b) OAPSB Resolution Consideration (DRAFT ONLY) *to be considered at next meeting
Whereas Adverse Childhood Experiences (ACEs) are known to contribute to increased risk of chronic health conditions, mental health challenges, substance use, housing insecurity, and justice system involvement; and

Whereas statistical analysis and community data indicate that youth in the Kenora OPP Detachment Region represent the most underserved demographic, with a disproportionately high number of police interactions relative to population size; and

Whereas these trends reflect a systemic crisis affecting children, youth, and families in the City of Kenora and surrounding First Nation and rural communities;

Therefore Be It Resolved That:
1. The City of Kenora recognizes the youth crisis in our region as a public health and social emergency directly linked to Adverse Childhood Experiences.
2. The City commits to collaborating with Indigenous-led organizations, community agencies, school boards, healthcare, and justice partners to develop an inter-agency strategy focused on prevention, early intervention, and culturally informed care for youth and families.
3. The City of Kenora will advocate for provincial and federal investments into trauma-informed and land-based youth supports, including but not limited to:
    - Youth mentorship and leadership programs
    - Land-based healing and cultural revitalization
    - Mental health and addictions services rooted in community
4. The City will request that an inter-agency working group be established, co-led by Indigenous and municipal leadership, with a mandate to develop recommendations, establish benchmarks, and track progress related to youth outcomes, ACEs mitigation, and community safety.
5. That the City include this youth-focused strategy as a key priority in its municipal strategic planning and future funding advocacy efforts.

The Board will consider amendments to the draft and finalize by the next meeting.

7. Statistical Reporting (January - March 2025)

Acting Detachment Commander Jim Neild reviewed the January to March 2025 statistical information.

The thefts along with break and enters are down. The downtown plan is working and we are trying hard to have continue to have a dedicated downtown presence. Nonfatal overdoses have sky rocketed. This is an area where we are seeing a huge influx and it's not just here. Dryden, Fort Frances and many other areas are seeing the same. There are challenges with this crisis with drugs. Members are using naloxone daily.
If we give people the opportunity to be out of the public eye, it is causing great concern. They will be creating policy around overdoses.

The Board will bring this forward to the City as a recommendation to close the Pavillion washrooms for the winter months.

8. Policies

- Discuss Outstanding Policies (deferred)

9. Strategic Plan

Sub Committee Update – the subcommittee has not met.

10. New Business

Youth Engagement Action Plan

Along with the work on the draft resolution and advocacy, our communication towards Council will include the focus around youth engagement and tying it to the work of the CSWBP and the various agencies supporting youth engagement.

11. 2026 Budget

Heather provided the last two years of budgets as well as the draft 2025, 2026, 2027 budget. There has been a push amongst the Zones to get everyone involved and as a member of the OAPSB. The Board discussed the OAPSB membership and whether we should continue to be members. They have one dedicated staff person and the advocacy and support is not very extensive. The Board will discuss the budget again next month.

12. Next Meeting Date

- May 20, 2025 @ 2:00 p.m. – Kenora OPP Detachment Office

13. Adjourn to Closed Session

That in accordance with the Community Safety and Policing Act, 2019, as amended, Section 44(2) authorization is now given for the Board to move into closed session to discuss items pertaining to the following:

- Detachment Commander Performance Appraisal Process update

14. Reconvene to Open Session & Adjourn
