RE: AMENDMENT TO TRAFFIC REGULATION BY-LAW NO.127-2001- YIELD INTERSECTIONS – MATHESON STREET SOUTH AT MCCLELLAN AVENUE

BACKGROUND:

As part of the downtown revitalization project improvements were made to McClellan Avenue to facilitate traffic passing through Kenora.

The McClellan Avenue east bound lane was converted into a two lane configuration with a center “through” lane and right turn lane onto Matheson Street South. The right turn lane is controlled by at Yield designation to promote continuous flow.

In order to enforce infractions the Yield sign needs to be added to the Traffic Regulation By-Law.

I recommend that an amendment be made to Schedule P “Yield Signs at Intersections” of Traffic Regulation By-Law No. 127-2001 to add a Yield sign at the McClellan Avenue and Matheson Street South intersection.
