CAMERA AT CURLERS PARTY

A highlight of any bonspiel is the Curlers Party. Last night bonspiel chairman Ivan Fines, (right) and secretary Dunc McCunn greeted over 400 curlers and guests as they arrived at the Kenricia Hotel headquarters.

Vern Forest, Bill Lumsden and Bob Napier of the Elmwood Curling Club were delighted to see Bob MacDonald of Keewatin (centre) at the Curlers Party last night. Mayor Luke Francis was one of those on hand to greet the visitors. Just out of camera range was Reg Marshall, the fourth member of the Elmwood foursome.

The Lumsden rink soon found their opposition for the opening draw today. Just as the M & N camera was set to "shoot" Roger Swanson, Al Reid and Frank Fowles (missing was Jim Campbell), up came Bill Lumsden to end a search for the Swanson crew.

Accident Claims The Life Of David Churchill

An accident in Montreal yesterday afternoon claimed the life of David Churchill, son of Mr. and Mrs. Ron Churchill of 829 - Park Street, Kenora. Details are lacking, but it is believed that David slipped on some ice, falling from a sidewalk into the path of a vehicle. Born in England, June 28th, 1943, he came to Kenora with his parents when just six years of age. He was educated in local schools and received his chartered accountant's degree two years ago. He married the former Eleanor Hall of Stratford , Ontario in May 1968, and took up residence in Montreal a short time later.

A firm believer that many of the world's problems are economic, he returned to St. George Williams University last Fall to continue toward his Masters' Degree in Economics.

He is survived by his wife; his parents; a twin sister Mary - (Mrs. D. Torney), of Kitchener , an older brother, John, of Montreal and a sister, Liza , at home. Cremation will take place at Montreal.

—The Weather—

CLAIMS FORMER SCHOOL BOARD SYSTEM BETTER

At the regular meeting of the Jaffray-Melick Municipal council it was decided that the roads-chairman and the Vice Chairman are to have a meeting with the Roads Superintendent to draw up a budget for 1970.

An expression of thanks was received from the Lake of the Woods Horsemanship Club for the use of the Municipal Hall for meetings.

A complaint was received about several cars parked at random in an area near Rabbit Lake which the writer complained was blocking the view and also a roadway. Council was of the opinion that a more orderly operation could take place there and it was pointed out that the number of wrecked vehicles were deterring the adjoining businesses. Council decided to look into the matter and Reeve Garrow said he would take it up with the proprietor.

LATE NEWS BULLETINS

Prime Minister Trudeau said today the government would make representations to the United States to detoxicize a shipment of nerve gas if the matter falls within Canadian jurisdiction. He was answering NDP Leader T. C. Douglas who asked the government to joint the State of Oregon in having the United States detoxicize the shipment. The shipment will be carried in five vessels through the Strait of Juan De Fuca to be unloaded 60 miles south of Vancouver Island.

Mr. Douglas said 24 persons have been injured in Okinawa by the gas and urged Canada to join Oregon in making representations to the American government.

Indian Affairs Minister Jean Chretien told the House of Commons today that his department is doing everything possible to provide better transportation facilities for Indians on Lennox Island in Prince Edward Island. He said negotiations are underway to see whether a jetty or a bridge should be built.

Mr. Chretien also said he has not received a presentation from the Assembly of Indian Chiefs of Alberta concerning the government's Indian policies. He said he is ready to meet with Indian leaders at any time. The Minister said he has talked several times with the Indian leaders in Alberta.

Prime Minister Harold Wilson of Great Britain will stop in Ottawa on the weekend on his way for talks with President Nixon in Washington. It is expected the discussions will cover a wide range of International subjects of interest to both countries.

Mr. Wilson will also be interested in Nixon's economic plans for 1970 so the British government leader can weigh the effects on his own country.

Between eight and a dozen women today broke up the United States hearing on birth control pills. They began by asking a few questions and shouted a few obscenities. The women refused to sit down and be quiet when asked by chairman Senator Gaylord Nelson. He then ordered the hearing postponed and asked police to clear the room.

The women have complained that no women have been included among the 18 witnesses heard so far in the inquiry.

Beaver Brae Wins Hockey Tournament

The Beaver Brae Blades travelled to Rainy River over the weekend for the second in a series of High School Hockey tournaments and came away winning the tournament as well as securing first place in the High School Standings.

On Friday night in a battle between the two remaining undefeated teams , the Blades met the Fort Frances Muskies and defeated them 5 - 3. Fort Frances was the team to beat in the tournament and Beaver Brae did this in fine style with Chisholm getting the first goal to start things ff. Fort came back to tie it. Richards put Beaver Brae ahead again and from then on they never looked back with Chisholm scoring again and Spencer really sealing it up with 2 more. Fort scored one with 3 minutes to go but the Blades emerged with a two-goal victory.

Saturday, the Blades met Sioux Lookout and handed them a 4-2 defeat. Sioux opened the scoring in the firstperiod and that's the way it ended. In the second, the Blades tied it but in the dying minutes Sioux fired in another to finish off the second period 2-1 in their favor. Half way through the last period the Blades fired in 3 fast goals and led 4-2 right to the bitter end. Scoring for the Blades were Chishplm, with the first, Hayberg with the tying goal and Leroux with the third and winning goal and Boucha with the insurance goal.

Late on Saturday evening the Blades met their cross-town rivals Lakewood, and set them back 4-1 handing Lakewood their 3rd straight loss of the tournament. The Blades led at the end of the second period 2-0 . The third and final period was fast and hard. The Blades came out and hit hard, scoring two goals and they never looked back. Lakewood scored with a minute remaining, - making the final count 4-1. Scoring for Beaver Brae were Peter Robertson with two goals and Jack Chisholm with 2.

On Sunday morning, in the final game of the tournament the Blades edged Dryden 2-1. It was a fast, hard hitting game. The first period ended with 0-0. The first goal came midway in the second period, which put Beaver Brae ahead, one nothing. Ron Richards was the goal getter with Boucha assisting. The second period ended 1-0 in favor of Beaver Brae. Beaver Brae came on strong at the start of the third period with Chisholm scoring with only a few minutes gone. The game went back and forth for the rest of the period. Dryden came on strong with 3 minutes remaining and their first goal. Beaver Brae kept them out for the rest of the game and it ended 2-1 in favor of Beaver Brae.

The Blades now occupy first place in the High School Standings with 6 wins and no losses, with Fort Frances breathing down their neck with a 5-1 record.

The Fort Frances team will visit Kenora on Tuesday, February 3rd at 8 p.m. at the Recreation Center for a game against the Blades. Come out and see some fine High School Hockey.

WARNING OUT TO GET CARNIVAL BEARD PERMITS

"Enter that beard in the contest" These were the words of warning issued to the many beard growers who have not registered their beard at the barbershops and have not paid their $1.00 entry fee. Kangaroo Kourt officials are daily compiling a list of names of the unshaven offenders and action will soon follow. It has been rumored that a fine of $2.00 will be levied for beards without permits.

Jack Penner of Penner's Jewellers has donated an engraved, glass bottom, solid copper tankard to be presented to the best judged beard in each category. Judging will take place at the Recreation Center on Thursday evening, March 5th by a panel of barbers.

To refresh the memories and to clear away any doubt of would-be beard growers, here are the rules - All beards must have been started January 1st or later. All beards must be registered at one of the barbershops and the $1.00 entry fee must be paid at time of entry. No beard entries will be accepted after Saturday, February 7th.

Here are the beard categories being judged: Best Trimmed Beard; Bushiest Beard; most Colorful Beard, Natural; Most colorful - Beard dyed; Best Abe Lincoln Style; Scraggliest Beard.

It is hoped that the number of entries for the contest will double before the closing date of February 7th, at which time the Shave Permits will go on sale. Larry Bolen, Chairman of the Beards Committee urges " COME ON Fellows- Let's make this contest a success."

Indoor Track Meet A Success

The Indoor Track Meet, held Wednesday evening at Beaver Brae Auditorium went over with great success.

Over one hundred competitors - participated in the field events with a goodly number of interested spectators present to witness the keen competition.

The organizers were pleased with the turnout and feel that other meets will follow.

The events ran smoothly and the meet progressed according to schedule. The spectators seated on the bleachers had a good view of the competition and observed as many as five events running at one time. This all added to the success of the meet.

Outstanding athletes for the evening in the Boys' Division were: Alan Pekarchuk, Murray Delorme, Martin Hancock, Jim Lowe and Kerry Lajeuness in their age class.

For the girls , it was Jacky Davies, Paulette Albert and Debbie Storey.

The full results of the meet will be published elsewhere in the paper.

The second part of the meet will be held Monday, January 26th at 6.30 p.m. at the Recreation - Centre.

Lake Of Woods 'Spiel Underway

Play got underway in the 25th edition of the Lake of the Woods Bonspiel at 3 locations Thursday night. Curling took place at the Recreation Centre, Kenora, the Keewatin and Kenora Curling Rinks.

During the evening members of the 96 rinks participating in this popular event were present at the Annual Curlers' Social held in the Kenricia Hotel where old friends renewed acquaintances made over the years. Many of the visitors are annual contestants in the big bonspiel.

Mining Activity Shows Increase During Past Year

Prospecting activity in Ontario registered a distinct upward turn in 1969 with 45,832 mining claims being recorded as compared with 38,705 the previous year. At the end of 1969 there were 85,010 mining claims in good standing throughout the province, 14,231 more than at the time the books were closed in 1968.

At the end of 1968 a major discovery was made in the Uchi Lake area of the Red Lake Mining Division, leading to extensive staking in the arly part of 1969. In all, 10,999 claims were recorded in this division during 1969.

Another region which enjoyed a major staking rush was the Sturgeon Lake area, in the Patricia Mining Division. This was the result of an announcement by Mattagimi Mines Ltd., of discovery of copper, lead, zinc and silver in block seven (a patent block owned by Abitibi Pulp and Paper The rush followed on Crown lands adjacent to this block. At the end of 1969, some 7,764 mining claims were recorded and staking continues.

There were 1,768 new miner's licenses issued in 1969 as compared with 2,257 in the previous year, but renewals last year numbered 3,347 a reduction of 531 from the 1968 total of renewals.

was not endorsed by Council. Councillor Parsons recalled that previous to the School Board amalgamation it was expected that such a union would reduce administration expenses. He pointed out that the Amalgamation had only created new positions to fill at a higher salary than what the previous adminstrator had received for doing all these various duties –Councillor Parsons felt that the old Administration under Mr. Thomas was more efficient than the new adminstration. He also pointed out that Grade one students in Rabbit Lake School are sitting four to a table because the Board cannot afford desks nor can it afford to supply workbooks for these children.

A letter from J.P. McMillan, Kenora District R.C. Separate School Board was received regaring a sewer line. Council requested the to be raised by taxation from Kenora, Keewatin and Jaffray Melick and Sioux Narrows was studied and a meeting with the Hospital Board clerk to advise Mr. McMillan that connection to the sewer line would be made where possible, but keeping mind that in the event that a change in the line was necessary, the municipality would make the change, not the schoolboard. Reeve Garrow recalled that the municipality has not acquired the 66 ft. right of way bounding on the school property and such steps should be taken to acquire same. A proposal from Lake of the Woods District Hospital outlining a $3,000,000. hospital expansion program with a balance of $450,000 is to be arranged to discuss the project further.

Equalized assessment report regarding the District of Kenora, Home for the Aged, was received and it was noted that the apportionment based on percentage of the entire district allocated 5.970 percent to Jaffray-Melick, an increase of $1,129, over 1969.

A report from the District of Kenora Children's Aid Society on operating costs to December 31st, 1969, indicated that total operating costs for the year amounted to $338,000.00. an increase of $33,000 over the 1969 budget. It was noted that the costs of boarding under direct child care accounted for most of the deficit. On discussions regarding the Centennial Hall, council decided that an extension to the Hall should be held in abeyance until the present capital costs have been covered. It was also noted that a waterline from Rabbit Lake would entail an expenditure on the current levy, the stimate of which has not as yet been calculated. Roads Superintendent W. Wynarchuk reported that it was necessary to close off the Essex road due to excessive flooding. the Road will be closed until further notice.

Ole Hensrud Gets Bursary

Ole Hensrud from Kenora is a winner of a bursary award in the School of Physical Education, University of Manitoba.

The School's director, Dr. F.W. Kennedy, has announced that Ole, has been awarded a bursary from monies donated by the Community Recreation Branch of the Department of Tourism and Recreation in cooperation with the Fitness and Amateur Sport Branch Department of National Health and Welfare.

The award, which is in addition to general bursaries and scholarships available to all faculties and schools of the University of Manitoba is among 63 which come from donations made by private business, professional associations, secondary schools sports and organizations and public sources.

A major contribution totalling – $7000 came from the Community Recreation Branch and the Fitness and Amateur Sports Branch This money was used for 54 bursaries, 17 of which went to students in 1st year , 24 to students in 2nd year and 13 to students in their graduating year.

Ole Hensrud is in his 1st year of a 3 year course. Of the 58 students who were awarded the 63 bursaries announced by Dr. Kennedy, 15 came from Winnipeg.

Thistles Won Over Selkirk Thursday 7-4

The Kenora Thistles Seniors won their first game on the road this season as they drubbed the Selkirk Fishermen 7-4 last evening. They never looked back as they took an early lead in the second frame of 1-0. A local spectator said the Thisles are a different club and skated Selkirk to the ice and at times particularly in the first period, had the territoria play. Hicks in the Selkirk net saved the day for his club.

The officials doled out a total of 9 penalties, all of the minor variety, with Selkirk absorbing six of them.

Leading the Kenora attack were - Wayne Garrow, Gord Phillips who dented the net twice and singletons going to Slobodian, Bailey and McGowan.

Kenora hit the scoreboard first at the 7.07 mark as Wayne Garrow scored his first on a solo effort, then Bailey made it 2-0 with the aid of Scribilo and McGowan. Selkirk came back 3 minutes later to come within a grasp but the Kenora Club were not to be denied---as they scored their third goal thirty seconds later as Don McGowan potted his sixteenth of the season to make it 3-1 and then Ole Slobodian with a minute left, rounded up the scoring on a passing play with Wayne Garrow.

Thistles next home games will be on January 28th when the Dryden Rockets play a return match and on January 30th the St. Boniface Mohawks will be the visiting Club.

Thompson Group Constructing Headquarters

Toronto--Lord Thomson of Fleet officiated yesterday at a ground-breaking ceremony in Toronto to mark the start of construction of a ten million dollar building that will house the North American headquarters of his newspaper empire.

Thomson newspapers Limited will occupy the top five floors of the 25 storey Thomson Building when it opens in the Fall of 1971.

The new building would be across the street from the ultra-modern City Hall at the corner of Queen and Bay Streets.

The Thomson group in Canada consists of 28 daily newspapers and 15 weeklies. These interests plus Thomson Enterprises of the United States and the West Indies will be administered from Executive offices in the new building.

Tim Treadway, 18 year old son of Mr. and Mrs. Ken Treadway, Airport Road will be leaving on Saturday, January 24th for one year's service in U.S.A. with God's Invasion Army.

This is a group of 24 young people trained and sponsored by the Baptist General Conference for Church survey, and work with children's groups in the United States and Canada. Many will remember meeting some of the G.I.A. team when they were conducting a survey here last Fall.

Tim will be flying from Winnipeg to St. Paul, Minnesota, where his training begins.

He was honored at a social evening at Lakeside Baptist Church on Sunday evening at which time he was presented with a gift from the congregation.

Gadget Holder

A handy, portable container for your tools and other small parts while you are performing ladder jobs can be made from a large juice can with its lid partly cut off, trimmed, and bent over the rung of the ladder.

IN MEMORIAM

SPENCER — In loving memory of a dear mother and grandmother, Delia Spencer who passed away January 23rd, 1948

She left us quietly
Her thoughts unknown
But left us a memory
We were proud to own.
So treasure her Lord,
In your garden of rest
For on earth,
She was one of the best.

—Sadly missed and always remembered by her family and grandchildren.

CARD OF THANKS

We wish to express our sincere thanks and heartfelt appreciation to our friends and neighbours for the many acts of kindness, messages of sympathy and flowers during our recent bereavement in the loss of our father and grandfather.

Special thanks to Dr. A. P. Bolt, nurses and staff of Lake of the Woods District Hospital and to Mr. Hughes and staff of Pinecrest Home.

John Pike and family
