# COUNCIL APPOINTMENTS MADE AT INAUGURAL

Committee appointments and nominees to boards and commissions in the Town of Kenora were announced this morning at the Inaugural meeting of the 1970 Town Council.

Mayor Carter presided at the well-attended meeting and extended best wishes for success to the members of his council for the coming year. He congratulated the three members who were successful at the December 1st election. Returned to office were Aldermen Dubenski and Dusang and newly elected Alderman William Tomashowski.

Mayor Carter said the community was definitely on the march and he said more than ever, there was a need for leaders with community spirit. To the large attendance he said the interest shown in Town affairs was much appreciated - He said cooperation was needed from all during 1970.

Alderman Clarence J. Dusang was re-appointed Deputy Mayor for the coming year.

## Assessment Staff Honored

Members of the Town of Kenora Assessment Staff were honored at this morning's Inaugural Meeting of the Kenora Town Council.

They were Wilbrod J. Heppelle, Assessor and Tax collector; Jack Matthews and Stanley Cox, Assessors and Christine Swirhun, Stenographer.

In making presentations Mayor E.L. Carter said that the Province of Ontario has taken over the assessment administration - effective January 1st and thus the town lost four well-known employees. Between the four, said the Mayor, they had an accumulated service to the community of some sixty five years.

He said "To them our warm thanks and appreciation for loyal and conscientious service. Kenora today is one of the few Ontario Communities possessing the new form of Assessment, based on actual value, The experience gained will be of great benefit to other Northwestern Communities in the modernization of their municipal assessments.

1970 KENORA TOWN COUNCIL AT THIS MORNING'S INAUGURAL MEETING. SEATED IS MAYOR E.L. CARTER, STANDING FROM LEFT, ALDERMEN W. TOMASHOWSKI, W. GUSTAFSON, TOWN CLERK DON McLEOD, ALDERMEN L. MARCINO, H. DUBENSKI, C.J. DUSANG AND HARRY LUBY

# WANT COURSE CHANGE AT CONFEDERATION COLLEGE

A letter has been received by the Kenora Board of Education from the Confederation College of Thunder Bay indicating a desire to lease Westwood School building for a one-year term.

The Kenora Board of Education had previously requested a five-year commitment from Confederation College. Dr. J. Litman, chairman of the Advisory Committee to Confederation College , discussed with the board the feasibility of entering into a one-year lease arrangement.

It was the opinion of all members of the Kenora Board of Education and the Advisory Committee than a one-year lease would not be satisfactory unless critical changes were made in the types of courses offered and the general administration of the school. The secretary of the Board was advised to contact Confederation College outlining the conditions that would have to be met prior to a lease being extended for a further one-year period.

Mr. B. Lamm, Mr. R. Kitely and Mr. H. Duggan appeared before the Kenora Board of Education with a request to purchase the Redditt School from the Kenora Board of Education. The Redditt school has been vacant for the past three years. It is the intention of Mr. Lamm to use the school facility for the operation of an airmechanics course.

A report was tabled on the present state of negotiations between the Board of Education and the Canadian Union of Public Employees.

A letter has been received from the teachers requesting a meeting with the board to discuss salary negotiations.

Requests have been received from Mr. E. Blouin, Mr. C. Relach and Mr. J. Forbes for sabbatical leave

# Gord Peterson Rink Advances In Legion Curling

Gord Peterson continuing his winning Brier ways, recently won the local playdown to represent Kenora Legion Branch 12 in the Legion District playdown to be held at Sioux Lookout January 17th and 18th.

Peterson and rink of Clarence Westlund, Mel Peterson and Morgan Whitta went through the games undefeated with consecutive wins over the rinks of Pres. F. Harbottle Bill Brown, Murray Meadows, Alex Scribilo and Les Coughlin.

Gord Peterson now could possibly repeat the feat of Mac Scales of Winnipeg a few years back, who came in second in the Canadian Brier and won the Legion Command Playdown.

They have a lot of winning to do though with the successful team at Sioux Lookout advancing to the Manitoba Northwestern Ontario finals at Swan River in February and the winner there advancing to the Dominion finals at Prince George B.C. in March.

Rinks curling at Sioux Lookout are expected from Dryden, Fort Frances, Sioux Lookout, Emo, Ear Falls and Red Lake.

# 1968 Commercial Fish Catch On Lake Was Heavy

Commercial fishermen took catches which brought in a total of $309,498.00 during 1968 from the waters of the Lake of the Woods, according to a report by the Ontario Department of Lands and Forests. Following is a breakdown:

Whitefish, 94,234 pounds,$28,515.
Sturgeon , 796 pounds- - $640.
Pickerel ,628,355 pounds-$196,372
Trout, 5,383 pounds - - $2,246.
Pike 409,762 pounds - - $31,627.
Coarse Fish 645,945 pds-$10,288.
Bullhead ,62,278 pds -- $3,795.
Tullibee 318,327 pds --$15,400.
Perch , 28,258 pds ---$2,545.
Crappies, 42,356 pds --$15,230.
Saugers 24,131 pds. -- $2,840.

Of particular interest in the 1968 catch figures is the amount of coarse fish and competitive species, which are undesirable to anglers, that was removed from the Lake of the Woods.

Whitefish, Tullibee, Ling, Suckers Perch, Saugers and Bullheads made up 1,173.173 pounds or 52 percent of the total catch. The fishermen received $63,383 or and average of 5.4 cents per pound for these fish.

This, says the Department, is a major contribution to the management of Lake of the Woods. No other agency but the commercial fishery could undertake such a coarse fish removal program without very substantial cost to the public.

# Jaycee Week January 10-17

The week of January 10th - 17th has been designated as JAYCEE WEEK across Canada. It is set aside annually as the occasion for a major public information campaign and a co-ordinated national membership drive, and is celebrated in over 220 communities from the Yukon to St. John's. Jaycees is the largest young men's organization in the world, with over 400,000 members in more than 80 countries. The Canada Jaycees, formed in 1935, is the third largest national member taking in over 8,000 young men in all 10 provinces and the Yukon.

The Jaycees are a leadership training organization dedicated to improving the communities in which they live. Jaycees are not a service club. They are different by reason of the emphasis on self development or leadership training for individual members. The accent is on learning through experience and community projects provide opportunities for the development of organizing skills.

# Today's Children

BY: Helen Allen

This Merry, toothless smile belongs to Pierre, a cheeful cherub of five months. Of French and Anglo-Saxon descent, he is a husky baby built on the lines of a wrestler.

HE has scant fair hair, blue eyes and a rosy complexion. The left side of his head is rather flat, as sometimes happens with young babies.

PIERRE is a bright, responsive little fellow. He can sit up for short periods and likes to be stationed in a window where he can see all the activity on the street. He is an active baby who enjoys playing with toys and loves to be on the floor where he can roll from tummy to back. He needs loving parents in a stimulating home atmosphere.

To inquire about adopting Pierre please write to TODAY'S CHILD Department of Social and Family Services, Parliament Buildings, Toronto 182.

## Crackdown On Slow Payer

Hundreds of Canadian companies are putting tighter credit controls into effect, W.L. Dack says in the Financial Post. The controls are in the form of new or higher interest penalty charges on overdue accounts, tougher enforcement of existing credit terms, and much closer control over accounts receivables. The tougher credit policy is the direct result of tight money conditions and its widening effect on all business. "It's a case of everyone all along the business pipeline trying to hold onto money a little longer."

## Divorce Actions To Speed Up

Toronto--Attorney-General Arthur Wishart says the province hopes to counter an increasingly heavy cost to the Ontario legal aid plan from divorce actions by transferring jurisdiction to county courts.

Mr. Wishart said in Toronto today if jurisdiction is given to county courts or shared between the county and supreme courts, it will speed up the divorce process and save Ontario taxpayers a great deal of money.

Mr. Wishart said the switch is still being discussed but he indicated a change will not be long in coming.

In the yearending March 31st, 1969 the legal aid plan issued 47 thousand, 700 certificates for assistance, 53 percent of them for civil cases.

The plan directors said in their annual report that out of more than 25 thousand civil certificates 64 percent were for matrimonal cases. They said this was largely due to the new divorce legislation.

It cost the legal aid plan about 640 thousand dollars for 1,613 divorce actions completed by the courts in the 1968-69 year.

It is estimated that since March, 1969, there have been ten thousand divorce actions started in Ontario courts, four thousand of them in Metropolitan Toronto alone.

# Widjiitiwin Corporation

This the second in a series explaining the workings of the corporations which are associated with Amik Corporation.

Widjiitiwin Corporation, located in McIntosh, Ontario, a status and non-status Indian Community of 150 to 200 people, has a pulp-cutting operation which is running smoothly and showing a profit. This corporation is presently operated by the Indian people entirely with the general manager – also an Indian. While the employees a r e dependable and hard-working, they still need some help in the administrative vield and in public relations.

About 33 men produce around 100 cords of pulp per day to fulfill a contract of 6,500 cords with the Dryden Paper Co. and Boise Cascade Corporation. (Last year's contracts were for 5,000 cords). Skidders, the passenger-bus, and other equipment are maintained in good repair. Since the corporation has no trucks of its own, hauling is done by outside contractors. There is a lack of accident insurance at Widjiitiwin and we have recommended that the corporation contact the Workmen's compensation Board and Ontario Hospital Services to arrange for participation. Since this is an off-reserve corporation, i t s members should be eligible for membership.

Besides the primary industry of pulp-cutting, they engage in other lucrative activities. During the summer, they form a Forest Protection crew. For the past two years, they have had the championship team of fire-fighters between Sault Ste Marie and the Manitoba border.

Other members are employed as guides at tourist resorts and some work as carpenters, particularly in building houses. Upgrading courses in lumbering and carpentry h a v e been completed by many of the men, as well as a training course for woodworkers.

During August and September, the women and children pick blueberries for sale.

There is also a well-rganized store and recreation hall at Widjiitiwin.

The people are very active in sports and have won many trophies.

These people have literally carved their settlement out of the wilderness of Northwestern Ontario. There was no hydro there when they started, but their homes which began as shacks have been gradually improved. Most of them now have good furniture and a general standard of living comparing favorably with the non-Indian population of the area.

In 1968 they received a grant from the Department of Social and Family Services in the amount of $7,300.00 and in 1969, another grant of $15,000.00 from the same department. They have obtained a loan from the Indian Affairs Branch of the Federal Government and other loans from various sources.

The soul, ( and the engineer) of this corporation has been an unnoticed missionary who shies away from public meetings, officials of any description, and all red tape. He is one of the non-Indian group who has been "Indianized".

He thinks and reacts in the Indian way in this world of ours.

Discreetly and quietly, he has rendered tremendous help to Amik and the Indian cause of this region. His name is G. Paris, OMI.

# Lakewood Music Club Kept Busy

The Christmas holidays meant, by no means, that the Lakewood Music Club would cease functioning for the break.

The Music Club gave the Holidays a "bang-up" start with a toboggan party the saturday after school was let out.

Although wet and cold, about fifty tobogganists had a good time at the Golf Course -- excluding, of course, the rides down Suicide Hill". Returning to the school for a few games of volleyball and a sing-song about the gaily decorated Christmas tree, we found to our delight, that Santa was able to come and help us celebrate. His gifts were well chosen --the worst little girl ending up with a rock.

The night before Christmas Eve the students taking the classes of vocal music went a'carolling. They sang at the Old Folks' Home and door to door in that vicinity for the evening, then venturing out to visit a few shutins.

The very next night, a group of about 15 bandsmen and 23 choristers - from the Music Club Choir) took their turn in spreading the Christmas cheer. They sang and played at the Lake of the Woods District Hospital, and then for a while at Pinecrest.

The Music Club was also active individually, working hard toward this year's production of LaVerendrye. The most outstanding achievement being the completion of the script, and of several music arrangements, including total band accompanyment scores.

# Louise McCammon Called To Rest

Louise Anne McCammon, 313 8th Avenue North, Kenora, passed away at the Lake of the Woods District Hospital on Friday morning January 9th, 1970.

Born in London, England, April 6th, 1906 she was 63 years of age. She was married in Port Alberni, B.C. to William McCammon, in 1936.

Surviving are her husband, one daughter Mrs. John (Wilma) Houghton of Kelowna, B.C., one son James of Sioux Narrows, Ontario, 2 grandchildren, two brothers, Victor Milsom of Kenora and Reginald Milsom of Kenora.

She came to this country, directly to Kenora in 1912. She was an adherent of St. Alban's Pro Cathedral.

The funeral service will be held at 2 p.m. Monday, January 12th, 1970, in the Chapel of the Brown Funeral Home. Dean L.M. Watts will officiate and interment will be in the Lake of the Woods Cemetery.

## From Around The World

The Soviet Defence ministry has hinted that recent Washington talk about expanding U. S. Military might could hurt chances for Soviet-U.S. agreement on curbing the arms race. The hints are contained in two articles in the Soviet ministry's official newspaper. One of them attacked U.S. Defence Secretary Laird's Wednesday statement that the U.S. might have to consider a new strategic bomber or more nuclear missiles deployed at sea.

Israel's Chief Arms buyer in Europe left Paris for home today. France had demanded the recall of the Paris-based admiral Mordechai Limon following the Cherbourg Gunboat affair.

The French request came after five patrol boats disappeared from cherbourg Harbor Christmas Day. The boats originally were built for Israel, but their sale was blocked by former President De Gaulle's total arms embargo on Israel.

Two military newscasters who charged the U.S. Command with censorship were transferred today from the armed forces Vietnam network in Saigon to other duties within the command. A spokesman said Robert Lawrence of Atlanta has been made a Chaplain's Aide and Marine Corporal Sinkovitz of Harrisburg, Pennsylvania, has been assigned to the first Marine Naval -Air Gunfire Liaison Company. The two were relieved of their duties after a newscast Saturday in which they made the charge.

A London newspaper (The Daily Telegraph) says Soviet writer Arkady Belinkov believes the Russian secret police tried to kill him in a phoney road accident in Italy. Belinkov fled Russia in 1968 and now lives in the U.S.

The paper says Belinkov and his wife were forced off the road December 26th on the Rome-to-Florence Autostrad . Their car crashed into a wall and the couple were thrown out. The paper says when they recovered consciousness Belinkov found that his briefcase containing lecture notes and manuscripts was missing. The Russian writer blames the crash on a car which had been following him with two men in it. Belinkov now in London, was in Italy on a lecture tour.

U.S. Federal Authorities in Buffalo, New York, have arrested five men in connection with a crooked gambling operation. FBI Agents say the men were arrested yesterday in Buffalo and Rochester. They have been charged with interstate racketeering, especially gambling and conspiracy.

An FBI official says the men arranged Charter flights between Western New York and Las Vegas for gamblers and ordinary citizens. Once aboard the planes the travellers were lured into crooked card and dice games. The official characterized the operations as "the flying fleeces".

The Eastern section of Prince Edward County in Ontario is buried today under more than 20 inches of snow. Provincial Police estimate 18 inches fell yesterday. 3 inches already have been recorded today and the snow is still falling.

A weather forecaster says the fall is a most unusual situation because there is no snow on communities only a few miles away. The snowstorm has been attributed to cold air blowing over warmer waters of Lake Ontario. The snow-covered region is a large peninsula jutting into Lake Ontario.

## Public Prayer Brings Fine

Esher England--An Englishman's mission in life, praying o n his knees in the middle of busy intersections has cost him 200 dollars in fines.

31 year old David Saxby-Willis was fined that amount in Esher, England, for obstructing traffic at four busy intersections and for failing to obey a previous court order to stop praying at intersections.

Saxby-Willis told the court that when he prayed at the intersections, he was acting under Divine guidance.

## Town Honors Former Alderman Harry Michaluk

Alderman Harry Michaluk, who was unsuccessful in seeking re-election to the Kenora Town Council at the December 1st election was honored this morning at the Inaugural meeting of the 1970 Council.

In making a presentation to Mr. Michaluk, Mayor E.L. Carter said the former Alderman had served the community and the citizens well for the past five years with conscientious endeavor. He said that not only has Mr Michaluk been a dedicated worker on council but he has been active in community affairs during most of his forty four years of residence here.

Mayor Carter outlined the many organizations which the retiring Alderman had participated in - which included employment with the C.P.R., Kenora Railroaders Union, Royal Canadian Legion, Ukrainian Centennial Committee and the Separate School Board.

Mayor Carter said " His contributions to the welfare o f our community are warmly commended and appreciated".

Mr. Michaluk said that when one stands for public office, he must abide by the decision of the electors. He expressed disappointment at his defeat but said he had no regrets as his association with the council was harmonious and said he had gained much knowledge. He thanked the heads of the Departments which he had worked with and paid tribute to the work of the Town Clerk , D.T. McLeod. He tendered best wishes to the present council, for the future.

## Tributes To Pike And Whiting

Two veteran employees of the Town of Kenora who recently retired on pension, were honored at this morning's Inaugural Meeting of the Kenora Town Council. They were former Fire Chief Leonard Whiting and Former Police Chief John Pike.

In reviewing the time of service of Leonard Whiting, Mayor Carter said " His love of boating, fishing and hunting and for the Lake of the Woods, is easily understood. In his early retirement he is back to his old love, travelling the Lake. On behalf of the citizens I tender our appreciation for many years of devoted service."

The service of John Pike was reviewed since his appointment in 1939 as local police Chief. Mayor Carter said that the former Chief had been active in sporting circles for many years, avid in - baseball, curling, hunting and fishing. He added: " Our best wishes go out to him in retirement and I doubt if we will find him at home very often during the summer months. He will be out fishing and enjoying family life with Mrs. Pike, his two children and grandchildren."
