New Business

➤ **Strategic Plan update**

Heather will reach out to Dan Penner from Urban Systems to obtain an update for the board. It would be nice to have this coordinated over the summer and wrap up in September/October with this board term. The Board questioned if Urban Systems is following up with the contacts for the consultation and documenting the contacts to ensure we have that record. A letter to the parties identifying the number of attempts and a deadline may help. Board would like to see this finalized for the September meeting.

➤ **OAPSB Conference Update**

Member Canfield expressed it was great to be back in person at the Ontario Association of Police Services Board Conference in Toronto. There were excellent sessions and noted it would be great for the Board to invite Tom Gervais who is our Ministry rep to Kenora to speak with the Board. Board Chair Dias explained the new governance expectations for the Board which will focus in three areas. No longer will the Board be removed from the operations and strategic planning for policing in our community. There are big changes coming around process.

Detachment Commander's Report – May 2022 – Resolution #3

Moved by A. Poirier, Seconded by W. Van Belleghem & Carried: -

That the Kenora Police Services Board hereby accepts the Kenora OPP monthly report for the month of May 2022.

Discussion: There were 1,473 calls for service in May. 243 foot patrol hours and they are introducing the new bike patrol with three trained officers and two bikes donated in the community. They received approval to hire 8 special constables, and two students. There are currently no staffing vacancies which is very important heading into the busy summer season.

POLICE SERVICES BOARD

September 22nd, 2022

To All Ontario Police Services Boards:

The Municipality of East Ferris Police Services Board is concerned that not enough is being done to protect children getting on and off school buses. Since the beginning of the 2022 school year, all school buses operating in Ontario have been equipped with a new eight-light amber light system, as well as text added to the back of the bus to remind drivers not to pass when the red lights are flashing. These changes are all intended to help drivers do the right thing. Unfortunately, the results since the beginning of this school year show no change in driver behavior. The East Ferris Police Services Board is convinced we must now proceed with the addition of the third component of the school bus safety program: camera equipped stop arms to ensure safety compliance.

A recent study by Nipissing-Parry Sound Student Transportation Services regarding illegal school bus passing found 552 incidents for the school year 2021 / 22 or 2.95 per school day. As part of the "Let's Remember Adam" campaign in the Municipality of East Ferris, illegal passing noted in the first three weeks of the 2022 / 23 school year by buses carrying East Ferris children shows no change in driver behavior. Therefore, it is time to move to Step 3: mandatory installation of cameras on all school buses. For change to happen, education plus enforcement are needed. The East Ferris Police Services Board is asking all Police Services Boards, given their mandate to ensure safety and well-being, to bring forward to their next Police Services Board Meeting the following resolution to adopt and circulate to the appropriate parties in their area.

WHEREAS in Ontario it is unlawful for a stopped school bus to fail to stop when the red overhead lights or the stop arm is activated, and

WHEREAS, an eight-light yellow and red light system and education campaign to encourage drivers to stop is now in place in Ontario, and

*WHEREAS data collected to date by the East Ferris Police Services Board indicates that there has been no change in driver habits since the beginning of the 2022 school year; and
WHEREAS over 837,000 students travel in a school vehicle in Ontario each school day; and*

WHEREAS the East Ferris Police Services Board believes that school buses should be as safe as possible and that safety standards should be higher than they are;

THEREFORE BE IT RESOLVED that the Police Services Board of the Municipality of East Ferris request the Attorney General of Ontario to enforce laws that protect students by prohibiting drivers from passing a school bus when dropping off or picking up passengers.

FURTHER, that the Attorney General request that the appropriate provincial government officials review recent proposed changes to school bus regulations by Transport Canada regarding required equipment, including:

- Infraction cameras*
- Extended stop sign arms*
- 360 degree exterior cameras*

FURTHER, that the Attorney General examine the application of camera and fine collection technologies similar to those used on electronically controlled toll highways to ensure that no offending driver is excluded from the law.

FURTHER, that a copy of this resolution be forwarded to Nipissing MPP Vic Fedeli, local school boards and the Ontario Good Roads Association.

In closing, the Municipality of East Ferris Police Services Board wish to thank you for your support on this matter.

Regards,

Pauline Rochefort
