That the quotation submitted by Pioneer Construction, Kenora, Ontario, in the amount of \$15.78 per tonne (including tax), pending approval of the proposed aggregate, be accepted; and further,

That the attached ranking list for the supply only of Granular "A" material from private pits, Part B, as specified, be hereby accepted.

Background:

Tenders for the annual supply and delivery of 7,500 tonnes of Granular "A" material to the Operations Centre work site (Part A) and for the "supply only" of Granular "A" material to be drawn, by the City, from a designated private pit (Part B) closed on April 22, 2010.

The cost for the material will be covered under the 2010 Operating Budget's Inventory Account and charged out to respective City Departments.

Part A: Five (5) quotations for the supply & delivery of 7,500 tonnes of Granular "A" material were received as follows: (including tax)

Lunam Drillers	\$16.63 per tonne
Joe Neniska and Sons	\$16.95 per tonne

Hugh Munro Construction	\$18.81 per tonne
Pioneer Construction	\$15.78 per tonne
Moncrief Construction	\$17.51 per tonne

It is recommended that the City accept the lowest bid submitted by Pioneer Construction conditional on the proposed material passing a sieve analysis test to ensure it meets the required specifications as set out in the tender document.

The City paid \$15.50 per tonne to Pioneer Construction in 2009.

Part B: Four (4) quotations for the "supply only" of Granular "A" material to be drawn from a designated private pit, were received and ranked as per the attached listing.
