Mayor's Inaugural Address Indicates Bright Future

Retired Fire Chief Leonard Whiting, right, accepts presentation from Alderman Harry Luby, on behalf of the town of Kenora. Ceremony took place at council inaugural.

Kenora's Mayor Ernie Carter has predicted that the tax bill for municipal general purposes received by local residents and commercial enterprises will be higher than the one in 1969.

He was speaking at the inaugural Meeting of the Kenora Town Council held Friday. The capital debt of the community is high, he said, and due to the increased cost of money debentures were not sold during 1969.

Speaking of preliminary draft budget, Mayor Carter said that because of the present labor material and money costs and because of the fact that many programs for servicing the community were postponed during the last couple of years, the general tax rate must increase in 1970. He pointed out again, that the major portion of the tax increase in 1969 was due to education costs and he expressed hopes that in 1970 the Board of Education will do all possible to hold spending down.

On a happier note, Mayor Carter said that the accountants had advised him that the municipal account for 1969 will show a surplus of approximately $70,000. and the telephone surplus for the past year is expected to reach $100,000.00. Major portions of the Mayor's address are as follows:

It is a great honour for me to once again have the privilege of serving as Mayor of the Town of Kenora at the beginning of a new decade, in this Year of Our Lord, One Thousand, Nine Hundred and Seventy.

When one considers the growth and progress of Canada during the Sixties, of this great Province of Ontario, and of the Town of Kenora, the significance of serving as your Mayor for the next two years is a particular reminder to me of the quality of leadership that is expected of those who take part in public life. I humbly trust that I will again be able to do my part. I am sure that, working together, we will realize marked improvements, particularly in the physical development of Kenora in the 1970's. I sincerely hope and pray that the co-operation, goodwill and the community spirit which has always been so prevalent here, will mark the 70's as the most outstanding ten years in the history of Kenora.

We anticipate that the Federal Post Office Building will open shortly, as well as the new Provincial Building in Lakeside. We are pleased to see the progress of the addition to the much needed District Courthouse Building. As I said last year, in order to improve Municipal Administrative efficiency, we badly need new Municipal Offices. I trust that it will not be too long before Kenora has its own Civic Centre with proper office accommodation, Council Chambers, etc., surrounded by proper parking, lawns, gardens and walks, and preferably on the Lakeshore. We have done some thinking in this regard and are acquiring certain properties which could be utilized for this purpose.

We anticipate three new major commercial developments for Kenora in 1970, with several proposed smaller projects also under consideration.

We anticipate an early start on the new Lake of the Woods District Hospital Expansion.

We look forward to the report of the Technical Advisory Committee and the Functional Planning Committee for the proposed new Kenora - Trans-Canada Throughway. As you know, Council has been working in close co-operation with the Minister of Highways for the re-routing of the Trans-Canada Highway through Marathon Realty

Festive Time At Pinecrest

Saturday, December 20th, was a festive afternoon at Pinecrest - Home when a Christmas party was held in honor of the Residents sponsored by the Pinecrest Auxiliary and under the direction of Mrs. Bert Peach.

The auditorium was filled to capacity and all residents were presented with a Christmas Corsage and a personal gift from the Auxiliary. The entertainment was a group of Ukrainian Literary Society children under the leadership of Mrs. Mary Wojtowicz - performing several dances and Ukrainian carols. This group was very colorful and performed very well.

Santa also made an appearance on behalf of the Kenora Fire Department and presented each resident with a bag of sweets.

The afternoon came to a pleasant conclusion with the serving of tea , sandwiches and dainties.

On December 29th, the Auxiliary also provided a bus to pick up all able residents at Pinecrest Home at 6.30 p.m.

There were 22 people from the Home and Auxiliary members Mrs. Edith Thorpe and Mrs. F. Richardson in attendance.

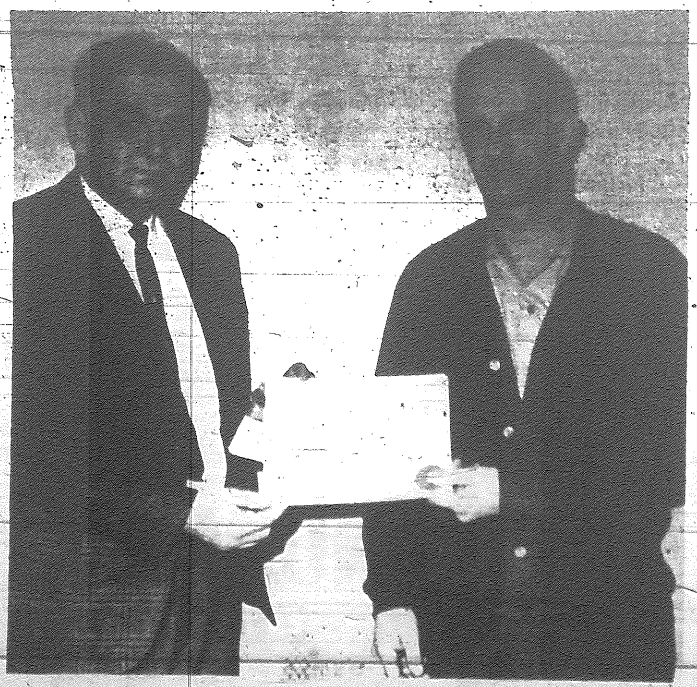

The residents were taken on a tour of the town to view all the beautiful lights and decorations that they might not otherwise have seen.

L.A. To Kenora Legion Instal New Officers

Many members attended the December meeting of the Ladies' Auxiliary to the Royal Canadian Legion, Branch 12, Kenora, at which Mrs. Eunice Ballantyne presided.

The meeting opened with O Cana-

Muskies Defeat Portage 2-1

The tide of fortune turned for the Kenora Muskies last evening as they defeated the Portage La Prairie Terriers 2-1 before a packed house in Portage La Prairie. For the first time in four games, the Muskies played as a team with goaltending by Marcel Dubroy that constantly kept the Terrier fans on their feet.

Dubroy was fantastic on 41 Portage attempts and made stops that reminded many Kenora fans in attendance of the goaltending of the 68-69 playoffs. The goaltending duties of the Terriers were shared by Curt Ridley and Brian Canart who combined for a total of 22 saves.

It was the penalty department which seemed to belong to the Muskies as they picked up 14 of a possible 20 minors handed out by referee Dale Peters. Both Muskie Coach Terry Bicknell and manager Marcel Bouvier expressed sincere disgust at the officiating terming it as the worst they had seen in a long time.

The Muskies' first goal was scored by Tom Vanrobaeys who took a perfect pass from John Drygasuk and placed it neatly in the upper left hand corner of the net. Also assisting on the goal was Terry Newman. The second goal came on a power play when Ken George and John Drygasiuk set up Terry Newman who blazed down center ice, skated over the blue line and sent a blistering drive into the right side. Both Muskie goals came in the second period. It was not until the 15:37 mark of the third period when Portage got on the scoreboard when a goal mouth scramble Greg Scharf put it away for the only Terrier counter. In the last two minutes of the game the Muskies were a man short and the Terriers opted for six attackers but with some excellent defensive play and sound goaltending the Muskies were able to hold onto the lead. That final score again- Kenora Muskies 2, Portage la Prairie Terriers 1.

ICE CHIPS: There was a five minute delay in the second period when Terrier Bob Calder lost a contact lens --- - once again the Kenora Muskies Booster Bus made the trip---Sean Donahue did not see action in the game as he was battling the flu bug all week.

Monarchs Test Muskies Sunday

The Winnipeg Monarchs make their final appearance of the season at the Recreation Centre on Sunday when they tangle with the Kenora Muskies starting at 2 p.m. The two clubs would meet again in the MJHL Final only if both won their respective divisions in the playoffs which are a little over one month away.

The Monarchs are definite contenders for the South Division crown and are currently leading that division. Paced by the brilliant goaltending of Frank Turnbull are rough and tough Monarchs have been setting opposing teams on their ears.

In three league meetings, the Monarchs have dumped the Muskies - twice , including their most recent 8-3 victory at the Winnipeg Arena.

The Monarchs are big and they use their size to advantage by employing a robust hitting game. Certainly the defensive crew has to rate as the League's biggest. Bob Pussey, Bruce Miller, John Thompson, Phil Pratt and Gavin Smith are the big hitters on the blueline brigade.

The Muskies, on the other hand, are in somewhat of a slump and are attempting to shake the doldrums that have seen them drop their last three decisions.

The Muskies still have their sights turned on first place and will look to Sunday to get the ball rolling in their favor once again. Those hockey fans who would like to stay in touch with the Super Bowl being played simultaneously with the hockey game on Sunday will be able to do so. Recreation Centre Bill Swan informs that a television set will be set up in the lobby to keep Muskie fans informed --All the action gets underway at 2 p.m. on Sunday.

Sports Briefs

Henri Duvillard of France won the classic Lauberhorn downhill ski race in the Swiss Alps today. Poor snow conditions shortened the race by one and one half kilometers, and Duvillard's unofficial time was one minute 30.21 seconds. The unofficial standings show Karl Cordin of Austria second in one minute 30.91.

Flooded pitches after a sudden thaw caused the postponement of many of today's English and Scottish football league matches. By noon , a total of 19 matches had been called off.

Veteran Club Pro, Paul Harney takes a one stroke lead going into today's third round of the 100-thousand-dollar Los Angeles Open golf Tournament. Harney has a 36 hole total of 135. Six other are tied for second at 136.

Rain threatens to cast a damper on tomorrow's Super Bowl football classic a New Orleans, between the Kansas City Chiefs and the Minnesota Vikings. The forecast is for scattered showers with the temperature in the 50's.

Dry Head

To keep your head dry in snowy or rainy weather, iron your scarves between two sheets of waxed paper. This waterproofs the scarves and prevents water from soaking into and through them.

HOUSEHOLD HINT

After a bath, use a deodorant. Soap and water start you out fresh and clean, and a deodorant helps keep you that way.

Samuel Rimstad Pinecrest Resident Called To Rest

Samuel Martin Rimstad, a long-time Kenora resident passed away at Pinecrest on Friday evening January 9th, 1970.

Born at Bryggen, Nordfjord, Norway, January 17th, 1879, he was predeceased by his wife the former Thora Marie Rimstad on November 16th, 1945. He came to Canada in 1898 and returned to Norway to marry Thora Marie Rimstad in 1903.

Surviving are his six daughters Mrs. James (Martha) Francis of Kenora; Miss Bertha Rimstad Niagara Falls, Ontario; Mrs. A. C. (Rae) Archibald, Ignace, Ontario; Mrs. W.J. (Gudrun) Hogarth of Manitouwadge, Ontario, Mrs. C.E. (Margaret) Dunford of Kenora; Mrs. W.G. (Signe) White of Kenora; three sons, Paul of Bracebridge, Ontario; Rolf of Lethbridge, Alberta; Wilbert of Kenora. He was predeceased by one son Sigurd. Also surviving is his niece Mrs. (Bertha) Greenland of Geraldton, Ontario, 27 grandchildren and 29 great grandchildren.

The late Mr. Rimstad began services with the Canadian Pacific Railway on May 5th, 1898 as a sectionman at Eagle River, being promoted to section foreman on December 28th, 1900 at Brule, Ontario and was promoted to Roadmaster on May 7th, 1914, a position he held until his retirement on January 31st, 1946.

He was a member of Bethesda Lutheran Church, a member of the Pequonga Lodge No. 414 A.F. & A.M.: Past member of the Kenora Curling Club and the Kenora Lawn Bowling Club. He was a very ardent hunter and fisherman.

The funeral service will be held at 2 p.m. Tuesday, January 13th 1970 at Bethesda Lutheran Church. Pastor Leon Lindquist will officiate and interment will be in the Lake of the Woods Cemetery.

Grandsons will act as pallbearers. They are Charles Martin Dunford, Larry White, Lorne and David Rimstad, Bruce Archibald and Wilfred Anderson.

Should friends so desire, contributions may be made to the Bethesda Lutheran Church Memorial Fund.

Mayor's Inaugural . . .

(Continued from page one)

property, as recommended by the Urban Transportation Study and has also been working with Marathon Realty with a view to their making property available for a Downtown Commercial Development, which will add greatly to our Tax Revenues.

While I realize that a vocal element, sparked primarily from a neighbouring Municipality, advocates a complete by-pass of the Town, we are virtually certain that unless the estimated costs for the Kenora Expressway are way out of line, the Province of Ontario will not build the Trans-Canada Highway around the Town of Kenora at an exorbitant cost to the Provincial Taxpayers. It is my opinion that unless the Kenora Expressway is built, heavy transport traffic will continue to travel via Main and Second Streets with the resultant safety hazards occasioned by our three right-angled turns. As one Toronto official told me - "Money is the name of the game and the Province of Ontario will not build a by-pass around Kenora at many millions of dollars cost when the Kenora Throughway can be constructed for an estimated $1,500,000.

As promised by the Minister of Highways, construction will begin in 1970 on the new Cameron Bay Bridge. Your Council has pressed the Government for a number of years for action on this long-needed improvement in our Highway System and we are delighted that something is at last being done.

With reference to Union negotiations, your Council was able to arrive at reasonably satisfactory increased settlements with the Canadian Union of Public Employees and the International Brotherhood of Electrical Workers. We have, however, not been able to conclude an agreement with the Fire Association.

We are pleased that our new Tourist Bureau, long overdue, will be constructed this year on the Provincial Jail property.

We are also pleased that Kenora is to have an Annual Winter Carnival, and I would like to commend the Kenora Kinsmen Club for taking on this project.

We will be receiving our completed Urban Renewal Scheme Study for the downtown area shortly. We do not know at this point if Federal Funds will be available to us, but if not, we may proceed with some Lakeshore development on our own, primarily and initially for parking on the West side of Main Street. Some funds will be allocated for this purpose in the 1970 Budget.

We have received O.W.R.C. approval for Norman Water and for the laying of the Norman sewer pipes, and will shortly be seeking approval from the Ontario Municipal Board to finance this project. We are planning to proceed with the interceptor sewer project for the River Street Area.

We are planning on a small paving programme in 1970.

As you heard a few minutes ago, I have set up an Airport Expansion Committee to help find a solution to the urgent need for longer runways at Kenora Airport. This could eventually develop into an Airport Authority to operate either the present facilities with expanded runways, or an entirely new Airport with, hopefully, two 6,000 foot paved landing strips.

It has been suggested to me by the Past President of the Chamber of Commerce, Mr. Don Sweeney, that we honour our Manitoba friends in this their Centennial Year, by holding a Manitoba Day, some time this coming summer. This is a good idea. Civic Holiday, August 3rd, has been suggested.

We will continue our liaison with both Ottawa and with the local Members of Parliament.

Concurrently with the appointment of Chief Webb Engstrom to succeed John Pike, we have given three readings to a By-law to establish a Police Commission for the Town of Kenora. This By-law has been submitted to the Ontario Police Commission for approval and the effective date will be determined by the Attorney-General for the Province of Ontario. I would, at this point, extend congratulations to Chief Engstrom on his appointment and to Chief Bernard Dubois, who has recently assumed the position of Fire Chief for the Town of Kenora. Both these gentlemen have come up through the ranks and we wish them well in their new duties.

I am giving some thought to the establishment of a semi-official Mayor's Advisory Committee, to be comprised of six Kenora citizens from various walks of life, who would assist me in keeping my finger on the Community pulse. This Committee would likely meet bi-monthly.

I will recommend to Council that consideration be given to an application to be made to the Minister of Municipal Affairs, under Section 14 of the Municipal Act, for annexation of a portion of the Municipality of Jaffray-Melick.

As you know, Bond yields are at a record high and disenchantment with long-term Bonds on the part of big institutional investors spells serious problems for borrowers. This is particularly true for Municipal Governments. It is difficult to sell Bonds in quantity with maturities exceeding 8 - 10 years.

As I said last year at the Inaugural Meeting, "If continued inflation a high degree of indebtedness, chronic unemployment, increase in the Tax load and constant deficit financing are the sole basis for predicting an immediate economic future, the picture is indeed a gloomy one. I think, that as good citizens, we must emerge with enough common sense to realize that Government Schemes and continued high welfare payments, etc., cannot shelter us from Birth to Rigor Mortis; that costs, including wages and taxes cannot perpetually escalate beyond productivity; and that we must, eventually, live within our means." The Canadian public in the last decade has been most reluctant to contain its desires within the area of financial responsibilities.

Ft. Frances Expected To Get Mill

Tenders for a new $40,000,000 kraft mill have been called by Ontario - Minnesota Pulp and Paper Co. Ltd., but the company remains silent on where it will be built. It is believed the site chosen is Fort Frances.

Company officials announced in January, 1969, that studies had begun aimed at construction of a new mill and they were then considering three locations — Fort Frances, Kenora and International Falls, Minn., just across the river from Fort Frances. At the time Fort Frances was favored.

Mill manager William Emory confirmed that management has called tenders but would not reveal where the mill would be built. An informed source says the company has agreed to Fort Frances.

A formal announcement is expected within a few weeks.

Boise Cascade Coporation, parent company of Ontario - Minnesota Pulp and Paper Co. Ltd., has mills at Fort Frances, Kenora and International Falls, Minn.

In town attending the Kenora council inaugural J. M. Reid, M.P. for Kenora Rainy River was queried on the possibility and said "It looks like Fort Frances will be the site".

da, and the presentation of the Colors by Warden Evelyn Farrell and color party Mrs. Bernice Bunn, Mrs. Mona Lee, Mrs. Bertha Clark and Mrs. Georgina Peacock, pianist Mrs. Pearl Bannister.

The secretary, Mrs. Edith Kearney read the minutes of the last general and executive meetings as well as many -Thank you- cards and letters from members and hospitalized veterans for comforts received.

Many lovely Christmas Cards from friends and from other auxiliaries were gratefully acknowledged.

Mrs. Edna Seller gave the Treasurer's report. Favorable reports were given from conveners of all committees; and donations were made to local charitable organizations for Christmas Cheer. An Election for president of the Auxiliary for 1970 resulted in Mrs. Eunice Ballantyne being chosen to fill this office. The President's chair was made vacant with the resignation of the President-Elect Mrs. Marguerite Green due to illness. It is the sincere wish of every member of the Auxiliary that Mrs. Green will soon regain her health and be back with us again.

Mr. John McLaughlin, Vice President of the Manitoba North Western Ontario Command, in his very capable manner, installed the new officers and executive council for 1970.

In his address to the ladies of the Auxiliary, Comrad McLaughlin stressed the obligation of the Auxiliary and the Banch to work closely together, to look after the welfare of our Veterans , their dependents our own branch and auxiliary members, and to work within our community, giving assistance with community projects within our town wherever possible.

Comarad McLaughlin congratulated the ladies for their past years of good and loyal work, and wished them every success for the year 1970.

The meeting closed with the Retiring of the Colors and the Queen. After which everyone gathered around the lovely lighted Christmas tree to sing favorite carols. To the delight of all, dear old Santa came dancing in to the room with bells a'jingling, and calling "a Merry Christmas to All" and presented gifts to everyone. A very lovely lunch was served, and a - hearty vote of thanks go to our "Santa" and to Mrs Yvie Wheeler, entertainment convener, and her committee for a very lovely Christmas party.

The next meeting of the Ladies' Auxiliary will be held in the Legion Auditorium on Tuesday, January 13th, 1970.

May you and yours enjoy the blessings of Health, Happiness, Peace and contentment in the year 1970.

Officers for the 1970 term are:
Pres--Mrs. Eunice Ballantyne
1st Vice- -Mrs. Borgne Schneider
2nd Vice - - -Mrs. Kay Lynch
Secretary - - Mrs. Edith Kearney
Treasurer- - - - Mrs. Edna Seller
Warden- - - Mrs. Evelyn Farrell
Catering - - -Mrs. Ethel Prewitt
Ways&Means- - - - Mrs. R. Cox
Sick Visiting - - - -Mrs. Lil Alcock
Memebership - - - Miss D. Alcock
Entertainment-Mrs. Yvie Wheeler
Social - - - - Mrs. Dolly Bloom
Check Room - -Mrs. Myrtle Brown
Publicity - Mrs. Gail Jorgenson

A lovely Christmas party was held in the Legion Auditorium on December 19th when the children of the Ladies Auxiliary were treated to an afternoon of games, songs and films and a visit with gifts from jovial od Mr. Santa Claus.

Close to one hundred children up to ten years of age were in attendance.

Mrs. EYvie Wheeler, entertainment convener was the hostess for the fun-filled afternoon.

Many thanks to Mr. Jake Neufeld for his part in making the children so happy and to Dale Toms for showing the lovely films.

Sabaskong Corporation

Sabaskong corporation, at Nestor Falls, Ontario, although one of the oldest corporations affiliated with Amik, has achieved little progress as yet, due to several factors which can only be briefly mentioned in this short report.

One of the basic causes that have worked against their development has been the lack of local leadership. We are now trying to disentangle the direction and objectives of the corporation from those of the Band Council and also attempting to involve the younger generation more deeply in the affairs of the corporation.

They are still bound by past tradition which dictated that the elders controlled the tribe and the youth dares not speak out.

Their potential local natural resources have not favored them greatly, aside from commercial fishing, which has not developed due to the fact that their commercial fishing license, authorizes them to fish a distance of 45 miles by water from their village.

There have also been problems regarding timberlimits, particularly in Godson Township, which the Indians may not cut without Union membership, which they cannot afford. Boise Cascade Corporation will be returning these limits to the Department of Lands and Forests within a year, at which time it will be possible to start cutting operations.

As a temporary measure, Amik has arranged for the re-allocation of pulp-cutters from Sabaskong to Widjiitiwin. The Department of Indian Affairs was most cooperative in this matter, providing necessary funds for equipment and clothing and transportation.

Sabaskong is ideally located for a Marina, Service Station and Store to serve tourist and local traffic on the highway. Since fishing and logging are at a stand still, it is imperative that this project be started so these people may being productive work.

IN MEMORIAM

HILDERBRANDT — In loving memory of our dear son, brother and uncle, John, who passed away January 11th, 1963.

Gone is the face we loved so dear
Silent is the voice we loved to hear;
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember him who once was here,
And who, though absent, is just as dear.

—Ever remembered by his loving mother, sisters and families.

LATE NEWS BULLETINS

None of the crew of eight were injured today when the freighter Northern Trader was holed and sunk in the heavy ice of the Bay about five miles from St. Alban's, Newfoundland.
The wooden-hulled vessel was making a scheduled stop at St. Alban's today when the ice pushed through the hull.
One of the crew walked across the ice to safety, the other seven were picked up about eight hours after the sinking by a coastal vessel. The loss of the Northern Trader was set at Almost 300 thousand dollars.

Britain's first nuclear-powered submarine has run into major delays while in the repair yard. Defence officials said today in London the Dreadnought has been out of action for almost two years and it could not set a date on which the submarine would return to active duty.
Hairline cracks were found in the structure of the submarine in 1965. The vessel was put into drydock in 1968 for repairs and has remained there ever since.

The leader of the Creditistes, Real Caouette, says his party will not support Claude Wagner if he becomes leader of the Quebec Liberal Party. Mr. Caouette said yesterday in Rouyn Quebec, there has never been any question of joining the Liberals, or Mr. Wagner. He said the matter has never been considered.
Mr. Wagner said at a meeting in St. Georges de Beauce yesterday that Quebec Liberals could count on Creditiste support if he were elected leader of the party at the convention next week.

Alberta's provincial Treasurer says his 1970-71 budget will not call for a retail sales tax, nor will it impose any new taxes. A. O. Aalborg said yesterday in Edmonton the budget will not call for any reduction of present taxes.
Mr. Aalborg said the budget would be present to the Alberta Provincial Legislature on Friday, February 13th. He assured Alberta Residents the date did not have any significance.

Pinecrest Ladies Auxiliary Met

The January meeting of Pinecrest Home Auxiliary was held Tuesday January sixth with Mrs. J. Bellamy, president, chairing the meeting.
Minutes of the last meeting were read and reports heard from all committee conveners present. Year end reports were also read and received.
During the meeting Mr. H. Hughes Director of Pinecrest Home, introduced to the Auxiliary, Mrs. Dezeruk, Mrs. Bohanek and Mrs. Zroback.
The first two ladies, residents of the Home, had spent many hours making two attractive afghans that had been raffled in a ticket draw at Pine crest and the proceeds of which were now being presented to Pinecrest Auxiliary.
Mrs. Zroback, an attendant at the home, had very kindly sewn the afghan together and taken charge of the ticket draw.
Mrs. J. Bellamy, Auxiliary Pres. presented the three ladies with a small token of appreciation for their many hours of work and assured those concerned that the donation would be put to good use.
Mr. McLaren of Pinecrest and the Reynard family of Keewatin were the winners of the afghan raffle.

No Smell Fish Boxes

Plastic boxes have revolutionized fish-shipping in the Maritimes- and just in time. For Canadian National had given the industry a one year ultimatum in 1967 to develop a new way to pack and send fresh fish fillets, John Kalbfleisch reports in the Financial Post. The problem was smell---the fish odor lingered on in the freight cars, making them unsuitable for transporting other goods. The new plastic packaging, called 'genpak' is the product of General Plastic Co., Cookshire, Quebec. The F.P. says the new packages could also open up air freight as a major artery for fish shipments.
