## City Council Committee Report

**To: Mayor & Council**

**Fr: Richard Perchuk, Operations Manager**

**Re: Traffic Regulation Bylaw Amendment – Yield Sign – Second Avenue East**

### **Recommendation:**

**That** the City of Kenora Traffic Regulation By-law 127-2001 be amended to include the following addition to Schedule "P" – Yield Intersections for Second Avenue East at Fourth Street South:

### **Add:**

Column 1  
INTERSECTION

Column 2  
FACING TRAFFIC

Second Avenue East,  
Rocky Heights Road and  
Fourth Street South

North bound on Second Avenue East

### **Background:**

Second Avenue East and the Rocky Heights Road intersect at Fourth Street South. Presently, there is no traffic control signage in place to regulate the flow from both directions onto Fourth Street South. The erection of signage would improve motorist safety.

A yield sign is being proposed for motorists traveling north bound on Second Avenue East at Fourth Street South. Applying the designation to the Rocky Heights Road is impractical due to the steepness of the grade. The location of the proposed signage is identified on the attached drawing.

I recommend that the Traffic Regulation By-Law 127-2001 be amended to include changes to Schedule "P" – Yield Intersections for Second Avenue East as follows:

### **Add:**

Column 1  
INTERSECTION

Column 2  
FACING TRAFFIC

Second Avenue East,  
Rocky Heights Road and  
Fourth Street South

North bound on Second Avenue East

**Budget:** Operating Budget 2011
