Housekeeping Council Briefing

(direct to Council – does not appear at COW)

Agenda Item Title: Bridge Rehabilitation Works Contract Execution

Background Information:

In August 2019, a request for proposals was issued by the Engineering Division for consulting services related to the rehabilitation of the Beggs Arch Culvert and Lajeunesse Bridge proposed for the 2020 construction season. This contract is for work related to and approved in the 2019 budget for design and tender works in preparation for being shovel ready for the 2020 construction season. The design and tender work to be completed in 2019 will then be used in 2020 for the project to proceed to the construction stage, provided the 2020 capital budget is approved with the inclusion of the associated construction phase funding for the project. Stantec Consulting was the lowest proposal and has been awarded the works via a purchase order. It is now in order for the City to enter in to an agreement with Stantec.

Resolution for Council:

That further to the Engineering Divisions award of the consulting services to Stantec, authorization be and is hereby given for the Mayor and Clerk to execute an agreement between the Corporation of the City of Kenora and Stantec; and further

That three readings be given to a by-law for this purpose

Housekeeping Council Briefing

Agenda Item Title: 2019 Fire and Emergency Services Third Quarter Summary Report

Background Information:

The City of Kenora Fire and Emergency Services (KFES) provides Council with a summary of fire department operations, on a quarterly basis.

The purpose of the report is to provide Council with an understanding of the emergency responses, inspection activities, and fire prevention and educational programs undertaken by the CKFES personnel.

Period: July 1st to September 30.

Emergency Responses

During this quarter, Kenora Fire and Emergency Services responded to 124 emergency calls with a total of 348 calls to date.

During this quarter fire personnel responded to the follow emergency responses:

- 1. Fire: 12 fires including 2 structure fires: Bunny Street, Chimney Fire on Main Street North, two car fires, electrical fires, 3 cooking fires.
- 2. Fire Alarm, Smoke Alarm or Carbon Monoxide Detector Related: 49 alarm calls including 11 carbon monoxide calls, high number is related to fire alarm system activations by construction workers and power outages.
- 3. Emergency Medical Response: 10
- 4. Burning Complaints: 21
- 5. Motor Vehicle Collisions: 13 incidents on local roads and area highways.
- 6. Water/Ice Rescue: 2
- 7. Elevator Calls: 2
- 8. Natural Gas: 1 smell of gas in home
- 9. Other: 14 calls including 6 power lines down and arcing, child's leg stuck in docks at the Harborfront, woman's hand stuck in mailbox, water leaks into electrical, OPP assistance, and strange odors in homes.

First Nations Emergency Response Agreements

The CKFES responded to 1 emergency call during this quarter on local First Nation partners. We continue to work with our partners on fire safety and fire prevention activities. Fire Chief has been working with local Les Prince, Fire Prevention Specialist for AKRC providing information, website links and contacts in fire prevention. A Fire Prevention Program was conducted with Les Prince at Rat Portage First Nation, with 22 in attendance.

Fire Inspections

The CKFES continues to be proactive in administering the Ontario Fire Code through our Fire Inspection Program, completing 9 fire code inspections and several consultations during this quarter. CKFES are working closely with local apartment owners, KDSB, and building owners in becoming compliant to the Ontario Fire Code.

Vulnerable Occupancy Program

In Ontario, owners of a care homes, care and treatment homes and retirement homes are legislated to update their Fire Safety Plan and, prepare and perform annual fire drill scenarios. These fire drills must be preapproved and monitored by the Chief Fire Official.

The City of Kenora has four care and treatment homes that meet these requirements. The CKFES works closely with them to ensure they meet their annual legislated requirements. During this quarter a successful Fire Drill Scenario was completed at Hennessey Terrace Care Home. A pre meeting with LWDH was completed with a Fire Drill Scenario scheduled for November.

Fire Prevention and Life Safety Education Program

The City of Kenora Fire and Emergency Services provides fire prevention and life safety education program to our City partners through the distribution of Fire Safety pamphlets, school and adult education programs, reviewing and approving Fire Safety Plans and working closely with local media in delivering timely fire safety training.

During this quarter, fire personnel have completed the following:

- 1. Fire Safety Plan Approvals: 3 KACL buildings, new Emergency Shelter
- 2. Hall Tours: 8 tours including summer kid's camps, local families and travelling public, Abinooji Family Services.
- 3. Northwestern Health Unit Safe Communities Monthly meetings,
- 4. Kenora Safe Communities Annual Community Safety Night attracting approximately 400 public.
- 5. Harbourfest 2019 pre event Fire Plan review and fire extinguisher training.
- 6. Child Car Seat Installation Clinic
- 7. Fire Extinguisher Training: Abinooji Child and Family Services (11 people), Seven Generations Institute (20people)
- 8. City Communications Specialist: CKFES has partnered with our Communications Specialist in getting fire safety messages out to our employees through, inter office email, televisions throughout the city and the Cities Facebook page. This process is proving to be very effective in delivering fire safety messaging out to City staff. This quarter featured October 6 to 12- Fire Prevention Week with this years theme of:

Additionally fire prevention messaging included, Home Heating and Carbon Monoxide, Turn back your Clocks Change Your Detector Batteries.

- 9. Observed Fire Drills were conducted with Seven Generations Institute, Amethyst and Parkview Apartments.
- 10.CKFES continues to utilize our FACEBOOK page for fire safety information, messaging and fire department information.

The CKFES continues to work closely with our internal and external partners in delivering a comprehensive fire prevention, inspection and emergency response program.

Alarm for Life Program

Kenora Fire conducted our Alarm for Life program. This program consists of firefighters conducting door to door home and apartment checks to determine if residents are complying with the smoke and CO monoxide regulations.

Alarm for Life Program was a success,

Here is the breakdown for Alarmed for Life Blitz on August 13, 2019.

There were 12 staff in attendance.

Homes Visited - 209

Residents spoken to - 80

Non-Compliance - 24

Non-Compliance - 24 Smoke Alarms - 9 CO Alarms - 15

30 % of residents spoken with were non-compliant.

Follow- up visits were conducted to insure compliance with Fire Code

Firefighter Training

- 1. Airport Emergency Training
- 2. Home Station Practices
- 3. Chainsaw Safety
- 4. Driver Training
- 5. FireCon 2019 attendance of 6 firefighters attending NFPA Pumper Operations Certification, NFPA Instructor 1 Certification and Leadership.

Other

- 1. Annual Pump Testing conducted by Ft Garry Fire Trucks
- 2. Annual Apparatus Safety Inspections
- 3. Hose Pressure Testing

- 8. Chief attended Monthly Safe Communities Kenora meetings at the Northwestern Health Unit.
- 9. Chief attended Bi-Monthly Risk Table meetings at Kenora OPP station.
- 10. Annual truck safety inspections and safeties.

Firefighter Recruitment and Retention

Kenora Fire and Emergency Services remains at one of its lowest levels for volunteer firefighters and is finding it very hard attract interest and retain firefighters.

This issue is occurring nationally and departments are looking at different ways to attract volunteers and retain them. KFES currently has 24 volunteers about 50% of the number allowed through our current agreement.

A Volunteer Firefighter Recruitment Open Hose was conducted in September with attendance by local media and approximately 45 individuals and as a result 14 applications

were submitted. The recruitment process is currently under way with Agility Testing and Interviews scheduled this fall.

Regional Training Centre - Recruit and Firefighter Training

CKFES continues to be a leader in our area in training and developing firefighters. As part of our annual recruit program Kenora offers a weekend NFPA Level 1 Regional Fire Fighter Training program for all fire departments in our area.

The 2019 Capital approval to purchase shipping containers along with the TransCanada Pipeline donation of \$25,000.00 to develop Live Burn Fire Training Cells has been differed to 2020. This is a result of contractor availability during this year's busy construction season.

Emergency Management

Amateur Radio Emergency Service (ARES) along with Ontario Emergency Management is planning a large scale exercise in November. Kenora's ARES and Emergency Control Group will be taking part in the exercise.

This falls record rainfall has brought water levels to record fall levels across our region. Several homes, mainly in the Black Sturgeon area, required localized sand bagging. Kenora's Emergency Management did supply minimal sand bags when local stores were depleted. Levels are currently being monitored in the area with regular discussions with the Lake of the Woods Control Board. Levels are slowly subsiding and will be monitored throughout the winter. Given the high levels, there is a high concern for spring flooding. The Emergency Management Group will be discussing these levels in the fall and will be planning throughout the winter in preparation of spring flooding.

Budget: No Budget effects.

Communication Plan/Notice By-law Requirements: None

Strategic Plan or other Guiding Document: Aligns with the City of Kenora's Values contained within Strategic Plan 2015-2020, specifically, "we strive for continuous service improvements through innovation, leadership and best practices; we consider community, public and workplace safety in every decision we make; we manage the municipal finances in a responsible, prudent and transparent manner; and is consistent with Corporate Goal #2-3 and Corporate Goal #3-3

Risk Analysis: As per the City's ERM Policy, there is no risk Associated with this quarterly briefing report.

Resolution for Council:

That Council hereby accepts the 2019 Third Quarter Report from the Kenora Fire and Emergency Services Department for the period of July 1 to October 30, 2019.

Agenda Item Title: 2019 POA Write Off's

Background Information:

The transfer of Provincial Offences administration took place in 2000 with the functions of court administration and court support functions for the proceedings of Part I, II and III matters of the Provincial Offences Act.

The City of Kenora entered into an Inter-municipal Service Agreement with the Municipal Partner areas of Red Lake and Sioux Narrows/Nestor Falls to administer the court services for their municipalities along with Kenora.

Under our MOU, the Ministry of the Attorney General mandates that we create an annual write off listing and keep our accounts receivable current.

Council needs to be aware that these accounts will be purged, however, a database will be maintained with the listing of all of the outstanding accounts in the event that we are successful in retaining payment on any of these written off fines. We no longer write off Ontario drivers who have been suspended, these outstanding receivables from Highway Traffic Act fines now stay on suspended drivers records. For the most part the purged accounts include unpaid Liquor Licence Act fines and those of deceased persons.

Please be assured that a complete list of all write-offs are being maintained and will continue to be pursued in our collections processes, which includes working with collection agencies to locate these defendants.

Resolution for Council:

That Council of the City of Kenora hereby approves the write off receivables list from the Provincial Offences department for the period of January 1, 2012 to December 31, 2012 in the amount of \$12,796.05.

Budget: N/A

Risk Analysis: As per the requirements in the City's ERM Policy, there is low governance risk and this would be managed by routine procedures. This is an administrative housekeeping report as POA write offs are mandated by the Ministry of the Attorney general under the MOU.

Communication Plan/Notice By-law Requirements: N/A

Strategic Plan or Other Guiding Document: The City will continue to build and strengthen our working relations

Agenda Item Title: 2019 Water & Wastewater Systems Monthly Summary

Report – September

Background Information:

The Water and Wastewater Division will be providing Council with Water and Wastewater Systems Summary Reports, on a monthly basis.

The purpose of the Report is to provide Council with an understanding on how the water and wastewater systems they own and operate are maintained. Data will be collected at the end of each month and presented to Council for acceptance, see attached.

The Operations and Infrastructure Department recommends that Council accept the 2019 Water and Wastewater Systems Monthly Summary Report for September.

Resolution for Council:

That Council of the City of Kenora hereby accepts the September 2019 Kenora Water and Wastewater Systems Monthly Summary Report, as prepared by City administration.

Budget: N/A

Risk Analysis:

The risk level is low to moderate. The monthly reporting is just standard practice for transparency purposes, and an opportunity to further Council's understanding of the Division's monthly budgeting. No mitigating strategies are required.

Communication Plan /Notice By-law Requirements:

Resolution required. Jeff Hawley, Biman Paudel, WTP, WWTP

Strategic Plan or other Guiding Document:

Goal #2 Strengthen Our Foundations

- 2-1 The City will ensure that our municipal infrastructure is maintained using available resources with the intent of moving towards all City infrastructure being in a good state of repair to ensure certainty, security and long-term stability of our systems.
- 2-2 The City will keep in the forefront that there is a significant infrastructure deficit, and current and future Councils will need to continue to work towards allocating sufficient resources to be able to adequately address this issue.
- 2-3 The City will ensure prompt and immediate response times supported by resilient communications in the event of system outages and other emergencies.
