City Council Committee Report

To: Mayor & Council

Fr: Joanne L. McMillin, City Clerk

Re: Adoption of revised Snow Vehicles By-law

Recommendation:

That further to Council approving an acceptable through town route for a snowmobile corridor following consultation with the public on September 26, 2011, Council give three readings to a by-law to regulate, govern and control Motorized Snow Vehicles in the City of Kenora; and further

That arrangements be made to enter into the applicable agreement with Sunset Trail Riders (STR) regarding the identified snowmobile corridor.

Background:

Further to Council's adoption of the October 17, 2011 resolution with respect to a new snow vehicle by-law and approving Sunset Trail Riders (STR) to implement a through town OFSC snowmobile corridor with conditions, this is to confirm the Law Office has now prepared the revised Snow Vehicles By-law for Council approval. The Law Office will also be submitting the required agreement between the City and STR for this purpose under separate cover that will require by-law approval.
