PEDIGREE AND CATALINA SWIM SUITS NOW AT Ella-Lynns

NORTHERN MAINTAINING SERVICE DURING STRIKE

M. W. Cooper, General Manager of the Northern Telephone System reports that due to failure to reach a satisfactory Labour Agreement with the Communications Workers of America, Plant, Traffic and Clerical personnel of the Company have been on strike since Monday morning, June 3rd.

Telephone service is being maintained throughout the system by supervisory personnel. In some areas, some delay may be experienced in placing long distance calls and Mr. Cooper suggests that less delay may be experienced by placing station-to-station calls rather than person-to-person calls.

"We greatly appreciated the cooperation of the general public during the last three days, "Mr. Cooper said," and we are confident that we shall be able to provide a good grade of service throughout the strike. Some delay will be experienced in installation of new telephones."

He pointed out that business offices and payment centres are remaining open for business as usual and that although picket lines have been established in front of most business offices, picketers may not legally deny any person access to the Company office.

Mr. Cooper advised that a few acts of sabotage have been committed but all service affected has been restored. The Company is offering $500.00 reward to anyone providing information leading to the arrest and conviction of any person committing acts of sabotage.

Negotiations are continuing between the Company and the Union and the Company is hopeful that an early settlement will be reached.

The Company has offered basic wage increases ranging up to 40 cents an hour in addition to improvements in a number of fringe benefits. The Company would bring top craft employee wages to $3.20 to hold out for larger increases in an hour. The Union has continued pay.

Half Inch Of Rain Fell By 1:00 p.m.

Rain, Rain, go away - for a while. The heaviest rainstorm of the season has dropped almost a half inch of rain at the Airport up until noon today, and more was falling during the afternoon.

The Lake level is reflecting the precipitation. At 8.00 a.m. today the Keewatin gauge reading was 1058.67 feet.

It is interesting to note that this morning's rainfall, after 8.00 a.m. about equals the total of the first six days of June.

LATE NEWS BULLETINS

Former Prime Minister Lester Pearson will represent the Canadian government at the funeral of United States Senator Robert Kennedy. The fmueral will be held tomorrow in New York. Prime Minister Trudeau said no man could more appropriately represent and express the thoughts and prayers of all Canadians in this time of grief for the American people and the Kennedy family. Mr. Pearson arrived home in Ottawa yesterday after a holiday trip to Ireland and England. Mr. Trudeau also amounced that A. E. Ritchie, Canada's Ambassador to the United States, will represent Canada at the burial ceremony in Arlington National Cemetery in Virginia.

* * *

Tens of thousands of mourners from all walks of life are converging on St. Patrick's Cathedral in New York, where the body of the Senator Robert Kennedy is lying in state. A line six abreast stretched some 18 blocks, with thousands waiting in nearly 90-degree temperature to file past the casket. because of the size of the crowds, church officials say that St. Patrick's will remain open all night if necessary. Mourners are passing the Maroon Catafalque at the rate of six thousand a hour.

* * *

The Los Angeles County Grand Jury has met to hear 23 witnesses and consider a first-degree murder indictment against the man accused of killing Senator Robert Kennedy — Sirhan Sirhan. The 24-year-old Sirhan was not present as the Grand Jurors met at the Hall of Justice. He is being kept under constant surveillance in a maximum security jail cell.

* * *

An RCMP spokesman in Montreal says an investigation is continuing into a report that eight Quebec Revolutionists had set out to assassinate three American Leaders. United States border guards about 50 miles south of Montreal also said they are keeping a close watch on Canadians entering New York State. The alleged plans to kill President Johnson, New York governor Nelson Rockerfeller and Vice-President Hubert Humphrey were revealed yesterday in an anonymous telephone call to the U.S. Consulate in Montreal.

* * *

The Progressive Conservative Party has completed its slate of candidates for the June 25th General election. The Conservatives, like the Liberals, have nominated 263 candidates, one less than the total number of seats at stake. Neither Party is contesting Stormont-Dundas, the riding where Lucien Lamoureux is running.

Mr. Lamoureux, a Liberal in the past, is running as an Independent, seeking a seat to become permanent speaker of the House of Commons.

* * *

The Federal Food and Drug Directorate has introduced new label regulations for margarines and oils. They will help inform consumers about polyunsaturates in the edible oils.

Adult Education Centre To Offer Summer Courses

In line with its policy of increasing Adult Education opportunities for all adults in the Kenora area, the Adult Education Centre will be offering summer school classes at high school level.

Classes will be offered in typing, Economic Geography, Business Law, Business Machines and in Mathematics, English and Science at the Grade 9 and Grade 10 level.

A special course in Business Practice, suited to small businesses, will be offered subject to sufficient enrolment.

Registration forms and information about the courses may be obtained by contacting the Adult Education Centre, located in the Kendo Credit Union Buiding, 510 - 9th Street North, telephone 468-6720.

Ear Falls Gets Loan For Sewage Treatment Plant

Word has been received today from Ottawa by John M. Reid, Liberal-Labour Member of Parliament for Kenora-Rainy River of a $66,667.00 Federal loan to the Ontario Water Resources Commission for a sewage treatment project at Ear Falls, Ontario.

Under the terms of the N.H.A. the loan, Mr. Reid said, is for a term of 40 years with interest at 6¾ percent based on an estimated total cost $100,000.00.

The loan will assist in the installation of 1,400 lineal feet 8 to 20 inch diameter, collector sewer and outfall and a sewage stabilization pond.

For work on or before March 31, 1970, CMHC may forgive repayment of 25 percent of the principal amount of the NHA loan and 25 percent of the interest that has accrued in respect of the loan as of the date of completion of the project.

Telephone Facilities Tampered With

Vandals have tampered with switching facilities operating telephone circuits in Jaffray Melick, a spokesman for Northern Telephones said today. For two nights in succession a main switch has been pulled and the entire service to the Longbow Lake area was disrupted. However, the main circuits can operate on stand-by battery power for a time and fortunately in both instances the trouble was rectified before the batteries ran down.

— Smiles —

If you put off until tomorrow what you should do today, there will probably be a higher tax on it.

Weather

Cloudy with a few showers and risk of a thundershower today and Saturday. Little change in temperature. Winds east 15. Low tonight and high on Saturday at Kenora, Red Lake, Fort Frances, Sioux Lookout, Atikokan, Armstrong and the Lakehead 50 and 70.

DOUBLE DROWNING AT EAR FALLS THURSDAY

Ontario Provincial Police at Kenora have reported a double drowning in the Ear Falls area. Drowned were David Growell of Iowa and James R. Stadey of Illinois. Police say the accident occured when the boat which the pair was riding in, overturned in fast water. Ages and home towns of the deceased, were not available at press time.

The mishaps took place at Lower Slate Lake which is northeast of Ear Falls. The two men were fishing in the area.

Candidates Met At Open Forum Here Wednesday

Candidates for the June 25 election for member of Parliament for the Kenora-Rainy River Riding reversed the cliche about providing "heat, but no light" by shedding some light on their policies with a minimum of heat engendered. The audience which attended the meeting at the Bethesda Lutheran Church Hall are to be congratulated first, for their numbers, which nearly filled the hall, and also for their obvious attentiveness.

Rev. O. J. Larson was chairman of the meeting which allowed the incumbent, Liberal-Labour member John M. Reid; Conservative candidate Howard Webb, and N.D.P. candidate, Harvey Moats, to air their policies in a friendly but hard hitting manner. At one point in the meeting the enthusiasm of youth was exemplified when an exuberent group bearing Reid banners and musical instruments marched through the hall.

After their brief formal statements the candidates were thrown to the "wolves" including the questions by the members of the audience, some of which the chairman

(Continued On Page 12)

Mail Tenders To Be Called

John Reid, M.P. for Kenora-Rainy River, announces that the post office truck route between Vermilion Bay and McIntosh will be open to tenders up to 3 o'clock in the afternoon of Wednesday 19 June 1968.

The frequency of the service is six times per week and the distance is 53.4 miles return trip.

The post offices served are Quibell and McIntosh.

Copies of the notices inviting tenders were forwarded to the postmasters at Quibell, McIntosh and Vermilion Bay.

Those interested in tendering should send their submission to The Director of Transportation, Post Office Department, Confederation Heights, Ottawa 8, Canada.

PINECREST ADDITION TO OPEN SATURDAY

Official opening ceremonies of the new wing at Pinecrest Home for the Aged will be held Saturday afternoon starting at 2 p.m. Included in the new wing is a spacious and well appointed auditorium which will prove a great asset to the many residents of the home where they can enjoy programs of entertainment with proper stage, lighting and accoustics. The auditorium is located on the main floor of the addition. Included in the renovations was an extension of the popular tea room and tuck shop which is so efficiently operated by the Ladies' Auxiliary to Pinecrest. The library area has also been renovated and made more comfortable for the elderly residents.

In the downstairs portion is located an Adjuvants Room. In this area a program of rehabilitation will be carried out to assist in the readjustment of some of the residents who have suffered disabilities and as a result have become withdrawn. This program, now quite popular in homes for the aged in other parts of Ontario. has resulted

Former Resident Died In B.C.

Word has been received of the sudden passing of a former resident of Kenora in the person of Harry Storey. Death occurred at Telkwa, British Columbia on Thursday, June 6th. The funeral arrangements are pending.

Concert Enjoyed At Ukrainian Hall Sunday

On Sunday, June 2nd, in the Ukrainian Literary Society Hall, a delightful children's concert pleased the capacity audience immensely and brought the Ukrainian school to a close for this term. Teachers of the Ukrainian school were Mr. and Mrs. Stan Dzwonyk. Mrs. Mary Wojtowicz taught Ukrainian dancing.

The concert was made up of choral speaking, recitations, skits and songs, all with colorful and appropriate costumes and artistic backdrop prepared by their teacher Mrs. Dzwonyk. The dancing group performed several numbers and delighted all those present.

Both Mrs. Dzwonyk and Mrs. Wojtowicz were presented with a gift by Darlene Ukrainec on behalf of the students. Mr. P. Horbatiuk thanked both teachers and students for their year of activity. Mrs. W. Stepanik, president of the Ukrainian Women's Association extended her appreciation.

A lovely lunch was served with special sweet treats for the children from the Ukrainian Women's Association.

Plan Outing For Residents Of Pinecrest

There was a good attendance at Pinecrest Ladies' Auxiliary meeting held in the Home on Tuesday June 4th with Mrs. J. West presiding.

Routine business was attended to. Conveners gave their reports. Miss Gardiner of Tuck Shop Personnel expressed the hope that extra help will be forthcoming in the Tuck Shop during the summer months when a number of the regular volunteers are on holiday.

June promises to be a busy month for Auxiliary members. An invitation was received from the Board of Directors to attend the Official Opening of the new Wing at Pinecrest Home Saturday, June 8th at 230 p.m. All Auxiliary members are invited and will also assist in serving.

June 18th . . . the monthly birthday Party will be held and the Annual Outing to Pinewood Lodge will be held on Wednesday, June 26th. It is anticipated that as many of the Residents as possible will join in this party.

A number of pictures were on display and received the wholehearted aproval of Auxiliary members. These are beautiful scenic and floral pictures and will be hung in residents rooms. It is the hope of the Auxiliary that they may be able to purchase more at a future date. Mrs. T. Thorpe and Mrs. B. Petch were commended for their work on this committee.

There will be no formal meetings of Pinecrest Auxiliary till September 3rd, the first Tuesday. Happy summer, members and come back with renewed interest.

DETAILED SOIL SURVEY TO BE UNDERTAKEN

This summer, a new aspect of forest management work is being undertaken in the Kenora-Dryden area. A detailed soil survey, the first of its kind in this area on forested soils, is being conducted by the Kenora District Timber Branch of the Ontario Department of Lands and Forests.

Previous soils work in the Kenora District as in other forested areas had been done by Dr. G. A. Hills. The Hills system of soil classification has been of a very general nature. Areas were separated according to landscape and landtype patterns with large complex areas being mapped.

The detailed reconnaissance survey underway this summer is a classification of soil according to individual soil types which are separated according to profile characteristics. The different soils are separated into textural classes with different acidity and drainage characteristics.

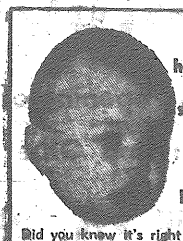

Since this is only the beginning of detailed soil surveying in this area, only the accessible areas which will be of immediate value for tree planting, seeding, scarification and other management processes are being surveyed. The ultimate hope of this project is to obtain a soils map for the Kenora Forest District which will be of use for future forest planning and management.

Lionelles Install Officers

The regular meeting of the Kenora Lionelles was held on Wednesday, June 5th, 1968 at The Devil's Gap Lodge in the form of a dinner meeting with 26 members present.

After the regular business meeting, annual reports were given by the conveners of the various committees. Installation of the new Executive took place with the following the new slate of officers for the year 1968-1969 -

Past President - Lionelle Gwen Swancar
President - Lionelle Jerry Heuvel
1st Vice - Lionelle Alice Chop
2nd Vice - Lionelle Nora MacNab
Secretary - Lionelle Sheila Humphrey

Candidates Met At Open . . .

(Continued From Page 1)

said were "loaded". Following are queries, some directed to a particular candidate and the gist of their replies: QUESTION to all candidates: What is top priority problem in the district? WEBB - housing Money must be made easier to borrow, land and material must not be allowed to go higher.

Reid - Regional development. More industry be brought in, more jobs provided would help the Indian and youth problems.

MOATS - this candidate said he was put in a position of saying "me too". This forgotten area needs industrial development and housing presents a great problem.

QUESTION to Reid. Why does the government not have a guaranteed annual income policy?"

Reply: Through a melange of welfare programs we are moving towards this goal. On an evolutionary basis. We are not in favour of straight give-away programs. We are moving towards the goal as fast as people can accept is.

QUESTION to Webb: How would your party go about establishing a guaranteed annual income?"

REPLY: I am not in favour of a guaranteed annual income if a person is able to work. All able people should be provided with work.

QUESTION: How do you stand on Bill C-186, the bill for certification of unions on a regional basis?

MOATS: The voice of Labour, the CLC opposes it. It encourages separatism in a viscious way at the bread and butter level. REID: I am opposed to it. People must be served adequately by their unions. A cause for discontent was the case of a union which was almost wholly French speaking which was refused its material in French. But this has been changed. A form of agreement may be reached without such an enactment. WEBB: The unification of unions is desirable. Fewer unions can be dealt with more efficiently.

QUESTION TO WEBB: Do you agree with the B and B commission recommendation on the Quebec question? REPLY: I believe in one Canada of two founding nations. There should be no type of separist movement, but the special language needs of the French should be respected. Prejudice must be broken down, and Expo has helped.

QUESTION TO MOATS - Should Canada get out of NATO and NORAD and leave the defense of Canada? MOATS - The contribution of a nation of Canada's size is only a small bit comparatively. The spending of this money could be better used in more creative ways to establish communication between peoples and used towards establishing a non-violent society.

QUESTION to Reid - Trudeau has said that when a resolution has been passed by constituency delegates, it will become part of party policy. Is this true? REPLY - This has come about. The regional development program policy has been accepted by the policy committee in this way.

QUESTION TO WEBB: What is the cause of the labour unrest as evidenced by the strikes now in effect or planned by railway workers, postal workers, O-M and in your company, Northern Telephone? REPLY - As far as Northern Telephone is concerned, the strike is against the government for the high cost of living, not against management. The workers are treated well. Their demands can not be met without raising rates. I have no part in the negotiations, I am on holidays. I wash my hands of the matter unless called back from holiday.

MOATS - I am sorry Mr. Webb has washed his hands in the matter of the local strike. I am deeply concerned. Money has lost its value through inflationary pressures. Pen-

GALLEY TWO CANDIDATES

sions and wages should be scaled to the cost of living. Are managers able to keep up with the cost of living where workers are not?

QUESTION TO MOATS: How does Mr. Douglas plan to finance the services which he promises without raising taxes? REPLY: The basic program calls for the readjustment of taxes. Measures to stimulate the growth of the economy will be provided and out of this growth new services can be paid for.

QUESTION: Is there any essential difference between the PC's and the Liberal parties in the matter of protection and free trade and other policies, and is not the N.D.P. party the only alternative?

REID - There are really only two parties seriously to be considered. The Conservatives and the Liberals. All are in favour of growth in trade. This will be effected by bi-lateral agreements through GAAT and the Kennedy round of negotiations. The basic difference in the tow parties is the manner in which the country should be held together. Trudeau stands for two levels of government, each supreme in stated fields. The P.C.C. have two stances, that of Stanfield and Fortbault and that of Diefenbaker and Fulton. The Liberals have a policy for decreasing regional disparity.

MOATS - I am sorry such a good looking young man is due for a shock at the polls on June 25 when the N.D.P. will show its strength. N.D.P. stands for revampment of the tax structure and is the only alternative to the two old parties.

WEBB - The Conservatives will stir up more economy than the Liberals have done in five years.

11 PER CENT

About 11 per cent of the annual gross fixed capital formation of the United Kingdom in 1965 was attributed to the electricity supply industry.

(Continued From Page 1)

in many of these people being reactivated.

Also in the basement area a mechanical workshop has been established where mechanical maintenance for the home is carried out, and included is adequate garage facilities.

Bergman and Nelson were the general contractors for the extension.

H. W. Hughes, Superintendent of the Kenora District Home for the Aged said today that an invitation goes out to all interested citizens of the district to call at the home to participate in the official opening ceremonies of the new addition.

Reverend Father Julian Jalbert, O.M.I. of Notre Dame Parish, Kenora will read the opening prayer followed by an address by chairman of the board of management, Magistrate J. V. Fregeau. Expected to be present to address the gathering is Mr. Noble Drew, director of homes for the aged Branch, Department of Social and Family Services and Mr. Leo Bernier, M.P.P. who will be representing the Honourable John Yaremko, Q.C., Minister of Social and Family Services for the province of Ontario.

Mayors and Reeves from all parts of the Kenora district will be introduced and a few words will be expressed by Mrs. Jean West, president of the Pinecrest Auxiliary.

A prayer of benediction will be offered by Reverend H. W. Boyd of Knox United Church in Kenora.

Following the program refreshments will be served and tours of inspection of the home will be conducted.

Members of the board of management are J. V. Fregeau, chairman, Kenora; W. Hambleton, Dryden; C. Gauley, Sioux Narrows; H. F. Ketler, Sioux Lookout and J. Gillis, Balmertown.

The first residents were admitted to Pinecrest in October of 1957. The original accommodation provided for 108 beds. This soon proved to be inadequate and in 1961 additional facilities were provided that brought the bed capacity up to 211. Various types of care include normal, bed, special and accommodation for married couples.

During 1967 Pinecrest provided 66,488 resident days of care to senior citizens of the Kenora districts.

This includes the towns of Dryden, Kenora, Keewatin and Sioux Lookout; townships of Ignace, Jaffray & Melick, Machin and Red Lake; improvement districts of Balmertown, Barclay, and Sioux Narrows, plus the unorganized territory.

Classes For Junior Sailors

Plans for sailing instruction were discussed at a meeting of the Junior Sailing Committee in Kenora.

It was decided to hold three two-week classes starting on July 1st open to all girls and boys fifteen years and under who hold their Red Cross intermediate swimmer badges.

An evening course will be available for those sixteen years and older. This will be held in July on Mondays, Tuesdays and Fridays.

New boats have been added to the fleet to accommodate the growing interest in sailing.

Registration dates are July 10th, 11th and 12th for the Juniors between the hours of 11 and 5 p.m. and for the seniors taking evening instruction registration will be June 10th and 11th from 7 to 9 p.m.

Business Girls Golf Section Name Officers

The Busnises Girls Section of the Kenora Golf and Country Club held meetings at the Club House on Tuesday, May 21st and Tuesday, June 4th. The following are the executive for this season:

President - Marge Cameron.
Vice-President - Thelma Butowski.
Sec.-Treasurer - Anne Andrychuk.
Social Conveners - Ruby Lachapelle and Marg. Allin.
Prizes - Mary Allin.

The annual dance will be held at the Club House on Saturday, July 13th.

The opening dinner is planned for Tuesday, June 18th. Members and guests are welcome.

All members and prospective members are invited to come out on Tuesday, June 11th to the Club House for an enjoyable evening.

O-M Mill At Kenora Planning Pollution Control

Prosecution of the Ontario-Minnesota Paper Co. on charges of unlawfully polluting the Winnipeg River at Kenora has been withheld because the firm has proposed corrective measures, the Ontario Legislature was told on May 29th.

John Simonett, energy and resources management minister, told the house the company was charged January 11th with dumping wood and chemical wastes into the river contrary to the Ontario Water Resources Commission Act.

"The company subsequently advised me that they had recently received a report from a consultant they had retained to advise them on this subject," Mr. Simonett said, "and were on the point of presenting proposals to the Ontario Water Resources Commission for a program of pollution abatement."

The minister, replying to questions from Elmer Sopha (L—Sudbury), said he had agreed to give the firm time to submit its report. He said the report was submitted April 12th and discussed at an OWRC meeting April 30th.

Mr. Sopha asked whether the pollution situation has been corrected.

The Minister replied that it had not been made on plans, the physical facilities have not yet been installed."

He said the project will take 18 months to two years.

181 Mining Claims In May

During the month of May this year, 181 mining claims were recorded in the Kenora Mining Division. Of this total two-thirds of the claims were staked for uranium in the Sand Lake area north of Kenora, and in townships east of Kenora near Vermilion Bay. The balance of the claims were staked for base metals in the Code-Manross Townships area south of Kenora and in the Dryden Area.

Officer Sends Appreciation

Al Bishop of Kenora has received the following communication from Lt. Col. H. L. Broughton, Commandant of the Air Navigation School in Winnipeg:

"It was a great privilege for me to participate in the annual inspection of No. 645 squadron, RCAC last week. The parade went well and the performance was enhanced by the drill presentation and the presence of the Lake of the Woods Band.

"As well, it was particularly pleasant for me and the other officers with me to meet so many of the Squadron officers, instructors and sponsoring committee members at the reception after the parade sponsored by the Kenora Lions Club. In all, it was a most enjoyable evening. Best wishes for every future success."

Balloon hits Vienna tower

VIENNA A passenger balloon struck a tower in Vienna yesterday and three passengers, including the pilot, were killed.

The pilot was Francis L. Shields, of Pennsylvania, president of the American Balloon Club, who was on a trip through Europe performing balloon flights. He was to have continued from Austria to the Netherlands.

As the balloon struck the tower in Vienna's Danube Park the passenger gondola capsized, ejecting Mr. Shields, an Austrian Government official and an Austrian journalist.

Photo shows work well underway at Pinecrest as workmen construct the new auditorium. With Mr Harry Hughes is M&N staff member, Joyce Kennedy.

Bill would keep ore processing in Ontario

A private member's bill that would force Texas Gulf Sulphur Co. of New York to process in Ontario the ore from its mine near Timmins has been introduced in the Legislature.

The bill would amend the Mining Act to extend the home-processing rule to all mining lands. At present, it applies to lands leased or patented after April 12, 1917.

Mines Minister Allan Lawrence has said he has no authority to see that ore from the Kidd Township mine run by a Texas Gulf subsidiary is processed in Ontario because the site was patented before 1917.

Outside the Legislature, William Ferrier (NDP, Cochrane South) said his bill would give the minister authority in this case and many others. He said ore is concentrated at the mine, then shipped for processing to Quebec and the United States.

Employment has dropped almost 20 per cent in the Timmins area in the past five years and five mines have closed. Feeling is running high against the loss of potential work because ore is shipped out.

Mr. Ferrier said that if the company could prove it is economically unfeasible to build a mill near Timmins, the Government could exempt it under regulations in the act.

At present, he charged, the Government is trying to carry out its mining policy with one arm tied behind its back.

PATTERSON DROPPED

NEW YORK . . Floyd Patterson, former world heavyweight champion, has been dropped from the top 10 ratings by Ring magazine because of inactivity.

In the reshuffled ratings behind Cassius Clay, still recognized by Ring as world champion, Leotis Martin of Philadelphia replaced Patterson and moved into the No. 6 spot on his knockout of Thad Spencer.

Food inquiry is abandoned

A public inquiry into Ontario's multi-million-dollar fruit and produce industry has been adjourned indefinitely to permit the three-member board and its accounting staff to assess the evidence heard this week.

D. E. Williams, chairman of the Ontario Food Council, is commissioner of the inquiry board. Sitting with him are Mrs. W. E. Brecken, representing the Consumers Association of Canada, and Jack Howard, secretary of the Ontario Fruit and Vegetable Growers Marketing Board.

The "Dad plaque" makes British Sterling the personal Father's Day gift.

British Sterling cologne and after shave have always said "quality." Now they say "Dad" too. The "Dad Plaque" uniquely personalizes your gift and reminds Dad everyday of your thoughtfulness. Show him you think he's a legend in his own time. Give him the cologne or the after shave that lasts from dusk to dawn . . . both with the "Dad Plaque". He'll never forget you for it. From $3.00.

BURNETT'S WHITE SATIN DRY LONDON GIN

In 1770 this famous Gin took London Town by storm

Thank you, Sir Robert Burnett: "That's how a Gin and Tonic should be!"

you can still taste the sensation today

Today, White Satin Gin is just as special, just as palatably sensational as it was in 1770 when Sir Robert Burnett invented his London Dry formula. Satin-smooth, decisively dry, White Satin is a tradition that's been kept alive by generations of good taste. Take a taste and see.

IMPORTANT CHANGES IN UNEMPLOYMENT INSURANCE

New benefits / New contributions / New wage ceiling

New Contribution Rates

Weekly Earnings	Weekly Contribution Employee	Weekly Contribution Employer	Value of Weekly Stamp
Less than $20.00	$ .10	$ .10	*
$20.00 and under $30.00	.20	.20	$ .40
$30.00 and under $40.00	.35	.35	.70
$40.00 and under $50.00	.50	.50	1.00
$50.00 and under $60.00	.65	.65	1.30
$60.00 and under $70.00	.80	.80	1.60
$70.00 and under $80.00	.95	.95	1.90
$80.00 and under $90.00	1.10	1.10	2.20
$90.00 and under $100.00	1.25	1.25	2.50
$100.00 and over	1.40	1.40	2.80

*Use one-half of a 40¢ stamp.

Employers

1) These contribution rates are effective June 30th 1968. If your pay periods do not coincide with that day, and if you wish to avoid using both the old and new rates in the same pay period, you may use:

(a) OLD RATES for any pay periods ending on or before July 6th 1968, or

(b) NEW RATES for any pay periods starting on or after June 23rd 1968.

2) Stamps that will become obsolete after June 30th may be exchanged at your post office for stamps of the new denominations.

3) If you are registered as an employer with the Unemployment Insurance Commission, a bulletin with detailed information about exchanging stamps has been mailed to you.

4) The wage ceiling is raised from $5,460 to $7,800. All salaried employees earning up to and including $7,800 a year are insurable from June 30th onward.

5) Employees paid by the hour, day, piece or mile will remain insurable regardless of the amount of their earnings.

New Benefit Rates

Range of Average Weekly Contributions	Weekly Rate of Benefit	
Cents	Person Without Dependent	Person With Dependent
Less than 28	$13.00	$17.00
28 and under 43	16.00	21.00
43 and under 58	19.00	25.00
58 and under 73	22.00	29.00
73 and under 88	26.00	33.00
88 and under $1.03	30.00	38.00
$1.03 and under $1.18	34.00	43.00
$1.18 and under $1.33	38.00	48.00
$1.33 and over	42.00	53.00

Employees

1) Although the new contribution rates become effective June 30th 1968, the new benefit rates as shown in the table above *will not* automatically become effective at the same time.

2) The benefit rate is calculated on the basis of your most recent 30 contribution weeks. Therefore, some time will go by after July 1st before your contributions at the new rate will have the maximum effect on your rate of benefit.

3) For claims established before July 1st, the benefit rate established when the claim was made will continue to apply until the claim is ended.

4) As an employee, you will contribute at the new rate starting June 30th 1968, and your new contribution rate is shown in the contribution table above.

5) For earnings of less than $20.00 a week, most employees are credited with a contribution for half a week. However, *farm employees* and *fishermen* do not pay any contributions for earnings of less than $9.00 a week. But if they have earnings from $9.00 to $19.99, they pay 10¢ and are credited with a contribution for half a week.

6) If you work in lumbering and logging, and if your contribution weeks are determined by applying divisors to the number of cords or board feet produced, your contributions will be at the rate for earnings of $100 a week. This was formerly $69.

Revised copies of the Employer's Handbook and Table of Deductions will be mailed before June 30th 1968 to all employers registered with the Unemployment Insurance Commission.

In addition, booklets and tables for employers in logging and fishing will also be distributed at a later date.

These booklets and tables will contain detailed information on the amendments to the Unemployment Insurance Act passed by Parliament in March of this year. If you have further questions or wish more information, the nearest office of the Unemployment Insurance Commission will be glad to help you.

We suggest that you keep this notice handy for future reference.

Group From Here Toured Selkirk Mental Hospital

On Tuesday, May 21, students and instructors of St. Joseph's Hospital Training Centre along with staff members of the Lake of the Woods District Hospital toured the Selkirk Mental Hospital. The visitors were greeted in the spacious lounge of the nurse's residence by Mr. Redfern, a staff member of the Hospital. Following lunch Mr. Redfren and Mr. Martineau conducted the group on an extensive tour of the hospital.

The reception building, at present undergoing renovations, was the first stop, and the group were very impressed with the modern decor, comfortable furnishings and patient's quarters on the third floor. Patients in this building are assigned to floors according to their particular needs with the first floor being occupied by those not requiring strict supervision. Occupational therapy, prescribed by psychiatrists to meet the needs of the individual patient, plays an important part in the treatment of the mentally ill. In the reception building the group watched patients working at weaving, sewing, ceramics, typing and mosaics.

One building is devoted exclusively to geriatric patients wiht a specially trained staff to tend to their needs. The patients spend a great deal of their time out doors, under supervision, enjoying the beautiful surroundings. Two large buildings are devoted to the care and rehabilitation of long term chronic patients. One of these buildings houses the dormitories, dining room and lounges, while the other contains facilities for occupational therapy ranging from simple manual tasks to communication skills, music, rhythmics and art. Watching these adult patients perform with difficulty the simple skills which come naturally to normal children, served to make the visitors aware of the gigantic task facing the staff of this hospital, a task which they perform with great patience and devotion.

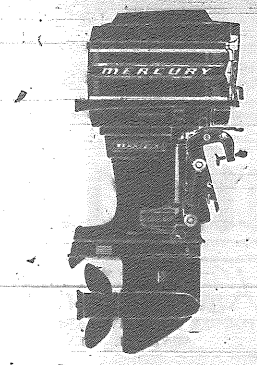

A competely new modern wing, comprising male and female sections with joint cafeteria and lounging area, was the last stop on the tour. This wing also housed the offices of the medical and administration staff.

Most patients of the entire hospital complex have access to a large gymnatorium canteen and other recreational facilities.

Selkirk Mental Hospital opened in 1886, prior to which the mentally ill were confined to prison. Peak admissions to the hospital in the twenties and thirties ranged up to twelve hundred patients who were crowded into less space than is now occupied by seven to eight hundred. The difference was largely brought about by new methods of treatment and control of mental diseases. A staff of over six hundred, all categories included, is employed at present. There is an active program for training psychiatric nurses with this year's graduating class consisting of fifteen ladies and two men. Great stress is placed on group therapy with patients and staff participating. The general aim of an intense rehabilitation program is to make the patients self sustaining wherever possible. Good use is made of foster homes and industries in the town of Selkirk and the city of Winnipeg.

Following the tour the guides answered many questions pertaining to the care and treatment of the mentally ill. These capable men displayed a vast knowledge of their subject and the visitors left for home with a much better understanding of the problems and accomplishments of this large hospital.
