LATE NEWS BULLETINS

The Pontificial Commission of Justice and Peace in Rome has been sent a Dossier listing eleven cases of alleged torture of priests, students, workers and others in Brazil. The Catholic Herald, an independent Catholic newspaper in London, says some of the victims have been tortured to death. In some cases bodies have been found with the finger nails and toe nails pulled out, eyes removed and the body mutilated.

The military regime in power in Brazil said it is investigating similar allegations reported previously in British newspapers.

The owners of a ship says a Cuban gunboat fired several warning shots at the Liberian freighter as it sailed past Cuba last night. The gunboat ordered the ship into a Cuban port but then issued a countermanding order releasing it.

A spokesman for the Miami-based company which owns the ship, the Deep Freeze, says there were no injuries during the incident. The ship was allowed to sail toward its destination in British Honduras.

A report out of Montreal today says that Canadians were more generous in 1969 than they were in 1968 in their charitable donations. The fund-raising consultant firm of G. A. Brakeley said Canadians gave an estimated 558 million dollars in 1969. This is an increase of 33 million over the previous year. It works out to about 25 dollars a person.

Corporate donations for charitable causes in 1969 totalled 75 million dollars. This was a threefold increase in the annual amount over what it was 20 years ago.

Two members of parliament partook of a Vietnamese-style lunch yesterday in Ottawa for their New Year's dinner. Progressive Conservative Daald MacDonald and NDP member Edward Broadbent ate sup, rice and tea in a tent set up in an Ottawa church yard.

The parliamentarians wee guests of Mrs. Claire Culhane and Michael Rubbo, cochairman of project Enought. They began a ten-day vigil on Christmas Eve to protest Canada's part in the Vietnam war. They plai to live in the tent village in the Churchyard until parliament reumes on January 12th.

The Centennial Corporatin of Manitoba has a full year's program lined up to mark the passing of the 100th year by the province. An almost continuus program of sports, festivals and special projects will be highlighted by a royal visit in the summer.

Other celebrities expected during the year include Beatle John Lennon and his wife, Yco Ono, Movie Star Omar Sharif and Opera Singer Joan Sutheland.

New York Public Events Commissioner John Palmer admits the rising cost of living is caught up the V-I-P treatment. Palmer says in many cases 4-thousand-dollar ticker-tape parades have to be bypassed in favor of a visit with the mayor and one-dollar and fifty cent worth of tea and crumpets.

Parsons Gets Minneapolis - Kenora Run

Parsons' Airways at Kenora have received word that they have been granted a license to fly passengers and freight between Kenora and Minneapolis.

The license is on an "irregular basis" when means that the flights will be made only if the traffic warrants them.

Company spokesman Keith Parsons said this morning that he anticipates the schedule will commence upon the arrival of the tourist season. Application was made to the Air Transport Board for the license about one year ago.

Bullet Shatters Phone Cable

A resident of the East Melick Road, in celebrating the incoming of the New Year, unintentionally put telephone circuits to the airport and all residences of the area out of business.

Frank England, manager of Bell Telephone at Kenora, said today that the reveller had stepped out his door and blasted off a 30.30 rifle. The bullet hit the telephone cable dead center cutting off the communications.

Phone crews were put out immediately and worked through most of New Year's Day to get the services restored.

Mr. England said the airport services, many of them vital, were the first to be put back into operation.

—The Weather—

Cloudy with a few sunny periods and widely scattered snow-flurries. Clearing Saturday afternoon. A little colder. Light winds. Low tonight and high Saturday at Fort Frances, Red Lake and Kenora zero and 10 above.

NEW YEAR HERALDED BY SHOTS - SHOUTS - YIPS

Whistles, horns, shots, and sirens, coupled with shouts of revellers welcomed in a new decade as citizens of Kenora, Keewatin, Jaffray-Melick joined in a gala celebration.

Kenora and Ontario Provincial - Police Departments both report a relatively quiet and law-abiding holiday. A few minor car accidents were reported locally. One law officer said he attributed the lack of major incidents to the new legislation which makes breathalizer tests compulsory. Many motorists, who would disregard caution and drive while under the influence, this year either took taxis or turned over the keys to the car to someone more able to drive.

One resident at the Airport, reports that the New Year was only barely welcomed in when the family dog gave birth to twins. The children were so excited and were endeavoring to call the good news to friends but this was impossible due to the fact that phone circuits had been put out of commission by a reveller who had unintentionally severed the main cable when he blasted off a shot from a high powered rifle as he shouted "Happy New Year."

SANTA BARRED FROM CARNIVAL BEARD RACE

A special meeting of the Winter carnival Beard Contest Committee was held today to discuss an entry from the North Pole.

It has been decided to refuse Santa's application to enter the Beard Contest as he refused to shave his beard and compete fairly with local contestants.

January 1st saw the start of the Winter Carnival Beard Contest and already a crop of beards have appeared on the streets of Kenora. Local Barbers who are handling all registrations and collecting the $1.00 entry fee report a very busy morning.

Prizes will be awarded for the following categories of Beards: Best Trimmed, Bushiest, most colorful-natural- most colorful-dyed--Best Abe Lincoln style and most scraggly.

All beard growers are reminded that anyone entering the contest must register at any of the Kenora Barber Shops and that any beard being entered must not have been started before January 1st, 1970.

SHOTGUN BURSTS MARR NEW YEAR'S DINNER

A Kenora resident received an unwelcome visitor New Year's Day when a neighbor blasted his way into his home with a 12 gauge - shotgun. Kenora town Police report that the Lakeside resident who was alone in his home, and just sitting down to his evening meal at 7.30 p.m., heard, what he thought was a series of bursts of firecracker's outside.

Paying no attention, he continued with his meal, then became alarmed when he heard footsteps on his back steps and saw the door-frame splinter as a shot was fired at the door.

He held the door shut for a few moments, but when more shots were fired, the home owner took refuge. The gun-wielding neighbor then crashed into the room and pointed the weapon at the alarmed occupant.

According to the complainant, the man said "I've got one in here for you". However, he apparently did not mean any harm and pointed the weapon to the floor discharging three more shells. He laid the weapon down and asked his neighbor to phone the police.

The law officers were called, the man arrested and taken into custody. He appeared in Provincial Court his morning and was charged with unlawfully pointing a firearm. He was remanded to the Ontario Hospital at the Lakehead

Dauphin Kings Here Tonight

Shades of last year's dramatic playoff with Dauphin Kings will vibrate in the Kenora Recreation Center tonight, when the Kenora Muskies play host to the "Blue Meanies" from Dauphin starting at 8 p.m.

If last Tuesday's contest in Dauphin between these same two clubs is any indication of what is going to happen, Kenora hockey fans will be in for an exciting evening. The Muskies are definitely up for this one.

Yes. Ron Lowe and Company will be on the scene tonight for the game that Kenora fans have been waiting for since the Kingly Crew's last visit to our fair city. The Dauphin Club now holds two successive victories over the Muskies and have won three of their five meetings this season First place is also an important factor with Dauphin nursing a 4 point lead, however the Muskies have a game in hand.

Local hockey fans are buzzing with the excitement of tonight's contest a n d unconfirmed rumors have it that the traditional "Muskie-" will once again make its appearnce after a Kenora goal. The rythmic shouts of the crowd the bugle calls of Wayne Millory and the banners of encouragement will all add to the excitement of tonight's contest. To top that off, the Muskie management will make a special presentation to one of the exuberant faithful between the first and second period.

So , for exciting Junior Hockey Action---take in tonights game at the Recreation Center---and come early.....

Plea To Fans For Restraint On Smoking

A combined plea from the Muskie Hockey Club executive and Arena Manager , Bill Swan, is made to fans who plan to attend tonight's hockey game between the Muskies and the Dauphin Kings.

Fans are earnestly requested to refrain from smoking during the game. At the close of Arena Box Office last night advance ticket sales would indicate that the attendance tonight could well surpass the highest attendance last year during playoffs.

The damp warm weather and any heavy concentration of smoke will hamper the game and team and Arena officials hope the fans will cooperate in keeping the smoking out of the arena.

O.H.C. Contracts For 896 Units In Province

Toronto--The Ontario Housing Corporation says contracts will be signed early in the new year for 896 units in nine municipalities for which it has received federal loan approval.

The loans are for almost eleven million dollars.

A contract was also signed late last year for construction of a 550 bed residence for single students at the University of Guelph.

The 3 million dollar job will be done by Stewart and Hinan Construction Limited of St. Catharines.

OHC finances its housing developments by borrowing 9- rercent of the funds from Central Mortgage and housing corporation and ten percent from the Provincial Treasury.

It repays both loans with interest. Its dwellings are leased on the basis of rents geared to family income. They start at 32 dollars for persons whose monthly income does not exceed 192 dollars.

Contracts signed for Senior Citizen housing late in theyear were for Durham, Georgetown, Kitchener, Oshawa, Perth, Peterborough, Picton, Port Hope, Sarnia, Sault Ste. Marie, Sutton, Tillsonburg and Welland.

Family housing contracts were for Chemsford, Fort Frances, Kitchener, Oshawa, Ottawa, Perth, Peterborough , Port Arthur, Port Hope and Thessalon.

The student housing development for the University of Guelph brings the total accommodation provided by the student housing Corporation in 1969 to 2,622 units.

The contracts have a total value of more thatn 20 and one half million dollars.

Universities also gained housing developments. They are Queen's at Kingston, with 96 single units, Waterloo with 600 married student units and Guelph with 550 single student units.

Ottawa got two projects with a total accommodation for 800 single students. There is a second Queen's Development with 576 single student units.

Lakehead Air Traffic Drops

Ottawa-- Figures released by the Dominion Bureau of Statistics show domestic passenger traffic into and out of Lakehead Airport dropped in the first half of 1969. The figures were announced today in Ottawa. They show that incoming traffic dropped by 2.1 percent and outgoing by five percent compared to the same period in 1968.

Incoming passengers numbered 34,233, a drop of 73 from the previous year. Departing passengers reached 36,008, a drop of 1,909. Cargo was also reduced more than half.

The bureau notes that a prolonged strike, which closed down A i r Canada operations from April 21st to May 20th, had a significant impact on the 1969 figures.

Outlook For Graphic Arts

Look for strong emphasis in the growing use of computers and electronic data processing in the printing and publishing industries at the Canadian Graphic Arts show in Toronto next October 19-22. "Most printers are aware that major advances are being made in computerized systems and components for graphic arts," show manager Alex Evreinov told the Financial Post.

"Computerized estimating is now feasible. New and imaginative uses for electronics are being discovered in all printing-plant operations, from production and platemaking to bindery and mailing activities." Sponsored by the Graphic Arts Industries Association and held in conjunction with the annual GAIA Convention, the show is managed and produced by Industrial and Trade Shows of Canada, division of Maclean -Hunter Ltd., Toronto.

Receiver is the fellow appointed by the court to take what's left.

Smiles

A disgruntled school teacher handed in her resignation with this comment: " In our public schools today, the teachers are afraid of the principals, the principals are afraid of the superintendents, the superintendents are afraid of the board, the board members are afraid of the parents, , the parents are afraid of the children and the children are afraid of nobody."

Today's Children

BY: Helen Allen

This little lady with the sweet, trusting smile is Ellen, seven months old. Of black and white parentage, she is a beautiful baby with big dark eyes, brown curly hair and coffee - colored skin.

Ellen is in excellent health and developing at a superior rate. She is very active, creeping all over and eager to try walking if some one will hold her hands.

Ellen is bright, alert and curious about everything she sees. She is an enthusiastic eager and usually sleeps about 14 hours a night. Ellen views strange grown-ups with disfavor at the moment, but is more ready to make friends with children. With people she knows she is happy and affectionate.

This little girl needs loving parents who will be interested in her background. To enquire about adopting Ellen, please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182.

The U.S. Coast Guard says a ship was seized off Cuba during the night--apparently by Cubans--but that it was later released. The Coast Guard in Washington says it has not other details at the moment concerning the incident. A spokesman said he did not know the identity of the ship. He said it was seized off Cuba's northwest coast then released. He said he expects more details to be made available in an official report.

An influential Israeli newspaper today demanded the recall of a French diplomat in retaliation for France's decision to request the recall of Israeli arms buyer - Mofdechai Limon. The paper said France was unable to declare Limon Persona non grata according to normal diplomatic procedures because Israel had not broken any French law.

France asked for the recall of Limon from Paris as part of the sanctions in the affair of the - Charbourg gunboats which arrived at Haifa two days ago.

Travel specialists in London today agreed that British holiday and business travel to Canada will increase following the removal of a tight curb on spending by Britons in non-sterling countries. The 130 dollar limit in foreign exchange a person could take out of Britain a year, had severely curtailed trips to Canada. Far more generous allowances now have been provided.

A letter examined by Scotland Yard today alleges that the 55 year old wife of a British publishing executive is being held prisoner because of sexy stories in her husband's newspapers. Muriel McKay has been missing from her home since Monday night.

The letter says Mrs. McKa y will be released if the News of the World and Sun, publicly announce they will not, as the letter put it, "corrupt our kiddies any more by printing all that filth." The news of the world specializes in lurid sex stories. The Sun frequently carries semi-nude photographs. The writer claims losing a 12 year old daughter because she was influenced by money girls get paid for telling their stories. It said the girl had left home to lead a promiscuous life.

West German border guards last night crawled into an East German mine field to rescue a 17 year old youth attempting to escape to the west. The youth was lying on the East German side of the border, his foot shattered by a mine. Bavarian border police , say the East German youth now is out of danger. He is resting in hospital following the amputation of his right leg, below the knee.

Transair To Continue Run

TransAir will likely be able to continue to serve its Winnipeg - Lakehead run with stops and Dryden and Kenora and that its prairie runs will also be maintained, according to a statement today by local travel bureau manager Udo Romstedt.

Mr. Romstedt said that meetings held in Winnipeg between the airline and the federal government - officials indicate that this will be a fact.

A Brandon newspaper report says Transair Limited and the Canadian Air Transportation Commission have reached an agreement that will enable the regional air carrier to maintain its services. The airline said last week it has applied for permission to suspend its prairie service January 30th including its Winnipeg - Brandon route and the North western Ontario Services.

Many Students Found Jobs

The Government of Canada provided jobs for 11,365 students last summer , an increase of close to 27 percent over the previous summer.

Details of the Federal Government's efforts to provide summer jobs for students within the public service were made public today by Manpower and Immigration Minister , Allan J. MacEachen.

The Manpower Department was involved in a number of inititatives designed to help students find summer employment ; one of these was to expand summer job opportunities within the government service itself.

Mr. MacEachen reported an increase of 2,401 in the number of summer jobs provided in 1969 as compared to 1968, when the total was 8.964.

Efforts to increase student summer employment within the federal service followed a cabinet directive in April of this year which proposed that departments and agencies increase student summer employment by at least 10 percent over the previous year.

" I am most pleased that the results have considerably exceeded the target," Mr. MacEachen said. Departments and agencies have already been asked to canvass possibilities of student summer employment in 1970.

In addition, Mr. MacEachen said, the Department is continuing its efforts to encourage greater student employment in the private sector, by coordinating the efforts of private industry through Canada, Manpower centers across Canada.

Students employed last summer by the 52 federal government departments, agencies and corporations earned a total of $11,129,417.

Male students accounted for 76 percent of the total.

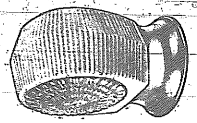

The largest number of students- 1,938- was hired by the Post Office ; National Defence hired 1,443; Indian Affairs and Northern Development, 859; Energy, Mines and Resources 886; Agriculture, 682; Fisheries and Forestry, 785; National Revenue 535; Public Works, 508; Transport 760; Manpower and Immigration , 439.

Mr. MacEachen said reports from Departments indicated that student summer employees performed worthwhile and valuable work and made a positive contribution. Of the total number , 21.5 percent were engaged in professional and semiprofessional - occupations; some 27 percent did clerical work and 45 percent were on manual jobs.

Mr. MacEachen paid tribute to the cooperation the department has received in its summer student - employment program from provincial authorities, universities, employees and labor groups.

" In particular, I would mention the imaginative and energetic - campaign devised by the Canadian Chamber of Commerce, 'Operation Placement', to interest their members and the general public in providing employment for students during the coming summer months."

Some Get Pension Hike

Toronto--The Ontario Government has given one group of pensioners and widows 700 thousand dollars to start the New Year..

The money will be used to pay the cost of additions to the pensions of some former civil servants and their widows. The cabinet approved a treasurer's warrant for the amount at its last meeting before the end of 1969.

In superannuation changes announced in December by Treasurer Charles MacNaughton, former - civil servants will be guaranteed a minimum pension of 21 hundred dollars a year.

Cabinet had to approve the warrant - There is no other legislative way in which pensions paid to civil servants who retired many years ago could be supplemented.

A few former civil servants and widows who were receiving minimal pensions and annuities will receive increases. This will bring them to the guaranteed minimums with the additional payments to begin in the first cheques mailed in 1970.

Fred Sedesky Here Since 1905 Called To Rest

Fred Sedesky, a longtime Kenora resident and a resident of Pinecrest since March 18th, 1969 - passed away at Pinecrest on Friday morning, January 2nd , 1970.

Queen's Park REPORT

by LEO BERNIER, M.P.P.

Leo Bernier, M.P.P., Kenora, - announced today that tenders will be invited for the highway right-of-way clearing of approximately 12 miles beginning at Long Bow Corners moving southerly (highway 71).

This work is in preparation of the early reconstruction of the Kenora-Fort Frances Highway.

Tenders will be called on January 7th and will close on January 28th.

Approximately 122 acres of clearing will be undertaken. This work is expected to be completed by May 23rd.

Further information for contractors interested, can be obtained from the local district office of the Department of Highways, Kenora.

In making the announcement, Mr. Bernier stated that he was pleased that the Honorable George Gomme, Minister of Highways, had accepted his suggestion for an early commencement of this work which would not only accelerate the reconstruction of this highway but would also provide winter employment.

HOUSEHOLD HINT

Keep potatoes and onions in in a cool, dark place where air can circulate around them. Do not keep them under the sink because it's too warm and damp there.

When cooking meat, use condensed beef or chicken broth for part of the liquid. The broth contributes extra flavor and richness.

KENORA POSTAL SERVICES NOW UNDER REVIEW

The postal department is presently reviewing services, some of which have been curtailed, the town council has been advised by Eric Kierans, Minister of Communications.

Following a resolution of the Kenora Town Council requesting additional postal service on Saturdays at the Kenora Post Office, Mr. Kierans replied stating that he could readily understand that the reduction in Saturday Postal services have caused some difficulty to clients who were accustomed to using the services previously provided.

He said that the numerous changes in postal rates and services resulted from extensive study which clearly indicateda need for adjustments in order that the Post Office Department might operate within the limits of the revenue produced and eliminate its yearly deficit.

Mr. Kierans continued "As general background to these changes, I might mention that the Post Office is subject to the same economic pressures as are those in business and industry; as wages and other costs go up, the price we must pay in providing our service increases accordingly."

O.M. PAPER COMPANY EMPLOYEES RETIRE

Two employees of the Kenora Paper Division of the Ontario Minnesota Pulp and Paper Company, Limited, Subsidiary of Boise Cascade, Messrs. H. Chevrefils and F. Gala, retired on pension effective December 31st, 1969.

MR. HERMAS CHEVREFILS

Hermas Chevrefils of 353 Eighth Avenue South, Kenora, Wood Sorter in the Groundwood Mill, retires after seventeen years of service with the Company.

A native of Manitoba, having been born in St. George on December 15, 1901, Mr. Chevrefils was educated in that community and for a number of years worked on his father's farm before taking up farming for himself. He also worked in the Gold Mines in Northern Manitoba for a period of 3 years. Hermas came to Kenora in 1947 and was associated with Brock's Farm on the Redditt Road for six years before joining O-M on May 26, 1952, where he was employed in the Wood Room and for the past thirteen years as a Sorter in the Groundwood Mill.

Married at St. George to the former Alice St. Croix in October 1934, Mr. and Mrs. Chevrefils are the parents of four sons, Victor, Rene, Paul and Maurice, and two daughters, Irene and Leah. It is the intent of Mr. and Mrs. Chevrefils to remain in Kenora during retirement.

MR. FRANK GALA

Frank Gala of 817 1/2 Fourth Street North, Kenora, is also a Wood Sorter in the Groundwood Mill and retires after 23 years of service with the Company.

Born on March 29th, 1902 in the Ukraine and educated in that country, Mr. Gala worked and also served in the Czechoslovakian Army during his young years in the "Old" country.

Emigrating to Canada on April 24, 1927, Frank proceeded to Winnipeg and later Calgary, before coming to Kenora in 1929.

On January 28, 1947, Mr. Gala was employed in the Wood Room of the Kenora Mill, moved to the Groundwood Mill in 1956 where he has worked as a Sorter until retirement.

Married at Kenora on October 1st 1938, to the former Margaret Honewich, Mr. and Mrs. Gala are the parents of 3 sons, Bill a former O-M Employee now at Duncan, B.C., Michael of Kenora and Walter, attending Queen's University at Kingston.

Frank and Mrs. Gala intend to continue residing in Kenora during retirement.

Keewatin Sawmill Employee Retires

Mr. Fred Dubchak, 1133- Eighth Street north, Kenora, Ontario, Sawmill employee of the Kenora Division, The Ontario-Minnesota pulp and Paper Company Limited subsidiary of Boise Cascade, retired effective December 31, 1969.

Born March 8, 1902 in the Ukraine, Mr. Dubchak was educated in that country and emigrated to Canada at the age of 27. Prior to coming to Canada, he worked in his native land and also served in the Polish Army.

Fred was employed for a number of years with the Lake of the Woods Milling Company in Keewatin and started with the Ontario-Minnesota Pulp and Paper Company Limited August 30, 1948, at the Keewatin Sawmill where he was employed in lumber work.

Married in Saskatchewan in 1937 to the former Nettie Tokar, Mr. and Mrs. Dubchak are the parents of 3 daughters and a son; Mrs. Elsie Hanstead, Mrs. Marjorie Kerr and Carol Dubchak, all of Kenora and Mervyn "Stubby" Dubchak of Fort Wayne, Indiana.

Fred and Mrs. Dubchak intend to live a happy retirement in Kenora.

The University of California seismographic station recorded what it described as a "strong earthquake" Thursday in the vicinity of the West Indies east of the Gulf of Mexico.
