened in before the deadline date.

Donations were made to the Rearded Children's fund and the annual Veterans Xmas Tree in Winnipeg. The traveling prize was won by Mrs. Jessie Ouellette

The meeting was then turned over to Mrs. Margaret Millings who conducted nominations and election of officers for the forthcoming year. These elected to office were:

- President - Mrs. Eileen McCulloch
- 1st Vice President - Mrs. June Gauld
- 2nd Vice President - Mrs. Edna Sellers
- Treasurer - Mrs. Pauline Hill
- Warden - Mrs. Daisy Lambert
- Membership Convener - Mrs. Vi Wyder

- Sick & Welfare - Mrs. Kay Sinclair
 - Ways & Means - Lil Alcock
 - Social Convener - Mrs. Francis Priece
 - Entertainment - Mrs. Evelyn Farrell
 - Publicity - Mrs. Eunice Bailantyne
 - Check Room - Mrs. Jessie Ouellette
 - Flag Bearers - Mrs. Marylou Kelly, Mrs. Anne Cairns
 - Guards - Mrs. Cora Dowsell, Mrs. Audry Toth
- The next meeting which will be held on Tuesday December 12 will be our annual Xmas Party and all members are requested to bring a gift not less than 50 cents to be put under the Christmas Tree.
- The meeting closed with "The Queen" and the retiring of the colours. Lunch was served.

Looking Backward

(From the Files of the Miner and News)

The following items are excerpts from the files of the Kenora Miner and News of November, 1906.

Messrs. Jos. Johnson and J. F. MacGillivray attended the meeting of the Manitoba Amateur Hockey League at Winnipeg, Saturday night.

With completion of our big power development in sight and the assurance that there will be an immense surplus of power over our present needs, the question of an electric railway to connect Kenora and Keewatin should be thoroughly considered before the next municipal election. The present council were asked months ago to secure estimates of the cost of such a road from some competent engineer.

Town solicitor McLennan has received notice from the solicitors of the Keewatin Power Co. and the Hudson Bay Co. of their intention of going to the full court of appeal in the power case, which was decided against them and in favour of the town by Justice Anglin.

Harold Jarvis, Canada's greatest tenor singer, in the Hilliard Opera House, Thursday evening, 22nd November.

At the adjourned meeting of the council, held Tuesday afternoon. Mr. Read of Moose Jaw was engaged for the term of one general superintendent of the electric light and telephone department and also of other municipal work at a salary of \$2,000 per annum.

The by-law to close up and convey to the Maple Leaf Milling Co., and to the C.P.R. those portions of Railway Street and East Fort Street lying between Hamilton and Campbell Streets, and also part of Julius Street, received its first two readings.

Many interesting advertisements were found in the files of the Miner and News of 55 years ago.

The Gee Whizz is the name of a new washing machine advertised at Hose and Conniff.

At R. W. Terrier apples were selling at \$4 and \$4.25 a barrel.

"Try our new smoking mixture, cool and sweet, the kind you can smoke in the house," is the kind of tobacco sold at Harry Frost's opposite Imperial Bank Block.

The C. Turnbull Co. Ltd., Galt Ontario advertise Ceteee unshrinkable underwear which is absolutely guaranteed not to shrink, get out of shape or become hard in washing.

Ladies' Handy Hat Fasteners. They fill a long-felt want and keep a hat on better than four hat pins. Call and see them at Miss Malcolm's Millinery Store.

The citizens of the westward will get a pure water supply when they are willing to pay for it. The board of education's suggestion for an electric pump and a pipe out into the lake is about the best solution of the Norman water difficulty. The westward ratepayers should get busy, petition the council for this improvement and have it put to them in their yearly tax bills.

The following poem is contributed by one who signs himself a sufferer.

Our beautiful electric light,
Twinkle, dim electric light,
You are almost out of sight,
Like a feeble, dying spark,
Like a firefly in the dark.

Twinkle, twinkle hit or miss,
Tell me how you came to this,
Did the company orders take
For more lights than it could
make?

Twinkle, twinkle, nervous light
You have had some dreadful
fright,
Tell me dear, what caused the
shock,
Was it water in the stock?

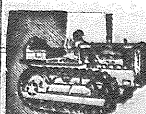

My you are a ghostly hue,
Sometimes red and sometimes
blue,
Is this the best come tell me true
Public ownership can do?

Tell me, wayward infant light
Where's your poppa, Mr.
Wright?
Does he really know you're out?
When public ownership's about.

Bookkeepers can't read or write,
Factory work is tied up tight,
Merchants blue and in the moods,
Customers can't see their goods.

Twinkle, twinkle little bill,
Yes, ah yes I know you will
Be as large as ever, of old,
For the town needs the gold.
