ESTIMATED COSTS OF SWIM POOL OUTLINED

The results of a twelve month - feasibility study on the question of construction of a Municipal Swimming pool, carried out by members of the Tri-Service Clubs Committee, were presented to the members of the Kenora Rotary Club by Messrs Tom Horsfall, Michael Roy and Vernon King of the Kinsmen Club, on Monday.

It was recommended that the project was feasible and could be proceeded with, provided a joint committee was appointed to carry out the project over a period to be determined, after all the factors were fully considered.

Experience gained in the annual Red Cross Swimming classes indicated that the number of ideal days for outdoor instruction at the various local beaches, totalled annually between eleven and 15 days. Benefits cited were the year-round operation of a pool for all citizens and also the added attraction to our steadily growing holiday visitors.

President Charles Hayes was in the chair and attendance last week was 91.8% and this week 88.74%.

Registration forms for the 46th Annual International - Goodwill meeting of the Winnipeg Club were distributed by R.E. Kron, chairman of the local arrangements.

Resignations from 2 members, Dr. Jerry Litman and J.W. Sutcliffe were received with regret.

Introduced by Rotarian W. Stewart the committee members spoke on various aspects of the project.

Mr. T. Horsfall said the project had been first considered with the had been first considered when the Recreation Center was first mooted. This had been subsequently deferred.

The study had indicated the plan definitely feasible. It would engail a massive collective program, - which would benefit all interested Kenora citizens and be added attraction for tourists. To be considered, Mr. Vernon King advised, was the national and International contributions; and school useage by 6,000 school students. Pools operartion in Winnipeg, had been fully investigated. A tentative plan showed suggestions for a main pool, diving area and wading pool for small children.

An estimate of the contributions needed to meet the approximate cost of $350,000 was shown as follows:

PROPOSE $50 MILLION FOR INDIAN DEVELOPMENT

Ottawa--The Department of Indian Affairs and Northern Development says programs to combat Indian and Eskimo poverty must be part of the Regional Poverty Programs.

The Department today presented a Brief to the Senate poverty committee.

The Brief says there have been - "Three weaknesses" in the Department's approach in the past to the poverty of Indians and Eskimos - it says:

"We have been paternalistic, even though it has been benevolent; we have tackled the problem of poverty in a framented and discriminatory rather than an integrated way; and we have misjudged the degree of competence required in human relationships---"

But the Brief also says that in the last year, much careful work has gone into evolving proposals for Indian and Eskimo economic development.

Of most significance for Indians is a proposed Indian Economic - Development Fund, to total 50 million dollars in basic funding over a 5-year plan.

It is expected such funds would be provided by regular commercial lending institutions, with the Federal Government acting where necessary as guarantor.

A second propsal in its final stages of completion is an Indian Arts and Crafts Development and marketing program.

—The Weather—

Mostly sunny and very cold today and Wednesday. Winds light except northwesterly 15 this afternoon. Low tonight and high Wednesday at Kenora, Fort Frances and Thunder Bay, 30 below and 10 below. At Red Lake 35 below and 15 below. At Sioux Lookout, Atikokan and Pickle Lake 35 below and 10 below.

EDITORIAL

A CHALLENGE FOR THE 70's

Should citizens of this community, as they enter the 1970's, compile a list of major projects to be undertaken this decade, in the interests of continuing progress? If "life is what you make it" for an individual, does not the same truth hold for a community? Would such a declaration of goals to be reached within the next ten years not serve both as a stimulant to effort and a yardstick to our rate of accomplishment?

It is easy to ennumerate worthwhile and desireable objectives, but these must be established both on a priority basis and upon ability to pay. These challenging projects must be undertaken upon the assumption that today's fast-changing world may well impose even sterner conditions upon us than did the changes of the last ten years. We need only look back to the loss of a flour milling industry and a revolution in the railway industry, to see what can happen.

In setting new targets, therefore, we must be mindful that our financial resources are not what they were ten years ago; that a limit to higher taxes and soaring living costs, is near. We must recognize a debt load for such civic improvements as electrical, telephone, school and sewer improvements, exists. It seems imperative, therefore, that our goals for the next decade must be economic in the beginning.

Our Chamber of Commerce might care to draft a series of targets to serve as a guide to Council and others in authority, as well as to citizens at large. The Chamber could undertake no greater service at this time, we submit.

We would nominate the preservation of our natural resources, at the top of any list. This is a major, indeed the paramount concern of this community. Pollution control, the preservation of non-renewable resources, etc. all fall under this general classification. Economically, resources control the life and death of Kenora, for without fish and trees and clean water, little would remain.

The fuller utilization of existing timber limits rates high on our list. Kenora must not continue to live with an inadequate airport. Kenora must encourage the location here of sales and service representatives of major concerns, thus continuing present expansion of the Town as the distribution centre for a vast geographic area. The potential sales of native handicraft is unknown, but best estimates suggest the amount to be "amazing". Would such an avenue, offering both employment and the preservation of native crafts and skills, offer hope for a great many people who are today adrift? And so the list grows, and can be expanded indefinitely.

Charting a course of action for the 1970's could do much for the Chamber of Commerce and much to keep today's momentum moving. The challenge lies ready to be picked up.

Anne Dyer ARCT To Adjudicate At Festival

Anne Dyer, A.R.C.T., will be in Kenora to adjudicate the Speech, Arts and Drama Section of the Kenora District Festival of the Arts which will be held from February 9th to 14th.

Born in Ireland, Mrs. Dyer was educated in England, trained in Liverpool, Chester and London. She served in the R.A.F. during the last war, and directed many shows for the troops.

She came to Canada in 1946 and served on the Board of Children's Theatre, and Winnipeg Little Theatre. She taught speech and drama at St. Mary's Academy for many years.

She is Past President of the Winnipeg Poetry Society, a member of Canadian Guild of Adjudicators and has adjudicated more than 50 festivals throughout the Dominion.

She is an active member of the Manitoba Drama League (currently Librarian) and has conducted many drama workshops and in-service training. Mrs. Dyer is the original composer and director of the Holy Trinity Nativity Pageant, now an annual event.

Her husband is a telecommunications engineer, a chorister (tenor), Lay -Reader in Anglican Church, Chairman of the Fort Garry School Board (4th Term). He is fond of all sports and a talented painter.

The Dyers have one son, Geoffrey John, in his final year at Dartmouth College, New Hampshire, where he is Captain of the Tennis Team. He won the Governer-General's medal and was the youngest ever to win a Manitoba Tennis Championship.

The local Festival Group has been working hard to prepare this year's edition of the Annual Festival. Programs will be ready for distribution shortly.

KENORA'S H. S. CURLERS TIED FOR THIRD PLACE

Tom Ford skipped his Sioux Lookout rink to the Northwestern Ontario Schoolboy curling crown on Sunday at Port Arthur Golf and Country Club.

Three rinks, Sioux Lookout, Kenora and Thunder Bay South went into the final round of the 8 rink competition Sunday morning with a chance of finishing first.

Kenora's Jerry Shaw Rink ended up in third place, tied with Thunder Bay North, with four wins and 3 losses.

Sioux Lookout beat back a strong bid for an upset by Marathon's Doug McDougall to win the championship.

This year marked the first time in about 15 years that Sioux Lookout has advanced beyond zone competition into the Northwestern finals.

Ford's Sioux Lookout foursome, with Ron Legros, David Scribner and Mike Legros will now compete in the Northern Ontario finals at Schumacher, January 30th and 31st.

The winner of that three-rink competition goes into the Canadian finals.

Sioux Lookout went into Sunday's final round with a 5-1 won-lost record. Thunder Bay South represented by FWCI's Doug Smith and Kenora's Jerry Shaw, each had four wins and two losses. The FWCI rink won its second game and a Sioux Lookout loss would have forced a playoff.

But Siouxlookout beat Marathon's McDougall 6-3 to nail down the title. McDougall had a chance to tie the match in the final end but missed his shot to leave Sioux Lookout 3 up.

The FWCI foursome won their final game 6-5 over Fort Frances Gary Sauer to finish second. Kenora lost their final game 9-8 to Geraldton's Robbie Burns, the first win by the Geraldton rink. They won it with a 3-ender in the 10th end. Port Arthur Collegiate's Lindsay Antoniak (Thunder Bay North) beat Red Lake's Randy Boutang 5-4 in the only other Sunday game.

Braves Head Commercial Hockey Loop

Kenora Braves are all alone on top of the Kenora-Keewatin Commercial Hockey League after action at the Recreation Center on Sunday night.

Crow Lake hawks were to meet the Kenora Kings but failed to showup at starting time. A game with the Pawitik Seals had got under way when they arrived at the arena about 1/2 hour late. Their bus had broken down.

Getting back to this practise game The Kings downed the Seals by a score of 11-2. Markers for the Kings were Art Wanger with 3 goals, scoring twice, were Larry Fraser and Bob Freeman. Singles went to Fred Sinclair, Bill Thompson and Wendall Walsten and - George Metail. Markers for the Seals, were Ed Copenace and Joe Tom. Referees Brian Paul and Walt Kobernyk called four penalties, Kings taking 3.

Should the entry of the Grassy Narrows Royals be lifted from the League in future years for failing to show up for league games 4 times this season? This is up to the remaining teams in the League.

So, another makeshift game was played. As the Crow Lake team was at the Center they were put up against two teams, the Kenora Kings and Pawitik Seals. The Kings for the first half of the game. Crow Lake lead the Kings 5-3 at the end their half. The Seals fought to an 8-8 tie as that game ended the second half. Referees Walt Kobernyk and Brian Paul called six penalties, Seals taking 3 and Kings two, and Hawks one.

Whitefish Bay Rangers edged the Devlin Aces by a 2-1 score. This was the best game by far, for the night, it was packed full of action from start to finish. With this win the Rangers climbed into 2nd place tie with Keewatin Shamrocks. The markers for Rangers were -Clarence White and Tom White. The lone Aces marker was by Terry McLay. Referees Brian - Paul and Walter Kobernyk called 9 penalties and Aces took 5.

The final game of the night, the game with first place at stake ended with the Kenora Braves - coming out on top, defeating the Keewatin Shamrocks by a 9-5 score. Salio Mamakeezic was top man for the Braves with 3 goals singles went to George Kakeway Richard Kakeway, Vernon Mainville, Richard Jourdain and Ron Kakeway. Markers for the Shamrocks were Mike Lowthian with 2, and singles going to Tony Rawluk, Mike Litowski and Lorne Murphy. Referees Paul and Kobernyk doled out 8 penalties including one ten minute misconduct and two majors for fighting, both teams took four.

Curling takes over at the Recreation Center next Sunday so the next action in the Commercial League will be February 1st with another four games slated. 5.30 Kings meet Crow Lake Hawks and at 7 the Pawitik Seals meet Grassy Narrows Royals. At 8.30 Aces will be out to even the score with Whitefish Bay Rangers. At 10, the Shamrocks meet the league leading Kenora Braves.

This is the final series of the games in the second round before playoffs. If you enjoy good hockey

BIGGEST SEEN

The biggest comet ever observed, in 1811, had a diameter of 1,225,000 miles—greater than the breadth of the sun itself.

Juvenile Hockey League Standings

Beaver Brae leads the pack in the Kenora Minor Hockey Association Juvenile division having played ten games, won eight, lost two and ending up with sixteen points. Lakewood with only eight games played have won seven, lost one and have 15 points. Keewatin is 3rd with 7 points and cellar dwellers are the Kenora Braves who have played eleven and lost eleven.

Dog Show Chairman Gives Up

TORONTO William Albert Harris likes dogs, but after 20 years of going "through hell" he decided things had to change.

So Friday, Mr. Harris, chairman of the Canadian show for the last 20 years, recommended the pup parade be dropped.

"I have gone through hell," he told the astonished directors, "and I don't intend to take insults any longer."

His reasons were varied —trouble with the city health department or the Toronto Humane Society, heat in the coliseum, complaints that attendants were not cleaning up fast enough after the shows and a 1969 deficit of more than $6,000.

After a brief discussion, the directors agreed to drop the show, an annual fixture at the CNE for 30 years. In its stead, the board plans to consider holding a mutt show where school children can show their dogs.

To Discuss Union Anglican And United Churches

Winnipeg--The 60-member General Commission on Union of the United and Anglican Churches will hold a four-day session in Winnipeg beginning February 7th. The Commission will hear the results of a 2-year study of structures for the new church.

The controversial issue of the role of Bishops will be on the agenda. Representatives of the Christian Church (Disciples of Christ) will join the talks with a view to becoming part of the proposed new church, while six other denominations will have official observers.

FIRST DAM

The earliest dam ever built was the Sadd-al-Kafara in the United Arab Republic, built in the period 2950 to 2750 BC.

The Ability Fund (March of Dimes) was founded in Ontario in 1951 to fight polio. Since discovery of the Salk vaccine it has devoted itself to helping disabled adults no matter what the cause of their disability. A contribution to The Ability Fund is a gift to all disabled adults in Ontario.

LATE NEWS BULLETINS

Canada will ship a quarter of a million dollars worth of drugs to Nigeria. The announcement came today from External Affairs Minister Sharp at an Ottawa news conference. He said an urgent request for drugs was received by the Canadian Red Cross from the Nigerian Red Cross - with the prior approval of the Nigerian government.

Mr. Sharp said the drugs will be flown to Lagos by Air Canada as soon as Air Canada obtains the necessary clearance. This clearance is expected shortly. The Minister said Ottawa will supply the money needed to purchase the drugs. And this will be in addition to other aid to Nigeria announced earlier. He said the drugs were stockpiled earlier in Toronto in anticipation of such a request from Nigeria.

The President of the Confederation Life Association says if voluntary restraints don't halt inflation, Canadians should be prepared to accept further restrictive measures. J. Craig Davidson says it is in everyone's interest to see that world-wide inflationary trends are checked.

Mr. Davidson told his company's annual meeting in Toronto today that many businessmen and others are still not convinced of the seriousness of the situation. He said certain groups, in a strong bargaining position, can continue to obtain wage increases in excess of either the cost-of-living increases or rises in their own productivity.

Earlier today, the chairman of the prices and incomes commission, Doctor John Young, said he expects about 250 delegates to attend a national conference on price stability next month. He said the commission will seek general agreement on what he calls a tough set of propositions for price restraint and legal sanctions to enforce them.

Attending the two-day meeting, opening in Ottawa February 9th, will be representatives of business, industry, the professions and government. Official observers of the provincial government are expected to attend.

The member of the Newfoundland legislature for St. Barbe South - elected as a Liberal - says he intends to sit as an Independent Liberal when the legislature opens February 9th. In a statement, Gerald H. Myrden says that since the recent Liberal Leadership Convention, Premier Smallwood's actions have been shown many Liberals that his stated desire to unite the party has been most sincere.

Mr. Myrden says he intends to sponsor a resolution condemning the Smallwood administratoin for its handling of the proposed Bonne Bay National Park on Newfoundland's west coast. He says the proposed park has become a political football between St. John's and Ottawa.

The conspiracy trial of eleven Trinidad students in connection with last February's computer-smashing rampage at Sir George Williams University, bogged down in Montreal today. Proceedings stalled when a shortage of prospective jurors developed.

Nine jurors have been selected; three more are needed. The case is being heard before Mr. Justice Kenneth Mackay in Court of Queen's Bench. He ordered the Sheriff to seek a new panel of jurors - and rejected a defence request that the Sheriff be advised not to hesitate to seek jurors among Montreal's black community.

Recreation Tips

Next in importance to sane, skillful operation of a snowmobile comes the proper clothing and equipment. Admittedly, this will not insure the safety of a snowmobiler but most assuredly will contribute to his welfare and comfort.

A high percentage of snowmobile injuries, particularly the serious and fatal ones, occur to the head -For this reason the Ontario Safety League and most snowmobile groups strongly recommend the use of safety helmets. These helmets come with warm liners and can be obtained with attached-tinted, shatter-proof goggles. A number of snowmobile clubs insist on their members wearing safety helmets at all times when they are operating a machine whether for racing or casual use.

The League also suggests using the popular and commonly used snowmobile suite of the coverall style. This is warm, comparatively waterproof type of garment which makes for comfort in cold weather, and also provides considerable safety against having clothing caught in moving parts of a snowmobile or snagged by rush, fences or other obstructions along a trail. The same applies to popular designs in gloves and snowmobile footwear. These articles have been well designed for the specific purpose of snowmobiling with comfort and safety in mind. Use them!

Field Events To Be Held Wednesday

Due to an unexpected large number of entries in the local indoor track meet to be held Wednesday it was decided that only the Field events would be run, starting at 6.30 at the Beaver Brae Gymnasium. The running events are postponed until Monday, January 26th and will be held at the Recreation Center commencing at 6.30 p.m. Meet officials Kristolovich and - Millar are encouraged by the obvious interest shown.

Gord Peterson Rink Advances In Men's Brier

Zone playdowns for Men's Brier and O'Keefe Mixed Curling were held at the Kenora Curling Club on January 10th and 11th. Winner of the men's Brier was the Gordon Peterson Rink, with G. Peterson Skip; Bob Blake , third; E. Butowski Second and Bob Miclash, lead; beating the Allan McLeod Rink of Keewatin.

Winner of the O'Keefe Mixed, was Dunc McCunn Rink with D. McCunn Skip; Marj. McCunn ,third; H. Lecain, Second and H. Johnson, lead, beating the J. Pearson Rink of Keewatin.

The Seagram Senior Event was played the previous week with the Keewatin Rink of Swen Sjostrom Skip; Nick Kozak,Third; Herb Hicks 2nd and Oscar Hensrud,Lead, winning from Dunc McCunn rink of Kenora.

Repair Break In Pipeline

Thunder Bay, Ontario— Crews from Trans Canada Pipe Lines Limited have been called in to repair a break in the natural Gas line 2 1/2 miles East of Ignace, Ontario. Ignace is a community on the CPR Main Line about 100 miles northwest of Thunder Bay. A break occurred at 9.45 a.m. Monday.

A Trans Canada official in Thunder Bay said he knew of no domestic consumers being without service . All he knew, he said – was that it was a line break in an accessible area and that W. I. Wilson, area manager from Thunder Bay, was at the scene. A spokesman for Twin City Gas, which feeds off the Trans Canada line said he had been assured there would be no problem serving domestic consumers.

ASIAN BELIEF

In many parts of Asia, farmers believe that the flowering of bamboo heralds a famine.

Professors Seek Raise

TORONTO The 7,000 professors at Ontario's 14 provincially-assisted universities are asking for salary increases ranging from 18 to 22 per cent for the 1970-71 academic year.

Increases at Ontario universities have averaged 10 per cent annually for the last two years, but the Ontario Confederation of University Faculty Associations has told the government's committee on university affairs that the average should increase 20.6 per cent this year.

Confederation spokesman Charles Hanly, a professor at University of Toronto, said Friday the increase is necessary to narrow the gap between professorial salaries and those of persons with comparable training in other occupations.

Faculty associations at the 14 universities are just beginning contract negotiations with the university administrations which set salaries.

From Around The World

Nigeria's Ambassador to Russia today gave the Soviets credit for Nigeria's victory over Viafra. But he would not specify the amount of Russian aid his country received. The Soviet Union is believed to have been a major supplier of arms to Nigeria although this never has been publicly acknowledged by Russian officials.

* * *

After a two year interruption, formal talks between the United States and Communist China resumed today in Warsaw. They are conducted by the American and Chinese ambassadors in Poland. Resumption of the secret discussions was proposed by the U.S. American officials expect slow progress, but they believe China's probems with the Soviet Union have caused Peking's leaders to reassess their relations with the U.S.

* * *

Arab Guerrilla leader Yassir Arafat claims he purposely avoided meeting the Deputy leader of Britain's Labor party -George Brown- because Brown advocated a peaceful settlement of the Middle East crisis. In an interview published today in Beirut, Arafat emphasized his rejection of any peaceful settlement that allows the continued existence of Israel.

* * *

Attorneys for U.S. Army Lieutenant William Calley plan to introduce several motions at a hearing today at Fort Benning, Georgia, in an effort to have him tried before a civilian court. Calley is charged with killing 109 Vietnamese civilians at My Lai, South Vietnam.

One of Calley's attorneys has charged his client cannot get a fair trial in the military. Today's hearing is on several defence motions, including one to dismiss the charges.

* * *

U.S. Vice-president Spiro Agnew reports on his eleven nation trip to the Far East today to President Nixon and U.S. Secretary of State Rogers. Aides say Agnew will recommend that the U.S. have more frequent contacts with its Asian allies on both economic and military matters.

* * *

Some U.S. Senators say president Nixon, may seek legislation creating a new department of Natural Resources. It would take over the functions of the interior department and control air and water pollution programs.

But Senate critics of the Nixon administration fear such a plan would only be proposed to divert attention from the lack of sufficient appropriations to deal with the problem.

* * *

Igor Geyevsky of the Soviet Academy of Sciences was in New York yesterday to start a U.S. Tour. He took a look around and said "How can you build buildings like this and not clean the streets?"

PLANNING YOUR LIFE

Objective - a word with dynamic meaning for everyone. People interested in their own and their family's welfare set objectives or goals for which they aim all through their lives.

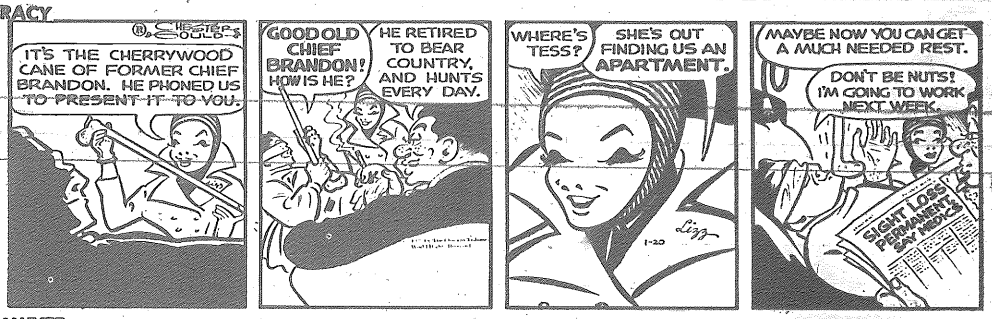

Life insurance is a very personal thing, so it has to be planned carefully by each family. As family changes occur, insurance needs should be reviewed, to make sure that the family is on course for the goals set.

For information on a new life program, or help with your present one, call:

Constance Dolman Former Resident Called To Rest

Constance Cornelia Dolman, formerly of Kenora, and recently of 3117 Assiniboine Avenue, Regina, passed away in Regina on January 19th, 1970.

She was predeceased by her husband the late Walter Dolman in May of 1944.

Surviving are , one son, Walter G. Dolman of 3117 Assiniboine Avenue, Regina, her daughter-in-law Enid and 4 grandchildren.

Funeral services will be held on Thursday afternoon January 22nd 1970 at 2 p.m. from the Chapel of the Brown Funeral Home with Reverend Harold Boyd officiating. Interment will follow in the Lake of the Woods Cemetery.

The remains will arrive in Kenora on Wednesday afternoon, January 21st, 1970.

Hal March Dead

Hollywood--Actor Hal March, dapper dark haired Master of Ceremones of Television's $64,000 - Question Quiz show of the 1950s died today. He was 49.

March, whose amiable ad lib style made him a favorite with TV audiences, succumbed at 4.15 a.m. at the University of California Medical Center.

A season ed actor who drew only small parts, March hit it big with the $64,000 Question, most successful of the giveaway shows which abounded in the late 1950s.

Fire Claims Third Victim

Winnipeg-- Four year old Shaun Kennedy died in hospital last night victim of a fire Sunday in Winnipeg which killed his mother and 3 year old sister.

The fire had swept the family's living quarters in a frame house at 921 William Avenue. Found dead at the scene were 31 year old Lorraine Kennedy and Wendy Kennedy. Mrs. Kennedy was separated from her husband.

Says Logging And Recreation Can Get Along

Toronto-- The President of the Ontario Forest Industries Association, Murray Seeley of Thunder Bay, says the Association must develop a good public relations program. He told the Association's annual meeting in Toronto yesterday that logging and recreation can go hand in hand.

Mr. Seeley said the Association must inform the public the industry is creating an improved forest which will benefit everyone, including the general public. He said a better public relations program is needed before arbitrary restrictions are imposed that would seriously affect the logging industry. He said a large segment of the population equates logging with permanent devastation and wants the forests kept strictly for recreational use.

Constance Dolman Former Resident Called To Rest

Constance Cornelia Dolman, formerly of Kenora, and recently of 3117 Assiniboine Avenue, Regina, passed away in Regina on January 19th, 1970.

She was predeceased by her husband the late Walter Dolman in May of 1944.

Surviving are , one son, Walter G. Dolman of 3117 Assiniboine Avenue, Regina, her daugher-in-law Enid and 4 grandchildren.

Funeral services will be held on Thursday afternoon January 22nd 1970 at 2 p.m. from the Chapel of the Brown Funeral Home with Reverend Harold Boyd officiating. Interment will follow in the Lake of the Woods Cemetery.

The remains will arrive in Kenora on Wednesday afternoon, January 21st, 1970.

Hal March Dead

Hollywood--Actor Hal March, dapper dark haired Master of Ceremones of Television's $64,000 - Question Quiz show of the 1950s died today. He was 49.

March, whose amiable ad lib style made him a favorite with TV audiences, succumbed at 4.15 a.m. at the University of California Medical Center.

A seasoned actor who drew only small parts, March hit it big with the $64,000 Question, most successful of the giveaway shows which abounded in the late 1950s.

Fire Claims Third Victim

Winnipeg-- Four year old Shaun Kennedy died in hospital last night victim of a fire Sunday in Winnipeg which killed his mother and 3 year old sister.

The fire had swept the family's living quarters in a frame house at 921 William Avenue. Found dead at the scene were 31 year old Lorraine Kennedy and Wendy Kennedy. Mrs. Kennedy was separated from her husband.

Says Logging And Recreation Can Get Along

Toronto-- The President of the Ontario Forest Industries Association, Murray Seeley of Thunder Bay, says the Association must develop a good public relations program. He told the Association's annual meeting in Toronto yesterday that logging and recreation can go hand in hand.

Mr. Seeley said the Association must inform the public the industry is creating an improved forest which will benefit everyone, including the general public. He said a better public relations program is needed before arbitrary restrictions are imposed that would seriously affect the logging industry. He said a large segment of the population equates logging with permanent devastation and wants the forests kept strictly for recreational use.

Thunder Bay Woman Killed

Nipigon, Ontario ---A 39 year old Thunder Bay woman died in hospital last night following a collision between a car and a parked transport truck on Highway eleven, 16 miles East of Nipigon, Ontario. Mrs. Mary Evelyn Johnson was a passenger in a car driven by her son in law, 19 year old John Felix Fortez, also of Thunder Bay. The driver and 3 other passengers suffered minor injuries. a 2-week old Grandson, whom Mrs. Johnson was holding at the time of the collision, escaped injury. No date was set for an inquest.

Beverage Rooms May Soon Be Desegregated

Toronto--The President of the Ontario Hotel and Motel Association says beverage rooms in the Province may soon be desegregated, allowing men and women to drink in the same room.

Joseph J. Stanway was speaking today during the Association's - Annual Convention in Toronto.

He said that desegregated public houses will be awarded to individual owners only by application.

He said that many owners will have to improve their facilities - before their applications are granted.

Public houses in Ontario now are divided into two sections- one for men only and one for women with escorts.

Mr. Stanway also said an association committee wants to see liquor and wine allowed to be sold in public houses. He said hotel owners are divideon whether - lowering the drinking age to 18 from 21 would benefit the industry. Some hotel owners fear teenagers of 16 and 17 will try to drink in their establishments if the drinking age is lowered.

Want Guaranteed Income For Under $5,000's

Toronto---The Ontario Federation of Labor is organizing a publicity campaign to win a guaranteed annual income for families living on less than five thousand dollars a year.

Delegates from across the Province decided yesterday in Toronto that many families are better off now on welfare than they would be working.

How's business?

Some businessmen get lucky some of the time. But few count on it.

Most businessmen, even the lucky ones, know they must have hard facts on which to base their business decisions. They want to offer the right product—or service—to the right market at the right time and they need good information.

That's where DBS comes in.

We are one of the sources of information the businessman can use. We can offer you a surprising amount of information to help you make good decisions—for example: Price changes, Employment and unemployment, Salaries and wages, Exports and imports, Consumer credit, Operating costs by industry, Construction and housing, Merchandising and distribution, Industrial output, Government employment and finances, Investment intentions and Corporation profits.

Just fill in the coupon below and send it back to us. We'll be glad to put together a package of information relating to your business field and send it to you as soon as we can. Free.
