O.P.P. REPORT

The Ontario Provincial Police Detachments at Kenora, Sioux Narrows and Minaki report the following activities for the week ending December 16th, 1967.

Personnel from these detachments travelled a total distance of 6,195 miles on King's Highways and Secondary Roads, safety checked 234 vehicles, issued 37 warnings and laid eight charges for various infractions under the Highway Traffic Act of Ontario. Total hours worked, 968.

At approximately 5:20 a.m., on December 16th, 1967 a resident of Dryden, Ontario, Roger Kenneth Burns, age 24 years was instantly killed when his vehicle left the highway at Sun Lake and travelled over a 47 foot embankment then coming to rest on the ice of Sun Lake. Mr. Burns was alone in his automobile.

A resident of Vermilion Bay, Ontario was very forunate indeed when his vehicle went out of control on an icy patch of highway at Willard Lake and entered the ditch on the north side of the highway. The accident happened at approximately 2:00 a.m., the morning of December 16th, 1967. The vehicle, a 1962 Chevrolet Convertible, valued at $1500.00, was completely destroyed. The driver had been taken to the Dryden Hospital where it was reported that he suffered lacerations to his face and leg.

Three other motor vehicle accidents of a less serious nature were also investigated. The driver in one case was charged with "Failing to Yield Right of Way at a Stop Sign".

Sioux Narrows detachment investigated one motor vehicle accident involving one vehicle. Damage to the vehicle was approximately $75. There were no injuries and no charges were laid.

Minaki personnel had an accident free week.

Kenora Detachment recovered two stolen vehicles for other Police Forces, investigated 1 death and maintained 2 road blocks over the week. Criminal investigators are presently

(Continued on Page Sixteen)

Coloring Contest Winners

Winners of the Miner and News Christmas Colouring Contest have been announced. The first prize winner was Wayne Karstedt of 318 Mikado Avenue, Kenora, who is seven years of age. Second was Billy Bohoslawec, 6, 1000 Valley Drive, Kenora.

Receiving honourable mention were nine year old Karen Phillipaw of 1324 Valley Drive, Kenora and Janet Zalkiewski, 12, of 1713 Railway Street, R.R.1., Kenora Ontario.

Many hundreds of entries have been received in the weekly contest and judges kept busy assessing the art works of the many participating children.

Late News Bulletins

The Federal and Quebec governments and the City of Montreal have reached agreement on how assets of Expo 67 are to be divided. Trade Minister Winters says the City of Montreal will take over all Expo 67 assets on Ile Notre-Dame and Ile Ste. Helen January 1st. Mr. Winters says in a statement the agreement relieves the Canadian Corporation for the World Fair of its obligation to restore the site to its original condition. The only asset that won't go directly to a government is the Expo Express, which will be sold through public tender.

* * *

Liberal Senator Ross MacDonald has resigned from the Senate. Senator MacDonald, from Brantford, Ontario, sat in the House of Commons as a Liberal from 1935 to 1953. He will be 76 years old Christmas day.

* * *

A Norwegian ship is racing against time to reach a Japanese port before its cargo eats away its hull. The owners of the Anatina report that some of the 14 thousand tons of copper concentrate in the hold became soaked with sea water during a typhoon. This produced a chemical which started eating through the first layer of the ship's double bottom. The 15-thousand-ton vessel will take four or five days to reach Osaka. Sixteen of the 21 crew members have been taken on board a German ship, the Dora Fitzen, which is following the Anatina.

* * *

President Johnson is in Khorat, Thailand. He flew there secretly without telling newsmen. It is the latest leg in the President's mystery trip from Australia. Johnson is spending the night at the American-built air base at Khorat. He toured the base and told American pilots there he knows he is a poor excuse for their wives and families. But—the President said—"I wanted so much to be with you at Christmas." Khorat is a staging area for U.S. raids on North Vietnam. There is speculation Johnson may visit U.S. soldiers in Vietnam before returning home. But there is no comment from U.S. officials. And just where the President will go next is a secret. He is returning from Australia where he paid his last respects to Prime Minister Harold Holt who disappeared while swimming Sunday. A Vatican spokesman indicates President Johnson will pay a private visit to Pope Paul tomorrow. However, the spokesman says the official attitude on the matter is to neither confirm or deny the possibility of a visit.

* * *

West Germany's railway bomber, who played a cat-and-mouse game with police for eight years, is finally in custody. Police identified him as 40-year-old Alexander Hembluck, who took a false name—Phantom Roy Clark—from a popular German detective novel. He was responsible for several small explosions on railway property in the Hamburg and Bremen area. Earlier this year, Phantom fever swept the northern part of West Germany as the bomber stepped up his threats of explosions and chided police for their failure to catch him.

Doug Wilson Named President Outfitters

Doug Wilson of Kipling Island Camp, Kenora Ontario has been named president of the Northern Ontario Tourist Outfitters Association at the 40th annual convention of the association held at the Empire Hotel in North Bay. There were over 300 delegates in atttendance. Some 30 resolutions were presented to the convention on a large variety of subjects and 17 of them were passed.

Vice presidents named were Leo Shapiro of Fort Frances, Peter Hughes of Cochrane and Irv Fivek of Sioux Lookout.

The members were reminded that the 1968 pickerel season in Northern Ontario will open on May 15th, except in areas where there is no closed season.

The Moose committee reported that it is still working on the problems of moose management and hunting control.

Plans Complete For Christmas Eve Pageant

Citizens of Keewatin and Kenora, and surrounding districts let us prepare ourselves to go in heart and mind to Bethlehem and see the child lying in a manger. The procession will begin at 7:30 p.m. from St. Andrews' United Church, on Bay Street. It will proceed west on Ottawa Street past the Nativity scene to Lake Street, south on Lake Street to Superior Street, east on Superior Street past St. James Roman Catholic Church to Main Street to the Creche at the corner of Ottawa and Main. Carols will be sung during the procession, and several hundred carol sheets have been prepared. Plan to join in the procession, to sing familiar Christmas carols and to worship as the Nativity Pageant portrays the Shepherds, the Star, the Birth of Christ and the Wise men.

You are again reminded to dress warmly, bring a flashlight and form up on Ottawa Street east of Bay Street prior to march off. This is not a spectator event, all are expected to be a part of the Pilgrimage to Bethlehem.

On arrival at the Creche we would ask that the area in front of the Creche be kept clear for the choirs and those taking part in the Pageant.

As this Centennial year draws to a close let us thank God for His gift to the world, The Son of God, the Son of Mary, the Babe of Bethlehem.

— Smiles —

Overheard in a southern Missouri hardware store: "How well do you know him?" "Not very well, I ain't ever hunted with him."

WEATHER

Cloudy with snowflurries clearing late this afternoon. A little colder on Saturday. Winds Northwest 15. Low tonight and high on Saturday at Kenora and Red Lake 15 below and 5 below.

PRISON ESCAPEES HELD HERE AWAITING TRIAL

Two Americans who escaped from the Larch Mountain Honor Camp in Washington November 26 were arrested by Dryden Town Police Wednesday night. They were subsequently charged with being in possession of burglary tools and are in custody in Kenora awaiting trial in Dryden early in the New Year.

The two men are Howard Francis Morigeau, 36, and Ronald Armond Hall, 20.

According to town police, the two admitted stealing a car near Portland, Oregon, then transferred to another stolen car in Priest River, Idaho. They entered Canada at Monchy, Sask. after allegedly stealing license plates from other vehicles. The automobile they were driving when arrested in Dryden bore Montana plates.

One of the men admitted a break-in in Alberta and the other to one in Saskatchewan.

Morigeau and Hall were arrested by Constables George McMonagle andSam Hawrychuk during a spot check on Whyte Avenue, near Duke Street, around 10:30 p.m. Wednesday. A box of buglary tools were found in their car, along with what police believe to be other stolen articles.

After their trial in Dryden, the two men will be returned to Saskatchewan and Alberta to face further charges.

RADIO PATROL WINNERS

Winners please come to the Fire Hall for a receipt before picking up prizes.

Larry Penno, 334 2nd St. N. - Platform Rocker from Town and Country.

"Snow White And The Seven Dwarfs"

IT'S YOU AGAIN. When Snow White sends the seven dwarfs off to work in the morning, she kisses each of them goodbye. Dopey, who likes to be kissed comes back for seconds and thirds in Walt Disney's animation classic, "Snow White and the Seven Dwarfs." In color by Technicolor, the Academy Award-winning cartoon feature is being re-released during its 30th anniversary by Buena Vista.

Paramount's Christmas treat for kiddies, opens Sunday for a brief run in Kenora.

KNOW YOUR POLICE FORCE

PROVINCIAL CONSTABLE A. E. MILLER

Formerly of Markham, Ontario, Constable A. E. Miller prior to joining the Ontario Provincial Police, served in the Royal Canadian Navy Volunteer Reserve from March, 1944 to April, 1946. After leaving the Service, Eric was employed with General Motors Frigidaire Division, Scarborough, Ontario up until April, 1958 at which time he joined the Ontario Provincial Police and was posted directly to Kenora Detachment. Eric has served at Sioux Narrows, Minaki and Kenora Detachments.

He is married to the former Lois Johnson of Brandon, Manitoba. They have three children — Gregory age 8, Merrilynn, age 6 and Karla, age five. All are attending North Ward Public School.

Constable Miller's hobbies consist of Gardening and Fishing. His spare time is taken up by remodelling and painting his home that he purchased on his return to Kenora from Minaki Detachment.

South Arabia sprawls over 112,000 square miles—an area the size of Labrador—and has a population of about 1,000,000.

HORSES RESCUED

LAUREL, Md. An automatic sprinkler system installed this year was credited with speedy rescue of 55 thoroughbreds from two burning barns at Laurel Race Course late Tuesday night. Fire Chief Richard Grace of Laurel said "it was an obvious case of arson. The fires appeared to have started simultaneously in the feed rooms of the two barns about 200 yards apart.

THE KENORA FIRE DEPARTMENT EXTENDS SINCERE THANKS

- To all who donated money for the worthy cause
- To all those Merchants of Kenora and Keewatin who donated merchandise to the Radio Patrol.
- To Radio Station CJRL
- To all who bought Subscribers Tickets to the Radio Patrol
- To all those who sold tickets
- To the many ladies who dressed dolls
- To the Girl Guides for special effort
- To the Kenora Branch of the Royal Canadian Legion

AND TO EVERYONE WHO IN ANY WAY ASSISTED IN MAKING THE RADIO PATROL SUCH A GRAND SUCCESS

THIRD ST. NORTH

Texstyles

Madeleine Levason

A special holiday remembrance is due 1967 before it fades out in the festive rush. It really was the year for Canada and left a legacy of long-term benefits for us to enjoy in 1968 and for many years to come.

That world dazzling show, Expo '67, will have no less future impact on our citizens than the myriad centennial projects built in towns and cities across the country. It may have officially ended but Expo's effect on design, furnishing and decoration and fashion in all its forms, will be felt by Canadians whether they visited the fair or not.

Habitat, the revolutionary housing complex, is already being copied in Toronto and U.S. builders are consulting with the Canadian architect. The Canadian furniture, textiles and carpet industries which furnished the display suites at Habitat, report exciting new interest in style-setting furniture, in upholstery fabrics, draperies, carpets and other items.

The housing display was only one showcase for fabric and fashion at "Man and His World". Textiles were on display throughout the fair, in clothes, uniforms, decoration, overhead and underfoot.

"The Great Canadian Fashion Caper", the spectacular show viewed weekly by thousands of visitors to the fair presented a cross-section of clothes which critics compared "in style, excitement and color with any in the world." Now U.S. buyers in ever increasing numbers are shopping the fashion centres of Canada and are "importing" more fashions from Canada than ever before.

It was the international aspect of Expo which did the most for Canadian fashions and textiles. The traditionally skeptical citizen could see for herself that her own country's goods did compare favorably with those on show in the foreign pavilions.

Even the non-skeptics were agreeably surprised at the attractive design and decor seen in provincial pavilions. They asked questions about carpets and fabrics, and compared chic hostess uniforms with those of other countries.

The younger generation, because of Expo, will expect much more from the style setters of today. Children whose eyes and minds are so sharp to new impressions will have consciously or sub-consciously acquired a sense of style from the elegance of design and taste that was everywhere at Expo.

The world's new awareness of Canada is important in terms of trade but Canadians' new awareness of themselves and their products is the best legacy 1967 can leave.

Miami, Fla. Three months after her birth, Crandon Park's baby aardvark has a name. The long-nosed, badly wrinkled little animal will be known as Aardy.

Zoo officials chose the name from 1,405 entries submitted in a nationwide conest. The winning entry was submitted by a Miami ninth grader, Jackie Edmond.

Aardy is the second aardvark born in captivity, and the first ever in the Western Hemisphere.

Hobbs, N.M. The New Mexico Junior College snow dance finally was held Tuesday night after being postponed from last week because of snow.

TOP AFL COACH

New York John Rauch, who piloted the Oakland Raiders to their first American Football League Western Division title ever, has been selected AFL Coach of the Year by a nationwide Associated Press panel of sports writers and sportscasters.

Rauch outdistanced San Diego's Sid Gillman and Wally Lemm of Houston in voting by three-man committees in each of the AFL's nine league cities.

By the end of this year Polish shipyards will have built 62 sea-going ships with a capacity of more than 466,000 tons dwt.

The taste.
Without the calories.* The glorious natural taste of fresh lemons, fresh limes. No sweet-sweet aftertaste, none.
*And only one calorie per six ounce serving.

Like is the lemon-lime diet drink from Seven-Up.

You should have seen the one that got away. Kenora fish stories are unique insomuch as they don't have to stretch the truth in describing the finny population of Lake of the Woods. Still, the 25-foot maskinonge leaping out of the flower beds in McLeod Park is a bit out-sized even for the Northwest. One of Kenora's Centennial projects, it's just one of the items of interest associated with old Rat Portage.

THE UNINVITED GUEST

St. Petersburg, Fla.

Mayor Don Jones, taken for a ride by a young Missouri gambler in October, finally has paid his debt.

Jones said he lost a poker game wager of 16,000 matchsticks to 8-year-old Patrick J. Egan, son of Florissant, Mo., Mayor James Egan, during a World Series trip to St. Louis.

Jones later forgot about the I.O.U. but a letter last week from the boy said, in essence, "Where are my matchsticks?"

The mayor learned matches cannot be sent through the mail, so he bought 16,000 toothpicks, about a $5 value, and shipped them this week.

"He's a real cute kid and he taught me never to play poker again with a young Irishman," Jones said.

Napa, Calif. Seeing their duty, two citizens in a car flagged down a NAPA County sheriff's deputy Wedensday to inform him of another driver creating a disturbance nearby.

The deputy got back in his cruiser, but it wouldn't start. At his request, one of the Samaritans pushed the officer to the scene of the disturbance. The deputy made an arrest — but again his car wouldn't start.

Again the helpful motorist gave a push, this time to the county jail.

Portland, Ore. The Portland area got its first real snowfall in three years this week and it drew mixed reaction.

"We needed the snow because of the dry summer," said William Stocking, a high school teacher.

But Richard Bowman, a salesman, felt otherwise.

"Yesterday my car got stuck in a snowbank for more than two hours and I was late for a appointment. This morning I ran out of oil in the furnace, the starter on my car froze and I slipped and fell on the walkway bringing in the milk," Bowman told an inquiring reporter.

Columbus, Ohio The Army has brought a young soldier home from Vietnam for Christmas in an attempt to make up for what was either a mistake or a cruel hoax aimed at his parents.

Mr. and Mrs. Jack Wolf of suburban Reynoldsburg were told in a letter last week that their son, Pfc. Thomas Wolf, 20, had been killed in Vietnam. The letter was purportedly signed by the chaplain of his unit.

The grief-stricken parents became suspicious when no official word came from the Army. Through the Red Cross, the Wolfs learned that the Pentagon had no record of the death of their son, a member of the 101st Airborne Division. The chaplain said he did not write the letter.

Wolf, granted a special leave by the Army, was met by 100 friends and relatives at Port Columbus Airport Wednesday night.

He has now been assigned to the 82nd Airborne Division at Ft. Bragg, N.C., after five months in Vietnam.

The agreement on regulation of Antarctic whaling in the 1967-68 season was signed at Oslo, Sept. 20, by Japan, the Soviet Union and Norway. The pact distributes the global whaling quota of 3,200 blue whale units, USSR 976 and Norway units as follows: Japan 1,493 731.

AT 8:00 P.M.

Letter To The Editor

AN OPEN LETTER TO PARENTS:

The Knights of Columbus as a group and as individual members wish to express their indignation at being subjected to the televised series called "Festival". A recent example was the telecasting of the drama production titled "Waiting for Caroline", shown on CBC channel 6, Winnipeg, November 29th, 1967.

The Festival series seems to be devoted to programming perversion, prostitution, homosexuality and other types of abnormal behavior. This program shows a complete lack of moral principle and is an insult to the Christian mind.

In our area this program is featured at a prime time and adult and child viewers are confined to one channel. Therefore we are bound to express our complete dispeasure that a corporation of the size and scope of the CBC would allow itself to be used in the moral undermining of our citizens and in particular our YOUTH.

We consider ourselves to be modern, however we refuse to let the term "modern" be completely misconstrued as to mean that we must accept programs that so portray moral decay and are in extremely bad taste.

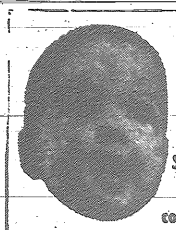
In our democratic society, the abolishing of a television program of this nature which brings moral harm to our nation and particularly to our youth is a slow and tedious process. It can be accomplished only if supported by public opinion. We would, therefore, find it very encouraging if responsible parents would show their displeasure with this type of program by submitting petitions, letters or telegrams to the Honourable Prime Minister, Lester B. Pearson, our Member of Parliament, John Reid, Member of the Cabinet, and in particular to the Secretary of State, Miss Judy LaMarsh, as well as to the CBC to have the program "Festival" withdrawn from the program schedule.

George Van Walleghem
District Deputy,
Knights of
Columbus

WOOD IN DEMAND

By 1975 the demand for Canada's wood products will probably increase by 50 per cent and by 400 per cent by the year 2000.

Library of Congress opened in 1802, with 964 books.



You will love the Food Service and comfort!

PACKERS FACE RAMS IN N.F.L. PLAYOFF SATURDAY

It's a big week-end for football in the National Football League and via T.V. it spreads all the way into Canada. The Green Bay Packers who are defending champions from last year come up against the Los Angeles Rams Saturday in Green Bay. Then Sunday the Cleveland Browns meet the Dallas Cowboys who lost out to Green Bay last year.

The big game drawing the most interest is Green Bay and Los Angeles. For the last few years Green Bay has captured the hearts of the football world. Nowhere else these days in pro-sport does such a small hamlet stand up to the big cities and win. Ever since they upset the New York Giants for a championship half a dozen years ago no NFL team has been so successful. They had Paul Hornung and Jim Taylor to power their ground attack, Bart Stair and some great receivers to get to pay dirt through the air.

Age took its toll and Lombardi gambling with his $100,000 back field rooldes, Anderson and Grebowski, let his old reliables go. But Green Bay has not been the same. It has been a year where the youngsters have been gaining experiece and Bart Starr has not been the passing wizard of last year.

The Rams have earned the respect of football buffs the last few weeks. It all started two weeks ago when they upset the Packers 27-24 before 76,637 screaming west coast fans and reached a climax last week when they bombed Baltimore 34-10, and the Colts were the highest scoring team in the N.F.L.

The drama against Green Bay began with 55 seconds left on the clock. The Packers lined up on their own 27 to punt the ball out of danger. The Rams played for the blocked punt and sent in substitute linebacker Tony Guillory, a lad with good height and speed, to play head on with the Parker centre. Seven other Rams lined up along the gaps between the blockers. Guillory timed his move with the snap and beat his block. His play was to draw a block from the fullback, leaving a path for an outside man, but he burst up the middle without anyone laying a hand on him to block the punt by Anderson. The blocked ball fell right into the hands of another subsititute, defensive back Claude Crabb. With the rush by the Ram's line breaking through, Crabb found himself with an escort of blockers. Anderson had to circle the herd of blockers and nailed Crabb on the five.

Roman Gabriel came on to waste a pass to stop the clock since all the Ram's time outs had gone saving time when Green Bay had the ball. The Rams lined up tight for a plunge into the line, a beautiful fake by Gabriel to Manson fooled the Packers and pulled them in. Bernie Casey threw a block on Bobby Jeter making him think it was a running play, then broke into the clear for the winning pass.

So Green Bay has a score to settle, and the weather in its favour. It will be about 20 above and a chance of snow. But the hungry Rams should end the Packers reign as football Kings.

Dallas has a problem with Don Meredith but it shouldn't hold back the Cowboys as they seek another chance for a title.

KENORA MEN'S Bowling News

Norman Service Station (3624)) continued to roll forward with the highest total so far this season. The garage-men also rolled a 1302 single with handicap, thus breaking the High in that department too. Both records were previously held by Alkaye. They failed to take the Scratch records falling 30 pins short of the Single and 49 short of the Three. Spearheading the attack was Wilf Bouchard 241, 281 (713) with top shooting from R. Nelson - 232, 227, 223 (682), M. Kozie - 271 (681) and N. Major - 290 (639). The other member of the team, L. Bays was also above average. Norman have moved from last to fourth place as the result of their fine series. Congratulations Team!

Stan Soderberg 258, 280, 330 (868) came up with a sparkling display of bowling for Sodercrackers (3560) to help move the team to second. Stan erased R. Malcolm's High Three of 840 which had stood since the first week of the season. It was his second fine 800 series in a row. Another tremendous showing was turned by "Stens" youngest team-mate Reggie Williamson - 277 (606) and good shooting by H. Lundin - 231, 246 (628). Great going Gang!

Zilinski's (3328) were the third best team for the night. Everyone bowled steady with F. Kortz - 220 (639) and J. Zilinski Jr. - 264 (601) paving the way.

Alkaye Foods, still on top by 241 pins were led by steady M. Balaz - 285, 272 (711) and B. Krolyk - 311 (630). Also hitting the 700 was Newman Jewellery's B. Norlen - 230, 303 (701) while Clearwater Beverage's T. McDonald - 278 (699) almost made it.

Other good scores were: G. McMillan - 245 (665), F. Rennie - 227 (647), B. Bradley - 222, 229 (623), J. George - 237 (614), G. Baletki - 247, F. Kowpak - 245, R. Malcolm - 231 and T. Ziliniski - 220.

Less than 500 pins separate the 8 teams for the Grand Aggregate, indicative of how well balanced the League is. The ten top averages so far are Terry McDonald - 237, Frank Rusak - 233, Bill Norlen, Stan Soderberg - 224, George McMillan - 222, Mike Balaz - 221, Tom Sweeney - 221, Carl Franchuk - 217, Rick Malcolm - 215 and Fred Rennie - 215.

Standings after four weeks are:

1.	Alkaye Foods	13527
2.	Sodercrackers	13286
3.	Newmans Jewellery	13115
4.	Norman Service	13092
5.	Clearwater Bev.	13027
6.	Kenora Tire	12999
7.	Zilinski Team	12840
8.	Five-Pins	12585

A reminder to teams that we resume bowling on January 2nd. A Merry Xmas and a Happy New Year. Lets keep the good scores coming in 1968.

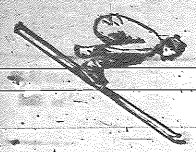
GOD SAVE THE QUEEN



MOUNT EVERGREEN NEWS

By Glenn R. Browne

At long last it has happened! The Kenora Ski Club has an official name. After many discussion the present executive agreed that henceforth the club will be known as "Mount Evergreen". In this age of rapid expansion, an identity is a must. It's a good name and it will soon have a good reputation to go along with it.

Snow conditions at the hill are good and skiing should get off to a good start on Saturday. Some of the beginners slope has been packed but drifting snow has created high drifts on the trails and ridge. If some of our more energetic local Skiers could take a shovel out with them on Saturday they could help move the odd snowdrift and put the runs in shape.

Since the club members generally are reading "Ski News" it has been pointed out that with the increased runs, a larger area than ever has to be packed. If each club member was to side step up the hill at least once in a fresh snow area, the hill would soon be skiable from one end to the other. Besides it's a good way to warm up on a cold day.

Many other topics were discussed at the recent executive meeting and two of the most important were "SKI PATROL" and "SKI INSTRUCTORS". The instruction section will be very well organized and each skier who enrolls in the program will receive a card which will record his progress from beginner, through intermediate, right up to expert. There will be eight grades of instruction. More information on this will follow later.

For the uninitiated. "Ski Patrol" is the Safety Police and First Aid Johnny-on-the-spot. This group of volunteer skiers have a rigid set of standards to pass, both in skiing and first aid. They are on the hill for the benefit of the skier. They can protect you from the types that bash their way down the slopes as well as the skier who is skiing beyond his ability. They are building a reputation that others who join their ranks will find difficult to maintain. Obey and respect the "Ski Patrol" as it could be your neck they save or your injuries they they treat.

Last weekend "OPEN HOUSE" was held, along with the "Swap Shop". Considering that it was raining out at the time, it was a good turn out. Everyone got a chance to become familiar with the various changes and poke around. Frank's Ski Shop was doing a booming business and it looks like a lot of people will be sporting new equipment this year. Frank has an excellent selection of gear on hand and can get you just about anything.

What with all the new equipment being bought, a lot of used equipment will be kicking around. If you wish to take up Skiing this year, check the "Swap Shop" first and you could save many dollars.

The club house and tows will be running this weekend and right on through to January 1st, excepting Christmas Day. That's nine days of skiing to start the season off. One note of caution. We know you can ski, but why not take it easy for the first few weeks. Get those muscles into shape before you start getting fancy. Build up slowly and ski all season. Besides, we don't want to cut into our skiing time by having to visit you in the hospital.

NURSERIES NUMBERED

At the end of 1965 there were 391 nurseries, both public and private in Ontario

More than 100 young Austrians volunteered to work in Israel during the Middle East crisis.

In 1966, Saskatchewan exports to Japan were valued at $87,500,000, most of which was for grain.

M. A. Constable Boer War Vet Called To Rest

Maurice Allen Constable, 322 9th Street North, Kenora passed away at the Kenora General Hospital on Friday morning, December 22nd, 1967.

Born at Wix, England, March 10th, 1880 he was 87 years of age. He was predeceased by his wife Emile in 1948.

Surviving are four nieces of Kenora, Mrs. Margaret Baker of Kenor, Mrs. Betty Connelly of South Carolina, Mrs. Elsie Boquist of Kenora, two nephews, M. A. Rivers of Kenora and Herb Rivers of Fort William and one sister Jessie Allbright in England.

The late Mr. Constable received his educaiton in England and began services with the municipal power plant in Kenora in 1912, transferring to the Ontario Minnesota Pulp and Paper Company in 1922. He worked in the Kenora power house as an operator until his retirement on June 1st, 1949.

He was a member of St. Alban's Pro-Cathedral, a past member of the Pequonga Lodge. He served fourteen years in the British navy, seeing action in the Boer War.

The funeral service will be held at 2 p.m. Saturday, December 23rd, 1967 in the Chapel of the Brown Funeral Home. Dean L. M. Watts will officiate and interment in the Lake of the Woods Cemetery.

Rose O'Brien Kenora Resident Died This Morning

Rose Etta O'Brien, Suite No. 1 Linnell Block, 309 Second Street South, Kenora died at the St. Joseph Hospital Friday morning, December 22nd, 1967 after a lengthy illness.

Born at Seymour Township, Peterborough, Ontario, December 2nd, 1893 she was 74 years of age. She was married on May 23rd, 1912 at Fort William, Ontario to Phillip O'Brien.

Surviving are her husband, four daughters Mrs. Frank S. (Helen) Barnes of Farnham, Quebec; Mrs. Edmond B. (Josie) O'Connell of Fort Garry, Manitoba; Mrs. Robert L. (Rita) Ferguson of Victoria, B.C.;

ADOPTIONS in ONTARIO

Seven thousand children were placed in new homes this year by the adoption services of Ontario. That is a record number. We hope to do better in 1968.

Here are a few of the boys and girls available for adoption.

KEN is an amusing little lad of a year and a half of Anglo-Saxon and German stock. He loves attention and refuses to be ignored, attracting your interest in cute, comical ways. He is playful and active, in good health and developing normally. Ken is of sturdy build with brown eyes and hair. His little mind is active and he is observant and interested in everything about him in this big, big world.

Parents will be kept busy keeping up with Ken.

BETTY is a pleasant friendly little girl and just 2 years old. She is of slight build with grey eyes, blonde hair and fair complexion. Betty is a quiet, placid child and somewhat withdrawn with older people but lively with other children. Her background is Anglo-Saxon and Polish. One of her grey eyes is slightly higher than the other, but this is a cosmetic rather than a physical handicap. Betty is easy to manage, an appealing child who needs parents and a permanent home.

Mrs. C. N. (Patricia) Ranger of Kenora; three sons John E., O'Brien of Calgary, Alberta; Philip T. O'Brien, Fort William, Ontario, Maurice M. O'Brien, Fort Frances, Ontario, 22 grandchildren and nine great grandchildren. Also surviving are two sisters Mrs. Everett (Idella) Lightbody of Castor, Alberta and Mrs. Bertha Fisk, Summer, Washington.

The late Mrs. O'Brien received her education in Trent River, Ontario. She came to this district in 1918 and was a member of Notre Dame Roman Catholic Church.

The funeral service will be held Tuesday, December 26th, in Notre Dame Roman Catholic Church at 10:00 a.m. Reverend Father J. Jalbert will officiate and interment will be in the Notre Dame Roman Catholic Cemetery.

Pallbearers will be J. R. Gray, A. R. Chaloner, J. V. Fregeau, P. O'Brien, T. P. O'Brien, E. O'Flaherty.

Prayers will be said in the chapel of the Brown Funeral Home on Monday, evening at 8:00 p.m.

The Brown Funeral Home will be open on Monday evening, December 25th from 7:30 p.m. to 8:30 p.m.

The heart pumps five quarts of blood in a minute and 75 gallons in an hour.

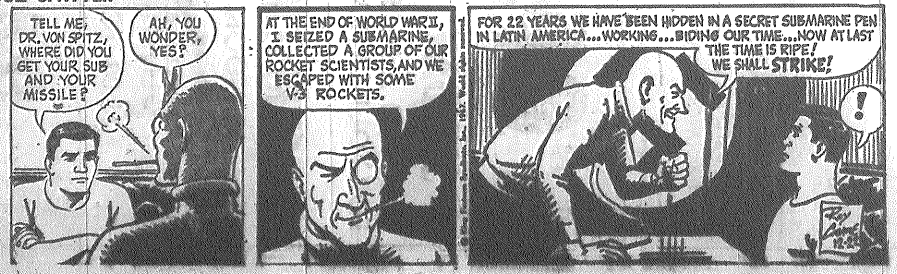
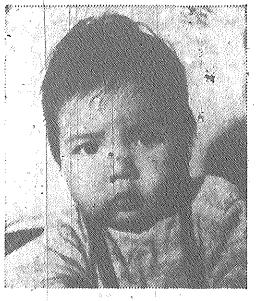
LI'L ABNER

BUZ SAWYER



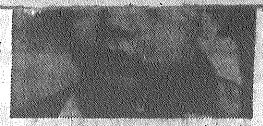
IVAN is a bonny little fellow, 3 years old, of Anglo-Saxon and Czechoslovakian background. He is a big boy with blond hair, blue eyes and a fair complexion. Ivan knows that legs are for running and climbing, two of his favourite activities. His rocking horse he rides with zest. Music of all kinds appeals to him and he pretends to play his piano with gusto. Sociability is his middle name and he enjoys playing with other children and loves attention. This young man needs Protestant parents who will provide him with a loving atmosphere in which to develop at his own speed.

MADGE is as pretty as a picture and only 2 years and 2 months old. She has beautiful dark eyes, curly eyelashes, olive skin and softly curling black hair. Madge is fine boned and nicely proportioned. She is a healthy child and has been robust since birth with a happy disposition. She loves music and dancing and gets along well with other children. A dear little Roman Catholic girl of West Indian heritage, very huggable and loving for the right couple who wish her to become their daughter.



LARRY is a big sturdy 21 months old Indian boy who steals your heart on sight with his big friendly smile. He has large black, expressive eyes, jet black straight hair and olive complexion. Larry is healthy but has a family history of diabetes. He is bright and engaging and has an exceptionally attractive personality. A football player of the future, Larry will bring joy to Roman Catholic parents.

Photos courtesy Toronto Telegram



HOWARD, who is a year and a half, appears to be quite a bright and alert young Roman Catholic lad with the cute habit of puckering up his nose when he laughs. He is mischievous, comical and lovable. Howie gets along well with other children and shows himself to have an even temper, sharing his toys and is not too demanding as far as individual attention is concerned. His colouring is tanned and he has clear, masculine features. A very healthy, strong boy needing parents to share his promising future.

TEDDY is 14 months old and has been walking since 11 months of age. He is a big, handsome boy with lovely clear dark complexion, enormous brown eyes and soft brown curls on top of his head and at the nape of his neck. He is a rather solemn fellow, but his smile is really worth waiting for. Bright and active, he is a good baby, eats and sleeps well and plays happily by himself in his playpen. Protestant, of Anglo-Saxon and Negro background, Teddy needs parents who can value his heritage as they can his contented, endearing ways.

Many other girls and boys—older and younger—still need a good home and loving parents. If you wish to adopt a child, apply to your Children's Aid Society or to:

Blondie

The little girl, not yet three, didn't get her afternoon nap because of company in the house. So after the visitors had left at four o'clock, her mother dressed her warmly and put her outside for some fresh air.

A little later, the mother discovered the tiny tot seated on the ground and leaning against the shrubs — fast asleep.

Many beetles, ants and termites are skilled gardeners that grow lush crops of fungi in their nests.

Student, 15, is youngest in university

WINNIPEG — The youngest student among the 10,000 on the University of Manitoba campus doesn't often volunteer his age, mainly because few people believe him.

"They thought I was just joking around," says the 15-year-old Californian who registered at the university this fall. "I wasn't going to press the point."

Ethan Taylor was in Grade 4 when his father was transferred by the U.S. immigration department to Bermuda from California. The youngster credits his four-year stint in the holiday paradise, where studies are based on the rigid British standards, for his rapid progress since.

Plant Cuts Production

FORT WILLIAM — A month-long strike at Detroit's two major daily newspapers has curtailed newsprint production at Great Lakes Paper Co. Ltd.

Public relations officer E. H. Tollefsen said Thursday there has been no change in plans to close both the newsprint and kraft mills for the period Dec. 23 to Jan. 2.

The shutdown of the kraft mill is not due to the newspaper strike but is a normal maintenance move carried out four times each year. "Many of the kraft mill staff will be employed in maintenance."

Mr. Tollefsen noted the shutdown at both plants actually involves only four working days, the remainder being statutory holidays.

The Detroit newspapers are GLP's biggest newsprint customers and Mr. Tollefsen said there would be a continued cutback in production in the new year if the strike continues.

THE CANADA LABOUR (SAFETY) CODE

By proclamation,
the new Canada Labour (Safety) Code goes into effect, January 1, 1968.
This first general safety law ever passed by Parliament places a general obligation on employers and employees working in industries under federal jurisdiction to observe appropriate safety and health standards.

FEATURES OF THE LAW

* It is broad in scope, providing for all the elements of a complete industrial safety program. * It is complementary to other enactments in the industrial safety field. * Its regulations will be developed in consultation with industry, unions and other interests. * It provides for basic research into causes and control of accidents, and for a continuing program of safety education. * It provides for inspection and enforcement.

WHO IS COVERED

In general, this law applies to employers and employees in works, undertakings or businesses of an interprovincial, national or international nature and to some others that have been declared by Parliament to be for the general advantage of Canada. These are essentially the same undertakings covered by the Canada Labour (Standards) Code and other federal labour laws.

For further information on the Canada Labour (Safety) Code, write to:
ACCIDENT PREVENTION AND COMPENSATION BRANCH
CANADA DEPARTMENT OF LABOUR, OTTAWA 4.

And Happy Birthday Too

OTTAWA — 'Tis the season to be jolly and the Commons is no exception.

State Secretary Judy LaMarsh celebrated her 43rd birthday Wednesday and Robert McCleave, the Conservative MP for Halifax, turned 45 Tuesday.

As is their custom, the two exchanged little tributes. Miss LaMarsh sent Mr. McCleave a litue boutonniere and he responded with a poem:

What can one say to one
such as Judy
Who wears a wig which
adds to her beauty
Who plies her friends with
champagne bubbly
And runs CBC in manner
trubbly
All I can say is: Thanks
beaucoup
And when the Grits get
around to their do
I'll head the committee
supporting you
—Oh yes, and happy
birthday too.

KISSING IS BORING

LONDON — The Children's Film Foundation interviewed 1,500 of the estimated 17,000,000 who attended Saturday morning movies in Britain and found the girls, but not the boys, think any decent hero should have a sweetheart. The boy attitude, in the words of one: "You see something exciting like cavalry. But in the end you see the general come in and start kissing his girl friend. It's really boring."

KENORA DAILY MINER AND NEWS, FRIDAY, DECEMBER 22, 1967

Vendor Lost His Licence

TORONTO — An ice cream vendor who opened a 17-stitch wound by biting the lip of a licensing inspector had his licence suspended Wednesday for seven months.

"He took hold of my lower lip with his teeth, punching and scratching me and making terrible growling noises all the time," said the inspector, Kenneth LeSeur, in describing the attack eight months ago by Larry Koutsoulianos, 32.

The vendor earlier was fined $200 and jailed 10 days for assault causing bodily harm in the case.

Mr. LeSueur said he approached the vendor following complaints he was selling school children short portions of ice cream.

Tass Places Nancy With World's Best

MOSCOW — A survey conducted by the Soviet news agency Tass puts Nancy Greene, Rossland, B.C., champion skier, among the top 10 women athletes of the world.

The survey, conducted in Europe, North America and Asia, names Debbie Meyer, 15-year-old world record swimmer from Sacramento, Calif., as the outstanding Sportswoman of 1967.

Miss Greene was tied with American breaststroke swimmer Catie Ball with 20 points in eighth place.

Miss Meyer is holder of the world records for freestyle swimming at 400, 800 and 1,500 metres.

Liesel Westermann, West Germany's world record shot putter was second with 93 points.

Youngster Gets Early Present

TORONTO — A 13-year-old boy who spent six months in the Hospital for Sick Children gets an early Christmas present at Maple Leaf Gardens Saturday night.

Florian St. George of Lavigne, 28 miles west of North Bay, suffered second- and third-degree burns to the upper part of his body in a brush fire last summer.

On Saturday night, he will go to the Gardens with three of his doctors to watch a National Hockey League game between Detroit Red Wings and Toronto Maple Leafs.

Florian was in hospital in North Bay for two weeks and has undergone six operations since moving to the Hospital for Sick Children.

Dr. W. K. Lindsay has taken skin from his legs and grafted it to his back, chest and neck. He said operations next year will correct scar tissue, which is contracting the neck.

TURBINE SETS RECORD

DAYTONA BEACH, Fla. — An experimental turbine car circled Daytona International Speedway at 176.056 miles an hour Wednesday, a record for turbine-powered autos on a closed track. It beat Parnelli Jones' 166.075 m.p.h. at Indianapolis last May. The driver was Ray Heppenstall, 36-year-old veteran sports car driver and head of the Howmet car project.

ALL WET

COLEORTON, England — Bill Capenor's new chore as caretaker in the National Coal Board office is watering a carpet. The makers said the carpet should be watered daily for three months to make it bed down properly and Capenor says, "it is one of the funniest jobs I ever had to do. It's the manufactirer's idea, not ours.

LONDON — While "mod" fashion has just about abolished cuffs on slacks for men under 25, "turn-ups" are worn on trousers by 74 per cent of the men of Scotland.

Christmas cards showing Santa Claus in Highland dress with kilt and bonnet are being sent by Scottish nationalists. They are available from the Highland Association which also publishes calendars printed in Gaelic.
