City Council Committee Report

To: Mayor & Council

Fr: Bruce Graham

Re: Revised Health and Safety Policy Statement

Recommendation: That Mayor and Council review, approve, and sign the amended City of Kenora Occupational Health and Safety Policy Statement.

Background: Council approved and signed the City's Occupational Health and Safety Policy at the meeting of February 22, 2011. Subsequent to that meeting the City has been advised that we have been selected for a WSIB Workwell Audit. One of the Elements of the Workwell Audit is to have an Occupational Health and Safety Policy that includes specific reference to Health and Safety responsibilities for Managers, Supervisors, and Workers. As our old statement didn't include this type of language it was decided to revise it accordingly and have council approve and adopt the new, revised policy statement.

Budget: N/A

Communication Plan/Notice By-law Requirements: Signed documents will be returned to Bruce Graham for appropriate duplication and distribution.
