City Council Committee Report

To: Mayor & Council

**Fr: Richard Perchuk, Manager of Operations
Mark Van Breda, Roads Supervisor**

Re: 2010 Supply of Class 2 Aggregate

Recommendation:

That the following quotations, for the supply of 2,500 tonnes of Class 2 Aggregate, as specified, be received, and further;

Hugh Munro Construction	\$18.65 per tonne
Joe Neniska and Sons Ltd	\$24.57 per tonne
Pioneer Construction	\$19.49 per tonne
Moncrief Construction	\$15.31 per tonne

THAT the quotation submitted by Moncrief Construction, Kenora, Ontario, in the amount of \$15.31 per tonne (taxes included), pending approval of the proposed aggregate, be accepted.

Background:

Tenders for the supply of 2,500 tonnes of Class 2 Aggregate closed on April 22, 2010. The City of Kenora requires this material for the Surface Treatment Program. The material will be accessed from the pit of the successful tender candidate. The cost for the material will be covered under the 2010 Operating Budget's Inventory Account and charged out to various 2010 Capital works projects.

Four (4) quotations were received as follows: (including tax)

Hugh Munro Construction	\$18.65 per tonne
Joe Neniska and Sons Ltd	\$24.57 per tonne
Pioneer Construction	\$19.49 per tonne
Moncrief Construction	\$15.31 per tonne

It is recommended that the City accept the lowest bid submitted by Moncrief Construction on the condition that the proposed material passes a sieve analysis test to ensure it meets the required specifications as set out in the tender document.

The City paid \$17.52 per tonne to Hugh Munro Construction in 2009.
