

**July 26, 2011**

**City Council  
Committee Report**

**To: Mayor & Council**

**Fr: Richard Perchuk, Manager of Operations  
Marco Vogrig, Municipal Engineer**

**Re: 2011 Screened Winter Sand**

**Recommendation:**

**That** the following and only tender for the 2011 Supply and Delivery of 8,000 tonnes of Screened Winter Sand be received:

Joe Neniska & Sons	\$15.40 per tonne, plus HST
--------------------	-----------------------------

**That** the tender submitted by Joe Neniska & Sons, in the amount \$ 15.40, plus HST, per tonne, be accepted.

**Background:**

The City of Kenora tenders annually for the supply, delivery and stockpiling of screened winter sand. The tender closed on Tuesday, July 26, with only one tender received. The City will also purchase road salt to be mixed and stockpiled by the contractor at the Operations Centre at a ratio of 1 part salt to 25 part sand. Last year's tender was awarded to Joe Neniska at a price of \$16.08 per tonne. Prior to mixing, the sand will be given a sieve analysis test to ensure it meets the tender specifications. The winter sand will be charged out under an inventory account number on a per tonne basis as it is being used during winter sanding operations. The City also requested the contractor supply a lump sum price to restack approximately 2,000 tonnes of existing winter sand into the new stockpile.

**Budget:** Operating 2011

**Communication Plan/Notice By-law Requirements:**

Resolution required.

Distribution: R. Perchuk, M. Vogrig, R Halverson
