March 18, 2025 Kenora OPP Detachment Board Meeting Minutes

Moved by B. Manson, Seconded by S. Norlen & Carried-
That the minutes of the last regular Kenora OPP Detachment Board meeting held December 17, 2024 be hereby approved and filed.

7. Business Arising from Minutes (Outstanding Items)

Member McGrath in the last meeting presented information on the Zone 1 meeting held in Thunder Bay. D/C Neild indicated that human resources and staff morale and overall staffing can be reported to the Board. It is a broad approach and there is always the perceived versus actual factor at play. There are certain targets that the Detachment intends to meet and there are goals that the Detachment Commander has set for his own benchmark with short and long range targets.

There was discussion about morale and how factors such as health and wellness, burnout and other staff matters are managed. If certain number of hours in a month are flagged, there are things that are triggered to review and address with staff.

It was questioned if the Board could tour the OPP Detachment. It was suggested that we meet at the OPP station instead of City Hall. Heather and the Board Chair will take a look at that option.

8. Communication Received by the Board

- None

9. Policies

9.1 Board Expense Policy #KODB 2-1

Moved by B. Manson, J. McGrath & Carried: -

That Policy #KODB 2-1 be hereby adopted as presented.

10. Compliance

Legislative Duties of the Board

In lieu of a new Community Safety & Policing Act, there are new responsibilities of a Board that we need to start enacting into our framework that we need to implement.

Chair Van Belleghem read the role of the Board and expressed that we want to understand the responsibilities of the Board and if we should be creating a sub-committee to look at these specifically. The OPP are looking at templates so that things are consistent. It was questioned if they still require some version of this from us.

Tracking to the strategic plan and where things are at with the plan is something we should be starting with. Feel that we should have some reporting going to Council. Sheri Norlen and Councillor Manson are willing to work with D/C Neild on a sub-committee and Joel will be an alternate. D/C Neild will send an email to the sub-committee for a meeting time.

It was questioned if the second round of training has been made available to date, and nothing has been received from anyone. Chair Van Belleghem will reach out to inquire if there is a date this will be released.

11. Social Issues Interfacing with Police Services

Human Trafficking Report Request

The Board asked if when providing executive summary if the D/C could include the human trafficking reported separately. It would be a great idea for a first topic and have a presenter come and talk about the data and the difficulties tracking this type of data.

D/C Neild will ask the OPP officer who is in charge in the human trafficking area to attend the Board meeting.

12. New Business

a) Provincial Appointee

S. Dias will be appointed at the next meeting.

b) 2025 OAPSB Spring Conference Attendance

There is enough budget in the Board budget for four members to attend. Councillor Koch will be already be in Ottawa for the FCM Conference so will attend on behalf of the Board. Heather will also be in southern Ontario for another conference so will attend for the Administrative portions.

2025 OAPSB Proposed Resolutions

They are requesting resolutions to be received by May 1, 2025. If anyone wants something presented as a resolution, please come prepared to the next meeting.

2025 OAPSB Spring Conference Sponsorship Request

The Board did not support a sponsorship.

2025 OAPSB Membership Dues

The total OAPSB membership for 2025 is \$1,898.87 which is much higher than previous years.

13. Statistical Reporting

Detachment Commander Neild noted that this report is for 2024 at a high-level view. There is a focused youth report for analytical data that is very important.

There has been a big improvement in theft, and this is a result of the downtown presence of officers and the statistical reporting in this area provides evidence that the presence is improving these thefts. Fraud is on the increase, and we need to ensure that people are reporting these matters of fraud. These are increasing significantly especially with the seniors. The Canadian Government holds an interactive class to demonstrate how easy fraud can be avoided.

D/C provided a focused analytical report. Tracking a trend for youth in Kenora (0-24 years of age). The data demonstrates that transitioning youth are on a dramatic increase with youth and interactions with police. Out of 18,500 calls in 2024, youth alone is 4,100 calls which equals 38% of the calls for service pertaining to youth. This is a steady trend and is out of proportion to the rest of the province. Just shy of 1,400 different youth were involved with police and this is a systematic growth. The biggest increase is in female youth which

is very concerning. The youth involvement by age speaks volumes with a dramatic spike at age 14 and 15. We need to look at how we are going to deal with this. 30% of calls are for youth alone and to address this there are a number of organizations working collaboratively together right now who are working to engage with youth. We have a dedicated officer to youth engagement which is his full time role.

The youth hub is under utilized and that would be a good group to come and present. There are several agencies in the community who have been given pockets of funding for youth engagement and it's currently not collaborative.

Food insecurity is a very real issue amongst youth and they have been providing food to these youth as well which has been significant to reaching the kids. Traditionally clinical work is done in a clinical setting and engagement with youth needs to be approached differently. We are meeting them in a mutual spot and reaching them in places where they are comfortable.

The Board needs to talk about next steps and start creating action plans to address this in our community.

14. Next Meeting Date

April 15th @ 2:00 p.m.

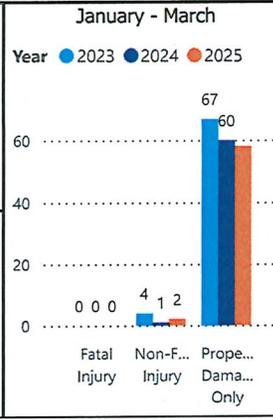

15. Adjournment

Meeting adjourned at 4:18 p.m.
