## City Council Committee Report

**To: Mayor & Council**

**Fr: Richard Perchuk, Manager of Operations  
Mark Van Breda, Roads Supervisor**

**Re: 2010 Interlocking Brick & Concrete Sidewalk Maintenance Tender**

**Recommendation:**

**That** the only tender for the 2010 Interlocking Brick & Concrete Sidewalk Maintenance be received; and further,

Don Hagar Contracting Inc.	\$210,309.75
----------------------------	--------------

**That** the quotation submitted by Don Hagar Contracting Inc., in the amount of \$210,309.75 (tax included), be accepted.

**Background:**

The City of Kenora Roads Department puts out an annual tender for the repair and maintenance of the City's interlocking brick and concrete sidewalks. The interlock brick sidewalks require ongoing rehabilitation to keep them structurally sound and safe from liability claims.

The cost for the maintenance will be covered under two Operating Budgets: Water & Sewer and Roads. The cost for re-locating parking meters away from curbs will be covered under the Operating Budget account for metered parking.

The Tender closed on April 22, 2010 with only one tender received, (taxes included):

Don Hagar Contracting Inc.	\$210,309.75
----------------------------	--------------

It is recommended that the only bid received from Don Hagar Contracting Inc., be accepted.

The contract was awarded to Don Hagar Contracting Inc., in 2009, the lowest bid of 2 tenders received, in the amount of \$249,929.40 (tax included).

**Budget:** 2010 Roads & Sewer & Water Operating Budgets

**Communication Plan/Notice By-law Requirements:**

Resolution required.

Distribution: R. Perchuk, M. Vogrig, M. Van Breda
