Re: Assumption of parts of Essex Road and Beauty Bay Road

Recommendation:

That Council of the Corporation of the City of Kenora, by the passing of a bylaw, accepts and assumes part of the Essex Road, being Part 2 on Plan 23R-11797, and part of the Beauty Bay Road, being Parts 4 and 9 on Plan 23R-11797, as public highways for municipal purposes.

Background:

The Kenora Planning Advisory Committee gave conditional approval to an application, by Paul Derouard, for consent to create three lots on January 20, 2009. A condition of consent was:

The Owner transfers portions of the Beauty Bay Road and Essex Road over the subject lands; to be measured 10 metres from either side of the centre line of the travelled portion of the road.

The transfer of the lands occurred on October 27, 2009. The portions of the road should now be assumed by the City.

Budget: Registration of By-law approximately \$200
