City Council Committee Report

To: Mayor & Council
Fr: Colleen Neil, Recreation Manager
Re: JM Arena Engineers Report

Recommendation:

That Council approves the recommendation to keep JM Arena of-line for the 2011-2012 ice season for the purpose of addressing building deficiencies as outlined in the KNH structural engineer report.

Background:

Staff and council met on December 19, 2011 to review the structural engineers report and recommendations. Based on the report it has been deemed necessary for the building to be taken off line to the public. Staff will continue to review the noted building deficiencies and take steps for remediation.

Budget:

The JM Arena does not have reserve funds in place. A plan and budget will be forth coming once further review and planning takes place.

Communication Plan/Notice By-law Requirements:

Operations Manager, Recreation Services Manager, City Engineer, City Building Officials, Recreation Facility Supervisor, CAO
