KEEWATIN INAUGURAL TOWN COUNCIL MEETING MONDAY -- Seated Mayor Luke Francis; Standing from left, Councillor Jack Pearson, Rev. Donald McNeill, Wm McLean, assessor; Councillors Jack MacFarlane, Chris Brooker, Z Alfred Quinn, Caspar Rusak, town clerk Ed Holmes and Councillor Ed Pirie

INAUGURAL ADDRESS MAYOR LUKE FRANCIS

The Inaugural meeting of the 1970 municipal Council of the Town of Keewatin was held Monday evening in the Council Chambers.

Complete text of the Inaugural Address as delivered by Mayor Luke Francis is as follows:

"As we enter on the threshold of the 1970's it is my most earnest and sincere hope that the revolt by youth and the radical opposition to almost everything- resulting in riot, assassinations and murder, so prevalent in the 1960's will be replaced by constructive criticism , sound reasoning, love and understanding of our fellow man, which will have a much needed stabilizing effect on our society. This, I believe, will allow everyone to work together to solve the many difficulties facing us, problems of space, disease, color etc., resulting in a better and a fuller life for all, young and old, rich or poor.

I welcome our new Councillor Jack Pearson and on behalf of all the citizens of Keewatin , express our thanks and appreciation to retiring Councillor Walter Hodkinson, who gave twenty years of faithful service to this community.

"At this point, I would interject a word of caution to members of Council to be thrifty in their spending and to exercise restraint on the many projects that will be proposed throughout the year.

Although we are financially solvent, a position of which we are justly proud, we have just about reached the saturation point in municipal taxes. Until we can acquire more tax revenue through industry and commercial enterprises or until our Provincial Government introduces a redistribution of revenue for municipalities, we must of necessity, be frugal.

We have heard a great deal over the past two years about Regional Government and amalgamation. Our Provincial Government is determined to bring Regional Govern-

SAYS TRANSAIR PULL-OUT WOULD BE DISASTER

The proposed suspension of air service to points in Northwestern Ontario by Transair would be a disaster for the towns of Kenora and Dryden, Honorable J.W. Pickersgill, chairman of the Canadian Transport Commission has been told in a joint presentation by Mayor E.L. Carter, Dennis G. Zrum -president of the Kenora Chamber of Commerce and T.A. Saul, chairman of the Industrial Development Board of Kenora.

Part of the brief read as follows:

"The passenger air service presently being provided between Kenora and Thunder Bay, which encompass an area of 205,691 square miles with a population of 196,000 persons.

The economy of Northwestern Ontario is derived from industries such as tourism, pulp and paper manufacturing and mining, all of which rely upon modern methods of travel and communication. The future development of this magnificent land of limitless lakes, forests and streams, depends upon adequate communications.

The capital for the development of our resource industries has come chiefly from Europe and the United States, and the executives of these vast corporations require modern, efficient air services to enable them to efficiently conduct the affairs of their companies. For years the citizens of Kenora have fought to obtain scheduled air passenger service to Winnipeg and Thunder Bay and their efforts were finally rewarded in July 1969, when a license was awarded to Transair Ltd. of Winnipeg, to operate a service.

"It will be apparent that the residents of Kenora and district are deeply concerned over the possible suspension of air passenger traffic to Winnipeg and Thunder Bay. We admire the courage and confidence of the Transair officials who made this air service possible. If the Company is losing $25,000 per month on this route, and we have no doubt that this statement will be investigated by your Commission - we would urge that steps be taken to enable the Company to perate this service profitably. In the alternative, we would urge that Air Canada be required to provide this vital service."

Named Chairman Board Of Health

The annual meeting of the Board of Health of the Northwestern - Health Unit was held in the Unit Offices in Kenora on Friday, January 9th, 1970.

Respects were paid to the memory of the late Mr V.K. Croxford who had ably represented the Union of Rainy River municipalities on the board since 1968.

Rev. D.W. MacPherson of Dryden was elected Chairman for 1970 and Mr. Harold Cotton of Fort Frances, Vice-Chairman. Mr. D. T. McLeod of Kenora was reappointed Secretary-Treasurer.

The budget for 1970 was approved.

Committee Chairmen for the current year were appointed with Mr H. Cotton as Chairman of Finance, Mr. J. Forbes of Keewatin Chairman of Personnel and Mr. W.R.B. Trow of Balmertown as Chairman of Property.

The role of the Health Unit in a proposed community Mental Health project in Kenora, was discussed and involvement was approved in principle.

Also in attendance were Dr. P.M. Delamere, Provincial Representative, District of Kenora, Mr. Fred Morrish, Provincial Representative District of Rainy River, and Dr. P. Playfair, Medical Officer of Health.

Mr. David Roberts, B.A. has been appointed the Principalship of King George VI School. Mr. Roberts is from Kenora and has taught in the Kenora area for the past eight years. Mr. Roberts is replacing Mr. J. J. Sudeith.

Says Mayors - Reeves Group Social Club

Oakville - - - Mayor McLean Anderson of Oakville , says the Ontario Association of Mayors and Reeves is "Merely a social club" The Mayor also suggests that Oakville should not be a part of it. Mayor Anderson told a city council committee meeting at the weekend Oakville should not rejoin the Association this year. Oakville quit the Association last year but the budget committee has decided to rejoin.

DIPHTHERIA STRIKES AT RED LAKE HOME

Once again Diptheria has struck in the Northwestern Health Unit Area. The December communicable disease statistics show six cases in the Red Lake area. All of these cases were domiciled in the Mennonite Home in Red Lake. Earlier in the year an isolated case occurred in the same Home, was quickly treated and there seemed no further concern. However this month saw an outbreak of new cases causing isolation of the Home -residents and staff which continues at month end.

Five of the cases were children from widely scattered settlements in the north; the sixth was an adult on the staff of the Home. It is believed that the latter was a carrier of the disease. This is being investigated by the attending physician. All known cases have been adequately treated and all contacts have been checked.

In all , well over 100 were examined and swabs taken by the Health Unit Staff. Laboratory - tests proved the presence of a toxic strain of diphtheria in six alone of all those swabbed.

It seems likely that none of the six cases had received adequate immunization against diphtheria, if any at all. One child had had a broken, if apparently full, course of injections. The fact that there were no severe cases or deaths would indicate at least some level of immunity in the group affected.

An interesting sidelight of this outbreak was the discovery of a toxic strain of staphylococcus in the nasal swabs of thirteen of those checked.

Twelve of these were residents and one was another staff member. The twelve included the five diphtheria residents. It is most likely that the staff member was the carrier of this invection as well. All of these are under treatment.

Discontinuance of isolation awaits receipt of negative laboratory reports following treatment.

Commercial Hockey Loop Provides Action

Commercial Hockey League Leaders race is coming closer after action at the Recreation Center Sunday night.
Kenora Braves had very little trouble handing the Grassy Narrows Royals their twelfth straight defeat by the score of 13-5.
Markers for the Braves were Richard Jourdain and Ron Kakeway with three each and two goals each going to Salio Mamakeezic, Vern Mainville and John Kakeway and a single going to Steve Skead. The Royals' markers were Don Seymour with two singles going to Clovis Meekis, Alex Land and Jim Southwind.
Referees Don Milliard and Walt Kobernyk called 3 penalties, Braves taking all three. In the 2nd game of the night, the Crow Lake Hawks failed to show up for the game. The game was awarded to the Whitefish Bay Rangers by default. In case your team can not make a game, give either Alf Gustafson or Wally Brunn notice at least 3 hours before game-time. The Whitefish Bay team played a team from Whitedog who were entered in the league last season, the Rangers didn't have much trouble in their practice - game, defeating Whitedog Flyers 7-1.
The League-leading Keewatin Shamrocks swamped the Pawitik Seals by a 13-0 score.
Mike Litowski lead the way for the Shamrocks with 3, scoring twice were Tony Rawluk and Moe Girard - singles going to Paul Mc Glowen, Mike Lowthian, John Sapay, Don Stoyard, Terry Schroder and Brian Kantola. Referees Walt Kobernyk and Brian Paul, called eight penalties, the Shamrocks taking 5.
In the final game of the night the Devlin Aces defeated the Kenora Kings by a 12-4 score.
Where were the Kings' teammates in this game? All they had on the bench were three extras for this game! Come on fellows, show up for your games if possible---a few players can't carry a club.
The top man for the Aces was Tom Hemminger, with four goals -scoring twice was Bruce Johnson, singles going to Dave Garrow Don Landry, Glen Garrow and Tom Phinney along with Larry Bowen and Ted Kozak. Art Wagner scored all four Kings' goals and held the Kings in the game.
Referees Walt Kobernyk and Brian Paul called 9 penalties, the Aces taking six. Another four - games slated for next sunday, all teams meeting for the first time this season. The first round, the Muskies took the night due to the Grey Cup.
Schedule games ---at 5.30 the Kenora Kings meet Crow Lake . At. 7 p.m. Grassy Narrows meet the Pawitik Seals. At 8.30 p.m. the Whitefish Rangers take on the Devline Aces and at 10 p.m. the game of the night, the Keewatin Shamrocks meet the Kenora Braves in this game first place is at stake.

Visit Planned To Far Northern Communities

Members of the Ontario Cabinet will accompany Kenora member Leo Bernier on a four-day tour of eight isolated Indian communities north of Red Lake, Ontario, January 19th to 23rd.
Bernier, who is in Kenora today said that the Honorable Arthur Wishart, Attorney General and - Minister of Justice, accompanied by the Honorable Rene Brunelle, Minister of Lands and Forests, would go him to Pikangikum, Poplar Hill, Deer Lake, Sandy Lake, Sachigo, Bearskin Lake , Round Lake and Big Trout Lake.
Mr. Brunelle will meet with the Indian leaders and examine the Province's airstrip program and also endeavor to find out ways in which his department can assist the economy of the Native people.
Mr. Wishart will meet the Indian leaders to discuss their request that certain courts be held right at the settlements, rather than the cases being heard in the major centers such as Kenora, Sioux Lookout or Red Lake.
Mr. Bernier, who is a familiar visitor to the many northern outposts will have an opportunity of renewing acquaintances and of hearing representations of the various groups.

On February 19th, the Honorable Allan Lawrence, Minister of Mines - will visit Sioux Lookout and surrounding areas. He will be addressing the Sioux Lookout District Chamber of Commerce at their annual meeting.

CHILDREN'S AID Report with Herb Dawson

One of a series intended to keep you informed on the work of your Children's Aid Society and the part it plays in the Community.

One of the responsibilities of a Children's Aid Society as outlined in the Child Welfare Act is to assist Unmarried Parents and their children. This we consider to be an important and major responsibility.

What service do we give?

First probably if the girl comes prior to her confinement is to ensure that she has proper medical care and a place to live. There are occasions when family or friends turn their backs and the girl is in a desperate situation - or it may be that the Unmarried Mother does not wish her family or friends to be aware of her predicament. If wise, we can assist the girl to obtain admission to a home for Unmarried Mothers, either in Manitoba or in one of several areas in Ontario. At no time prior to the birth of the child is a final decision made as to planning for the child. Written consent, by law, can be given only after the child is seven days old. Our concern is the rehabilitation of the girl and the care of her child. If she wishes to keep her child, she certainly has the right to do so providing she can care adequately for him. However, if she wishes to give up her child, here we again can assist to have the child become a Ward of the Crown and place it for adoption. May I repeat, the decision is that of the Unmarried Mother.

While working with the Unmarried Mother is important it is also our concern to assist the Unmarried Father. He may wish to assume some financial obligation; he may wish to be part of the planning for the placement of the child. Some times, particularly if he is young, learning he has become a father is a shock and he needs some counselling as to the meaning of fatherhood and his responsibilities.

Some times, with either the Unmarried Father or the Unmarried Mother, particularly at the first, we can be of great assistance by first listening and accepting and not being judgemental. Many times the girl feels she has disgraced herself, her family and needs more than anything else, someone outside the family circle in whom she can confide. This can be equally true of the young father.

Unfortunately, many who come to us are still in school or just starting their careers in life. A good deal of assistance some times is needed to help them re-establish themselves.

This is our final aim - to have the best plan possible for the child and to have both the Unmarried Mother and Unmarried Father re-established and accepting what may be their responsibility.

Evangelism Crusade Here During February

At the invitation of six local and district churches, Crusade Evangelism International will conduct a Union Crusade for Christ in Kenora at the Lakewood High School Auditorium from February 15 to 22 1970. at 8 p.m. weekdays and 7 p.m. Sundays.

Crusade Evangelism International did not come into being overnight; An extensive survey of Evangelism in our Dominion revealed that little was being done in a concerted way to reach Canada for Christ and the Church. James O. Blackwood, Executive Director, and an aggressive young Canadian preacher, E. Barry Moore, Evangelist consulted many leading Pastors and businessmen regarding this need in Canada.

The outstanding challenge of an active evangelistic association to do evangelism in Canada by Canadian personnel was officially inaugurated in the City of Toronto, Ontario, August 1960. An administrative Board of Christian business men and Pastors, who shared this strong burden to assist in guiding the affairs of the Association was formed. Ten different denominations are represented on the Board of Directors with the following elected to office: Mr. Elliott Stedelbauer, Automobile-Executive, Chairman; Mr. Thomas Wilson, Industrial Executive, Vice-Chairman; and Mr. Gordon Duke, Insurance Consultant, Secretary-Treasurer.

Crusade Evangelism is a specialized attempt by Canadians to reach Canada for Christ and the Church through evangelistic crusades . This is accomplished through the united efforts of Pastors and people from all churches in any given area to reach the greatest number of unchurched with the Gospel.

Preparations for such a Crusade are extensive regardless of whether the invitation comes from a small town, rural area or larger city. It is the conviction of Crusade Evangelism that thorough foundational work involving local organization, prayer, and promotion must precede each crusade. As a service to the host - area which extends the invitation the Executive Director of Crusade Evangelism visits the locality - many months in advance of the Crusade dates.

From Nova Scotia to British Columbia invitations for campaigns have been received and indicate the acceptance of this Canadian Evangelistic Association.

3,000 HELD IN GREECE

ATHENS — At least 3,000 people are being detained as political prisoners in Greece, says a report by the International Red Cross, issued by the Greek government Saturday. The army-backed government, which rounded up thousands of political prisoners when it took power 23 months ago, said recently that only 1,-200 or 1,300 were still being held. The Red Cross said its delegates have been allowed free access to detainees.

ment to all parts of the Province with the intention of cutting down unnecessary administration , duplication of services etc., resulting in more viable and efficient municipal government. The latest accomplishment in this regard was the amalgamation of the Lakehead cities and two townships into the City of Thunderbay. It has been suggested that the amalgamation of the Towns of Kenora and Keewatin and the Township of Jaffray and Melick would improve the economy of the area as a whole. In order to determine this , the Minister of Municipal Affairs, D'Arcy McKeough, has offered to provide the resource people to work in conjunction with representatives of the three Municipal Councils at the request of the Councils and carryout a study and prepare a complete report indicating the advantages and disadvantages of such amalgamation. The 1969 Council passed a resolution requesting the Minister to carry out this study and it is my hope that this will be done this year. I would strongly recommend to Council, that any move by one municipality to annex portions of another municipality - before this study is completed be strongly and vigorously opposed because this could result in enhancing the economy of one municipality to the detriment of the others.

The Ontario Government has proposed a new formula for financing sewer and water projects for municipalities like ours through the Ontario Water Resources Commission. The Federal and Provincial Governments are determined to make an anti pollution program mandatory which must eventually result in a sewer and water service installation for this community. "I wish to assure the citizens of Keewatin that with the cooperation of Council I intend to investigate the latest Government proposal in the hope that a sewer and water project will be carried out in this community at a cost we can afford to pay. With optimism tempered with the caution I previously mentioned, I embark on this year's activities with every confidence.

How's business?

Some businessmen get lucky some of the time. But few count on it.

Most businessmen, even the lucky ones, know they must have hard facts on which to base their business decisions. They want to offer the right product—or service—to the right market at the right time and they need good information.

That's where DBS comes in.

We are one of the sources of information the businessman can use. We can offer you a surprising amount of information to help you make good decisions—for example: Price changes, Employment and unemployment, Salaries and wages, Exports and imports, Consumer credit, Operating costs by industry, Construction and housing, Merchandising and distribution, Industrial output, Government employment and finances, Investment intentions and Corporation profits.

Just fill in the coupon below and send it back to us. We'll be glad to put together a package of information relating to your business field and send it to you as soon as we can. Free.

Ability Fund A Volunteer Effort

The annual January campaign of the Ability Fund, new name for the March of Dimes, is more than ever a volunteer effort on behalf of disabled adults, according to the organization's new campaign chairman, J. J. McGill.

"Naturally, we have staff people to carry on the day-today business of the Rehabilitation Foundation for the Disabled, which is the corporate title for the Ability Fund," said Mr. McGill, "But the campaign is primarily a volunteer show. And there are more Volunteers becoming involved than ever before."

The Ability Fund is campaigning for a total of $875,000 throughout Ontario. It hopes to raise this amount in two ways: in about 485 communities by a campaign which is climaxed by the house-to-house canvass by "Marching Mothers" on the evening of Monday, February 2nd; and through United Appeals. In some communities the "Blitz" will be held the previous Monday, January 26th.

Edith Penney Called To Rest

Edith Penney passed away at Toronto on Sunday , January 11th, 1970. She was the beloved wife of the late Jesse A. Penney, dearly loved mother of Mrs. James Patterson (Thelma) and Norman of Islington. Also surviving are five grandchildren and two great grandchildren.

A private family service was held at the Humphrey Funeral Home, 1403 Bayview Avenue Toronto this afternoon, January 13th, 1970 with interment in the Highland Memorial Gardens.

Duplicate Bridge

There were sixteen pairs playing last week and Peg Sharples Chuck Dunford, Glad Apps Ev Ingo started the new season off right. Peg and Chuck topped the N.S. with 66% while Ev and Glad were the best E.W. with 61%. John Gallagher Bill White, tied with Jeff Craig Milt Homenchuk for Second E.W. with 54.4% and Ted and Bill Dunford were second N.S. with 55% and Lucy Deley Marj McCunn third with 50.9%.

Board #1 had lots of bidding as both sides could make five; N.S. could make 5 spades or hearts while E.W. could make five Diamonds. They could make six either way if the opposition didn't find the right lead. Bill Maffey Jean Devlin, Ted Deley George Dunford were the fortunate N.S. pairs, Bill and Jean bid Six hearts doubled and George and Ted six spades with both making.

Marg McIntosh Alan Spencer – made six diamonds doubled E.W. Bill and John were not so fortunate , bidding six diamonds doubled, but Bette found the right lead to set them.

The Omar Sharif Bridge Circus will be in Winnipeg Janaury 21st 22nd, 24th and 25th at the Winnipeg Auditorium Concert Hall. some members of the Club are figuring on paying a visit to see how the Champions operate. It should be worth a trip and starts at 8 p.m. They will also have duplicate contests in the afternoon 1 p.m. on the 23rd , 24th and 25th, maybe we will be able to play in one of them.

Minister Found In Winnipeg -- Faces Charge

Thunder Bay--Police Chief Omni Harty of Thunder Bay, Ontario, says Winnipeg Police have charged a 27 year old Church of Christ Minister, missing since January 3rd--with public mischief.

Reverend Donald Eldon Mimms had been the object of a police search since he was reported missing while at his Thunder Bay Church, preparing a sermon.

Police say the Minister was picked up in downtown Winnipeg last night, after they received a phone call from him.

Thunder Bay Police, earlier said two ransom notes demanding ten thousand dollars had been received sincee his disappearance.

Chief Harty said a police escort is being sent to Winnipeg and it is hoped to have Mr. Mimms back in Thunder Bay tonight. Chief Harty added " He is being held in Winnipeg on a charge of public mischief pending charges which could be laid here."

Mr. Mimms moved to Thunder Bay from Kansas in the summer of 1968. He was a worker at the Thunder Bay drop-in Center, frequented by the Elderly and Homeless.

Car Damaged When Bridge Hit

An automobile was damaged to over a total of $200. when in collision with the Keewatin Bridge. Kenora Town Police report that a car driven by Timothy Mann of Rabbit Lake Trailer Park was proceeding toward Kenora from Keewatin at 7 p.m. Monday when it went out of control, hitting the north side of the bridge. The bridge was not damaged. There were no injuries.

Bank Holds Back On Proposed Interest Hike

Toronto--The Toronto Dominion Bank has agreed to delay an announced increase in consumer loan interest rates. And other banks are expected to follow suit, under pressure from the Federal Government to show restraint in the fight against inflation.

Allen T. Lambert, president of the Toronto Dominion Bank, made the announcement just before going into the Bank's annual meeting in Toronto. He said : "We have agreed to postpone the effective date of the increase until after the end of February."

The increase, announced earlier, would have been 12.8 percent from 11.8.

Mr. Lambert also said he feels the increase was -fully justified-. He said: "The rate has been 11.8 percent since the end of 1968, when the Bank of Canada's Bank rate was six and one half percent. This rate now is eight percent and it is difficult to keep our consumer loan rates down in the face of this sort of pressure."

Mr. Lambert said that he had agreed to postpone any interest rate increase until after the Federal Government's meeting in February with business leaders and the provinces, in order to aid the federal government's fight against inflation.

"But one way to reduce the volume of our consumer loans," said Mr. Lambert, " is by raising the loan interest rate. We believe this could help in the fight against inflation as well."

He said that as of now, the bank intends to increase the rate to 12.8 percent March 1st.

Art Exhibit At Lakewood

In days of old, travelling shows brought misic, art and drama to towns and cities all over the world. This was the only way people were able to find our what was happening in the cultural world.

The Winnipeg Art Gallery's Travelling Exhibitions perform the same function by bringing the best works of art to your school, library or community Center.

"Two" is the fourth in a series of eight art shows which will add to the enjoyment and information of students in our locality this season.

The exhibition will be on display at Lakewood Secondary School from January 15th to February 5 - it is made of twelve reproductions of paintings by such artists as Gainsborough, Goya, Degas and Renoir, and is one of several on display in this area.

The Art Gallery display in our community will be February 12th to March 5th.
